Sunset Shimmer was dressed up like a Sailor Soldier. She was the Sailor Soldier for the planet Tholia! Sailor Tholia.

Me: By the way Sunset I love your Sailor Soldier Costume. It's awesome.

Sunset Shimmer: Thanks. I am the Sailor Soldier of the planet Tholia.

Nico: A Star Trek Planet Sailor Soldier. Awesome.

Sunset Shimmer: Thanks.

We arrived at Twilight Sparkle's castle and knocked on the door.

Horsea: Trick or Treat!

Me: Trick or Treat!

Twilight Sparkle: Wow! Great costumes everyone. Happy Nightmare Night and Halloween everyone.

Me: Thanks Twilight. You look awesome yourself.

Twilight Sparkle was dressed up like a soldier for the Canterlot Royal Guard, something her brother Shining Armor does.

Twilight Sparkle: Thanks. My brother is part of the Royal Guard. So I went with that.

Me: Your brother would be really proud of you for that one.

We got lots of candy.

We arrived at Rarity's shop and knocked on the door and Rarity answered.

Poliwag: Trick or Treat!

Rarity: Oh my darlings what awesome costumes.

Rarity was dressed up like Esther Blanchett from Trinity Blood, an awesome 31st Century Style flair for her.

Me: Thanks Rarity. Wow! You look awesome as Esther Blanchett.

Esther Blanchett: I'll say. I'm really honored that you would dress up like me.

Rarity: Oh thank you Esther.

She gave us a lot of candy.

Next we went to Fluttershy's cottage.

We knocked on the door.

Manaphy: Trick or Treat!

Fluttershy: (Fearfully) GO AWAY! NO CANDY HERE! VISITORS NOT WELCOME ON NIGHTMARE NIGHT!

Me: Oh boy.

I went up to the door.

Me: Fluttershy it's okay. It's just us.

She opened the door and saw all of us.

Fluttershy: Oh it is you guys. I'm sorry.

Me: Fluttershy gets really scared on Nightmare Night and Halloween.

Nico: Fluttershy there's nothing to be afraid of.

Eli: Yeah you'll be okay.

Eli was dressed like a Jedi Grandmaster.

Fluttershy: Oh I'm sorry guys. I just am really scared of this day.

Lincoln: It'll be all right Flutters. You'll be with us to keep you safe.

Lincoln was dressed like an Archangel.

Fluttershy: Oh thank you guys.

Me: How about you go get dressed and we'll treat you to some candy?

Fluttershy: Okay.

Lincoln: And I have a great costume for you.

Lincoln snapped his fingers and dressed her up like a beautiful rainbow and life fairy.

Fluttershy: Oh wow. Lincoln I love this costume.

Nico: You look beautiful and radiant Fluttershy.

Fluttershy: Thank you Nico.

We then went to Sweet Apple Acres.

Me: Sweet Apple Acres is awesome on Nightmare Night and Halloween. Don't worry Manaphy, Applejack is sure to have some candy.

Manaphy: Okay.

We went up to the door and knocked on it. Applejack, Big Mac and Apple Bloom answered.

Manaphy: (sighs) Okay. Let's try this again. Trick or Treat!

Me: Trick or treat!

Applejack: Howdy guys! Great costumes.

Applejack was a lion, Big Mac was the Phantom Of The Opera and Apple Bloom was a reindeer.

Me: Thanks Applejack. Your costumes all look awesome.

Brittney: Same as yours Big Mac.

Brittney was dressed up like Misty Tredwell in her Dark Signer outfit.

Big Mac: Eeyup.

Me: The Phantom of the Opera is really awesome on you.

We got some candy and it was awesome.

Next we went to Sugarcube Corner.

We went in.

Poromon: Trick or Treat!

Pinkie Pie: Hey great costumes everyone!

Pinkie Pie was dressed up as Fili-Second from the Power Ponies.

Me: Thanks Pinkie. Love Your costume too.

Pinkie Pie: Thanks. I'm Fili-Second from the Power Ponies.

Spike: It was the comic where we battled the Mane-Iac the first time.

Me: That is cool!

Pinkie Pie: It sure is.

She gave us lots of candy.

Our bags were LOADED with candy.

Xenia: Wow look at all this.

Me: We made a huge haul.

Nico: Yep.

Starlight Glimmer: Boy this is awesome.

Starlight Glimmer was dressed up like Elvira, the Mistress of The Night. Perfect costume.

Nico: Maybe nothing will go wrong tonight after all.

Me: I wouldn't be so sure. We still have our big mission today.

Nico: Oh right. Lets head back to the estate and get ready.

Laney: Right.

We did so and we got ready.

The Masters of Evil came in too and they had a huge haul of candy too.

Me: Boy you guys had an awesome haul yourselves.

Dark Spicer: Yeah we sure did.

Nico: Awesome.

Vypra: Cool ribbon J.D.

Me: Oh this? I won it for the Best Costume on Nightmare Night Contest. Everyone thought Prince Daystar looked awesome.

Varie: It sure did and we also tied with it.

Qin: Me and Varie did.

Vypra: Awesome.

Maria: Soundwave, scan for anything unusual in the area.

Soundwave: Affirmative. Scanning now.

He scanned.

Vypra: So what's our mission?

Me: Well we found out during Nico's rescue this morning that 2015's Slappy from the Goosebumps Movie released all the bad guys that Mystery Inc. and me busted over the years from prison.

The M.O.E. Gasped.

Vypra: Oh man!

Dark Spicer: WHOA! We got to send that monster to the black gates1

Nico: Actually Dark this is one version of Slappy I can tolerate. He and all the monsters from the 2015 movie will go into the Book of Vile Darkness to be put into your ranks.

Vypra: Wow. Good call.

Soundwave: Scan complete. Life signal similar to Hannah found.

Me: And in Madison, Delaware no doubt.

Nico: Then that's where we need to go.

Me: And this mission is perfect for Halloween. Awesome perfect timing.

Vypra: You know we're going with you guys.

Me: Absolutely.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than The Princess of Hell and main antagonist from the Night of The Demons movies, Angela Franklin, and the bad news is she's escaped from Hull House with the use of a Dark Orb, and she's heading here to kill us for what we did in killing and freeing her demonized minions and ruining her sadistic fun. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Angela Franklin finally on the move?

Lincoln: You guessed it, Nico, the Princess of Hell has finally made her move.

Me: But, that's impossible, she can't cross the underground stream otherwise she'll be destroyed.

Lincoln: I'm afraid it gets worse, J.D.: Angela's escaped from Hull

House with the use of a Dark Orb, and she's heading here to kill us for what we did in killing and freeing her demonized minions and ruining her sadistic fun.

We gasped.

Eli: Oh, not good.

Nico: You said it, Eli. It's true that Angela can't escape from Hull House by crossing the underground stream because demons can't cross running water, but if someone took something from Hull House, it'll enable Angela to come into the dwelling, and now that she has a Dark Orb, she escaped from Hull House, and now, she's out for blood.

Lynn: Yep. And you're not going to like who it was that gave Angela the Dark Orb.

Me: Someone gave her a Dark Orb?! Who was it?

Lincoln: It was Chase Young.

We gasped in horror.

Lori: So, it was Chase Young who did this. Why, that heartless, no-good… !

Me: (Growls) Now, he's gone too far.

Nico: Giving Angela Franklin the means of escaping Hull House with a Dark Orb, that monster's going to get what he deserves in the future, he can count on that. Alright, gang, let's go, we're heading to Ponyville to celebrate Nightmare Night and finally take down and destroy Slappy the Dummy and the Goosebumps monsters from the real live Goosebumps movie.

Lincoln: This'll be the last time that dummy tries to cause havoc in the world again, along with the rest of those Goosebumps monsters, and when we get done with destroying Slappy the Dummy and the Goosebumps monsters, you're next, Angela Franklin, and this'll be your final Halloween.

Nico: Well lets get a move on!

We were off!

MADISON, DELAWARE

We arrived in Madison, Delaware.

Me: Wow! So this is Madison.

We then saw MUCH OF THE TOWN COMPLETELY DESTROYED!

Nico: (GASP)

Me: My God. What the hell happened here!?

Vypra: Looks like a war destroyed this place.

Nico: Yeah.

Hannah Fairchild: Yeah this is horrible!

We walked and saw everything on fire and more. Then we saw a figure.

Nico: I see her!

We saw Movie Hannah Fairchild from The Ghost Next Door!

Me: Hannah Fairchild from The Ghost Next Door.

Movie Hannah: That's right J.D. and it's an honor to meet you.

Me: You know the cool thing is we faced Shadow Danny and destroyed him almost 3 years ago.

Nico: Yeah.

Then THE ABOMINABLE SNOWMAN from The Abominable

Snowman of Pasadena came out!

Nico: WHOA! The Abominable Snowman from The Abominable Snowman of Pasadena!

William: (to the Abominable Snowman) What are you doing out here? Last time I checked, we were on good terms.

The Abominable Snowman's response? It tried to punch William but he avoided it.

Stewie: Geez, what's got him in a bad mood today?

Lola: This is the movie version!

Lola fired a massive blast of fire and incinerated him and Nicole sealed his spirit into the Book of Vile Darkness!

Nico: Nice!

But then it broke free!

Maria: What?! How did it break free?!

Movie Hannah: That was the wrong book! (takes out the Abominable Snowman of Pasadena manuscript) THIS is the correct book!

Movie Hannah opened the manuscript and the Abominable Snowman started turning into ink.

Me: So it was a manuscript!

We put it back into the manuscript!

Qin: There.

Me: We'll give the manuscripts to Vypra.

Nico: Wait look!

We saw MR. MORTMAN from The Girl That Cried Monster!

Me: Mr. Mortman!

He transformed his buttugly fucking monster form!

Camie screamed in fright!

Lucy Dark: I've had it with this monster fucker!

She went Crusnik and fired a massive blast of lightning and incinerated him and he turned back into a manuscript!

We then saw THE BLOB from The Blob that Ate Everyone!

May: The Blob that Ate Everyone?!

Maria: This one looks nothing like the Thing!

Me: Yeah! But this one is more like the one from 1958 and 1988.

Xenia: Yeah!

I fired a massive wave of ice and froze it into crystal and it turned back into a manuscript!

Then the Plant Clone of DR. BREWER CAME!

Me: The Plant Clone of Dr. Brewer from Stay Out of The Basement!

Camie: Time for this one to burn!

She fired a wave of fire and burned him and he turned back into a Manuscript!

Movie Stine was safe and so was Zach and Champ.

Movie Hannah: Dad! Thank God you're okay!

Movie Stine: Of course we are, Hannah! On the way to find you, me, Zach, and Champ managed to suck the Haunted Car, the Man Eating Plants, Fifi the Vampire Poodle, the Invisible Boy, Annihilator 3000s, and Bees back into their manuscripts!

Movie Zach: I thought Slappy destroyed all of them.

Movie Stine: (chuckles) Did you really think I would've have some sort of backup plan? I kept copies of some of the Manuscripts in case something like this happened.

Champ: That's great. But the rest of the manuscripts are still ashes!

Me: Not for long. (Snaps Fingers)

I snapped my fingers and fixed all his manuscripts.

Me: There. It's awesome and an honor to meet you R.L. Stine. We meet the prime universe version of you and we are helping him out by destroying the Prime Universe versions of your monsters.

Nico: It's true. I'll Never forget the Haunted Car.

Me: Me neither. And We haven't faced the Man Eating Plants, Fifi the Vampire Poodle, the Invisible Boy, Annihilator 3000s, and Bees yet.

Nico: No we sure haven't.

Me: But Fifi The Vampire Poodle looked like something I saw out of a nightmare I had a long time ago.

Nico: Yeah.

Champ: Wait. I thought Hannah was your daughter.

Zach: I knew it.

Movie Stine: (sighs) Okay, the cat's out of the bag! Yes, Hannah Stine is actually Hannah Fairchild from the Ghost Next Door!

Me: It's true. And also we have a Hannah Fairchild with us too from the Prime Universe.

Zach: Wow!

Hannah Fairchild: The team met me almost three years ago and helped me destroy Shadow Danny.

Qin: Long story on that.

Hannah Fairchild: Yeah. Also I can use these too.

She pulled out the 3 Sacred Beast Cards.

Movie Stine: To be honest, everything was fine until Timon and Pumbaa over here fucked up with letting the Abominable Snowman out.

Me: Huh? That was in the Prime Universe.

Ed: You done complaining? You know, you're not completely without fault here.

Movie Stine: Is there something you want to say, Ed?

Ed: Slappy might still be a jerk in this world. But ever stop to think that he wouldn't be lashing out if you hadn't kept him imprisoned in a book for all those years?

Eddy: Geez, you know you fucked up when Ed of all people gives you a reason you suck speech.

Double D: Let it go, Ed. All this destruction is why Stine kept the monsters inside their books. But I'm not compltely unsympathetic to Slappy's reasons. How would you feel if you were trapped prisoner for so many years?

Zach: Are you seriously defending the mad living dummy?

Double D: You misunderstand me. Just because I understand Slappy's reasons doesn't mean what he's doing right now is right.

Me: That's right. Slappy may be a manifestation of your dark side but he also did not like being stuck in that manuscript. Also we know how this version of Slappy feels next to the one that we know and hate. And there is also someone that knows what he is like.

Malchior: That's right. I was cursed to a book as well. I know how he feels too.

Nico: Yeah.

Me: Also Nico went through an absolute nightmare because of Slappy. The Prime Universe version of him.

Nico: Yeah. He has been the very bane of my existence for a long time.

Britney Crosby: It's not just Nico. It's me.

Molly Malloy: Me too.

Me: And many others.

Nico: Ever since I saw him, I was scared shitless of him.

Movie Stine: I'm sorry your version of Slappy haunted you for all those years, Nico. The Slappy I created was never that bad.

Nico: Because even though you locked him in that book, he did accept friendship from you before that. The Slappy I know and hate isn't interested in friendship.

Me: No he isn't. He's only interesting in seeing people suffer and that's why we hate that fucking dummy! (To Mr. Coconuts) No offense Mr. Coconuts.

Mr. Coconuts: None taken J.D.

Zach: I take back what I said before. Me moving here won't be so boring after all.

May: I know how you feel, Zach. Whenever I traveled with Ash, I always missed my home of Petalburg City.

Me: And I know how you feel too Ash. When I moved to Michigan from Colorado, I was really upset that I was moving away and leaving all my friends behind. But as I began to love Michigan and adjust after meeting Lincoln and his sisters and friends, I quickly adjusted to it. Lincoln and his sisters and friends have always been there for me even when I was having trouble adjusting. For over 6 and a half years I have known them and it's awesome.

Xenia: It sure is.

Me: And as time flew by we became the most powerful force in the entire universe and went on so many awesome adventures and got through so many challenges and endured so many hardships. I wouldn't have come this far if it weren't for all my friends.

Nico: Yeah.

William: (to Champ) So, your name is Champ, huh?

Champ: Well, the name is really there for show. I'm not really brave.

William: Champ, all I use in battle is my blaster. And yet, I always find a way to be brave. And so can you.

Champ: Neat!

Champ (Kyurangers): You know funny thing is, my name is also Champ. I represent Taurus the Bull.

Champ: Cool! We have the same name.

Qin: Pretty coincidental.

Movie Stine: It sure is. What monsters have you all beaten?

Me: Hmm lets see.

I got to thinking.

Me: We faced Slappy, the Haunted Mask, Lord High Executioner, Clarissa, The Barking Ghosts, Mr. Mortman, The Blob, Dr. Brewer's plant clone, The Monster Blood, Sarabeth, The Creeps, Count Nightwing, The Giant Praying Mantis's, King Jellyjam, The Masked Mutant, The Werewolf of Fever Swamp, The Scarecrow, The Pumpkinheads, The Alien from Camp Nightmare, The Lawn Gnomes, The Zombies in The Dead House, the Reality Police, the Abominable Snowman of Pasadena, The Snowman and uhh. I don't know who else.

Movie Stine: You guys and done it all!

Me: Well we still aren't done yet. But we have been using Nico's collection of Goosebumps books to choose our targets for the Goosebumps Monster Busters.

Nico: It's a branch team I made for the heroes of the Goosebumps series.

Movie Stine: That's amazing!

Me: Yeah it sure is.

Movie Hannah: (to Maria) So, J.D. can help me become a real girl after this.

Maria: Hannah, if it weren't for J.D., Carol, and the others several years ago, I would still be made of pure water. You becoming a real girl after this is a guarantee.

Carol: It's true.

Me: In fact. (SNAPS FINGERS)

I snapped my fingers and made Movie Hannah A REAL GIRL!

Me: Tadah!

Qin: How do you feel?

Movie Hannah: I feel the same. But I'm real! I'm real!

Then we heard a scream!

Zach: Wait. That's Taylor from our school!

Movie Hannah: And that's the Lord High Executioner about to kill her!

Me: From A Night In Terror Tower!

Taylor: Please don't!

Taylor closed her eyes as the Lord High Executioner raised his axe when…

?: Link to Morphin Grid!

Me: And I know that morph cry anywhere!

We saw the Dino Fury Rangers! They blocked his axe!

I teleported and kicked Lord High Executioner in his face and knocked him down.

Me: Boy you guys made it just in time!

Zayto: We sure did!

Varie: A few more seconds later and Taylor would have been sliced and diced.

Amelia Jones: No kidding.

Me: You guys having a good Halloween?

Izzy: We sure are.

Lord High Executioner: You will come with me now.

Zayto: No can do.

Me: The only place you are going executioner is Back to HELL!

Max: (Dino Squad) Me and my team will help out against this clown too.

Zayto: Sounds like a plan. Dino Knight Morpher!

Cornelia: Link to Morphin Grid!

Cornelia turned into DINO FURY YELLOW!

Max: (Dino Squad) Go Dino!

The Dino Squad went dinosaur!

Qin went super!

Vakama then turned into his Hordika form.

Nico: Qin also has a score to settle with the Lord High Executioner. Like Slappy with Nico, Qin was scared of Lord High Executioner for a long time.

Movie Stine: I see.

Me: But Qin when you're done with Lord High Executioner you still got to help Mike and his team against one of the monsters.

Qin: I know. Thanks.

Then out came the nefarious MURDER THE CLOWN!

Movie Hannah: Murder the Clown.

Twilight Sparkle: And me and Piper will help too.

Mikey: Of course! Digi Fuse!

Shoutmon fused and turned into his champion form!

Ruby Rose: Angela, you've caused more than enough havoc and terror for the last time. Far too many innocent people have died because of your wanton attempts to collect the souls of the innocent to drag them to Hell and to prove your devotion to the Devil, that ends here and now, and this shall be your final Halloween.

Suddenly, Ruby Rose was surrounded by a massive vortex of black and red energy with rose petals, skulls, and darkness surrounding the vortex, there's a phoenix flying around the vortex, and in the vortex is a dark red phoenix. We were amazed by Rachel Alucard's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Angela Franklin saw it, she tried to decapitate Rachel Alucard, but Rachel Alucard fired a powerful black and blood red energy blast with blood, darkness, lightning, wind, and vampire bats at Angela Franklin and it sent her flying into another wall, but she's still not out yet.

NIGHT OF THE DEMONS: MAIN THEME

Nico: Wow, now Rachel Alucard has also transformed, so awesome.

Me: Now, the fight to save Halloween and the world from Angela's demonic wrath is about to begin.

Lincoln: Yeah, that demonic hostess from Hell's about to die here and now, and Ruby, Rachel, you girls look beautiful, how do you feel?

Ruby Rose: (Divine Echoing Cosmic Voice of The Darkness Bloody Rose Phoenix Angel and Divine Dark Blood Rose Justice) **I feel incredible, Linky.**

Rachel Alucard: (Divine Echoing Cosmic Voice of The Darkness Blood Storm Bat and Divine Blood Familiar Love) **The same goes with I, Nago, and Gil. Now, shall we deal with Angela Franklin and finally send her to her eternal punishment?**

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Ruby Rose and Rachel Alucard.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **This shall be your final Halloween, Angela Franklin, and your days of claiming innocent lives are all over.**

Ruby Rose, Lincoln, and Rachel Alucard went after Angela Franklin, and they fired extremely powerful blasts of rainbow energy, black and red energy, black and blood red energy, rose petals, skulls, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Bats, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Angela Franklin, and they exploded with incredible power as they hit her, and Lincoln attacked her with powerful slashes from his massive greatswords, and he left nasty scars on her, and he also drew blood.

Ruby Rose attacked Angela Franklin with her massive new scythe and she also left scars on her and drew blood and Rachel Alucard, Nago, and Gil attacked Angela with magic and sorcery, and Lincoln removed the Dark Orb she had embedded in her hand and threw the Dark Orb right into The Warp. Suddenly, two beams of light descended and a hand-cannon Blaster appeared for Ruby Rose, it was known as Blood Rose Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with rose petals on the blaster with a Phoenix, Angel, and the Rose Emblem surrounded by darkness and roses etched on the sides, and a red gem on the top of the blaster, and a hand-cannon Blaster appeared for Rachel Alucard, it was known as Darkness Familiar Bloodstorm and it's modelled after Rabbid Peach's Fuchsia Fury blaster, but it's black with blood waves on the blaster with a Phoenix, Angel, and the Alucard Family emblem surrounded by blood etched on the side, and a blood red gem on top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Ruby Rose, and Rachel Alucard fired blasts of rainbow energy, black and red energy, black and blood red energy, and elemental forces and when they hit Angela Franklin, they exploded with incredible power as they hit her and she was finally killed. Then, as they holstered their hand-cannon Blasters, Angela Franklin's spirit appeared and Ruby Rose, Lincoln, and Rachel Alucard fired three black energy blasts with the Judgement Kanji and they hit Angela Franklin and she was erased by The Black Gates after she was found guilty for his crimes by those she killed, and because. We cheered wildly for what Ruby Rose, Lincoln, and Rachel Alucard did to Angela Franklin as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, jewelry, weapons, and massive angel wings of Ruby Rose and Rachel Alucard are permanent.

Ruby Rose: Party's over, Angela.

Rachel Alucard: Forever. Thank you for helping me and Ruby Rose destroy Angela Franklin forever, Linky.

Ruby Rose: Yeah, and we not only avenged her victims, we also saved Halloween and mankind from her demonic evil forever.

Lincoln: (Smiles Warmly) You're welcome, girls.

Suddenly, Ruby Rose and Rachel Alucard wrapped their right and left arms behind Lincoln's wider and muscular back, as their chests pressed against Lincoln's massive and wide muscular pecs and their stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around their waists, which took her by surprise and brought an atomic red blush to their face. Then, as Lincoln leaned down to Ruby Rose's and Rachel Alucard's faces, they kissed passionately as Ruby Rose and Rachel Alucard's right and left arms were still wrapped around Lincoln's wider and muscular back, but they moved their left and right arms and her left and right hands onto Lincoln's massive and wide muscular pecs, and behind them was a Thunderbird, Phoenix, Angel, and Bat flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and rose petals falling above them and bats flying around them and we cheered wildly. Lincoln, Ruby Rose, and Rachel Alucard came back to us as the display vanished.

Nico: Whoo, now that's what I call an awesome three-against-one Halloween battle against Angela Franklin, awesome job, guys.

Ruby Rose: Thanks, Nico, and we saved Halloween and mankind from Angela's demonic wrath.

Lincoln: And as a result of Angela's destruction, Hull House was also destroyed forever, since she was tied to Hull House.

Me: Nice.

?: ANNA ANYANOVA, I WILL KILL YOU AND LORI LOUD FOR RUINING ME!

Anna Anyanova: Oh great, I was hoping not to hear that chalkboard screech again. Don't you know when to quit, Tanya!

A figure appeared, and it was none other than Anna's former sister, the disgraced fraud singer, Tanya Anyanova, who's escaped from Hell, and her clothes have claw marks from the demons.

Lori: Seriously, Tanya, don't you literally know when to quit?

Tanya Anyanova: Shut up, bitch! You, Bobby, and your kids are next after I kill my stupid sister and Lincoln for ruining me!

Lincoln: Alright, I've had just about enough of you, Tanya.

Lincoln fired webs and he wrapped Tanya Anyanova up in a web cocoon, and then, his massive white angel wings spread out as he was surrounded by a golden energy aura, and then, he fired a beam of gold energy from his massive white angel wings, and as they hit Tanya, she screamed in horror as she was given the King Midas' Golden Touch Vengeance Curse and forever turned into a golden statue and he beamed her to The Uranus Prison where she'll be imprisoned forever.

?: ISABELLA VAN KESSLER, LINCOLN LOUD, I'LL KILL YOU FOR RUINING MY PLANS!

Lincoln: (Growls) And I should've known I'd hear that screech yet again. Don't you know when to give up, Mia.

Another figure came out, and it was Isabella Van Kessler and Lincoln's old enemy from the past, the mansion-burning lunatic, Mia, who's also escaped from Hell, and have claw marks on her clothes, thanks to the demons of Hell.

Isabella Van Kessler: (Growls) Mia, I should've known.

Mia: And now, I will kill you both and burn all the rich peoples' mansions to ashes and make them suffer like me! (LAUGHING INSANELY)

Lincoln: You're not getting that chance, you psycho witch! And now, it's time to shut you up forever!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he did a few powerful swings of his massive greatsword, he left some scars on Mia's stomach, but those scars formed into the Judgement Kanji and it glowed, and Mia was found guilty by all those she'd hurt and she was erased forever by The Black Gates as she screamed in rage and insanity, and Lincoln holsters his massive greatsword on his wider and muscular back.

Nico: Sheesh, I wasn't expecting Tanya Anyanova and Mia to escape from Hell, even after Angela was finally gotten rid of.

Lincoln: We did see the same thing when The Digimon Emperor and Chris Hargensen returned from Oblivion and Hell on Halloween last year.

Nico: Oh, right.

Me: Yep, and now, Tanya Anyanova is now a gold statue and in the Uranus Prison forever and Mia has now been sent to The Black Gates forever.

Anna Anyanova: Yeah, it's best that Tanya suffers forever as a golden statue and Mia has been sent to The Black Gates. Oh, Linky, what Gene-Slammer are you hoping to meet tomorrow?

When we were finished, we were mind-boggled at the list of the others who got Gene-Slammed into the other Fabled Duel Monsters.

Me: Wow, that's one really impressive and awesome list.

Nico: Yeah, and they're girls that you also knew from Guanajuato, Maria.

Maria Garcia: (Spanish Accent) Si, that's correct, Nico, and they're also goth girls just like me who've also heard of the spooky legends of Mexico and who have the powers of darkness and light, since the Fabled monsters are Light Monsters.

Ronnie Anne: Oh man, and I remembered meeting them long ago, and trust me, they're a really cool group of Spanish Goth girls, and they, along with Maria, helped me with dealing with that unibrowed bully pest, Becky.

Lincoln: Along with Chandler, Pablo, and Anderson at School, Flip, Scoots, Hawk and Hank in public, and Lori at home, and it's almost the same story about how Maria hated Lori with a burning passion, and they also gave Sergio the stink eye if he tried anything.

Nico: (Winces) Nothing's worse than getting a stink eye from someone, it's horrible.

Eli: But, it proves our point.

Luna Rodriguez: (Spanish Accent) I can't wait to meet them tomorrow.

Sol Rodriguez: (Spanish Accent) Especially since tomorrow's Dia de Los Muertos, The Day of The Dead.

Nico: That's right, and that's why Lincoln told us of meeting the other Fabled Duel Monsters, and the list that Maria Garcia showed us, oh, this is going to be one awesome Dia de Los Muertos-themed rescue tomorrow.

Lincoln: Yeah.

Live Action Slappy: (weakly) Just finish me. All I wanted was freedom in the outside world. But you guys won't even grant me that. So, just end my pain, will you?

Nico: (Gets out Night of the Living Dummy Manuscript) No. You want freedom? Well, you'll have to work for it after today.

Me: That's right. As much as we hate our Prime Universe version of you, you will be useful in the M.O.E.

Natalia Nefaria: And I will gladly be your archenemy.

Nico: Terrorking Archfiend VS Possessed Puppet. I like that.

We had him reverted back to a manuscript.

Zach: Looks like Madison is saved, all the monsters are back in their books, and Hannah gets to be a real girl.

Nico: Yep/

Maria: (to the Dino Fury Rangers) You guys helped too.

Zayto: We sure did.

Me: That was so awesome though.

Ollie: Mind if we stick around for the rest of the Halloween celebrations?

But then the light of the sun started shining over the ocean.

Me: Whoa! It's already dawn. That means it's already November 1st.

Nico: Oh man! We stayed up all night!

Me: We better get some sleep. (To the viewers) Hope you guys all had an awesome and amazing Halloween and got lots of candy.

Qin: I know I did.

Me: Yep. (YAWNS) Lets head home.

We did so and went straight to bed.

THE END

Nicole: It sure is Nico. You're going to love the quarry we're going after in these rescues here in the Moonlands.

Rainbow Dash: It's for a saga of books from Daring Do.

Daring Do: I'm calling it Daring Do and the Swords of The Moonlands.

Nico: Nice!

Qin: That is gonna be awesome.

Laney: It sure will be.

Shane Clarke: Looking forward tit.

Nico: Thanks for coming with me, Shane.

Shane Clarke: Anytime Nico. It's going to be awesome helping you on this one.

Qin: It sure is.

Me: Yeah.

Shane: J.D., I understand that Lothor committed so many crimes. But all we can do now is be patient. We can't take he east way out or change the timeline.

Me: I know. Lothor has done so many horrible things and I was letting my excitement in taking him down and banishing him to the black gates get the best of me. But now I realize that all good things reap their just rewards with patience.

Nico: That's true. They sure do.

Me: Yep. But Shane, you and the Ninja Storm Rangers all did really awesomely well against him before.

Shane: We sure did.

Nico: I'll say.

Shane: Believe me, J.D. I know how you feel. I still remember how he turned me, Tori, and Dustin evil that one time.

Me: I'll never forget seeing that. That was horrible. Everything Lothor did was horrible. All the atrocities he did were beyond horrible and utterly reprehensible. I can't ever forgive him for everything he did. That's why when the time comes he is going to feel the ultimate extent of my power at its worst.

Nico: I know J.D. but just hold on a little longer and wait for him to show up.

Qin: Yeah you can do it.

Me: Thanks guys.

Camie: You're welcome

Nico: Yesterday was one of the most epic Halloween days ever!

Me: Yeah it was! That was so cool!

Xenia: I know! We had all sorts of amazing costumes.

Laney: We sure did. I loved all of our costumes.

Rainbow Dash: Those all were so awesome.

Twilight Sparkle: They sure were.

Brittney: We had a lot of fun on that one.

Eddy: Yeah we sure did! I love Halloween too.

Me: You sure do Eddy.

Eddy: I was dressed up like Zombie Elvis and Double D looked like a germ and Ed was a viking.

Qin: You went as those last year.

Eddy: I know. But it was the only costume I got.

Xenia: Oh.

Nico: And your Prince Daystar costume J.D. was amazing. How did you come up with that?

Me: I decided to do one for a male version of Daybreaker and I drew a picture of it for Leni and she made it. I even used my powers to make my hair look like pure fire.

Leni: It was totes amazing. And J.D. had me do the same thing for Varie and Qin with their costumes.

Qin: It's true.

Nico: That is awesome!

Aylene C.: It sure was. And it was very creative too.

Lana: I'll say.

Nico: We fought lots of Goosebumps monsters that weren't even from our world.

Me: Boy we sure did. Except for Madison Storm and he was from our universe.

Nico: True.

Eli: But I'm glad they are all in the Masters of Evil now. Except for Storm.

Rainbow Dash: Good riddance.

Fluttershy: I agree there.

Nico: And even as we speak, the mascots are eating lots of candy.

Me: Oh boy. Brace yourselves for a sugar rush attack.

Eddy: Yeah no kidding.

Qin: Oh boy.

Eddy: I'm really excited to know.

BLANG! COW MOO!

A bowling ball slams onto his head. This is followed a few short seconds later by another ball.

BLANG! BONK!

A bowling pin hits him and he was knocked unconscious!

Me: Oh man!

Nico: Eddy!

Minutes later Eddy woke up.

Nico: Eddy, are you okay?!

Eddy: Relax, guys. I'm fine.

Me: Jeez Eddy you got hit in the head with 2 bowling balls and a bowling pin! You took quite a hit on the head there.

Eli: Yeah.

Narrator: But little does the team know that brewing inside Eddy's mind is another personality of dark evil.

Inside Eddy's mind was another personality and it was filled with darkness and evil!

NEGA-EDDY WAS BORN!

Nega-Eddy: (INSANE LAUGHTER) TIME TO MAKE J.D. PAY! (EVIL LAUGHTER!)

Nico: Well, if you're fine, we should keep going.

We kept going.

Me: (In my head) I've got a bad feeling about this. I'm sensing a huge evil brewing inside Eddy's head. And he's looking at me with incredible disdain. I better watch my back. (Telepathically to Nico) Nico I don't like the way Eddy is looking at me. I think being hit on his head woke something inside him.

Nico: (Telepathically to me) I have that feeling too.

Me: (Telepathically) Yeah and it's bad.

Nico: (telepathically) But I don't think he's aware that something evil is inside him. Let's keep it that way.

Me: (Telepathically) Lets hope so. But just in case, I have a plan.

Nico: (Telepathically) Okay.

We walking on.

Nico: (telepathically) Let's not get rid of that evil right away. If we can learn a pattern to when it attacks, we'll be more prepared for it.

Me: (Telepathically) Okay. (Out Loud) Eddy why are you looking at me like that?

Eddy: Huh? I don't know.

Qin: Hmm.

Me: Lets worry about it later.

Camie: So what is the treasure we're trying to find?

Nicole: First up is the Sword of Arderial. It's one of the 12 Swords of The Moonlands. The Swords have blades made of pure Animite and they can summon any Magi from that area of the Moonlands.

Nico: Wow!

Eli: That sounds like an awesome sword.

Nico: Who gets it this time?

Me: Brynja will since she doesn't have a weapon yet.

Lincoln: Good idea J.D.

Brynja: (Icelandic Accent) I would be honored.

Xenia: Cool.

Nico: Now, we just have to find it.

Nicole: We don't have to go very far.

We arrived at a temple and went in and sticking in a pedestal was THE SWORD OF ARDERIAL! It was an aqua blue bade sword and it had the symbol of Arderial on the hilt and had angel wings on the pommel.

Nicole: Wow there it is!

Maria: Byrnja, if you would do the honors?

Brynja: Here we go.

She went over to the sword and grabbed the hilt and then she pulled it out and the sword glowed with incredible energy! She then underwent an incredible transformation!

ESCAFLOWNE (FOX KIDS VERSION) THEME SONG EXTENDED VERSION PLAYS

She was enveloped in a massive vortex of wind and light and her power was growing incredibly strong! She emerged forever changed! She had longer golden blond hair and had the body of a goddess and had aqua blue angel wings and also had the symbol of Arderial emblazoned on her forehead!

Nico: WHOA!

Me: Wow! Brynja looks incredible!

Eddy: Wow!

Sissi Delmas: Wow! Brynja how do you feel?

Brynja: I feel incredible guys.

Eli: Wow! And just in time too! I sense that the Another Omnitrix Alien is on its way here!

May: I wonder who it is.

Then a figure jumped in and it was a black version of an evolved Pisciss Volanns! It was ANOTHER ULTIMATE RIPJAWS!

Me: Whoa! Another Ultimate Ripjaws!

Xenia: This one should have been in Orothe.

Laney: Yeah!

Another Ultimate Ripjaws: (In a girls voice) Yeah that would have been fitting.

Me: (Gasp) Sonja Florrington!

Another Ultimate Ripjaws: Good to see you again J.D.

Nico: You know her?

Me: Yeah she's a marine biologist. She studied all kinds of amazing fish.

Nico: Wow!

Albedo turned into Negative Ultimate Ripjaws.

Negative Ultimate Ripjaws: Did Swartz promise you anything?

Me: Maria, Varie, give him some water to keep him and Sonja sustained.

Maria: Right.

Another Ultimate Ripjaws: Swartz promised to make me a great marine biologist and a mermaid.

Me: We can easily do the latter and you already are a great Marine Biologist.

Another Ultimate Ripjaws: I knew he was lying to me.

Me: Sorry we have to fight. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (gets out Stinky Cheese Man's Ridewatch) Since Stinkor was used recently…

He activated it and groaned and released a REALLY FOUL AND NASTY STENCH from his armpits and it hit Anotherr Ultimate Ripjaws and she gagged in disgust.

Nico: YEAH!

LIGHTHOUSE FOGHORN!

Me: Now for some stinky fun myself. (ACTIVATES OVULATOR'S RIDEWATCH)

I farted out eggs and smashed her down!

Shane: Now for me. NINJA STORM! RANGER FORM! HA!

He transformed!

Shane: (Echoing) POWER OF AIR!

Kaito: (gets out Hurricanger gear) And here's something to go with that!

Zocks: (gets out Gaoranger gear) I'll add Gaoranger power to the mix.

Kaito got a Ninja Storm Sword and Zocks got a Wild Force Storm.

Laney: Yeah!

Eli fired waves of Force Lightning and electrocuted Another Ultimate Ripjaws and smashed her down.

Sougo: (gets out Ninja Steel Ridewatch) Let's keep it up with the ninja action!

Geiz: (gets out Baron Ridewatch) I'll add Baron's power for fun.

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got NinjaSteelRedArmor while Geiz got BaronArmor.

Nico: Lets do it! (Forms a Wind Style: Rasengan) WIND STYLE: RASENGAN!

Nico fired a Wind Rasengan and blasted Another Ultimate Ripjaws down!

Shane: My turn! (Activates Weather Wizard's Ridewatch)

He fired waves of lightning and blasted down Another Ultimate Ripjaws!

Maria: I hope the next Gene Slammer is near.

Then I felt something brush up against my leg and then I saw a Mokey Mokey.

Me: Hey there it is.

I picked up the Mokey Mokey,

Me: Wow Mokey Mokey is as soft and cuddly as a pillow marshmallow.

Alexis, Maria, May and Aylene: (SQUEAL) SO CUTE!

Qin: (LAUGHS)

Mokey Mokey: (In a little girls voice) I sure am really cute.

Fiona Hernandez: (Gasp) Maria Vakkington! I knew it was going to be you next.

She reverted back and Maria was a girl with blond hair and blue eyes and had an orange shirt and grey skirt and she had butterflies all around her.

Maria Vakkington: Awesome to see you again Fiona and to your sisters as well. I got this.

She fired waves of energy and light and blasted down Another Ultimate Ripjaws and I caught the Ridewatch and purified it and I went over to Sonja who was a blond hair girl in a diver wetsuit and I picked her up.

Sonja Ferrington: (GROANS) What a headache.

Me: But you're back to normal.

Shane: What's your favorite memory of Nico?

Fiona Hernandez: She actually has many memories with me. She is an orphan girl that me and my sisters would take care of and we would have a lot of fun together.

Maria Vakkington: It's true. I also did a battle with this cute gang that was no match for my cuteness. I am a master of Cute Fu.

Qin: wow!

Maria Vakkington: Yep. I beat them at their own game with my ultimate cuteness and they exploded. It's part of my power.

Me: Boy talk about Cuteness overload.

We laughed!

Fiona hugged her.

Fiona Hernandez: I missed you Maria.

Maria Vakkington: Me too Fiona. Me too.

Nico: So awesome. And I remember seeing all that too. So cool.

Me: Sorry she is not one of your friends Nico. But I guess this counts as one.

Nico: Yeah.

Maria Vakkington: Oh bring it in Nico.

Nico hugged her too.

Maria: Nice wetsuit.

Sonja Ferrington: Thanks Maria.

Nico: This was an awesome rescue though. Lets head home.

We went back home.

I later got Kevin, Rolf, Sarah, Jimmy, Nazz and Jonny together and told them to pulverize Eddy into pulp should he try to attack me when I'm not looking because of his dark side Nega-Eddy and they agreed.

Lincoln: Wow, we're here in Guanajuato, Mexico, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're also going to destroy Vladimir, the immortal hemomancer from League of Legends.

Maria Garcia: (Spanish Accent) It's been years since I've last been here, and Guanajuato is still the same as ever.

Me: Guanajuato was a colonial city established back in 1548, and it's known as a very beautiful city.

Nico: But, one of it's most famous tourist attractions are the Mummies of Guanajuato, and what's really surprising is that the people who died became naturally mummified, either due to Guanjuato's altitude or the abundance of minerals in the soil, but it's due to the warm, dry climate of the area, which dried out the bodies rapidly.

Eli: Whoa.

Lincoln: And Guanajuato's home to many cemeteries, and Maria Garcia and her friends have kept an eye on the cemeteries in case of troublemakers come here to disturb the dead.

Maria Garcia: (Spanish Accent) That's right, Linky, and that's one thing me and my friends will not tolerate: the disturbance of the spirits of the dead.

Nicole: And we'll run into the other Fabled Monster Gene-Slammers, since we're here in Guanajuato.

Lincoln: Yep, that's right, Nicole, and thanks for joining us, Aurico.

Aurico: You're welcome, Lincoln.

Suddenly, Lincoln heard the sound of three girls screaming for help, along with the sound of malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Vladimir, and he's going to kill them by stealing their blood.

Lincoln: (Gasps) Let's get over there at once, guys, I found the three girls, but they've been cornered by Vladimir, and he's going to kill them by stealing their blood.

Vladimir (League of Legends): How dare you all get in my way, Team Loud Phoenix Storm, I will make you all pay!

Lincoln: The only one who's going to pay is you, Vladimir, with your own blood.

Then, Lincoln put Vladimir into a brutal bear hug, so he couldn't escape and as he sank his fangs into the immortal hemomancer's neck, he began sucking out all his blood, along with absorbing Vladimir into his body and assimilating his powers and abilities. Then, when Lincoln was done drinking all of Vladimir's blood and absorbing the immortal hemomancer into his body and assimilating all of his powers and abilities, an energy card with Vladimir's soul inside appeared in Lincoln's large left hand, and when the Judgement Kanji had appeared on Vladimir's forehead, he was sent to The Black Gates forever. Lincoln made twenty-eight clones and he and the clones went up to the girls and they hugged them, and the girls were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you twenty-nine girls since you were seventeen, and as you all can see, I really grew a lot since then.

Isabella Andwraith: (Spanish Accent) Ay, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Yep, you and Maria did tell us that, and we're so going to hear that later on today.

Gabriella Gallabas: (Spanish Accent) Trust us, you'll probably wish you used La Chancla on her. (To Lincoln) And Lincoln, there's something we all want to give you: we want to give you our blood.

We gasped at her request, including Lincoln and Maria Garcia.

Lincoln: Gabriella, are you absolutely sure?

Gabriella Gallabas: (Spanish Accent) (Smiles) More than anything, after all, like Maria, we're also going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Isabella Andrwaith and the other girls had a smile on their faces and tears in their eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Isabella Andwraith's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and he did the same with the rest of the girls, and they also passionately kissed, and we cheered for them. Lincoln: Are you girls okay?

Asami Futami: Yes, we're okay, thanks to you.

Then, when Asami Futami and the other two girls saw who it was that saved them from Vladimir, the evil immortal hemomancer, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and

Asami Futami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Asami Futami: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asami Futami, Akane Kouno, and Momo Momosaki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked when they found out the villain we went after was Vladimir, the evil immortal hemomancer from League of Legends.

But, when when Lincoln showed what we did to that monster, along with Lincoln putting Vladimir in a brutal bear hug and biting him on the neck and sucking out all his blood and absorbing the immortal hemomancer into his body and assimilating all of his powers and abilities and sending his soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and the other Fabled Monster Gene-Slammers have a lot of catching up to do, now that they're back in town.

Maria: You guys really had an adventure in Guanajuato, and Maria's reunited with the rest of the other Fabled Gene-Slammers.

Lincoln: That's right, and we got rid of the immortal hemomancer, Vladimir, that guy's caused enough trouble for the last time.

Me: You got that right.

Ahri: Yeah, what a monster.

* * *

After we finally got rid of Vladimir and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Isabella Andwraith and the other Fabled Monster Gene-Slammers saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Isabella Andwraith: (Spanish Accent) Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Emelia Ashenveil: (Spanish Accent) You said it, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Valeria Raven: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the stories on why you hate Lori with a blazing passion?

Carina Catsith: (Spanish Accent) You're not going to like this one bit. One day, all of us were with Lincoln and Maria Garcia, and we were at Great Lakes City hanging out with Bobby, Ronnie Anne, and The Casagrandes, but our day came to an end when we heard a loud shriek of rage and fury, and we saw who it was: it was Lori, and she was furious, and with her was Sergio, and he was cackling like a maniac as he got out some popcorn to see the drama. Lori came after us to kill us in a fit of rage, but Lincoln stood his ground and he tossed Lori onto the ground. Lori got back up and we all got ready to attack her again, but Sergio butted in and he got out a marshmallow blaster and fired at us, and we got stuck our feet stuck to the concrete and that allowed Lori to get out a knife, Lincoln knew she was going to kill all of us again, and in a fit of rage, he summoned the creatures of the night, and they joined with Lincoln and they beat

Lori and Sergio up badly, and Lincoln tied Lori and Sergio up in energy ropes, so those animals couldn't escape, and he got us out, and we just hugged him and cried onto his chest, while he just wrapped his abnormally massive and muscular arms around all of us and he stayed there and comforted all of us.

Carlota Casagrande: That day, Dark Lori really crossed yet another nasty line. As if what she almost did to Maria Garcia wasn't bad enough, but what she almost did to us and the rest of the Fabled Monster Gene-Slammers, that's really evil.

Carl Casagrande: Same with Sergio.

Ronnie Anne: And after that incident, Lincoln was about to call his parents, but we'd soon heard the sound of stampeding footsteps and we soon saw Luna, and she was about to hit Lori in the head with her guitar, but she saw Lincoln wasn't injured and he cleaned the marshmallow goop off our feet, and Lori and Sergio were tied up. Eventually, the parents arrived, and when Lincoln told them of what Lori and Sergio did, Lori got grounded for sixteen weeks and Lincoln threw her in a titanium cage and put her fingers in Chinese Finger Traps. As for Sergio, he also got grounded for sixteen weeks, and Abuela cut off his crackers and snack privileges, and he was put in his cage, bound in a straitjacket and a Hannibal Lecter mask on his big beak.

We cheered wildly for what Lincoln did to save the Fabled Monsters Gene-Slammers, Ronnie Anne, Bobby Santiago, and The Casagrandes from Lori's wrath and Sergio's idiocy.

Me: Yeesh, Lori really crossed a nasty line that day.

Nico: Yeah, and Luna almost got that close to attacking Lori and Sergio, but Lincoln really saved the day and saved them from Lori's wrath and Sergio's idiocy. Say, Luna, do you know what caused Lori to go ballistic that day?

Luna: You're so not going to like it, dude: it turns out Sergio came in and he shredded Lori's dresses, spilled her nail polish, and ruined all of her make-up, and he planted a piece of Lincoln's white hair to frame him. Sergio wanted to stir up some drama and conflict.

Lincoln's Harem: (Gasps) What!?

When they looked at Sergio, their faces turned red with rage and hatred in their eyes, and Sergio was in gigantic trouble. UH OH!

SERGIO IS IN DEEP TROUBLE!

Lincoln's Harem: WHY, YOU STUPID, LITTLE, PAINTED RAT WITH WINGS! WE'RE GOING TO RIP YOU IN TWO!

Nico: Oh… !

Me: Shit!

Lincoln's harem then pounced on Sergio, and they proceeded to mangle him up, and when they were done, Sergio was badly mangled up.

Nico: Yeesh, this was even worse than the last time your Guardian Angels badly mangled Sergio up after Luna told us how Lori went ballistic in Maria Garcia's account, Lincoln.

Lincoln: Yeah, and we had a special kind of punishment for Sergio for what he did: we forced him to use the money he scammed off of people to repair Lori's room and replace everything that he ruined, and if he didn't, Maria Garcia and the Fabled Monster Gene-Slammers were going to use their powers of darkness and curse him for all eternity.

Me: (Winces) That's going to be a bad idea for Sergio to mess with someone skilled in the Dark Arts and Dark Magic.

We got a shower afterwards, and then, Lincoln and his harem were heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Masane Amaha 2: Wow, so this is Bubblaine.

Lincoln: Yep, and it's perfect for our date, Masane 2. Shall we?

Lincoln and his harem dived right in and had a swimming race and had a lot of fun, and they went back to the sand and they had a game of volleyball and his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Bubblaine for our beach date.

Masane Amaha 2: (Seductively and rubs her hands on Lincoln's massive and wide pecs) And our man sure knew how to impress a girl on a date.

Lincoln had a massive atomic red blush on his face, and when Masane Amaha 2 kissed him on the lips, steam whistled out of his ears, and he also returned the kiss with equal intensity as he hugged her waist in his abnormally massive and muscular arms and hoisted her up to his face with his infinite and immense brute superhuman strength as she wraps her arms around his thick muscular neck.

Lori: (Snickers) Uh oh, looks like Linky's fallen for Masane 2's seductive charm again.

Me: But, she also knows that he can turn the tables on her, Lori.

Later it was time for Moondancer's first ever Ambassador Mission.

Moondancer: I'm really nervous and excited about this. I've been looking forward to this ever since I got geared up for it.

Nico: You're going to do great Moondancer.

Twilight Sparkle: And I'll go with you to provide support for you too.

Moondancer: Thanks Twilight.

Me: You're going to do great at this like everyone else did this year.

Xenia: You sure will.

Nico: Hey, Eddy. Why don't you come with Takeru and Danny on Moondancer's mission?

Nico knew this would be a great way to flush Nega Eddy out.

Eddy: Sure Nico.

The Ghost Kamen Riders, Danny Phantom, Lincoln and Siren were coming with us on this one as well.

Nico: Boy this is gonna be an awesome Ghost Hunting Force.

Me: Yep. Lets head out to New York City.

We were off.

---

NEW YORK CITY, NEW YORK

---

We arrived in New York City.

Me: Here we are guys.

Nico: I always love coming to New York.

Eli: Me too. So much to do here and so much fun.

We arrived at the Ghostbuster HQ.

Me: Well here we are.

We went in.

Me: Hello? Anyone here?

Kylie Griffin came out.

Kylie Griffin: Wow! Team Loud Phoenix Storm it's an honor to meet you.

Me: Same here Kylie. It's a pleasure to finally meet you in person.

Takeru: Same here.

Kylie Griffin: (to Takeru) I've heard of you. You're Kamen Rider Ghost, right?

Takeru: That's right. Leader of the Ghost Riders for Japan.

Moondancer: It's awesome to meet you though. My name is Moondancer and I'm the Ambassador for you guys.

Me: It's part of a special diplomatic mission program we made.

Kylie Griffin: Oh I get it.

Eli: But it's awesome to meet you guys.

Me: We met your predecessor Ghostbuster team from the 1980s and they are awesome.

Eddy: You got that right.

Eduardo Rivera: Hey, Kylie. If that's the pizza man, tell him that since it came here just now, it's free!

Kylie Griffin: No it's big guests.

We came in.

Eduardo Rivera: Wow! Team Loud Phoenix Storm it's an honor.

Me: Eduardo Rivera. You too. And you all must be Roland Jackson and Garrett Miller.

Garrett Miller: That's right. Awesome to meet you guys.

Moondancer: Same here. My name is Moondancer. And I'm the Ambassador for you guys.

Nico: It's part of a huge Diplomatic Mission program I made 2 years ago.

Eli: Long story.

Twilight Sparkle: Moondancer has been getting prepared to meet you guys ever since she found out she was meeting you all. My name is Twilight Sparkle the Princess of Friendship and I am here to help Moondancer out on these missions.

Me: She's here for Support.

Danny Phantom: My name is Danny Fenton but I'm also known as Danny Phantom.

Lincoln: I'm Lincoln Loud, 3rd in command of the team.

Takeru: I'm Takeru Tenkuji, leader of the Ghost Kamen Riders.

Eddy: And I'm Eddy. It's awesome to meet you.

Garrett Miller: Same here. It's an honor.

Me: We know your predecessor Ghostbuster Team that started it all from the 1980s and Egon told us a lot about you.

Eduardo Rivera: Wow it's awesome having you guys with us.

Me: We're honored.

Danny: (sees Garrett's wheelchair) Oh, dude. I'm so sorry.

Garrett: Don't worry about it. If Joe Swanson can kick ass in a wheelchair, so can I.

Me: That's the spirit Garrett. And Roland I think you know this face.

Siren: Hello Roland.

Roland Jackson: Siren!

He went and hugged her.

Roland Jackson: It's awesome to see you here.

Siren: I'm part of Moondancer's usual battle team now.

Moondancer: It's true.

Me: You wouldn't believe where we met her though. We met her on a food planet.

Nico: It was during one of my rescues.

Eli: Long story on that.

Roland Jackson: Wow! Food planets sound like my kind of world.

Me: (LAUGHS) Food planets are practically a planet people can only dream of. But there are many planets that are not very appetizing. We've been to many kinds of food planets and some of them are not edible.

Lincoln: It's true.

Siren: Yeah.

Eduardo: You know Roland released Banshee from the containment Grid under your spell, right?

Siren: I know. But my sister made me do it.

Me: It wasn't her fault though. She's redeeming herself.

Siren: It's true.

Eduardo: That's awesome she is.

Nico: Yeah.

Kylie: We honestly don't have a main bad guy. We capture different ghosts each time.

Me: I know and that is so awesome.

Nico: But your predecessors destroyed the Stay Puft Marshmallow Man 38 years ago and that is still awesome.

Eddy: Boy it sure is.

Lincoln: I'll say.

But then the power went out. Everything went dark.

Me: Uh oh. Power outage.

Nico: Must be a power glitch.

Danny and Lincoln's ghost sense went off.

Danny Phantom: Ghost here!

Eli: Right there!

We saw a LIGHTNING DEMON! And it was sucking up electricity!

---

The Energy and Lightning Demons are some of the oldest known entities to have encountered mankind and were depicted on Paleolithic cave paintings. The earliest known cave painting of any kind was discovered in Europe and dates to 32,000 years ago. Based on the paintings, these demons bond with lightning to energize themselves then use their power to steal people's souls. When an ice age came, there were no more lightning storms to draw strength from. The demons went underground and entered into a state of dormancy for several millennium.

In 1997, the Energy Demons awakened and began drawing power, first from man made power sources. This resulted in a series of power outages throughout New York City. They first appeared near the New York Subway's 135th Street Subway Station. However, the Sub Dwellers (or Mole People as they are known in urban legend) were wrongly blamed for the incidents. The Extreme Ghostbusters agreed to help one of them, Persefineathious, and find the demons. They tracked the entities to a transformer terminal for the subway system. The Extreme Ghostbusters were unable to capture them, however, after they were met with electrical counterattacks.

A judge soon issued a warrant for the arrest for all Mole People. The police officers assigned to the arrest were also attacked by the demons. The Energy Demons then flew to the surface and appeared at Times Square . However, they were headed to a bigger source of power, the Empire State Building . The Extreme Ghostbusters quickly traveled to the building's observation deck and considered attacking with Proton Streams at maximum pulse. It was too late and they were completely energized by lightning. The Ghostbusters quickly adapted and blasted a lightning bolt before it hit the building spire. The demons were then infused with protons and trapped.

Powers

The Energy and Lightning Demons have the power to absorb electricity and emit blasts of electricity to defend itself. The more energy it absorbs, the larger in size and power the demon becomes. It is said when these demons bond with lightning, they can absorb human souls. The residue of these demons can cause vehicles to become animated.

---

Nico: WHOA! Is that!?

Eduardo Rivera: It's a Lightning Demon!

Me: It's like an energy leech!

Eli: Lets see how it likes this!

Eli fired a blast of Force Lightning and it shrieked in pain and flew off!

We saw it head into the subway.

Danny: It went into the subway!

Me: It sure doesn't like Force Lightning.

Moondancer: No it sure doesn't.

Takeru: Let's go after it! Henshin!

Kaigan! Ore! Let's go! Kakugo! Go Go Go! Ghost! Go! Go! Go! Go!

He turned into KAMEN RIDER GHOST!

Me: It went into the 135th Street Subway Station.

Moondancer: Then lets head in.

Kylie: Here Moondancer.

She gave her a proton ray and ghost trap.

Moondancer: Awesome! Thanks.

Danny Phantom: I'm Going Ghost!

Lincoln: Same here!

Lincoln and Danny turned into DANNY PHANTOM AND LINCOLN PHANTOM!

We then went into the subway.

Nico: Where are they?

Me: They could be anywhere down here.

The Rabbid jabbered.

Takeru: (sighs) Also, this is a Rabbid.

Me: Rabbids are not the brightest. But they are very funny too. (Whispers to Kylee) They are also not the brightest light bulbs in the closet if you know what I mean.

Kylee: Oh I get it. They are idiots.

Me: Yeah.

I pulled out a hover cart and we flew over the tracks.

Nico: Man it's dark.

Me: Not for someone that has infrared vision.

I turned on my Infrared Vision.

Me: Since we're dealing with ghosts that suck out energy then they must have heat signals.

The Rabbid tried to lick Eduardo's Proton Ray.

Eduardo: Hey! That's not candy! (the Rabbid blew a raspberry at him) Don't you raspberry me!

Nico: (LAUGHS) Aiyon of the Dino Fury Rangers said the same thing when he tried to eat a Dino Fury Key.

Twilight Sparkle: (Laughs) That's funny.

Moondancer: It sure is.

Garrett: I hope Steffi is doing okay down here.

Moondancer: Who is Steffi?

Garrett: She is someone that developed feelings for me.

Garrett told us about her.

---

Persefineathious (also known as Steffi) was named after the Greek queen of the underworld, Persephone, is a member of Sub Dwellers (the Mole People in urban legend), a group of humans living in underground New York. She is also the daughter of one of the group's leaders and friends call her "Steffi."

History

The Mole People were blamed for the blackouts caused by the Energy and Lightning Demons. After her father was arrested, Steffi ventured to the surface, entered the Firehouse, and asked the Extreme Ghostbusters for help.

Steffi soon fell in love with Garrett Miller. However, Steffi was branded as a traitor for colluding with the "Sun Watchers." The Ghostbusters managed to trap the demons and disprove that the Mole People were responsible for the blackout. Steffi's father was released but was in poor health. Steffi elected to take him home and care for him. She and Garrett said their goodbyes and parted ways.

---

When he was done we were amazed.

Me: Whoa that is amazing. The Night Breed would get along great with them.

Eduardo Rivera: The Night Breed?

Nico: Members of the team that we found that lived underground because they couldn't go out into the sun.

Eli: Long story.

Me: We're getting close. Huge heat source ahead at 50 meters.

Eli: I sense a bunch of signals here.

Garrett: Steffi, are you okay?!

Steffi: GARRETT! HELP!

We got off and we saw NUMEROUS LIGHTNING DEMONS feeding on the energy of a huge generator!

Eli: Whoa! There's lots of them!

Me: Blast them Eli!

Eli fired a wave of Force Lightning and electrocuted the Lightning Demons and Danny sucked them into the Fenton Thermos!

Nico: Nice one!

Me: There's bound to be more of them coming.

The power came back on and Steffi went and hugged Garrett.

Garrett: Glad you're okay!

Me: They are bound to be all over the subway.

Nico: Eddy, you, Eduardo, Kylie, and Roland go one way. We'll go the other. If we spot the ghost, we'll call you!

Eddy: Right!

Me: Nico I better go with Eddy just in case.

Nico: Right.

We went to find them. Then we saw the power go out again and then on another generator we saw more of the Lightning Demons!

Takeru: There's our energy sucker!

Eli fired more Force Lightning Blasts. And Danny sucked them in.

Eddy's eye then twitched before he laughed evilly.

Nega Eddy: Once Upon a Time, there lived a Father and a Mother. While doing laundry, the mother came across a giant meteor that crash landed in the ground.

Kylie: Eddy? Are you okay?

Nega Eddy fired his blaster at Kylie's shoulder, knocking her down.

Nega Eddy: From the meteor, a very filthy baby was born. That was J.D. Knudson. Having no other choice, the Mother and Father raised him.

Eduardo: What the Hell's wrong with you, man?!

Nega Eddy ignored Eduardo as he shot him in the shoulder, knocking him down too.

Nega Eddy: Over time, J.D. grew into a self-centered and violent young man.

Roland: No wonder J.D. chose to go with you. You're starting to lose it!

Nega Eddy ignored Roland and shot him in the shoulder, knocking him down. He then went to search for the rest of us.

Takeru jumped over more of the Lightning Demons when we heard Nega Eddy's voice.

Nega Eddy: When J.D. ended up causing trouble for the nice couple, the heavens sent in a true hero! That hero was Eddy Skipper McGee!

Nega Eddy came and fired at all of us. We avoided the shots before Nico fired an energy blast that knocked the Lightning Demons against the wall.

Nega Eddy: Eddy promptly executed J.D.! And they lived Happily Ever After.

Takeru: Eddy? What the Hell do you think you're doing?!

Nega Eddy: (laughs evilly) I'm gonna kill you all and become the greatest superhero, without compare! I won't need so called teammates. I'm more than enough!

Me: NOT ON MY WATCH!

I punched him in the face and he got up and I took his blaster away.

Me: Now lets see who this force is.

I went into his mind and I saw an evil version of EDDY! It was NEGA EDDY!

Me: (GASP) WHO IN THE NINE FUCKING LEVELS OF HELL ARE YOU!?

Nega Eddy: Isn't it obvious, I'm Eddy's Dark Side! But you can call me Nega-Eddy!

Me: Those bowling balls and that pin that hit you! They unleashed you!

Nega Eddy: That's right! I was released when they hit me.

Me: Guys it's just like we feared! This is not the Eddy we know! This is his dark side! Nega Eddy!

Nico: Those bowling balls and bowling pin made this monster appear!

Nega Eddy grabbed his blaster from me!

Nega Eddy: And now, J.D. Knudson, Say goodbye!

But Kylie stood in front of Eddy.

Kylie: You got some nerve using Eddy's body to harm us! I'm putting a stop to it!

SLAP!

Kylie slapped Eddy. But then, Eddy seemed to return to normal.

Eddy: Kylie? What happened?

Me: It snapped him out of it.

Eduardo: Dude, don't you remember? You went nuts and tried to kill us!

Eddy: I did?! But I would never-

Eddy then saw the Lightning Demons.

Eddy: It was you fuckers! You must've controlled me! I'll show you! (fires at the Lightning Demons)

Roland: Wait. He doesn't remember?

Garrett: Roland, I think that's probably for the best.

Takeru: I think that's gonna be the last we'll hear of Nega-Eddy for today and for the next 6 days after today. (takes out Tar Pit's Eyecon) Now, watch this!

LOUIS NICOLAS VAUQUELIN AND TAR PIT!

He fired globs of tar and stuck the Lightning Demons to the wall.

Me: We'll explain it to him later. But Nega Eddy is not going down that easily.

We fired waves of energy and sucked the Demons into the Fenton Thermos.

Kylie: Those Eyecons are amazing!

Me: Many more figures of history where that came from.

Eli: Yep.

Moondancer: They are all amazing too. (Activates Eyecon)

MARILYN MONROE AND DR. SCREWLOOSE!

Me: Famous Actress of the 1950's Marilyn Monroe.

Nico: Yep.

Moondancer fired waves of energy and blasted the Lightning Demons down and Kylee trapped them all in it.

Me: That did it!

Siren: Awesome job!

Moondancer: Thanks.

Me: Not bad for your first run.

Nico: Now we got some demons to return to the Ghost Zone.

Moondancer: Wow That was fun!

Siren: It sure was!

Steffi: Thank you guys.

Eddy: I really am sorry about-

Garrett: Don't sweat it. We're just glad you're back to normal.

Eddy: So am I. But seriously, if I go out of control in front of you guys again, don't hold back against me. I can take it.

Nico: (telepathically to me) I'm hoping we won't have to.

Me: (Telepathically to Nico): Well it's part of MY contingency plan for him. Have the Cul-De-Sac kids beat the living crap out of him.

Nico nodded.

Me: Eddy we need to tell you what happened. I'm afraid you're not going to like it.

Eddy: What is it?

Me: (SIGHS) That wasn't a Lightning Demon that was controlling you. It was your dark side. He's called Nega Eddy. When you got hit in the head with those bowling balls and that bowling pin it unleashed that monster inside you.

Eddy was shocked and horrified!

Nico: It's true Eddy.

Eli: Yeah we sensed it.

Eddy: So that monster was me!? My dark side! Like Luan!?

Me: I'm afraid so.

Eddy: Oh no.

We arrived back home.

We told everyone everything and it was shocking. Luan was comforting Eddy.

William: Egon, you, Venkman, Winston, Ray, Cheese, and Dr. Screwloose should go next. I don't know why you didn't today.

Egon: Because I'm not ready yet. But yes. I'll go next time. I just hope Janine will be understanding.

Nico: She will be.

Luan: But what do we do with Eddy? With that Nega Eddy inside him he will be dangerous. He's hellbent on killing all heroes.

Me: And all villains too.

Eddy: You got to lock me up.

Qin: We got no other choice. We Nega Eddy inside him we got to give him a leave till we find a way to get it out of him.

Nico: Easy guys. We are not going to give up on Eddy.

Maria: Nico, are you thinking what I'm thinking?

Nico: I am. I'm gonna put a curse on Nega Eddy to ensure that the only time he can control the Eddy we know and love is on every first ambassador mission. If he hasn't killed us after 23 more times, he'll get hit with the Black Gates.

Eddy: That… is actually a good idea.

Me: Wow! That's genius!

Nico: Thanks.

Me: So this is number 1. So in 24 missions leading up to Christmas he will be destroyed.

Nico: Yep.

Laney: I like it.

Widowmaker: You know that when I still worked for Talon, we used your contingency plan on Eddy, right? Why don't you use that instead?

Nico: Honestly, I think by now, they're outdated.

Widowmaker: Agreed.

Qin: But this will work well.

Me: Looks like we're going to be stuck with him for a while.

---

At the mall we were on another awesome shopping excursion.

Golden Queen: Ah, the mall. The perfect time for me to get more queenly accessories.

Me: Boy you said it my queen. It's awesome coming here for some fun and some shopping.

Camie: It sure is.

Me: Yep. Nico I was thinking. Now that dark side parasite inside him he shouldn't come with us on our missions until further notice.

Nico: Agreed but his curse only affects the first Ambassador Mission sets. So he's still coming with us on those.

Me: Good.

Qin: I got lots of awesome clothes and video games.

Me: Cool cool.

Patrick: I got some ice cream!

Nico: (laughs) Why am I not surprised?

Me: Patrick sure loves his ice cream.

Qin: Yeah.

Camie: That's funny.

Laney: Yeah. I like it.

Me: Man it's like the 20 Days of Darkness all over again. Minus the Digimon Emperor.

Nico: I know. We could always separate Eddy's Dark Side from him and send him to the Pluto Prison and give the Black Gates to him at the end of 24 missions.

Me: I wish we thought of that sooner.

Nico: Let me clarify about the curse I put on Nega Eddy. It ensures that he can't take control of Eddy no matter how much he tries. Except for first ambassador missions.

G1 Mixmaster: I get it! So, the second time Nega Eddy will try to kill us will be on Halinor's first mission.

Nico: Now, you guys are getting it!

Me: I get it too!

G1 Mixmaster: Nice thinking there boss.

Qin: Yeah I agree too.

Lisa Loud: And to help with that I made this.

She put a device on my arm computer and I turned it on and it was a counter that showed how many missions are left for Nega Eddy to strike on.

Lisa Loud: This is my patent pending Dark Side Curse Counter. It will tell us how long a specific dark side has left before the black gates claim him.

Me: Very genius Lisa. Perfect.

G1 Jazz: Gotcha! That way, Eddy can still go on missions without Nega Eddy interfering.

Nico: And I'm still letting Eddy go on the first of every Ambassador mission set. I want to at least give his Dark Side a fighting chance.

Eddy: Like I said, when that happens, don't hold back against me. I can take a hit.

Me: He has taken a massive beating before. As you can see from The Vengeance Express kids and all everyone beating the living shit out of him many times.

Qin: Yeah no kidding.

Me: So the curse will claim Nega Eddy some time around the Dragon Knight mission. That's not going to be till some time in either March or April. I'm speculating.

Luan: Here, Eddy. I got you some Jawbreaker Minis.

Maria: Wait. Those exist?

Eddy: Hey, if they exist in the Teen Series fanfic series of me and the others, then they should exist here.

Me: That's interesting.

Qin: Yeah it is.

Eddy: Thanks Luan.

Luan: Anytime Eddy.

Dinobot: Luan is so good to Eddy even in times of darkness. Shows that she has honor as well as love.

Eli: That's true Dinobot.

Me: BTW Nico did you think up teams earlier?

Ben: Hey, look. Some Gold Sumo Slammers!

Gwen Tennyson: (laughs) Good thing they're not in cereal boxes, huh?

Ben: Yeah!

Kevin Levin: Some things never change.

Riley Anderson: That is still so awesome. Ben is really getting me into those.

Xenia: That is cool and fun.

Carly Atlas: I've been getting more cards to expand my duel monster arsenal.

Qin: Awesome Carly.

Bugly: Okay, NOW Nico can tell us the teams he made today.

Nico: Well, Kairi's team will include Future Mai, Mimi Tachikawa, Yolei, Catherine, and Mina.

Yolei: Alright. Perfec-

Nico: Not yet, Yolei. Girl Jordan's team will include Max Gibson, Misty, Lana, Dawn, and Serena (to Yolei) Now, you can say it.

Yolei: Perfecto!

Me: That is awesome.

Misty (Pokemon): It's going to be really awesome being in a team.

Serena: Same here.

Lana (Pokemon): Yeah.

We later arrived back at the estate and we put the stuff we bought in our rooms.

Then we got ready for our next mission.

Nico: You guys are going to like our next mission. We're going to meet Z and his friends from the awesome 1998 movie Antz.

Eli: Awesome!

Me: Wow! I love that movie!

Laney: Antz is really awesome.

Varie: It sure is.

Nico: Yep. And we're going to watch the movie first before we head out.

Eli: Cool cool.

Then Beautiful Gorgeous, Red X, Kite Man, Katnappe, Control Freak, Kaos, Mr. Fizz, Dr. Viktor, Technus, Girder, Evil Crash Man, Stink Bug, Allomere, IR Baboon, Thunderhoof, Trident, Virgo Zodiarts, Evil Yamato Man, Evil Magma Man, and Hot Rodney appeared.

Dr. Viktor: Can me, Beautiful Gorgeous, Red X, Kite Man, Katnappe, Control Freak, Kaos, Mr. Fizz, Technus, and Girder go with you guys?

Evil Yamato Man: Me, Evil Crash Man, Stink Bug, Allomere, I.R. Baboon, Thunderhoof, Trident, Virgo Zodiarts, Evil Magma Man, and Hot Rodney are coming too.

Nico: Yes you all can come with us.

Laney: We're going to meet Z and Bala from the movie Antz.

Red X: Wow! I love that movie!

Katnappe: Me too! Great movie!

Nico: Yep. We're going to watch the movie first and then head out.

We got to watching the movie.

---

Z is an anxious worker ant who chafes at conformity and the fact that everyone, even his psychiatrist, reminds him he is insignificant. While at the local bar one night, Z falls in love with Princess Bala when she visits the bar to escape her suffocating royal life.

The ant colony declares war on an encroaching termite colony, and soldiers are sent to engage the invaders. To see Bala again, Z exchanges places with his soldier friend, Weaver, and joins the army, where he befriends staff sergeant Barbatus. The ants are unaware that General Mandible, the army's leader and Bala's fiancee, is secretly sending the soldiers loyal to the Queen to die so he can stage a coup d'état. In the battle, everyone except Z is killed by much-larger acid-shooting termite defenders. Before dying, Barbatus tells Z to think for himself instead of blindly following orders. Meanwhile, Weaver joins the digging crew and falls in love with Z's co-worker, Azteca.

Z returns home and is mistakenly hailed as a war hero. Secretly unsatisfied, Mandible congratulates him and introduces him to the Queen. There, Z meets Bala, who recognizes him as a worker. Z panics and pretends to take Bala hostage, causing him and Bala to fall out of the anthill via a garbage chute. Now a fugitive, Z decides to search for Insectopia, a legendary insect paradise. Bala attempts to return to the colony, but quickly rejoins Z after encountering a praying mantis.

Z's act of individuality inspires the workers and some soldier ants, halting productivity. To gain control, Mandible publicly portrays Z as a self-centered war criminal, promotes the glory of conformity and promises the workers rewards for completing a "Mega Tunnel" he designed. However, Mandible's second-in-command, a flying ant named Cutter, begins to doubt Mandible's constant reassurances that he's acting "for the good of the colony".

Z and Bala come upon a human picnic, which they mistake for

Insectopia. They are baffled by the wrappings on the food, but Muffy and Chip, a married couple of liberal wasps, condescendingly befriend them and try to help break the wrappers. They are disrupted by the humans, who kill Muffy with a fly swatter and attempt to squish them with a shoe. Z rescues Bala from the sneaker, and the two ants at last find Insectopia, a trash can overfilled with decaying food. Bala begins to reciprocate Z's feelings.

After interrogating Weaver, Mandible learns that Z is looking for Insectopia and sends Cutter to find it. That night, Cutter arrives at Insectopia and forcibly flies Bala back to the colony while Z is away. Seeing Z's desperation at finding Bala gone, a drunken Chip, mourning over Muffy's death, generously flies him back to the colony.

When Z arrives, he encounters soldiers who forcibly direct him toward the Mega Tunnel. Along the way, he finds Bala held captive in Mandible's office. After he frees her, they both discover that Mandible's Mega Tunnel leads straight to the puddle next to Insectopia, which Mandible will use to drown the Queen Ant and the workers at the opening ceremony. Bala warns the Queen while Z attempts to stop the workers in time, but fails. Z and Bala unify the Queen and workers into building a ladder of themselves towards the surface as the water rises.

Meanwhile, Mandible gathers the soldiers on the surface and gloats he has created a new colony, where only the strong survive. When the worker ants break through the surface, Cutter betrays Mandible and rescues the worker ants "for the good of the colony". Enraged, Mandible attempts to tackle Cutter, but Z intervenes and takes the blow. He and Mandible fall back into the flooded tunnel, with Mandible striking a root and dying on impact. Z is nearly drowned, but is rescued by Cutter and resuscitated by Bala.

Z is praised for his heroism, and he and Bala become a couple. Together, they rebuild the colony, and Z narrates that he is finally content with his place in the world. The camera then zooms out to show the anthill is in Central Park in New York City.

The movie was awesome and it was cool. When it was done we cheered!

Qin: Awesome movie!

Xenia: That is so awesome!

Flik: Just like me and my friends and more.

Lola: I agree.

Nico: And the cool part is that it was all in New York City in Central Park. So the colony is located in Gotham Royal York Park.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's wThird Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Scion from Red Earth, and he's heading here to get revenge on us for what happened to his servant, Blade. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and Mai-Ling, you're not going to like it: the dark energy signal that we sensed belongs to Scion from Red Earth, and he's heading here to get revenge on us for what happened to his servant, Blade.

Mai-Ling gasped in shock.

Mai-Ling: Oh no, not Scion.

Nicole: This isn't good, and Scion is the sorcerer who's responsible for the invasion of monsters in the different countries around the world in Red Earth. His ultimate goal is to find humans strong enough to survive his conquest and conquer the world in the name of his new nation, Darminor.

Lincoln: Yeah, in other words, this bastard's bad news and needs to be destroyed.

Shaylen Harper: And that'll be left to me and you, Linky.

Lincoln: That's right, Shaylen.

Nico: I won't be surprised if one cut of your magic sword would drive him completely insane.

Shaylen Harper: I would rather cut him into pieces and let him bleed to death.

Me: Yeesh, that's really bloody.

Lincoln: But, he deserves to be cut into a million pieces for his crimes, and I'm also going to help her with that as well, he doesn't deserve to live a single second further.

Nico: You got that right, Lincoln. Alright, gang, let's go, we're off to meet Z and Princess Bala and take down General Mandable.

Lincoln: We'll make him pay for his crimes against the ant colony, and once he's been taken down, you're next, Scion.

Teen Titans Lightning: Nico, which Gene Slammer do you think you'll meet next?

Nico: Right. The Mandatory question. How about Sword Arm of Dragon, Megazowler, Serpent Night Dragon, Frostosaurus, Icebergdon, Uraby, Kaitoptera, Lancephorhynchus and Giant Rex?

Me: Ooh! All dinosaur monsters next.

Xenia: This will be cool.

Laney: It sure will.

Red X: Let's get going.

Stink Bug: I can't wait to meet fellow bugs!

Me: At least we don't have to go far. Scans show that Z and his colony are located right in Gotham Royal York Central Park.

Xenia: Wow.

Beast Wars Inferno: Just a small hop away from the colony.

Nico: Yep. Lets go.

We were off to the park.

GOTHAM ROYAL YORK PARK

We arrived at the park.

Nico: Here we are.

Me: We should be relaxing here.

Zhuqiaomon: Yeah.

Nico: Yep. There it is.

We saw the anthill for the colony.

The landmarks were unmistakable.

Xenia: Just like in the movie.

Moondancer: It's awesome seeing it in the park.

Power Girl: And Slimer should go with Moondancer next time too.

Nico: Good idea.

Me: Slimer is funny.

Laney: Yep.

IR Baboon: IR want to meet ants.

Katnappe: Then, why are we just standing around?

Nico: Here we go.

Nico snapped his fingers and we shrunk down to their size and went over to the colony and climbed it and went in. Then we saw Z and Bala.

Z: Wow! Team Loud Phoenix Storm!

Princess Bala: It's an honor to meet you guys.

Me: Z and Bala. You too.

Cybertron Menasor: (Irish Accent) Sorry for the delay, lads. But we just realized we should shrink to your size.

Z: That's all right.

Qin: But it's cool to meet you.

Flik: And some fellow ants too.

Princess Bala: Same here. Then I take it you guys know that Mandible is back.

Me: Yeah we sure do. We came to help you guys take care of him.

Z: I could tackle him into a flooded tunnel again.

Trident: As much as I like water, let's not do that.

Kaos: You just met us. So, you can't exactly fly yet.

Me: Well yeah.

Atta: I can fly and that would be no problem for me.

Xenia: True.

Camie: We're not going to let Mandible get away with his crimes.

Naruto: You got that right. What he has been doing is very similar to what Danzō Shimura has been doing over the years in my village.

Sakura Haruno: Yeah that's right.

Pam: Z, are you a carpenter ant?

Z: Well actually we're many different types of ants.

Me: They have Bullet Ants, Weaver Ants and so many more.

Pam: Wow. That is cool.

Laney: Yeah it sure is.

Girder: Have you ever met any bugs outside of the colony before.

Hot Rodney: If not, we understand.

Z: As a matter of fact yes we have.

Bala: Just a couple of hornets.

Z: I battled some termites.

Qin: We saw those.

Nico: Yeah. Scary.

Bludgeon: This actually isn't the first tyrannical bug we've faced.

Z: Really?

Flik: There was Hopper, a grasshopper. He was a terrible one.

Qin: Really ugly story.

Bala: I wonder what happened?

Flik: He was a monster.

He went over what he did and it was awful.

Z: Oh man.

Bala: That is terrible! Grasshoppers using ants to get food for them and use them as slaves!?

Xenia: Yeah that is nuts.

Evil Magma Man: Hopper's initial defeat involved a bird.

Technus: You haven't seen one up close yet, right?

Z: No way!

Bala: No thank goodness.

Me: But Hopper got what was coming to him too.

Laney: Yeah he sure did.

Gilda: Are there still any ants loyal to Mandible?

Z: No. After he died the first time everyone abandoned his goals.

Qin: Great.

Me: Now he will pay for his crimes without his forces.

Laney: You got that right.

Camie: And it won't be pretty.

Lana: Yeah.

Virgo Zodiarts: Now he'll die alone.

Fizz: Before we talk any more, do you want any soda?

Z: Sure!

He gave us all some soda.

Weaver came out and he was a big one.

Weaver: Wow! Team Loud Phoenix Storm what an honor.

Me: Weaver it's an honor.

Weaver: You guys are awesome too.

Nico: Yeah we get that a lot.

Weaver: I heard you guys are looking to end Mandible. Got room for me?

Long Haul: It depends on if you're busy or not.

Weaver: Always up for smashing that traitor!

Qin: That's the spirit!

Xenia: Cool!

Me: Time for us to strip that general of all his stars.

Laney: Yeah! to quote Private H.I.V.E., We're going to make sure he gets court-martialed!

Nico: Nice!

Thunderhoof: You know what would've been better? If Stockade went with us.

Control Freak: Nothing we can do about it now. Now, which video game monster should I summon?

Nicole: Hmm. How about Drakor from Star Fox Adventures?

Control Freak: Awesome choice.

He summoned said character.

Nico: Cool!

Bone Chompy looked very excited.

Beast Wars Inferno: I agree with you there. I am most excited to make Mandible burn!

Qin: We all are.

Xenia: Yeah!

Laney: This is gonna be good.

Kite Man: Me and Allomere will fly straight ahead.

Allomere: You guys catch up.

Me: Okay.

Qin: Lets get ready.

We went and did so.

We sensed he was on the surface.

Me: He's on the surface.

Sissi: Entrance time!

Nico: Lets get him.

We flew up to the surface.

Mandible was infuriated!

But then a huge PUMPKIN GREW and then..

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and ghosts, monsters and creatures of Halloween appeared and swirled around him and then they formed into us and we landed!

Me: Now that was a Halloween Entrance!

Qin: Even though it was passed.

Beautiful Gorgeous: You've been dishonorably discharged, General.

Evil Crash Man: Get ready to crash!

Mandible: This anthill is mine!

Qin: Over our dead bodies!

Xenia: Yeah!

Mandible: That can be arranged!

Laney: Come and try it!

I fired waves of energy and blasted him all over.

Firebrand, Man Boy, Saix, Kangor, Femme Fetale, Trapster, Spot, INSTIGATOR, Trap Jaw, Living Laser, Reverse Flash, Blob, Supreme King Jaden, Count Marzo, Star Creature, Ghost of Jeremiah Pratt, Heatstroke, Golden Gut, Evil Butane Man, and Rock then appeared.

Nico: Firebrand, Man Boy, Saix, Kangor, Femme Fetale, Trapster, Spot, INSTIGATOR, Trap Jaw, Living Laser, Reverse Flash, Blob, Supreme King Jaden, Count Marzo, Star Creature, Ghost of Jeremiah Pratt, Heatstroke, Golden Gut, Evil Butane Man, and Rock.

Me: Strange seeing you guys at this size again.

Qin: Yeah.

Firebrand: So, Nega Eddy won't be causing trouble anytime soon, right?

Nico: Outside of each first Ambassador mission, no.

Man Boy: Good to hear.

Me: But he will be a nuisance in Eddy's mind no doubt.

Saix: Even then, you'll still be ready for him.

Kangor: (Jamaican Accent) Heard Brynja got a new weapon, mon.

Me: Yeah she sure did.

Femme Fetale: What was it?

Nico: It was The Sword of Arderial Wind.

Nicole: One of the Swords of The Moonlands.

Camie: It was awesome.

Then Needlenose came again.

Me: Needlenose. Back for another round.

Needlenose: Yep.

Qin: Cool.

Needlenose: Not every day I see you rangers the size of ants. Literally.

Jason: I know!

Me: It's awesome.

We got the battles underway.

Sunset Shimmer: They released a mad dark side in him that is going to try and destroy all heroes and villains. He's called Nega Eddy.

Pipsqueak: (British Accent) Yeah it's a bad news monster.

Jake Sully: He sure is

Firebrand: Oh man. Poor Eddy. Lets do it!

Kevin summoned Ignatius and merged Hermos with Elemental HERO Rampart Blaster and he got a powerful Bazooka called the RAMPART BLASTER INFERNO BAZOOKA! They fired waves of fire and energy and smashed him down.

Isabella Andwraith: (Spanish Accent) Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Emelia Ashenveil: (Spanish Accent) You said it, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Valeria Raven: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the stories on why you hate Lori with a blazing passion?

Carina Catsith: (Spanish Accent) You're not going to like this one bit. One day, all of us were with Lincoln and Maria Garcia, and we were at Great Lakes City hanging out with Bobby, Ronnie Anne, and The Casagrandes, but our day came to an end when we heard a loud shriek of rage and fury, and we saw who it was: it was Lori, and she was furious, and with her was Sergio, and he was cackling like a maniac as he got out some popcorn to see the drama. Lori came after us to kill us in a fit of rage, but Lincoln stood his ground and he tossed Lori onto the ground. Lori got back up and we all got ready to attack her again, but Sergio butted in and he got out a marshmallow blaster and fired at us, and we got stuck our feet stuck to the concrete and that allowed Lori to get out a knife, Lincoln knew she was going to kill all of us again, and in a fit of rage, he summoned the creatures of the night, and they joined with Lincoln and they beat Lori and Sergio up badly, and Lincoln tied Lori and Sergio up in energy ropes, so those animals couldn't escape, and he got us out, and we just hugged him and cried onto his chest, while he just wrapped his abnormally massive and muscular arms around all of us and he stayed there and comforted all of us.

Carlota Casagrande: That day, Dark Lori really crossed yet another nasty line. As if what she almost did to Maria Garcia wasn't bad enough, but what she almost did to us and the rest of the Fabled Monster Gene-Slammers, that's really evil.

Carl Casagrande: Same with Sergio.

Ronnie Anne: And after that incident, Lincoln was about to call his parents, but we'd soon heard the sound of stampeding footsteps and we soon saw Luna, and she was about to hit Lori in the head with her guitar, but she saw Lincoln wasn't injured and he cleaned the marshmallow goop off our feet, and Lori and Sergio were tied up. Eventually, the parents arrived, and when Lincoln told them of what Lori and Sergio did, Lori got grounded for sixteen weeks and Lincoln threw her in a titanium cage and put her fingers in Chinese Finger Traps. As for Sergio, he also got grounded for sixteen weeks, and Abuela cut off his crackers and snack privileges, and he was put in his cage, bound in a straitjacket and a Hannibal Lecter mask on his big beak.

We cheered wildly for what Lincoln did to save the Fabled Monsters Gene-Slammers, Ronnie Anne, Bobby Santiago, and The Casagrandes from Lori's wrath and Sergio's idiocy.

Me: Yeesh, Lori really crossed a nasty line that day.

Nico: Yeah, and Luna almost got that close to attacking Lori and Sergio, but Lincoln really saved the day and saved them from Lori's wrath and Sergio's idiocy. Say, Luna, do you know what caused Lori to go ballistic that day?

Luna: You're so not going to like it, dude: it turns out Sergio came in and he shredded Lori's dresses, spilled her nail polish, and ruined all of her make-up, and he planted a piece of Lincoln's white hair to frame him. Sergio wanted to stir up some drama and conflict.

Lincoln's Harem: (Gasps) What!?

When they looked at Sergio, their faces turned red with rage and hatred in their eyes, and Sergio was in gigantic trouble. UH OH!

SERGIO IS IN DEEP TROUBLE!

Lincoln's Harem: WHY, YOU STUPID, LITTLE, PAINTED RAT WITH WINGS! WE'RE GOING TO RIP YOU IN TWO!

Nico: Oh… !

Me: Shit!

Lincoln's harem then pounced on Sergio, and they proceeded to mangle him up, and when they were done, Sergio was badly mangled up.

Nico: Yeesh, this was even worse than the last time your Guardian Angels badly mangled Sergio up after Luna told us how Lori went ballistic in Maria Garcia's account, Lincoln.

Lincoln: Yeah, and we had a special kind of punishment for Sergio for what he did: we forced him to use the money he scammed off of people to repair Lori's room and replace everything that he ruined, and if he didn't, Maria Garcia and the Fabled Monster Gene-Slammers were going to use their powers of darkness and curse him for all eternity.

Me: (Winces) That's going to be a bad idea for Sergio to mess with someone skilled in the Dark Arts and Dark Magic.

Mai-Ling: I knew there's no mistaking that voice from anywhere. You can come out now, Scion.

A figure came out and it was none other than the world-conquering sorcerer, Scion.

Mai-Ling: Scion, I should've known you'd show up one way or another, but your dark ambitions to take over Earth will soon be destroyed here and now.

Scion: Not before I destroy you and all of Team Loud Phoenix Storm for what happened with Blade.

Shaylen Harper: He got what he rightfully deserved for serving you, and now, it's your turn.

Suddenly, Shaylen Harper's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, magic, angels, and swords, she unholstered her magic sword and massive Tearlaments Shaylen-themed greatsword from her back, and as she approached Scion, she left aqua blue energy, water, ocean waves, angels, magic, and swords with every step.

Shaylen Harper: Scion, I will never ever forgive you for the crimes that you've committed against humanity and all for your desire to conquer the world in the name of Darminor. For that, I will see to it that your ambitions are brought to an end here and now, along with your wretched life.

Suddenly, Shaylen Harper was surrounded by a massive vortex of aqua blue energy with water, ocean waves, magic, and swords surrounding the vortex, there's Tearlaments Shaylen flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Shaylen Harper emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Shaylen Harper grew from 6'5" to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing aqua blue hair, she has neon aqua blue eyes and an aqua blue energy aura with water, ocean waves, magic, angels, and swords surrounding her, she has Tearlaments Shaylen emblazoned on her forehead, she has angel earrings with aqua blue gems for eyes and holding the Water, Sword, Magic, and Eternity Kanjis in its hands, she also has Tearlaments Shaylen with aqua blue gems for eyes and holding the Water, Sword, Magic, and Eternity Kanjis in its hands on the bottom of her aqua angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Shaylen Harper has on a sleeveless open dark blue blouse, sleeveless dark blue midriff top with gold heart-shaped locket, dark blue bellbottom pants with designs on the legs, dark blue heeled sneakers, and long white long-sleeved trenchcoat with water, ocean waves, and swords on the coattails, and on the back is Tearlaments

Shaylen surrounded by water and swords. Suddenly, Shaylen Harper felt a sharp pain on her back, and then, her massive aqua blue angel wings with light blue tips on the large aqua blue feathers grew much bigger for her new body, she has on a Ring of The Phoenix with aqua blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Shaylen Harper's magic sword, massive Tearlaments Shaylen-themed greatsword, the sword of Tearlaments Shaylen, and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, swords, angels, water, ocean waves, and magic, and when it emerged, it was transformed into Tearlaments Shaylen's Ocean Magic Maelstrom Greatsword of Tearlaments Water Sword Justice, it's a brand-new large greatsword with Tearlaments Shaylen etched on the 7'0" massive, wide, double-edged blade, large angel heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large aqua blue gem below the angel heads for the pommel and it also still has all of the properties of Shaylen Harper's magic sword: cutting through the strongest of metals and the power to make villains go insane with one cut, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with aqua blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Tearlaments Shaylen's head with aqua blue gems for eyes and a large purple gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below Tearlaments Shaylen that said, "Shaylen Harper, Gene-Slammer of Tearlaments Shaylen, Wielder of Swords, Amazing and Very Skilled Swordswoman, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Stern Fern and Royal Woods' Meanest Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of

Amazing and Powerful Teachers, and Master of Water, Darkness, Angels, Magic, and Swords"

シェイレン・ハーパー、ティーラメントのジーン・スラマー シェイレン、剣の使い手、素晴らしく非常に熟練した剣士、愛情深い守護天使、リンカーンの将来の妻 ラウド、スターン・ファーンとロイヤル・ウッズの卑劣ないじめっ子の粉砕者と軽蔑者、悪のスレイヤー、混乱した殺人者、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして水、闇、天使、魔法、剣の達人

Shaylen Harper has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA MAGICAL SWORD DARKNESS MAELSTROM TEARLAMENTS ANGEL OF DIVINE MAGICAL DARKNESS MAELSTROM SWORD JUSTICE AND DIVINE MAELSTROM MAGIC SWORD LOVE!

We were amazed by Shaylen Harper's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Scion saw it, he fell into a dark rage and sent his army of monsters to kill her, but Shaylen Harper charged at them and she cut them all down with her massive new greatsword, and all of them were killed, and she also slashed Scion as well, and it drove him insane because of the power of the magic sword that merged with her other swords as well.

Me: Wow, Shaylen Harper's transformed, so awesome.

Nico: And she literally cut down Scion's monsters in a split second and when she attacked Scion with her new greatsword, it drove him mad. But, how was…?

Lincoln: The powers of her magic sword are still there in her brand-new large greatsword, Nico: able to cut through the strongest of metals and drive a villain insane with one cut. And Shaylen, you look beautiful, how do you feel?

Shaylen Harper: (Divine Echoing Cosmic Voice of The Darkness Magic Maelstrom Tearlaments Angel and Divine Magic Dark Maelstrom Sword Justice) I feel incredible, Linky. Now, shall we finish off Scion for good?

Lincoln: (Smiles) With pleasure, Shaylen.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Shaylen Harper.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of world conquest are all over, Scion, and now, it's time for you to die.

Shaylen Harper and Lincoln went after Scion who was still suffering from the effects of insanity, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, swords, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Scion, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood, and he was being driven more insane due to the attack from Shaylen Harper's new greatsword.

This was pissing off Scion greatly, but Shaylen Harper and Lincoln were just getting started. Shaylen Harper attacked him even more with her massive new greatsword and the insanity effects were also getting worse, and Lincoln fired a beam of red energy and when it hit Scion, Lincoln began sucking out and absorbing all of Scion's magical powers and making them his own. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Shaylen

Harper, it was known as Tearlaments Shaylen's Dark Magic Sword Maelstrom Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark blue with ocean waves on the blaster with a Phoenix, Water Angel, and Tearlaments Shaylen surrounded by water darkness etched on the sides, and a dark blue gem on the top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Shaylen Harper fired blasts of rainbow energy, aqua blue energy, and elemental forces and when they hit Scion, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, Scion's spirit appeared and Shaylen Harper and Lincoln fired two black energy blasts with the Judgement Kanji and as they hit Scion, he was erased by The Black Gates after he was found guilty for his crimes by those he killed. We cheered wildly for what Shaylen Harper and Lincoln did to Scion as they holstered their massive greatswords on their backs and power down, and Shaylen Harper's new body, clothes, weapons, jewelry, and massive aqua blue angel wings are permanent.

Shaylen Harper: Your days of trying to take over the world are finally over, Scion. Thanks for helping me destroy Scion for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Shaylen.

Suddenly, Shaylen Harper wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Shaylen Harper's face, they kissed passionately as Shaylen Harper's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Tearlaments Shaylen flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and ocean waves crashing behind them and we cheered wildly. Lincoln and Shaylen Harper came back to us, as the display and Tearlaments Shaylen vanished.

Nico: Wow, Shaylen, Lincoln, you guys really showed Scion no mercy, and we saw for ourselves why Shaylen earned her powerful reputation as an amazing and skilled swordswoman.

Me: And how that sword of hers drove Royal Woods' meanest bullies insane with one cut and how it cuts through the strongest of metals.

Lincoln: And we also improved it even more when we infused it with Stellar Cometite and Venusite.

Nicole: That's right, and she tested it out on a training dummy of Stern Fern made of the strongest of metals, and she made quick work of it in a second.

Nico: We were still amazed by that test you made, Nicole. Say, Lincoln, which Gene-Slammer are you hoping to meet on your rescue tomorrow?

Lincoln: That's a good question, Nico. Hmm, ooh, I have some good ones, how about Gene-Slammers for Arceus, Giratina, Dialga, and Palkia.

We gasped in awe.

Me: Whoa, Gene-Slammers for the three Legendary Creation Pokemon and a Gene-Slammer for the God of Pokemon?!

Celine Westova: That should be interesting to see, I was Gene-Slammed into Mega Arceus, but I've never seen Arceus in his regular form.

Ashleigh McDonald: Same with Dialga since I was Gene-Slammed into Mega Dialga.

Lenalda Ramirez: And the same with Giratina since I was Gene-Slammed into Giratina. So, I wonder which one of Lincoln's Guardian Angels got Gene-Slammed into Arceus, Dialga, Palkia, and Giratina?

Selene Emperyous: I think my sisters and I know who got Gene-Slammed into the God of Pokemon and The Three Legendary Creation Pokemon, Lenalda: Elizabeth Guillaume was Gene-Slammed into Arceus, the God of Pokemon. She's Lincoln's Guardian Angel from Athens, Ohio, and she was born with omnipotent powers, and she's also immensely powerful and strong and can do anything. She has all the powers of a god and she's just as powerful as all of us, and this gave her the moniker, "The Omnipotent Champion of Arceus". She's also defended Lincoln from the total absolute worst of Lynn's murderous wrath and she hates Lynn with a burning passion.

Zaina Emperyous: Gabrielle Chevalier was Gene-Slammed into Dialga, the Legendary Time Pokemon. She's Lincoln's Guardian Angel from Salem, Massachusetts, and she was born with a massive and a superpowered mind and brain that can use 100% of her brain power times infinity and immensely powerful time powers, which gave her the moniker, "The Chrono-Strategist of Dialga". She's also defended Lincoln from the total absolute worst of Lori's cold-hearted wrath and she hates Lori with a burning passion.

Vorya Emperyous: Michaela Amaryllis was Gene-Slammed into Palkia, the Legendary Space Pokemon. She's Lincoln's Guardian Angel from Seattle, Washington, and she was born with immensely powerful powers over the stars and space and she has knowledge of all the planets of the solar system, along with knowledge of the many discovered and undiscovered alien planets and its inhabitants which earned her the moniker, "The Space Explorer of Palkia". She's also defended Lincoln from the total absolute worst of Lisa's heartless wrath and she hates Lisa with a burning passion.

Sandra Emperyous: And finally, Danielle Azvameth was Gene-Slammed into Giratina, the Legendary Dimensional Pokemon. She's Lincoln's Guardian Angel from Omaha, Nebraska, and she was born with immensely powerful powers of dimensions and creating portals, and she has powerful knowledge of dimensions which earned her the moniker, "The Deathly Dimensional Warrior of Giratina". She's also defended Lincoln from the total absolute worst of Lola's fiery demonic wrath, and she hates Lola with a burning passion.

Nico: Wow, looks like we're in for one awesome rescue tomorrow,

Lincoln.

Lincoln: You got that right.

Trapster: And so ends Mandible's Reign of Terror.

Spot: Like Hopper, he didn't stand a chance.

INSTIGATOR: No, he didn't.

Me: Good riddance.

Trap Jaw: Now, Z and his friends will no longer be oppressed by him.

Living Laser: That's right.

Me: Yeah.

Z: Thank you guys for everything.

Me: No problem Z.

Weaver: You da bird!

Me: (LAUGHS) I like that.

Nico: That is cool! Great job today everyone.

Qin: Yeah.

Bala: (To the viewers) Never mess with the rules of the colony or there will be a big time buttkicking.

Nico: Yep. Lets head home.

We went and did so and enjoyed the rest of the day and went to sleep.

THE END

In the early morning hours at 4:30 AM, Lincoln had a dream, and he saw five figure who was hiding out and living in the streets of Portofino, Italy. But, they were no ordinary five figure, their were Luna the Werewolf, daughter of Lincoln's future wives, Loona. Cala Mia, daughter of Lincoln's future wives, Cala Maria. Frankie Bolt, daughter of Lincoln's future wives, Frankie Stein. Lily Alucard, daughter of Lincoln's future wives, Draculaura. and Amberfire Long, daughter of Lincoln's future wives, Jinafire Long. Lincoln woke up from the dream, but he wasn't the only one, Loona, Cala Maria, Frankie Stein, Draculaura, Jinafire Long, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: What more did you expect, bro?

Loona: And not only that, it also means that we found out where our daughters are at.

Cala Maria: And the question is, Where?

Me: they're at Portofino, Italy.

Nico: Oh no, that's not good. Out on the streets in Portofino, Italy, even though it's a nice place, but not so much for little kids like them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Loona, Cala Maria, Frankie Stein, Draculaura, Jinafire Long, Me, and Nico were heading to Portofino, Italy. Then, Lincoln saw a 13-years-old Werewolf/Human girl who has gray and white fur, red eyes. She has long silver hair that reaches her waist with two orange beads that tie two locks of her hair in pigtails, white sharp and pointy fangs, pointy wolf ears, sharp claws and a long bushy tail. She wears a spiked black choker, a purple sundress with a bridal hem that reaches her knees and an red puffy bow on her chest with a black coat that reaches her waist and sleeves that go over her elbows. She also wears white sandals which have two purple decorations. A tall and slender 10-feet tall 12-years-old young Siren Mermaid who has fair skin, big blue eyes with glasses, short blue hair with white streaks that in a bun, the latter in which she wears a yellow string headband that resembles a fishing net, razor sharp teeth and a snake-like tongue. She also has a sea-blue fish-like tail with round scales. She wears a short blue cape behind her back, a sleeveless white sailor shirt on top of a dark blue swimsuit with a blue fish decal in the middle of the chest and a blue skirt. A 12-years-old Frankenstein/Human Girl who has dark greyish yellow skin, long straight white hair with black streaks, stitches on her neck, arms, legs and a smaller, stitched scar on her left cheek, as well as two small bolts on her neck, and mismatching eye colors; her right being a bright green and the left a clear blue. She also has two tower-shaped conductor coil-like generators on her back. She wears cyan skull earrings, a black spotted tie, a orange and black square top with a white upper top with round short fishnet sleeves, she wears a black belt, with silver chains, and a silver lightning bolt on top. She wears metal brown gloves with her fingers showing and metal leggings with lines on them. She has on black and white ankle boots with glowing green triangle dashes in the middle. A kind, but shy, introspective, and naturally 11-years-old Vampire/Human girl who has pink skin, long pink hair with white streaks, green eyes, pointed ears and vampire fangs. She wears a large black hat with a pink ribbon around it, a pink dress with black transparent outlines, a pair of long black socks and pink ballet flats. And a young and thin tomboyish Chinese Dragon/Human girl who has golden scaly skin, abnormal long jade green and white hair tied back with yellow bangles in thick ponytails, brilliant red dragon eyes, curved dragon horns and a chinese dragon tail. She wears a red long-sleeved top with a purple collar and cuffs, a purple puffy mini-skirt with a slit on the left side and a big ribbon over it. white leggings with red colored ends at the legs, and purple and white red-strapped shoes. Lincoln saw who they are, it was Luna the Werewolf, Cala Mia, Frankie Bolt, Lily Alucard, and Amberfire Long.

Lincoln: Excuse me, are you the Young Monster Squad?

Luna the Werewolf: Yes we are, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know girls all too well.

Then, Loona, Cala Maria, Frankie Stein, Draculaura, and Jinafire Long came out, and when Luna the Werewolf, Cala Mia, Frankie Bolt, Lily Alucard, and Amberfire Long saw them, they was stunned.

Lily Alucard: M-Mother, is that you?

Draculaura: Yes, sweetie, it's me.

Luna the Werewolf, Cala Mia, Frankie Bolt, Lily Alucard, and Amberfire Long ran up to Loona, Cala Maria, Frankie Stein, Draculaura, and Jinafire Long, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you girls should know, Loona, Cala Maria, Frankie Stein, Draculaura, and Jinafire Long, your mothers are one of my many future wives.

Luna the Werewolf, Cala Mia, Frankie Bolt, Lily Alucard, and Amberfire Long: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Luna the Werewolf, Cala Mia (who has the ability to shrink in human size), Frankie Bolt, Lily Alucard, and Amberfire Long with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Luna the Werewolf, Cala Mia, Frankie Bolt, Lily Alucard, and Amberfire Long to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Loona, Cala Maria, Frankie Stein, Draculaura, and Jinafire Long with their daughters, and Luna the Werewolf, Cala Mia, Frankie Bolt, Lily Alucard, and Amberfire Long now has a loving, strong, brave, and caring father in their life.

Me: WHEW! Man it's hot here.

Qin: No kidding. But this is gonna be awesome/

Nicole: Well the next part of our quarry is going to be awesome.

Nico: Yep.

Baihumon: I'm really excited for this one.

Laney: Me too.

Nico: Thanks for coming, Baihumon.

Baihumon: Anytime Nico. It's going to be a really awesome rescue for the Sovereign of the West.

Qin: This is always fun.

Camie: It sure is.

Nico: Is it a difficult job being the Sovereign of the West?

Baihumon: It is. But like my fellow Sovereign it's nothing we can't handle.

Qin: It sure is awesome that you protect the land in the Digital World from the forces of evil.

Baihumon: It sure is.

Sissi Delmas: I think it's really awesome too.

Nico: And you're a feline Digimon.

Baihumon: That's right. The White Tiger of The West.

Nico: That is awesome.

Me: It sure is.

Brynja: (Icelandic Accent) I think it's amazing too.

Me: Same here.

Nico: It was fun getting rid of Mandible.

Me: It sure was and we didn't have to go far to get rid of him.

Laney: No we sure didn't.

Maria: I thought it was cool helping out Z and his colony.

Lana: It sure was.

Sissi: I thought it was fun too.

Maria: Now if we could get rid of Hopper the same way, that would be nice.

Me: It will be.

Eddy: I'm always up for that.

Qin: Me too! I hate Hopper.

Xenia: Same here.

Camie: Who is Hopper actually?

Me: He was a grasshopper.

I went over his history.

---

Hopper is the main antagonist of Pixar's 2nd full-length animated feature film A Bug's Life, which is a retelling of Aesop's fable The

Ant and the Grasshopper.

He is the cruel leader of a gang of grasshoppers, including a feral pet & right-hand grasshopper named Thumper, and his younger brother named Molt. He is also Flik and Princess Atta's arch-nemesis.

He was voiced by Kevin Spacey, who also played Albert Benton in Unsub, Buddy Ackerman in Swimming with Sharks, Keyser Söze in The Usual Suspects, John Doe in Se7en, Lex Luthor in Superman Returns, Clyde Northcutt in Fred Claus, Micky Rosa in 21, David Harken in the Horrible Bosses duology, Dr. Nerse in The Cleveland Show, Jonathan Irons in Call of Duty: Advanced Warfare, Frank Underwood in House of Cards, and Doc in Baby Driver. In the video game adaption and It's Tough to Be a Bug!, he was voiced by Andrew Stanton, who also voiced Emperor Zurg in the Toy Story franchise.

At the beginning of the film, Flik accidentally destroys the offering of food that the ants prepared for the grasshoppers. When they arrive, Hopper is angry to find the food all gone and scolds Princess Atta who intends to take over for the queen. Molt interrupts and talks about the time Hopper almost got eaten by a bird. Hopper pins Molt against the wall and tells Molt that he if hadn't promised their mother on her deathbed that he wouldn't kill Molt he would do so. Molt accidentally enrages Hopper more but due to his promise he instead punches another grasshopper. Hopper tells the ants that he's a "compassionate insect" and he'll give them a second chance.

Hopper brings in Thumper and nearly feeds Dot to him. Flik orders Hopper to leave Dot alone, but cowers back in fear when Hopper approaches and dares him to take Dot. Hopper tells the ants that they are forgetting their place and Hopper doubles the order of food that the ants must prepare. Hopper and his gang then fly back to the desert.

Hopper's Rant

After a while, Hopper is seen again at his hangout in the desert. Molt suggests to Hopper that they do not collect food from the ants due to them having enough food to get them through the winter as it is. As

Hopper is about to punch him for suggesting this, Molt frantically tells him that it was not his idea, causing him to direct his attention towards the two grasshoppers, Axel and Loco, that had told him to tell him this. Realizing that his underlings are unable to understand the situation, Hopper demonstrates to Axel and Loco the strength of an ant by throwing a single grain at them only for them to laugh it up due to how weak it is until he pours the entire grain reserve on them, burying them alive and presumably killing them along with one other grasshopper sitting next to them. He snaps out at them in rage that it was never about food, but "keeping the ants in line" as the ants can defeat them easily with overwhelming numbers. Hopper questions does anyone else want to stay and all the grasshoppers instantly fly with him to Ant Island.

## Rise to Power

When he is dissatisfied with the amount of offering the ants give him after a second chance, Hopper takes over Ant Island and plots to assassinate the Queen. After hearing from Dot about Hopper's villainous plot, Flik and the circus troupe return to the island and rescue the Queen, with the help of the fake bird that they made earlier in the season. Hopper had a fear of birds, revealing that he had ornithophobia. However, he soon discovers that the bird is a fake after it is set on fire by P.T. Flea, and has Thumper pulverize Flik upon realizing that it was his idea.

## Flik's Bird Brained Idea

Flik makes his heartfelt and assertive speech about how his colony is strong in numbers. Hopper swats Flik to the ground and raises his foot to squish him, but Atta intervenes. Hopper then turns to see all of the ants and the circus bugs ready to fight and bombard him. After being ditched by his own minions, Hopper is trapped in the circus cannon. Before the ants and the circus bugs are ready to launch him, however, rain came in.

Seeking revenge on Flik for humiliating him, Hopper shoots himself toward Flik and flies away with him. The circus bugs give chase to save Flik, launching Tuck and Roll onto Hopper's back in an attempt to stop him. Hopper maneuvers himself through a small hole and manages to shake off the pill bugs, but they reveal that they have removed a piece of one of his antennae. This creates enough of a distraction for Atta to swipe Flik away from him, and he pursues the two across the river.

## The End of Hopper

Flik tells Atta to stay hidden and goes out to find Hopper, only for the grasshopper to land right in front of him. He strangles Flik in an attempt to finish him off with the promise to return next season with more grasshoppers as he corners him against a bird's nest. Suddenly, the orange finch appears and notices the two bugs. Assuming that this is simply another trick, Hopper looks to Flik who confirms it and he teases the bird until she shrieks at him. As he realizes his mistake and tries to flee after dropping Flik, the bird blocks off his path, catches him, and feeds the screaming Hopper to her chicks, with a hidden Atta and Flik looking away in fear, thus foreshadowing that Hopper is a real mindless soil-shoving loser not the colony.

At the end of the movie, Tuck and Roll are shown jabbering on about their fight with Hopper while holding the still twitching piece of his antennae, which is all that is left of the villainous grasshopper, as their entertainment trophy.

---

When I was done everyone that hadn't heard about him was shocked.

Tsuyu: What a monster!

Nico: Yeah he sure was.

Laney: Yep.

Me: And he deserved to be destroyed too. Using the Ants like slaves.

Nico: A bird was involved in that.

Sissi Delmas: Yeah it was.

Camie: At least his brother is not that bad.

Laney: Thank goodness. And he is in the redemption squad.

Lana: He sure is.

Xenia: Yeah.

Nico: Now, what are we looking for?

Nicole: You'll love this one. It's called the Sword of The Cald Volcano. Like the Sword of Arderial it's made of Red Animite and it has all the powers of the Cald.

Nico: Wow! Who is gonna get that one?

Nicole: Well since Sissi is with us she will.

Sissi: Thanks Nicole.

Nicole: You're welcome.

Me: Eddy are you feeling alright?

Eddy: I'll be alright. This curse Nico put on me is helping to keep Nega-Eddy at bay.

Me: Good.

Nico: It's good my curse is working.

Eddy: It sure is Nico.

Anna Anyapova: That is so awesome that you all know magic too.

Me: We sure do.

Lincoln: Yep.

Nico: Yeah. We just have to get through 24 missions and it will be over.

Me: Okay.

Lana: Are we close to the sword?

Nico: It should be here somewhere.

Nicole: It's inside that volcano up there.

We went into the volcano and in the middle of an island in the middle of a lake of lava sticking into a pedestal was THE SWORD OF THE CALD VOLCANO!

Nicole: Whoa there it is!

Daring Do: It's amazing.

Xenia: It sure is.

May: Sissi, would you do the honors?

Sissi: It will be my pleasure.

She went over to the sword and grabbed the handle and then she succeeded in pulling it out! It glowed in a powerful red energy and she underwent an awesome transformation!

(ESCAFLOWNE (FOX KIDS VERSION) INTRO EXTENDED PLAYS)

She was enveloped in a vortex of fire and she emerged forever changed! She had the body of a goddess, longer black hair and had angel wings made of pure fire!

Me: Whoa! Sissi you look awesome!

Lincoln: Wow! How do you feel?

Sissi Delmas: I feel amazing guys.

Brynja: (Icelandic Accent) You sure do Sissi!

Nico: You've earned that sword.

Me: Yep.

Then a figure came out and it was a black version of an evolved Galvanic Mechamorph! It was ANOTHER ULTIMATE UPGRADE!

Me: Whoa! Another Ultimate Upgrade!

Xenia: This is gonna be an interesting one!

Another Ultimate Upgrade: (In a girls voice) It will be fun for me though.

Me: Libby Ruthenstein! Whoa!

Nico: You know her?

Me: Yeah she is a great mechanic and can fix anything from cars, to machines and more.

Laney: That is amazing!

Albedo turned into Negative Ultimate Upgrade.

Negative Ultimate Upgrade: Did Swartz promise you anything?

Another Ultimate Upgrade: Just to be the best mechanic ever.

Me: You already are the best mechanic ever in my book. You can fix all sorts of things.

Applejack: You sure can.

Sunset Shimmer: And being an Evolved Galvanic Mechamorph is fitting for you too.

Another Ultimate Upgrade: That may be true but I don't like it.

Me: Sorry we have to fight like this. KIBAL LETS HOWL!

Another Ultimate Upgrade: There's nothing to merge with. Just rocks and molten lava.

Me: Yeah Galvanic Mechamorphs only merge with machines and stuff.

Maria: Oh right.

Girl Jordan: (SINGING DIVINELY AS SUNS AND LIGHT SWIRLED AROUND HER)

Fighting and running from turning from who we really are

Cannot suppress so let's find the one we have shaped so far

Flying too close to the sun as if we're invincible

Cannot dictate, dominate the earth that we're living on

We can't defy the laws, cut the loss that we consummate

Around the world, we grow weaker as we exterminate

The only thing that gives, thing that brings air and life to us

Wake up one day and find what we got is so serious

We are

The children of the sun

We are

The children of the sun

The human greed and our creed is all that we have to share

Knee deep in tragical, fabrical issues everywhere

Cannot replace the one, chase the one that we used to be

It isn't how we were, why we're here, what we're meant to be

Fighting and running from turning from who we really are

Cannot suppress so let's find the one we have shaped so far

Flying too close to the sun as if we're invincible

Cannot dictate our faith on this earth that we're living on

We are

The children of the sun

The love for everyone

Always on the run

The fire in our eyes

The passion never dies

We're the chosen ones

The children of the sun

We are

The children of the sun

The love for everyone

Always on the run

The fire in our eyes

The passion never dies

We're the chosen ones

The children of the sun

We are, we are

We are the children of the sun

We are, we are

The children of the sun

We are, we are

We are the children of the sun

Always on the run

She danced and fired waves of fire and sunlight and smashed her down.

May: You know what? I'll bring out something you can merge with.

She brought out a fire truck.

Another Ultimate Upgrade: A firetruck! Nice.

She merged with the firetruck and made it into a powerful and awesome Upgraded Battleship!

Nico: WHOA! NICE!

Me: That is cool!

Another Ultimate Upgrade: Yep.

She fired waves of water and it hit Nico and drenched him!

Nico: (SPITS AND COUGHS) HEY!

Maria: Here's something Albedo can merge with.

She pulled out a missile tank!

Negative Ultimate Upgrade: Wow! A missile tank! Awesome!

He merged with it and turned it into an awesome battleship!

Qin: COOL!

He fired missiles and blasted down Another Ultimate Upgrade!

Xenia: AWESOME!

Sougo: (gets out Ex Aid Ridewatch) This one is perfect here.

Rider Time! (Retro video game-themed music) Level Up! Ex-Aid!

Geiz: (gets out Cross Z Ridewatch) Because it's digital too?

Armor Time! Wake up burning! Cross-Z!

Sougo got ExAidArmor while Geiz got CrossZ Armor.

Nicole: Awesome choice! Now since we're here in Cald I have just the enemies for her to face.

She summoned the Lava Ghosts from the game Yoshi's Story and they hit Another Ultimate Upgrade and burned her all over.

Qin: WHOA!

Eli: Those are scary ones!

Baihumon: But fitting since we're in a volcano.

Varie: They sure were. Awesome job Nicole.

Nicole: Thanks mom.

Nico: (gets out Overwatch Sombra's Ridewatch) This is perfect as well.

Me: Sombra is perfect too.

Nico: It's amazing how you convinced Sombra to join the M.O.E.

Me: I was really impressed with the way she infiltrated the estate a while back and figured she would be perfect for them.

Luz: I agree there.

Me: I'll tell you how I did it after we're done here.

Nico: Okay. (ACTIVATES OVERWATCH SOMBRA'S RIDEWATCH)

Nico fired waves of energy and blasted her all over.

Baihumon: Nice one!

Nico: OH YEAH!

Baihumon: My turn!

He activated Stratos's ridewatch and fired waves of wind and smashed her down.

Nico: YEAH!

Then we heard a bunch of roars!

Nico: WHOA!

Eli: What was that?

Me: I think the next gene-slammers are here!

Then 9 figures came out and we saw that they were Sword Arm of Dragon, Megazowler, Serpent Night Dragon, Frostosaurus, Icebergdon, Uraby, Kaitoptera, Lancephorhynchus and Giant Rex.

Nico: Whoa! Sword Arm of Dragon, Megazowler, Serpent Night Dragon, Frostosaurus, Icebergdon, Uraby, Kaitoptera, Lancephorhynchus and Giant Rex.

Me: Cool!

Sword Arm of Dragon: (In a girls voice) We got here just in time.

Frostosaurus: (In a girls Voice) We sure did.

Nico: (Gasp) Camellia Zorenstein, Fira Camppenstein, Laneyia Sorrenson, Lorelai Roundtree, Varya Leniyakova, Gina Grant, Jackie Ummova, Katie Hassleberry and Rita Stockholm!

They reverted back and they were all different girls. Camella had brown hair and brown and yellow clothes, Fira had blond hair and brown and yellow clothes, Laneyia had purple hair and purple clothes, Lorilai had dark blue hair and purple and blue clothes, Varya had aqua blue hair and blue clothes, Gina had black hair and purple clothes, Jackie had purple hair and purple clothes, Katie had orange hair and orange and blue clothes and Rita had red hair and red clothes.

Rita Stockholm: It's awesome to see you again Nico and you too Qin.

Qin: Same here girls.

Jackie Ummova: We got this.

They fired waves of energy and blasted down Another Ultimate Upgrade and she reverted back and I caught the ridewatch and purified it. I went and picked up Libby. She was a girl with orange hair and blue eyes and had blue overalls and a black shirt.

Libby: (Groans) What a headache.

Me: But you're back to normal.

Nico: Let's put the vehicles we got out back.

We did so.

Nico: There we go.

Maria gave us some water.

Me: Ahh. Needed that.

Nico: Lets head back home before we sweat some more.

We teleported and we were back in the park.

Me: Much better.

Xenia: Yeah.

Baihumon: What are your favorite memories of Nico?

Jackie Ummova: We have a lot of them.

Varya Leniyakova: But we loved how we helped Nico fight a bunch of thuggish bullies in our school and made those monsters pay. They were the sons of politicians and we made them pay for their crimes by throwing them in jail.

Nicole: Good riddance.

Qin: Yeah no kidding there.

Xenia: Good riddance.

Nico hugged them.

Nico: I really missed you girls.

Laneyia: We missed you too Nico.

Nico: Now that we're out of the volcano, let's head home.

Me: Agreed.

We went back home. We told everyone what happened and it was crazy cool and amazing.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The

Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, The Bakugan Battle Brawlers, and Azulongmon heading to the Biker Club hangout in the north of Gotham Royal York, and not only is Lincoln going to rescue the three girls here, but we're also going to take down the army of bounty hunters that Flip hired to kidnap and kill the girls in my harem, Nico's, Lincoln's, and Clyde's and all for his wanton desire for revenge on us for stopping his scams, but we also got word that Scoots is back, but this time, we're sending that crazy, murderous, bitter old goat straight to The Black Gates for good, and this time, we're making absolutely sure that she's never ever coming back!

And since the word got out that Scoots has come back from Hell, the rest of the team was joining us as well, because this is absolutely the last time we'll ever have to deal with that bitter old goat.

Lincoln: Whoa, we're here in the Biker Club in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're also going to take down the army of bounty hunters that Flip hired to kidnap and kill the girls in my harem, Nico's, J.D.'s, and Clyde's and all for his wanton desire for revenge on us for ruining his scams.

Me: This is really going to piss that mutant cheapskate off badly, and we'll also collect the bounty on their heads.

Nico: Awesome, but there's also a reason why the rest of the team's also with us: we also got word that Scoots is back from Hell and she still wants revenge on us.

Lincoln: Yeah, when the news hit us, we weren't surprised, but this time, we're sending that crazy, murderous, bitter old goat straight to The Black Gates for good, and this time, we're going to make absolutely sure that she's never ever coming back!

Lori: That's for sure, she's caused us enough trouble for the last time. But, first, we should deal with those bounty hunters that mutant cheapskate hired to kidnap and kill the girls in your harem, Nico's, J.D.'s, and Clyde's and all for his wanton desire for revenge on us for ruining his scams.

Lincoln: Right, Lori, and thanks for joining us, Azulongmon.

Azulongmon: You're welcome, Lincoln.

Luan: And I hope that tomorrow we'll find out who threw those bowling balls and bowling pin at my boyfriend's head and caused that Dark Side parasite, Nega-Eddy, to be released.

Lincoln: We'll make sure that whoever did this will pay for their crimes, and Nico's curse is still on Nega-Eddy, and he'll only attack on the Ambassador missions, but once the days have passed, the curse will take that mad dark side to The Black Gates for good.

We arrived at The Biker Club hangout, and when Lincoln kicked the doors in, we saw for ourselves the massive army of bounty hunters that Flip hired kidnap and kill the girls in your harem, Nico's, J.D.'s, and Clyde's and all for his wanton desire for revenge on us for ruining his scams, and they were really pissed off.

Lincoln: Alright, assholes, your days of running loose are over. Now, are you going to come quietly or does this have to get ugly?

Bounty Hunter: GET THEM!

Nico: Well, looks like this is going to get ugly.

Lincoln: (Smirks) Good, I was hoping they'd resort to using brute force.

We charged at the Bounty Hunters and we were beating them up like crazy: Lincoln fired blasts of Rainbow Super Lightning at them and all of them got electrocuted, Nico, Eli, and I fired blasts of Force Lightning and Lightning at them as well and they also got even more electrocuted, The Loud Sisters pummeled the crap out of them, The Mascots also beat them up badly, our harems also beat those thugs up badly, and when we were done, they were mangled up but they were not out.

Lincoln: Stubborn, huh? Alright, you asked for it.

Suddenly, the rainbow iris of Lincoln's Third Eye glowed, and the massive army of bounty hunters were suddenly hypnotized.

Lincoln: Alright, now, why don't all of you head outside and get into the trucks waiting for all of you.

Bounty Hunters: (Hypnotized) Yes, Master.

The massive army of bounty hunters went outside, and waiting for them were Agent Waco and The FBI, who then cuffed the bounty hunters, loaded them up into trucks, and carted them off to jail, and when the footage was shown, Flip, who was tied up to his post, was extremely furious, he went on a hour-long rant and cursing up a storm. We heard it and we laughed.

Lincoln: Serves you right, you butt-ugly mutant cheapskate!

Me and Nico: Yeah, mess with us again, and we'll do a lot worse to you, stupid.

Eli: That was awesome.

Lincoln: Yep, and I got a chance to use Despero's mind control and combine that with my vampiric hypnosis, and it really worked greatly. Now, to get after Scoots.

Lindsey Oropendola: I'm going to kill her if I see her!

Lincoln: After all the times she's tried to kill me and all of us as well, she doesn't deserve to live even a single second further.

Maria: Yeah.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of three girls screaming for help, along with the sound of crazed and evil laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Scoots, and she's going to kill them by running them over with her scooter.

Lincoln: (Gasps) Let's get over there at once, guys, I found the three girls, but they've been cornered by Scoots, and she's going to kill them by running them over with her scooter.

?: (Four girls' voices) That bitter old goat, let's get her!

Suddenly, we saw Arceus, Dialga, Palkia, and Giratina appear before us.

Maria: Whoa, okay, who summoned Arceus, Dialga, Palkia, and Giratina?

Lincoln: No one did, but I'd recognize those four voices from anywhere, I knew it was you, Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth, but we'll talk later, let's get rid of that old goat, Scoots, once and for all.

We rushed over, and right before Scoots could run the three girls over, Lincoln fired powerful rainbow energy balls and elemental forces at that evil bitter old goat, and that allows the three girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Scoots, and when she saw us, she was enraged, but we were none too pleased to see her again.

Scoots: You good-for-nothing losers, if you hadn't gotten in my way, I would've finally gotten rid of every last loser in this loser town, starting with you loser Louds!

Lincoln: You don't deserve to say not another single word, Scoots. For years, you have put every last one of us through Hell with every last one of your antics, and on numerous occasions, you tried to kill me and you laughed at my pain and suffering! Do you have any fucking idea how many times I've had to go to the hospital because of you?! One too many times to count, and you have the nerve to come back after you were sent to Hell?! No, that's not going to fly for us, now, we're going to send you to somewhere infinitely worse!

Elizabeth Guillaume: You too, Lincoln, it's been a long time.

Gabrielle Chevalier: And it's good to see you and your sisters again, Selene.

Selene Emperyous: You too, Gabrielle.

Lincoln made three clones of himself and they went up to Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth and they hugged them, and Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their face went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you four since you were seventeen, and as you can see, I really grew a lot since then.

Elizabeth Guillaume: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Michaela Amaryllis: Yeah, you can land an airplane on that more wider and more muscular back of his, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so they're… !

Lincoln: That's right, Nico, this is Elizabeth Guillaume, Gene-Slammer of Arceus, the God of Pokemon. She's my Guardian Angel from Athens, Ohio, and she was born with omnipotent powers, and she's also immensely powerful and strong and can do anything. She has all the powers of a god and she's just as powerful as all of us, and this gave her the moniker, "The Omnipotent Champion of Arceus", Gabrielle Chevalier, Gene-Slammer of Dialga, the Legendary Time Pokemon, she's my Guardian Angel from Salem, Massachusetts, and she was born with a massive and superpowered mind and brain that can use 100% of her brain power times infinity and immensely powerful time powers, which gave her the moniker, "The Chrono-Strategist of Dialga", Michaela Amaryllis, Gene-Slammer of Palkia, the Legendary Space Pokemon, she's my Guardian Angel from Seattle, Washington, and she was born with immensely powerful powers over the stars and space and she has knowledge of all the planets of the solar system, along with knowledge of the many discovered and undiscovered alien planets and its inhabitants which earned her the moniker, "The Space Explorer of Palkia", and finally, Danielle Azvameth, Gene-Slammer of Giratina, the Legendary Dimensional Pokemon, she's my Guardian Angel from Omaha, Nebraska, and she was born with immensely powerful powers of dimensions and creating portals, and she has powerful knowledge of dimensions which earned her the moniker, "The Deathly Dimensional Warrior of Giratina".

Me: Wow, and they're everything Selene Emperyous and her sisters told us yesterday.

Lincoln: Yep, and as pointed out yesterday, they're old friends of Selene Emperyous and her sisters, and Elizabeth Guillaume's defended me from the total absolute worst of Lynn's murderous wrath and she hated Lynn with a burning passion, Gabrielle Chevalier's defended me from the total absolute worst of Lori's cold-hearted wrath and she hated Lori with a burning passion, Michaela Amaryllis's defended me from the absolute worst of Lisa's heartless wrath and she hated Lisa with a burning passion, and Danielle Azvameth has defended me from the absolute worst of Lola's demonic wrath and she hated Lola with a burning passion.

Nico: Wow. But, why wasn't Luan…?

Luan: I also supplied the four with information on Lori, Lynn, Lola, and Lisa, and gave warnings to the girls to keep Lincoln safe from those four, and I was on their side and went against Lori, Lynn, Lola, and Lisa knowing the risk of getting caught and facing their wrath, but I didn't want any of them to lay one more hand on Lincoln.

Eddy: She's right, I kept an eye on Lori, Lynn, Lola, and Lisa if they tried anything, and gave some signals to warn Luan.

Nico: Kind of like a Morse code, right?

Lincoln: Something like that, Nico.

Audrey Sauron: Oh, and Eddy, I've also got something to help you out as well.

Audrey Sauron put a ring on Eddy's right pinkie finger.

Audrey Sauron: This ring will amplify Nico's curse that he put on Nega-Eddy yesterday, and trust me, whatever pain you get, it'll be inflicted on Nega-Eddy instead. After Lincoln told me of what happened yesterday on Moondancer's first Ambassador mission, I had to get to work on making that ring.

Eddy: Wow. Thanks, Lincoln.

Lincoln: You're welcome, Eddy.

Luan: When Lincoln told me of what he asked Audrey to do, I was really happy, and we'll be rid of that Dark Side parasite, Nega-Eddy, for good, once Nico's curse gets rid of him.

Elizabeth Guillaume: And we also got some information to share with you: it's about a group of twelve girls who've hated Selene

Emperyous and her sisters.

We gasped.

Lincoln: This is something we really need to hear.

Selene Emperyous: Same here. (Thinking) If it's who me and my sisters think it is, we're in for a battle between Heaven and Hell.

Elizabeth Guillaume: Yeah, this is really serious. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at her request, including Lincoln.

Lincoln: Elizabeth, are you and the others absolutely sure?

Elizabeth Guillaume: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth and he saw they're really serious, and he smiled as he walks over to them, and one by one, he hugged each of the Seraphina Sisters' waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down to their necks, and he slowly bit each of them and he fed on their blood, and we all saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them. He slowly unlatched his fangs from their necks and their necks healed up as the puncture marks sealed up.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth with colored gems on the gold lightning bolts and colored crystals links from their merged Crystal Necklaces of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around their necks.

Elizabeth Guillaume: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you, Gabrielle, Michaela, and Danielle are part of harem and my many future wives, Elizabeth.

Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth had a smile on their faces and tears in their eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Elizabeth Guillaume's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and he did the same with the rest of the girls, and they also passionately kissed, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Etna, Flonne, and Jennifer from Disgaea.

Lincoln: Oh wow, it's Etna, Flonne, and Jennifer from Disgaea.

Nicole: Awesome!

Lincoln: Are you girls okay?

Etna: Yes, we're okay, thanks to you.

Then, when Etna and the two other girls saw who it was that saved them from Scoots, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Etna: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Etna: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Etna, Flonne, and Jennifer with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we also got the reward money from Agent Waco for capturing Flip's massive army of bounty hunters, and we also were still hearing Flip's crazy ranting and cursing at what we did to his army of bounty hunters and we were still laughing. Lincoln, Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth have a lot of catching up to do, now that they're back in town.

Maria: We did it, now not only did we arrest Flip's army of bounty hunters, but we finally got rid of that bitter old goat, Scoots, and now, she's never ever coming back.

Lincoln: You got that right.

Lynn: After all the trouble she's caused, she deserved every last bad thing to happen to her, and now, she's paid the price for her crimes.

Nico: Good riddance to that scooter-riding, heckling, bitter, pain in the ass.

Me: You said it.

We were still hearing Flip ranting and raving like crazy.

Lynn Sr.: Sheesh, how long is that mutant going to keep ranting like that?

Nico: Who knows, Mr. Lynn. What we just did today ruined anymore of Flip's attempts at revenge on us, and now, he's extremely pissed off like crazy.

Lincoln: Good, this is a point that we've made to that cheapskate: if he thinks he can get away with trying to get revenge on us by hurting those close to us, he's going to regret this big time.

Eli: And he's just making things a lot worse for himself.

Luna: He's already made things a lot worse for himself because of all those revelations we've heard about Flip, and as a result, he's getting beaten up like crazy and we're going to make his humiliations a lot worse, dude.

---

After we threw Flip's massive army of bounty hunters in prison and finally getting rid of Scoots once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Elizabeth Guillaume: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Danielle Azvameth: You said it, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Michaela Amaryllis: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the information you got on this group of twelve girls who've hated Selene Emperyous and her sisters?

Elizabeth Guillaume: You're not going to like this one bit, Nico.

Elizabeth Guillaume took out a folder, and inside the folder are twelve photos of twelve evil-looking girls with long flowing midnight black hair, blood red eyes, and are dressed in black clothes with the symbol of The Qliphoth Tree of Death. But, we saw something that would really shock us: these twelve girls have massive black demon wings.

Nico: Whoa, these girls definitely look like trouble, especially since they also have massive black demon wings, who the heck are they?

Selene Emperyous: Oh no, twelve girls who we hoped never to see again: The Chernabog Sisters, twelve of the most evil and chaotic girls ever to cause trouble in Royal Woods, Michigan.

Lincoln: Not them again, the town still remembers what those twelve monsters have done long ago.

She and her sisters have caused tons of havoc by causing tons of destruction and havoc in Royal Woods and all to see the pain and suffering of innocent people before we banished them to Hell for good. Belinda is also completely insane and she's also thrown her whole support into Adrastea's evil plan to wipe out mankind and turn Earth into their hellish playground.

When the Emperyous Sisters were finished, we were really shocked.

Me: Oh man, these girls are literally the demonic servants of The Devil, and you can tell because of The Qliphoth Tree of Death on their skirts.

Selene Emperyous: That's right, while we have The Sephiroth Tree of Life on our skirts to mark us out, Adrastea and her sisters have The Qliphoth Tree of Death on their skirts, along with what you all saw in their pictures.

Lincoln: And they were born with those powers because of a Satanic ritual their parents did long ago before they were born: they called upon the dark forces of Hell and their unborn children were given the powers of darkness and the power to summon demons to cause havoc, and for years, Adrastea and her sisters have caused havoc in Royal Woods, until Selene Emperyous and her sisters defeated them and had them banished to Hell. She also put up a seal to prevent them from returning, but it looks like the seal's about to break, and they're going to return.

Nico: Oh, that's so not good. Selene, when can we expect to deal with Adrastea and her sisters when they return?

Selene Emperyous: November 6th, that's when Adrastea and her sisters are planning to return, but now that we're back, we're ready for Adrastea Chernabog and her sisters.

Lincoln: Those chaos-causing she-demons have caused enough trouble for the last time, this'll be their final rampage come November 6th.

We got a shower afterwards, and then, Lincoln, Sugarcoat, Lemon Zest, Indigo Zap, Sunny Flare, Sour Sweet, Valerie (Pokemon), Mera (DC Superhero Girls 2015), Wonder Woman(DC Superhero

Plus, we'd also found out that the girls all had feelings for Lincoln, and he also saved them from another group of bounty hunters Flip hired to kidnap and kill them, because he still wanted revenge on us for what we did in ruining his scams again. Well, after Lincoln rescued them and the girls told us Flip hired those thugs to kidnap and kill them to get revenge, Lincoln electrocuted Flip and left that mutant cursing yet again.

Lemon Zest: Wow, so this is Emerald Coast.

Lincoln: Yep, and it's perfect for our beach date, Lemon Zest. Shall we?

Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Lemon Zest, Indigo Zap, Sunny Flare, Sour Sweet, Valerie (Pokemon), Mera (DC Superhero Girls 2015), Wonder Woman(DC Superhero Girls 2015), Supergirl (DC Superhero Girls 2015), Batgirl(DC Superhero Girls 2015), Jessica Cruz A.K.A. Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Emerald Coast.

Sugarcoat: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha.

Mera (DC Superhero Girls 2015): And this was due to us harboring feelings for Lincoln, and they came into light when he saved us from those bounty hunters Flip hired to kidnap and kill us. What a moron!

Me: Yeah, he's always been a stupid cheapskate and moron, but this morning, we ruined his revenge when we arrested that massive army of bounty hunters he hired and finally got rid of Scoots for good and that caused Flip to go on a nasty rant-storm.

We still heard Flip ranting like a madman.

Nico: Yeesh, and he's still ranting like crazy, oh man, we really pissed him off big time.

Lincoln: We sure did, but like I said, that moron refuses to learn his lesson, and it's best that he's left to suffer for all eternity for his misdeeds.

In 1932 New York City during the Great Depression, Yankee Irving is a 10-year-old baseball fan whose father Stanley works as a custodian at Yankee Stadium. While the two are on the premises, a thief disguised as a security guard steals Babe Ruth's famous bat Darlin'. Stanley is falsely blamed and is temporarily dismissed until

Darlin' can be found. Stanley blames Yankee for being alone in the locker room and setting him up. And Stanley accuses him by grounding him and sending him to his room. But the real thief is Lefty Maginnis, a cheating pitcher for the Chicago Cubs. Maginnis works for the Cubs' general manager Napoleon Cross, who desires to see the Cubs defeat the New York Yankees during the 1932 World Series.

Determined to reclaim the bat and save his family from being evicted and being out on the streets, Yankee journeys to Chicago where the next World Series game will be held. After putting the bat back on the train, Yankee decides to return it to Babe Ruth and thereby clear his father's name and save his job. Darlin' and her counterpart Screwie, a baseball, gain the ability to speak and telling him that he is just a kid and the real world and playing baseball (with his punishment standing) would let his punishment be in danger. Unbeknownst to Yankee, Maginnis attempts to steal the bat from Yankee during a wild chase. Yankee meets others who help him in his quest such as hobos Andy, Louis and Jack, a girl named Marti Brewster, her baseball pitcher father Lonnie Brewster, who helps him drive to the city by teaching Yankee to set his feet right, and Babe Ruth. Maginnis steals Darlin and gives her to Cross, who kidnaps Yankee. During the game, Cross manipulates Yankee inside the office and reveals his plans to him.

A series of improbable coincidences allows Yankee himself to play for the Yankees. After Yankee escapes the office and evades several security guards, Cross tries to talk Babe out of accepting the victory, saying that Yankee is too young to be a counting player after he was trying to return Darlin' to the latter. Despite this, Yankee has shown confidence in beating the Cubs and manages to hit Screwie after two strikes. While the numerous Cubs players tried to strike Yankee out, he dodges and trips them. Maginnis tries to make his last attempts to strike him out, but Yankee manages to outsmart him by jumping over him (as payback for getting both him and Stanley in trouble) and landing on home plate, scoring a run. This restores the morale of the Yankees, who score seven more runs to take the lead and win the World Series.

The revelation of Darlin's theft leads to the arrest of Cross, who says that he was a fan that cheated. When his involvement as an accomplice and as a cheater is also revealed, Maginnis is kicked off the team and is also arrested. Stanley's name is cleared and officially reinstated as the stadium's custodian. Yankee, his parents and his new baseball friends, Screwie and Darlin, celebrate the Yankees' World Series win in a victory parade where he becomes an official player while Cross is handing out the Babe Ruth bobbleheads with Maginnis sweeping the streets as part of their work release. Yankee happily plays catch with Screwie and the hobos' dog.

---

When it was done we were cheering wildly!

Nico: That was awesome!

Qin: Yeah it was!

Me: Moral of that movie: Cheaters Never Prosper!

Nico: No they don't!

Camie: What is the history of Cross and Maginnis?

Me: Lets see.

I pulled up his and Cross's histories.

**Napoleon Cross** is the main antagonist of the 2006 animated film *Everyone's Hero* .

He is the owner and the general manager of the Chicago Cubs baseball team who plans on making them finally win so that he would sabotage famed baseball player Babe Ruth of the New York Yankees baseball team from the 1932 World Series, to earn the recognition he so deserves to himself. He's also of the arch-enemies of Yankee Irving.

He was voiced by the late Robin Williams.

In the movie that is set in the 1930's, Napoleon Cross is first seen watching with his henchman, Chicago Cubs player Lefty Maginnis, a documentary about the legendary baseball player Babe Ruth from the New York Yankees (in which he has a small part on it), as he greatly envies the latter's immense success in the world of baseball. Ambitious about his desire to earn the same amount of recognition from the 1932 World Series, Cross assumes that Babe's baseball bat, named Darlin, was causing the Cubs their relentless losses, and plans on keeping her away from the renowned baseball player by ordering Lefty to steal it, as he threatens his own henchman about removing him from the Cubs if he fails.

After Darlin was eventually stolen by Lefty, who was taking her with him to Chicago via the Grand Central Terminal in New York City, Yankee Irving (the film's protagonist) successfully infiltrates Cross' plan initially by retrieving her from the infamous baseball player in order for his father to be rehired to the Yankee Stadium again, since the latter and his own son were indirectly involved in the theft of the bat. As Yankee eventually stepped down from the train by a nearby train stop, Lefty also arrived, as well, and entered that same train shop to inform Cross, who was carelessly playing the merchandise about Babe Ruth, regarding the bat he stole. Cross then informs Lefty about the "compensation" the latter would get after the bat is eventually given to the former.

Although Yankee took Darlin from Lefty, Cross' plan is succeeding when it was reported that Babe Ruth is losing for his team by getting subsequent strikes from his failed swings as the batter since Darlin is not with him, causing the New York Yankees to be overtaken by the Chicago Cubs during the game, which upsets Yankee himself. Though, with the help of a couple of homeless men, this didn't hinder him from returning to New York City to return the bat to the Yankee Stadium, but he later decides to actually go to Chicago since Babe Ruth was currently at that city for Yankee to return Darlin to him.

Unfortunately for the young boy, Lefty retook Darlin and succeeds in giving her to Cross while in the henchman's car, thus continuing the succession of the latter's plans on sabotaging Ruth and making the Cubs earn their win against the Yankees. Yankee himself tried to retrieve the bat again by fighting it from Cross, but he is abruptly pulled inside the vehicle instead, capturing him in the process and sending him back to New York to the Yankee Stadium by the scheming Cubs duo. While inside a Yankee Stadium room, Cross taunts Yankee about Babe's huge losses during the game, as the boy failed to return Darlin to the baseball player. Cross then leaves Yankee inside the room with the door locked so that he himself would watch the Yankees, especially team member Babe Ruth, eventually lose to the Cubs.

Once Yankee escapes the room (which is noticed by Cross) with the help of Screwie the baseball and finally returns Darlin to Babe, Cross then shows up and deliberately interrupts the moment, demanding to the umpire that the game must end immediately because the Yankees are about to lose to the Cubs anyway, but Babe already knows the truth about the loss of Darlin from him. However, Cross tries to hide it by saying that what Babe said is "absurd", and insists that the Yankees must forfeit since he states that it's a penalty for baseball players to make false claims to someone regarding baseball itself, so the umpire makes a deal to the team by having them choose a batter for them, or they actually forfeit the game.

As the baseball team eventually picked Yankee as their batter through Babe's decision, Cross was shocked, but also mocks the team for picking a young boy who has little baseball experience while also making fun of the boy for himself with some of the spectators as well. Nonetheless, although Yankee was initially nervous about trying to swing on the first two tries, Cross was then proven wrong with few spectators when Yankee, because his parents including Marti Brewster where there to motivate him, actually swing Darlin and surprisingly hit Screwie with much confidence, which surprises everyone and shocks Cross, Lefty and Cubs. With that, Yankee makes a run around the field bases while the Cubs catcher and the fielders attempts to catch Screwie, but they end up colliding and knocking one of them unconscious before the Cubs right-fielder throws Screwie at the Cubs second base with Yankee passes him. The Cubs second base player chases Yankee and tries to strike him, but he ended up getting tripped by him after he manages to reach third base before being pelted and knocked himself out unconscious from Screwie, which also makes Cross feel greatly nervous about the Cubs losing towards Yankee. After Yankee eventually reached the final base with avoiding Lefty (who was holding Screwie to strike him out) by literally jumping on top of him, he successfully lands on the home plate for the New York Yankees finally beat the Chicago Cubs and win the championship, which causes the spectators, his parents, Marti and Rosetta Brewster, Babe Ruth and the New York Yankees, Lonnie Brewster and his teams, the hobos and his sandlot friends cheers at Yankee in victory. The Chicago Cubs are distressed at their defeat and a horrified Cross have a meltdown by childishly throwing a tantrum in chagrin, since his chances of getting massive recognition was now ruined. Cross then rips some of his hairs and questions himself about it crazily.

During the aftermath of the game, Cross is eventually arrested, along with his partner-in-crime Lefty who he crazily kicks him in the groin, for the organized theft of Babe's bat Darlin. As a presumably additional punishment, Cross is forced to carry a box of Babe Ruth bobblehead dolls to sell it, which he is not satisfied and went into mental breakdown with Lefty cleans the street as part of their work release at the parade of the New York Yankees victory.

**Lefty Maginnis** is the secondary antagonist of the 2006 animated film Everyone's Hero.

He was a player of the Chicago Cubs and Napoleon Cross' own personal henchman who contributed to sabotaging the New York Yankees by stealing Babe Ruth's own bat, Darlin, under his own boss' orders.

He was portrayed by William H. Macy, who also portrayed Jerry Lundegaard in Fargo and Edmond Burke in the 2005 film adaptation of Edmond.

In the movie that is set in the 1930's with Napoleon Cross is first seen watching Lefty, a Chicago Cubs player with documentary about the legendary baseball player Babe Ruth from the New York Yankees (in which he has a small part on it), as he greatly envies the latter's immense success in the world of baseball. Ambitious about his desire to earn the same amount of recognition from the

1932 World Series, Cross assumes that Babe's baseball bat, named Darlin, was causing the Cubs their relentless losses, and plans on keeping her away from the renowned baseball player by ordering Lefty to steal it, as he threatens his own henchman about removing him from the Cubs if he fails.

After Darlin was eventually stolen by Lefty who was taking her with him to Chicago via the Grand Central Terminal in New York City, Yankee Irving (the film's protagonist) successfully infiltrates Cross' plan initially by retrieving her from the infamous baseball player in order for his father to be rehired to the Yankee Stadium again since the latter and his own son were indirectly involved in the theft of the bat. After Yankee and Screwie retrieves Darlin in the case, Lefty spot it this and give chase throughout several trains as he attempts to steal back the bat again. Yankee manages to yank it off where Lefty loses his balances and holds on the both trains until he gets struck by the train's signal, knocking him unconscious.

After Yankee was stepped out of the train and slept in the train station, Lefty arrived and entered that same train station to inform Cross, who was carelessly playing the merchandise about Babe Ruth, regarding the bat he stole. When Cross then informs Lefty about the "compensation" the latter would get after the bat is eventually given to the former before Yankee escapes the train station and Lefty chase him once again on the train cart. Naturally, Lefty is horrified to watch a another passenger train coming towards him after Yankee dodges while Lefty tries to drive away before getting hit by it.

Although Yankee took Darlin from Lefty, Cross' plan is succeeding when it was reported that Babe Ruth is losing for his team by getting subsequent strikes from his failed swings as the batter since Darlin is not with him, causing the New York Yankees to be overtaken by the Chicago Cubs during the game, which upsets Yankee himself. Though, with the help of a couple of homeless men, this didn't hinder him from returning to New York City to return the bat to the Yankee Stadium, but he later decides to actually go to Chicago since Babe Ruth was currently at that city for Yankee to return Darlin to him. The next day with Yankee stopping a small town and meeting Marti Brewster after she helps him fought against the two bullies named Arnold and Tubby that tried to steal Screwie by throwing apples and dodging them, Lefty regains conscious and arrives to the small town with a severely damaged train cart before he ask the two bullies about Yankee, which they've point out his location and he drives off before Tubby throws one apple at him that makes Lefty squeal in pain, much to both Arnold and Tubby's amusement.

During at the Brewsters' residence, Lefty tried to trick Rosetta Brewster, mother of Marti, that he's Stanley Irving in order to get Darlin back for Yankee, but he quickly recognizes him and runs up the stairs before Lefty chases him again and rudely shoves Marti, who then retaliates by tripping him to prevent him from chasing Yankee, but he continues to run after him again. Yankee escapes through the window and coming down on clothlines safely while Lefty tried follow him until an angry Rosetta smacks Lefty and threatens to call the police on him for his actions against Yankee and harming her daughter before he closes the window and continues his chase before he topples off the roof and clothlines. Recovering quickly, Lefty tried to run after Yankee, but Marti trips him with water hose, much to his anger. Soon, Lefty chases and manages to grab Darlin where he attempts to steal the bat again and demands to give it back, but Yankee refuses since it belongs to Babe Ruth (which Screwie agrees to Yankee). During the struggle, Lefty rants that he stole Darlin which Yankee replies that Stanley would get his custodian position back after returning the bat to Babe Ruth, as Lefty gloats about his position and being a best cubs pitcher and insults Stanley's job. Furious, Yankee releases Darlin that she brutally batters Lefty on his face, making him subconscious before Marti tosses an apple on his head that knocks him to the ground with Screwie finishes by bashing him on the back of his head and knocking unconscious. With that, Marti advises Yankee to find her father, Lonnie Brewster, before bidding him farewell and he thanks her in return for helping him as he leave the town.

Several days of Yankee's journey, Lefty contacts Napoleon again in the raining night about the losing Darlin after his boss gloats about his plans succeeding once again until he threatens Lefty that if he doesn't get Darlin before the championship, then he'll fired him from the team, leading Lefty to complain and smacking the phone against the booth since he thinks it broken as he hang up supposedly and insults Napoleon, unaware that was left in contact and tried to hang up again before accidentally broke the phone toll right before the lighting strucks, shocking him instantly.

Unfortunately for the young boy after meeting Lonnie and his team that giving him a ride with them on their bus and arriving to Chicago at the hotel to return Darlin to Babe Ruth at the VIP dining room party, Lefty switches Darlin with a Breadstick to retook the bat when Yankee is about to return Darlin to him, but Screwie witness this and tried to save her from him, but to no avail. Yankee helps Screwie and chases Lefty at the back door as he succeeds in giving her to Cross while in his car, thus continuing the succession of Napoleon's plans on sabotaging Ruth and making the Cubs earn their win against the Yankees.

In the meantime, Yankee himself tried to retrieve the bat again by fighting it from Cross, but he is abruptly pulled inside the vehicle instead, capturing him in the process and sending him back to the Cubs Stadium by the scheming Cubs duo. While inside a Cubs Stadium office room, Lefty watches Yankee from the window and mocks him with a mischievous smile with Cross taunts Yankee about Babe's huge losses during the game, as the boy failed to return Darlin to the baseball player. After Cross then leaves Yankee inside the room with the door locked so that he would watch the Yankees, especially team member Babe Ruth, eventually lose to the Cubs.

After Yankee escapes the office (which is noticed by Cross) with the help of Screwie the baseball and finally returns Darlin to Babe, Cross then shows up and deliberately interrupts the moment, demanding to the umpire that the game must end immediately because the Yankees are about to lose to the Cubs anyway, but Babe already knows the truth about the loss of Darlin from him. As the baseball team eventually picked Yankee as their batter through Babe's decision, Cross was shocked, but also mocks the team for picking a young boy who has little baseball experience while also making fun of the boy himself with some of the spectators including Lefty as well. Nonetheless, although Yankee was initially nervous about trying to swing on the first two tries with Lefty using Screwie and puts his own snots on it, Lefty was then proven wrong with Cross and few spectators when Yankee, because his parents including Marti Brewster where there to motivate him, actually swing Darlin and surprisingly hit Screwie with much confidence at the last strike before makes a run around the field bases while trying to avoid being stopped by the Cubs holding Screwie as they all ended up getting tripped and pelted in process, and also making Cross felt greatly nervous about the Cubs losing towards Yankee again. After Yankee eventually reached the final base, Lefty make his last attempts to spitefully strike Yankee out with Screwie, but he ends up being trampled and humiliated by him as Yankee literally jumps on top of Lefty and successfully lands on the home plate for the New York Yankees to finally beat the Chicago Cubs with the spectators, his parents, Marti and Rosetta Brewster, Babe Ruth, New York Yankees, Lonnie Brewster and his team, the hobos and his sandlot friends cheers at Yankee in victory. The Chicago Cubs are upset at their defeat with a horrified Cross throwing a tantrum since his chances of getting massive recognition having now been ruined. During the aftermath of the game with Cross' arrest, Lefty is also arrested for the organized theft of Babe's bat Darlin, where Cross crazily kicks him in the groin in process while they're being hauled away, and he was also banished from the Cubs permanently.

As a presumably additional punishment, Lefty is seen to clean the street with Napoleon forced to sell the Bobbleheads of Babe Ruth as part of their work release (who isn't satisfied) at the parade of the New York Yankees victory.

When it was done we were shocked!

Lynn: THAT PATHETIC DISGRACE!

Nico: YEAH NO KIDDING!

Rainbow Dash: Maginnis and Cross are both an absolute disgrace to the worlds of sports!

Ish: As an athlete myself I would never cheat!

Lynn Jr.: Same here!

Indigo Zap: Neither would the Shadowbolts! Also Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Number 9: Dyson Sphere next.

Me: Wow! The Number for the Hypothetical Megastructure next.

Nicole: That was a big one. And that has always been very intriguing to me.

Laney: Yeah no kidding.

Lisa Loud: Indeed.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Shiori Tsuzuki from Witchblade and an old enemy of Masane Amaha, and she's coming to kill Masane once again and take the Witchblade. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and Masane, you're not going to like it one bit: the dark energy signal that we sensed belongs to your old enemy, Shiori Tsuzuki, and she's coming to kill you again and take the Witchblade.

Masane 2 gasped, along with Lori and Rihoko.

Lori: Oh, this is literally not good, Shiori is one of the most sadistic and depraved people that Masane has ever had the displeasure of knowing.

Masane Amaha 2: That's right, Lori, she's always tried to kill me and take the Witchblade, and she's really depraved and sadistic. She needs to be stopped once and for all.

Lincoln: And that's what we're both going to do, Masane. But, first.

Lincoln fired a beam of magic and it went into Masane 2's bracelet and purified it.

Masane Amaha: Just like what you did to me, J.D., and I can't believe that there's another me here, but the only way to tell she's in Lincoln's harem is what's around her neck.

Me: Yep, and he's also the father of Masane 2's Rihoko, and he's really an awesome father.

Lori: He literally is, and you're now in J.D.'s harem when we met you in our world, along with our world's Rihoko and she's now going to be raised by J.D.

Masane Amaha: That's right, Lori. But, this way, it'll avoid some confusion.

Nico: You got that right. Alright, guys, let's go, we're going to get back Babe Ruth's bat.

Lincoln: And bring down that good-for-nothing thief, Lefty Maginnis, and once he's brought down, you're next, Shiori Tsuzuki, and you are not laying one single hand on Masane ever again, you evil, depraved, sadistic monster! I'll see to it that your plans to take the Witchblade and kill Masane are brought to an end, together with your life! (Deep Sapphire Blue Eyes turn Red)

Masane Amaha 2: He's really serious about ending Shiori.

Lori: He's not going to let anyone hurt any of his future wives, Masane, and Shiori's really crossed one line too many times, so she needs to go. But, she won't go down that easily, she'll also turn into her Cloneblade form if she gets pushed too far.

Lincoln: That's what I'm hoping for, Lori, in her Cloneblade form, she'll have little to no control over her impulses, and driven only by bloodlust.

Masane and Masane 2: Which'll make her easily open to attack!

Me: And if pushed past her limits, you know what happens.

Nico: This we got to see. Alright, gang, let's get going.

Blob: Anything else we need to know.

Maria: There's a talking bat.

Me: And a Talking Baseball.

Man Boy: Alright then.

Maria: But it will be an awesome honor to meet the legendary Babe Ruth.

Nico: It sure will. Lets head out.

We were off.

---

NEW YORK CITY, NEW YORK, 1932 - THE WORLD SERIES AT YANKEE STADIUM

---

We arrived in New York City in 1932.

Nico: Here we are..

Me: New York City, 1932. And during one of the worst Economic disasters of all time: The Great Depression.

Nico: I know. Awful time back then.

Mushi: I hope we meet Christy Mathewson too!

Me: Christy Mathewson died 7 years ago from this time.

Mushi: Oh. Never mind then.

Nico: Sad time back then.

Me: Yeah. Hey look.

We saw that the World Series was on and we saw Yankee Irving up at bat.

Me: There he is.

Nico: Wow. This is so cool.

Eli: Yep.

Then…

KRACK!

He hit a 90 mile per hour pitch and it went REALLY FAR and then I caught the ball!

HOME RUN!

Nico: AWESOME CATCH!

Eli: YEAH!

Yankee Irving did a home run!

Me: Nice one!

Eli: At least it's not Screwie.

Brimstone: Let's finish watching the game first.

Me: Good idea.

We watched the game and the Yankees won! Thanks to Yankee Irving! Score was 9 to nothing New York!

Me: YEAH!

Normally I would be a Rockies fan but the Rockies weren't made an official team until 1991.

INSTIGATOR: That was a nice game!

Golden Gut: Let us congratulate him!

Nico: Good idea.

We went and did so.

Me: Wow! You guys were awesome!

Yankee Irving: Wow! Team Loud Phoenix Storm! It's truly an honor!

Me: Same to you Yankee.

Babe Ruth: You guys are heroes all over time and space and it's an honor.

Me: Same to you Babe and it's truly an honor to meet one of the most legendary players of baseball.

Nico: Yeah you are the greatest.

Babe Ruth: Thanks guys.

Yagura: Can we see your bat?

Yankee Irving: Sure.

We met Darlin.

Darlin: Awesome to meet you all.

Me: Same to you Darlin.

Screwie: Don't forget me. It's awesome to meet you all.

Camie: Same here Screwie.

Living Laser: Many of us are actually sports fans.

Rock: Including both Lynns

Lynn: That's right.

Me: Same with Rainbow Dash here.

Rainbow Dash: I like all sports and it's so awesome.

Nico: It sure is. I'm a tennis lover myself.

Me: I a big time dodgeball star. But I like many sports.

Lori: Golf mostly for me.

Lynn: Yeah. I like all the sports.

Ish: Football myself.

Babe Ruth: Cool. You guys are all very athletic.

Qin: Yeah we sure are.

Tricloid: Well, not ALL of us.

Nico: Yeah. But it's cool.

Babe Ruth: But you guys are still great athletes in many sports and all that.

Nico: That's true.

Qin: And some of us know how to win with grace and honor. Unlike some people you know. Like Cross and Maginnis.

Yankee Irving: That is true.

Evil Butane Man: Lefty's left handed.

Trap Jaw: That proves the guy's rotten.

Nico: Yeah no kidding.

Qin: But if it's a fight he and Cross wants then we'll give him one.

Xenia: And it will really hurt.

Amity Blight: Big time. He will rue the day he disgraced the good name of sports.

Luz: That's for sure.

Turbo Man: I can always use my speed to spy on them.

Nico: You do that Turbo Man.

Turbo Man: Okay.

ZOOM!

He went to spy on them.

Lynn: When I lost a game the one thing I always hated was losing and whenever I would lose a game I would always explode with anger and rage and it was not a good thing. But now I know that I have to accept that you can't win them all.

Rainbow Dash: I know that feeling too.

Me: Yeah. Even though Team Loud Phoenix Storm is the most powerful force in the universe there are some things we can't win like board games and sports primarily.

Spot: Sure, there have been some battles we've lost.

Heatstroke: But those push us to learn from our mistakes.

Nico: That's right.

Eli: Yeah.

Qin: But we still always come out on top.

Camie: Yeah.

Aylene C.: Yeah that is for sure.

Babe Ruth: That is good dignity right there.

Yankee Irving: Yeah.

Marah: (to Nico) Now we understand why most people use their right hands.

Nico: Yeah that's true.

Me: Most of us are right handed.

Nico: He's right on that and only a few of us can use both hands.

Lola: That's true.

Camie: Yeah.

Tsuyu: Using both hands is rare.

Femme Fatale: Most people who use left hands are often evil mirror images.

Star Creature: Or are simply scumbags.

Me: Well not entirely. Look at Chuckie Finster. He is left handed and he's not a rotten person.

Nico: He's right on that.

Femme Fatale: True.

Carly Atlas: But he is awesome at what he does.

Misty Tredwell: Yeah.

Xion: And Strike Man here actually is a robotic talking baseball.

Strike Man: She's right on that.

Babe Ruth: Awesome!

Yankee Irving: I agree there.

Me: Yeah and he is really good at Baseball too.

Screwie: Awesome too.

Lane Loud: Yeah.

Saix: I think it's time to meet up with Turbo Man.

Supreme King Jaden: (to Bonnie and Fi) I really do hope you two go with Moondancer tomorrow.

Bonnie Terrez: Oh we plan to.

Fi: This is gonna be so awesome.

Bonnie Terrez: And we're perfect for the mission because we battle ghosts and all that.

Supreme King Jaden: (to Bonnie and Fi) I really do hope you two go with Moondancer tomorrow.

Bonnie Terrez: Oh we plan to.

Bonnie Terrez: And we're perfect for the mission because we battle ghosts and all that.

Qin: You sure do.

Turbo Man then came back.

Turbo Man: Cross and Maginnis are on their way. They are mondo mad.

Yankee Irving: Oh man.

Nico: Lets get ready for them.

We hid and and then we saw 2 figures come in and they were CROSS AND MAGINNUS!

Nico: There they are.

Brawl: Entrance time! (turns into Tank form and fires at wall)

He formed a wall of fire that blocked the walls of the stadium.

Nico: Lets go.

We went at them.

Cross and Maginnus were enraged and then a vortex appeared and it had all the powers of the elements swirling in it and then it converged at the top and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and we came out.

Me: Hello Maginnus and Cross!

Qin: Sorry to inform you but NO BAD SPORTS ALLOWED!

Reverse Flash: Time to leave you two in the dust!

Firebrand: Strike Man, you can go first.

Strike Man: Gladly!

He threw a ball and Yankee hit it.

KRACK!

It went at Maginnus and then…

SMASH!

It hit him right in his head!

Nico: OOH! That is gonna hurt!

Luz: NICE!

Amity Blight: That was awesome.

Lola: Yeah it was!

Laney: Right in the kisser!

Me: Here's something funny I learned. Time to get my buns in shape!

I put my butt in Cross's face!

Then a figure came out and it was Sunakake Babaa from episode 34 of Kakuranger!

---

She used her sand to poison people's food, making anything they try to eat turn into sand. Saizou tricked her into revealing where she kept the urn that held her sand (in-between her breasts) and then destroyed it with the Square Formation slash. Though her scheme was defeated, she managed to enlarge herself, but Babaa was finally finished off for good by Kakure Daishogun's Tekken God Finish.

Sunakake Babaa reappeared, along with all the other defeated Yokai, within the Seal Door after their master Daimaou was finally contained there by the Kakurangers. Reeling that they were now powerless in captivity, the Yokai all vowed that they would one day be reborn and regain their power, cursing humanity.

---

Eli: Sunakake Babaa! I remember you! You used your sand to poison people's food so they would turn to sand!

Sunakake Babaa: Good memory Eli.

Masane Amaha 2: Oh great, I knew there's no mistaking that voice from anywhere, you can come out now, Shiori Tsuzuki.

A figure came out, and it was none other than Shiori Tsuzuki, Masane Amaha's old enemy and the sadistic and depraved secretary of Reina Soho.

Masane Amaha 2: You just don't even know when to quit, do you, Shiori? No matter how many times you continue to try and kill me to get the Witchblade, you just don't know when to give up, and this is giving me a headache.

Masane Amaha: Same with me.

Shiori Tsuzuki: Two of them?! No matter, I still get to kill Masane Amaha and take the Witchblade!

Masane Amaha 2: Not happening, you're going to be dealing with me!

Suddenly Masane Amaha 2's brown eyes turned neon brown and she was surrounded by a red and black energy aura with blades, darkness, and demons, and as she approached Shiori Tsuzuki, she left red and black energy, blades, darkness, and demons with every step.

Masane Amaha 2: Shiori, I've had it up to hear with you to last an eternity, you have caused so much death and chaos in your endless attempts to get the Witchblade, well, that ends here and now, today, you're going to die here and now!

Suddenly, Masane Amaha 2 was surrounded by a massive vortex of red and black energy with blades and darkness surrounding the vortex, there are demons flying around the vortex, and in the vortex is a brown phoenix. Then, as the vortex faded, Masane Amaha 2 emerged, but she was changed forever.

Lori: Ooh, you're literally going to transform, just like your twin, Masane.

Suddenly Masane Amaha's brown eyes turned neon brown and she was surrounded by a red and black energy aura with blades, darkness, and demons, and as she approached Shiori Tsuzuki, she left red and black energy, blades, darkness, and demons with every step.

Masane Amaha has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA DARKNESS DEMON WITCHBLADE ANGEL OF DIVINE DEMONIC DARKNESS BLADE JUSTICE AND DIVINE DARK WITCHBLADE LOVE!

We were amazed by Masane Amaha's Super Angel Celestial Eternal Xelnaga transformation and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding, but when Shiori Tsuzuki in her Cloneblade form saw it, she went even more insane and rushed over to kill her, but Masane Amaha fired a powerful red and black energy blast with darkness, demons, and blades at Shiori Tsuzuki and it sent her flying into a wall, but she's not out yet, and she's already becoming mentally unstable.

Lori: Whoa, now both Masanes have transformed!

Rihoko Amaha: Wow, Mommy's transformed.

Rihoko Amaha 2: You said it.

Lincoln: Wow, Masane 2, you look beautiful.

Me: Same with you, Masane, how do you both feel?

Masane Amaha 2: (Divine Echoing Cosmic Voice of The Darkness Demon Witchblade and Divine Dark Demon Blade Love) **I feel incredible, Linky.**

Masane Amaha: (Divine Echoing Cosmic Voice of The Darkness Demon Witchblade and Divine Dark Demon Blade Love) **Same with me, J.D. Now, would you like to join us in taking down that monster once and for all, boys?**

Lincoln: (Smiles) With pleasure, Masane 2.

Me: Same with me.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Masane Amaha 2, and I transformed into my Super Angel Celestial Eternal Xelnaga form and I joined Masane Amaha.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Alright, you depraved monster, it's time for you to die once and for all.**

Me: And this time, you're never coming back.

We were amazed by Masane Amaha 2's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Shiori Tsuzuki saw it, she went insane and transformed into her Cloneblade form and rushed over to kill her, but Masane Amaha 2 fired a powerful red and black energy blast with darkness, demons, and blades at Shiori Tsuzuki and it sent her flying into a wall, but she's not out yet, and she's already becoming mentally unstable.

Masane Amaha 2, Lincoln, me, and Masane Amaha went after Shiori Tsuzuki who tried to attack us with her blade, but we dodged it, and we fired extremely powerful blasts of rainbow energy, red and black energy, swords, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Shiori Tsuzuki, and they exploded with incredible power as they hit her, and we attacked her with powerful slashes from their massive greatswords, and we left nasty scars on her, and the scars also drew blood.

This was really driving Shiori Tsuzuki mad and she was laughing like an insane madwoman, but we were just getting started, as the two Masanes transformed into their Witchblade forms which were now stronger than ever and they viciously attacked Shiori Tsuzuki and they changed back. Suddenly, two beams of light shined down and two hand-cannon Blasters appeared for the two Masanes, the two blasters are known as known as Witchblade's Darkness Demon Blade Fury and they're modelled after Rabbid Peach's Fuchsia Fury Blaster, but they're black and red with darkness on the blasters with a Phoenix and the Witchblade forms of the two Masanes surrounded by darkness etched on the sides, and red gems on the top of the blasters.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster and I got out my Universal Elemental Phoenix hand-cannon blaster and we fired blasts of rainbow energy, red and black energy, and elemental forces and when they hit Shiori Tsuzuki, they exploded with incredible power as they hit her and she was killed. Then, as we holstered our hand-cannon Blasters, Shiori Tsuzuki's spirit appeared and Masane Amaha 2, Lincoln, me, and Masane Amaha fired four black energy blasts with the Judgement Kanji and as they hit Shiori Tsuzuki, she was erased by The Black Gates after he was found guilty for her crimes by those she killed. Everyone cheered wildly for what Masane Amaha 2, Lincoln, me, and Masane Amaha did to Shiori Tsuzuki as we holstered their massive greatswords on their backs and power down, and Masane Amaha 2's new body, clothes, weapons, jewelry, and massive dark brown angel wings are permanent and Masane Amaha's new body, clothes, weapons, jewelry, and massive dark brown angel wings are permanent.

Masane Amaha 2: Good riddance for good, Shiori Tsuzuki. Thanks for helping me destroy Shiori for good, Linky.

Masane Amaha: You too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Masane 2.

Me: You're welcome, Masane.

Suddenly, Masane Amaha 2 wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Masane Amaha 2's face, they kissed passionately as Masane Amaha 2's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Witchblade Masane flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and demons flying behind them and everyone cheered wildly.

We then came back to the team.

Nico: Whoa, now that's what I call one awesome four against one battle, and we're finally rid of that psychotic Cloneblade, Shiori Tsuzuki.

Lincoln: She deserved it for all those she'd killed.

Me: Yeah, what a monster.

Just then, Rihoko went up to Masane and I and we all hugged, and Rihoko 2 went up to Masane 2 and Lincoln and they hugged.

Lori: That's literally a moment that I've got to get a photo of.

Lori got out her phone and took a picture of the scene, and she squealed.

Leni: Wow, that looks so cute, Lori.

Luna: Definitely, dude.

Eli: So awesome.

Nico: You said it. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, ooh, I have an idea, how about a Gene-Slammer for the Duel Monster, Nine-Tailed Fox.

Naruto: Now, that's a good choice, Lincoln.

Me: You got that right, little bro.

Lincoln: And also, you, Sasuke, Kushina, Minato, Master Kakashi, and your harem are coming with me tomorrow on my rescue, Naruto.

Kushina: Well, this is quite the surprise.

Nico: But, still really awesome.

Melter: Looks like Lefty's not entering any baseball games anytime soon.

Me: Or ever again.

Toyman: Because he's in a permanent penalty box.

Artie Ziff: Does baseball even have a penalty box?

Me: No that's hockey.

King Hiss: Well, there are penalties.

Me: Yep.

Mammoth: The point is that he's gonna be locked up forever!

Me: Yeah.

Nico: But he and Cross deserve it. Great job today everyone.

Me: Yeah we restored the honor of baseball.

Yankee Irving: You sure did. Thank you guys.

Me: It was our pleasure.

Rainbow Dash: (To the viewers) Never mess with the pride and honor of baseball or else.

Lynn: You got that right.

Me: Yeah.

We later went back home and enjoyed the rest of the day and went to sleep. Cross and Maginnis were sentenced to life in prison without possibility of parole for 75 years. They were in our Uranus Prison.

Rarity: I will be most honored.

She went over and then pulled the sword out of a pedestal and then it glowed and she was enveloped in a blue aura and a vortex of water!

(ESCAFLOWNE (FOX KIDS INTRO) EXTENDED PLAYS)

She sprouted wings that were aqua blue and jeweled and her hair got aqua blue highlights and she got a powerful boost in power and water powers.

Nico: WHOA!

Me: Wow! Rarity how do you feel?

Rarity: Oh I feel absolutely amazing darlings.

Lincoln: Wow! Rares you look awesome with wings of water too.

Rarity: Oh thank you Linky.

Me: And the next Another Omnitrix Alien should be here right about now.

Then an invisible force SMASHED MY FACE IN!

POW!

I was knocked to the ground!

Me: OUCH!

Nico: Guys, I got a feeling that this next one isn't friendly!

Me: Me too! All right who's the wise guy!? Show yourself you coward!

Then a figure appeared and it was a black version of an Evolved Ectonurite! It was ANOTHER ULTIMATE GHOSTFREAK!

Me: WHOA! Another Ultimate Ghostfreak!

Nico: WHOA! No wonder!

Another Ultimate Ghostfreak: (In a boys voice) And now I will have my revenge on you J.D.!

Me: (GASP) Kyle Laurence! I knew you would one day return!

Another Ultimate Ghostfreak: I'm flattered you remember me J.D.

Nico: You know him?

Me: Unfortunately yes. (Gets up) He's an old enemy of mine. He's a bully that I busted when I was in 5th grade. 10 years ago I busted him for spraying the kids and staff with the fire extinguishers and I got him in really nasty trouble. I got him expelled and his parents disowned him and banished him to a boarding school in another country.

Another Ultimate Ghostfreak: And I swore I would get revenge!

Nico: So it's not one of your friends turned into Another Alien this time!

Me: Nope. It's one of my old enemies.

Then out came Bonz and his team! He had Bonz(YuGiOh), Beany the Braindead Bison (Animaniacs), Django of the Dead (El Tigre), Savrille (Dungeons & Dragons), 3 Headed Bone Dragon (Yoshi's Story) and Zombozo (Ben 10)!

Bonz: Hey guys!

Maria: (to Bonz) Nice team, Bonz!

Bonz: Thanks!

Nicole: Wow! You have the 3 Headed Bone Dragon from Yoshi's Story with you. Good choice.

Bonz: Thanks.

Me: And Zombozo is with you guys. Wow. Been a long time.

Zombozo: It has been a while.

Kaito: (Gets out Shinkenger gear) You know the best part about you not being innocent?

Zocks: (Gets out Goseiger gear) There's no reason for us to hold back!

Me: Get ready for the biggest buttkicking ever Kyle! You and I, we have some catching up to do.

Another Ultimate Ghostfreak: BRING IT ON!

Me: Oh I plan to fatass!

Another Ultimate Ghostfreak: WHAT DID YOU CALL ME!?

Me: You heard me! Or has your brain been eroded by all that hate over me over the last 10 years!?

Another Ultimate Ghostfreak: YOU ARE SO DEAD!

He fired a wave of purple energy and I deflected it back and it smashed him down! Kaito got a Samurai Ranger Sword and Zocks got a Megaforce Sword!

Sougo: (gets out Operation Overdrive Ridewatch) Our turn now!

Geiz: (gets out Beast Ridewatch) I'm so gonna enjoy this!

Armor Time! (Drum roll) Open! Beast! (Lion roar)

Sougo got OperationOverdriveRedArmor while Geiz got BeastArmor.

They were ready!

Qin: Chew on this!

She fired waves of fire and burned him all over.

Me: And this!

I fired a blast of sunlight and it hit him and burned him bad!

Nico: (gets out Vlad Plasmius' Ridewatch) Have some of this!

He activated it and fired waves of energy and blasted him all over.

I fired waves of fire and smashed him down.

Eli: And this!

He fired waves of Force Lightning and electrocuted him.

Xenia: And this!

She fired waves energy Arrows and blasted him down.

Ariel: My turn!

She activated Ghost's ridewatch and blasted Another Ultimate Ghostfreak all over the place.

Qin: Take that you freak!

Xenia: YEAH!

Maria: I hope the next Gene Slammer's near.

Then we felt a rumble and then Varie formed a viewing window and to our shock and absolute amazement we saw the biggest duel monster of all! It was NUMBER 9: DYSON SPHERE!

Me: HOLY SHIT!

Xenia: THAT ONE IS THE BIGGEST EVER!

Nico: It's as big as a moon!

Qin: That's no moon, it's a space station!

Nicole: Now you guys know why they call it a Hypothetical Megastructure!

Number 9: Dyson Sphere: (In a girls voice) That is true.

Nico: Tammy Dyson! Wow!

She glowed and changed back and appeared in front of us and she was a girl with orange hair and orange clothes and had the number 9 emblazoned in the middle of her forehead.

Tammy Dyson: It is most good to see you again Nico. How have the quantum wavelengths of the pythageorean theories been for you on this magnificent day.

Me: (DROOLING AND SPARKING)

Eli kicked me.

Me: OW! Wow! That really hurt my head!

Qin: Tammy has a really powerful IQ of 10,000.

Me: Incredible!

Tammy fired waves of energy and blasted down Another Ultimate Ghostfreak and I caught the ridewatch and purified it. Kyle was a black hair kid with black punk clothes and I tied him up.

Ariel: What's your favorite memory of Nico?

Tammy Dyson: I have a lot of memories that are worth reminiscing on. But my favorite would have to be where me and Nico entered the quantum physics pythagorean theory essay contest and we won the Nobel Prize for solving the 18th Dimensional String Theory Equation.

Lisa Loud: Wow! That is most impressive.

Qin: It sure is!

Me: Wow! That is really complex and awesome.

Nico: It sure is.

Nico hugged Tammy.

Nico: I've really missed you Tammy.

Tammy Dyson: And I have missed you too Nico.

Rarity: But this was a really amazing adventure darlings.

Ariel: It sure was.

Lincoln: Wow, we're here in the plane of Fabacin in the world of Magic the Gathering, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're here to launch an investigation to find out who threw those bowling balls and bowling pin at Eddy's head and that caused that Dark Side parasite, Nega-Eddy, to be released.

Nico: Yeah, and like you said, Lincoln, the perpetrators who did this are in so much trouble.

Me: But, first, we need to find out who'd do something like this.

Eli: In other words, we need to look for clues as to who the perpetrators are who would do this to Eddy.

Lincoln: Yep, this'll be like how we solved who framed Leni and got her fired, only to find out it was that heartless brat, Belle Muldoon, who was out for blood and revenge on Leni. And I want to thank you, Naruto, his harem, Sasuke, Kushina, Minato, Kakashi, Moe, Larry, and Curly for joining us, SpongeBob.

SpongeBob: You're welcome, Lincoln.

Moe: Whoever the dirty rat was that did this to Luan's boyfriend is just asking for trouble.

Curly: Wait 'til I find the rats, I'll moider them. RUFF! RUFF!

BONK!

Moe bonks Curly on the head.

Moe: Quiet, Pudding Head. We need to find out who did this first.

Larry: Yeah.

Luan: (Laughs) That's always classic. Now, to get to business.

Lincoln: Right, Luan. Now, the person who would do this to Eddy would usually have a nasty grudge.

Me: We can eliminate The Vengeance Express Kids though, since Vypra still has them in a cage.

Nico: So, that would eliminate a usual suspect. But, whoever did this would have a grudge not against Eddy.

Lincoln: But, against Luan. There's a lot of villains who have a nasty grudge against Luan, since she's helped in putting a stop to those villains. But, they want to kill her, whoever did that to Eddy wanted her to suffer. (Realizes something) (Gasps) Oh crud, there's only one person who would do this to Eddy and wanted to make Luan suffer: that heartless brat, Abigail Sanchez!

We gasped in shock.

Luan: What, but I thought Abigail was still in the Michigan Juvenile Correction Facility!

Lincoln: That's what I thought, but I found out from Sheila that Abigail Sanchez had escaped from the Michigan Juvenile Correction Facility two days ago on Halloween, and I also got even worst news: I'd gotten word from the warden at The Uranus Prison that Abigail Sanchez also busted Hawk and Hank out of prison!

Nico: She also busted out those buttfaces from Hazeltucky as well, that bitch just likes to piss us off.

Lincoln: Well, she's about to piss us off even more, Nico: Abigail Sanchez wanted revenge on Luan for telling us of what that brat did to Luan and she wanted Luan to suffer even more by targeting Eddy, and she, along with Hawk and Hank tossed those two bowling balls and bowling pin at Eddy's head, and it caused that Dark Side parasite, Nega-Eddy, to be released.

We were pissed off: Abigail Sanchez, Hawk, and Hank have crossed a nasty line targeting Eddy, so that she can still cause suffering to Luan.

Me: Why, that heartless, stupid little… !

Lincoln: Easy, J.D., we'll get her, Hawk, and Hank for this, but this time, we're going to make sure that those three are sent to prison forever and they're never getting out again.

Eli: So, those three were the rats who did this! They are so dead!

Luan: Worse than dead, Eli, Abigail Sanchez, Hawk, and Hank made a really nasty mistake when they targeted Eddy yesterday, and all because Abigail Sanchez still wanted me to suffer, now she's far too gone, and Hawk and Hank are so going to get pummeled for this.

Lincoln: And that's what I'm going to do to them, Luan.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of two girls screaming for help, along with the sound of malevolent and sadistic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Abigail Sanchez, Hawk, and Hank, and they're going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by Abigail Sanchez, Hawk, and Hank, and they're going to kill them.

?: (Girl's voice) (Japanese Accent) That sadistic black-hearted bully and those two ugly buttface assholes, let's get them!

Suddenly, we saw the Duel Monster, Nine-Tailed Fox, appear before us.

Nico: Whoa, that's the Duel Monster, Nine-Tailed Fox, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Asuka Shirogitsune, but we'll talk later, we've got three of Royal Woods' biggest bullies to throw right back in prison for good.

Luan: Abigail Sanchez, Hawk and Hank, your time of pun-ishment has come. (LAUGHS)

Me: Okay, that's a good one!

Nico: Yeah, that's really a good one.

We rushed over, and before Abigail Sanchez, Hawk, and Hank could murder the two girls, Lincoln fired powerful rainbow energy balls and elemental forces and a Tailed Beast Bomb at those heartless bastards, and that allowed the two girls to get to safety inside a rainbow energy field created by Lincoln to protect them from the bastards, and when Abigail Sanchez, Hawk, and Hank saw us, they were enraged and really pissed off, but we were none too pleased to see them again.

Lincoln: We already know of why you three did that to Eddy yesterday, and if you jerks think you've won, you're dead wrong. Nico put up a curse to prevent that Dark Side parasite from causing trouble for any of us.

Luan: In other words, your attempts to bring back The 20 Days of Darkness have been foiled, Abigail Sanchez.

Abigail Sanchez: You stupid beaver-faced bitch! You've ruined my fun for the last time, I'll kill you, your boyfriend, your family, your daughter, and that monkey-tailed bastard for ruining my plans! I will have my revenge! All will bow before me or die! (LAUGHING DERANGEDLY)

Lincoln: That's it, you black-hearted snake, now you and those buttface morons are asking for it.

Suddenly, we saw Lincoln's large royal blue pants, the orange He-Man 2002's loincloth, and the long orange trenchcoat coattails turn purple, and then, we saw Truth-Seeking Balls appear behind Lincoln, and then, a Rinnegan-like marking appeared above the the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and nine magatama have appeared in between the deep sapphire blue kanji on Lincoln's wider and muscular back: we were really stunned at what we saw, Lincoln transformed into a Sage of Six Paths form.

Nico: What the?! Lincoln has a Sage of Six Paths form?!

Naruto: We'll be sure to ask when we throw those three bullies in prison for good.

Lincoln fired two of the Truth-Seeking Balls at Hawk and Hank, which transformed into two mallets and bonked them hard on the heads, and this pissed them off, and they tried to charge at Lincoln, but the Truth-Seeking Balls formed into a large shield which bashed them and sent them flying into a tree but they weren't down and out, and they, along with Abigail Sanchez the deranged black-hearted bully were incredibly pissed.

Naruto: Wow, Lincoln's really skilled with utilizing his Sage of Six Paths power, incredible.

Lincoln: Thanks, Naruto. Now, let's mash those three morons into paste!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine

Then, Luan fired powerful blasts of light at Abigail Sanchez and she hissed in rage like a vampire when she was hit by them, and Nico and I punched Hawk and Hank hard in their ugly faces and knocked out their teeth.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is for what you did in hurting Eddy and Luan, Abigail Sanchez, Hawk, and Hank. OMEGA STYLE NINJA ART: ELEMENTAL PLANETARY TAILED BEAST RASENSHURIKEN!

Lincoln formed a massive black Rasenshuriken with stars and a galaxy inside it, and around it were multiple Rasenshurikens made of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and he threw it at Abigail Sanchez, Hawk, and Hank, and they exploded with incredible power sending them flying into another tree and it knocked them out. We tied them up in rainbow energy straitjackets and loaded them up into a police wagon, which drove off. We cheered wildly as we holster our weapons and powered down and Lincoln changed back as the large purple pants changed back to royal blue, the purple He-Man 2002's loincloth changed back to orange, the long purple trenchcoat coattails changed back to orange, and the Truth-Seeking Balls behind him vanished, but the Rinnegan-like marking appeared above the the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and nine magatama have appeared in between the deep sapphire blue kanji on Lincoln's wider and muscular back are permanent.

Naruto: Now, that was not only an awesome investigation, but we also found out that J.D., Eli, and I aren't the only ones who has a Sage of Six Paths form.

Minato: That's right, son. But, we didn't even ask Lincoln about this because he didn't even meet any of us at the time, but the only one who could've taught him the Tailed Beast Bomb technique, along with teaching him how to use the Tailed Beast Rasenshuriken, and how to create elemental variations of the Tailed Beast Rasenshuriken, and all this in turn unlocked a Sage of Six Paths mode for Lincoln, was Asuka Shirogitsune, the Nine-Tailed Fox Gene-Slammer. Does that sound about right, Lincoln?

Lincoln: Yeah, you and Naruto deduced it perfectly, Minato. But, at least we put a stop to the revenge of Abigail Sanchez, Hawk, and Hank for good. (To Asuka Shirogitsune) And it's so good to see you again, Asuka Shirogitsune.

Asuka Shirogitsune reverted back to normal, and she was a beautiful girl with long flowing crimson red hair, pink and yellow eyes with fox slit pupils, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful crimson red angel wings with crimson red flames, she has large crimson red fox ears on her head and nine long red fox tails, and she's dressed in a sleeveless crimson red closed blouse, sleeveless crimson red top, crimson red skirt, crimson red bellbottom pants with designs on the legs, red sneakers, and long white sleeveless trenchcoat with red flames and nine-tailed foxes on the coattails and Nine-Tailed Fox on the back and holstered on her back is a Nine-Tailed Fox-themed large greatsword with Nine-Tailed Fox etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red fox heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large crimson red fox heads and a large crimson red gem on the bottom of the large fox heads for the pommel.

Asuka Shirogitsune: (Japanese Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Asuka Shirogitsune and he hugged her, and Asuka Shirogitsune is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Asuka Shirogitsune: (Japanese Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back of his, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Asuka Shirogitsune, she's my Guardian Angel from Japan and my classmate in Science, but she's also an immortal fox hanyou and she's recognizable because of the red fox ears on her head and nine long red fox tails.

Me: Wow, just like Naruto, who's also an immortal fox hanyou, that's so awesome.

Lincoln: It sure is. Her name Shirogitsune means "White Fox" in Japanese. Plus, like Minato said, it was Asuka who taught me how to use the Tailed Beast Bomb technique, along with teaching me how to use the Tailed Beast Rasenshuriken, and she taught me how to create elemental variations of the Tailed Beast Rasenshuriken, and this helped me in unlocking my own Sage of Six Paths mode, which you saw for yourselves.

Nico: (Awestruck) Holy crap, that's so awesome!

Naruto: And it also gets even more awesome: She's the cousin of me, Karin, and Tayuya Uzumaki, and the niece of my parents.

We were really stunned, including Nicole.

Nicole: Whoa! That's really awesome!

Kushina: You got that right, and it's so good to see you again, Asuka.

Asuka Shirogitsune: (Japanese Accent) You too, Aunt Kushina, along with you, Uncle Minato, and Naruto.

Asuka Shirogitsune went up to Naruto, Minato, and Kushina, and they hugged.

Lincoln: And here's something you and Kushina should also know, Naruto: not only does Asuka hate Chandler with a blazing passion, but she's pranked Chandler, his goons, Pablo, Anderson, and Lynn when they ganged up to bully me, and she's come up with tons of pranks that would make you two pranksters really proud.

This got Naruto and Kushina's attention.

Kushina: (Snickers) Ooh, I hate to find out what kind of pranks she pulled on them.

Asuka Shirogitsune: (Japanese Accent) You and Naruto are going to love seeing it for yourselves, Aunt Kushina. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Asuka, are you absolutely sure?

Asuka Shirogitsune: (Japanese Accent) (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Asuka Shirogitsune and he saw they're really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Naruto: This is definitely the question that Lincoln asked when your fellow Guardian Angels make that request, Asuka, and that response you gave was eventually answered with that very gesture.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Asuka Shirogitsune's neck with crimson red gems on the gold lightning bolts and crimson red crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Asuka Shirogitsune: (Surprised) (Japanese Accent) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Asuka.

Asuka Shirogitsune had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Asuka Shirogitsune's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Agrippina and Roxane from Cestvs: The Roman Fighter.

Lincoln: Oh wow, it's Agrippina and Roxane from Cestvs: The Roman Fighter.

Nicole: Awesome.

Lincoln: Are you girls okay?

Agrippina: Yes, we're okay, thanks to you.

Then, when Agrippina and Roxane saw who it was that saved them from Abigail Sanchez, Hawk, and Hank, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Agrippina: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Agrippina and Roxane with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we told everyone about our investigation, and they were shocked that the culprits behind this and the villains we went after were Abigail Sanchez, Luan's bully and the one responsible for the birth of Dark Luan, along with Hawk and Hank, whom she busted out of prison, after she escaped from prison two days ago, and that they were the ones for throwing the bowling balls and bowling pin at Eddy and that caused the release of that Dark Side parasite, Nega-Eddy.

But, when Lincoln showed what we did to those assholes, along with showing everyone his Sage of Six Paths form, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Asuka Shirogitsune have a lot of catching up to do now that she's back in town, but everyone was pissed that the culprits behind this were Abigail Sanchez, Hawk, and Hank.

Maria: I can't believe that heartless black-hearted snake, Abigail Sanchez, along with those buttface asshole psychopaths, Hawk and Hank, were the ones responsible for what happened to Eddy yesterday.

Lincoln: And all because Abigail Sanchez wanted revenge on us for sending her to juvie, and she still wanted to make Luan suffer by targeting Eddy. She tried to bring back The 20 Days of Darkness with that heartless act, but Nico's quick thinking and Audrey Sauron's quick thinking made her plans go up in smoke for good.

Me: And now, she's going to get a really nasty sentence for her crimes, along with busting out those buttface heartless psychopaths.

Nico: Yeah.

Thanks to the evidence Lincoln sent to the court of Abigail Sanchez, Hawk, and Hank's attack on Eddy and the discovery of Abigail Sanchez' diary with her plan, Abigail Sanchez, Hawk, and Hank were all convicted and found guilty for their crimes, and they were then sentenced to Eternity in The Uranus Prison without the possibility of parole, and Lincoln cursed them with the King Midas' Golden Touch Vengeance Curse, and they were turned into golden statues for eternity, and the statues were put in separate cells in Maximum Security Solitary Confinement, and they were never going to be released ever again.

---

After solving the mystery of who attacked Eddy and released Nega-Eddy and throwing Abigail Sanchez, Hawk, and Hank back in prison forever, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Asuka Shirogitsune saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Asuka Shirogitsune: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Asuka, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Asuka Shirogitsune: (Japanese Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Asuka, what's the story on the pranks you pulled on Chandler, his goons, Pablo, Anderson, and Lynn when they ganged up to bully Lincoln?

Asuka Shirogitsune: (Japanese Accent) You're going to like hearing this. One day, I was walking to class, but then, I saw Lincoln getting bullied by that little murderous sewage bastard, Chandler, and he wasn't alone, his goons were with him, along with Pablo, Anderson, and Lynn. I wanted to rip the morons to shreds, but I decided to resort to pranks: I fired invisible Chakra threads which tied around their pants and shirts, and then, with one slight tug, I pulled the Chakra threads and that ripped off their pants and shirts leaving Chandler, his goons, Pablo, Anderson, and Lynn in their underwear and right in front of everyone, and they laughed hysterically at them, and this really was embarrassing for them. They ran to get their spare clothes from the lockers, but what was waiting for them were an army of skunks who sprayed them and they smelled like skunks, and then, they were launched into a massive pile of dirty jockstraps, stinky underwear, and stinky socks, and the smell was so unbearable, everyone had to put on gas masks, and when the evidence was shown to the principal of their recent bullying of

Lincoln, they got their butts suspended for three weeks, and they got grounded for three months, and they had to bathe in tubs of tomato juice to get the stink out.

We laughed hysterically.

Kushina: (Laughs Hysterically) Oh man, that's definitely something I would do, plus, you went with putting skunks in their lockers, and when they opened the lockers, they got sprayed, and then, they were launched into a massive pile of dirty jockstraps, stinky underwear, and stinky socks, man that really stinks!

Lincoln: It literally did for them. But, the icing on the cake was when Asuka uploaded the video of Chandler, his goons, Pablo, Anderson, and Lynn bullying me, and when they got ratted out, they got suspended for three weeks and grounded for three weeks.

Me: Oh man, and I still remember that day, that was way too hilarious.

Sherlock Hound: (British Accent) Of course, this is indeed proof that you're indeed related to Naruto and his family, Asuka. You're known as a prankster of bullies in Michigan, but I can also guess that if someone were to make fun of the color of your hair, you'll lash out and beat them to a bloody pulp.

This stunned us.

Kushina: Oh man, Asuka, please tell me that you… !

Asuka Shirogitsune: (Japanese Accent) He's right, and the one who said that word was Chandler, and I got so furious, I beat him to a bloody pulp but not in school, when Lincoln and I were with his friends at Gus' Games and Grub, and that got Chandler a lifetime-ban from there because of all of the nasty stuff he's done.

Lincoln: Yeah, I still remember that day, and it was easy for me to piece together who you're related to.

We got a shower afterwards, and then, Clyde and his harem were heading to Aquatic Ruin Zone.

Clyde snapped his fingers, and the 17-year-old, 7'5", and extremely muscular man was dressed in large dark blue swim briefs with the phoenix and clocks on it and silver flames coming off the swim briefs, dark blue sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Syd Chang: Wow, so this is Aquatic Ruin Zone.

Clyde: Yep, Lincoln's been here before on his dates, and it's everything he and Sonic told me about. Shall we?

Clyde and his harem dived right into the waters and they also had a swimming race and had a lot of fun, and they went back to shore and they had a game of volleyball, plus, his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Clyde, how was your date?

Clyde: It was awesome, buddy, we went to Aquatic Ruin Zone and had a lot of fun.

Syd Chang: We had a blast exploring the place. Hope nothing was damaged while we were gone.

Luan: Don't worry, nothing was damaged. But, we had to keep anything with tassels out, because if Curly sees tassels, he's going to go crazy.

Me: There were four things that set Curly off: the tune of Pop the Weasel, seeing rodents, the smell of Wild Hyacinth perfume, and tassels.

Nico: If he sees those things, he goes crazy, but for the tassels, he'll also bark like a dog, and then, go on the attack. Too bad we didn't use those things on Abigail Sanchez, Hawk, and Hank.

Luan: Nah, I'd save those for the humiliations, that'll get people laughing like crazy.

---

Later it was time for Moondancer's second mission.

Moondancer: It's going to be so awesome to help out with another ghost.

Me: Yeah it sure will be awesome.

Qin: Yep.

William: Anyone else want to go with Moondancer? Besides Slimer, Egon, Venkman, Winston, Ray, Cheese, and Dr. Screwloose?

Bonnie Terrez: You know me and Fi are going to come with.

Nico: Yep.

Misty Tredwell: Me and Himiko will go with too.

Me: Okay.

Nico: All right lets head out.

We were off to New York.

---

NEW YORK CITY, NEW YORK

---

We arrived in New York City at the Ghostbusters HQ.

Me: Here we are.

We went in.

Eduardo Rivera: Hey guys!

Moondancer: Guys, this is my archenemy.

Dr. Screwloose: Pleasure to meet you all. Dr. Screwloose! Mad Scientist and inventor of The Mooks.

Kylee Griffin: Mooks?

Me: Frankenstein versions of Timon. And you know the Original Ghostbusters.

Garrett: We sure do!

Steffi: Wow! It's awesome to meet you guys.

Egon: Same here Steffi.

Me: And this is Cheese.

Cheese: I like chocolate milk.

Me: He's an idiot.

Nico: Yeah.

Misty Tredwell: I'm Misty Tredwell and I'm the Dark Signer of the Lizard.

Me: Misty is one of my future wives.

Kylee Griffin: Awesome to meet you.

Himiko: And I'm Himiko Toga.

Eduardo Rivera: Awesome to meet you too.

Bonnie Terrez: My name is Bonnie Terrez, the Dragonair Gene-slammer and a ghost hunter myself. I'm also a member of the Goths of Darkness.

Kylee: Wow! It's a pleasure.

Fi: And I'm Fiona Phillips. But you can call me Fi.

Garrett: Pleasure to meet you.

Cheese: I like cereal.

Eduardo: Good for you, man.

Cheese: I like cereal.

Eduardo: Good for you, I said.

Cheese: I. Like. Cereal.

Eduardo (Getting annoyed): Good. For. You.

Cheese: I like cereal!

Eduardo: Good for fucking you! Do you want a cookie?!

Cheese: I LIKE CEREAL!

Me: See? Cheese is an idiot. He is the dumbest member of the team. But he is good for annoying people.

Bonnie Terrez: Yeah it's true.

Lincoln: You just have to put up with it.

Danny Phantom: Yeah.

Janine: Egon Spengler, where have you and Slimer been?! You never even call me!

Egon: I'm sorry it's just that I was with other people now.

Me: He was with us.

Janine: Oh wow! Team Loud Phoenix Storm it's an honor.

Me: Same here Janine. Egon has told us a lot about you.

Janine: I'm glad he was in good hands.

Me: And also we were poking fun at Walter Peck too.

Janine: Oh yeah. I heard you sent him to prison.

Me: Yeah after he snapped when I called him a Pencil Dick Motherfucker.

They laughed.

Eduardo Rivera: That is funny!

Venkman: Yeah it's fitting for him.

Me: Yep.

Fi: Me, Bonnie, and the rest of our friends are no strangers to the supernatural.

Bonnie Terrez: It's true. I have a massive connection with the worlds of the paranormal, supernatural and the mystical. It's what makes me a goth girl.

Misty Tredwell: That is amazing too.

Himiko: It sure is.

Kylie: Personally, I hope the Vathek are the targets by the time all of you guys help us out.

Me: Oh don't worry they will be. We'll gladly send those monsters to the Black Gates.

Nico: That you can count on.

Moondancer: And it will be painful for them too.

Misty Tredwell: That is for sure.

Nico: But who are the Vathek anyway?

Eduardo Rivera: You won't like these guys.

He told us about a monster named Craniac.

---

Crainiac is a terrifying interdimensional entity that forged an alliance with the writer named J.N. Kline. He and his henchmen Corpuscle and Gristle use their tools to transform regular humans into monsters called Vathek.

Crainiac is the leader of a trio of bipedal interdimensional corporeal entities. They made a pact with a human named J.N. Kline in the physical plane. Through some means of telepathy, they spoke to Kline and he wrote a series of successful novels based on the entities. Crainiac was often the main monster villain of the books. He was depicted as a demented butcher who saw his inhuman creations as an art form. However, the deal was a ploy to write them into existence as immortal beings. After manifesting in the physical plane, Crainiac and the others bound Kline to his typewriter.

While Kline typed more stories, they carried out their twisted ritual acts and mutated their victims. First, Jimmy from a nearby diner was turned. Then they kidnapped patrons at Tuck's Inn Bed and Breakfast, half a mile up the road. The Ghostbusters confronted them at Tuck's then at Kline's Mansion. Eduardo Rivera shot Kline's typewriter with the Particle Thrower. The fire encircling Kline turned into a vortex and sucked Crainiac, Corpuscle, and Gristle into it. They were transported back to their dimension and sealed for good.

He is the fat, ugly one with a buzz saw in his head. He sports long, black gloves (presumably vinyl or rubber.) and a brown apron. He wears a tan mask that appears to be stitched and bolted on. The mask stretches his mouth open, exposing his teeth constantly. Finally he wears a pair of spectacles with dark lenses that hook around his very small ears. When he is hit by the proton atreams, his spectacles get obliterated, revealing his cartoonish beady eyes. He is wall-eyed.

Crainiac is not standard ectoplasmic. Due to unique symbiosis with Kline and his literature, whatever the text says comes true. Hence, if the text says they are indestructible, then they are. As Crainiac says "If it is not written, it cannot be done". A direct hit from the Proton Stream will blow up Crainiac and he will immediately reform. He showed the ability to teleport short distances, from one point in a room to another point, and with a gesture move fire from a fireplace to a standing circle in the middle of a study.

However, because the text effects the ghosts, it is possible to use it against them. Garrett Miller kept the Vathek from harming Roland Jackson and turning him into a Vathek by typing it so Crainiac picked up a 'lethal' egg and that the Vathek were attacked by monkeys with tire irons. They were eventually destroyed when the type-writer was obliterated.

After consulting Spengler's Spirit Guide, Kylie Griffin realized Crainiac and the others are a type of Vathek, "Spectral forms who enter the realm of the living through the act of writing.

---

When he was done we were shocked!

Nico: Whoa man!

Eli: He is pure evil!

Me: So they are symbioticly linked to all the Vathek. Destroy him and they all die.

Eduardo: That's right.

Nico: J.N. Kline reminds me of R.L. Stine.

Me: Yeah he does. Except R.L. Stine isn't in a wheelchair.

Eli: That's true.

Misty Tredwell: Yeah.

Me: Any problems with ghosts running around?

Kylee: Well, there's this Ghost Bride.

Nico: Ghost Bride?

Me: Oh man. It's not Cynthia Snell is it?

Kylee: No it's a ghost that was made by the Wishgiver.

Me: Hmm.

I pulled out my Ghostbusters Ghost Database and pulled up the info on it.

---

The Wishgiver is a presence that feeds on the life force of humans. The creature lived at the bottom of a wishing well and looked like an ugly moving tree.

A Wishgiver is a type of demon that lures victims in with their heart's desire and drains them of their life force. One such entity existed at the bottom of an old man made well, based on the collection of coins in it, in Long Island, New York. The land that the well exists on appears to have passed through various owners, all likely victims of the Wishgiver. Eventually, the well was covered up and a tool shed was built over it. In 1997, the property was purchased by a tax accountant named Leonard Bates. Bates searched the shed and found the well. He tossed in a coin and wished for a wife. The Wishgiver accepted the coin and created a Ghost Bride.

The Extreme Ghostbusters eventually arrived at the well and confronted the Wishgiver. It rose from the well in a rage, from having its feast interrupted no doubt. While Eduardo Rivera fired directly on the entity, the other three fired on the well. The resulting explosion appears to have dispersed the Wishgiver.

The creature was able to recreate its wishers' desires in a twisted way much like Duophanes. During the episode, it spawned the Ghost Bride ghost that eventually led the team to the Wishgiver.

After consulting his database on psychokinetic turbulence in the area Leonard Bate's home was located, Egon identified the head ghost as a Class 4 Psycho-Reactive Specter. It appears to be anchored to the well and cannot stray from it.

---

When I was done we were shocked!

Me: Oh man! So it has the power to make your desires come to life!

Nico: We can easily do that.

Eli: Yeah we sure can.

Misty Tredwell: Yeah it's true.

Moondancer: Yeah.

Nico: We have to track this ghost down at the source.

Me: And I think the most obvious place to look is in a Wishing Well.

Eli: Yep.

Kylee: That's not all. There has been a massive number of unexplained fires burning all over.

Me: Unexplained fires. Where have I seen that before? Hmm. (GASP) Oh no! I thought we were rid of that one!

Nico: You mean the Fire Ghost!? Oh no!

Eli: Fire Ghost!?

Me: I'll explain later.

Eduardo: Lets head to Long Island.

We were off.

Nico: This ghost couldn't have chosen someone else rather than a Ghost Bride?

Egon: It could be that form is the only one that ghost remembers.

Me: It could very well be.

Eli: But we still have a ghost we need to take down.

Danny: And send back to the Ghost Zone.

Misty Tredwell: That's for sure.

Himiko: But we'll be ready for it.

Steffi: Yes we sure will.

Kylee: So what is the Fire Ghost?

Me: An onl enemy that we faced years ago. It's a ghost made of pure fire.

I went over its history.

* * *

The Fire Ghost appeared in the episode "The Tale of the Fire Ghost".

A fire is like a wild animal. The fire lives, it dies, and it thinks. Because fire will do anything to survive and grow. It's the firefighter's job to stop it, but that doesn't necessarily mean it is dead. The spirit of the fire remains. The Fire Ghost follows the firefighters back to the station looking for revenge. It is possible, that in its own mind, they believe they are doing nothing wrong. Instead they may think they are only letting nature take its course.

A fire ghost, is an extremely dangerous ghost. It manipulates fire and lures people to stare right into the flame. It only takes one second from someone staring into a flame. Then before you know it, it is too late, and it is already summoned into the real world. There it can wreak havoc and take its revenge. Firefighters face off against flames everyday, and they usually know better then to stare at the flame for too long.

In 1990, firefighters Dan Preston, and Jake Griffin were working hard to put out a fire. The fire was at an old woman's house. They rescued the old woman, then Jake went into to check for more people. Then it caused the roof to collapse taking Jake's life with him. Then Dan put out the fire, it quietly follow him back to the fire station. Then four the next four years, it caused the fire station a lot of misery. It caused power surges, windows to break by themselves and power failures.

Then in 1994, Dan Preston's children Jimmy and Roxy didn't believe the story about it at first. Then after Dan and the company had to go out to fire fight, his kids were left alone at the station. The Ghost of Jake Griffin appeared to protect the kids and he tried to warn them about it. However, a little later on Jimmy mistakenly stared into a flame which summoned it.

Then it started making a blazing inferno inside an equipment room closet. Then it shut out all of the power. Then it made a fire hose, wrap around Jimmy's legs and try to pull him right into the burning closet. But Jake Griffin chopped the house and freed him in time. Then it gave them a terrifying phone call. It told them that they were the sons of a murder and soon their time would be coming.

Then they escaped through a broke window, and bumped into it who transformed into a Police Officer. As a Police Officer, it pretended to not believe their story and wanted to take a look around the fire station for himself. Then it insisted they waited inside the equipment closet so they wouldn't get lost as it continued to look around. When both children refused profusely to go inside, it turned into its real self threatening then.

Then they ran off scared screaming for help. Jake told them since they are the ones who summoned it, then they need to destroy it. So Jimmy taunted it to come out from the burning closet to come and get him. Then Roxy sneaked up from behind and sprayed it with a fire extinguisher. This seemed to work at first, but then it quickly came back. Then Jimmy noticed the sprinklers on the ceiling. Then as it closed in on him, he pretended to beg him not to turn into fire, claiming it was just too scary. It took Jimmy up on his taunt, then used its full power engulfing itself in blazing and scorching flames. The flames were so high, that it set off the emergency sprinklers. Then instantly it got doused and drenched, Then it vaporized into a pile of ash.

When I was finished everyone was shocked!

Misty Tredwell: Oh man!

Eli: Talk about infernal!

Himiko: Yeah!

Nico: Yeah we faced that ghost twice.

Me: And destroyed him too.

Lincoln: Yep. He is too hot to handle.

We arrived at a wishing well.

Me: Here we are.

Eli: There's a ghost there. I sense it.

Danny and Lincoln's ghost sense went off.

Dr. Screwloose: That's one of the Ghost Brides, right?

Me: That's it. Ugly bitch.

Moondancer: No kidding.

We went at her.

Me: Hey!

Ghost Bride: Give me a kiss!

Dr. Screwloose: You're not my type!

Me: I already have many other wives!

I fired waves of energy and blasted her all over.

Moondancer: And have you looked at yourself in the mirror lately!?

Danny Phantom: I'm going ghost!

Danny turned into DANNY PHANTOM!

Dr. Screwloose: Time for me to start this!

He fired waves of energy and blasted the Ghost Bride.

But then…

KRABBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOOOOMMM!

Massive fiery explosions blasted off all over and then a figure came out and it was THE FIRE GHOST!

Me: The Fire Ghost!

Fire Ghost: I WILL BURN YOU TO DEATH FOR EVERYTHING YOU DID TO ME!

Me: I don't think so you infernal monstrosity! Now I will make sure you suffer permanently!

Nico: J.D., can you handle this one?

Me: Like you even have to ask.

I then flared up my fire aura and spread my wings of fire and I was ready.

Me: Lets do it!

Me and the Fire Ghost went at each other and they collided in a massive explosion of fire that carried the power of 700,000 tons of napalm!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Battle that will decide the fate of the Human Race had begun and the fight was so extremely ferocious that it was unbelievable. I punched the fire ghost in the face and my attacks worked. I punched him in the face and sent him crashing into the ground with incredible power. I kicked him in the stomach and fired a massive blast of fire at him and it hit him and exploded with incredible power. We really went at each other and we were ferociously pulverizing each other with incredible ferocity at an indiscriminate level. Massive Fiery Explosions and thunderous shockwaves from our punches and energy blasts and fire blasts destroyed much of the landscape and engulfed it in a massive raging inferno. Luckily the whole city was enclosed in a powerful force field. Storm clouds formed above the battle and Lightning intensified in the skies above to an extremely ferocious level and the fires of Hell raged on the planet at an extremely vicious level at an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. I was gonna make sure that the fire ghost suffers for an infinite number of lifetimes for his crimes. Fiery embers and fire bombs rained down onto the battle and exploded with incredible power. I then punched the fire ghost in the face and sent him crashing into the ground and he got up and then we charged toward each other and I punched him in the stomach and we then clasped hands. Our fiery auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire planet shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning intensified even more as it flashed in the sky at an extremely violent level. The power of the fire was so incredibly powerful that it was threatening to tear the entire planet apart. I then punched the fire ghost in the face again and fired a blast of fire and burned a chunk of his face off. It screamed in pain as it was hurt. Then we went back to fighting and it was a powerful fight. Everyone felt the massive fight that was going on and it was rattling the very fabric of space to the core. It was so savage and ferocious that it made my fight with Trakeena look like a joke.

Nico: Whoa! Look at them go!

Eli: I know! This is incredible!

I fired a massive blast of fire at the Fire Ghost and the Fire Ghost did the same and the powerful blasts of fire collided and exploded with incredible power.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then fired a massive barrage of fire blasts at the Fire Ghost and the Fire Ghost did the same and the blasts all hit each other and exploded with unimaginable power each.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMM!

Nico: Holy Mackerel!

Eli: Whoa!

Me: You will pay for killing thousands of innocent people!

The Fire Ghost was completely out of his mind with so much burning rage and hatred that it was unbelievable! He screamed in so much burning relentless fury that it defied all forms of human comprehension! The Fire Ghost then fired a massive blast of fire from his mouth and it was like a massive supercharged flamethrower and it burned everything around. I then fired a powerful barrage of massive fire blasts and they all hit the fire ghost and exploded.

KRABBBOOOOOOOOOOOOOMMMMMMM!
KRABBBOOOOOOOOMM! BOOOM! BOOOOM! BOOOMM!
BOOOOMM! BOOOOOMMM!

Misty Tredwell: WOW! This is explosive!

Eli: HOLY COW! You're not kidding!

Kylie: J.D. has this covered. We need to find the Wishgiver ghost!

Eli: And it's in the well.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!

Massive fiery explosions were blasting off all over the place from the fight with me and the Fire Ghost.

Eli: I'll get it out!

Eli channeled Force Lightning into the ground and then there was a roar and out came THE WISHGIVER! IT WAS AN UGLY TREE GHOST!

Nico: That is one UGLY MOTHERFUCKER GHOST!

Slimer blew a raspberry at the Wishgiver Ghost.

Wishgiver Roared!

Eli: UGLY!

Eli fired waves of energy and blasted the ghost all over the place!

Misty Tredwell: Wow! This is getting really explosive!

Lincoln: It sure is!

Lincoln fired waves of lightning and blasted the Wishgiver all over.

Kylee: Don't leave us out!

Nico: You read my mind! (Gets out Myotismon's Eyecon)

MYOTISMON! BRAM STOKER!

Nico: (ECHOING) CRIMSON VAMPIRE LIGHTNING!

Nico fired a stream of blood red lightning and it hit the Wishgiver and electrocuted it all over.

Kylee and the team blasted it with their proton blasters!

Moondancer: Try this! (ACTIVATES HER EYECON)

DR. SCREWLOOSE! HANNIBAL LECTER!

Massive fiery explosions were going off all over the place as me and the Fire Ghost were duking it out ferociously!

Everyone was firing at the Wishgiver and the Brides and trapping the Ghost Brides.

Garret: One problem down.

Roland: And one to go!

There were massive walls of fire all over the place.

Kylee: Whoa! This whole place went up in flames!

Moondancer: Yeah no kidding!

I landed.

Me: Don't worry guys. I got this.

I teleported and fired a massive blast of water at point blank range and vaporized the fire ghost in an instant! Then I banished him to the black gates forever.

Nico: WHOA! Good riddance.

Moondancer: Nice one J.D.!

Lincoln: YEAH!

Kylee: WOOHOO! That was epic!

Misty Tredwell: That was awesome!

Himiko: Yeah it was!

Bonnie Terrez: I'll say!

I absorbed all the fire and it made me stronger and more powerful than ever.

I fixed everything back to the way it was.

We later came back home.

William: Man what happened over there!? We saw the massive explosions and everything on TV!

Me: You will not believe it guys.

We told everyone everything and it was shocking!

Lola: WHOA! The Fire Ghost came back!?

Lana: Oh man! That makes the 3rd time!

Nico: No kidding there!

Me: Yeah. But Moondancer did an awesome job.

May: I'm glad she did.

Moondancer: It was really fun.

May: Next time, Juniper Lee and Zick should come with you.

Moondancer: Wow! Looking forward to it.

Nico: Yeah we sure are.

Later the mascots were having an eating contest.

Himiko: (to the mascots) Dear God, what are you guys doing now?

They were having A BAKED BEAN EATING CONTEST!

Manaphy: (Eating beans) We're having a Baked Bean eating contest.

Poliwag: We already ate 40 bowls of beans!

Qin: HOLY MACKEREL!

Nico: Oh boy!

Xenia: This is gonna be really gassy!

They ate and ate and ate and ate and ate and are and ate and ate! They had 100 bowls of beans! Then on the 120th bowl Horsea, Poliwag and Poromon fainted.

FART FART FART!

Manaphy won!

Manaphy: WOOHOO! YEAH!

Shoto: Was it really worth it?

Manaphy: It was.

Then the mascots stomachs grumbled.

Me: Uh oh. GAS IS COMING!

Nico: OH NO!

Me: I got an idea!

We went to Lynn's Table and then the Mascots had their butts pointed into Flip and the Jerks faces and they were farting all over the jerks! They were vomiting gold and jewels at a massive level! IT WAS INTENSE!

Poromon: (LOUD FARTING)

Poliwag: (LOUD FARTING)

Manaphy: (LOUD FARTING)

Horsea: (LOUD FARTING)

Bludgeon: This is gonna take a while.

THE LOUD FARTING WAS STILL GOING ON!

The jerks were still vomiting up jewels and gold!

Me: But it's worth it too.

Laney: It sure is. Funny too.

---

French Narrator: (French Accent) One Extremely Long Gas Relieving Bout Later…

---

The mascots were done.

Poromon: Ahhh!

Horsea: That's better!

Manaphy: Sweet relief!

G1 Ironhide: You guys better now?

Horsea: We sure are!

Poliwag: Yeah that was great!

G1 Ironhide: That's a lot of beans you guys ate.

Qin: Boy that is an understatement.

Volcana: Right on!

Camie: Cool!

Kaoruku: This is gonna be awesome!

Himiko: It sure is!

Qin: Yeah!

Sweetie Belle: This is gonna be cool! So what is our next mission Nico?

Nico: Well J.D. came up with it.

Me: You guys are going to like this one. We're going to participate in the Running of The Leaves Grand Prix.

I pulled out a poster for it.

Camie: Cool! So we're racing today!

Me: Yep. We're going to ride our horses today for this one.

Nico: AWESOME!

Nico: Yes you all can come with. And we have some special guests coming.

Nico held up the movie Racing Stripes!

Me: Awesome! So Stripes and Sandy are going to join the race.

Nico: Yep. First we'll watch the movie and get ready.

Laney: Cool!

We went and watched the movie.

---

During a thunderstorm, a traveling circus, Circus Sarano, accidentally leaves behind a baby plains zebra (Jansen Panettiere) after replacing a flat tire. The foal is rescued by widower and former racehorse trainer Nolan Walsh (Bruce Greenwood), and is taken to his farm where his 13-year-old daughter, Channing (Hayden Panettiere) names him Stripes. He meets a Shetland pony named Tucker (Dustin Hoffman); a Saanen goat named Franny (Whoopi Goldberg); and a rooster named Reggie (Jeff Foxworthy). The next day, Stripes soon becomes convinced that he is destined for the nearby racetrack, Turfway Park, not realizing that he is a zebra and is not qualified to race. Two foals named Trenton's Pride (Kyle Alcazar) and Ruffshodd (Frankie Ryan Manriquez) decide to race Stripes until they are stopped by Pride's father, three time Kentucky Open champion, Sir Trenton (Fred Dalton Thompson).

Three years later, after racing the mailman again, an adult Stripes (Frankie Muniz) meets an Arabian filly named Sandy (Mandy Moore) and develops a crush on her after losing to the mailman in their usual race. While talking to Sandy, he is approached by Pride (Joshua Jackson) and Ruffshodd (Michael Rosenbaum), Stripes' tormentors since childhood while Channing's bloodhound, Lightning (Snoop Dogg) is lazy and talks while he rests. Pride challenges Stripes to a racing match at a secret race track in the woods called the Blue Moon Races; he accepts, but loses the race.

The following day, Tucker, having secretly watched Stripes, approaches him and suggests that he gets proper training first. Stripes, in need of a rider, chooses 16-year-old Channing and convinces a new farm animal, a pelican named Goose (Joe

Pantoliano), to sabotage Channing's motorcycle and Old Blue, Nolan's old pickup truck, so that Channing can ride him to her workplace at Turfway Park. The plan works, and Channing, with Nolan's reluctant approval, rides Stripes to Turfway Park. There, Channing is antagonized by her boss, Clara Dalrymple (Wendie Malick), for bringing Stripes to the racetrack, while Stripes meets a pair of horse-fly brothers, Buzz and Scuzz (Steve Harvey and David Spade).

As night approaches, Channing, remembering her first ride on horseback with her mother, Carolyn, completes a lap around the track with Stripes. They are approached by Woodzie (M. Emmet Walsh), a racetrack gambler and old friend of the family, who encourages Channing to sign her and Stripes up for a tryout race tomorrow. She does, despite Nolan's disapproval stemming from his wife's death in a racing accident six years ago, which discouraged him to continue training horses ever since, but Stripes has a major meltdown after being easily scared by the horse-gate like all the other horses the next morning at the tryouts. Once he calms down, he begins running, but then gets hit in the face by flying dirt while racing, causing Channing to fall off. Though she is uninjured, Nolan chastises and blames her. However, when Dalrymple mocks her riding skills, Nolan defends his daughter. In response, Dalrymple sarcastically signs Stripes up to compete in the Kentucky Open competition.

Meanwhile, Stripes realizes he is a zebra after being told off by Sir Trenton, which severely discourages him. Despite Channing's pleas and Woodzie's encouragement, Nolan refuses to let her race Stripes. Realizing this, the farm animals lure Nolan into the farm to show him a table holding his past accomplishments and he changes his mind. Meanwhile, due to Stripes' misbehavior during training, Franny reveals to Stripes that Tucker helped Nolan train the racehorse champions including Sir Trenton without getting any thanks, which encourages him to begin training.

Refusing to allow Stripes to race, Sir Trenton and several thoroughbreds ambush Stripes and Sandy at a creek as they are talking and making up for their previous argument one night, kidnapping Sandy and threatening to hurt her if he races. The next day, after rescuing Stripes, Tucker, Franny, and Goose agree to rescue Sandy. With a little help from Buzz and Scuzz, the rescue is successful and they get back in time for Stripes to go to the race.

At the race, Nolan bets Dalrymple that if Stripes wins, then he gets Sandy, and if he loses then he will come back to work for her. During the race, Ruffshodd, and even his jockey, try to stop Stripes from winning until Scuzz gets them disqualified by biting Ruffshodd's rear-end. Later, Stripes begins to wear out until he finally remembers what Tucker taught him, "Don't look back. Leave it all on the track," which boosts his confidence. Stripes wins the race and earns respect from the other racehorses, including Pride. In the end, they all pose together in a group photo, which is later shown with the other previous Walsh wins.

---

When it was done we cheered wildly!

Nico: YEAH! Awesome movie!

Laney: It always is!

Qin: But Sir Trenton is a jerk!

Me: Yeah he is and he is going to be our main target for this race.

Nico: Nice!

Avior: I honestly liked Goose

Mason Brown: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm hoping to meet a gene-slammer for Number 50: Blackship of Corn.

Me: CORNY! (RIMSHOT)

We laughed!

Nico: (LAUGHS) That was a good one.

Qin: Yeah it was!

Eli: Awesome!

Nico: Lets head to Ponyville and get ready.

We did so.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Pyron from Darkstalkers, and he's here to collect and consume Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and Felicia, Morrigan, and Hsien-Ko, you're not going to like: the dark energy signal we sensed belongs to Pyron, the alien warlord who collects planets and consumes them, and he's coming here to collect and consume Earth.

Morrigan Aensland: (Scottish Accent) Aye, this isn't good, Linky. We've got to stop him.

Audrey Sauron: And that's exactly what we're going to do to him, and since Pyron's body is made of pure solar energy, then he and his power can be absorbed, and that's what Linky's going to do to him.

Lincoln 2: (Through the Rainbow Iris and Thunderbird) And there's no doubt as to what Pyron is, he's a type of alien known as a Hellstorm from Planet Hellstorm, a planet known for its love for war, and whose size largely surpasses the Milky Way. After evolving over many years, he became a powerful alien who can control fire and he has an orbital span that has stretched over 400,000 light years and counting. Over the span of 200 million years, he'd sought to collect worlds and other celestial objects throughout space by consuming them in flames. After traveling across the cosmos beyond the speed of light, he lands deep within the Atlantic Ocean to wait for the right time in order to consume Earth. Originally, he came to Earth 65 million years ago during the age of the Dinosaurs and he created the army of Huitzils to destroy life on the planet, so that he can consume Earth.

Nicole: But, only powerful warriors are able to drive him off, but this time, the rules have changed, and Audrey's right, he's going to be destroyed and that'll be by Lincoln's hand.

Lincoln: I've absorbed many powerful villains, along with humans with vital information, evil vampires and werewolves, and Pyron will be no different. He's going to pay for all those lives he's ended and for consuming so many planets over those 265 million years.

Nico: Yeah, and by looking at his info, he's just like Galactus, so this is one Darkstalker who needs to be destroyed. Alright, gang, let's go, we've been invited to an awesome horse race in Equestria.

Lincoln: The Annual Running of the Leaves Grand Prix, oh man, this is going to be awesome, and once the race is finished, you're next, Pyron. Let's get our horses ready.

Nico: Aw yeah.

Mira Sinclair: Wow, so those are your horses that you rode last year in the Running of The Leaves last year?

Lincoln: That's right, Mira.

Nico: They're really awesome.

Everyone mounted their horses, then, we also saw more awesome looking large and muscular white-haired stallions with colored manes and elemental forces emanating from the manes and really long colored tails come out, and those were all for Lincoln's harem, who got on them, and we rode off for Equestria.

---

We were in Ponyville.

Me: Boy this is gonna be so awesome.

Nico: It sure will be.

Eli: I can't wait to kick Sir Trenton's butt!

Lugnutz: Oh.

Stripes: That's right. And it's cool.

Qin: It sure is.

Camie: Yeah!

Stripes: Yeah it was a huge honor to win those races. They are awesome.

Eli: Boy it sure is awesome.

Artie Ziff: Not at all.

Country Boy: It'll be funny to see!

Me: We'll even post it all over social media too.

Qin: Yeah!

Goose: Cool!

Nico: What about Sir Trenton?

Me: We'll send him to the Hoosegow in Tartarus.

We laughed at that.

Applejack: (LAUGHS) That was a good one.

Me: Yeah it was. But I was being serious about that.

Nico: Oh.

Gyro Man: How long until the race starts?

Twilight Sparkle: We got about 15 minutes.

Qin: More than enough time.

We got ready for the race and it was going to be awesome.

Laney: I can't wait to kick Sir Trenton's butt.

Lana: Me too.

Eli: Maretime Bay is 300 miles and closing! Sir Trenton is 120 miles ahead!

Nico: Wow!

Me: We're closing fast!

Brawlrus: Won't Opaline see us?

Nico: Nah! To make sure she doesn't, I put a magic spell around us that will make her see only Maretime Bay without us in it.

Me: Also thanks to our cloaked spy camera that we sent to her castle, we found out that she is located in the Kamchatka Peninsula in Russia.

Twilight Sparkle: This is gonna be good.

Me: Now we can bring down that witch for good when the time is right.

Starlight Glimmer: It'll be the ultimate ambush.

Titanium Toenail: And that's good.

Bulldozer Org: Now, we can focus on the race.

Me: Right!

Eli: Sir Trenton and Clara are 50 miles ahead and closing!

Qin: Oh boy.

Apeface: Entrance time!

Nico: Here we go.

We went at Sir Trenton and Clara.

Sir Trenton and Clara were waiting and didn't see anything. But then a football flew at them and then it hit the ground and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Massive explosions of elements in the forms of the sports exploded out and then we came out and surprised them.

Me: SURPRISE!

Clara: Team Loud Phoenix Storm!

Stripes: We have a score to settle Trenton!

Mr. Touch: I hope you weren't waiting long.

Mr. Go: Because it's time for you two to pay.

Space Kook: Goose, you can go first.

Goose then threw up all over Clara!

VOMITVILLE!

Luna Loud then fainted at the sight of that while she was riding with Sam.

Sam S.L.: PUKE FEST!

I took a picture and posted it all over social media.

Fuse Man: Goose, we meant crap over her.

Goose: Sorry!

He then took a dump all over Clara and he was REALLY pooping all over her!

We laughed all over and I posted more pictures of it all over social media.

Clara was made a total laughingstock!

Me: Time for the battles to start.

I pressed the Dynacap and threw it into the air and then…

Me: It sure was. Ren and Stimpy told me all about their visit to the continent of Acromeglia and it was awesome. Ol' Facefull really drenched Ren and it was gross and funny.

Atomic Skull: That is awesome! Great job there!

Me: Thanks.

Silver Samurai: Now that's funny!

Snake: It sure is, dude!

Me: Thanks!

Mole Man: I just hope you guys still finish the race.

Me: Oh we will.

LaGrange: (to Nico) Speaking of farting, we heard the mascots ate beans.

Nico: They sure did.

Grodd: Are they okay now?

Nico: Yep. All those beans all came out of them on Clara.

Grodd: Funny!

Then Mean Screen came out.

Me: Mean Screen. Back for another round I see.

Mean Screen: Yep.

Me: Cool.

Mean Screen: I hope Opaline doesn't spot you guys. Because if she does, Void Queen's gonna be the least of our problems!

Me: Don't worry she won't. We made sure of it.

Nico: Yeah thanks to J.D.'s spell.

Qin: Yep.

Me: Okay guys you're up for your battles.

They went up to the arena and we got the battles underway.

---

Gorilla Grodd was next.

Grodd: (to Donkey Kong) I heard you guys met a gene-slammer for Nine-Tailed Fox. What's her name?

Donkey Kong: Her name is Asuka Shirogitsune and she is a really awesome prankster.

Fluttershy: The pranks she does are really funny.

Tornado Bolt: They sure are. You should have heard what she did.

---

Asuka Shirogitsune: (Japanese Accent) Whoa, I was right that

Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Asuka, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Asuka Shirogitsune: (Japanese Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Asuka, what's the story on the pranks you pulled on Chandler, his goons, Pablo, Anderson, and Lynn when they ganged up to bully Lincoln?

Asuka Shirogitsune: (Japanese Accent) You're going to like hearing this. One day, I was walking to class, but then, I saw Lincoln getting bullied by that little murderous sewage bastard, Chandler, and he wasn't alone, his goons were with him, along with Pablo, Anderson, and Lynn. I wanted to rip those morons to shreds, but I decided to resort to pranks: I fired invisible Chakra threads which tied around their pants and shirts, and then, with one slight tug, I pulled the Chakra threads and that ripped off their pants and shirts leaving Chandler, his goons, Pablo, Anderson, and Lynn in their underwear and right in front of everyone, and they laughed hysterically at them, and this really was embarrassing for them. They ran to get their spare clothes from the lockers, but what was waiting for them were an army of skunks who sprayed them and they smelled like skunks, and then, they were launched into a massive pile of dirty jockstraps, stinky underwear, and stinky socks, and the smell was so unbearable, everyone had to put on gas masks, and when the evidence was shown to the principal of their recent bullying of Lincoln, they got their butts suspended for three weeks, and they got grounded for three months, and they had to bathe in tubs of tomato juice to get the stink out.

We laughed hysterically.

Kushina: (Laughs Hysterically) Oh man, that's definitely something I would do, plus, you went with putting skunks in their lockers, and when they opened the lockers, they got sprayed, and then, they were launched into a massive pile of dirty jockstraps, stinky underwear, and stinky socks, man that really stinks!

Lincoln: It literally did for them. But, the icing on the cake was when Asuka uploaded the video of Chandler, his goons, Pablo, Anderson, and Lynn bullying me, and when they got ratted out, they got suspended for three weeks and grounded for three weeks.

Me: Oh man, and I still remember that day, that was way too hilarious.

Sherlock Hound: (British Accent) Of course, this is indeed proof that you're indeed related to Naruto and his family, Asuka. You're known as a prankster of bullies in Michigan, but I can also guess that if someone were to make fun of the color of your hair, you'll lash out and beat them to a bloody pulp.

This stunned us.

Kushina: Oh man, Asuka, please tell me that you… !

Asuka Shirogitsune: (Japanese Accent) He's right, and the one who said that word was Chandler, and I got so furious, I beat him to a bloody pulp but not in school, when Lincoln and I were with his friends at Gus' Games and Grub, and that got Chandler a lifetime-ban from there because of all of the nasty stuff he's done.

Lincoln: Yeah, I still remember that day, and it was easy for me to piece together who you're related to.

FLASHBACK ENDS

Grodd and everyone laughed.

Suddenly, Audrey Sauron was surrounded by a massive vortex of black and red energy with rings, dark magic, and darkness surrounding the vortex, there are demons and Sauron the Dark Timelord flying around the vortex, and in the vortex is a red phoenix with the Eye of Sauron glaring at Pyron with death in its eye. Audrey Sauron has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, midnight black skirt, midnight black pants, midnight black heeled sneakers, and long white long-sleeved trenchcoat with rings and demons on the coattails, and on the back is Sauron the Dark Timelord surrounded by darkness and above Sauron the Dark Timelord's head is The Eye of Sauron. Suddenly, Audrey Sauron felt a sharp pain on her back, and then, her massive midnight black angel wings with blood red tips on the large aqua blue feathers grew much bigger for her new body, she has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Audrey Sauron's massive Sauron the Dark Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, darkness, dark magic, rings, and demons and when it emerged, it was transformed into Sauron the Dark Timelord's Dark Magic Infernal Darkness Greatsword of Infernal Darkness Demon Ring Justice, it's a brand-new large greatsword with Sauron the Dark Timelord and the Eye of Sauron etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large Eye of Sauron-shaped gem embedded in the rainguard, longer midnight black handle, four large midnight black demon heads and a large Eye of Sauron-shaped gem below the midnight black demon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with blood red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Sauron the Dark Timelord's head with blood red gems for eyes and a large blood red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a blood red kanji below Sauron the Dark Timelord that said, "Audrey Sauron, Gene-Slammer of Sauron the Dark Timelord, Avatar of The Darkness of Middle Earth, Skilled Maker of Rings of Power and Master of The Powers, Strengths, and Skills of Sauron, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Dark Lynn and Dark Lola, Archenemy of The Witch King of Angmar, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Rings, and Demons"

Audrey Sauron has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA DEMONIC DARK SAURON RING DARKNESS TIMELORD ANGEL OF DIVINE DEMONIC RING DARK TIMELORD JUSTICE AND DIVINE DARKNESS DEMON RING LOVE!

We were amazed by Audrey Sauron's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Pyron saw it, he fired yet another blast of fire at her, but she absorbed it and it made her even stronger than ever, and she fired a powerful black and red energy blast with darkness, dark magic, rings, and demons at Pyron, and it exploded as it hit him and sent him flying into a wall, but he's not out yet.

Nico: Holy crap, Audrey Sauron's transformed!

Me: She definitely looks a true Dark Angel of Sauron, but who's on the side of good.

Lincoln: You got that right, J.D., and Audrey, you look beautiful, how do you feel?

Audrey Sauron: (Divine Echoing Cosmic Voice of The Demon Ring Dark Timelord and Divine Darkness Demon Ring Love) **I feel incredible, Linky. Now, shall we destroy Pyron for good?**

Lincoln: (Smiles) With pleasure, Audrey.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword

of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Audrey Sauron.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of collecting and consuming planets are all over, Pyron, and now, you're going to pay for every last life that you have ended!**

Audrey Sauron and Lincoln went after Pyron, who continued firing powerful blasts of fire at them, but they continued absorbing the fire and it was making them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and red energy, rings, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Pyron, and they exploded with incredible power as they hit him, and they attacked him with powerful energy slashes from their massive greatswords, and they left nasty scars on him, and they also attacked him with swords made of darkness and rainbow energy.

This was pissing off Pyron greatly, but Audrey Sauron and Lincoln were getting started. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Audrey Sauron, it was known as Sauron the Dark Timelord's Dark Magic Power Ring Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with rings of power on the blaster with a Phoenix, Dark Angel, and Sauron the Dark Timelord surrounded by darkness etched on the sides, and an infernal orange gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Audrey Sauron fired blasts of rainbow energy, black and red energy, and elemental forces and when they hit Pyron, they exploded with incredible power as they hit him.

Finally, after they holster their hand-cannon Blasters, Lincoln charged at Pyron and he put the fire alien into a brutal bearhug so he couldn't escape, and then, we saw a massive fire ring erupt and surround Lincoln as he was absorbing Pyron into his body and Lincoln's rainbow energy aura with elemental forces and mythological animals was flaring up like crazy and he was also assimilating Pyron's immense powers and abilities, and he was also gaining 265 million years of knowledge from the planets Pyron had consumed throughout his journey. Then as soon as Lincoln was done, we saw that the planets that Pyron consumed have appeared orbiting around Lincoln's fingers like rings, and then, an energy card with Pyron's soul trapped inside formed in Lincoln's large left hand, and when the Judgement Kanji appeared on his forehead, Pyron was erased by The Black Gates after being found guilty by all those he killed. We cheered wildly for what Audrey Sauron and Lincoln did to Pyron as they holstered their massive greatswords on their backs and power down, and Audrey Sauron's new body, clothes, weapons, jewelry, and massive midnight black angel wings are permanent.

Audrey Sauron: Your days of consuming planets are finally over. Thanks for helping me destroy Pyron for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Audrey.

Suddenly, Audrey Sauron wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Audrey Sauron's face, they kissed passionately as Audrey Sauron's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Sauron the Dark Timelord flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Audrey Sauron came back to us, as the display and Sauron the Dark Timelord vanished.

Nico: Whoa, now that's what I call one awesome fiery battle to save the planet, awesome job, you two.

Audrey Sauron: Thanks, Nico, but Linky's also the real hero in using his absorption technique on that Hellstorm alien.

Lincoln: Not only did I absorb Pyron into my body and assimilate his immense powers and abilities, but I also gained 265 million years of knowledge from the planets Pyron consumed throughout his journey. This is just like when I'd gotten the Twilight Sword, but this is on a whole new scale!

Me: Yeah, and look at your fingers, you now have the planets that Pyron consumed orbiting around like rings.

Lincoln: These will be my way to carry the memories of those who lost their lives to Pyron those 265 million years, and their memories will live on in my heart, mind, body, and soul, and I will not let a single one of their memories die with them.

This caused the girls in Lincoln's harem to really blush like crazy, and they had love in their eyes.

Girl Jordan: That was literally the manliest thing I've ever heard.

Nico: You got that right, and we saw what'll happen in the future when Selene Emperyous and her sisters get after the Chernabog sisters. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, ooh, here's a good one, how about a Gene-Slammer for Mythical Beast Bashilisk, Mythical Beast Cerberus, Mythical Beast Garuda, Mythical Beast Jackal, Mythical Beast Jackal King, Mythical Beast Master Cerberus, and Mythical Beast Medusa.

Me: The Duel Monsters based on The Basilisk, Cerberus, Garuda, Anubis, and Medusa, now those are some good ones.

Nico: You got that right.

Billy Natson: And here comes the first person to cross the finish line! It's J.D. Knudson, Camie Utsushimi and Misty Tredwell!

EVERYONE CHEERED EXPLOSIVELY FOR US!

We were given an awesome Equestria Flag trophy and it had leaves made of diamonds and orange, red, yellow and brown jewels!

Goliath: Looks like you guys won!

Atomic Skull: Was there any doubt?

Calamitous: Of course there wasn't.

Johnny 13: I just wish I could've raced.

Kitty: Now, you guys should get your trophy.

Me: We already got it see.

Kitty: Ooh!

Qin: Awesome race though!

Nico: It sure was! And as an added bonus victory we humiliated Clara and Sir Trenton!

Me: And Clara is now in jail forever as a laughingstock and Sir Trenton is going to be locked up.

Qin: Yep.

Nico: Great job today everyone.

Stripes: Yeah. (To the viewers) Always play fair in a race or else.

Me: Yep.

We later went back home and enjoyed the rest of the day and went to sleep.

Title: Twelve Timelord Archangels of Heaven VS Twelve Chaotic Demon Sisters of Hell A.K.A. WAR AGAINST THE CHERNABOG SISTERS

Description: The Emperyous Sisters are known to Lincoln and his Guardian Angels and these twelve sisters are also the Gene-Slammers of the 12 Timelords that correspond with the Archangels and the powers of the Angels, but Selene Emperyous and her sisters have their enemies other than dealing with Lincoln's enemies and Lori, Lynn, Lola, Lisa, and Luan: their biggest enemies are The Chernabog Sisters, twelve chaos-causing insane evil sisters who were born with the powers of darkness because of a Satanic ritual their parents did long ago before they were born: they called upon the dark forces of Hell and their twelve unborn children were given the powers of darkness and the power to summon demons to cause havoc, and for years, Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, Nocturne Chernabog, Callidora Chernabog, and Belinda Chernabog have caused havoc in Royal Woods, until Selene Emperyous and her sisters defeated them and had them banished to Hell, and Selene put up a seal to prevent them from returning, but the seal's about to break, and The Chernabog Sisters are going to return. But, thanks to Elizabeth Guillaume, Gabrielle Chevalier, Michaela Amaryllis, and Danielle Azvameth warning us to be prepared for those monsters and with The Emperyous Sisters back and reunited once again, we're ready for The Chernabog Sisters and those chaos-causing she-demons have caused enough trouble for the last time, this'll be their final rampage come November 6th.

Lana: You got that right Davis.

Camie: I agree there.

Nico: Thanks for coming with me, Davis

Davis: No problem Nico. It's going to be really cool helping you out on this.

Nico: Remember the good times we had together?

Davis: Boy I sure do. We had so much fun battling evil Digimon and also we brought down numerous members of the Digimon Emperor's forces too.

Me: Boy you guys had a lot of fun with that there.

Xenia: No kidding there.

Nico: Yeah no kidding. That was one of the most fun ever.

Qin: Yeah that was awesome from what Nico told me.

Laney: Wow.

Maria: Veemon, just checking. But do you like drinking beer as much as Poromon does?

Veemon: Nah. I've never been that big of a drinker and neither is Hawkmon or Armadillomon.

Me: That's good that you don't drink.

We went into a grove and we saw THE SWORD OF NAROOM NATURE!

Stragg: I don't think Ugger got the same upgrades though.

Nico: No that didn't happen. But it's still awesome.

Qin: It sure is.

Eli: I sense something.

Nico: Uh oh. The Another Alien?

But then…

HOING!

VINES CREPT UP FROM BEHIND NICO AND GAVE HIM A NASTY WEDGIE!

Nico: WHAT THE FUCK?!

And then they formed into a powerful hammer and SMASHED HIM IN THE CROTCH!

KRADING!

All of us: (WINCES)

Me: OOH! THAT'S NOT GOING TO FEEL GOOD!

Nico: (SQUEAKY VOICE) WHOEVER DID THIS IS A DEAD MAN!

Nico regained his composure and then we heard laughing and then out of the ground came a black version of an Evolved Florauna! It was ANOTHER ULTIMATE WILDVINE!

Me: WHOA! Another Ultimate Wildvine!

Nico: This one is not friendly!

Me: Yeah no kidding!

Another Ultimate Wildvine: (In a menacing boys voice) That was what you get for humiliating me Nico!

Nico: (GASP) I knew it was your ugly face after all these years Reggie Van Helsing!

Another Ultimate Wildvine: I'm flattered you remember me. Its been a long time Nico.

Me: You know him Nico?

Nico: And I wish I didn't. His name is Reggie Van Helsing and he is a bully that I busted and sent to prison years ago. He was disowned by his family and I made him the states problem. He wants nothing more than to kill me.

Me: Oh man!

Albedo turned into Negative Ultimate Wildvine.

Negative Ultimate Wildvine: It's easy to guess what Swartz promised you.

Another Ultimate Wildvine: That's right! I want revenge! On Nico for ruining my life!

Me: You brought all that on yourself. By the way Nico what did he do?

Nico: He blew up the entire school with a fertilizer bomb and killed our school custodian. He also blew up numerous cars and buildings. He got sent to prison forever. And was made the states problem forever.

Me: WHOA! You mean the Trenton Bombing Spree of 2007 was all because of him!?

Lola: HOLY TOLEDO!

Me: This guy deserves the Black Gates! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kaito: (gets out Zyuogher gear) Someone call for a weed wacker?

Zocks: (gets out Ninninger gear) Because this plant's about to be chopped to pieces!

Nico: YOU GOT THAT RIGHT! I'VE HAD IT WITH THIS

MOTHERFUCKING DIRTBAG!

Another Ultimate Wildvine: Flattery will get you nowhere monkey!

Nico then went Super Saiyan 3!

Kaito got a Mighty Morphin Sword and Zocks got a Ninja Steel Sword!

Me: Try some fire!

I fired waves of blue fire from my scythe and burned him all over the place.

Davis: Teach this guy a lesson Veemon!

Veemon then Digivolved!

Veemon: VEEMON DIGIVOLVE TO…

He turned into EXVEEMON!

ExVeemon: (Echoing) EXVEEMON!

Sougo: (gets out W CycloneJokerXtreme Ridewatch) You'll pay for all the people you killed!

Armor Time! Kyuukyoku kyokugen W! Xtre~me! Xtreme!

Geiz: (gets out Blades Ridewatch) Should've brought acid.

Sougo got WCycloneJokerXtremeArmor while Geiz got BladesArmor.

Me: And it will really HURT!

I fired more waves of fire and blasted him all over.

ExVeemon: (Echoing) V-LASER!

He fired an X Laser Blast from his chest and it hit Another Ultimate Wildvine and smashed him down!

Xenia: TAKE THAT!

Nico then flew at Another Ultimate Wildvine and mercilessly thrashed and pulverized him like how Kid Buu beat up Vegeta!

IT WAS REALLY BRUTAL!

Qin: GO NICO!

Nico was really tearing him apart!

Nico then kicked him in the face and sent him flying and he teleported and kicked Another Ultimate Wildvine in the face and sent him crashing into a rock!

KRASMASH!

He was buried in rocks! Then he exploded out!

Nico: What's the matter loser? Had enough?

Another Ultimate Wildvine: I'm just getting started! (throws Pod Grenades at us)

Maria: EVERYONE, HIT THE DECK!

Nico teleported and threw them back and they hit Another Ultimate Wildvine and he exploded all over the place with incredible power!

KRABBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOMMMMMMMM!

He was blasted all over the place.

Nico smirked.

Another Ultimate Wildvine was badly hurt all over.

Nico: You can destroy buildings but you can never destroy me.

Another Ultimate Wildvine got up.

Nico: (takes out Undergrowth's Ridewatch) Time for some plant power of my own! (ACTIVATES IT)

Nico fired waves of vines and they formed into piranha plant heads and they bit and blasted Another Ultimate Wildvine with fire and smashed him all over.

Qin: Nice one!

Me: He's going to be feeling that one!

Davis: My turn!

Another Ultimate Wildvine threw more pod grenades and Davis activated Mercurymon's Ridewatch!

Davis: (ECHOING) DARK REFLECT!

He reflected them back and smashed the grenades into Another Ultimate Wildvine and blasted him all over with massive fiery explosions!

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMM!

He was badly hurt all over the place!

Davis: BULLSEYE BABY!

Qin: OH YEAH!

Me: Take that you son of a bitch!

May fired her ice gun at Another Ultimate Wildvine.

And it froze him to the ground!

Qin: Nice one!

Qin fired waves of fire and burned him all over the place!

Maria: YEAH!

Nico then teleported and punched him all over the place with a massive and deadly flurry of ferocious punches and kicks and he was really letting him have it!

Me: WOOHOO! TEAR HIM APART!

May: YEAH! KNOCK HIS BUTT INTO THE NEXT MILLENNIUM!

Nico was really thrashing him into dust!

POW BIFF WHOMP THWACK ZONK BIFF SMASH WHAP!

Maria: Is the next Gene Slammer near?

?: YEEHAW!

We saw NUMBER 50: BLACKSHIP OF CORN!

Laney: Whoa! Number 50: Blackship of Corn!

Nico: Wow!

Number 50: Blackship of Corn: (In a girls voice) I got this pardner!

Nico: Amelia Cornflake! Wow!

It glowed and reverted back and she was a girl with orange hair and a black shirt and orange overalls and had black boots and she had the number 50 emblazoned in the middle of her forehead.

Amelia Cornflake: Good to see y'all again Nico. I got this.

She fired waves of energy and blasted down Another Ultimate Wildvine and I got the ridewatch and purified it. Reggie was a kid that had black hair and had a red prison jumpsuit on him. He was all mangled up and beaten up.

Nico: Nice prison jumpsuit.

We tied him up.

Me: The Black Gates would be too easy on this one.

Amelia Cornflake: YEEHAW! That is one way to hogtie this sidewinder!

Nico: YEAH!

Davis: What's your favorite memory of Nico?

Amelia Cornflake: Why shoot. I have so many of them. Me and Nico were on my farm and then some bad men tried to steal my farms newest secret project. My pa was working on rainbow buffet fruit that had all the flavors of all the fruits in it. We called it the Perfect Fruit. We stopped the thieves and sent them to prison.

Nico: We sure did. And also Amelia is who taught me most of my farm work.

Applejack: Well fancy that. So that's how Nico learned most of his farm work. I would love to have y'all on the farm with me and my family.

Amelia Cornflake: I would be honored Applejack.

Nico and Amelia hugged.

Nico: I've really missed you Amelia.

Amelia Cornflake: I missed y'all too Nico.

Nico then went over to Reggie.

Reggie: Go on then. Finish me!

Nico took out Deadshot's guns… and intentionally shot the rock beside Reggie's head.

Nico: That would be taking the easy way out, Reggie. You don't deserve it.

Me: You deserve to be locked up forever Reggie. What you did makes you a worthless loser. But you do deserve this.

I pulled out a branding iron and it was shaped like the word LOSER! I made it red hot.

Nico: Ooh!

Nico held his head and then I placed it onto his head and he screamed in excruciating pain as he was burned! He had the word LOSER forever branded into his head.

I teleported him back to prison and he will stay there forever.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, The Bakugan Battle Brawlers, Naruto, his harem, Sasuke, Kushina, Minato, Kakashi, and Ash Ketchum are heading to the town of Český Krumlov in the Czech Republic, and not only is Lincoln going to rescue the three girls here, but we're also going to Bojack, Bido, Kogu, and Bujin of the Galaxy Soldiers, but the only one who's getting recruited into The Masters of Evil is Zangya.

Lincoln: Whoa, we're here in the town of Český Krumlov in the Czech Republic, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're also going to Bojack, Bido, Kogu, and Bujin of the Galaxy Soldiers, but the only one who's getting recruited into The Masters of Evil is Zangya.

Nico: As soon as King Kai told us of those guys, we really had to get on the move to stop them, but at least Zangya is going to be the only one recruited into The Masters of Evil.

Me: Same here. But, Bojack, Bido, Kogu, and Bujin are going to be destroyed for good, and King Kai told us of all the terror and destruction those four have caused.

Lincoln: Yeah, and they gave Gohan, Krillin, Trunks, and Master Vegeta a lot of trouble in the past, but we're going to make sure that this'll be the last time the Galaxy Soldiers dare to cause havoc in the galaxy again, and thanks for joining us, Ash.

Ash Ketchum: You're welcome, Lincoln, and we better take the battle to Glaren, so that way, there won't be any damage here.

Lincoln: That's exactly what's going to happen.

Gohan: And out of the Galaxy Soldiers, Zangya is the only one who's going to be recruited to The Masters of Evil, and I saw what Bojack did to her in the past, he blasted her, so that he could get rid of me and his own comrade, that's something I'll never forget. But, we can't underestimate them.

Lincoln: I know, Gohan, but I've always got some tricks up my sleeve, and I can bet that Bujin, one of the Galaxy Soldiers is hiding… here.

Lincoln fired a water blast and flushed out Bujin, one of the Galaxy Soldiers, and he tried to use his Psycho Thread on us, but Lincoln fired razor-sharp threads from his fingers and they pierced Bujin in his arms, torso, legs, and head. Then, we saw energy visibly being sucked out of Bujin and Lincoln is absorbing the energy and he gained a massive power boost, and after he was done, he unholstered his massive greatsword and slashed off Bujin's head and banished him to The Black Gates.

Trunks: Smart move, Lincoln, and if Bido finds out who killed Bujin, he'll be coming here to get his revenge on you.

Lincoln: (Senses a huge energy signal) And here he comes now!

Suddenly, we saw Bido heading right for Lincoln and he was pissed off at what just happened to Bujin, but Lincoln was ready: he dodged Bido's attack, and then, he punched Bido so hard in the stomach, he belched out massive amounts of blood which Lincoln absorbed. Then, one of the tips of Lincoln's eleven massive and long werewolf tails turned into Cell's stinger and as he stabbed it into Bido's back, Lincoln began absorbing him until nothing was left of Bido except for his clothing, and an energy card with Bido's soul appeared in Lincoln's large left hand, and when the Judgement Kanji had appeared on his forehead, Bido was erased by The Black Gates, and the stinger changed back.

Nico: Holy crap!

Me: Damn, just one punch to the stomach and Lincoln dropped him like a pile of bricks!

Lincoln: I've had experience with dodging incoming surprise attacks from Lynn, and I really worked on anticipating surprise attacks, so that way, I can counter with my own.

Bulla: That really was incredible, but we're not done yet, there's still one more to kill and then, we can proceed to convince Zangya.

?: No need to bother coming to me.

Suddenly, we saw Zangya appear.

Lincoln: We were hoping to meet you after we took care of Kogu, Zangya, but this is quite the surprise.

Zangya: I had to leave Bojack as soon as I got the chance. The memory of what he did in double-crossing me and killing me still left a horrible scar on my mind, but as soon as Bojack found out, he sent Kogu to kill me and all of you.

Nico: He's fast approaching.

Lincoln: We're going to teleport you to The Masters of Evil's HQ, there you'll be safe.

Zangya: Thank you.

Lincoln beamed Zangya to The Masters of Evil's HQ and just in time, as we saw Kogu land right in front of us and he unholstered his

Devilish Blade and tried to kill Lincoln, but Lincoln blocked Kogu's sword and they clashed fiercely, but then, Lincoln kicked Kogu hard in the stomach and he sent him back, and this got him so furious, he transformed into his Full Power mode and tried yet again to kill Lincoln, but Lincoln blocked his attack again, only this time, he disarmed Kogu of his Devilish Blade and he took him down by turning one of the tips of his eleven massive and long werewolf tails turned into Cell's stinger and as he stabbed it into Kogu's back, Lincoln began absorbing him until nothing was left of Kogu except for his clothing, and an energy card with Kogu's soul appeared in Lincoln's large left hand, and when the Judgement Kanji had appeared on his forehead, Kogu was erased by The Black Gates.

Eli: That was incredible. Now, all that's left is to destroy Bojack for good.

Lincoln: Yeah, and at least, Zangya is now in The Masters of Evil, and she still remembered what her former leader did to her, so that was also reason enough for her to leave.

Goku: That's right, Lincoln.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of three girls screaming for help, along with the sound of sadistic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Bojack, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the three girls, but they've been cornered by Bojack, and he's going to kill them.

?: (Seven girls' voices) (Czech Accent) That ruthless space pirate, let's get him!

Suddenly, we saw the Duel Monsters, Mythical Beast Bashilisk, Mythical Beast Cerberus, Mythical Beast Garuda, Mythical Beast

Jackal, Mythical Beast Jackal King, Mythical Beast Master Cerberus, and Mythical Beast Medusa, appear before us.

Nico: Whoa, that's Mythical Beast Bashilisk, Mythical Beast Cerberus, Mythical Beast Garuda, Mythical Beast Jackal, Mythical Beast Jackal King, Mythical Beast Master Cerberus, and Mythical Beast Medusa.

Lincoln: Yep, and I recognize those Czech accents, I knew it's you, Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková, but we'll talk later, we've got one last space pirate to kill, and then, it's all over.

We rushed over, and before Bojack could kill the three girls, Lincoln fired powerful rainbow energy balls and elemental forces at that heartless bastard, and that allowed the three girls to get to safety in a rainbow energy field created by Lincoln to protect them from Bojack, and we teleported to Glaren, and when Bojack saw us, he was enraged and really pissed off.

Lincoln: Your days of terrorizing the galaxy are over, Bojack. Three of your men are already dead and Zangya already made her choice by betraying you, since the memory of what you did to her was still fresh on her mind, and now, it's time to put you out of your misery.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Ash, The Z-Fighters, Naruto, his harem, Sasuke, Kushina, Minato, Kakashi, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and we transformed, and we went after Bojack, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, and mythological animals, and they exploded with incredible power as they hit him.

This really pissed him greatly, and that caused Bojack to transform into his Full Power Mode, his skin turns green, his hair red, his muscle mass increased over the top, and his strength and power have greatly increased. Bojack punched and kicked at Lincoln, but he dodged all of the attacks, and then, he launched his counterattack by punching Bojack hard in the stomach and sent him flying into a rock formation, but this really pissed him off and he fired a green energy blast to destroy us, but Lincoln deflected it, and then, he formed a massive black energy ball with the Judgement Kanji in it, and he fired it at Bojack who tried to hold it back, but it was pointless, the black energy ball engulfed Bojack and he was destroyed and he was erased by The Black Gates forever. We cheered wildly as we holster our weapons and power down, and we were back at Český Krumlov.

Gohan: That was really impressive work, Lincoln. You just put an end to four of the most dangerous villains in the galaxy, and Zangya joined The Masters of Evil though I admit that was a bit early.

Lincoln: I know, but it looks like the memory of what happened to her in the past must've caused her to betray Bojack and the others a bit earlier than expected, but either way, we've gotten rid of one of the biggest threats of the galaxy and they're never coming back. (To Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková) And it's so good to see you again, Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková.

Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková reverted back to normal, and they're beautiful girls with purple hair, purple clothes, massive purple angel wings, blue eyes, they were tall at 6'5" in height, they had the bodies of goddesses, and they also have on long sleeveless white trenchcoats with the animals of the Duel Monsters they were Gene-Slammed into, and they have massive greatswords holstered on their backs and the greatswords match Mythical Beast Bashilisk, Mythical Beast Cerberus, Mythical Beast Garuda, Mythical Beast Jackal, Mythical Beast Jackal King, Mythical Beast Master Cerberus, and Mythical Beast Medusa.

Laura Baránková: (Czech Accent) You too, Lincoln, it's been a long time.

Lincoln made six clones of himself and he and his clones went up to Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková and they hugged them, and the girls were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you seven girls since you were seventeen, and as you all can see, I really grew a lot since then.

Erika Dědinová: (Czech Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle.

Marie Nováková: (Czech Accent) Indeed, you could land an airplane on that more wider and more muscular back of yours, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: I can also take a guess that you know these girls, Lincoln?

Lincoln: Indeed, I do, Nico, this is Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková, they're my Guardian Angels from the Czech Republic and classmates in English, but they're also talented magicians with powerful skills with magic and summoning the animals they represent. Plus, they're awesome experts when it came to the history of the Czech Republic and when it was once known as Chezchoslovakia, before they split into two separate states: The Czech Republic and Slovakia.

Laura Baránková: (Czech Accent) That's right, I can summon snakes and reptiles, and I represent the mythical Basilisk, and I took on the absolute worst of Pablo and Anderson's heartless wrath, and I hated those heartless psychopaths with a blazing passion.

Erika Dědinová: (Czech Accent) I can summon dogs, wolves, and canines, and I represent the mythical Cerberus, and I took on the absolute worst of Lori's heartless wrath, and I hated Lori with a blazing passion.

Marie Nováková: (Czech Accent) I can summon birds, and I represent the mythical Garuda, and I took on the absolute worst of Lynn's heartless wrath, and I hated Lynn with a blazing passion.

Dana Voráčová: (Czech Accent) I can summon jackals, and I represent the mythical Jackal, and I took on the absolute worst of Lola's heartless wrath, and I hated Lola with a blazing passion.

Helena Zelenková: (Czech Accent) I can also summon jackals, and I also represent the mythical Jackal, and I took on the absolute worst of Lisa's heartless wrath, and I hated Lisa with a blazing passion.

Andrea Nezbedová: (Czech Accent) I can also summon dogs, wolves, and canines, and I also represent the mythical Cerberus, and I took on the absolute worst of Scoots' heartless wrath, and I hated that old goat with a blazing passion.

Radana Růžičková: (Czech Accent) And I can also summon snakes and reptiles, and I represent the mythical Gorgon, and I took on the absolute worst of Chandler's heartless wrath, and I hated Chandler with a blazing passion.

Gohan: Uh oh, and I can guess we're in for a story on how you all took them on later on today.

Luan: Yeah, and Lincoln and I also helped them take down Lori, Lynn, Lola, Lisa, Scoots, Chandler, Pablo, and Anderson that day, and it was really wild.

Laura Baránková: (Czech Accent) Trust us, you'll probably wish you used paddled Lori, Lynn, Lola, and Lisa, and threw Scoots, Chandler, Pablo, and Anderson to the sharks. (To Lincoln) And Lincoln, there's something we all want to give you: we want to give you our blood.

We gasped at her request, including Lincoln.

Lincoln: Laura, are you and the girls absolutely sure of this?

Laura Baránková: (Czech Accent) (Smiles) More than anything, after all, we're also going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková and he saw they're really serious, and he smiled as he walks over to them, and one by one, he hugged each of the girls' waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down to their necks, and he slowly bit each of them and he fed on their blood, and we all saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them. He slowly unlatched his fangs from their necks and their necks healed up as the puncture marks sealed up.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková with purple gems on the gold lightning bolts and purple crystals links from their merged Crystal Necklaces of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around their necks.

Laura Baránková: (Czech Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and the other Fabled Gene-Slammers are part of my harem and my many future wives, Laura.

Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková had a smile on their faces and tears in their eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Laura Baránková's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and he did the same with the rest of the girls, and they also passionately kissed, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Teruhi, Kano, and Tatsu from Angolmois: Record of Mongol Invasion.

Lincoln: Oh wow, it's Teruhi, Kano, and Tatsu from Angolmois: Record of Mongol Invasion.

Nicole: Awesome.

Lincoln: Are you girls okay?

Teruhi: Yes, we're okay, thanks to you.

Then, when Teruhi and the other two girls saw who it was that saved them from Bojack, Bido, Kogu, and Bujin, their faces turn atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and

Teruhi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Teruhi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Teruhi, Kano, and Tatsu with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villains we went after were Bojack, Bido, Kogu, and Bujin of the Galaxy Soldiers.

But, when Lincoln showed what he did to those four separately and even showing that Zangya had left Bojack because of knowing that he was going to kill her again, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková have a lot of catching up to do now that they're back in town.

Maria: Man, I can't believe that Bojack and his henchmen were the ones that you guys went after in the Bohemian town of Český Krumlov in the Czech Republic.

Lincoln: As soon as King Kai told us that they were there, we had to get over there to stop them, plus, Zangya is going to be fitting in quite nicely in The Masters of Evil. Say, maybe we can also find some more of your old honorable foes to join The Masters of Evil, Master Goku.

Goku: Yeah, and we know just where to look.

Lincoln: And if they want to start trouble, TLPS Mr. Wolf is going to go with the very tactic he used on the Pilaf Gang.

Lori: And I saved the video just in case if they get any funny ideas and pull a double-cross.

Nico: (Snickers) I was still cracking up from that day, that was really good.

TLPS Mr. Wolf: And we used our entrances from back when we were known as criminals, that really caught them off guard. Plus, I think they also got the picture when they knew if they didn't take up the offer of joining The Masters of Evil and still act stubborn, I was going to end them in the same way I ended Marius.

Me: Heads ripped off, souls sent to The Black Gates, and their heads mounted on stakes. (Shudders)

Eli: It also served as a symbol to the Lycans that The Vampire-Lycan War has been brought to an end after 600 years, but we also got to be careful if Kraven or Viktor dare to come back.

Luna: We'll be on the look-out for those two bad vampires, dude.

Luan: After what Viktor did in killing Selene's family six centuries ago, he lied to her and broke her trust, and those lies were eventually exposed when Kraven opened his big fat mouth. But, the truth was destined to come out, and in the end, Viktor was killed by the very one he sired.

Selene (Underworld): That's right, and I'll be damned if Viktor or Kraven dare to come back from the dead, but it's only a matter of time.

Lincoln: Yeah.

---

After we destroyed Bojack, Bido, Kogu, and Bujin and recruited Zangya into The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Laura Baránková: (Czech Accent) Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Helena Zelenková: (Czech Accent) You said it, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Andrea Nezbedová: (Czech Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the story on how you all, along with Lincoln and Luan took on the absolute worst of Pablo, Anderson, Lori, Lynn, Lola, Lisa, Scoots, and Chandler's heartless wrath?

Helena Zelenková: (Czech Accent) You're not going to like this. One day, we were with Lincoln and Luan at The Lewises for a big birthday party, and we did an awesome magic act for the kids, but our magic show got ruined when Lori, Lynn, Lola, Lisa, Pablo, Anderson, Scoots, and Chandler showed up and they had knives in their hands, and they were going to kill us. They caused tons of havoc and the brats were trashing the place, and we couldn't take it anymore. We pounced on those heartless and evil monsters and we brutally pummeled them, and Lincoln fired red energy blasts which trapped Lori, Lynn, Lola, Lisa, Pablo, Anderson, Scoots, and Chandler in red orbs, and we immediately called the cops who took Pablo, Anderson, and Chandler to jail, Scoots was taken straight to the nuthouse in Lansing, and when Vanzilla arrived, Mr. and Mrs. Loud dragged Lori, Lynn, Lola, and Lisa inside and drove back to The Loud House and they got grounded for nineteen weeks for their heartless behavior and for allying with four of the worst troublemakers in Royal Woods.

We cheered wildly for what Lincoln, Luan, Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková did to Lori, Lynn, Lola, Lisa, Scoots, Chandler, Pablo, and Anderson.

Nico: You know, this hasn't been the first time a birthday party got crashed by Lori, Lynn, Lola, Lisa, and Scoots, they've done it numerous times because they still wanted to kill Lincoln and they were also trouble to anyone who crossed them.

Me: Yeah.

Lincoln: I would've thought Lori, Lynn, Lola, and Lisa learned their lesson that day, but no, Laura and the others saw that they were plotting to get revenge, and to make sure they won't do anything like that again, I reminded them of Clarissa Mallory's fate when she was found guilty and throw in Solitary Confinement in Ionia Correctional Facility with a Life Sentence, and that got them to tear down any thoughts of revenge.

We got a shower afterwards, and then, Lincoln, Sapphire Night, Katana (DC Superhero Girls 2015), Frost (DC Superhero Girls 2015), Spectra Vondergeist, Venus McFlytrap, Isi Dawndancer, and Skelita Calaveras are heading to Hoffmaster State Park Beach in Michigan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Sapphire Night, Katana (DC Superhero Girls 2015), Frost (DC Superhero Girls 2015), Spectra Vondergeist, Venus McFlytrap, Isi Dawndancer, and Skelita Calaveras were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Sapphire Night, Katana (DC Superhero Girls 2015), Frost (DC Superhero Girls 2015), Spectra Vondergeist, Venus McFlytrap, Isi Dawndancer, and Skelita Calaveras each had feelings for Lincoln, and that he saved them from a group of bounty hunters Trina Riffins hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she also still wanted blood. After Lincoln rescued them and the girls told us Trina Riffins hired those thugs to kidnap and kill them to get revenge on us, Lincoln dropped a piano on that pink-haired rageaholic temper-tantrum bitch.

Sapphire Night: Wow, where are we, Linky?

Lincoln: This, Sapphire Night, is Hoffmaster State Park Beach, it's one of the most awesome beaches here in Michigan, and it's perfect for our date. Shall we?

Lincoln, Sapphire Night, Katana (DC Superhero Girls 2015), Frost (DC Superhero Girls 2015), Spectra Vondergeist, Venus McFlytrap, Isi Dawndancer, and Skelita Calaveras dived in and they saw the marine life there and they also had a swimming race and had a lot of fun, and they went back to the sand and they had a game of volleyball and Sapphire Night, Katana (DC Superhero Girls 2015), Frost (DC Superhero Girls 2015), Spectra Vondergeist, Venus

McFlytrap, Isi Dawndancer, and Skelita Calaveras got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Sapphire Night, Katana (DC Superhero Girls 2015), Frost (DC Superhero Girls 2015), Spectra Vondergeist, Venus McFlytrap, Isi Dawndancer, and Skelita Calaveras and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Hoffmaster State Park Beach in Michigan.

Skelita Calaveras: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha.

Isi Dawndancer: And this was due to us harboring feelings for Lincoln, and they came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Nico: And I still remembered that you dropped a piano on her head and when she came out, she had piano keys in her mouth. As if the bounty hunters hired by Flip and Amy weren't bad enough, now we got bounty hunters from Trina Riffins, she's just going to make things worse for herself.

Lincoln: She's nothing more than a Spawn of Satan, she was born pure evil and hated everything in her path, Nico, and we can't forget what she did to Courtney long ago.

Me: Yeah, Courtney wanted to make Trina pay with her life, and now, Trina's being humiliated for the rest of her life.

---

We were then watching TV and then the mascots came in and they got a box with them.

Poromon: Hey guys!

Poliwag: Look what we bought.

Poison Ivy: (to the mascots) What did you 4 buy this time?

Poliwag: You'll love it.

We went to their room and they opened it and it was a record player!

Nico: A Record Player! Cool!

Poromon: Yeah!

Me: Awesome! Be right back.

I went to the attic and I brought down the box of records for the mascots.

Me: (Groans) Here guys.

I set the box down.

Nico: Finally a use for those records you have.

Me: Yep.

Nanael: Let's try one:

Me: Okay.

I scrolled through them and picked out one and it was the one for Queen that Stewie was scared of.

Me: How about Queen News of The World?

Poromon: Okay.

I put it on and played it and it played We Will Rock You!

Buddy, you're a boy, make a big noise

Playing in the street, gonna be a big man someday

You got mud on your face, you big disgrace

Kicking your can all over the place, singin'

We will, we will rock you

We will, we will rock you

Buddy, you're a young man, hard man

Shouting in the street, gonna take on the world someday

You got blood on your face, you big disgrace

Waving your banner all over the place

We will, we will rock you, sing it!

We will, we will rock you

Buddy, you're an old man, poor man

Pleading with your eyes, gonna make you some peace someday

You got mud on your face, big disgrace

Somebody better put you back into your place

We will, we will rock you, sing it

We will, we will rock you, everybody

We will, we will rock you, hmm

We will, we will rock you

Alright

We danced and it was cool!

Nico: ROCK ON!

Hook: Let's try another.

Nico: Yeah!

Me: Okay lets see.

I scrolled and found a good one.

Me: Hey look!

I showed it and it was Alvin and The Chipmunks

Nico: Oh wow! Alvin and The Chipmunks!

Lana: Awesome! I love Alvin and the Chipmunks!

Qin: Wow! They rock!

Lola: They sure do!

I played it and it played Their Christmas Song.

Alright you Chipmunks

Ready to sing your song?

I'll say we are

Yeah, let's sing it now!

Okay, Simon?

Okay

Okay, Theodore?

Okay

Okay, Alvin? Alvin? Alvin!

Okay!

Christmas, Christmas time is near

Time for toys and time for cheer

We've been good, but we can't last

Hurry Christmas, hurry fast

Want a plane that loops the loop

Me, I want a hula hoop

We can hardly stand the wait

Please Christmas, don't be late

Okay, fellas get ready

That was very good, Simon

Naturally!

Very good, Theodore

He-he-he-he

Ah-Alvin, you were a little flat

Watch it, ah-Alvin… Alvin? Alvin!

Okay

Want a plane that loops the loop

I still want a hula hoop

We can hardly stand the wait

Please Christmas, don't be late

We can hardly stand the wait

Please Christmas, don't be late

Very good, boys

Let's sing it again

Yeah, let's sing it again

No, that's enough, let's not overdo it

What do you mean overdo it? We gotta sing it again!

Now wait a minute, boys

Yeah, let's beat it, I'd like to sing it again

Alvin… it's not that… not but, what?

Theodore, just a minute…

Simon will you cut that out, get off me

We danced and it was funny and awesome.

Nico: (LAUGHS) That was awesome!

Eli: Yeah it was!

Ratchet: Let's play the record of them and Chippettes singing We Are Family.

Nico: Good idea Ratchet.

Me: Lets see.

I pulled out their record for that and it played the song.

We are family

I got all my sisters with me

We are family

Get up ev'rybody and sing

Ev'ryone can see we're together

As we walk on by

(Fly!) and we fly just like birds of a feather

I won't tell no lie

(All!) all of the people around us they say

Can they be that close

Just let me state for the record

We're giving love in a family dose

We are family

I got all my sisters with me

We are family

Get up ev'rybody and sing

We are family

I got all my sisters with me

We are family

Get up ev'rybody and sing

Living life is fun and we've just begun

To get our share of the world's delights

(High!) high hopes we have for the future

And our goal's in sight

(We!) no we don't get depressed

Here's what we call our golden rule

Have faith in you and the things you do

You won't go wrong

This is our family Jewel

We are family

I got all my sisters with me

We are family

Get up ev'rybody and sing

We danced and it was great!

Qin: OH YEAH! Love this song!

Nico: ME TOO!

Xenia: YEAH!

Me: YEAH! Great song back in 1979.

We went back to the living room.

Me: That was awesome!

Poromon: I'll say!

Misfire: Nico, wnich teams have you made this time?

Nico: Shannon's team will include Blackfire, Caam - Serenity of

Gusto, Constellar Virgo. Medium of The Ice Barrier, and Laval Volcano Handmaiden. Connor's team will include Mike, Izzy, Xander, Trip, and Sena.

Me: Nice!

Luz: Izzy is going to love being part of that group when she joins up with us.

Me: Boy that's not far off.

Laney: No it's not.

Laval Volcano Handmaiden: Yeah and it's an honor to be part of a group with Shannon.

Caam: Same here.

Xenia: It sure is gonna be awesome.

Trip: It sure is.

Nico: And J.D. your timing in picking Alvin and The Chipmunks couldn't be more perfect. That's our next mission.

Me: SWEET!

Qin: AWESOME!

Laney: This is gonna be so awesome!

Then Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Johnny 13, Kitty, Volcano Man, Zen Aku, Gourd, Secret Snake Club, Sir Toasty, MODOK, Nuclear Man, Boss Wolf, Evil Cut Man, and Ted Carson A.K.A. Firefly appeared.

Silver Samurai: Can me, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Johnny 13, and Kitty go with you guys?

Volcano Man: Me, Zen Aku, Gourd, Secret Snake Club, Sir Toasty, MODOK, Nuclear Man, Boss Wolf, Evil Cut Man, and Firefly (Ted

Carson) will come as well.

Nico: Yes you all can come with. We're going to meet Alvin and his brothers Simon and Theodore and the Chipettes.

Volcano Man: Awesome!

Snake: Wow dudes! I love Alvin and The Chipmunks.

Grodd: They both rock!

Me: They sure do and this will be so fun.

Catilla: Nico, which Gene Slammer do you think you'll meet next?

Nico: Right mandatory question. Lets see. How about ones for the Signer Dragons Next.

Me: Whoa! The Signer Dragons next! So that means we'll be going for Stardust Dragon, Red Dragon Archfiend, Black Rose Dragon, Ancient Fairy Dragon, Black Wing Dragon, Life Stream Dragon and Phoenix Rebirth Dragon.

Nico: Yep.

Yusei: This is gonna be really something!

Jack Atlas: It most sure will be.

Camie: Wow! This will be something.

Akiza: It sure will.

Leo: Yeah no kidding.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Crucifer, the vampiric member of the Tenth Circle Cult and enemy of the Justice League, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and Diana, you and The Justice League aren't going to like this one bit: the dark energy signal we sensed belongs to your old enemy, Crucifer, the vampiric member of The Tenth Circle Cult, and he's coming here to destroy us.

We gasped.

Wonder Woman: We haven't heard from Crucifer in a very long while.

Nico: Oh man, I've heard about Crucifer, he's a vampire and a member of The Tenth Circle, a cult of vampires who feasted on young and impressionable souls attracted to their cult.

Lincoln: Only to be banished to another dimension by Queen Hippolyta and the Amazons for their crimes millennia ago, Nico. I've read up on Crucifer, and he's one dangerous evil vampire.

Me: Yeah, but we're not going to let him get away with it, you especially, right, Lincoln?

Lincoln: You bet, J.D.

Ruby Bailey: That's right, Linky and I are going to punish him for the pain and suffering that he and that cult of vampires have caused throughout the millennia.

Lincoln: Yeah, he's going to pay for what he and his cult of vampires have done.

Nico: Just like what you've done to so many powerful villains, evil vampires, evil werewolves, and villains who have vital information, Lincoln, and I won't be surprised if you go Full Bloodlust on him. Alright, gang, let's go, we're off to meet Alvin, Simon, Theodore, along with The Chipettes.

Lincoln: This is going to be one awesome rocking mission, and mark our words, Crucifer, before the day is over, you and The Tenth Circle will soon be nothing more than a forgotten memory.

Nico: Lets head out. Luckily they are not that far away.

We went to the north side of the city.

---

We arrived and were walking to Alvin's school and then we saw a newspaper in a press box.

Snake: (reads newspaper) "Local School holding Battle of the Bands tonight."

Zen Aku: I guess there's our answer about Alvin.

Me: Awesome! Looks like the Rainbooms are going to enter as well.

Twilight Sparkle: You know we will J.D.!

Nico: Yeah! This is gonna rock!

Eli: Yeah!

Camie: Really looking forward to this one!

Xenia: Me too!

Me: Luna do you think you and your band will play?

Luna: Oh you know it dudes!

We then saw a little boy with a red shirt with a yellow A on it sitting on a bench sad and it was Alvin.

Me: There's Alvin. Oh wow.

Nico: He looks very blue.

Pumbaa: I would say he is brown furred.

Timon: No no no Pumbaa. He's depressed about something.

Pumbaa: Oh.

We went over to him..

Sunstorm: Hi! You must be Alvin!

Alvin: Hello.

Me: Alvin it's all right. We're not going to hurt you. We're Team Loud Phoenix Storm and we are some of your biggest fans. Are you okay?

Brittany of the Chippettes then arrived

Brittany: Oh, I'll tell you what happened! Alvin ditched his responsibility for the concert just so he could attend a football game! (sees Alvin's sad face) What, feeling bad now? Too little, too late! Ian was right. You don't care about anyone but yourself. (Alvin slumps; As Brittany begins to leave, she turns around.) Oh, and by the way, I never wanted to win this way.

Mole Man: (Brittany leaves) That was harsh.

Me: Yeah.

Alvin: Is it too late for you guys to go back in time and use the Black Gates to erase all evil to prevent all this from happening?

Me: Uhh yeah. And that's too easy.

Gourd: Alvin, I know you feel bad right now. So, we're gonna let that comment slide.

Me: Yeah. Alvin that's a little too easy. Brittany you come back here!

She did so.

Me: Brittany what you said was harsh and you made Alvin feel really bad. He's feeling much more bad than he already is.

Brittany: You guys don't even know what happened! And shouldn't you guys be killing an Evil Sasuke or something?!

Me: Uh that's not on our agenda today. I wish it was.

Supernova Zap: (ignores her) C'mon, Alvin. Let's go back to where your brothers are. I'm sure they'll understand once we explain everything to them.

Me: Agreed.

Alvin: Okay.

We went back to their house and it was a nice place.

Me: Nice house you guys got here.

Alvin: Thanks. It's home.

I went over to the door and I pulled on it and it was stuck.

Me: Uh oh. Is it locked?

Alvin tried to open it but it was stuck.

Alvin: Uh oh.

Me: No worries. Sorry about this Alvin. HIYAH!

SMASH!

I kicked the door down.

Simon and Theodore saw us.

Simon: Wow! Team Loud Phoenix Storm it's an honor.

Theodore: Same here guys.

Gorilla Grodd: It really is an honor to meet you guys. I liked the Witch Doctor song you guys played.

Simon: Glad to know you guys appreciate us equally. (glares at Alvin) Unlike some people.

Alvin: Give me a break, okay?! I lost track of time!

Theodore: That's not an excuse! We're supposed to be a family! You're not a solo act!

Wiggly: Guys, let's just calm down and-

Alvin: Well, maybe it's better if I was! Who needs brothers like you two?!

All of us gasped as Alvin realizes too late what he just said.

Me: Uh oh.

Alvin: Simon, Theodore, I didn't-

Theodore: (starts crying) I HATE YOU!

He punched Alvin and then ran off.

Simon: (glares at Alvin) Nice going, Alvin. When Dave comes out of the hospital, I'm moving out. Have fun being a solo act.

Simon then walked away.

Me: Simon wait!

Simon came back.

Me: Simon I've seen this before. He is undergoing a lot of stress. Now lets calm down and start at the beginning and you two can tell us everything that happened.

I used my powers and formed a Psychologist Easy Chair and turned the couch into a Psychologist Sofa and Alvin and Simon sat down.

Me: Okay now tell me what happened.

I pulled out a note pad and listened as they told me everything and wrote it all down.

He told us that Alvin was enthralled in fame and more and how it went to his head and Dave went into the hospital.

Me: Mm-hmm.

Cutthroat: I see. So, Alvin let fame go to his head. It's not the worst that can happen to someone.

Anna Anyanova: Yeah look what happened to my sister, Tanya. She is gone because of her fame.

Alvin: Wait Tanya the Fraud is your sister?

Anna Anyanova: Yeah long story on that. She let her fame go to her head and it killed her.

Simon: How can you say that?! Because of Alvin, Theodore's gone into the streets!

Toby: That might be true. But it's not the end of the world.

Alvin: Toby's right. We can still get Theodore back.

Simon: No. There's no "we" this time. You want to be a solo act? Fine by me. Because you're on your own this time.

Alvin got sad at this and began to walk out the door.

Toby: You know, I thought you 3 were always united no matter what. Guess I thought wrong.

Toby and us followed after Alvin, leaving until Simon and the Trinity of Violence.

Lori: Simon, I think that was a little harsh.

Simon: Considering you threatened to send Nico to the Warp during the 20 Days of Darkness, you don't have any room to talk!

Lola: (Lori is about to say something) Don't, Lori. Let's just give Simon some time to think.

Lola and Lori then follow after us.

Lynn: (to Simon) Dude, are you trying to push everyone away from your life now? At least Alvin realizes his mistake now.

Lynn followed after us, leaving Simon alone.

Me: (Sighs) I feel bad for the Chipmunks.

Nico: Me too. Alvin's fame went to his head and look at what happened.

Brittany: Yeah.

Alvin: Guys, be honest? Am I really that bad of a person?

Sir Toasty: Do you want our honest answer?

Alvin: Yes.

LaGrange: We'll let Lori, Lynn, and Lola tell you what we honestly think. (to the Trinity of Violence) Sorry, girls.

Lynn: No worries.

Lori: Alvin you literally are not that bad. You and your brothers are amazing.

Lynn: And you are great musicians and singers too.

Lola: And you have an awesome band.

Volt Luster: You're not a bad person, Alvin.

Brontes: Yeah! The only bad people are guys like me and Volt's former boss, Zenoheld.

Me: And those monsters that threaten to destroy the entire universe!

Alvin: Thanks. (sighs) But dammit, how do I fix this?!

?: That's what I want to know as well.

We saw Iaw Hawke, who was really the last person Alvin wanted to see at the moment.

Alvin: Fuck off, Ian. I'm in no mood

Ian ignored him and sat next to him

Me: Ian Hawke I presume?

Ian: That's right J.D. and it's an honor to meet you.

Me: Pleasure is mine.

Ian: I know you and your brothers aren't really the best of friends with me right now. And I know I'm really not good with feelings. But I know that you're not acting like the kind of person you usually are. Your newfound fame is making you become a real jerk. If it doesn't stop, you won't have any friends left. Everyone's concerned about you. Even the Chippettes. (chuckles) And I guess me as well now. Look, the point is that you have to choose between your fame or your friends and family. I know it might not be the best advice I have. But just think about it, alright?

With that, Ian began to leave.

Me: That's pretty good advice there. Even though he is a former villain he does make a good point. Fame is a like a uh… how should I put this? A bloodsucking tick. Once it latches onto you it won't let go and it goes right to your head and causes problems.

Xenia: He's right.

Me: We are famous too and we are the most powerful force in the entire universe. We have done it all. But we don't do it for fame and glory. We do it because we have a massive and powerfully huge responsibility.

Goliath: Ian, wait! Do you and the Chippettes want to help us find Theodore?

Ian Hawk: (chuckles) You're so lucky I cancelled an invitation for the Chippettes to play at a Britney Spears Concert, which is the same night as the school concert. But Brittany's a little pissed at Alvin.

MODOK: Let us handle that.

Nico: Yeah we'll deal with that.

Xenia: Besides Alvin needs some help from us.

Dave then came.

Alvin: Dave? You're here too?

Dave: Toby told me everything. No way am I gonna waste a chance to help my adopted son.

Me: Thank goodness you're alright Dave.

Dave: Yeah. I am too.

Me: Thank goodness you're all healed up. Help Alvin will you?

Roxas: As long as you listen to Ratchet's orders and stay on those crutches for the rest of the day!

Dave: I will.

Me: Boy that accident really did a number on you.

Varie: I'll watch him to make sure he doesn't hurt himself anymore.

Nico: Okay.

Eleanor: Alvin, while we're still a little pissed at you, here's your chance to prove you're not a jerk.

Nuclear Man: All we ask is that you help us find Theodore.

Jeanette: Without Simon?

Atomic Skull: Hey, if he wants ditch Alvin, it's his choice.

Me: The Chipmunks are not the Chipmunks without Simon.

Jeanette: You're right.

Qin: But where are we going to find Theodore?

But then HENGEMEN APPEARED!

Red Hood: Hengemen?! Just what we need! (starts shooting at them)

Me: ALL RIGHT! I could use a little action!

All of a sudden, Alvin was hit by an acorn. He turned to see that Simon was there.

Alvin: Simon?!

Simon: Look, it's not that I don't care about Theodore.

Alvin: (gets punched by an invisible Hengemen) Simon, you don't understand!

I slashed numerous Hengemen and they disintegrated into dust!

Simon: I was just mad, that's all. I needed some time to think, but you guys shouldn't have left me out there.

Alvin: (the Hengemen slams him against the wall) I'm being attacked!

Simon: (The Hengemen starts choking Alvin) No, I'm not attacking you. I'm trying to be honest, just hear me out. Look, you, Theodore and I are a team. Nothing is more important than our friendship and family.

Ian Hawke: Simon-

I kicked the Hengemen off Alvin!

Simon: Zip it, Ian! There's gonna be time to discuss about you later! (to Alvin) Come on, Alvin, if you start crying, I'm gonna cry, and I'll never get through this. I'm sorry I wasn't there for you and the others, but I am now. (gets annoyed) Hey, Alvin, I am baring my soul here. The least you can do is pay attention!

Simon hurled his acorn toward Alvin. But it smashed the Hengemen's invisible face, exposing it to view. Alvin punched the Hengemen, knocking it down. The Hengemen collapsed to the ground, becoming visible again.

Simon: Hey, it's one of the monsters the Dino Fury Rangers fight.

I slashed the Hengemen and it exploded!

Me: And here we are facing them 6 days before Cornelia's big mission!

Alvin: Wow!

Nico: But who would summon the Hengemen?

Calamitous: We're glad you came to your senses, Simon

Simon: Well, all your words circled in my head for a while and I thought 'Ah, what the fuck?'

Boss Wolf: At least you're helping us now.

Simon: Besides, someone has to take care of Alvin.

Me: Yeah that's true.

Nico: Now we just have to find Theodore.

Qin: Yeah I wonder where he could be.

Camie: Yeah.

We went to find him and we saw Theodore.

Quake Woman: There's Theodore.

Maria: Guys, something's not right.

Eli: She's right. I sense something really off.

Qin: Uh oh.

Me: Theodore? Are you all right?

Theodore then turned and he had a big nose and a goofy face!

Theodore: (Stupid voice) I'M NOT THEODORE!

MWAHAHAHAHAHAHAHAHA!

He then wrapped his body around me and then punched my face like a punching bag.

Theodore: TAKE THAT AND THAT AND THAT!

Me: OUCH OOCH! OUCH OUCH OUCH!

I then busted out of him!

Me: (BLUBBERS) Whoa!

Johnny 13: C'mon, Theodore. All of us came together just to look for you!

Evil Cut Man: And who did this to you anyway?!

He then inflated himself and turned into a huge ball!

I then we pulled out a pin and popped him!

POP!

I smashed him down and then he got up.

Simon: Wait a second. I know who did this! This is the work of DR. FRANKENSTEIN!

We gasped!

Me: Dr. Victor Frankenstein the Mad Scientist!?

Nico: Oh shit!

Motormaster: Entrance time!

Me: Wait! We're getting ahead of ourselves! What is this version of Frankenstein like?

Simon: Oh right. You guys need to know more about him.

He told us all about him.

Dr. Frankenstein is the main antagonist of the children's cartoon movie, Alvin and the Chipmunks Meet Frankenstein.

He was voiced by Michael Bell, who also voiced Ferdinand and one of the Straycatchers in Tom and Jerry: The Movie.

Dr. Frankenstein is first seen working on his monster. The monster is brought to life, and the doctor sends it in pursuit of the Chipmunks. In their escape, the monster retrieves Theodore's dropped teddy bear.

The monster follows the Chipmunks home and returns the bear to Theodore, who quickly befriends him. The Chipmunks learn that the monster (whom Theodore has nicknamed "Frankie") is truly good-hearted. Dave goes to the park to book a concert that night to celebrate the premiere of an anticipated film. Dr. Frankenstein tracks Frankie to the Chipmunks' home, and, angered at monster's benevolence, kidnaps Alvin. Simon, Theodore, and Frankie hurry back to the park to rescue Alvin.

Dr. Frankenstein force feeds Alvin a potion and induces a powerful electrical shock. Alvin is released by Frankie, and after Simon swipes the doctor's potions book, the four of them escape back into the park. Shortly after, the process Alvin underwent takes effect, transforming Alvin into a zany cartoon monster. Alvin escapes to the premiere, causing chaos and havoc in his path. Using the potions book, Simon and Theodore mix an antidote using various food items from a buffet, and feed it to Alvin during his rampage. Alvin returns to normal, and the Chipmunks go to perform their concert.

Before the concert begins, Dr. Frankenstein, in the disguise of Sammy Squirrel, attempts to transform Alvin back to his monster self, but is thwarted and electrocuted by Frankie. When he regains conscious, he is unable to get the mask off him. Theodore introduces Frankie to the public, promising that Frankie will bring no harm if treated kindly. Afterwards, Dr. Frankenstein remains forever stuck in the Sammy Squirrel costume and doomed to sing the song he despises so much.

When he was done we were shocked!

Nico: Oh man!

Me: Just what the universe needs. Another fucked up mad scientist running amok!

Nico: Yeah!

Simon: He's in that castle over there!

We saw a MAD SCIENTIST CASTLE ON A HILL AND LIGHTNING STRUCK AROUND IT!

Nico: Stereotypical mad scientist lair. NOW we can do the entrance!

We went at the castle and Dr. Frankenstein was laughing insanely! Then race case made of the elements and the chemicals appeared and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and then we came out.

Me: Dr. Victor Frankenstein!

Nico: You are going to pay for your crimes against nature!

Kitty: You're not getting away with this!

Alvin: No, Kitty! Maybe I have this coming. (to Frankenstein) Look, you want to kill someone. Just kill me. I deserve it. Because I've been a real jerk. But leave Simon and the rest alone! They're my family and friends! Even if they deserve better.

Ted Carson Firefly: No, we won't!

Frankenstein: (shrugs) As last words go, those actually weren't bad.

Me: No we won't let him kill you Alvin!

I fired waves of energy and blasted Frankenstein down!

I kicked him in the face and smashed him into the ground.

Nico: Simon get the antidote for Theodore!

He went and did so.

But then Dirty Bubble, Pinky & the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, Box Ghost, Evil Bubble Man, King Jellyfish, Yost Molten Man, Megavolt, Quackor the Fowl, Live Action Thrust, Platinum Princess, Garigari, Dragon Jellyfish, and Big Lenny appeared.

Dirty Bubble: Good thing the contest performance isn't until tonight.

Nico: Yeah.

Pinky: And you're all friends again!

Me: Yep.

Alvin: That depends if Theodore can still be returned to normal.

Me: He will. Simon is making the antidote now.

Swordsman: At least we can bring Frankenstein to justice.

Nico: Yeah we can.

Dr. Destiny: (to Nico) We heard you got another treasure.

Nico: We sure did.

Onyx: What was it?

Nico: The Sword of Nature Naroom.

Me: Yep.

Flashhead then appeared!

Me: Flashhead. Up for another round?

Flashhead: You know it.

Me: Awesome.

Flashhead: I didn't expect Frankenstein to summon Hengemen!

Me: Me neither! How was he able to do it?

Then my Dark Orb detector went off and It showed that there was a Dark Orb in a machine.

Me: A Dark Orb!

I went and grabbed it and I teleported back with it and opened a portal and threw it into the Warp..

We got the battles underway.

Princess Luna: Yeah they all are amazing.

Moondust: And their story is awesome.

---

Laura Baránková: (Czech Accent) Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Helena Zelenková: (Czech Accent) You said it, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Andrea Nezbedová: (Czech Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the story on how you all, along with Lincoln and Luan took on the absolute worst of Pablo, Anderson, Lori, Lynn, Lola, Lisa, Scoots, and Chandler's heartless wrath?

Helena Zelenková: (Czech Accent) You're not going to like this. One day, we were with Lincoln and Luan at The Lewises for a big birthday party, and we did an awesome magic act for the kids, but our magic show got ruined when Lori, Lynn, Lola, Lisa, Pablo, Anderson, Scoots, and Chandler showed up and they had knives in their hands, and they were going to kill us. They caused tons of havoc and the brats were trashing the place, and we couldn't take it anymore. We pounced on those heartless and evil monsters and we brutally pummeled them, and Lincoln fired red energy blasts which trapped Lori, Lynn, Lola, Lisa, Pablo, Anderson, Scoots, and Chandler in red orbs, and we immediately called the cops who took Pablo, Anderson, and Chandler to jail, Scoots was taken straight to the nuthouse in Lansing, and when Vanzilla arrived, Mr. and Mrs. Loud dragged Lori, Lynn, Lola, and Lisa inside and drove back to

The Loud House and they got grounded for nineteen weeks for their heartless behavior and for allying with four of the worst troublemakers in Royal Woods.

We cheered wildly for what Lincoln, Luan, Laura Baránková, Erika Dědinová, Marie Nováková, Dana Voráčová, Helena Zelenková, Andrea Nezbedová, and Radana Růžičková did to Lori, Lynn, Lola, Lisa, Scoots, Chandler, Pablo, and Anderson.

Nico: You know, this hasn't been the first time a birthday party got crashed by Lori, Lynn, Lola, Lisa, and Scoots, they've done it numerous times because they still wanted to kill Lincoln and they were also trouble to anyone who crossed them.

Me: Yeah.

Lincoln: I would've thought Lori, Lynn, Lola, and Lisa learned their lesson that day, but no, Laura and the others saw that they were plotting to get revenge, and to make sure they won't do anything like that again, I reminded them of Clarissa Mallory's fate when she was found guilty and throw in Solitary Confinement in Ionia Correctional Facility with a Life Sentence, and that got them to tear down any thoughts of revenge.

FLASHBACK ENDS

Dr. Destiny: Wow! That is amazing! Scoots got what she deserved and man what a punishment.

Gari: Yeah no kidding there too.

Blackout: But Scoots got what she deserved too.

Lincoln: Have fun rotting in the hoosegow, Dr. Frankenstein.

Nico: You've messed with the laws of nature for the last time, you mad lunatic. Awesome job, guys, but we're not done yet, there's still the matter of Crucifer to deal with, and that evil vampire should be arriving… right now!

?: I will have my revenge on you for imprisoning my brethren, Daughter of Queen Hippolyta!

Wonder Woman: I should've known there's no mistaking that voice from anywhere. You can come out now, Crucifer.

A dark vampiric figure came out, and it was none other than Crucifer, a vampire lord and member of The Tenth Circle vampiric cult.

Wonder Woman: I always wondered when you'd come out of the shadows, Crucifer, now we can put an end to what you and your cult started millennia ago, only this time, you and your entire brethren will be destroyed forever.

Crucifer: You and every last Amazon will perish once my brethren finally return.

Ruby Bailey: No, Crucifer, your dreams of bringing your vampire brethren back to our world end here and now.

Suddenly, Ruby Bailey's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with magicians, spellbooks, magic, ocean waves, and water, she unholstered her large Spellbook Magician of Prophecy-themed Mage's Staff, and as she approached Crucifer, she left aqua blue energy, magicians, spellbooks, magic, ocean waves, and water with every step.

Ruby Bailey: Crucifer, I will never forgive you for the crimes that you and the Tenth Circle cult have committed against humanity throughout the millennia, and now, I will see to it that you and your entire clan are destroyed here and now!

Suddenly, Ruby Bailey was surrounded by a massive vortex of aqua blue energy with magic, ocean waves, and water surrounding the vortex, there are magicians, spellbooks and Spellbook Magician of Prophecy flying around the vortex, and in the vortex is a light blue phoenix. Then, as the vortex faded, Ruby Bailey emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ruby Bailey grew from 6'5" to 7'4" in height, she has the body of a goddess, she has light blue highlights in the bangs of her long aqua blue hair, she has neon aqua blue eyes and an aqua blue energy aura with magicians, spellbooks, magic, ocean waves, and water surrounding her, she has Spellbook Magician of Prophecy emblazoned on her forehead, she has magician earrings with aqua blue gems for eyes and holding the Magic, Spells, and Eternity Kanjis in its hands, she also has Spellbook Magician of Prophecy with aqua blue gems for eyes and holding the Magic, Spells, and Eternity Kanjis in its hands on the bottom of her aqua blue magician-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Ruby Bailey has on a sleeveless open light blue vest, sleeveless light blue dress top, light blue skirt, light blue pants, light blue legwarmers, light blue sneakers, and long white long-sleeved trenchcoat with magic, ocean waves, and spellbooks on the coattails, and on the back is Spellbook Magician of Prophecy surrounded by water and magic. Suddenly, Ruby Bailey felt a sharp pain on her back, and then, her massive light blue angel wings with aqua blue tips on the large light blue feathers grew much bigger for her new body, she has on a Ring of The Phoenix with light blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Ruby Bailey's large Spellbook Magician of Prophecy-themed Mage's Staff and all of the swords she'd gotten began merging together and they were surrounded by a kaleidoscope of light blue energy, magicians, ocean waves, water, and magic, and when it emerged, it was transformed into Spellbook Magician of Prophecy's Maelstrom Magician Mage's Staff of Maelstrom Magical Justice, it's a brand-new large Mage's Staff measuring at 8'1" in length with a large aqua blue orb mounted on top of four silver raven heads with blue gems for eyes and below it a large blue gem with a silver ring surrounding it and a silver dragon coiled around one end of the long black shaft and on the other end is a blue gem and below it are four smaller silver raven heads with blue gems for eyes and below the heads is a large silver crescent weight and a blue gem below it, and she still has The Spellbooks of Eternity, Fate, Knowledge, Life, Power, Secrets, The Master, and Wisdom levitating around her, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with light blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Spellbook Magician of Prophecy's head with light blue gems for eyes and a large aqua blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a light blue kanji below Spellbook Magician of Prophecy that said, "Ruby Bailey, Gene-Slammer of Spellbook Magician of Prophecy, Powerful Wielder and Master of The Spellbooks of Eternity, Fate, Knowledge, Life, Power, Secrets, The Master, and Wisdom, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Dark Lynn, Archenemy of Baby Button Eyes, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Magicians, Magic, Ocean Waves, and Water"

ルビー・ベイリー、呪文書のジーン・スラマー、予言の魔術師、強力な使い手であり、永遠、運命、知識、生命、力、秘密、マスター、そして知恵の呪文書のマスター、愛情深い守護天使、リンカーン・ラウドの未来の妻、スマッシャーとダーク・リンの軽蔑者、ベイビー・ボタン・アイズの大敵、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、そして魔術師、魔法、海の波、水のマスター

Ruby Bailey has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA MAELSTROM MAGIC SPELLBOOK PROPHECY MAGICIAN ANGEL OF DIVINE MAELSTROM SPELLBOOK MAGIC JUSTICE AND DIVINE MAELSTROM MAGIC LOVE!

We were amazed by Ruby Bailey's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Crucifer saw it, the vampire tried to kill her, but Ruby Bailey fired a powerful light blue energy blast with water, ocean waves, magic, and magicians at Crucifer and he was burned by the water and he screeched in pain, and this really pissed him off.

Nico: Whoa, Ruby Bailey's transformed, so awesome.

Me: She now looks like a true Angel of Spellbooks and Magic, really cool.

Lincoln: And that evil vampire is about to face the full forces of magic, and Ruby, you look beautiful, how do you feel?

Ruby Bailey: (Divine Echoing Cosmic Voice of The Maelstrom Prophetic Spellbook Magician and Divine Maelstrom Spellbook Magic Love) **I feel incredible, Linky. Now, shall we destroy this evil vampire for good along with his entire undead brethren?**

Lincoln: (Smiles) With pleasure, Ruby.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Ruby Bailey.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for you to pay for all those lives you and your cult have fed on for millennia, Crucifer.**

Ruby Bailey and Lincoln went after Crucifer, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Magicians, and Mermaids at Crucifer, and they exploded with incredible power as they hit him, and Lincoln attacked him with powerful energy slashes from his massive greatswords, and he left nasty scars on him, and Ruby Bailey attacked him by hitting and blasting him with her Mage's Staff.

This was pissing off Crucifer greatly, but Ruby Bailey and Lincoln were getting started. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Ruby Bailey, it's known as Spellbook Magician of Prophecy's Magic Spellbook Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's light blue with magic on the blaster with a Phoenix, Dark Angel, and Spellbook Magician of Prophecy surrounded by water etched on the sides, and a light blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Ruby Bailey fired blasts of rainbow energy, black and red energy, and elemental forces and when they hit Crucifer, they exploded with incredible power as they hit him.

Finally, after they holster their hand-cannon Blasters, Lincoln charged at Crucifer and he put the evil vampire into a brutal bearhug so he couldn't escape, and as Lincoln sank his fangs into Crucifer's neck, he began sucking out all of Crucifer's blood and then Lincoln was absorbing Crucifer into his body and he was also assimilating his powers and abilities Then as soon as Lincoln was done feeding on Crucifer and absorbing him into his body and assimilating his powers and abilities, an energy card with Crucifer's soul trapped inside formed in Lincoln's large left hand, and when the Judgement Kanji appeared on his forehead, Crucifer was erased by The Black Gates after being found guilty by all those he killed, and it also affected the other members of The Tenth Circle and they too were erased. We cheered wildly for what Ruby Bailey and Lincoln did to Crucifer as they holstered their weapons and power down, and Ruby Bailey's new body, clothes, weapons, jewelry, and massive light blue angel wings are permanent.

Ruby Bailey: Good riddance, you evil vampire, you tried to destroy us, but in the end, you became nothing but food to a vampire-werewolf hybrid. Thanks for helping me destroy Crucifer, Linky.

Lincoln: (Smiles Warmly) You're welcome, Ruby.

Suddenly, Ruby Bailey wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ruby Bailey's face, they kissed passionately as Ruby Bailey's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Spellbook Magician of Prophecy flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Lincoln and Ruby Bailey came back to us, as the display and Spellbook Magician of Prophecy vanished.

Nico: Whoa, now that's what I call a battle to save mankind from an evil vampiric cult, awesome job, guys, and Ruby was right: Crucifer tried to destroy us, but in the end, he became nothing but food for you, Lincoln, and to those who cross you, they met their end when you fed on them.

Lucy Loud: We've gotten used to Lincoln being a vampire-werewolf hybrid, and like with the rest of his friends, we've also kept it a secret for six and a half years.

Lori: We sure did, but there were times that Lincoln had to terrify Chandler and the other jerks and when he showed his fangs, it left them peeing their pants in fright and that sent them running home to their mothers.

Lincoln: Yeah, but I still had to keep it a secret, Lori.

Me: That's true. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, J.D. Ooh, now here's a good one: how about a Gene-Slammer for Phoenix Rebirth Dragon, the 7th Signer

Dragon.

We gasped in awe.

Nico: A Gene-Slammer for Phoenix Rebirth Dragon, The 7th Signer Dragon that J.D. had gotten when he became the 7th Signer?! Whoa!

Lincoln: That's right.

Me: Oh, now this one I really got to see, and I wouldn't be surprised if this Gene-Slammer's also an Emissary of The Crimson Dragon.

Lincoln and his Guardian Angels stared at me in surprise, and everyone else saw that they know the person who's also the Emissary of the Crimson Dragon. Eventually, Lincoln and the Guardian Angels' shock wore off.

Lincoln: We'll explain that tomorrow, J.D.

Nicholette Torrington: Oh man, J.D., you have no idea of just how right you are about what you just said.

Giselle Harrington: Yeah.

Nico: Like Lincoln said, he and the others will explain that tomorrow.

Alvin: Look, guys, I really am sorry about-

Jet: Say no more, Alvin.

Waffle Woman: We're just happy you understand the importance of family.

Me: Yeah we sure are. You did great.

Rojo: (to Ian) Wanna join the Redemption Squad?

Ian: Oh, why not? Maybe I can get my career back on track too.

Carmen Dillo: Sounds good.

Me: Awesome.

Box Ghost: C'mon! We still have time to make it to the contest!

Me: Lets rock guys!

We went to the concert!

We got ready and it was going to be awesome.

The Rainbooms were up first with me.

Me: ARE YOU ALL READY TO ROCK!?

EVERYONE CHEERED WILDLY!

We got to playing The Night Begins to Shine By B.E.R.

The room turned into the Solar Eclipse of 2017 and it was awesome.

Me and the Rainbooms: (SINGING DIVINELY)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine
When we're dancing
The night begins to shine
Talk 'til dawn
My heart was racing
I took you home
In the driving rain
Had my mind made up
I wanna feel your touch
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
The night begins to shine
The night begins to shine
The night begins to shine
When we're dancing
The night begins to shine
The night begins to shine
(Night begins to shine)
The night begins to shine
Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

Everyone was in awe and when the song was done everyone cheered wildly!

Me: THANK YOU!

They sang Shake Your Groove Thing by Peaches & Herb

Shake it, shake it

Shake your groove thing,

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Show 'em how we do it now

Let's show the world we can dance

Bad enough to strut our stuff

The music gives us a chance

We do more out on the floor

Groovin' loose or heart-to-heart

We put in motion every single part

Funky sounds wall to wall

We're bumpin' booties, havin' us a ball, y'all

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now
We got the rhythm tonight
All the rest know we're the best
Our shadows crash in the light
Twistin', turnin', we keep burnin'
Shake it high or shake it low
We take our bodies where they wanna go
Feel that beat, never stop
Oh, hold me tight, spin me like a top
Shake your groove thing
Shake your groove thing, yeah, yeah
Show 'em how we do it now
Shake your groove thing
Shake your groove thing, yeah, yeah
Show 'em how we do it now
There's nothing more that I'd like to do
Than take the floor and dance with you
Keep dancin', let's keep dancin'
Shake it, shake it
Shake it, shake it
Groovin' loose or heart-to-heart
We put in motion every single part

Funky sounds wall to wall

We're bumpin' booties, havin' us a ball, y'all

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now, yeah

Shake it

Show 'em how we do it now, yeah

Shake it, shake it

Shake it

Doo, doo, doo, wow

Shake it

Doo, doo, doo, wow

Shake your groove thing

Shake your groove thing

Show 'em how we do it now

Let's get on down

Show 'em how we do it now

Show 'em how we do it now

Whoo, ooh

Show 'em how we do it now

Shake your groove thing

Shake it, shake it

Shake it, shake it, a bumpin' booty, now

Shake it, shake it

Shake it, shake it, a little freaky now

Shake it, shake it

A shake it, shake it, a do it to it, y'all

It was rockin!

When that song was done we cheered!

Me: ROCK ON!

Nico: OH YEAH!

Shine Like Rainbows By the Rainbooms played.

Me and the Rainbooms: (SINGING DIVINELY)

Once upon a time, you came into my world and made the stars align

Now I can see the signs, you pick me up when I get down so I can shine

Shine like rainbows

Shine like rainbows

Friends, you are in my life and you can count on me to be there by your side

And when the music comes alive, you sing us songs to lift us up so we can shine

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Together we stand

As the rain begins to fall

And holdin' our heads up high

As the sun shines through it all

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

We shine like rainbows

As the song played everyone saw an image of all the awesome and action packed explosive adventures we did all over Equestria and destroyed all their major enemies and killed all over them! When it was done everyone cheered wildly for us!

Me: THANK YOU!

Fluttershy was up next.

ROAR BY KATY PERRY PLAYS!

Fluttershy: (SINGING DIVINELY)

I used to bite my tongue and hold my breath

Scared to rock the boat and make a mess

So I sat quietly, agreed politely

I guess that I forgot I had a choice

I let you push me past the breaking point

I stood for nothing, so I fell for everything

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

---

You're gonna hear me roar

Now I'm floatin' like a butterfly

Stinging like a bee, I earned my stripes

I went from zero, to my own hero

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

---

You're gonna hear me roar

---

Oh-oh-oh-oh-oh (you'll hear me roar)

---

You're gonna hear me roar

Roar, roar, roar, roar, roar

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

---

Oh-oh-oh-oh-oh (yeah)

---

You're gonna hear me roar

---

Oh-oh-oh-oh-oh (you'll hear me roar)

You're gonna hear me roar

The room turned into the jungle and it showed Fluttershy taming animals and had jungle power! She was the QUEEN OF THE JUNGLE! She then roared like a tiger and when it was done we cheered wildly!

Nico: YEAH! ROCK ON!

The Chipmunks then got to singing Funkytown by Lipps Inc.

Chipmunks: (SINGING)

Gotta make a move to a town that's right for me

Town to keep me movin'

Keep me groovin' with some energy

Well, I talk about it, talk about it

Talk about it, talk about it

Talk about, talk about

Talk about movin'

Gotta move on

Gotta move on

Gotta move on

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Gotta make a move to a town that's right for me

Town to keep me movin'

Keep me groovin' with some energy

Well, I talk about it, talk about it

Talk about it, talk about it

Talk about, talk about

Talk about movin'

Gotta move on

Gotta move on

Gotta move on

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me to

Funkytown?

Won't you take me down

To Funkytown?

Won't you take me down

To Funkytown?

We danced and the song was awesome! When the song was done we cheered!

Me: WOO! Love Funkytown!

Nico: Yeah!

Me: Now here is this one.

Me and the Rainbooms got to singing Two Worlds by Phil Collins.

Me and the Rainbooms: (SINGING DIVINELY)

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

A paradise untouched by man

Within this world blessed with love

A simple life, they live in peace

Softly tread the sand below your feet now

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Beneath the shelter of the trees

Only love can enter here

A simple life, they live in peace

Raise your head up

Lift high the load

Take strength from those that need you

Build high the walls

Build strong the beams

A new life is waiting

But danger's no stranger here

No words describe a mother's tears

No words can heal a broken heart

A dream is gone, but where there's hope

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Everyone saw the jungle appear and all the jungle animals were amazing! When it was done everyone cheered wildly!

The Chipmunks then sang You Spin Me Round (Like A Record) By Dead or Alive!

Chipmunks: (Singing)

If I, I get to know your name

Well, if I could trace your private number, baby

… All I know is that to me

You look like you're lots of fun

Open up your lovin' arms

I want some, want some

… I set my sights on you

(And no one else will do)

And I, I've got to have my way now, baby

… All I know is that to me

You look like you're havin' fun

Open up your lovin' arms

Watch out, here I come

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

… I (I, I, I), I got to be your friend now, baby

And I (I, I, I) would like to move in just a little bit closer

(To move in just a little bit closer)

… All I know is that to me

You look like you're lots of fun

Open up your lovin' arms

Watch out, here I come

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

… I want your love

I want your love

… All I know is that to me

You look like you're lots of fun

Open up your lovin' arms

Watch out, here I come

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round (I want your love)

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round (I want your love)

… You spin me right 'round, baby, right 'round (I need your love)

Like a record, baby, right 'round, 'round, 'round (I need your love)

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round (I need your love)

You spin me right 'round, baby, right 'round

They danced and so did everyone and it was awesome! When it was done everyone cheered wildly!

Me: WOOHOO! Nothing Beats the 80s!

Nico: YEAH!

Misty Tredwell: AWESOME SONG!

Then me and the Rainbooms sang Hero by Skillet!

Me and the Rainbooms: (SINGING DIVINELY)

I'm just a step away

I'm just a breath away

Losin' my faith today

(Fallin' off the edge today)

I am just a man

Not superhuman

(I'm not superhuman)

Someone save me from the hate

It's just another war

Just another family torn

(Falling from my faith today)

Just a step from the edge

Just another day in the world we live

I need a hero to save me now
I need a hero (save me now)
I need a hero to save my life
A hero'll save me (just in time)
I've gotta fight today
To live another day
Speakin' my mind today
(My voice will be heard today)
I've gotta make a stand
But I am just a man
(I'm not superhuman)
My voice will be heard today
It's just another war
Just another family torn
(My voice will be heard today)
It's just another kill
The countdown begins to destroy ourselves
I need a hero to save me now
I need a hero (save me now)
I need a hero to save my life
A hero'll save me (just in time)
I need a hero to save my life

I need a hero just in time
Save me just in time
Save me just in time
Who's gonna fight for what's right
Who's gonna help us survive
We're in the fight of our lives
(And we're not ready to die)
Who's gonna fight for the weak
Who's gonna make 'em believe
I've got a hero (I've got a hero)
Livin' in me
I'm gonna fight for what's right
Today I'm speaking my mind
And if it kills me tonight
(I will be ready to die)
A hero's not afraid to give his life
A hero's gonna save me just in time
I need a hero to save me now
I need a hero (save me now)
I need a hero to save my life
A hero'll save me (just in time)
I need a hero

Who's gonna fight for what's right

Who's gonna help us survive

I need a hero

Who's gonna fight for the weak

Who's gonna make 'em believe

I need a hero

I need a hero

A hero's gonna save me just in time

Everyone saw all our awesome adventures from day 1 and it was amazing! When it was done everyone was amazed and they all cheered wildly and explosively!

Nico: WOOHOO!

Laney: YEAH! Rock on!

The Chipmunks then sang We Are One by the 12 Stones.

Chipmunks: (Singing)

We walk alone

In the unknown

We live to win another victory

We are the young

Dying sons

We live to change the face of history, so be afraid

It's the price we pay

The only easy day was yesterday

So hear our voice
We have a choice
It's time to face it
We are one
We are one
We are one
We will stand together
Number one
Number one
The chosen ones
We are one
We are one
We will fight forever
We are one and we won't tire
We are the bold
United souls
We live to win another victory
Our sacred scars
Show who we are
And tell the story of our memories
Don't be afraid
It's the price we pay

The only easy day was yesterday

So hear our voice

We have a choice

It's time to face it

We are one

We are one

We are one

We will stand together

Number one

Number one

The chosen ones

We are one

We are one

We will fight forever

We are one and we won't tire

We walk alone

In the unknown

We live to win another victory

Our sacred scars

Show who we are

It's time to face it

Face it

It's time to face it

We are one

We are one

We are one

We will stand together

Number one

Number one

The chosen ones

We are one

We are one

We will fight forever

We are one and we won't tire

We are one

We are one

Yeah

Number one

Number one

And we won't tire

We are one

We are one

Yeah

Number one

Number one

And we won't tire

Everyone loved that one as they danced and they cheered wildly!

Me: WOOHOO! YEAH! Awesome!

Nico: YEAH!

Me: Now here is a fun one.

We played Move Along by All American Rejects.

Me and the Rainbooms: (SINGING DIVINELY)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends
Such a heart that will lead you to deceiving
All the pain held in your
Hands are shaking cold
Your hands are mine to hold
Speak to me
When all you got to keep is strong
Move along, move along like I know you do
And even when your hope is gone
Move along, move along just to make it through
Move along
(Go on, go on, go on, go on)
When everything is wrong, we move along
(Go on, go on, go on, go on)
When everything is wrong, we move along
Along, along, along
When all you got to keep is strong
Move along, move along like I know you do
And even when your hope is gone
Move along, move along just to make it through
When all you got to keep is strong
Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

Everyone saw our times of despair and how we got through it strong and more and it was awesome! When it was done everyone cheered!

Nico: OH YEAH!

Camie: THAT WAS COOL!

Laney: YEAH IT WAS!

Next the Chipettes sang Vacation by The GoGos.

Chipettes: (Singing)

Can't seem to get my mind off of you

Back here at home there's nothin' to do

Now that I'm away

I wish I'd stayed

Tomorrow's a day of mine that you won't be in

When you looked at me I should've run

But I thought it was just for fun

I see I was wrong

And I'm not so strong

I should have known all along that time would tell

One week without you

I thought I'd forget

Six months without you and I still haven't gotten over you yet

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

One week without you

I thought I'd forget

Six months without you and I still haven't gotten over you yet

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

We danced to that one and it was awesome!

Nico: WOOHOO! YEAH!

Me: Love good vacations baby!

Next me and the Rainbooms sang Give a Little Bit by the Goo Goo Dolls.

Me and the Rainbooms: (Singing Divinely)

Ooh, yeah

Alright

Here we go again

Na-na, whoa, no, da-na, hey, hey, yeah

Give a little bit

Oh, give a little bit of your love to me

I'll give a little bit

I'll give a little bit of my love to you

There's so much that we need to share

So send a smile and show you care

(Alright)

I'll give a little bit

I'll give a little bit of my life for you

So give a little bit

Oh, give a little bit of your time to me

See the man with the lonely eyes

Oh, take his hand, you'll be surprised

Oh, take it

Ah, yeah

Come along

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Come a-

Long

Give a little bit

Oh, give a little bit of your love to me

I'll give a little bit

I'll give a little bit of my life for you

Now's the time that we need to share

So find yourself, we're on our way back home

Oh, going home

Don't you need, don't you need to feel at home?

Oh, yeah, we gotta sing

Ooh, yeah, gotta get a feeling

Ooh, yeah, come along too

Woo

Come a-, come along too, yeah

Come a-, come a-, come a-, come along

Cha-ka-doom, yeah

Ooh, yeah, come along too

Yeah, come along too, yeah

Sing, Betty Lou

Come along too

What a long ride

Come a long way

Oh, sing it, tonight

Ooh, yeah

We showed some of our most awesome and charitable adventures and it was cool. When it was done everyone cheered wildly!

Nico: ROCK ON!

Qin: OH YEAH!

The Chipettes then sang My Boyfriend's Back by The Angels from 1963.

Chipettes: (Singing)

He went away and you hung around

And bothered me, every night

And when I wouldn't go out with you

You said things that weren't very nice

My boyfriend's back and you're gonna be in trouble

(Hey-la-day-la my boyfriend's back)

You see him comin' better cut out on the double

(Hey-la-day-la my boyfriend's back)

You been spreading lies that I was untrue

(Hey-la-day-la my boyfriend's back)

So look out now 'cause he's comin' after you

He's been gone for such a long time

(Hey-la-day-la my boyfriend's back)

Now he's back and things'll be fine

(Hey-la-day-la my boyfriend's back)

You're gonna be sorry you were ever born

(Hey-la-day-la my boyfriend's back)

'Cause he's kinda big and he's awful strong

(Hey-la-day-la my boyfriend's back)

(You're a big man now but he'll cut you down to size

(Wait and see)

My boyfriend's back he's gonna save my reputation

(Hey-la-day-la my boyfriend's back)

If I were you I'd take a permanent vacation

(Hey-la, hey-la, my boyfriend's back)

Yeah, my boyfriend's back (La-day-la, my boyfriend's back)

Look out now, yeah, my boyfriend's back (La-day-la, my boyfriend's back)

I could see him comin' so you better get a runnin' alright now (La-day-la, my boyfriend's back)

Yeah, yeah, yeah, yeah, yeah (La-day-la, my boyfriends's back)

My boyfriend's back now (La-day-la, my boyfriend's back)

Know he's comin' after you because he knows I've been true now (La-day-la, my boyfriend's back)

We danced to it and it was awesome and fun!

Qin: OH YEAH!

Me: YEAH! Love that song! Awesome homage to The Angels.

Nico: YEAH! Street thugs and bad boyfriends beware.

Me: And it was awesome back in the DooWop Era.

We rapped it up with the Chipmunks and Chipettes singing We Are Family.

Chipmunks and Chipettes: (Singing)

We are family

I got all my sisters with me

We are family

Get up everybody and sing

We are family

I got all my sisters with me

We are family

Get up everybody and sing

Everyone can see we're together

As we walk on by

(And) and we fly just like birds of a feather

I won't tell no lie

all of the people around us they say

Can they be that close

Just let me state for the record

We're giving love in a family dose

We are family (hey, y'all)

I got all my sisters with me

We are family

Get up everybody and sing (sing it to me)

We are family

I got all my sisters with me

We are family

Get up everybody and sing

Living life is fun and we've just begun

To get our share of this world's delights

(High) high hopes we have for the future

And our goal's in sight

no, we don't get depressed

Here's what we call our golden rule

Have faith in you and the things you do

You won't go wrong, oh no

This is our family jewel

We are family (hey, sing it to me)

I got all my sisters with me

We are family (oh, I can hear you now)

Get up everybody and sing

We are family

I got all my sisters with me

We are family (get up, get up y'all)

Get up everybody and sing

We are family (I got my sisters with me)

I got all my sisters with me

We are family

Get up everybody and sing (get up and sing it to me)

Her reputation for burning villains and bullies has earned her the moniker "The Crimson Draconic Phoenix Angel", and she's one of the most powerful fire wielders in Lincoln's Guardian Angels. She also took on the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's out-of-control wrath, and in the end, those four got badly burned and branded with a phoenix mark, which means if they dare to try and kill Lincoln again, The Crimson Draconic Phoenix Angel will come after them, and they're really going to get burned. The next chapter is gonna be an awesome high flying adventure as we meet Stuart Little and his family and help him and the Littles and help him take down The Falcon and make that bird pay.

See you all next time.

# FLIGHT OF STUART LITTLE

This chapter is based on Stuart Little 2

---

In the early morning hours at 4:30 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in the streets of London, England. it was no ordinary figure, it was Lily Lotus Blossom, Daughter of one of Lincoln's future wives, Valerie (Pokemon). Lincoln woke up from the dream, but he wasn't the only one, Valerie (Pokemon), Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: What more did you expect, bro?

Valerie (Pokemon): And not only that, it also means that we found out where my daughter is at. And the question is, Where?

Me: They're at London, England.

Nico: Oh no, that's not good. Out on the streets in London, England, even though it's a nice place, but not so much for little kids like her.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Valerie (Pokemon), Me, and Nico were heading to London, England. Then, Lincoln saw a 12-years-old Girl who has fair skin, long black hair, and wide purplish-gray eyes with purple eyeshadow and freckles under her eyes. She wears a purple and white jacket with black stripes on sleeves and a picture of a Lotus Blossom Flower on the left, black and white side stripe leggings, and purple mary jane flats. Lincoln saw who she is, it was Lily Lotus Blossom.

Lincoln: Excuse me, are you Lily Lotus Blossom?

Lily Lotus Blossom: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know girls all too well.

Then, Valerie (Pokemon) came out, and when Lily Lotus Blossom saw her, she was stunned.

Lily Lotus Blossom: Mother, is that you?

Valerie (Pokemon): Yes, Little Flower, it's me.

Lily Lotus Blossom ran up to Valerie (Pokemon), and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you girls should know, Valerie, your mother is one of my many future wives.

Lily Lotus Blossom: Does that means… you're my father.

Lincoln: (smiled) What else I won't I be, Little Flower?

That filled Lily Lotus Blossom with joy, as he picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Lily Lotus Blossom to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Valerie (Pokemon) with her daughter, and Lily Lotus Blossom now has a loving, strong, brave, and caring father in her life.

Laney: Yeah.

Nico: Thanks for coming with me, Jack.

Jack Atlas: Anytime Nico. It's going to be a great honor to help you out.

Me: It always is fun helping out on Nico's Rescues.

Nico: Hey, Jack. Remember when Carly wore glasses?

Jack Atlas: I sure do an and Carly always looked awesome with or without glasses.

Carly Atlas: Yeah I still have my glasses with me but I never wear them that much. Now that I'm a Dark Signer my vision was corrected.

Nico: That makes sense.

Qin: It sure does.

Bai Tza: But you have always been a massively huge help to Jack ever since Carly.

Carly Atlas: I sure have. When Jack hurt himself we battled one of Roman's controlled minions and I helped him out.

Me: Wow that is neat.

Nico: Boy that must've been really tough having to duel with only one hand available.

Jack Atlas: It was.

Maria: Personally, I think you look nerdy and pretty with those glasses on.

Carly Atlas: I'm glad you think so Maria. Sam Sparks feels the same way. But that was before J.D. used corrective laser surgery on her.

Me: That's true. But either way Carly, you have been an incredibly major huge support for Jack.

Carly Atlas: Thanks J.D.

Me: Anytime. Oh Nico don't forget that tomorrow Daylight Savings Time ends so we got to change the clocks back.

Nico: Oh that's right! Thanks for reminding me.

Me: You're welcome. Man yesterday was ROCKIN!

Lisa Loud: Indeed it was second elder brother.

Maria: I can't believe Alvin would have a major fight with his brothers. And that he tried to ask us to use the Black Gates to change the past so it never happened. Even if we did do that, it wouldn't have changed anything.

Me: No way Maria. I would never do that even if I could. It would be way too easy.

Eli: Yeah it sure would be easy.

Me: Besides like I keep telling you all, Evil is always eternal and it always will exist. Good can't exist without evil. Ever heard of the saying No Good Deed Goes Unpunished?

Nico: Yes I know that saying.

Laney: Me too.

Me: Well it's true.

Nico: And then Simon snapped at Lori about what happened during the 20 Days of Darkness.

Lincoln: Yeah he sure did. That was low. But it was because of tough stress.

Sunset Shimmer: Yeah but at least they patched things up.

Laney: They sure did. And it took a Hengemen attack along with Dr. Frankenstein playing with fire to provide that wake up call.

Lana: It sure did.

May: But at the end, we sang some really nice songs.

Nico: We sure did!

Me: The Rainbooms and the Chipettes and Chipmunks all did an awesome job in that! YEAH!

Rainbow Dash: That was so awesome!

Lana: Yeah it was!

Misty Tredwell: That was so fun!

Xenia: Yeah it was!

Camie: Yeah we had a lot of fun with that one!

May: Some of the songs were so awesome!

Nico: Yeah that was one of the most fun we ever have. And J.D, you and the Rainbooms all did awesomely well in that performance.

Me: Thanks. It was some of the most fun we've had. Glad you liked it.

Nico: It was fun.

Nicole: That was one of the most fun ever.

Nico: What are we finding this time?

Nicole: You'll like this one. It's called The Scythe of Paradwyn Flowers and it's a sword that controls flowers and can summon the Paradwyn Magim.

Nico: Cool!

Qin: This will be awesome.

Me: Camie should get the scythe.

Camie: Wow I would be honored.

Nico: I hope the next Another Omnitrix Alien is friendly.

Me: Me too. The last two have been total jerkwads.

Nico: They sure have.

Laney: Yeah 2 big enemies from Nico and J.D.'s pasts.

Jack Atlas: Those guys were monsters.

Laney: Yeah no kidding there.

Xenia: But they are back in prison forever.

Nico: Let's keep going.

We then later made it to a grove and we saw in the middle in a pedestal THE SCYTHE OF PARADWYN FLOWERS! It was a scythe that had a pink crystal blade and had green leaves and beautiful flowers around it.

Nico: There it is!

Qin: Wow! It's magnificent.

Nico: Care to do the honors Camie?

Camie: It would be my pleasure.

She went over to it and then grabbed it and then pulled it out! It glowed and then Camie underwent a powerful transformation!

(ESCAFLOWNE (FOX KIDS) INTRO EXTENDED PLAYS)

She was enveloped in a swirl of flowers and she got the body of a goddess and she then grew wings made of flowers and leaves and they gave off an awesome and beautiful scent.

Nico: WHOA!

Me: Wow! How do you feel Camie?

Camie: Wow! I feel amazing!

Xenia: This is so awesome!

Maria: You've earned it.

Nico: Yep.

Eli: And perfect timing too! I sense the next Another Alien.

A figure jumped out and it was a black version of an Evolved Loboan! It was ANOTHER ULTIMATE BLITZWOLFER!

Me: Whoa! Another Ultimate Blitzwolfer!

Nico: Whoa! This is gonna be good!

Another Ultimate Blitzwolfer: (In a girls voice) It sure will and J.D. it's great to see you again.

Me: Wow it's a friendly one this time! Jenna Seraton it's awesome to see you too.

Nico: Wait the famous Swimsuit Model?

Me: Yep.

I pulled out a magazine for Bikini Babe Hot Zine and on the cover was a blond hair girl with a smokin hot voluptuous body with big breasts and she had a smoking hot aqua blue bikini.

Nico: (STEAMWHISTLE TOOT) Wow! That is smokin hot!

Qin: Nice!

Albedo turned into Negative Ultimate Blitzwolfer.

Negative Ultimate Blitzwolfer: Did Swartz promise you anything?

Another Ultimate Blitzwolfer: Just to be the best swimsuit model ever.

Me: You already have that down. You are the best Swimsuit Model ever.

Another Ultimate Blitzwolfer: I knew he was lying to me. And I saw your concert. You guys were awesome.

Me: Thanks. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: This is very fitting for us because I'm called Wolf Moon and you are Another Ultimate Blitzwolfer.

Another Ultimate Blitzwolfer: It sure is fitting.

Me: I'll start us off. (ACTIVATES LORD DRAKKON'S RIDEWATCH)

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Me: (SINGING DIVINELY AS BLUE FIRE SWIRLS AROUND ME)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

Every breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

I danced and fired waves of blue fire and smashed her down.

Nico: OH YEAH!

Qin: AWESOME!

Another Ultimate Blitzwolfer: Wow! That was beautiful!

Me: We had a lot of awesome karaoke sessions.

Luz: My turn! (ACTIVATES WEB CRUSHER'S RIDEWATCH)

(ONE NIGHT STAND BY ENRIQUE IGLESIAS PLAYS)

Luz: (SINGING DIVINELY AS THE BINARY CODE SWIRLED AROUND HER)

Let me tell you

Jenny's getting dressed up in my room

Puts on her skirt and she's looking good

6 a.m. and she's leaving soon

Says, what a crazy night, I had a real good time

But her kiss tells me it's goodbye

Just like nothing happened last night

But if I had one chance, I'd do it all over again

One-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

I don't think she's coming back for more, no, no

Now I'm left up in my lonely room

She left her underwear and her perfume

I never thought it could be this good

And I still feel her lips upon my fingertips

I'm trying hard not to feel rejected

Maybe the phone line's disconnected

But if I had one chance, I'd do it all over again

One-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

I don't think she's coming back for more

She was only looking

One-night stand

But I'd do it all over again for sure

But baby, like a blind man I rushed in

Now do I have the right to ask you

Will you be coming back again?

One-night stand

I don't think she's coming back

One-night stand

I don't think she's coming back

One-night stand

I don't think she's coming back

One-night stand

I don't think she's coming back for more

She was only looking

One-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

But I'd do it all over again for sure

I guess it was a one-night stand

One-night stand

I guess it was a one-night stand

A one-night stand

I guess it was a one-night stand

One-night stand

I guess it was a one-night stand

One-night stand

She danced and fired waves of techno energy and smashed down Another Ultimate Blitzwolfer!

Qin: OH YEAH!

Me: Rock on Luz!

Kaito: (gets out Go Onger gear) It's about time we met a friendly face again.

Zocks: (Gets out Gekiranger gear) The last 2 were jerks.

Me: Yeah they sure were!

Another Ultimate Blitzwolfer: Boy you guys must've been pissed to see them.

Me: We were.

Kaito got an RPM Sword and Zocks got a Jungle Fury Staff!

Amity: Lets see how you like this one. (ACTIVATES LUMINE'S RIDEWATCH)

I heard you on my wireless back in '52

Lying awake, intent at tuning in on you

If I was young, it didn't stop you coming through

Oh-a, oh-a

They took the credit for your second symphony

Rewritten by machine and new technology

And now I understand the problems you can see

Oh-a oh-a

I met your children

Oh-a oh-a

What did you tell them?

Video killed the radio star

You were the first one

Oh-a oh-a

You are the last one

Video killed the radio star

In my mind and in my car

We can't rewind, we've gone too far

Willow Park: My turn! (ACTIVATES DR. CHICAGO'S RIDEWATCH)

(GEORGE OF THE JUNGLE BY THE PRESIDENTS OF THE UNITED STATES PLAYS)

Willow Park: (SINGING DIVINELY AS LEAVES AND GRASS SWIRLED AROUND HER)

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

George, George, George of the Jungle

Lives a life that's free

Watch out for that tree

When he gets in a scrape

He makes his escape with

Help from his friends an

Ape named Ape

And his elephant shep can fetch a log

He's mans best friend he's George's dog

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

George, George, George of the Jungle

Friend to you and me

Watch out for that tree

Hear him holler swing and sing

All the animals come to the jungle king

So grab a vine and swing in time

If you smack a tree just pay no mind

Like…

George, George, George of the Jungle (x13)

Swing from tree to tree

Watch out for that tree

George, George, George of the Jungle

Lives a life that's free

Watch out for that tree

Lost in the wild was a baby with a smile

Named George who stayed for quite a while

And George grew up in the trees above

When Ursula found him they found love

She took him to the city took him straight downtown

But the concrete bliss brought poor George down

So it's back to the jungle for a wedding in the green

For the king and queen of the animal scene

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

WATCH OUT FOR THAT!…

*BANG! OOH! TREE!*

George, George, George of the Jungle

Watch out for that tree!

She danced and fired waves of leaves and grass and flowers and smashed down Another Ultimate Blitzwolfer and trees crashed onto her!

(I'LL REMEMBER BY MADONNA PLAYS)

Camie: (SINGING DIVINELY AS FLOWERS AND LEAVES SWIRLED AROUND HER)

Hmm, hmm

Say goodbye

Not knowing when

The truth in my whole life began

Say goodbye

Not knowing how to cry

You taught me that

And I'll remember

The strength that you gave me

Now that I'm standing on my own

I'll remember

The way that you saved me

I'll remember

Inside I was a child

That could not mend a broken wing

Outside I looked for a way

To teach my heart to sing

And I'll remember

The love that you gave me

Now that I'm standing on my own

I'll remember

The way that you changed me

I'll remember

I learned

To let go

Of the illusion

That we can possess

I learned to let go

I travel in stillness

And I'll remember happiness

I'll remember, hmm

I'll remember, hmm

And I'll remember

The love that you gave me

Now that I'm standing on my own

I'll remember

The way that you changed me

I'll remember (I'll rememeber)

Now I'll never be afraid to cry

Now I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

Now I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

And I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

And I finally have a reason why

Remember

(RAIN BY MADONNA PLAYS)

Carly Atlas: (SINGING DIVINELY AS LIGHTNING AND DARKNESS SWIRLS AROUND HER)

I feel it…

It's coming…

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard, I know it's real

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When you looked into my eyes

And you said goodbye could you see my tears?

When I turned the other way

Did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky?

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like…

Here comes the sun! Here comes the sun

And I say, never go away

Waiting is the hardest thing

(It's strange)

I tell myself that if I believe in you

(I feel like I've known you before)

In dream of you

(And I want to understand you)

With all my heart and all my soul

(More and more and more)

That by sheer force of will

(When I'm with you)

I will raise you from the ground

(I feel like a magical child)

And without a sound, you'll appear

(Everything strange)

And surrender to me, to love

(Everything wild)

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

I feel it, it's coming

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

I'll stand out on the mountain top

Until I hear you call

My name

Rain

She danced and Carly and Aslla Piscu fired waves of orange fire and lightning and darkness and smashed down Another Ultimate Blitzwolfer!

Nico: ALL RIGHT!

Qin: ROCK ON YOU TWO!

Maria: I hope the next Gene Slammer is near.

Me: Me too.

But then mine and Jack's marks glowed.

Me: WHOA! I feel an intense power.

Nico: Wow! That is amazing! It's mindboggling!

Carly Atlas: What is it?

Misty Tredwell: It's a strong one.

But then roars were heard and we saw THE SIGNER DRAGONS!

We saw Stardust Dragon, Red Dragon Archfiend, Black Rose Dragon, Ancient Fairy Dragon, Black Winged Dragon, Life Stream Dragon and Phoenix Rebirth Dragon!

Nico: WHOA!

Carly Atlas: Wow! The Signer Dragons!

Qin: COOL!

Stardust Dragon: (In a girls voice) Awesome to see you all here.

Red Dragon Archfiend: (In a girls voice) We got this.

They reverted back and they were 7 girls.

The Stardust Dragon gene-slammer was a girl with sea foam green hair, sea foam green clothes and had the Head Mark of The Dragon on her right arm and had sea foam green wings and the kanji for star in the middle of her forehead.

The Red Dragon Archfiend gene-slammer was a girl with dark red hair and red clothes and had the wings Mark of the Dragon on her right arm and had dark red wings and the kanji for demon in the middle of her forehead.

The Black Rose Dragon Gene-slammer was a girl with red hair and red clothes and had the front claw Mark of the Dragon on her Right Arm and had red and black angel wings and had the kanji for Rose in the middle of her forehead.

The Ancient Fairy Dragon was a girl with blue hair and blue clothes and had the back claw Mark of the dragon on her right arm and had blue butterfly wings and had the kanji for fairy in the middle of her forehead.

The Black Winged Dragon Gene-Slammer was a girl with black hair and black clothes and had the Tail Mark of the Dragon on her right arm and had black angel wings and the kanji for Crow in the middle of her forehead.

The Life Stream Dragon Gene-slammer was a girl with orange hair and orange clothes and had the Heart Mark of The Dragon on her right arm and golden yellow angel wings and had the kanji for life in the middle of her forehead.

And the Phoenix Rebirth Dragon Gene-slammer had neon orange hair and orange clothes and had the Phoenix Mark of The Dragon and had fire angel wings and had the kanji for phoenix in the middle of her forehead!

Nico: Whoa! Xena Starbeam, Elrena Firebolt, Flora Halinora, Abigail Applejack, Laniya Vexxington, Hailey Greengrass and Rhonda

Zexxington!

Xena Starbeam: It's good to see you again Nico.

Elrena Firebolt: We'll take care of this.

They fired waves of energy and blasted down Another Ultimate Blitzwolfer and I caught the ridewatch and purified it and I went over and Jenna was back to normal and like in the magazine she was beautiful and was in a bikini.

I picked her up.

Jenna Seraton: (GROANS) What a massive headache.

Me: But you're back to normal.

I brought her over and Varie looked her over.

Me: That's amazing that you girls are gene-slammers of the Signer Dragons.

Xena Starbeam: Well we are more than just gene-slammers of the Signer Dragons. We are also the guardian angels of the Signers. Thousands of years ago 7 girls were chosen as the guardian angels of the Signers.

Elrena Firebolt: For eons we have watched over the Signers for many generations and our mission was to protect them from the very forces of the darkness of Earthbound Immortals.

Flora Halinora: We are known as The Avatars of The Crimson Dragon and our mission is to protect the Signers from all threats posed by the Earthbound Immortals.

Me: That's a massive and incredible responsibility. How love have you girls been watching over the Signers?

Rhonda Zexxington: We have been watching over you all for over 10,000 years ever since the Crimson Dragon and the First Signers defeated Red Nova and the Earthbound Immortals and sealed them into the Nazca Lines.

All of us: WOW!

Eli: That's incredible!

Me: That is amazing that you have been looking out for the Signers for all these eons.

Qin: Yeah no kidding!

Laniya Vexxington: It's a massive job but we were given an incredible responsibility.

Abigail Applejack: It sure is a big one. And J.D., Jack we're really proud of you guys for having the Dark Signers of Aslla Piscu and Ccarayhua in your families. You two are more than perfect for each other.

Me: We are too.

Jack Atlas: What are your favorite memories of Nico?

Xena Starbeam: We have a lot of them but they are all mostly in history class. We specialized in the Nazca Lines and what they were made from.

Elrena Firebolt: We didn't reveal how they got there but we told everyone what they represented spiritually.

Abigail Applejack: Yeah. It's complex.

Nico: That was awesome.

Qin: It sure is.

Nico hugged them.

Nico: I missed you girls.

Xena Starbeam: We missed you too Nico.

Maria: Now, if only some Gene Slammers were in the Masters of Evil.

Carly Atlas: I have a feeling there will be soon.

Me: But that would be really incredible to see.

Qin: It sure would be.

We went back home.

Lincoln: Wow, we're here in Kalamazoo, Michigan, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got word that rotten to the core monster, Nathaniel Durrest, has broken out of prison, and he wants revenge on Natasha Katariina for taking him down and sending him to prison forever.

Natasha Katariina: (Estonian Accent) If that rotten to the core monster thinks he's going to get away with this, he's got another thing coming.

Nico: He's just going to get his ass kicked again.

Me: And this time, he's going to get locked up forever.

Lincoln: This time, in The Uranus Prison's Solitary Confinement for all the trouble he's caused me and Natasha so long ago, and thanks for joining us, Dante.

Dante Vale: You're welcome, Lincoln.

Suddenly, the seven Marks of the Dragon on the right arms of Xena Starbeam, Elrena Firebolt, Flora Halinora, Abigail Applejack, Hailey Greengrass, and Rhonda Zexxington were glowing. Then, Leia Nyamuragira, Joy Kiramenshikov, Yuriko Yamaguchi, Alexis Nikolai, Hannah Montgomery, and Heather Riley felt a very sharp pain on their right arms and blood was coming out, and then as the pain finally stopped, we saw that Leia Nyamuragira, Joy Kiramenshikov, Yuriko Yamaguchi, Alexis Nikolai, Hannah Montgomery, and Heather Riley now have the Marks of The Dragon on their right arms.

Nico: Whoa!

Lincoln: That's right, Leia Nyamuragira, Joy Kiramenshikov, Yuriko Yamaguchi, Alexis Nikolai, Hannah Montgomery, and Heather Riley weren't the only ones Gene-Slammed into The Signer Dragons, and that's so cool they also now have the Marks of The Dragon. But, this also means…

Nico: Yep, the second Phoenix Rebirth Dragon Gene-Slammer is nearby, dude, and she probably now has the same Mark of The Dragon on her arm as J.D.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of five girls screaming for help, along with the sound of sadistic and malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Nathaniel Durrest and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the five girls, but they've been cornered by Nathaniel Durrest and he's going to kill them.

?: (Girl's voice) That rotten to the core son of a bitch, let's get him and rip him in half!

Suddenly, we saw the Duel Monster, Phoenix Rebirth Dragon, appear before us.

Rhonda Zexxington: That's Phoenix Rebirth Dragon, but J.D. didn't summon it and I'm right here too.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Roxanna Brenton, but we'll talk later, time to take down that rotten to the core monster for good and throw him back in prison.

We rushed over, and right before Nathaniel Durrest could kill the five girls, Lincoln fired powerful rainbow energy balls and elemental forces at that filthy animal, and that allowed the five girls to get to safety in a rainbow energy field created by Lincoln to protect them from Nathaniel Durrest, and when Nathaniel Durrest saw us, he was really enraged and pissed off, especially when he saw Natasha Katariina and Lincoln.

Nathaniel Durrest: (Really Enraged) (Growling Angrily) YOU!

Natasha Katariina: (Estonian Accent) I should've known you'd one day break out of prison, you filthy animal.

Lincoln: We warned you of what'll happen if you dare to break out to get revenge on us, Nathaniel Durrest, and now, you're going right back to prison and you're going to be locked away for good in one of our space prisons, and you'll never ever be welcome on Earth or society ever again, you filthy animal!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel

Then, Lincoln and Natasha Katariina fired powerful rainbow energy blasts which hit Nathaniel Durrest and he was then bound in a rainbow energy straitjacket and rainbow energy chains, and that's when Sheila, Eric Loud, and Tom arrived and they grabbed Nathaniel Durrest and threw him into the police car and when Lincoln and Natasha flipped him the bird, he screamed in extreme rage and anger as we saw his eyes turn red with hatred and he was foaming at the mouth like a rabid dog and cursing like crazy as the car drove off. We cheered wildly as we holster our weapons and power down.

Lincoln: Have fun rotting in your new prison cell in The Uranus Prison, you filthy animal. (To Roxanna Brenton) And it's so good to see you again, Roxanna Brenton.

Roxanna Brenton reverted back to normal, and she was a beautiful girl with long flowing crimson red hair, crimson red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful crimson red angel wings, black horns on her head, seven red phoenix tails with crimson red feathers and crimson red dragon tail, she has the Mark of The Dragon on her right arm and The Glyph of The Crimson Dragon on her left arm, and she's dressed in a sleeveless crimson red open blouse, sleeveless crimson red midriff top, crimson red skirt, crimson red pants with designs on the legs, red knee-high boots, and long white sleeveless trenchcoat with crimson red flames, phoenixes, and dragons on the coattails and Phoenix Rebirth Dragon and the glyph of The Crimson Dragon on the back and holstered on her back is a Phoenix Rebirth Dragon-themed large greatsword with Phoenix Rebirth Dragon etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red dragon heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large crimson red phoenix heads and a large crimson red gem on the bottom of the large phoenix heads for the pommel.

Roxanna Brenton: You too, Lincoln, it's been a long time.

Lincoln went up to Roxanna Brenton and he hugged her, and Roxanna Brenton is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Roxanna Brenton: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Roxanna Brenton, she's my Guardian Angel from Denver, Colorado and my classmate in Math, she was born with immense and really intense crimson red fire powers, immortality, mastery of phoenix and dragon fire, massive and beautiful crimson red angel wings, seven red phoenix tails, black horns, and a crimson red dragon tail.

Me: That's really awesome and cool!

Lincoln: Yep, but there's also another secret that she has: she was also chosen to be the Emissary of The Crimson Dragon, and it also proved you right of what you said yesterday, J.D.

Eli: Whoa.

Nicholette Torrington: And her reputation for burning villains and bullies has earned her the moniker "The Crimson Draconic Phoenix Angel", and she's one of the most powerful fire wielders in the Guardian Angels.

Nico: And with a moniker like that, whoever messes with Lincoln is really going to get burned big time.

Giselle Harrington: Funny you should say that, Nico, because long ago, she also took on the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's out-of-control wrath, and in the end, those four got badly burned and branded with a phoenix mark, which means if they dare to try and kill Lincoln again, The Crimson Draconic Phoenix Angel will come after them, and they're really going to get burned.

We gasped.

Me: Oh man, she branded them?!

Luna: (Snickers) Yep, right on their butts, dude. They couldn't even sit down for weeks, and if they tried to, they were going to scream.

Nico: (Winces) But, that's also a warning, if they try to kill Lincoln again, their butts are so going to get fried.

Roxanna Brenton: You got that right. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Roxanna, are you absolutely sure?

Roxanna Brenton: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Roxanna Brenton and he saw they're really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Roxanna Brenton's neck with crimson red gems on the gold lightning bolts and crimson red crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Roxanna Brenton: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Roxanna.

Roxanna Brenton had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Roxanna Brenton's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Princess Aura, Tart, Souffle, Cream, and Jyuken from Juuni Senshi Bakuretsu Eto Ranger.

Lincoln: Oh wow, it's Princess Aura, Tart, Souffle, Cream, and Jyuken from Juuni Senshi Bakuretsu Eto Ranger.

Nicole: Awesome!

Lincoln: Are you girls okay?

Princess Aura: Yes, we're okay, thanks to you.

Then, when Princess Aura and the other four girls saw who it was that saved them from Nathaniel Durrest, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on his left ring finger which also merged with his Orange Buffalo Animal Spirit Ring, large Blue Lantern ring on his right ring finger and small planets orbiting around his fingers like rings, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Princess Aura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Princess Aura: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Aura, Tart, Souffle, Cream, and Jyuken with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain was Nathaniel Durrest, Lincoln and Natasha Katariina's old enemy who broke out of prison to get revenge on them for taking him down and throwing him in prison forever.

But, when Lincoln showed what we did in pulverizing that filthy animal and what he and Natasha did in restraining him, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Roxanna Brenton have a lot of catching up to do now that she's back in town.

Maria: That filthy animal had some nerve to break out of prison.

Lincoln: He didn't even have a plan in place, he just started trouble by attacking the guards and then, he escaped from prison to get revenge, but it's good that we stopped him for good.

Nico: And now, that filthy animal's heading to a new prison far from Earth.

Me: Where he'll stay until the day he dies.

Lincoln: Someone like that doesn't deserve to be running loose again.

And we would soon be proven right: Nathaniel Durrest was then sent to The Uranus Prison, and his original Life Sentence was upgraded to Eternity in Prison without the possibility of parole, and he was locked up for good in Maximum Security Solitary Confinement because he was really dangerous and he had a habit of trying to break out of prison and causing havoc. To make sure he wouldn't cause any trouble again, he was chained to the walls of his prison cell with Neutronium chains and rainbow energy chains, and he was left seething with rage.

---

After putting down Nathaniel Durrest and throwing him in prison forever, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Roxanna Brenton saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Roxanna Brenton: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Roxanna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Roxanna Brenton: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Roxanna, how did you take on the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's out-of-control wrath?

Roxanna Brenton: You're going to like this. One day, I was with Lincoln and we were at Gus' Games and Grub for some fun and games, and we were joined by the other Guardian Angels, but our day of fun got ruined when we saw a knife thrown at us and it hit a wall, and we saw who it was that threw it: it was Lori, Lynn, Lola, Lisa, and Luan, and they were really out for blood. When some of the other Guardian Angels saw them, they wanted to finish what they started and kill them, but I stopped them and I fired powerful blasts of fire at them and they got burned badly and Lincoln fired red energy blasts from his wings and it turned into rope and tied them up. We called Mr. and Mrs. Loud and after telling them of what those five rats did, they got grounded for twenty-five weeks, and to make my point, I branded them on the butt with a phoenix mark warning them if they try to kill Lincoln again, the wrath of the other Guardian Angels would be the least of their worries, because I was going to come for them and I'll really burn them. After the punishments, Leni threw Lori in a cage in her room, Luna did the same with Luan in her room and Lynn in Lucy's room, Lana threw Lola in a cage in her room, and Lily did the same to Lisa.

We cheered wildly and laughed hysterically at the branding Roxanna did to Lori, Lynn, Lola, Lisa, and Luan.

Nico: Oh man, now that's what I call a serious form of payback and a warning.

Me: You got that right.

Lincoln: Yep, and it was really painful, but they ignored it because of their desire to kill me again, but when we all saw Roxanna's warning phoenix mark brand was glowing, we knew if Roxanna catches it, they're so going to get burned, and she's right: the wrath of my other Guardian Angels would be the least of Lori, Lynn, Lola, Lisa, and Luan's worries, even though they wanted to kill them for all the nasty things they did to me in the past.

We got a shower afterwards, and then, Nico and his harem were heading to Palombaggia Beach in Porto Vecchio, France.

Nico snapped his fingers, and the 7'5", handsome and extremely muscular man was dressed in a large dark blue speedo with a dragon surrounded by elemental forces and stars on it and dark blue flames coming off the speedo, dark blue sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

May: Wow, what is this place, Nico?

Nico: This, May, is Palombaggia Beach in Porto Vecchio, France, and it's one of the best beaches here in France. Shall we?

Nico and his harem dived in and they saw the marine life there and they also had a swimming race and had a lot of fun, and they went back to the sand and they had a game of volleyball and his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Nico made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Nico and his clones, and they placed their right hands on the massive wide and muscular left pecs of Nico and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln and I also saw Nico had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Nico, how was your date?

Nico: Really awesome, Linc, we went to Palombaggia Beach in Porto Vecchio, France.

May: (Seductively and rubs her hands on Nico's massive and wide pecs) And we definitely had a fun time there, honey.

May kissed Nico on the lips again, and his face turned atomic red and steam came out of his ears, but he also returned it, and he did the same with all the other girls in his harem and we saw the same thing.

Lincoln: (Snickers) Looks like someone's about to have a little private fun after our mission today.

Roxanna Brenton: (Seductively) He's not the only one, Linky.

Lincoln's face turned atomic red when he heard that: he was in for one wild time tonight after our mission today.

---

Later it was time for Moondancer's 3rd Ambassador Mission and it was going to be a really good one.

Me: I have a feeling this will be a good one.

Moondancer: Me too!

William: Anyone else wanna go with Moondancer? Besides Juniper Lee and Zick.

Twilight Sparkle: Me and my friends will go with.

Sunset Shimmer: Awesome!

Minuette: And so will me, Twinkleshine, Lemon Hearts, Lyra and Vinyl Scratch.

Nico: Cool cool.

Qin: This will be fun too.

Rhonda Zexxington: And I'll go too. It's part of my sacred duty to protect J.D.

Me: That's cool. Okay then.

Nico: Are we ready?

We were ready.

Nico: Lets go.

We were off to New York City!

* * *

NEW YORK CITY, NEW YORK

* * *

We arrived in New York City.

Me: Here we are guys.

Rhonda Zexxington: I always love New York City. It's an amazing city.

Me: They don't call it the City That Never Sleeps for nothing.

We went into the Ghostbuster Headquarters.

Kylee: Hey guys!

Moondancer: Guys, these are Juniper Lee and Zick.

Juniper Lee: Awesome to meet you. Juniper Lee.

Zick: And I'm Ezekiel but you guys can call me Zick.

Me: And this is Twilight Sparkle and Moondancer's friends.

Sunset Shimmer: Awesome to meet you all. Sunset Shimmer, Princess of Fire.

Rainbow Dash: Rainbow Dash, Princess of Air

Fluttershy: Fluttershy, Princess of Life.

Rarity: Rarity, Princess of Water.

Applejack: Applejack, Princess of Earth.

Pinkie Pie: Pinkie Pie, Princess of Tech.

Starlight Glimmer: Starlight Glimmer, Princess of The Undead.

Minuette: I'm Minuette.

Twinkleshine: I'm Twinkleshine.

Lemon Hearts: Lemon Hearts.

Lyra:Heartstrings: Lyra Heartstrings.

Vinyl Scratch: And I'm Vinyl Scratch.

Eduardo Riviera: Wow! It's awesome to meet you girls.

Me: And this is one of Nico's friends and my Signer Guardian Angel.

Rhonda Zexxington: Rhonda Zexxington. Awesome to meet you all.

Garrett: Same here. It's an honor.

Roland: (to Zick and Juniper Lee) Bringing you guys was a wise choice on JD's part. After all, you both deal with the supernatural.

Juniper Lee: Not just the supernatural.

Me: June has this amazing power that enables her to see not just the spirits of the Supernatural but she also knows all about the worlds of the mystical, paranormal and the mythological. She is what's called The Te Xuan Ze. That is the peacekeeper that maintains the balance between the worlds of the Physical and the Spiritual planes.

Nico: Yeah it's a massive responsibility.

Kylee: That is incredible.

Siren: It's true. I've seen her in action and she is strong too.

Me: Yep.

Zick: And my job is very similar. I'm a monster tamer.

Me: Zick's job is to tame monsters. The worst of them all being Magnacat.

Kylee: What is he like?

Me: Pure evil. He has caused a tremendous number of problems in the past for Zick.

Zick: Not all monsters that I've faced are evil. In fact, I know a community full of peaceful ones. (grimaces) Even Bombo, who likes eating my shoes.

Me: (LAUGHS) Yeah he is funny and cool. He cracks me up.

Kylee: I can see that Zick is not wearing shoes now as he was in his bare feet.

Zick saw that it was true.

Zick: Aw man! Bombo!

We laughed!

Me: What can I say? He likes to eat shoes. Just like how Billy likes to eat socks.

Lincoln: That is really funny!

Danny Phantom: It sure is.

Rainbow Dash: No worries Zick. I'll be right back.

ZOOOM!

Rainbow Dash used her Super Speed and ran to the shoe store she worked at and bought a pair of shoes his size for him and came back fast and she put them on him.

Zick: Wow! Thanks Rainbow Dash.

Kylee: Wow! She is fast!

Me: Rainbow Dash has amazing Super Speed. And don't worry we'll make sure Bombo doesn't eat those. Those are awesome shoes.

They were black rainbow lightning shoes and they were cool.

Eduardo: So, how's Eddy doing?

Juniper Lee: Can you be more specific?

Garrett: Luan's boyfriend, kinda short, has a badass blaster, was a former scammer, archenemy of Dark Spicer, and went berserk on us due to an evil split personality. You should know who we're talking about.

Me: You're starting to sound like Numbuh 5's dad there. But yeah we know what you meant. He's doing good so far. We did some detective work and found out that it was because of an old enemy of Luan's past that busted out of jail. She busted out two jerkwad stinkers that we hate too.

We told them everything that happened and it was crazy!

Kylee: Oh man! So this Abby Sanchez and Hawk and Hank did it to restart the 20 Days of Darkness!

Me: Yeah they wanted Luan to suffer by hurting Eddy.

Zick: Don't worry. He's not gonna be causing anymore assaults on us except for every 1st mission.

Juniper Lee: And even then, he'll have 23 more teams of heroes to deal with.

Me: Nico put a curse on Nega Eddy that will banish him to the Black Gates after 24 Times have passed that he comes out. And One of Lincoln's Guardian Angels made a magic ring for him that will make Nega-Eddy feel the pain that Eddy takes from a nasty beating.

Kylee: Smart thinking there.

Nico: Yeah.

Twilight Sparkle: Yeah it was really awesome.

Kylee: But what are the Black Gates?

Me: The Deadliest technique we have in our arsenal.

Garrett: We actually got 2 new situations on our hands. One is a ghost problem. (Growls) The other involves a so called friend!

Me: Uh oh. What's going on? Have the Vathek started making their move early?

Garrett: No worse.

He told us that a bunch of men are defacing the Beth Shalom Synagogue and the Golem is attacking too.

Me: The Golem? The Legendary Rock Man from Czech Republic myth?

Garret: Yeah.

Me: And defaced a synagogue!? (GROWLS) I hate that!

Zick: I'm guessing you used to be friends with one of them?

Garrett: Yeah you could say that.

They told us about Spencer's Crew, a gang of Racist Thugs.

---

Spencer's crew are a group of five sports enthusiasts who are racist - Kevin, Spencer, Trey, Charlie, and an unnamed fifth.

In 1997, Kevin and an unnamed friend broke into the Beth Shalom Synagogue. They vandalized the synagogue with racist graffiti and property damage. However, they were attacked by a Golem and covered in clay. The police remanded them to Memorial Hospital. After reaching a dead end, the attending doctor called in the Extreme Ghostbusters the next day. Meanwhile, Roland Jackson and Garrett Miller ran into Spencer, Trey, and Charlie running a simple basketball pick up scam and whittled $50 from an unsuspecting pair. Though not outright saying it, the crew didn't take too kindly to Roland but Garrett was unaware of it. Garrett soon began hanging out with them at a local gym then taking part in their pursuit of an adrenaline rush - parachuting from a secured rooftop.

A couple of days later, the crew took Garrett along to the synagogue to get some payback. Garrett realized they were the vandals and tried to convince them to stop. They shoved him off his wheelchair and continued with their revenge. Their act did not go unnoticed and the Golem attacked them. The Ghostbusters eventually destroyed the Golem, freeing its victims. All five in the crew were arrested.

---

When it was done we were shocked and disgusted with them!

Me: Those motherfuckers!

Nico: They are the true scum of the Earth those racist fuckwads!

Me: Not even conventional weapons are powerful enough to destroy it. Energy blasts and bombs can.

Eli: Even nukes can do so.

Me: That's a little too extreme.

Kylie: We better get to where it is.

Eli: I sense it's not far from the nearest synagogue.

We were off.

Roland: We're getting close. I can see the clay trail.

Me: At least he won't be hard to find.

Eli: That's true.

Me: But the Golem is made of solid rock. It doesn't leave a clay trail.

Nico: But apparently this one does.

Moondancer: Weird. It is like Clayface in a way.

Me: And it's doing it's job of defending the Jewish population from Religious Persecution. Very interesting.

Danny Phantom: Yeah.

Me: By the way guys how are your shoulders doing?

Kylee: Better.

Garrett: Yeah we're fine.

Me: Good. Varie did a great job healing you all up.

Rhonda Zexxington: That is a good thing.

Garrett: I didn't even get shot in the first place.

Me: I know. But at least you're okay.

Nico: Thank goodness.

Eli: He's close.

Eduardo: I think we're getting close.

Me: Wait look.

We saw Spencer and his gang!

Me: There's spencer and his gang.

I pulled out my gun and then fired and it hit one of the thugs in the leg.

Me: YOU MOTHERFUCKING ASSHOLES ARE IN BIG TIME TROUBLE!

Spencer: Not happy to see us, G Man?

Garrett: Only my friends get to call me that! You forfeited that right when I learned the truth!

Me: Especially after how you hurt him you motherfucking Nazi!

They gasped at me calling them that!

Spencer: WHAT THE FUCK DID YOU CALL ME!?

Me: You heard me! Or is your teeny tiny dickless brain shriveled up from all that hatred!? NAZI!

They were enraged beyond all measure!

Spencer: I WILL DESTROY YOU!

He went at us and then!

POW!

I punched him in the face and sent him crashing into the man I shot!

Spencer got up and went at me and I roared and we went at each other and I punched him in his face and kicked him in his nose and broke it and I punched him in the face and grabbed him and threw him to Nico and then Nico did a Haymaker and kicked him into the ground!

Juniper Lee: Time for some Eyecon action!

AL CAPONE! KATTY KATTSWELL!

She fired waves of energy and kicked the thugs in their asses big time!

Nico: YOU MOTHERFUCKERS!

Spencer: YOU TRAITOR! HOW COULD YOU DO THIS! WE USED TO BE FUCKING FRIENDS!

Garret: You were racist towards Roland, provoked the appearance of a ghost, and then, took my wheelchair when I tried to stop you. (Gives him both middle fingers) Piss off!

Me: YEAH! (Gives Spencer both middle fingers) Piss off you motherfucking shitsucking fuckwipe!

Nico: As far as I can tell, You ARE NO FRIEND TO ANYONE!

We all gave him both middle fingers!

Me: FUCK YOURSELVES!

I punched him in the face and kicked him down and then I loaded a special magazine into my gun and then pointed it at his legs and then…

BANG BANG! SQUELCH SQUELCH!

HE SCREAMED IN EXCRUCIATING PAIN AS BOTH HIS LEGS WERE BLOWN OFF! TOTALLY SEVERED FROM HIS BODY!

Garrett: And now, you will know what it's like to be a cripple.

Me: I hope they rape you and then kill you in prison.

The cops came and cuffed them.

Nico: Bullets that explode on contact?

Me: Yep.

Eli: Nice.

Moondancer: Good riddance. But we're not done yet.

Danny and Lincoln's Ghost Sense went off and then we saw a figure coming and it was THE GOLEM!

Me: WHOA MAN! Is that the Golem?

Eduardo: It sure is!

Zick: I'm using an Eyecon now!

JULES VERNE! TRI-KLOPS!

He fired waves of energy and blasted the Golem all over.

Me: Suck on this one!

I fired waves of energy and blasted the Golem all over and blasted it really hard!

Nico: YEAH!

Zick fired an Energy Dom

It hit the Golem and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Nico: Nice one!

Me: Time for me to master The Wolf within me.

I concentrated and went Wolf Moon 🌙!

(RUNNING WITH THE WOLVES BY AURORA PLAYS)

Go row the boat to safer grounds

But don't you know we're stronger now

My heart still beats and my skin still feels

My lungs still breathe, my mind still fears

But we're running out of time

Oh, all the echoes in my mind cry

There's blood on your lies

The sky's open wide

There is nowhere for you to hide

The hunter's moon is shining

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the

Trick or treat, what would it be?

I walk alone, I'm everything

My ears can hear and my mouth can speak

My spirit talks, I know my soul believes

But we're running out of time

Oh, all the echoes in my mind cry

There's blood on your lies

The sky's open wide

There is nowhere for you to hide

The hunter's moon is shining

I'm running with the wolves tonight

I'm running with the wolves

A gift, curse

They track and hurt

Say can you dream

In nightmares seems

A million voices, silent screams

Where hope is left so incomplete

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the

I then glowed in a powerful blue fire and I grew wolf ears and a beautiful blue wolf tail and I grew blue fire wolf moon wings and I had the an image of the wolf moon in the middle of my forehead. I opened my eyes and they glowed a powerful blue and I had light blue sclera! I turned into A SUPER WOLF MOON XELNAGA!

Nico: WHOA!

Me: (Divine Echoing Voice of The Wolf Moon) **Time for the Wolf to be unleashed.** (WOLF HOWL!)

I went at the Golem with incredible speed and slashed it and hardened it into solid rock in a blast of blue fire!

Juniper Lee ran towards it.

And with a powerful kick she shattered the entire golem into a million pieces!

Moondancer: WOOHOO!

Eduardo: WHOA! Awesome job guys!

Me: **YEAH! That was awesome!**

My voice reverted back but not my body. I looked amazing in this new form.

Me: Wow. This is amazing. The power of the Wolf Moon and my spirit and Miraculous have now become 1.

Nico: You sure have. The wolf is amazing.

Eli: It sure is bro.

Nico: You have mastered the power of the Miraculous.

I smiled.

We came back.

May: Hey guys. WHOA! J.D. you look awesome!

Me: You won't believe what happened.

I went over what happened and it was shocking and amazing.

William: WHOA! Serves those dirt clods right!

Qin: Yeah no kidding! They had it coming.

Laney: Good riddance.

Eli: Yeah no kidding!

May: Next time, Yost Spidey and Yamato should go with you.

Yost Spiderman: Good idea!

Yamato: Awesome choices.

Qin: Yeah!

Moondancer: I would like that.

Me: And to be honest guys, I like this transformation.

Marinette: But this is amazing that you have mastered the power of Wolf Moon. Your spirit and the Wolf in you are now one.

Me: They sure are Marinette. I'm gonna go out and get some fresh air. I need to cool down after releasing all that rage on those dirtbags.

Nico: Okay.

I went out on a walk.

---

I was walking down the street and taking in the sights and sounds of the city and enjoying the beauty of the plant city.

Me: Man it's a gorgeous day.

I walked and enjoyed myself.

Me: (Inhales) Ahh. So calm and fun. Nothing can ruin it.

But then…

BONK!

Something hit me on my head.

Me: OW! (Sees something) What the?

I saw a black book on the ground.

Me: Someone threw away a book. Looks like a journal.

I picked it up and flipped it over and I saw a title and it was THE DEATH NOTE BOOK!

Me: (GASP!) The Death Note! I thought it was just a legend!

I then went back to the Estate!

I came back.

Nico: Have a nice walk?

Me: I sure did and it was what I needed. But you guys are not going to believe what I found! Look!

I showed everyone THE DEATH NOTE BOOK!

Everyone gasped!

Nico: The Death Note Book!?

Brittney: OH MY GOD! It IS Real!

Nico: Where did you get that!?

Me: It hit me on the head and I found it. I thought someone lost it.

Eli: That book is incredibly dangerous! If you write down someones name in it they literally die! For real!

Me: Oh man! (GULPS)

Winter Soldier: J.D, I know how much you hate scumbags like Flip. But I think you have to throw that book in a dumpster!

Me: I know but Lincoln showed me his Manga collection for Death Note and I saw how deadly this book is.

Nico: Let him see if it works guys. But only on a random person he hates.

I went to a desk.

Me: Lets see.

I pulled out a list of Death Row Inmates.

Me: Here we are. This one looks good. Hope he likes hell.

I showed a viewing window of the man.

I opened it and wrote down his name and the manner of death he will die in.

Me: Samuel Elmore - Eaten by swarm of piranhas in a tank.

Then in an instant in real life it REALLY HAPPENED! Samuel Elmore who was convicted of rape and sexual battery was mutilated and bloody by a massive swarm of piranhas in a tank!

Nico: OH GOOD GOD!

Eli: WHOA! That is a gruesome way to die!

Ice: (Norwegian Accent) What do you hate about that guy specifically?

Me: The fact that he raped his own daughter and sexually battered her.

Qin: YIKES!

Nico: Well he deserved it.

Me: Yep. That's why I'm going to use this as a last resort.

Shockwave: J.D., with all due respect, if you do not dispose of that book, one of us will be forced to do so.

Me: Noted Shockwave.

Nico: Shockwave stand down. J.D. swore that he will only use that book as a last resort because he knows how deadly that book can be. And we're going to make sure he is holding that vow.

Me: You have my word guys. Besides I have seen what happened with Light Yagami and how he did all that with this book. He ended up turning into a vigilante serial killer. Like the Punisher.

Nico: Yeah he sure did. Just only use it as a last resort.

Punisher: Please don't compare me to that douchebag.

Wheeljack: Sorry, Frank.

Varie: How many people did he kill with that book?

Lincoln: I counted 135,412 people. All of them terrible criminals all over the world.

We gasped in shock and sheer amazement!

Qin: HOLY SHIT!

Nico: Almost 136,000 people!? THAT'S INSANE! He would have to be the most feared serial killer ever!

Eli: NO KIDDING!

Maria: No kidding.

Me: Hey Lisa. I saw in one episode that you found a version of this book right?

Lisa Simpson: Yeah that was crazy.

Lisa told us all about it from Season 34 Episode 6B - THE DEATH TOME (Parody of Death Note)

*SPOILER ALERT*

---

In a city, Lisa sees multiple adverts for awful things. As she's walking around, the Death Tome falls from the sky and onto the ground. Lisa picks the book up and starts to read the rules of it, which say that the book can be used to kill people. Lisa thinks that it's just a prank but puts the book in her bag anyway as she doesn't like throwing away books. Back at home, Marge is watching the news on television. When Lisa walks in, the news reports on Snake Jailbird, who has taken the cat Tofu hostage. Lisa uses the book to kill Snake with a heart attack and is shocked when it works. When Lisa goes upstairs, she is met by Steve Johnson, a Shinigami. Steve Johnson tells Lisa that now she used the book, it is hers.

When Lisa goes downstairs again, she finds that Mr. Burns is there. Burns tells the family that he is plotting to drown most of the world with his company Globo-Warm so that he can dock his yacht outside of his kitchen. Lisa decides to kill Burns with the book too so that she can save the world. When Steve Johnson points out that Globo-Warm has a huge board of directors too, Lisa gets to work killing all of them. Eventually, she succeeds in her goal. Soon after, the news reports on the deaths and says that an anonymous tipster known as L told them that someone had been using a supernatural book to kill them all. Lisa figures out that L is Bart and confronts him. When Lisa starts to kill Bart using the book, Bart is shocked that Lisa would kill her own brother. Lisa realizes that the book has corrupted her and uses it to kill Steve Johnson instead. As Lisa celebrates her new freedom, she turns into the next Shinigami instead.

---

When she was done we were shocked!

Nico: WHOA! That is incredible!

Laney: Yeah! Burns I can live with dying. But man that is incredible that Lisa saved the world like that.

Nico: Yeah.

Punisher: There's a difference between me and Light Yagami. Using the book, he doesn't even know if he's killing innocents or not. I use standard methods to kill scum. So I know which ones have to die.

Me: That is true Frank. This is Supernatural Power right here.

Qin: It sure is.

Me: That's why I'm ONLY going to use this book as a last minute resort only when absolutely necessary.

Lana: Okay. Just be careful with it.

Me: I will.

I put the book in a black case marked with a Skull and Crossbones and then put it in my bookbag.

Punisher: And now that I think about it, if that asshole comes for the book, I should take him down.

Nico: You can do so Frank.

Me: It's hard to imagine that he went from an ordinary kid to a monster hellbent on make a utopia world free of crime. That's like in every way like I would have been by ridding the world of Evil with the Black Gates. But no. That's way too easy. I'm not going to become like Light Yagami. What he was doing was sheer madness. The Death Note made him that way and I will not become like him. So I will do what I do best on him and that is give HIM the black gates.

Nico: Good call there.

Me: Thanks. After Frank shoots him when he shows up.

Qin: Yeah. Light will come for the book and when that time comes we'll be ready for him.

Eli: Yes we will.

Francis: Nico, what teams have you made this time?

Nico: Kaiba's team will include Aquarius, Noriko Kaiba, Alex Ramirez, Hailey Schroedder, and Neela Kaosudoragon. Rice's team will include Haruko Kamio, Misuzu Kamio, Chan Lee, Sailor Cosmos, and Sailor Moon.

Eli: Cool!

Alex Ramirez: I like that theme for the team too. The Blue-Eyes White Dragon 6.

Nico: I like it.

Xenia: And the Cosmic Bakugan 6. I like it too.

Potion Nova: Same here too.

Laney: I like the theme too.

Lana: So what's our mission?

Nico: We're going to meet Stuart Little and his family.

We were excited for this one!

Fluttershy: Oh Stuart Little is one of my favorites.

Lana: Mine too! Stuart Little is awesome!

Me: He sure is.

Then Dirty Bubble, Pinky & the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, Box Ghost, Evil Bubble Man, King Jellyfish, Yost Molten Man, Megavolt, Quackor the Fowl, Live Action Thrust, Platinum Princess, Garigari, Dragon Jellyfish, and Big Lenny appeared.

Dirty Bubble: Can me, Pinky & the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost go with you guys?

Evil Bubble Man: Me, King Jellyfish, Yost Molten Man, Megavolt, Quackor the Fowl, Live Action Thrust, Platinum Princess, Garigari, Dragon Jellyfish, and Big Lenny will come too.

Nico: Yes you all sure can. We're going to meet Stuart Little next.

Yost Molten Man: COOL! I love Stuart Little!

Carmen Dillo: Me too!

Nico: Yep. First we're going to watch Stuart Little and Stuart Little 2 and you'll see who our target is.

Me: Cool.

We got to watching both movies.

---

Eleanor and Frederick Little are intending to adopt a younger brother for their older son, George. They visit the orphanage where they are soon overwhelmed by the choice of children. They meet a young anthropomorphic mouse named Stuart, who advises them on who to choose. They fall in love with him and decide to adopt him. When George meets Stuart, he is shocked and disappointed to find his new little brother is in fact a mouse. He refuses to acknowledge

Stuart as his brother while the Littles' cat Snowbell, who attempts to eat Stuart when he first comes home, feels jealous of Stuart and sickened at the fact that he is now a pet cat to a mouse.

Despite a warm and loving welcome from his new parents, Stuart struggles to fit in with his new family who also have to get used to having a small mouse with them which leads to several incidents, such as Stuart accidentally being put in the washing machine with the laundry. Fortunately, Eleanor finds him in time and Stuart recovers after a coughing fit from swallowing too much detergent.

The Littles host a family gathering to introduce Stuart. Here, George openly says that Stuart is not his brother, but only a mouse who he cannot do any brotherly things with like playing ball or riding bikes. After the party, Stuart admits to his parents that he feels like an outcast and something is missing inside. Eleanor and Frederick visit Mrs. Keeper at the orphanage to try and find out about Stuart's real parents, but Mrs. Keeper has no information at this point. At home, George and Stuart begin to bond when Stuart falls into George's playroom in the basement while trying to escape Snowbell. The two of them finish off George's *Wasp* boat for an upcoming race. That night, Snowbell and his friend Monty, who visited the Littles' house earlier and discovered Stuart, host a meeting with Smokey, an alley cat mobster, hatching a plan to have Stuart removed from the Little household without killing him.

On the day of the boat race, the *Wasp* is finished, and the Littles arrive at Central Park, where George discovers that his nemesis, Anton, is there. As the race is about to start, Stuart accidentally destroys George's remote control, rendering his boat inoperable. To make up for this, he takes control of it himself. Anton, however, attempts to cheat by ramming his much larger boat into other ones and sinking them. When he attempts to do the same thing to the *Wasp*, Stuart manages to bite into the line of his sail, rendering Anton's boat inoperable. He subsequently wins the race.

That evening, the Littles take their first family photo together as a four before they are suddenly interrupted by the arrival of a mouse couple named Reggie and Camille Stout, who claim to be Stuart's biological parents who were forced to give him up due to poverty. The Littles reluctantly agree to allow Stuart to leave with his parents with George giving Stuart his toy roadster as a farewell present. The Stouts drive Stuart away from the Littles as they both look back at each other, heartbroken. Three days later, Mrs. Keeper visits the Littles enquiring to how things are going (not knowing that Stuart has gone) and to give them some news. She informs them that, according to the records, Stuart's parents died in a supermarket several years ago after a pile of canned food fell and crushed them. Realizing Stuart has been taken and believing the Stouts to be kidnappers who posed as his real parents, the Littles call the police, who start searching around the house.

Fearing that his deception will be exposed and he may lose his home, a frightened Snowbell informs Monty and Smokey that the Littles know about the Stouts so Smokey decides that Stuart must be killed instead. The Stouts are told by the cats to hand Stuart over to them. Filled with remorse, Reggie and Camille struggle to hide their emotions, so they tell him the truth; that they were cornered by the cats and in exchange for their lives, agreed to pose as his parents. Stuart is delighted to hear he is not a Stout and realises what has been missing: the Littles. He drives away in the roadster bidding farewell to his fake family. On his way home, Stuart is confronted and ambushed by Smokey and his gang, but manages to evade them by driving his car into the sewers, losing his car and luggage in the process when they both fall into the sewer water.

Meanwhile, the Littles and their extended family have been putting up missing posters for Stuart around the city, using his face from the family photograph. Stuart arrives home, only to find that he arrived too late because the Littles have already left the house when he came home and encounters Snowbell, who lies to him that the Littles have been happy since he left and shows him that his face has been cut from the family photograph. A heartbroken and tearful Stuart leaves, but Snowbell realizes the error of his ways when he sees the pain the Littles are going through and that Smokey and his cronies are still planning to hunt down Stuart.

Smokey and his gang return to Central Park along with Snowbell, trying to track Stuart down, but are unable to find him. Snowbell, unfit and out of breath, takes a break and finds Stuart up in a bird's nest. He tries to get Stuart to leave, but the cats return and find them in the tree together. Snowbell refuses to give Stuart to the hungry cats and takes him higher up the tree with the cats giving chase. Stuart is astonished that Snowbell is trying to save him which causes Snowbell to confess he lied about the Littles being happy without him and that they truly love him. Stuart is overjoyed and hugs Snowbell in gratitude. The cats see this and mock Snowbell when he asks that they cancel the hunt. Smokey refuses to listen and gives the order to kill them both. Stuart responds by taking off Snowbell's collar and using it to lure them.

The cats give chase, and eventually corner Stuart hanging from a tree branch. They get together on a lower one to catch him, but Snowbell saves Stuart by snapping the branch which sends Monty and the cats falling into the water below. A vengeful Smokey sneaks up behind Snowbell, but before he can kill him, Stuart intervenes by releasing a thin branch that smacks Smokey in the face, sending him tumbling into the water. Embarrassed, Smokey climbs out of the water and escapes, only to be attacked by a pack of dogs after turning a corner. Monty and the other cats also climb out of the water.

Snowbell takes Stuart home, where he looks in the window to find the Littles miserable without him. They are just heading to bed when Stuart calls out to them but they cannot hear him through the glass. He taps on it and George looks up to see Stuart. The Littles rush to him and are overjoyed to be reunited with their son and brother. They ask him how he managed to come home to which Stuart replies: "Every Little in the world can find the Little house" confirming he is a Little and is back where he belongs.

(STUART LITTLE 2)

Three years after his adoption, Stuart Little finds himself overprotected by his adoptive mother Eleanor. He questions his abilities following a disastrous soccer match alongside his adoptive brother George, who accidentally kicked him with a soccer ball, despite said kick scoring the winning goal for their team. He becomes even more downhearted after George's toy airplane is broken in an accident because of him. Stuart's adoptive father Frederick consoles him by telling him that "every cloud has a silver lining".

One day, a seemingly injured young female canary named Margalo falls into Stuart's roadster on his way home from school. Stuart takes her home and introduces her to the Little family, inviting Margalo to stay with them for a while, to which she accepts. Unbeknownst to the Littles, Margalo is secretly in cahoots with a greedy peregrine falcon, who treated her like a slave by forcing her to steal objects from households ever since he adopted her when she was orphaned. When the Falcon presses Margalo to find and take an object of value or lose a home that he promised her, she can't seem to concentrate on her job because she's starting to befriend Stuart. Eventually, the Falcon loses patience and threatens to kill Stuart if she doesn't deliver. Worried for Stuart's safety, Margalo reluctantly complies and steals a diamond wedding ring belonging to Eleanor later that night.

When the Littles discover that Eleanor's ring is missing, they mistakenly think it has fallen down their kitchen sink, not knowing that Margalo had taken it. Stuart offers to be lowered down the drain on a string to get the ring, but the string snaps while he is down the drain. Margalo saves him, but Stuart's thanks to her only makes her feel even more guilty, so she decides to leave. When he can't find her the next day, Stuart assumes she has been kidnapped by the Falcon and decides to rescue her with assistance from the Littles' cat Snowbell. Before he leaves, Stuart asks George to cover for him.

Following advice from Snowbell's alley cat friend Monty, Stuart and Snowbell discover that the Falcon resides in the Pishkin Building. Using balloons to make his way to the top of the building, Stuart confronts the Falcon, who reveals to him that Margalo is his slave and that she was forced to take Eleanor's ring while Margalo assures him that although she was following her master's orders, she is still his friend. Stuart begs her to come home with him, but the Falcon refuses to let her leave. Despite Stuart's best attempt to attack the Falcon by firing a bow and arrow at him, he decides to drop the mouse to his death, but Stuart narrowly survives the fall by landing in a passing garbage truck. The Falcon stops Margalo from saving Stuart and imprisons her in a paint can to prevent her from getting out. Snowbell, who has become concerned about Stuart, makes his way to the top of the Pishkin Building and finds Margalo while the Falcon is absent and she explains what had happened, making Snowbell tearfully believe Stuart was killed by the Falcon, not knowing that Stuart is still alive.

Regaining consciousness on board a garbage barge departing from the harbor, Stuart sadly considers giving up until he finds his and George's broken yet still-functioning model airplane on the barge. He cobbles it together with various pieces of junk and uses it to rescue Margalo and Snowbell. Meanwhile, the Littles discover that George has lied to them about Stuart's whereabouts after Eleanor, having believed that Stuart had a sleepover at his friend Will's house the night before, attempts to pick Stuart up, only to learn the truth from Will's mother that he never spent the night there. As a result, Eleanor and Frederick confront George, demanding that he truthfully tell them where Stuart is or face punishment. George is reluctant to break his promise, but when Frederick points out that Stuart's safety is more important than any promise and Eleanor asks George how they would feel without Stuart, he finally confesses Stuart's whereabouts by telling them that he is at the Pishkin Building. However, Frederick assures George that he is still in trouble for lying, as they head out and find Stuart.

Meanwhile, the Falcon discovers Snowbell in Margalo's place after he frees her from the paint can and prepares to push him off the building to his death. Before he can do so, he is intercepted by Margalo, who threatens to drop the ring if the Falcon harms Snowbell before disowning him as her master. The Falcon, furious that Margalo has defected from him, pursues her and attempts to take the ring from her, only for Stuart to intervene as he swoops in on his plane to rescue her. The Littles follow Stuart by taxi as he flies through Central Park, with Margalo at his side and the Falcon in hot pursuit. They lose the Falcon, but he catches up to them and makes an attempt to send the two plummeting to their deaths after detaching the plane's upper wing, damaging the main one and making it enter a steep dive, which fails when Stuart recovers from the dive.

Unable to outrun the Falcon, Stuart lets Margalo off to keep her safe from harm. He turns and flies the damaged plane in a kamikaze run while the Falcon goes into an attack dive in an attempt to kill Stuart. In order to let the Falcon's guard down, Stuart uses the light of the sun reflected in Eleanor's ring to temporarily blind him and quickly jumps out, using a bandana as a parachute. The kamikaze attack works and the Falcon is struck by the plane which explodes into pieces, sending him falling out of the sky before landing in a garbage can in front of Monty, who is scavenging for food. When his parachute is sliced apart by the shattered plane's propeller, Stuart falls, but is soon saved by Margalo. They reunite with the Littles, where Margalo safely returns Eleanor's ring before Snowbell also reunites with them.

Sometime later, Margalo says goodbye to the Littles and leaves to migrate south for the winter, with Stuart's infant sister Martha finally saying her first words "Bye, bye, birdie".

---

When it was done we were amazed!

Qin: That is awesome!

Carmen Dillo: Boy it sure is! And it's amazing that the Little's home is located right in between those 2 buildings like that in New York City.

Nico: It sure is cool!

Eli: Yeah it is!

Nico: Yep. And our target is the Falcon.

Lois Griffin: It was really cool how he sounded like James Woods.

Nico: Yeah! That is awesome.

Nico went over the history of the Falcon.

---

The Falcon is the main antagonist of the 2002 family film Stuart Little 2 and of the episode "A Little Bit Country" in Stuart Little: The Animated Series. He's a nameless, ruthless peregrine falcon who's described to be feared by all animals that he abuses and is known for stealing objects including planning to steal a wedding ring belonging to Mrs. Little. He also serves as Margalo's adoptive father figure, ex-boss and slave-driver and the primary arch-enemy of Stuart Little, Snowbell, and Monty.

In the film, he was voiced by James Woods, who also played Hades in Disney's Hercules, himself in Family Guy, Lex Luthor in Justice League Action, Owlman in Justice League: Crisis on Two Earths, Dr. Phillium Benedict in Recess: School's Out!, Gloomius Maximus in Rolie Polie Olie, Captain Ahab in The Adventures of Moby Dick, Ned Trent in The Specialist, George Sheffield in Scarface: The World is Yours, Martin Walker in White House Down, Lester Diamond in Casino, Byron De La Beckwith in Ghosts of Mississippi and Maximilian "Max" Bercovicz in Once Upon a Time in America. In the animated TV series, he was voiced by Pat Fraley.

It was revealed in Stuart Little 2 that the Falcon had found Margalo when she was an orphan and took her to his lair and he shared everything with her, even though he treated her more like a slave rather than a daughter figure.

In Stuart Little 2, the Falcon bullied all creatures living in Manhattan, including Margalo, making him a feared bird. He's known for stealing jewels and keeping Margalo to work as his pawn to work on many scams on families for him, including the Littles. When Margalo landed in Stuart Little's car, she gained the influence and trust of him and the rest of the Little family.

When the Littles were all out the next day, Margalo met with the Falcon and when he asked for any "valuables" the family had, she told him that they only had a ring. He asked for anything else and she stated that they were a kind, loving family that had each other to care for, much to his disgust. Falcon grew suspicious of Margalo actually beginning to like the family as much as they liked her. She remarked that no one else invited her to live with them, to which the Falcon reminded her that he found her as an orphan "plucked her out of the gutter" and "taught her a trade" and reminded her that she was there to do as he told her and get the valuables, not to make friends.

The more time Margalo spent with the family, she grew to like them and Stuart. The Falcon notices this one night when he spies on her spending a movie night with Stuart and sees how close they've both become. Finally losing his patience, the Falcon storms in on Margalo the next day when she was bathing in the birdbath and threatens her to fetch Mrs. Little's ring or else he'll eat Stuart. Margalo is forced to go through with this and she steals the ring and leaves later on in the evening. Stuart becomes concerned and worried about Margalo gone missing with only her pin left behind.

He suspects that the Falcon kidnapped her and sneaks out the house with Snowbell to go find her. They find out from Monty that the Falcon lives in the vacant observation deck of the Pishkin Building. Stuart arrives with a small bow and arrow as his defense weapon. He confronts the Falcon and asks him where she is, but then Margalo is remorseful behind him. The Falcon tells Stuart that Margalo's been playing him like a harp and reveals Mrs Little's ring. Margalo explained she didn't mean to hurt him. The Falcon mocks Stuart saying that he really thought that they were really friends, but Margalo said that she actually was his friend.

Furious, the Falcon picked up Stuart, took him outside the building and with a cruel smile, drops him attempting to let him fall to his death and restrained Margalo from trying to save him and imprisoned her in an empty paint can to provide her with an "attitude adjustment" and leaves. Fortunately, Stuart had landed on a garbage truck, but it took him to a garbage barge.

Meanwhile, Snowbell, getting worried about Stuart, makes his way there and finds Margalo and releases her. But the Falcon arrived and Snowbell hid in the paint can. The Falcon arrived and spotted Snowbell and said that he didn't like "canned food" and was about to throw him over the top of the building when Margalo stopped him and stated that she was through with being a thief under his orders and left him, taking the ring with her. The Falcon gave chase, but before he could catch up to her, Stuart had escaped the barge using a now-fixed toy biplane of his that he had accidentally broken earlier and rescues Margalo and the Falcon chases them through the city and then the sky. He attempts to crash the biplane by picking it up with his talons and ripping off the top, but Stuart managed to take control of the plane again and pulls up.

Stuart leaves Margalo to keep her safe from the danger and faces the Falcon and reflects light from his mother's ring into the Falcon's eyes, temporarily blinding him and allowing Stuart to parachute away. The Falcon's vision clears too late as Stuart's biplane then rams into him, causing him to lose several of his feathers and explodes into pieces, sending the greedy bird of prey plummeting several meters out of the sky and he lands right into a trash can where Monty was looking for food in.

In the episode "A Little Bit Country", the Falcon returns, as he apparently wasn't eaten by Monty after all. He has now made a trio of new crow henchmen and is out for exact revenge on Stuart and his friends. The Falcon chased Stuart, Snowbell and Monty into Crenshaw's new farm. Soon, the Falcon corners both Snowbell and Monty and Monty warns the Falcon to back off since cats eat birds, only for the Falcon to scare them. Snowbell then corrects Monty, telling the Falcon what he meant to say was "cats meet birds", then introduces himself to the Falcon before begging him to let him live.

Before he can kill Snowbell and Monty, Stuart distracts the Falcon by taunting him with a shouting in a sing-song voice, "You'll never get me! You'll never get me!", and then by blowing a raspberry out at the Falcon. The Falcon was then defeated again by crashing into a cage, fell down, then Snowbell closed the door and locked it, trapping him. Snowbell then told the menacing bird that he had the right to remain silent. From then on, the Falcon was never seen or heard from again. It's implied that Falcon had been starved or was taken to taxidermy.

---

When he was done we were shocked!

Me: That bird is sick!

Nico: I know. That's why we're going to give him to the zoo when we're done with him.

Laney: Good call.

Timon: Man that bird is a mook! But it was funny how Snowbell sounds like me.

Runabout: Boss, which Gene Slammer do you think you'll meet next?

Nico: 2 of them next. I'm hoping to meet one for Earthbound Immortal Uru and another for Cyber End Dragon.

Me: Nice!

Zane: Wow! Cyber End Dragon is one of my signature monsters.

Me: That is awesome Zane.

Laney: It sure is.

Lana: Yep.

Me: So Roman will likely be going with us on your rescue man.

Nico: Yep. Along with someone from the Core 310.

Me: Yep.

Marsupilami: Hooba! I'm really looking forward to this one.

Me: Me too Marsupilami.

Xenia: Same here. This will be so fun.

Varie: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than The Sorceress, another old enemy of Spyro, and she's come back from the dead to get revenge on Spyro. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and Spyro, you're not going to like this one bit: the dark energy signal we sensed belongs to The Sorceress, another old enemy of yours, and she's come back from the dead to get revenge on you.

Spyro gasped.

Spyro: Ugh, not her again.

Serenity Lexington: Don't worry, Linky and I are going to make her pay for what she's done later on today, she's going to pay for her crimes against all dragons.

Lincoln: Yeah.

Crash Bandicoot: Messing with dragons and all for power and domination, she's already crossed one line too many, and now, she has to pay the consequences.

Nico: You got that right. Alright, gang, let's go, we're going to meet Stuart Little and his family and take down The Falcon.

Lincoln: That evil bird's going to pay for trying to eat Stuart Little, and once we get done clipping that evil bird's wings, you're next, Sorceress.

Pinky: I can't wait to meet Stuart.

King Jellyfish: Me neither.

Nico: Lets get moving. Scans show that the Little House is located right here in Gotham Royal York.

Me: At least we won't have to go far.

Nico: Yep.

We were off.

---

We flew into the city and we landed and saw the Little House.

Me: There it is. Wow.

We saw that it was a beautiful mansion squeezed in between two tall buildings.

Me: Wow! That is amazing how it was built in between those buildings.

Xenia: It's a magnificent home.

Laney: It sure is.

We went over and went in.

Ring Man: Anyone home?

Me: Hello?

Then out came Stuart Little.

Stuart Little: Oh wow! Team Loud Phoenix Storm.

Me: Oh wow.

I knelt down.

Me: Stuart Little it's awesome to meet you.

Stuart Little: Same here J.D. It's an honor to meet you all.

Nico: You too Stuart.

Yost Molten Man: It's nice to meet you, Stuart.

Swordsman: Is your family home?

Stuart Little: They sure are. Hey Mom and Dad, George!

We got up and we saw George, Frederick and Eleanor Little along with George's new sister Martha Little.

Eleanor Little: Oh wow Team Loud Phoenix Storm it's an honor.

Me: Sorry to intrude like this but it's a pleasure to meet you all.

Frederick Little: Same here J.D.

George Little: We love all your adventures. They are so amazing.

Me: We get that a lot.

Marsupilami: Hooba. This is a really nice house you got here Stuart.

Stuart Little: Thanks. It's a nice home.

Me: It sure is. And it's amazing how you were able to squeeze it in between 2 big buildings like this too.

Laney: It sure is.

Eleanor Little: It's home. And it's amazing.

Me: It sure is.

George picked up Stuart so we wouldn't step on him.

Brain: It's an honor to meet a fellow mouse.

Papillon: I knew you were going to react that way.

Me: Same here.

Stuart Little: It's a pleasure too.

Me: Pinky and Brain are laboratory mice. Don't worry they are cool.

Eleanor Little: It's cool.

Me: Uh Stuart don't take this the wrong way but are you a common House Mouse?

Stuart Little: Actually I don't know what kind of mouse I am.

Me: But you are still cool.

My wolf ears heard silent tapping of feet and I saw Snowbell in the living room.

Me: Snowbell.

Nico: Wow his hearing is enhanced.

Me: Here kitty kitty.

He came up to me and I picked him up and pet him.

Me: You're a good kitty.

Dr. Destiny: Yes, he is.

Snowbell: Okay, I know that you guys are obssessed with bringing bad guys down. But don't act like I can't talk.

Live Action Thrust: And he can talk.

Me: Don't worry we know you can talk.

Snowbell: That's amazing you can hear where I was.

Me: Yeah my hearing is enhanced now because of my transformation I got during Moondancer's 3rd mission.

George Little: 3rd Mission?

Me: It's a long story George. We have been on so many awesome adventures.

Nico: Yeah we sure have.

Rarity: Oh Opal is going to have a new playmate with her.

Chop Shop: Stuart, I think you might be a house mouse.

Stuart Little: Well that's what everyone thinks I am.

Me: Yeah. Also believe it or not we know tiny little people your size too. Ever heard of the legends of the Littles and the Borrowers?

Stuart Little: No I haven't.

Me: Well.

On my shoulders came The Little Family:

Tom Little - The older of the two Little children.

Lucy Little - The younger of the two Little children.

Grandpa Little - The oldest member of the family.

Dinky Little - A cousin of the family (as in the books, where he is always presented as 'cousin Dinky').

Frank Little - the father in the family.

Helen Little - the mother in the family and the daughter of Grandpa Little.

Ashley Little - A second, younger cousin of the family.

Lucy Little: Awesome to meet you Stuart.

Tom Little: Same here.

Me: Long story.

I told them all about the Borrowers and the Littles and all that and it was amazing.

Stuart Little: Wow! That is cool.

George Little: It sure is.

Arrietty: Yeah we all think it's really amazing ourselves.

Onyx: We also can change to a small size too.

Megavolt: We've done it a few times.

Me: Yep.

Qin: It's really cool.

But then my nose picked up a scent.

Me: (Sniffs) Uh oh. Falcon in the air.

Nico: How can you tell?

Me: His foul stench is close.

Fire Man: I'll scare him off with a fire.

Nico: Actually I have a better idea. Airazor you keep him busy while we talk.

Airazor: You got it Nico. I am a falcon myself too.

Airazor went out and flew into the air and she saw THE FALCON!

Airazor: Only thing worse than a bad neighbor is a nosey falcon.

She flew after him.

Falcon: So a falconess wants to fight me.

Airazor: Oh I'm more than a falcon. Airazor, MAXIMIZE!

She screeched and transformed and went at him and the Falcon was in for an amazing chase.

Jet: She'll be okay.

Platinum Princess: He's just a falcon after all.

Me: Not even a bird can hurt a Cybertronian.

Terrorsaur: Easy for you to say. A falcon slammed me into a rock wall.

Me: Really? Wow.

Lana: That's amazing.

George Little: That is amazing though.

Me: Yep. Can we see more of the house?

George Little: Sure.

He showed us around and it was an amazing house.

We saw a plane.

Blot: Is that a plane?

Stuart Little: It sure is. I fixed it up to help a friend.

Me: Margalo right?

Stuart Little: That's right.

Me: She's an awesome Canary.

Nico: Lincoln's bird Walt would have an awesome friend.

Lincoln: He sure would.

Nico: She would not like Sergio though.

Frederick Little: Sergio?

Me: Parrot that likes to throw wild parties and do all sorts of crazy stuff behind our backs.

Ronnie Anne: It's true.

Waffle Woman: And they like messing up the Estate!

Snowbell: And you haven't kicked him out why?

Dragon Jellyfish: That's actually a good question.

Nico: The Casagrande's are keeping a huge eye on their troublemaking feathered friend.

Me: Besides he's already on thin ice more than enough as it is.

Leni: But it's not even cold outside for it to freeze.

Me: No Leni it's just an expression. It means he's in more than enough trouble already.

Leni: Oh right. I see what you're saying.

Camie: Is Leni always like that?

Me: When you have known her for over 6 and a half years like I have you tend to figure things out and get used to it.

Camie: I see.

Kevin Levin: Poromon's a well behaved bird then Sergio is.

Me: Yeah he sure is. All the mascots are.

Qin: Yep.

Eleanor Little: Sorry you guys have to go through all that with Sergio.

Me: Well we're trying to keep him in check. But like they say, Leopards don't change their spots.

Laney: That's true.

Eli: Rosa has Morph watching him like a hawk.

In the Casagrande Apartments, Morph from Treasure Planet had big eyes out as he was watching Sergio who was chained to his perch.

Sergio: (Squawks) I just had to get in trouble for this!

Morph was watching him VERY CLOSELY!

Garigari: If he tries anything, he'll regret it.

Bobby: Why couldn't I have just bought a puppy instead of Sergio?! That's well behaved!

Rojo: Probably because puppies aren't near your place.

Bobby: You're right.

Me: They've also had a huge number of problems with a gang of street cats that want to rip them to shreds.

Qin: Yeah.

Eleanor Little: Geez.

Me: I know. But if Sergio steps out of line he will get the worst Chancla Spanking ever.

Frederick Little: Chancla?

Me: It's Spanish for Sandal Spanking.

Nico: Yep.

Me: Yeah. But George, you and Stuart would love Rosa's food. She makes some of the most awesome tamales and Huevos Rancheros ever.

George Little: That's awesome.

Stuart Little: Wow!

Margalo then flew in.

Me: Whoa!

I had Margalo land on my finger.

Me: Margalo it's awesome to meet you.

Margalo: Wow Team Loud Phoenix Storm. It's an honor.

Me: Same here to you.

Margalo: Stuart, we've got trouble! The Falcon-

Stuart: Is back?

Demolishor: We know that already.

Me: Yeah Airazor is keeping him busy for us while we have a nice talk.

Margalo: Oh. Cool.

Box Ghost: You'll make a good friend for Walt.

Margalo: Were you discussing that before I got here?

Big Lenny: Yes. Yes, we were.

Me: Yeah we sure were.

Lincoln: Walt is my family's bird. You would love him.

Me: Yep. In fact… (Bird whistle)

Walt flew in.

Me: This is him.

Margalo: Wow! Nice to meet you Walt.

Walt chirped.

Me: We haven't had time to teach some of the Loud House pets to talk yet.

Margalo: I see.

Me: But Walt said it is awesome to meet you.

Margalo: Awesome.

Nico: Yep. Good bird call J.D.

Me: Thanks. I know many calls of many animals. Fluttershy has been teaching me how to use other calls than just predator animals. She taught me how to do bird calls, squirrel calls and many more.

Nico: She's a great teacher.

Fluttershy: Oh thank you Nico.

Nico: You're welcome.

Tornado Man: Time for our entrance.

Me: You guys are going to love our entrance. We've been very flashy in this.

George Little: I know. Those entrances are awesome.

Me: Yep. (To Airazor on the radio) J.D. to Airazor.

Airazor: (On the radio) Airazor here.

Me: It's entrance time. You can come back now.

Airazor: On my way.

She came back.

We then went at the Falcon.

The Falcon: (Smirks) She is giving up.

But then the elemental animal rock stars appeared and they were animals of the elements and then they swirled around him and converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out and we were flying at him and then I fired laser blasts at him and knocked him down and he was hovering in front of us.

Me: Hello Falcon. We were just in the neighborhood.

Blackarachnia: So we thought we'd drop in.

Falcon: You know, Stuart, you've been a real pain in the ass since the day we first fought.

Stuart: Well, you know. I aim to please.

Quacker the Fowl: And so do we.

Me: We get that a lot.

Falcon: (to Airazor) And after Stuart's dead, I'll do to you what should've been done in the Beast Wars!

Yost Molten Man: You know how many Predacons said that to her?

Me: Too many.

Qin: Yeah!

Me: Besides I think you need a better home in a zoo.

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, Vortex, Evil Heat Man, Genbu, Lexaeus, Lady Quark, Quark, Teen Tornado, Red Guy, Ed Bighead, Neopolitan, and Weather Report appeared.

Me: Thanks. It's my newest transformation. Got it on Moondancer's third Ambassador Mission. Really awesome story.

Whiteout: We'll have to hear about it.

Me: Yep.

Firefly: For a falcon, he sure is menacing.

Plastique: But not too much.

Me: Yeah he is a bad bird though.

Whiteout: He's lucky he's not gonna die.

Me: Nope.

Ghost: (to Nico) We heard you found another treasure.

Nico: Yep.

Gearhead: What was it this time?

Nico: The Scythe of Paradwyn Flowers and Camie got it.

Me: She sure did and it was awesome.

?: That is cool!

A figure came out and it was PORCUPINE NEZILAR from episode 34 of Megaranger!

---

A Psycho-Nezilar who could turn soccer balls into explosive devices and kick them at humans to blow them up. Disguising himself as a junior soccer coach, he brainwashed a soccer team including MegaBlack's younger brother Shinji to give them the ability to fire off the explosive soccer balls at the audience during a championship game until MegaBlack used his Rod Sniper to destroy the bracelet he was using to control them. Porcupine Nezilar then took Shinji hostage until MegaBlack used the Miracle Shoot attack with a soccer ball to defeat Porcupine Nezilar and save his brother. Killed by Mega Voyager.

---

Eli: Porcupine Nezilar! I remember you! You have the power to turn soccer balls into bombs and blow people up with them.

Me: Whoa! That's a deadly power!

Porcupine Nezilar: It sure is.

Me: And I thought Centiback was the only one that can do that.

Porcupine Nezilar: Too bad I wasn't adapted in America.

William: I know. You could've been a good sports monster.

Porcupine Nezilar: Yeah I would have been good.

Me: Well Japan does play a lot of soccer so you were perfect for that too.

Porcupine Nezilar: That is true.

Me: But still what a ripoff.

Qin: Yeah no kidding.

We got the battles underway.

Ariel, Eli, Rarity, Sweetie Belle, Water Skylanders, Danny Phantom, Sam Manson, Tucker, Papillon and Randy Boggs VS Ghost - Meeting a Phoenix Rebirth Dragon Gene-slammer

---

Ghost was next.

Ghost: (to Ariel) I heard you guys met a Phoenix Rebirth Dragon Gene-slammer. What's her name?

Ariel: Her name is Roxanna Brenton and she is a really powerful master of fire.

Eli: Boy sure sure is and she is known as the Avatar of The Crimson Dragon.

Rarity: She sure is darlings and she is really powerful too.

Sweetie Belle: Her story is awesome as well.

---

Roxanna Brenton: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Roxanna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Roxanna Brenton: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Roxanna, how did you take on the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's out-of-control wrath?

Roxanna Brenton: You're going to like this. One day, I was with Lincoln and we were at Gus' Games and Grub for some fun and games, and we were joined by the other Guardian Angels, but our day of fun got ruined when we saw a knife thrown at us and it hit a wall, and we saw who it was that threw it: it was Lori, Lynn, Lola, Lisa, and Luan, and they were really out for blood. When some of the other Guardian Angels saw them, they wanted to finish what they started and kill them, but I stopped them and I fired powerful blasts of fire at them and they got burned badly and Lincoln fired red energy blasts from his wings and it turned into rope and tied them up. We called Mr. and Mrs. Loud and after telling them of what those five rats did, they got grounded for twenty-five weeks, and to make my point, I branded them on the butt with a phoenix mark warning them if they try to kill Lincoln again, the wrath of the other Guardian Angels would be the least of their worries, because I was going to come for them and I'll really burn them. After the punishments, Leni threw Lori in a cage in her room, Luna did the same with Luan in her room and Lynn in Lucy's room, Lana threw Lola in a cage in her room, and Lily did the same to Lisa.

We cheered wildly and laughed hysterically at the branding Roxanna did to Lori, Lynn, Lola, Lisa, and Luan.

Nico: Oh man, now that's what I call a serious form of payback and a warning.

Me: You got that right.

Lincoln: Yep, and it was really painful, but they ignored it because of their desire to kill me again, but when we all saw Roxanna's warning phoenix mark brand was glowing, we knew if Roxanna catches it, they're so going to get burned, and she's right: the wrath of my other Guardian Angels would be the least of Lori, Lynn, Lola, Lisa, and Luan's worries, even though they wanted to kill them for all the nasty things they did to me in the past.

FLASHBACK ENDS

Ghost: WOW! That is awesome! Boy the Louds had to learn the hard way not to mess with Roxanna.

Gill Grunt: You got that right.

Danny Phantom: Yeah no kidding there. And she is really awesome.

Sam Manson: I'll say. Don't mess with Roxanna or else.

Tucker Foley: Yeah you got that right.

Ghost: That's for sure! Lets do it!

Ariel summoned Undine and merged Hermos with Water Girl and it formed into a Water Blade Sword! It was called THE SWORD OF THE WATER ELEMENTALS! They fired waves of water, ice and jewels and smashed her down.

Milo: What the heck is wrong with people doing that!?

Kida: Yeah they only hate!

Mole: Monsters of big time pain!

Audrey: Yeah no kidding.

Cookie: Same here! They are as bad as the mother of Jefferson Davis!

Sweet: I'll say!

Gearhead: I agree there! Lets do it!

Thor summoned Icarus and merged Hermos with Thor, Lord of The Aesir and it formed into the MJORNIR HAMMER OF THOR'S THUNDER! They fired waves of lightning, earth, rock, crystal, boulders and apples and smashed him down.

---

Kaz: Believe me as much as I want it to be a prank I'm afraid it's no prank. J.D. really did find it and it's now in his possession. He used it and killed a Rapist on Death Row. J.D. swore to only use it as either a last minute resort or when ABSOLUTELY necessary.

Twilight Sparkle: Yeah that book is really dangerous. I've read the manga series from Lincoln's collection and it was crazy.

Starshine Sparkle: No kidding there.

Spyro: Yeah that was awful what happened in that series.

Kouta: Yeah but it's amazing that J.D. found it.

Molten Man: Well as long as he uses it when absolutely necessary and he is careful with it. Lets do it!

Kaz summoned Ignatius and merged Hermos with Lava Dragon and it formed into a sword with lava dripping from it. It was called THE VOLCANIC MANTLE LAVA SWORD! They fired waves of fire, lava and magic and smashed him down.

Serenity Lexington: You've caused enough trouble for Spyro and the dragons for the very last time, Sorceress, and now, I'm going to see to it that you're destroyed here and now.

Serenity Lexington has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA RAINBOW OVERDRAGON CRYSTAL BEAST ANGEL OF DIVINE RAINBOW CRYSTAL BEAST JUSTICE AND DIVINE RAINBOW CRYSTAL DRAGON LOVE!

We were amazed by Serenity Lexington's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Sorceress saw it, she fell into a rage and she fired a blast of magic at her, but she deflected it, and she fired a powerful rainbow energy blast with rainbow lights, rubies, amber gems, topaz gems, emeralds, cobalt gems, sapphire gems, amethyst gems, carbuncles, mammoths, tigers, turtles, eagles, Pegasi, cats, and dragons at The Sorceress, and it exploded as it hit her and sent her flying into a wall, but she's not out yet.

Nico: Whoa, Serenity Lexington's transformed, so awesome!

Jesse Anderson: That's incredible.

Lincoln: She looks like a true Angel of Rainbow Overdragon and The Crystal Beasts, and Serenity, you look beautiful, how do you feel?

Serenity Lexington: (Divine Echoing Cosmic Voice of The Colored Crystal Gem Rainbow Overdragon and Divine Rainbow Gem Crystal Beast Love) **I feel incredible, Linky. Now, shall we administer unto this evil tyrant her rightful punishment?**

Lincoln: (Smiles) With pleasure, Serenity.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Serenity Lexington.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of terrorizing Spyro and his friends are over, you witch, and now, it's time to die.**

Serenity Lexington and Lincoln went after The Sorceress, who continued firing blasts of magic from her scepter, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, rainbow lights, rubies, amber gems, topaz gems, emeralds, cobalt gems, sapphire gems, amethyst gems Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Magicians, Pegasi, Turtles, Mammoths, Tigers, Carbuncles, Eagles, Cats, and Mermaids at The Sorceress, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her, and they also snatched her scepter.

This was really making The Sorceress really angry, but Serenity Lexington and Lincoln were just getting started. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Serenity Lexington, it's known as Rainbow Overdragon's Rainbow Gem Crystal Beast Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's rainbow-colored with pink waves on the blaster with a Phoenix, Angel, and Rainbow Overdragon surrounded by the Crystal Beasts in a circle and at their sides were the gems they have, and a rainbow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Serenity Lexington fired blasts of rainbow energy, rainbow energy, and elemental forces and when they hit The Sorceress, they exploded with incredible power as they hit her and she was killed. Then, as The Sorceress' spirit appeared, Serenity Lexington and Lincoln drew the Judgement Kanji on her and she was erased by The Black Gates. We cheered wildly for what Serenity Lexington and Lincoln did as they holster their massive greatswords on their backs and powered down, and Serenity Lexington's new body, clothes, weapons, jewelry, and massive rainbow angel wings with pink tips are permanent.

Serenity Lexington: Fare thee well, you power-hungry monster. Thanks for helping me destroy The Sorceress, Linky.

Lincoln: (Smiles Warmly) You're welcome, Serenity.

Suddenly, Serenity Lexington wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Serenity Lexington's face, they kissed passionately as Serenity Lexington's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Rainbow Overdragon, Ruby Carbuncle, Amber Mammoth, Topaz Tiger, Emerald Tortoise, Cobalt Eagle, Sapphire Pegasus, and Amethyst Cat flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and falling rubies, amber gems, topaz gems, emeralds, cobalt gems, sapphire gems, and amethyst gems behind them and we cheered wildly. Lincoln and Serenity Lexington came back to us, as the display and Rainbow Overdragon, Ruby Carbuncle, Amber Mammoth, Topaz Tiger, Emerald Tortoise, Cobalt Eagle, Sapphire Pegasus, and Amethyst Cat vanished.

Nico: Wow, now that's what I call an awesome battle and a very colorful display.

Jesse Anderson: You guys really put on an amazing show against The Sorceress.

Lincoln: Thanks, Jesse, and we're glad to be rid of The Sorceress for good.

Me: And we got showered with rubies, amber gems, topaz gems, emeralds, cobalt gems, sapphire gems, and amethyst gems, awesome. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, J.D.

Ursula Truaigheaingeal: (Scottish Accent) Wait, I have an idea, Linky. How about a Gene-Slammer for Ghostrick Fairy.

Lincoln: Good idea, Ursula, and there's only one person that we know who'd be Gene-Slammed into Ghostrick Fairy: Tiana Masina, and I know the reason why you had that idea, right, Ursula?

Ursula Truaigheaingeal: (Scottish Accent) That's right, Linky.

Selene Emperyous: This is going to be interesting for tomorrow, and you know what tomorrow is, right, Linky?

Lincoln: (Wraps right arm around Selene Emperyous) I know, Selene. Tomorrow, The War Against The Chernabog Sisters is on, and we'll be ready for those twelve she-demons.

Nico: Yeah. Those she-demons are going to pay for their crimes.

We had the Falcon in a cage.

Molten Man: Time to put this bird in an exhibit.

Trickster: Can it be the stupid bird exhibit?

Loki: (laughs) Now, that's funny!

Cad Bane: But there are no such exhibits.

Me: That would be funny if there was a Stupid Bird exhibit.

Vortex: Let's just put it in the falcon exhibit.

Me: Good idea.

Becca: I'll take him and put him in the Falcon exhibit.

Me: Thanks Becca.

George Little: But it was so awesome helping you guys.

Me: Glad you liked it George.

Eleanor Little: Thanks for helping us out.

Stuart Little: It was so awesome.

Me: Glad you liked it Stuart.

Nico: And you're welcome Eleanor.

Stuart Little: (To the viewers) This was an awesome flying adventure and I hope you all liked it.

Nico: We all did. Great job today everyone.

We returned home and we enjoyed the rest of our day before we went to sleep. Meanwhile, among the ruins of Ördögház, the seal placed by Selene Emperyous and her sisters after they defeated and banished The Chernabog Sisters six and a half years ago was beginning to finally break, and once it broke, a massive wall of hellfire erupted from the ground, and silhouettes of twelve demon-winged girls appeared with glowing red eyes were in the flames, and demonic and insane laughter was heard in the flames, and that was the sign we were warned of: The Chernabog Sisters have returned.

TOMORROW, THE WAR AGAINST THE CHERNABOG SISTERS IS ON!

UH OH!

Tiana was born with beautiful angel wings and she's skilled with magic and she knows how to summon elemental fairies and she knows about Scotland's long history and that included the history of Loch Loud and Duke McLoud's family, she's defended Lincoln from the absolute worst of Lynn's wrath and she also unleashed all kinds of fairy mischief on Lynn and it really drove her crazy to the point that she apologized to Lincoln, and it didn't end with Lynn getting grounded, but Lincoln forgave her and they hugged. The next chapter is going to be a lasanga loving adventure as we help the awesome and iconic orange lasagna eating cat Garfield take down Happy Chapman and make that disgruntled pet idol pay for his crimes in full.

See you all next time.

Me: The Deserts of D'Resh. Man this place is always so hot and awesome.

Maria: I got plenty of water for us just in case.

Nico: Thanks Maria.

Qin: Man I always love deserts. They are awesome.

Laney: They sure are. But they get really hot in the sun and cold in the night.

Xenia: They sure do.

Mollie: I'm always up for some awesome fun too.

Nico: Thanks for coming with me, Mollie.

Mollie: Anytime Nico. It's going to be really awesome helping you all out.

Felicia Wittebane: We're glad you are going to have fun Mollie.

Nico: Mollie, what do you do outside of missions?

Mollie: I like doing all sorts of things. But my favorite is trying to beat Lincoln in his Cannonball Record.

Qin: (LAUGHS) Every day we watch Mollie go to the pool and do numbers of Cannonballs and she tries her hardest to beat him at it.

Nico: That is awesome.

Laney: It's true. And it's really fun as well.

Lana: Yeah it sure is.

Xenia: We all think so.

Lana: Yeah.

Mollie: Also I like to collect rare forms of currency.

Nico: Neat.

Me: Yeah that is awesome.

Lola: Lame! What's the point of having money you can't spend?

Me: You said that exact same thing when Lincoln was helping Lily.

Lily: I remember that.

Nico: And I'm guessing you haven't beaten Lincoln's record, huh?

Mollie: Not yet. But I'm really close.

Qin: You'll get it Mollie.

Camie: Yeah it will be awesome to see you do so.

Lincoln: Well good luck on that.

Mollie: Thanks.

Maria: It's so awesome that you do your hardest to beat that record Mollie. All that work will soon pay off.

Me: Boy it sure will.

Nico: I liked meeting Stuart.

Laney: Me too. He is awesome.

Me: He sure is and it was really cool how he and his family live in a house squeezed in between two of the city's big buildings.

Xenia: It sure is. Lots of houses are like that.

Camie: I thought it was cool.

Lana: Me too. Stuart and his friends and family are all awesome.

Qin: They sure are and George's little sister is adorable.

Maria: Snowbell was cool as well.

Me: Yeah he sure was.

Lola: Rarity and I loved him.

Rarity: Oh indeed we sure did darlings. Opalescence gets along great with him.

Lisa Loud: Indeed she does.

Lola: Yes it's awesome.

Eli: I thought that was an awesome adventure and Airazor did great keeping the Falcon busy.

Airazor: That was a good flight for me. I had a lot of fun on that.

Rhinox: At least you didn't take any Energon damage.

Me: Nice to know that my Energon Field Nullifier works perfectly.

Tigatron: That explains why we weren't shorting out from energon surges.

Me: Yeah after we found all that energon under the mall I had Optimus help me build an Energon Field Nullifier Generator for us to make sure no Cybertronians get affected by Energon Exposure.

Nico: Very genius.

May: That Falcon wouldn't have done serious damage anyway. He's not Megatron.

Me: No kidding there. But it was amazing how a falcon was able to pick up Terrorsaur and slam him into a rock wall.

Nico: No kidding there. That was amazing.

Me: Yeah. But that Falcon is going to make a great addition to the zoo.

Mollie: It sure will be awesome. At least it's with more of its kind.

Xenia: That's true.

Nico: Yep. So Nicole what is our quarry here in D'Resh?

Nicole: You guys will like this one. It's called The Staff of D'Resh. It's a Staff that has the power of all the D'Resh Magim and even the spells of D'resh. And it even has the powers of the sands and life of the desert.

Nico: Cool!

Eli: It sure is!

Maria: Who gets it?

Qin: I'll get it. I think this will be so awesome.

Nico: Yeah I agree there too.

Nicole: It should be up ahead.

We arrived in a cactus grove and we saw THE STAFF OF D'RESH!

Qin: Whoa there it is!

Nico: Wow!

Maria: Amazing!

Nico: You can do the honors, sis.

Qin: With pleasure.

Qin went over to it and then she grabbed it and then pulled it out and then it glowed a powerful orange and then Qin underwent a powerful transformation!

(ESCAFLOWNE (FOX KIDS) INTRO EXTENDED PLAYS)

She was enveloped in a swirl of desert flowers and wind and she got wings made of desert flowers and she was more powerful than ever.

Nico: WHOA!

Qin: Wow! This is incredible!

Laney: Yeah!

Me: How do you feel Qin?

Qin: Amazing!

Nico: You earned it, Qin.

Me: Yep.

Qin: Thanks guys.

Suddenly, we heard the sound of guns being cocked and they were just about to fire at Qin until Nico, Lincoln, and I fired powerful blasts of lightning and forced them out, and when Qin saw who they were, she was major league pissed off: the figures we forced out were the Russian Mafia Men that killed her parents.

Qin: YOU!

Eli: (Gasps) So, those are the Russian Mafia men who killed your parents, Qin?

Qin: The very ones, Eli!

Nico: I should've known you heartless bastards would be here!

Me: Sergi Rossenov! I had a feeling you would return!

Sergi Rossenov: (Russian Accent) Now, we will finish what we started and kill you for what your parents did to The Russian Mafia!

Qin: Not a fucking chance in Hell am I ever going to let you bastards get away with something like this!

Suddenly, something within Qin's mind really snapped as the memories of her parents' murder at the hands of The Russian Mafia came back infinite-fold and flooded her head, and there was one thing on her mind: revenge, Qin's green eyes turned neon green, and she was surrounded by a green energy aura with flames and Komodo dragons, she unholstered her massive Scalebreath's Fire Komodo Dragon Sword of Fire Justice from her back, and as she approached the Russian Mafia men, she left green energy, flames, and Komodo dragons with every step.

Qin: You fuckwad gangsters still make me fucking sick to this day, you murdered my parents so long ago and you left me all alone in the world homeless and without a family. But, the piece of my soul that you bastards killed was repaired when I finally got my parents back, and I will never let that dark tragedy happen yet again. (SUDDENLY GETTING REALLY AND EXTREMELY PISSED OFF) And what you fuckers did when you murdered my parents right in front of me in cold blood that day years ago,… , YOU FUCKING RUSSIAN MAFIA ASSWIPES HAVE CROSSED, AND YOU'VE CROSSED WAY TOO MANY LINES FOR DECADES, AND NOW, I WILL END YOUR MISERABLE LIVES HERE AND NOW!

We really gasped at the extent of Qin's rage and fury.

Me: OH SHIT!

Nico: Qin's been wanting revenge on the very bastards who murdered her parents all those years ago, and now, that day has arrived and their hour of judgement is finally at hand.

Me: Oh boy.

Eli: HIT THE FUCKING DECK, QIN'S GOING TO EXPLODE!

We ran for cover, as Qin screamed like a madwoman from Hell and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and fire and the ground was shaking extremely violently!

Me: WHOA!

Nico: IT'S UNREAL!

Eli: This is it.

Varie: WHOA! QIN IS REALLY PISSED!

Lana: She's releasing all her power!

Lola: INCREDIBLE!

Qin was surrounded by a massive vortex of green energy with flames surrounding it, there was a Komodo dragon running around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Qin emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Qin grew from 6'5" to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing black hair with flowers in her hair, she has neon green eyes, and a green energy aura with flames and Komodo dragons surrounding her, she has Scalebreath holding the Fire Kanji in its hands emblazoned on her forehead, she has on Komodo dragon earrings with green gems for eyes and holding the Fire and Eternity Kanjis in its hands, she has on her Crystal Necklace of The Buddha with green gems on the gold flames and green crystal links and a green Komodo dragon-shaped Element of Harmony and below the Element of Harmony is a Komodo dragon with green gems for eyes and holding the Fire and Eternity Kanjis in its hands for the pendant. Qin has on a long sleeveless dark green closed up blouse, dark green sleeveless top with a green phoenix on it, dark green skirt, dark green bellbottom pants, purple high heels, and long white sleeveless trenchcoat with Komodo dragons and green flames on the coattails and on the back is Scalebreath surrounded by flames. Suddenly, Qin felt a sharp pain on her back, and then, her massive black angel wings with green tips on the large black feathers grew much bigger for her new body. Qin has on her Ring of the Phoenix on her left ring finger and Indigo Lantern Corps ring on her right ring finger.

Suddenly, Qin's massive Scalebreath's Fire Komodo Dragon Sword of Fire Justice and all of the swords that she'd gotten began merging together and it was surrounded by a kaleidoscope of green energy, Komodo dragons, and flames, and when it emerged, it was transformed into Scalebreath's Fiery Komodo Dragon Greatsword of Fire Justice, it's a new large greatsword with Scalebreath etched on the 7'0" massive, wide, double-edged, green blade, large green Komodo dragon heads for the crossguard, large green gem embedded in the rainguard, longer black handle, four large green Komodo dragon heads with green gems for eyes and in their open mouths and a green gem on the bottom of the heads for the pommel, she has on her brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold Komodo dragon head with a large green gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a dark green kanji below Scalebreath that said, "Qin Chen, Loving Daughter of Mr. and Mrs. Chen, Gene-Slammer and Partner of Scalebreath, Descendant of Fa Mulan, Defender of China's Long History, Childhood Friend of Nico Chan, Loving Girlfriend of Chris Taylor, Loving Sister of Mike Chilton and His Friends, Archenemy of Leonard Snart Also Known as Captain Cold, Destroyer of The Russian Mafia, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, and Master of Fire and Komodo Dragons"

チン・チェン、チェン夫妻の愛情深い娘、ジーン・スラマーであり、スケールブレスのパートナー、ファ・ムーランの子孫、中国の長い歴史の擁護者、ニコ・チャンの幼なじみ、クリス・テイラーの愛情深いガールフレンド、マイク・チルトンの愛情深い姉妹、彼の友人、レナード・スナートの大敵は、キャプテン・コールド、ロシアン・マフィアの駆逐艦、悪のスレイヤー、混乱した、殺人的、無慈悲、サディスティックなろくでなし、火とコモドドラゴンのマスターとしても知られています

Qin has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA EMERALD GREEN FIRESTORM KOMODO DRAGON ANGEL OF DIVINE FIERY KOMODO DRAGON JUSTICE AND DIVINE FIERY KOMODO DRAGON COMPASSION!

We were amazed by Qin's Super Angel Celestial Eternal Xelnaga transformation, and when Chris Taylor saw it, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but, when the Russian Mafia men saw it, they got out their guns and were about to fire, but Qin fired a powerful green energy blast with

Komodo dragons and green flames and melted their guns, and it really pissed them off.

Qin: (Divine Echoing Cosmic Voice of the Green Firestorm Komodo Dragon and Divine Green Fire Komodo Dragon Jungle Compassion) **Now, it's time for you all to die!**

Me: You guys are going to pay for everything you did!

I then went SUPER ANGEL WOLF MOON XELNAGA!

Me: (Divine Voice of The Wolf Moon) **Time for you all to die!**

Sergi Rossenov: Did you just expect me to just lay on my ass while your parents stole that money from us? You steal from us, so we take your life from you. It's only fair. No matter how you look at it, I actually won in the end. So do what you must-arrest me, lock me away, hope it somehow reforms me. But I'll just escape like all the other lucky ones. And it'll just give me time to plan for my next scheme. It won't be easy, for how does one top killing someone's parents?

Me: **Only by killing the madman that was responsible for doing it! This time you won't escape! We're sending you to a place INFINITELY WORSE!**

Nico: And that is the Black Gates!

Qin: **That's right! I WILL NOW HAVE MY REVENGE!**

She teleported and kicked him in the face and kicked him in the stomach and kicked him in the crotch and then she kicked him in the chest and punched him in the face!

Sergi Rossenov: (laughs evilly despite the pain) Don't you get it, Cheng?! You lost the very moment your parents died! And now, the only thing that awaits you is a path to your own destruction! So, in the end, I've won!

Qin smirked.

Qin: (Laughs) I don't think so! I have my parents back! They are back from the dead now.

Sergi Rossenov: What!?

Qin: That's right! And all the money dad took from you is now mine!

Sergi Rossenov: But still, the only thing that awaits you is a path to your own destruction! So, I still win in the end!

Qin: Don't count on it. You took everything away from me and I will make sure you NEVER hurt anyone ever again!

Me: It's payback time! MOTHERFUCKER! This isn't vengeance, it's retribution!

Qin punched him in the face and kicked him in the stomach and bashed him in the mouth and knocked him down.

Sergi got up and Qin dodged him and kicked him in the back and smashed him into a rock and he got up.

Sergi: I HATE YOU!

Her aura flared up explosively! Qin punched him down and smashed him into a rock and he got up.

Sergi Rossenov: (weakly) I know it's soon but… think you'll ever find more happiness? Maybe the next loved ones you make… won't die because of you?

Me: **Stop talking you motherfucker!**

Qin: **YEAH! I never want to hear your fucking voice ever again!**

Qin then plunged her hand into his chest and RIPPED OUT HIS BEATING HEART!

SQUELCH!

She then ate his black heart!

Qin went after the Russian Mafia men, and she fired powerful blasts of green energy, green flames, and Komodo Dragons at the Russian

Mafia men, and they exploded with incredible power as they hit the thugs. Then, she attacked them with her massive greatsword and really left some nasty tears on their clothes and scars on them, and she also drew blood. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Qin, it's known as Scalebreath's Komodo Dragon Green Firestorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's green with green fire on the blaster with a Phoenix, Angel, and a Komodo dragon surrounded by green fire etched on the side and a green gem on the top of the blaster. Qin fired green energy blasts and green fire at the mobsters and they exploded with incredible power and killed them, and as she holstered new hand-cannon Blaster, their spirits appeared, she fired black energy blasts with the Judgement Kanji and when it hits them, they were finally sent straight to The Black Gates forever. Qin holstered her massive new greatsword on her back and powered down, and Qin's brand-new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Nico: Good riddance!

Qin: Yeah!

Then a figure came out and it was a black version of an Evolved Thep Khufan! It was ANOTHER ULTIMATE SNARE-OH!

Me: **WHOA! Another Ultimate Snare-Oh!**

Qin: Wow!

Another Ultimate Snare-Oh: (In a girls voice) (Irish Accent) It's awesome to see you again J.D. lad.

Me: **Camille Blarney! Whoa!**

Nico: You know her?

Me: **She's an awesome Celtic Dancer and she taught me how to dance like everyone in Ireland.**

Albedo turned into Negative Ultimate Snare-Oh.

Negative Ultimate Snare-Oh: Did Swartz promise you anything?

Another Ultimate Snare-Oh: He did lad. Just to make me an amazing Celtic Dancer.

Me: You already are an awesome Celtic Dancer.

Another Ultimate Snare-Oh: I knew he was lying to me lad.

Me: **But we'll save you.**

Nico: Lets do it.

Camie: Here's this first. (ACTIVATES YODO'S RIDEWATCH)

Me: **Nice!**

Laney: Time for this one. (ACTIVATES BANE'S RIDEWATCH)

(SEPARATE WAYS BY JOURNEY PLAYS)

Laney: (SINGING DIVINELY AS ENERGY SWIRLS AROUND HER)

Here we stand

Worlds apart, hearts broken in two, two, two

Sleepless nights

Losing ground, I'm reaching for you, you, you

Feeling that it's gone

Can't change your mind

If we can't go on

To survive the tide

Love divides

Someday love will find you

Break those chains that bind you

One night will remind you

How we touched and went our separate ways

If he ever hurts you

True love won't desert you

You know I still love you

Though we touched and went our separate ways

Troubled times

Caught between confusion and pain, pain, pain

Distant eyes

Promises we made were in vain, in vain, in vain

If you must go

I wish you luck

You'll never walk alone

Take care, my love

Miss you, love

Someday love will find you

Break those chains that bind you

One night will remind you

How we touched and went our separate ways

If he ever hurts you

True love won't desert you

You know I still love you

Though we touched and went our separate ways

Oh, someday love will find you

Break those chains that bind you

One night will remind you

If he ever hurts you

True love won't desert you

You know I still love you

I still love you, girl

I really love you, girl

And if he ever hurts you

True love won't desert you

No!

No!

She danced and fired waves of energy and smashed her down!

Me: **Awesome Laney! My mom loves that song!**

Nico: I agree!

Maria was looking out for Qin who was upset.

Maria: Hold on Qin. Chris is on his way.

Qin was crying.

Me: **Now here's another of my favorites.** (ACTIVATES LORD DRAGON'S WATCH)

(LIVIN ON A PRAYER BY BON JOVI PLAYS)

Me: (SINGING DIVINELY AS BLUE FIRE SWIRLS AROUND ME)

Once upon a time not so long ago

Tommy used to work on the docks, union's been on strike

He's down on his luck, it's tough, so tough

Gina works the diner all day working for her man

She brings home her pay, for love, for love

She says, we've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Tommy's got his six-string in hock

Now he's holding in what he used to make it talk

So tough, it's tough

Gina dreams of running away

When she cries in the night, Tommy whispers

Baby, it's okay, someday

We've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Livin' on a prayer

Oh, we've got to hold on, ready or not

You live for the fight when it's all that you've got

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

I danced and fired waves of blue fire and smashed her down.

Nico: WOOHOO! Love that song by Bon Jovi!

May:: YEAH!

Xenia: Awesome song!

Sougo: (gets out Dino Thunder ridewatch):Let's add dinosaur action too!

Geiz: (gets out Patranger ridewatch) We're taking you down by force!

Sougo got DinoThunderRedArmor while Geiz got Patren1gouArmor.

Nico: YEAH!

Xenia: Time for some plant power! (ACTIVATES PLANTMAN'S RIDEWATCH)

(STARHON'S PASSAGE BY THE BARLEYSHAKES PLAYS)

Xenia: (SINGING DIVINELY AS LEAVES AND FLOWERS SWIRLED AROUND HER)

Part of me is gone…

part of me is gone…

Take my heart and hold me tight

take my heart and hold me tonight

now that you have gone.

Raiders of the sun

have come for everyone

plague of sadness pass me by

plague of sadness passes me by

And all that's dark is gone…

and all that's dark is gone…

And i don't know baby if i can leave to night

and i don't know baby if i can leave tonight

Music for my song

golden gifts of love

tiny patterns of your light

tiny patterns touch me inside

And all that's dark is gone..

and all that's dark is gone…

And i don't know baby if i'm living right

and i don't know baby if i'm living right

if i'm living right

if i'm living right

She danced Irish Style and fired waves of leaves and flowers and smashed her down!

Nico: Way to go Xenia!

Me: **Nice job Xenia!**

Another Ultimate Snare-Oh: That was great Xenia!

Nico: (Gets out 2015 Prince Khor-Ru's Ridewatch) This one we just got recently.

Me: **Nice!**

Nico: (ACTIVATES IT)

(THE PLAGUES OF THE PRINCE OF EGYPT PLAYS)

[Chorus]

Thus saith the Lord:

Since you refuse to free my people

All through the land of Egypt…

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

Upon your cattle, on your sheep

Upon your oxen in your field

Into your dreams, into your sleep

Until you break, until you yield

I send the swarm, I send the horde

Thus saith the Lord

[Moses]

Once I called you brother

Once I thought the chance

to make you laugh

Was all I ever wanted…

[Chorus]

I send the thunder from the sky

I send the fire raining down

[Moses]

And even now I wish that God

had chose another

Serving as your foe on his behalf

Is the last thing that I wanted…

[Chorus]

I send a hail of burning ice

On ev'ry field, on ev'ry town

[Moses]

This was my home

All this pain and devastation

How it tortures me inside

All the innocent who suffer

From your stubbornness and pride…

[Chorus]

I send the locusts on a wind

Such as the world has never seen

On ev'ry leaf, on ev'ry stalk

Until there's nothing left of green

I send my scourge, I send my sword

Thus saith the Lord!

[Moses]

You who I called brother

Why must you call down another blow?

[Chorus]

I send my scourge, I send my sword

[Moses]

Let my people go

[Moses and Chorus]

Thus saith the Lord

[Rameses]

You who I called brother

How could you have come to hate me so?

Is this what you wanted?

[Chorus]

I send the swarm, I send the horde…

[Rameses]

Then let my heart be hardened

And never mind how high the cost may grow

This will still be so:

I will never let your people go…

[Chorus]

Thus saith the Lord:

[Moses]

Thus saith the Lord:

[Rameses]

I will not…

[Moses]

Let my…

[Rameses]

Your…

Moses and Rameses: People GO!

Nico danced and fired waves of blood, frogs, flies, lice, energy, fire and hail, locusts, decay, darkness and lightning and smashed her down!

Me: **WHOA! That was awesome!**

Xenia: Yeah it was!

Mollie: My turn!

Mollie activated Zzzax's Ridewatch.

(ONLY THE YOUNG BY JOURNEY PLAYS)

Mollie: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HER)

Another night in any town

You can hear the thunder of their cry

Ahead of their time

They wonder why

Shadows of a golden age

A generation waits for dawn

Brave carry on

Bold and the strong

Only the young can say

They're free to fly away

Sharing the same desire

Burnin' like wildfire

They're seein' through the promises

And all the lies they dare to tell

Is it heaven or hell?

They know very well

Only the young can say

They're free to fly away

Sharing the same desire

Burnin' like wildfire

Only the young can say

They're free to fly away

Sharing the same desire

Burnin' like wildfire

Only the young can say

Only the young can say

Only the young can say

Only the young can say

Young can say

Only the young can say

She danced and fired waves of lightning and smashed her down!

Nico: OH YEAH!

Camie: That was cool!

Tsuyu: Yeah it was!

Laney: Awesome!

Maria: Let's keep going!

Tsuyu: You don't have to tell me twice! (ACTIVATES THE LIZARD'S RIDEWATCH)

(WALK THE DINOSAUR BY WAS (NOT WAS) PLAYS)

Tsuyu: (SINGING DIVINELY AS DINOSAURS SWIRLED AROUND HER)

Boom boom acka-lacka lacka boom

Boom boom acka-lacka boom boom

It was a night like this forty million years ago

I lit a cigarette, picked up a monkey skull to go

The sun was spitting fire, the sky was blue as ice

I felt a little tired, so I watched Miami Vice

And walked the dinosaur, I walked the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur

Open the door, get on the floor

Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
I met you in a cave, you were painting buffalo
I said I'd be your slave, follow wherever you go
That night we split a rattlesnake and danced beneath the stars
You fell asleep, I stayed awake and watched the passing cars
And walked the dinosaur, I walked the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur
One night I dreamed of New York
You and I roasting blue pork
In the Statue of Liberty's torch
Elvis landed in a rocket ship

Healed a couple of leapers and disappeared

But where was his beard?

A shadow from the sky much too big to be a bird

A screaming crashing noise louder than I've ever heard

It looked like two big silver trees that somehow learned to soar

Suddenly a summer breeze and a mighty lion's roar

I killed the dinosaur, I killed the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Open the door, get on the floor

Everybody kill the dinosaur

Repeat chorus 2 one time

Boom boom acka-lacka lacka boom

Boom boom acka-lacka boom boom

She danced and fired waves of energy and smashed her down!

Nico: YEAH!

Then we heard 2 roars and out of a red wall of fire came EARTHBOUND IMMORTAL URU!

Me: **WHOA! Earthbound Immortal Uru!**

Roman Goodwin: Looks like you are in for a surprise Nico.

Nico: Really?

Uru: (In a girls voice) You sure are Nico.

Nico: Ariana Ferris!

Uru reverted back and we saw that she was a girl with black hair, red eyes, red shirt and black clothes and red gloves and shoes and had the Spider Nazca Line on her right arm and skirt.

Ariana Ferris: Awesome to see you again Nico.

Carly Atlas: Ariana is going to be both in the M.O.E. and with you guys as well.

Me: **Wow! That is cool!**

Then another figure came out and it was CYBER END DRAGON!

Me: **Whoa! Cyber End Dragon!**

Cyber End Dragon: (In a girls voice) Three times the power and fun.

Nico: Amelia Yuki too! Wow!

Amelia reverted back and she was a girl with purple hair and purple clothes.

Amelia Yuki: Awesome to see you again Nico. We'll take care of this.

They fired waves of red energy and purple energy and blasted down Another Ultimate Snare-Oh and I caught the ridewatch and purified it. Then I went over to Camille and she was a girl with orange hair and had a green Irish dance dress on.

I picked her up.

Camille Blarney: Oh what a nasty headache.

Me: **But you're okay.**

I brought her over.

Chris Taylor came.

Chris Taylor: Qin are you okay?

But, then Qin ran up to Chris Taylor and she hugged him as she cried hard onto his chest, and he hugged her: Qin had gotten her revenge.

Chris Taylor: It's okay Qin. It's all right.

Nico: (to Girl Jordan) My sister's crying because she got her revenge. Any advice on what I should do?

Girl Jordan: Give her some space and let her be for a while. She needs to be comforted.

Nico: You're right.

Me: **Don't worry Nico. Qin got justice.**

Nico: It's true. And she has her family back.

Mollie: Poor Qin.

Amelia Yuki: Man she went through a nightmare.

Ariana Ferris: I know. Captain Cold told me about everything Qin went through. That was awful.

Nico: Yeah.

Mollie: What are your favorite memories of Nico?

Amelia Yuki: My favorite is when me and Nico were in Tech Ed class and we built an amazing Car Assembly robot and we got an A+ for that. It was awesome too.

Ariana Ferris: And my favorite is where me and Nico did a history report on the Nazca Lines and what they symbolically meant for each line.

Me: **Wow that is cool!**

Roman Goodwin: It was awesome hearing a bout it.

Me: **That is awesome. How does it feel to be in our frenemies?**

Ariana Ferris: It feels amazing.

Nico hugged them both.

Nico: I really missed you girls.

Ariana Ferris: We did too Nico.

We went back home. Qin was going to be hurting for a while.

Lincoln: Ah, we're here in Burbank, California, and I know what we're going to do here, not only am I going to rescue the two girls here, but we got word Salazar The Pushy has returned from the dead again and he still wants revenge on us and the Warners.

Nico: That stupid moron just refuses to take a hint even after he was put down last year.

Me: Yeah, but we're going to make sure he's put down for good.

Yakko: Yeah, he doesn't deserve to live ever again, not after what he did to our parents.

Sir William: I know, son, he will pay for what he's done.

Qin: But, how was this even possible? (Gasps) Oh no, and isn't today the day The Chernabog Sisters make their return?

Lincoln: Yeah, that's right, Qin. Which means one of The Chernabog Sisters must've brought him back from the dead again, but we'll find out which of The Chernabog Sisters was the one who brought him back, and I want to thank you, Yakko, Wakko, Dot, Sir William the Good, and Lady Mary the Good for joining us, Lord Raiden.

Raiden: It's an honor to join you on your rescue, Lincoln, and Qin was right: today is the day that the Chernabog Sisters have returned. But, where exactly did you and your sisters defeat them at six and a half years ago, Selene?

Selene Emperyous: We defeated them at the ruins of Ördögház, the seat of power for the Old World Coven, and that's where we banished them to Hell and put up the seal.

Lincoln: When Selene found out that's where you defeated The Chernabog Sisters and banished them to Hell, she wasn't too surprised, since Ördögház in Hungarian meant "Devil House" and those twelve were demons. But, now that the seal has been broken, the war is now on.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of five girls screaming for help, along with the sound of malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Salazar The Pushy and he's going to kill them, and Lincoln saw he had the Qliphoth Tree of Death on his forehead, along with the symbol of Mammon.

Lincoln: (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by Salazar The Pushy and he's going to kill them, and he has the Qliphoth Tree of Death on his forehead, along with the sigil of Mammon.

Laniya Emperyous: (Gasps) Mammon's the Demon Prince of Green, and there's only one person who could've brought him back: Belinda Chernabog, the youngest of The Chernabog Sisters.

?: (Scottish Accent) That greedy monster, let's get him, and that insane and chaotic demon will get hers later on today.

Suddenly, we saw the Duel Monster, Ghostrick Fairy, appear before us.

Nico: Whoa, that's Ghostrick Fairy, awesome.

Lincoln: And I'd recognize that Scottish accent from anywhere, I knew it was you, Tiana Masina, but we'll talk later, let's take down Salazar the Pushy once and for all.

We rushed over, and before Salazar the Pushy could kill the two girls, Lincoln fired powerful rainbow energy balls and elemental forces at that greedy and murderous sorry excuse for a king, and that allowed the two girls to get to safety in a rainbow energy field created by Lincoln to protect them from Salazar the Pushy, and when Salazar the Pushy saw us, he was really enraged and pissed off again.

Salazar the Pushy: YOU GOOD-FOR-NOTHING FOOLS! I HATE YOU ALL SO MUCH FOR RUINING ME!

Our auras flared up and we got a massive power boost from his hatred.

Nico: Nice to see you're still the same hate-filled greedy monster we killed, but this is going to be the last time we ever have to deal with you.

Suddenly, something within Yakko, Wakko, and Dot Warner's minds really snapped as the memories of their parents' murder at the hands of Salazar the Pushy and the suffering he caused to all of Acme Falls rushed through their heads, and their eyes turned neon emerald green, neon sapphire blue, and neon rose pink, and they were surrounded by emerald green, sapphire blue, and rose pink energy auras with emerald green lightning, sapphire blue fire, pink rose petals, water, ocean waves, and phoenixes, they had their Defender of Acme Falls mallets in hand, and as they approached Salazar the Pushy, they left emerald green, sapphire blue, and rose pink energy, emerald green lightning bolts, sapphire blue fire, pink rose petals, water, ocean waves, and phoenixes with every step.

Yakko: You really make us sick, Salazar the Pushy, it wasn't bad enough you've caused nothing but pain and suffering to Acme Falls.

Wakko: But, to find out you were the one who murdered our parents in cold blood and kicked us out of the castle and made us orphans.

Dot: We almost would've died if Team Loud Phoenix Storm hadn't come to help us and Acme Falls in our hour of need.

Suddenly, we felt that the Warner Siblings were really getting pissed off, and we were in for one wild explosive rage coming from them.

Yakko: (SUDDENLY GETTING EXTREMELY PISSED OFF) And neither of us will ever forgive you for what you did to our parents, you murdered them in cold blood, stole the throne, and caused never-ending torment all because of your selfishness and greed, and what you almost did in trying to kill us… , YOU'VE CROSSED ONE ACCURSED LINE FAR TOO MANY, YOU GREEDY, HEARTLESS, COLD-BLOODED BASTARD FROM THE DARKEST DEPTHS OF HELL!

Wakko: (SUDDENLY GETTING EXTREMELY PISSED OFF) EVERY LAST ONE OF YOUR SINS CAN NEVER BE FORGIVEN, FOR THE BLOOD OF OUR PARENTS IS STILL ON YOUR HANDS, SALAZAR THE PUSHY!

Dot: (SUDDENLY GETTING EXTREMELY PISSED OFF) AND AS THE RIGHTFUL RULERS OF ACME FALLS, YOU ARE HEREBY

SENTENCED TO DEATH, AND IT'LL SERVE AS A WARNING TO BELINA CHERNABOG TELLING HER SHE'S NEXT!

We gasped at the explosive extent of Yakko, Wakko, and Dot's rage, and it was deadlier than 150,000 tons of dynamite.

Nico: UH OH!

Me: Oh man, now they've really exploded with rage, and it's deadlier than 150,000 tons of dynamite!

Eli: This isn't going to end well, HIT THE DECK, THEY'RE GOING TO EXPLODE!

We took cover, as Yakko, Wakko, and Dot screamed like mad toons and they were surrounded by three massive vortexes of emerald green, sapphire blue, and hot pink energy with emerald green lightning, sapphire blue fire, and pink rose petals, water, and ocean waves surrounding the vortexes, there's an emerald green, sapphire blue, and hot pink phoenix flying around the vortexes, and in the vortexes are black and white phoenixes. Then, as the vortexes faded, Yakko, Wakko, and Dot Warner emerged, but they were changed forever.

Then, Yakko, Wakko, and Dot attacked him with their new giant mallets and they literally flattened him all over the place, but then, Lincoln delivered the final blow by firing three blades of light from his massive greatsword and they pierced Salazar the Pushy and since the blades were made of pure light and Salazar the Pushy was brought back by Satanic magic, the blades destroyed the Qliphoth Tree of Death and the Seal of Mammon on him, and he was damned to The Black Gates forever. We cheered wildly as we holster our weapons and powered down and Yakko, Wakko, and Dot's new bodies, weapons, jewelry, clothes, and massive midnight black angel wings are permanent.

Yakko: That's the last time Salazar dares to come back.

Lincoln: And this is going to serve as a warning to Belinda Chernabog, telling her she's next when she flies out from the ruins of Ördögház to kill us. (To Tiana Masina) And it's so good to see you again, Tiana Masina.

Tiana Masina reverted back to normal, and she was a beautiful girl with short neck-length midnight black hair, crimson red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and she reigned in the power of Ghostrick Fairy, and she's dressed in a sleeveless midnight black open blouse, sleeveless midnight black midriff top, sleeveless midnight black jewel-encrusted skirt, midnight black lace stockings, midnight black heeled sneakers, and long white sleeveless trenchcoat with darkness, ghosts, and fairies on the coattails and Ghostrick Fairy on the back and holstered on her back is a Ghostrick Fairy-themed large greatsword with Ghostrick Fairy etched on the 7'0" massive, wide, double-edged midnight black blade, large fairy heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large fairy heads and a large crimson red gem on the bottom of the large fairy heads for the pommel.

Tiana Masina: (Scottish Accent) Aye, you too, Lincoln, it's been a long time, and it's good to see you again, Ursula.

Ursula Truaigheaingeal: (Scottish Accent) You too, Tiana.

Lincoln went up to Tiana Masina and he hugged her, and Tiana Masina is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Tiana Masina: (Scottish Accent) Aye, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Tiana Masina, she's my Guardian Angel from Scotland and my classmate in English and she's one of Ursula Truaigheaingeal's friends from Scotland and another of the Ghostrick Gene-Slammers. Tiana was born with beautiful angel wings and she's skilled with magic and she knows how to summon elemental fairies and she knows about Scotland's long history and that included the history of Loch Loud and Duke McLoud's family.

Me: That's really cool.

Lincoln: Yep, and she's defended me from the absolute worst of Lynn's wrath and she also unleashed all kinds of fairy mischief on Lynn and it really drove her crazy to the point that she apologized to me, and it didn't end with Lynn getting grounded, it ended with me forgiving her and we hugged.

Nico: Now, that's a really big change, Linc. Usually, after one of your Guardian Angels gets done with teaching Lori, Lynn, Lola, Lisa, and Luan a lesson, it ended with them getting grounded, but this one ending with Lynn apologizing and you forgiving her and you guys hugged it out. Now, this we're so going to love hearing.

Tiana Masina: (Scottish Accent) You'll love it, lad. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Tiana, are you absolutely sure?

Tiana Masina: (Scottish Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and Ursula and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Tiana Masina and he saw she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared around Tiana Masina's neck with red gems on the gold lightning bolts and red crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Tiana Masina: (Scottish Accent)(Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like Ursula, you're now part of my harem and my many future wives, Tiana.

Tiana Masina had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Tiana Masina's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Lucia Nahashi and Sumire Takahana from Venus VS Virus.

Lincoln: Oh wow, it's Lucia Nahashi and Sumire Takahana from Venus VS Virus.

Nicole: Awesome.

Lincoln: Are you girls okay?

Lucia Nahashi: Yes, we're okay, thanks to you.

Then, when Lucia Nahashi and Sumire Takahana saw who it was that saved them Salazar the Pushy, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on his left ring finger which also merged with his Orange Buffalo Animal Spirit Ring, large Blue Lantern ring on his right ring finger and small planets orbiting around his fingers like rings, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Lucia Nahashi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Lucia Nahashi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucia Nahashi and Sumire Takahana with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Salazar the Pushy, who returned from the dead again for revenge, and even worse: it was at the hands of Belinda Chernabog, the youngest of The Chernabog Sisters, when they saw the Qliphoth Tree of Death and Seal of Mammon on his forehead, and that's the tell-tale sign that The Chernabog Sisters have returned.

But, when Lincoln showed what happened such as Yakko, Wakko, and Dot exploding with deadly rage and transforming and all of us pulverizing Salazar the Pushy and Lincoln dealing the final blow with the blades of light which condemned Salazar the Pushy to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and

Tiana Masina have a lot of catching up to do now that she's back in town.

Maria: I can't believe it, so Salazar the Pushy came back, and even worse: it was at the hands of Belinda Chernabog, the youngest of The Chernabog Sisters.

Lincoln: Yep, but Laniya and I will be ready for her later on today, and we also found out that not only those villains they brought back will have the Qliphoth Tree of Life on their foreheads, but they'll also have a Seal of The Demonic Princes on them.

Selene Emperyous: Being able to put up a Seal of The Demonic Princes on the villains they bring back from the dead, that's one of their demonic powers, but those blades of light Lincoln fired at Salazar the Pushy, those blades were known as The Light Swords of St. Michael, they've not only removed the Qliphoth Tree of Death and the Seal of Mammon, but it also condemned him to The Black Gates forever.

Lincoln: So, I've got a new weapon and technique to use on those brought back by Adrastea and her demonic sisters, awesome!

Nico: Oh, it's war now!

---

After finally destroying Salazar the Pushy forever and pissing off Belinda Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Tiana Masina saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tiana Masina: (Scottish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Tiana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Tiana Masina: (Scottish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Tiana, how did you defend Lincoln from the absolute worst of Lynn's wrath and it ended with her not getting grounded and apologizing to Lincoln, and how they hugged it out in the end?

Tiana Masina: (Scottish Accent) You're going to like this. One day, I was with Lincoln and we were at Gus' Games and Grub for some fun and games, and we were joined by the other Guardian Angels, but our day of fun got ruined when we heard a scream of rage, and we saw who it was that made the scream of rage: it was Lynn and she was really out for blood. When some of the other Guardian Angels saw them, they wanted to finish what they started and kill them, but I stopped them and I summoned some elemental fairies who drove off Lynn and sent her running, and later on, they began to unleash all kinds of mischief on Lynn and the mischief really drove her crazy to the point that she ran back to the house and she apologized to Lincoln for all the times she's tried to kill him, and she was crying like crazy and for the first time, she had remorse in her eyes. Lincoln, knowing that those were the words from the real Lynn, went up to her and he hugged her and she hugged him back and she was still crying hard into his chest, and everyone else joined in on the hug.

Many of us who weren't in the team at the time didn't have a dry eye in their eyes, they were crying tears of happiness.

Nico: (Sniffles) Now, that's what I call a happy ending.

Me: I still remembered that day and it was really sweet, and the others also remembered that day as well, and we saw it was a sign that Lynn was breaking free from her violent Dark Side.

Lincoln: This was something that we finally experienced in years: Lynn breaking free from her violent Dark Side and finally letting her true self out, and then, she was finally freed when Dark Lynn broke loose and came out into the open. But, now, we're finally freed from that violent animal, along with the other violent Dark Sides of the Louds for good.

Me: You got that right, Lincoln.

We got a shower afterwards, and then, me and my harem were heading to Aquarium Park.

I snapped my fingers was dressed in a large white speedo with a phoenix surrounded by elemental forces and stars on it and white flames coming off the speedo, orange sandals, my jewelry and my accessories, gold metal bands on my massive biceps and thighs, and I had my weapons holstered in case of trouble, and my harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Camie: Wow, so this is Aquarium Park, J.D.?

Me: Yep, Nico and his harem, along with Lincoln and his harem, and Clyde and his harem have been to here before, and now, it's our turn. Shall we?

My harem and I dived in and we saw the marine life there and we also had a swimming race and had a lot of fun, and we went back to the sand and we had a game of volleyball and my harem got a massive and extreme deep atomic red blush on their faces when they saw me lift up a 900,000,000,000,000-lb barbell he summoned. Then, we had some lunch, and then, I made clones of himself, and me and the clones went up to the girls in my harem and we hugged the girls in our abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of me and my clones, and they placed their right hands on the massive wide and muscular left pecs of me and my clones, and we shared a passionate and romantic kiss, and then, we came back home to The World Tree Estate and we were back in our original clothes, and Lincoln and Nico also saw I had lipstick marks all over my face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, J.D., how was your date?

Me: Really awesome, Linc, we went to Aquarium Park.

Camie: (Seductively and rubs her hands on my massive pecs) And we definitely had a fun time there, honey.

Camie kissed me on the lips again, and my face turned atomic red and steam came out of my ears, but I also returned it, and I did the same with all the other girls in my harem and everyone saw the same thing.

Lincoln: And I hope you didn't run into any trouble, J.D.

Varie: We didn't run into any trouble while we were there, and Belinda Chernabog couldn't do a single thing, since demons can't stand running water, and it'll burn them like acid.

Laniya Emperyous: And that's what we're going to hit Belinda Chernabog with when we get after her later on today.

Lincoln: I won't be surprised she'll be screeching like crazy if we blast her with water, Laniya.

Nico: Even though they have the powers of the demonic princess of

Hell, The Chernabog Sisters still have the very weaknesses of the demons.

Lincoln: And that's what we're going to exploit to our advantage, Nico.

---

Later we were watching TV.

Eustace was reading his paper.

Eustace. Stupid Dog! (Gets out Ugly Mask) OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHH!

Eustace laughed at him and then…

KRABONK!

Eustace got bashed on his head by Muriel and Francesca.

Eustace: OW! What did I do!

Me: (LAUGHS) That always cracks me up.

I saw the mascots not up yet and I looked at the clock and it was 11:17 AM.

Me: Wow it's almost noon. The Mascots should have been up.

Marium: Are the mascots seriously still asleep?!

Nico: Yeah. I think their alarm clock is broken.

We went and checked on them.

We looked into their room and saw that they were sound asleep and their alarm clock was busted.

Me: Uh oh. They need a new alarm clock.

Marsupilami: Time to wake them up with another alarm clock.

SpongeBob: You can use mine.

Me: Cool. Thanks SpongeBob.

I plugged my ears with my wings and turned it on.

FOGHORN ALARM!

HOOOOOOOOOOOOOOOOOOONNNNKKK!
HOOOOOOOOOOOOOOOOOOONNNNKKK!
HOOOOOOOOOOOOOOOOOOONNNNKKK!
HOOOOOOOOOOOOOOOOOOONNNNKKK!.

The mascots screamed as they were awakened! At 11:21 A.M.!

Brawl: Morning, guys!

Lily: Wow SpongeBob your alarm clock is cool.

SpongeBob: Thanks Lily.

Poromon: Man that is loud! What time is it?

Me: 11:22 AM. You guys slept in.

Poromon: OH MAN! We're late!

Poliwag: Why didn't you guys wake us up earlier!?

Me: Well your alarm clock was broken. Look.

They saw it was broken.

Manaphy: Oh man! We'll have to get a new one.

Nico: We'll have to go to a clock shop after today's mission.

We went and got the mascots an all they could eat lunch and breakfast.

Poromon: Did we miss anything while we were asleep?

Prowl: Well, Nico's gonna have a Hell of a time cheering Qin up.

Poromon: What happened?

Me: Qin got her revenge on the monster that killed her mom and dad. I called her mom and dad in and Chris is trying his hardest to help her. After our rescue she went into her room and hasn't stopped crying ever since.

Camie: Poor girl.

Nico: I feel really bad for her.

Wendy Sapphira: Me too.

We saw Qin in her room crying hard. She was sitting on her bed looking out the window into space over the planet and Chris was comforting her.

Me: I don't know how much longer I can stand to see her like this.

Grave Clobber: Nico, which teams have you made this time?

Nico: Dan's group will include Nate, Francesca, Courage, Eustace, and Muriel. Maria's group will include Mirai Cheng, Dinobot, Scorponok, Bonecrusher, and Transquito.

Me: Wow! Good choices.

Francesca: Bout Time I got put in a team.

Courage: Mm-hee.

Muriel: Oh how lovely.

Dinobot: It will be a most battle.

Scorponok: It sure will.

Nico: Before we get ready lets help Qin.

We went into her room.

Me: Qin?

Qin was crying hard.

Qin: (Crying) I'm sorry guys!

Me: Qin it's not your fault. You got justice.

Qin: (Crying) Then why does it hurt so bad!?

Nico: Because you're feeling a huge weight lift off you.

Qin: Nico, I'm so sorry!

Nico: For what? You didn't do anything.

Qin: YES, I DID! I KILLED OUT OF REVENGE!

Nico: But it was understandable. I'm not mad at you.

Qin: But you should be! I DESERVE TO BE PUNISHED!

Nico: Say what?

Qin: I WANT TO BE PUNISHED, NICO! PUNISHED, I SAY!

Me: Qin calm down!

Her parents came in.

Sakuya Cheng: Qin?

Qin: Mom! Dad!

Nathan Cheng: Qin listen. What you did avenged us and we're really proud of you.

Thinking quickly, Nico went outside and got some flowers. And he went back in with said flowers and gave them to Qin.

Nico: Here, Qin. These are from Chris!

Chris Taylor: Nico, I didn't-

Qin: (continues crying) Oh, Nico! I don't deserve such kindness from the two of you!

Poor Qin.

Me: Man she is really broken.

Nico: Yeah.

Me: I wasn't this sad when I got my revenge. That was forced upon me.

Xenia: Yeah.

Nico then saw some ice skaters on TV.

Nico: (in my head) That might work. (out loud) Hey, Qin! Look at this!

Qin looked as Nico was doing sort of a weird dance between ballet and ice-skating… and sucking badly.

Nico: (singing badly) IT'S BEGINNING TO LOOK A LOT LIKE CHRIST-MAS! EEEVERYWHERE YOU GOOOOOO…..!

Qin just cried harder.

Me: Okay that was a poor impression.

May: But it was a good try.

Nico: Yeah.

Qin stopped crying as Poliwag cuddled up to her.

Poromon: It'll be all right Qin. You did good.

Nico: Yeah Qin.

Poromon: Yeah.

Qin: (Sniffles) Oh Poromon. Thank you guys. Thank you.

Qin hugged him.

Nico: Honestly, trying to cheer you up was like dealing with a woman on her peroid.

Lynn: Yeah no kidding. I know that feeling myself.

Laney: Oh boy.

Izzy Moonbow: I know what else will work.

Izzy fired a beam of magic and then…

LOUD FART!

Nico farted a big one!

Nico: What the!?

Izzy Moonbow: (LAUGHS)

Me: Boy that was a GAS!

Luan: (LAUGHS) Good one Izzy! And you too J.D.!

Eddy: (LAUGHS) That was a good one!

Nico then tooted I Wish I was In Dixie!

Qin laughed hysterically!

Nico: YEAH!

We laughed hysterically at that!

Me: (LAUGHS) THAT WAS HILARIOUS! Nice one Izzy!

Zipp Storm: Yeah that was funny!

Qin was laughing hysterically!

She calmed down.

Poliwag: Feel better, Qin?

Qin: (LAUGHS) YOU BET I AM! (Laughs) Nico farting made it all better.

Nico: (LAUGHS) That was funny!

Chris Taylor: Yeah that was awesome!

Me: Nice move there Izzy.

Poliwag: You know, I wonder how Garfield's doing.

Me: I was just about to wonder the same thing. But good thing you brought that up Poliwag. I got this report from Sheila. I found out that Happy Chapman, the deranged lunatic that kidnapped Oddie before escaped from prison.

Qin: Oh man!

Xenia: Who is Happy Chapman?

Camie: I was about to ask the same thing.

Me: You would not like this guy. He is one nasty son of a bitch.

I went over his history.

---

Happy Chapman (simply known as Chapman) is the main antagonist of the 2004 live-action comedy film Garfield: The Movie. He is a disgruntled pet idol and Garfield's archenemy.

He was portrayed by Stephen Tobolowsky, who also played Jerry Barkley on Justified, Uncle Ubb in The Lorax, Ronald Tompkins in Toy Story of Terror! and Ferris Boyle in the Batman: Arkham Origins DLC Cold, Cold Heart.

Happy Chapman is a TV host who expresses true happiness on his show using his cat Persnikitty as an example, but later reveals that he is actually an arrogant, greedy, selfish man who is severely allergic to cats, abuses his butler Wendell and is dissatisfied with his job as TV pet show host. Chapman wishes for a dog to star in his show so he can overshadow his more successful twin brother, Walter the news anchor in fame and expresses his jealousy towards him as well.

Later on, Jon and Odie go on a date with Liz (with Garfield towing along) where she is judging a dog show, where Chapman also happens to be one of the judges. Garfield accidentally enters through the curtain that leads to the stage, and all the dogs chase after him. To stop the chaos, the dog show host orders the DJ to start the music. The DJ turns on the radio and Black Eyed Peas' "Hey Mama" (the same song Garfield and Odie danced to earlier) starts playing, and Odie runs out of Jon's lap and does his little hind dance, and steals the show, becoming the unexpected winner. Chapman, amazed by Odie's extreme talent, tries offers Jon to make him his new star pupil, but Jon respectfully declines as he wishes to have a normal pet. Chapman, hiding his anger, still gives Jon his business card in case he changes his mind before looking at Odie with his greedy eyes.

When Odie ran away from home due to Garfield locking him out, Chapman, taking advantage, lied to Mrs. Baker, the elderly woman who put up the poster, that Odie was his dog and put him in his show before he (presumably) placing Persnikitty in the pound. He then took out a dreaded shock collar, despite Wendell reminding him that he promised he'd never use the collar, claiming it to be cruel and inhumane. Chapman dismisses Wendell's concern, claiming the collar to be Odie's "future" and threateningly asks Wendell if he has a problem with that, to which Wendell timidly responds "no."

Meanwhile, Garfield notices Odie on The Happy Chapman Show when he surfs through the channels on the TV. Upon learning that Chapman plans to move the set to New York City, Garfield, in his nobelist decision yet, leaves the house to go to the Telegraph Tower (the tall building where they film Chapman's show) to find Odie.

After a series of mishaps, Garfield finally manages to make it to the Telegraph Tower, and eventually finds Odie in Chapman's office. Garfield apologizes to the dog for how much of a jerk he's been to him. Before Garfield can free Odie, however, Chapman and Wendell enter the room, forcing Garfield to hide. Chapman places the shock collar on the dog's neck, then activates it, creating a powerful and painful electric jolt that forces Odie to do back-flips. Chapman even sadistically laughs at the dog's pain from the powerful jolts, before he and Wendell leave the building to catch their train. Disgusted at Chapman's actions, Garfield tries to follow him, but gets captured by Animal Control and is locked up in the pound.

Meanwhile, Jon and Liz arrive at Mrs. Baker's house after seeing Odie's poster, only for her to tell them that Chapman had already taken him. Realizing Chapman tricked her into believing Odie was his dog, Jon and Liz rush off to find Chapman and rescue Odie and Garfield.

At the pound, Garfield is surprised to see Persnikitty in another cage. Persnikitty explains that he is furious at Chapman's betrayal towards him by replacing him with Odie before coldly throwing him in the pound and his real name is really Sir Roland. To get back at his former owner, Sir Roland collaborates with Garfield on an escape. When a family arrives at the pound to adopt a cat, Sir Roland takes advantage, realizing that it is the perfect opportunity for escaping the pound. Just as he is about to be given to the couple's daughter, Sir Roland runs out of the pound officer's arms and presses the red emergency button, which opens all the cages and all the dogs and cats flee out the door. Garfield resumes his search and heads for the train station.

Back at the Telegraph Tower, Jon and Liz arrive at Chapman's office and Jon sees cat pawprints on the floor and realizes Garfield had been there. A security guard suddenly comes up from behind Jon and Liz and asks them if they need help from him. Jon tells the security guard that they're looking for Happy Chapman, and the guard tells them that Chapman is on his way to the train station and taking a train to New York City, and Jon and Liz rush out and head for the train station as well.

At the train station, Garfield is too late to stop Chapman's train from departing. Jon and Liz also see the train depart and rush to the reception desk and beg the receptionist to stop the train, but she tells them there is nothing she can do about it. However, Garfield sneaks into the control room, sabotages Chapman's train route by frantically switches the tracks, that leads to an impending train wreck and manages hits an emergency control to make the train return to the station. Garfield reunites with Odie, and the two escape. However, Chapman sees them escaping through the train's window while getting in a fight with some waiter and conductor, and he rushes out of the train and gives chase at them.

Chapman eventually corners Garfield and Odie in the luggage area and threatens Odie with the shock collar before he grabbing the latter to put the shock collar on him again. Angry that Happy will abuse Odie and make him perform against his will, Garfield lunges at Chapman, but an evil Chapman tosses him aside. However, the pound animals that Garfield helped free (led by Sir Roland) arrive to the rescue Odie from Chapman, who cowardly tries to escape, and as they corner Chapman.

Chapman gets scratched and bitten by numerous cats and dogs, while the rats place the collar on his own neck. Garfield and Odie give Chapman two electric jolts as a satisfying payback. Jon and Liz then arrive and come face to face with the dazed Chapman. Jon furiously punches Chapman in the face for stealing his pets and then is reunited with Garfield and Odie. Happy Chapman is then arrested by the police and sent to jail for his crimes during on the news coverage by a reporter, Abby Shields making her report about Happy (referred as "deranged man") with his shock collar and complaining crazily. As Happy is arrested, Walter while on the air takes another jab at his humiliated brother before signing off.

After Chapman's arrest, it is presumed that his show is now officially canceled and suffers his losses of his fortune as he remains in prison.

When I was done everyone was shocked!

Nico: WHOA MAN!

Xenia: Monster!

Fluttershy: That low life meanie!

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, Vortex, Evil Heat Man, Genbu, Lexaeus, Lady Quark, Quark, Teen Tornado, Red Guy, Ed Bighead, Neopolitan, and Weather Report appeared.

Red Guy: Heeel-o! It's us! The Masters of Evil!

Whiteout: Can me, Firefly, Plastique, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex go with you guys?

Lexaeus: Me, Evil Heat Man, Genbu, Lady Quark, Quark, Teen Tornado, Red Guy, Ed Bighead, Neopolitan, and Weather Report will come as well.

Nico: Yes you all can come with.

Evil Heat Man saw Qin's puffy eyes and tear stains.

Evil Heat Man: Oh man Qin are you all right? You look like you were crying for a while.

Qin: I was.

Me: Long story on that.

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet one for Earthbound Immortal Aslla Piscu as well as ones for the Flower Princesses:

Marina, Princess of Sunflowers,

Chirubime, Princess of Autumn Leaves,

Talaya, Princess of Cherry Blossoms,

Number 87: Queen of The Night,

Tonasu, Princess of Pumpkins,

Serena, Princess of Rafflesias,

Tytannial, Princess of Camellias,

Periallis, Empress of Blossoms,

And Mardel, Generaider Boss of Light.

Me: Ooh! Beautiful and full of nature.

Qin: Yeah those are beautiful.

Laney: They sure are.

Carly Atlas: You'll be in for a surprise when you meet the gene-slammer for Aslla Piscu.

Nico: Can't wait Carly.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Belinda Chernabog, the youngest of The Chernabog Sisters, and she's major-leagued pissed off that we killed Salazar the Pushy and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to Belinda Chernabog, the youngest of The Chernabog Sisters, and she's major-leagued pissed off that we killed Salazar the Pushy and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

We gasped.

Nico: Oh shit, we really pissed her off if she's bringing the rest of her sisters to watch as she tries to get revenge on us for ruining her fun.

Laniya Emperyous: I should've known Belinda would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Wait, while you guys are busy dealing with Belinda Chernabog, we need to keep the rest of her sisters away.

Selene Emperyous: Not to worry, we already have a spell to keep the rest of The Chernabog Sisters at bay and it'll last until Belinda Chernabog has been destroyed.

Nico: Now, that's some awesome planning, Selene. Alright, gang, let's go, we need to help Garfield take down Happy Chapman.

Lincoln: That disgruntled pet idol needs to be stopped for good, and once we get through with him and send him to jail, you're through, Belinda Chernabog, and this'll serve as a warning to the rest of your demonic sisters.

Firefly: We better get to Garfield before Happy can!

Evil Heat Man: Let's get to it then!

Nico: Good thing he isn't that far.

Me: Yeah also it will take a while for Happy to get here.

Happy (Fairy Tail): I'm right here.

Me: Oh no not you Happy. This is another Happy. Happy Chapman.

Happy (Fairy Tail): Oh right. Sorry.

Nico: Lets head out.

We were off to Garfield's house which was located near the park.

---

We were walking down the street to Garfield's home.

Me: At least we won't have to go far.

We then arrived at Garfield's house.

Me: There it is.

We went up to the door and knocked on it.

Bruiser Cruiser: Garfield, are you there?!

Garfield answered it.

Garfield: Hey guys! Welcome.

Me: Hey Garfield! Awesome to see you.

Xenia: Yeah it sure is.

Quark: Can we come in?

Gearhead: And what vehicle can I use around here?

Me: Plenty of cars to use.

Gearhead: Good.

Garfield: Sure come on in.

We went in.

Qin: Boy you have been busy eating lasagna?

Garfield: You know it.

We saw hundreds of trays of lasagna.

All of them empty.

Me: WHOA! That is more lasagna than anyone can eat in a lifetime.

Laney: No kidding there.

Courage's stomach growled and then as he was going to the kitchen he stepped on Eustace's foot.

CRUNCH!

Eustace: AAAAAAAAAAAAAAAAAHHHH!

His foot was swollen and in pain!

Eustace: YOU STUPID DOG! I'M GONNA STRANGLE YOU!

He strangled Courage!

KRABONK!

Francesca and Muriel bashed Eustace on his head with a rolling pin.

Eustace let him go.

Eustace: OW! What did I do!?

Garfield: You guys want any?

Jindrax: Don't mind if I do!

I made more lasagna with a Lasagna tree that will give him an endless supply of Lasagna.

Nico: Nice.

We got to eating lasagna.

Me: Mmm! Cheesy and meaty.

Ed: Ow my liver. Ow my spleen. Ow my lasagna.

Edd: Ed lasagna isn't an organ.

Ed: Oh yeah.

Eddy: Shut up Ed.

Garfield: (to the Mascots) I heard you guys slept in.

Poromon: We were very sleepy.

Red Guy: Damn right you were!

Trickster: You 4 want to get some more sleep?

Poromon: Nah we're good.

Me: Besides they couldn't help it. Their alarm clock was busted.

Qin: Yeah.

Garfield: Qin are you okay? Your eyes are really red and puffy and you have tear stains on your face.

Qin: Ugly story.

Ashi: Let's just say that now, Nico knows how to deal with a woman on her period!

We laughed!

Qin: (LAUGHS) That is funny.

Me: Yeah. And it's with Poromon and farting I wish I was in Dixie.

Nico: (LAUGHS) Yeah.

Xenia: That is true.

Garfield: I see. But that was funny.

Me: Yeah.

Cad Bane: You also sang very badly.

Nico: No, I didn't!

Neo gave me an unimpressed look.

Me: No offense man but you did.

Qin: Yeah Nico. That sounded like monkeys singing the hokey pokey during a volcanic eruption.

Nico: Oh. I guess it did sound a little off key.

Me: A LITTLE off key?

Nico: Okay it sounded like it was a lot off key.

Stewie Griffin. It actually sounded as bad as a leper colony doing the hokey pokey.

CUTAWAY

Lepers: (Singing)

You put your left leg in (Legs fall off) and you leave it there, you put your right arm in (Arms fall off) and you come back for it later.

CUTAWAY ENDS

Me: That is funny.

Grinnade was laughing at this.

Me: Yeah.

Robin: But the situation was very similar to what Starfire went through.

Starfire: Yes I went through my cycle and Robin did what he could to cheer me up.

Me: Really?

Starfire: Yes. Tamaranean females go through what you call periods once every 3 years.

Me: Wow!

Sunset Shimmer: That is really interesting though.

Me: Tamaraneans have different anatomical chemistry that goes with their biological makeup than we do.

Starfire: That is right.

Vortex: Anyway, Garfield, have you heard the news?

Weather Report: If not, you should right now!

Garfield: That Happy Chapman escaped from prison? Yeah I heard.

Me: Oh then you already heard. Good.

Garfield: Yeah I was watching TV and heard it on the news and then ate all these lasagnas to calm myself down.

Me: Oh.

Qin: Wow.

Vice: Good thing you left some for us.

Me: And I made some more with this Lasagna Tree.

Vice: Yeah that's true.

Qin: Yeah. Is Nermal still being a pest with his cuteness?

Garfield: Yeah but that's okay.

Qin: Nermal isn't the only one. Vypra told me that the M.O.E. has another recruit like that and he has just as powerful a cuteness charm. His name is Bubbles.

Garfield: Wow.

Loki: It's true.

Ed Bighead: Oberus has him as an archenemy.

Me: Yep.

Garfield: Yeah.

Me: Bubbles is a cat and he does that really silly puppy dog eye stare. Like how Puss N Boots does.

Qin: Yep.

Ed Bighead: That's right.

Laney: But Pony Life Fluttershy does a much cuter version of that than Bubbles does.

Qin: I wonder how Nermal would handle the cuteness of that.

Killer Frost: You got a plan for dealing with Happy?

Garfield: I was thinking we could lay low until it blows over.

Me: Unlike you Garfield we don't lay low. We fight.

Wendy Sapphira: That's right. We fight.

Nico: And we don't run from battle.

Dinobot: That's right. Running lacks a warriors nobility.

Rattrap: Oh insight there Dinobrain! You want your expert consultant fee now?

Dinobot: No need. I can simply excise it from your hide!

Rattrap: COME AND TRY IT LIZARDLIPS!

Tigatron growled at them both.

Rattrap: All right. All right all right. We're shutting up.

Garfield: Are they always like that?

Me: Don't fucking ask.

Nico: Dinobot and Rattrap hate each other. Mostly because Rattrap is a Maximal and Dinobot started out as a Predacon.

Optimus Primal: Yeah and their squabbling has caused lots of problems for us before. They either have to work together or they will destroy each other.

Me: Yeah.

Dinobot: Better him than me.

Rattrap: HEY! You're the one that started it Gear-Head!

Dinobot: I beg to differ, Cheese-lips!

Rattrap: Pre-evolved bird-brain!

Dinobot: Eater of garbage!

Me: Sheesh! And they call ME the immature one.

Nico: Yeah no kidding.

Polar Claw: (Sighs) It just never stops with those two doesn't it?

Eli: Tell me about it.

Garfield: Yeah.

Rhinox: You just have to get used to it.

Qin: Yeah. Easier said than done.

Garfield: Okay, maybe we don't lay low. But it's still gonna take him a while to get here.

Teen Tornado: That one, I agree with you.

Molten Man: How did you deal with him last time?

Garfield: Electrocuted him with a shock collar after Odie bit him in the butt and then Jon punched him in the face.

Qin: Nice.

Laney: And then the cops put him in the stony lonesome.

Tarantulas: (Laughs) That is really clever.

Thorax: Well, J.D can zap him!

Me: You're darn right I can! And I pack a really nasty 100 Giga Googol Volt Shock.

I showed really potent lightning surging through my fingers on my hands.

Garfield: Nice!

Qin: Very awesome!

Me: I know that's not a real number but I thought it fits.

Lisa Loud: Indeed. Very clever use of the number.

Qin: Yep.

Ghost: He actually should be here any minute now.

Lady Quark: Glad this isn't happening on a Monday, huh?

Nico: Yeah no kidding. I hate Mondays.

Qin: Yeah who doesn't like Mondays?

Lana: I know.

Eli: (Senses something) Wait I sense him. He's close.

Marie Kanker: Entrance time!

Me: Lets get him.

Nico: You got that right.

We got ready and then we hid and coming towards the house in a yellow prison jumpsuit was HAPPY CHAPMAN! And he was MASSIVELY PISSED!

Happy Chapman: That putrid cat! I will make him pay! NO ONE Makes a fool of me! I lost everything because of him!

Then phoenixes made of the elemental firestorms flew around him and then they flew into the air and exploded!

KRASPLAT!

A massive deluge of lasagna fell onto him and covered him in a mess of sauce! Then we landed.

Me: That was a messy one!

Qin: Yeah it was!

Happy Chapman: Where's Odie, cat boy?

Garfield: Sorry, Odie's not here right now.

Genbu: Can we take a message?

Plastique: Because you're in for an explosive time!

Me: Or in this case, A SHOCKING TIME!

I fired a massive blast of lightning and it hit his collar and electrocuted him all over with billions and billions of volts of electricity!

Ed: Zappity zap zap!

Qin: Shocking!

Xenia: Yeah!

Lincoln, Linka, Elena, Elec Man, Nico and Eli fired massive blasts of powerful lightning and electrocuted him all over.

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

He was REALLY Getting Shocked!

But then Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Diabolico, Sportsmaster, Liquidator, Yani, Queen of the Black Puddle, Beany the Braindead Bison, Walter Wolf, Mr. Fibb & Mr. Wink, Cuppa Joe, Lipstick Monster, Madame Woe, and Yzma appeared.

Nico: Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Diabolico, Sportsmaster, Liquidator, Yani, Queen of the Black Puddle, Beany the Braindead Bison, Walter Wolf, Mr. Fibb & Mr. Wink, Cuppa Joe, Lipstick Monster, Madame Woe, and Yzma.

Killer Shrike: What's with all the lasagna?

Garfield: It was actually my idea. I wanted to include that in the entrance.

Wolf: Well, can't argue with that.

Captain Boomerang: When it comes to lasagna, you love the stuff.

Me: Yep.

Crimson Dynamo: (to Qin) Congratulations on avenging your parents.

Qin: Thanks.

Shiva: And we finally found out the name of the murderer.

Me: Yep we sure did.

Then Hexuba came out.

Me: Back for another Round Hexuba?

Hexuba: I sure am.

Me: Nice.

Hexuba: I don't know what Void Queen is planning. But you'll probably need some additional help against her Nemesis Beast.

Nico: I think I got just the guys to recruit tomorrow.

Me: Looking forward to seeing them.

Laney: Yeah.

Me: Nico: This is gonna be an awesome way to close out the years

Ambassador missions with a huge bang.

Laney: Yeah it sure will be cool.

We got the battles underway.

## Rice Fitzgerald, Rarity, Sweetie Belle, Water Skylanders, Ben, Gwen, Max, Kevin, Gulper and Grave Clobber VS Simon Maddicks A.K.A. Killer Shrike from Marvel - Nico's Rescue and Qin's Revenge

Killer Shrike was first.

Killer Shrike: (to Rice) Nico's rescue involved not just getting a treasure but also Qin getting big time payback. Come to think of it, we never did learn the name of the person responsible for the deaths of Qin's parents.

Rice Fitzgerald: You would hate this guy to the core Simon. His name is Sergi Rossenov and he is a member of the Russian Mafia.

Killer Shrike: (GASP) Oh man! I've heard of him! He was the worst ever hit man of the entire Russian Mafia. He always kills first and never asked any questions and always killed without a single shred of remorse or compassion. It's how he got the Moniker, the Iceman of the Russian Mafia.

Rarity: That's right! What he did was horrible!

Sweetie Belle: He was really awful! We found out that he was sent by the Russian Mafia leader Semion Mogilevich with some of his men to hunt down and killed Qin's family! And leave NONE of them alive unless one of them coughs up of all that money that her father swindled them out of.

Gill Grunt: Yeah that was crazy!

Killer Shrike: Boy no kidding! How much money did Qin's father steal from the Russian Mafia?

Rice Fitzgerald: We counted over $528,122,322,666,722,000.00

Killer Shrike: Whoa! That must've really pissed them off!

Ben Tennyson: You have no idea.

Gwen Tennyson: They wanted to make sure that Qin suffered bad! But all that money they never found. The reason is because they put it in a bank and put it all under Qin's name.

Max Tennyson: That is very smart thinking there.

Kevin Levin: It sure is.

Killer Shrike: Wow! At least Qin got some well deserved payback. Lets do it!

Rice summoned Undine and merged Hermos with Magikey Spirit - Vepartu and it formed into a pair of blasters called THE VEPARTU BLASTERS! They fired waves of water, ice and jewels and smashed him down.

---

Julie Yamamoto: Good old Burbank. It was really fun and cool. We took down their old nemesis Salazar the Pushy.

Sunset Shimmer: Yeah that monster deserved to be destroyed for what he did.

Pipsqueak: (British Accent) It was really fun and cool.

Sunburn: The Warner Siblings all transformed and really let him have it.

Marsupilami: Hooba! They sure did and it was really cool.

Captain Boomerang: Glad they got some justice mates. Lets do it!

Julie summoned Ignatius and merged Hermos with KOA'KI MEIRU URNIGHT and it formed into THE URNIGHT MOON SWORD! They fired waves of energy and fire and smashed him down.

---

Akira Akatsuki, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Robin, Starfire, Raven, Cyborg, Beast Boy, Tara, Toxica and Jindrax VS Crimson Dynamo - Meeting a Ghosttrick Fairy Gene-slammer

* * *

Crimson Dynamo was next.

Crimson Dynamo: (to Akira) I heard you guys met a Ghosttrick Fairy Gene-slammer. What's her name?

Akira: Her name is Tiana Masina and she is from Scotland.

Twilight Sparkle: She is really amazing and she knows so much about Scotland's history and all that.

Starshine Sparkle: Her story is cool too.

* * *

Tiana Masina: (Scottish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Tiana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Tiana Masina: (Scottish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Tiana, how did you defend Lincoln from the absolute worst of Lynn's wrath and it ended with her not getting grounded and apologizing to Lincoln, and how they hugged it out in the end?

Tiana Masina: (Scottish Accent) You're going to like this. One day, I was with Lincoln and we were at Gus' Games and Grub for some fun and games, and we were joined by the other Guardian Angels, but our day of fun got ruined when we heard a scream of rage, and we saw who it was that made the scream of rage: it was Lynn and she was really out for blood. When some of the other Guardian Angels saw them, they wanted to finish what they started and kill them, but I stopped them and I summoned some elemental fairies who drove off Lynn and sent her running, and later on, they began to unleash all kinds of mischief on Lynn and the mischief really drove her crazy to the point that she ran back to the house and she apologized to Lincoln for all the times she's tried to kill him, and she was crying like crazy and for the first time, she had remorse in her eyes. Lincoln, knowing that those were the words from the real Lynn, went up to her and he hugged her and she hugged him back and she was still crying hard into his chest, and everyone else joined in on the hug.

Many of us who weren't in the team at the time didn't have a dry eye in their eyes, they were crying tears of happiness.

Nico: (Sniffles) Now, that's what I call a happy ending.

Me: I still remembered that day and it was really sweet, and the others also remembered that day as well, and we saw it was a sign that Lynn was breaking free from her violent Dark Side.

Lincoln: This was something that we finally experienced in years: Lynn breaking free from her violent Dark Side and finally letting her true self out, and then, she was finally freed when Dark Lynn broke loose and came out into the open. But, now, we're finally freed from that violent animal, along with the other violent Dark Sides of the Louds for good.

Me: You got that right, Lincoln.

FLASHBACK ENDS

Crimson Dynamo: Wow that is really touching!

Spyro: Yeah it sure was. There was not a dry eye anywhere after that story was done.

Robin: We all were amazed by it.

Starfire: It was most glorious.

Raven: We all thought it was amazing too.

Beast Boy: Yeah it was cool.

Cyborg: Yeah it sure was cool.

Tara: I'll say.

Crimson Dynamo: I'm glad they had a great time on that one. Lets do it!

Akira summoned Undergolem and merged Hermos with Flyfang and it formed into THE FLYFANG SHARK SWORD! They fired waves of magic and elements and smashed him down.

Kim Possible: We sure did. We woke them up at 11:21 A.M. and it was cool.

Pinkie Pie: They realized they slept in and forgot to eat breakfast. But I made them a really awesome brunch for them.

Maud Pie: (Monotonously) Pinkie made a good breakfast for them too.

---

Billy Numerous was next.

Billy: (to Ben) The Mascots were really sleepy, huh? And what alien are you gonna use this time?

Ben: Yeah they were really tired. And I'll turn into…

He turned into ULTIMATE BIG CHILL!

Ben: ULTIMATE BIG CHILL!

Naruto: They slept in really late too.

Applejack: Yeah they forgot to set their alarm clock.

Apple Bloom: At least they aren't developing Serena and Mina's tardiness problems.

Flashwing: Yeah that would not be good.

Blossom: I think that's the last thing anyone wants.

Bubbles: I agree there.

Buttercup: No kidding there.

Billy Numerous: Boy no kidding. Lets do it! (MAKES 620 CLONES)

Ruby: Yeah you should see how much Lasagna he eats.

Rainbow Dash: He eats more than the Loud's neighbor Mr. Grouse. He loves the stuff.

Scootaloo: We've never seen a cat eat so much Lasagna.

Laniya Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Belinda Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and twelve mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Belinda Chernabog, the youngest of The Chernabog Sisters.

Then, ten other mists of darkness descended onto the ground and what stood in their places were ten other girls with midnight black hair, blood red eyes, midnight black clothes with the Qliphoth Tree of Death on their skirts and black demonic wings on their backs: they were Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, Nocturne Chernabog, and Callidora Chernabog, and the last mist of darkness descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, midnight black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: it was the leader of The Chernabog Sisters, Adrastea Chernabog.

Laniya Emperyous: Belinda Chernabog, just as we expected.

Selene Emperyous: And you also brought Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, Nocturne Chernabog, and Callidora Chernabog with you when we ruined your sister's fun, Adrastea Chernabog.

Belinda Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Me: So you girls are the Chernabog Sisters. We were told so much about you.

Mara Chernabog: (Chuckles) I'm flattered.

Belinda Chernabog: Now we're going to have some fun.

Lori: Because your so-called fun is literally causing nothing but chaos and havoc wherever you twelve freaks go, Belinda, and Selene and her sisters were literally right to banish you and the rest of your evil chaos-causing sisters to Hell six and a half years ago after all the crap you've caused, Adrastea.

Adrastea Chernabog: You will never stop us from destroying mankind and turning this world into our hellish playground. Belinda, kill Laniya and Lincoln, while we kill all of Team Loud Phoenix Storm and then, we destroy all of mankind! (LAUGHING DEMONICALLY AND DERANGEDLY)

Suddenly, Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, Nocturne Chernabog, and Callidora Chernabog were caught by a Sephiroth Tree of Life surrounded by eleven crosses and that made them scream demonically, and they were all trapped.

Drusilla Chernabog: (HISSES) IT'S A TRAP! WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, instead of you all trying to kill us, you eleven get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she pulled this morning in Burbank, California. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Belinda Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Belinda Chernabog rushed at Laniya Emperyous and Lincoln and tried to kill them, but Lincoln and Laniya fired powerful blasts of holy water and when she got hit, she screeched like the demon that she really is as the blasts of water burned her.

Laniya Emperyous: That'll teach you, but we're just getting started, Belinda, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Laniya Emperyous' purple eyes turned neon purple and she was surrounded by an aqua blue energy aura with water, ocean waves, crosses, and angels, she unholstered her massive Gabrion the Timelord-themed greatsword from her back, and as she approached Belinda Chernabog, she left aqua blue energy, water, ocean waves, crosses, and angels with every step.

Laniya Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Belinda Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Laniya Emperyous was surrounded by a massive vortex of aqua blue energy with water, ocean waves, and crosses surrounding it, there are angels, Gabrion the Timelord, and St. Michael the Archangel flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Laniya Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Laniya Emperyous grew from 6'5" to 7'4" in height, she has the body of a goddess, she has aqua blue highlights in the bangs of her long flowing midnight black hair, she has neon purple eyes and an aqua blue energy aura with water, ocean waves, crosses, and angels surrounding her, she has the Seal of Gabriel in the hands of Gabrion the Timelord emblazoned on her forehead, she has on angel earrings with aqua blue gems for eyes and holding the Water, Holy, and Eternity Kanjis in its hands, she also has Gabrion the Timelord with aqua blue gems for eyes and holding the Water, Holy, and Eternity Kanjis in its hands on the bottom of her aqua blue angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Laniya Emperyous has on a sleeveless dark blue midriff top, dark blue plaid skirt with the Sephiroth Tree of Life on it, dark blue pants, blue legwarmers, blue sneakers, and long white sleeveless trenchcoat with ocean waves, water, crosses, and angels on the coattails, and on the back is Gabrion the Timelord one one side and the Archangel Gabriel and they have a cross floating in their left and right hands and surrounded by water. Suddenly, Laniya Emperyous felt a sharp pain on her back, and then, her massive white angel wings with stars and dark blue tips on the large white feathers grew much bigger for her new body, she has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Laniya Emperyous' massive Gabrion the Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, crosses, water, ocean waves, and angels and when it emerged, it was transformed into Gabrion the Timelord's Holy Water Maelstrom Archangel Greatsword of Holy Water Maelstrom Justice, it's a brand-new large greatsword with Gabrion the Timelord and Gabriel the Archangel etched on the 7'0" massive, wide, double-edged dark blue blade, large angel heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large dark blue gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Gabrion the Timelord's head with dark blue gems for eyes and a large dark blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Laniya Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY WATER MAELSTROM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY MAELSTROM ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY WATER MAELSTROM ARCHANGEL LOVE!

We were amazed by Laniya Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Belinda Chernabog saw it, she went fucking mad and fired a blast of darkness at Laniya Emperyous to kill her, but Laniya Emperyous fired a powerful aqua blue energy blast with water, crosses, ocean waves, and angels which overwhelmed the blast of darkness and it hits Belinda Chernabog, and she was burned badly and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, Laniya Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Maelstrom Timelord Justice and a champion of the Archangel Gabriel, and Laniya, you look beautiful, how do you feel?

Laniya Emperyous: (Divine Echoing Cosmic Voice of The Holy Water Maelstrom Timelord and Divine Holy Water Maelstrom Love) **I feel incredible, Linky. Now, shall we destroy Belinda Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Laniya.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Laniya Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for you to say your goodbyes forever, Belinda Chernabog, 'cause your days of causing chaos and havoc in Michigan and the world are over!**

Laniya Emperyous and Lincoln went after Belinda Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, crosses Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Belinda Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Belinda Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Laniya Emperyous and Lincoln were just getting started and Belinda's divine punishment has just begun. Belinda Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were all incinerated by the light. Then, Laniya Emperyous and Lincoln slashed off Belinda Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Belinda Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Laniya Emperyous, it was known as Gabrion the Timelord's Holy Archangel Maelstrom Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark blue with ocean waves on the blaster with a Phoenix, Archangel, and Gabrion the Timelord surrounded by water etched on the sides, and an aqua blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Laniya Emperyous fired blasts of rainbow energy, aqua blue energy, and elemental forces and when they hit Belinda Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Belinda Chernabog's spirit appeared and Laniya Emperyous and Lincoln drew the Judgement Kanji and Seal of Gabriel on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Laniya Emperyous and Lincoln did to Belinda Chernabog as they holster their massive greatswords on their backs and powered down, and Laniya Emperyous' new body, clothes, weapons, jewelry, and massive white angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, Nocturne Chernabog, and Callidora Chernabog, and they were horrified to see what happened to Belinda Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Belinda! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara

Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, Nocturne Chernabog, and Callidora Chernabog disappeared in eleven mists of darkness, but they know that we're serious, and we're not going to stop until every last one of them are dead forever.

Nico: Yeah, that's right, go lick your wounds, bitch!

Laniya Emperyous: Now, there's only eleven Chernabog Sisters left to deal with. Thanks for helping me destroy Belinda Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Laniya.

Suddenly, Laniya Emperyous wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Laniya Emperyous' face, they kissed passionately as Laniya Emperyous' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Gabrion the Timelord, and the Archangel Gabriel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and angels flying behind them and ocean waves crashing behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Laniya Emperyous came back to us, as the display and Gabrion the Timelord and the Archangel Gabriel vanished.

Nico: Wow, now that's what I call an awesome battle between the Angels of Heaven and The Demon Sister of Hell, awesome.

Lincoln: And from what we saw for ourselves, we really pissed off Adrastea and the other Chernabog Sisters, and they'll do anything to get revenge on us, and like you said, Nico, it's war now!

Me: Yeah.

Selene Emperyous: That's right, Linky, the battle and war to save mankind from the madness of The Chernabog Sisters is finally on.

Nico: Twelve Timelord Archangels of Heaven VS Twelve Chaotic Demon Sisters of Hell, we've gone through some epic battles before with some of the most twisted bastards from the pasts of Lincoln's other Guardian Angels: two of them being The War Against The Church of Necrom and The Battles with The Blood Dragons.

Me: The Church of Necrom wanted to destroy the world because of their twisted devotion to Necrom and they've messed with powerful dark forces far beyond their comprehension and they've killed millions of people, and they had to be destroyed forever.

Eli: And The Blood Dragons only came after us because they wanted revenge on us for what we did to The Church of Necrom, their benefactors, but now, they're in prison for good.

Nico: Yeah. Say, Lincoln, which Gene-Slammer are you hoping to see tomorrow?

Lincoln: Good question, Nico, hmm. Ooh, here's one: how about a Gene-Slammer for Punkleton from My Singing Monsters.

Nico: The Seasonal Halloween-themed monster? Even though Halloween ended days ago, that's a good one.

Elena Skellington: Indeed, and it may give us ideas for Halloween next year.

Lincoln: And just like your cousin, you always search for ideas to use for Halloween, Elena.

Me: And that's always really cool to look for inspiration, especially for Halloween.

Billy Numerous: Looks like Happy Chapman's going to jail.

Deker: That's what he gets for kidnapping Odie.

Me: Big time.

Vexen: Why don't we celebrate with more lasagna?

Diabolico: Sounds like a plan.

Sportsmaster: So, where ARE Jon and Odie anyway?

Garfield: Oh they are going to be back right about now.

Then we saw their car pull up.

Me: There they are.

Jon and Odie came.

Qin: Oh.

Nico: But great job today guys.

Garfield: (To the viewers) You won't mess with me as long as my friends are with me and also Happy is not going to be HAPPY where he is going.

Me: That's for sure.

We went and enjoyed a nice meal at Lynn's table and enjoyed the rest of the day and went back home and went to sleep.

Me: Wow the Moonland of Weave.

Nicole: Yeah this is always fun.

Laney: Yes it sure is.

Xenia: It's always cool.

Me: It sure is awesome and fun.

Lola: Yeah it sure is.

Nico: Thanks for coming with me, Robin.

Robin: No problem Nico. It's going to be awesome helping out with this.

Qin: It sure is Robin.

Misty Tredwell: Yep.

Nico: Robin, I admit you're obsessive when it comes to bad guys. But you're still a good leader

Robin: That's true. I am obsessive. But when it comes to leading a team I know how to get the job done in a good way.

Me: You sure do Robin. You and the Team Titans have done a lot over the years.

Qin: Yeah.

Robin: That is true. And we went through so much.

Laney: And it's amazing how you guys took down so many awesome enemies. And many of your former enemies are now in our frenemies.

Me: And some of them are destroyed.

Nico: And in regards to your TTG counterpart, we did hate him the beginning. But that hate eventually just… died.

Me: Yeah. I was sick of hating your TTG Counterparts. That hatred just went away.

Robin: It sure did. That was good to get rid of that.

Laney: It was. But their Legion of Doom selves are in the M.O.E.

Me: That is cool though.

Qin: It was.

Me: Yeah. Robin are you glad that Slade is gone?

Robin: You better believe I am.

Me: So is my daughter Shanan. Ever since Tara made the ultimate sacrifice to redeem herself and save the city, Shanan HATES Slade more than anyone else. Minus you of course.

Robin: That's true. I was really obsessed with Slade. But at least he is gone.

Qin: Good riddance.

Camie: Yeah no kidding. But the TTG version of Slade I like.

Me: He's more funny and used as comic relief.

Xenia: Yeah that's true. Funny though.

Nico: How much lasagna did you guys eat?

Me: (Groans) More than enough to last me till dinner. I am still full from yesterday.

Qin: Me too.

Laney: It was still delicious though.

Lana: I'll say. It was awesome.

Tigatron: That was awesome good eating too.

Airazor: It sure was. I don't think I've ever seen you guys eat that much lasagna before.

Qin: Me neither. But it was still tasty stuff.

Wendy Sapphira: It sure was good. And also Qin learned a huge lesson that day too.

Me: Yep.

Nico: (to Robin) Me calming Qin was probably like how you do deal with Starfire's period!

Robin: (Shudders) Don't remind me. That was really grueling.

Me: Tell me about it. It's times like these I'm glad I wasn't born a girl. (To the ladies in the group) No offense.

Lana: None taken.

Lola: Yeah.

Eli: That was crazy though.

Nico: Also was my singing impression really that bad?

Me: Uhh. How should I put this delicately?

Qin: It was not that great Nico.

Nico: Sorry.

Laney: But you did your best. And Chris came and helped.

Qin: He sure did.

Nico: I also can't believe Jon and Odie missed the whole thing.

Me: But Luan did get the whole battle on Tape for them.

Nico: That's good. Fluttershy really laid down the law on him.

Fluttershy: (Giggles) I sure did and that was really fun.

Lincoln: That's my awesome Alicorn Princess of Life.

Qin: Yeah.

We laughed.

Nicole: That was great though. You made him cry like a wittle baby. I bet he's dressed up in a bib and a diaper.

In the Saturn Insane Asylum, Happy Chapman was LITERALLY in a bib, bonnet and a diaper and he was crying loudly in a padded cell as it was having tears drain from it. WHAT A BIG BABY!

We laughed hysterically.

Robin: (LAUGHS) That is funny!

Nico: Let's keep an eye out.

Nicole: It's up ahead.

We went through a grass tunnel and in a grove of tall grass was THE SPELLBOOK OF WEAVE GRASSLANDS! It was a lime green book and it had the symbol of Weave on it and had the powers of nature and animals in it.

Qin: Whoa!

Nico: There it is!

Lola: Yeah!

Me: Magnificent.

Nico: Go for it, Fluttershy.

Fluttershy gulped and she went up to the book and then picked it up and then it glowed and then Fluttershy underwent a powerful transformation.

(ESCAFLOWNE (FOX KIDS) INTRO EXTENDED VERSION PLAYS)

She was enveloped in a massive vortex of leaves and flowers and then she grew beautiful angel wings of leaves and flowers and they were beautiful. She got beautiful flower hair ornaments and she also had green sclera in her eyes.

Nico: WHOA!

Fluttershy: Wow! I feel amazing!

The birds chirped all over for her.

Me: Cool!

Xenia: Yeah!

But then…

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

We saw streaks of black lightning stream across the sky.

Me: Wow! Black Lightning!

Xenia: That's incredible!

Maria: Something's not right here.

Eli: It's Another Omnitrix Alien. I sense it.

Nico: But there's one kind of alien that likes to show off with lightning like that.

Then a figure came out in a flash of black lightning and it was A BLACK VERSION OF AN EVOLVED TRANSYLIAN! It was Another Ultimate Frankenstrike!

Me: Whoa! Another Ultimate Frankenstrike!

Qin: Whoa! This is a creepy one!

Another Ultimate Frankenstrike: (In a Girls Voice) But it's one that I like.

Me: Catherine Shelley! I had a feeling it would be you.

Nico: You know her J.D.?

Me: Yep. Catherine is a descendant of famous author of Frankenstein, Mary Shelley.

Nico: WOW! That is cool!

Me: It sure is.

Another Ultimate Frankenstrike: It's good to see you again J.D.

Me: You too Catherine. And this form fits you perfectly.

Albedo turned into Negative Ultimate Frankenstrike.

Negative Ultimate Frankenstrike: Did Swartz promise you anything?

Another Ultimate Frankenstrike: Just to be a great author like my ancestor.

Me: Your ancestor Mary Shelley was a great author and you already are a great author. You made awesome works too.

Nico: Like what?

Me: She made Frankenstein 4: Rise of the Mad Dog, Frankenstein 5: Madness of the Swamp Scientist and Frankenstein 6: Terror of The Desert Dragon.

Nico: Those are all awesome!

Qin: And some of my favorites.

Another Ultimate Frankenstrike: Glad you guys like them.

Nico: Don't worry, guys. Femme Fatale's team is on the way.

Me: Cool. Sorry we have to fight like this Catherine.

Another Ultimate Frankenstrike: No worries.

I went Super Angel Wolf Moon Xelnaga.

Me: (Divine Voice of The Wolf Moon) **I ran some training simulator tests and I found out that my new transformation is just as strong as my Celestial Eternal Xelnaga form. I tried it out on an evil Sasuke and measured how powerful it was, And it was that strong.**

Xenia: Wow! That is cool!

Camie: Boy it sure is.

Nico: Another Evil Sasuke bites the dust.

Me: **Yep.**

Then Femme Fatale's team came and it consisted of Femme Fatale (Powerpuff Girls), Evil Flare Woman (Mega Man), Jealously (Amazing World of Gumball), Ai Shen the Evil Chinese Empress (Courage the Cowardly Dog), Miraj Scintel (Star Wars) and Doldora (Chikyuu Sentai Fiveman)

Femme Fatale: Hey guys!

May (to Femme Fatale): Nice team, Femme Fatale.

Femme Fatale: Thanks guys.

Eli: Wow! It has Doldora from the Fiveman. I remember you.

Doldora: Yep. I was one of Zone's right hand men.

Eli: That's right. You were trying to help Meadow gain immortality.

Doldora: That's right. Until they double-crossed me and fused me into Baradorugin.

Eli: Yep.

Me: **That was terrible what they did back in 1990.**

Qin: No kidding.

Me: (Speaking in Chinese) 爱神，你已经有一段时间没有和你的大敌交手了。 (Ai Shen it's been a while since you fought with your archenemy.)

Ai Shen: (Speaking in Chinese) 自从我和弗朗西斯卡打架以来已经有一段时间了。我不记得我们上一次一起战斗是什么时候了。(It has been a while since I fought with Francesca. I can't remember the last time we fought together.)

Me: 在这些日子里，你会得到另一张照片。 (One of these days you will get another shot.)

Ai Shen: 谢谢 (Thank you)

Me: 别客气 (You're welcome.)

Another Ultimate Frankenstrike: I didn't know you could speak Chinese J.D.

Me: **I'm very multi-lingual. I can speak in any language. Also Ai Shen doesn't speak English.**

Another Ultimate Frankenstrike: I see.

Kaito: (gets out Jetman gear) You probably won't be the first Descendant of Mary Shelley that we'll encounter,

Zocks: (gets out Zyuranger) There's probably going to be another one as Another Omnitrix Alien in the future.

Another Ultimate Frankenstrike: I have a feeling I know who it will be soon.

Kaito got a Jet Sword and Zocks got a Mighty Morphin Sword!

Nico: YEAH!

Me: **Time for some fun.** (ACTIVATES BIOWULF'S RIDEWATCH)

(RUNNING WITH THE WOLVES BY AURORA PLAYS)

Me: (SINGING DIVINELY AS BLUE FIRE SWIRLS AROUND ME)

Go row the boat to safer grounds

But don't you know we're stronger now

My heart still beats and my skin still feels

My lungs still breathe, my mind still fears

But we're running out of time

Oh, all the echoes in my mind cry

There's blood on your lies

The sky's open wide

There is nowhere for you to hide

The hunter's moon is shining

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the

Trick or treat, what would it be?

I walk alone, I'm everything

My ears can hear and my mouth can speak

My spirit talks, I know my soul believes

But we're running out of time

Oh, all the echoes in my mind cry

There's blood on your lies

The sky's open wide

There is nowhere for you to hide

The hunter's moon is shining

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

(I'm running with the)

A gift, curse

They track and hurt

Say can you dream

In nightmares seems

A million voices, silent screams

Where hope is left so incomplete

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

**I'm running with the wolves tonight**

**I'm running with the wolves**

**I'm running with the wolves tonight**

**I'm running with the wolves**

**I'm running with the**

I danced and fired waves of blue fire and it formed into a pack of blue fire wolves and smashed her down.

Another Ultimate Frankenstrike: WOW! Now this.

She fired waves of black lightning and I fired waves of blue fire and the blasts collided and then exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Nico: WHOA!

Sougo: (gets out Fourze Ridewatch Our turn now!

Armor Time! (Epic orchestral music) 3, 2, 1! Fourze!

Geiz: (Gets out Blades Ridewatch) We'll decide how this story ends!

Sougo got FourzeArmor while Geiz Got BladesArmor.

Qin: YEAH!

Eli fired waves of lightning and smashed down Another Ultimate Frankenstrike!

Nico: (gets out Frankenstein's Ridewatch) This one is perfect here!

Nico activated it and fired waves of lightning and smashed her down!

Nico: Take that!

Robin: My turn! (ACTIVATED COMMON COLD'S RIDEWATCH)

He got really sick!

Me: **Robin you look terrible!**

Robin: Maybe this one was a bad idea.

He then fired a blast of snot and mucus and it hit Another Ultimate Frankenstrike and smashed her down.

Me: **YUCK!**

Qin: Disgusting.

Nico: That was a gross one.

Maria: I hope the next Gene Slammer is near.

But then Carly's hummingbird mark glowed.

Carly Atlas: It's on its way.

Then we saw EARTHBOUND IMMORTAL ASLLA PISCU and the flower Princesses:

Marina, Princess of Sunflowers,

Chirubime, Princess of Autumn Leaves,

Talaya, Princess of Cherry Blossoms,

Number 87: Queen of The Night,

Tonasu, Princess of Pumpkins,

Serena, Princess of Rafflesias,

Tytannial, Princess of Camellias,

Periallis, Empress of Blossoms,

And Mardel, Generaider Boss of Light.

Nico: WHOA! Aslla Piscu and the Flower Princesses!

Aslla Piscu: (In a girls voice) That's right Nico.

Talaya, Princess of Cherry Blossoms: (In a girls voice) Yep.

Nico: Whoa! Felicia Trochilidae And the Helianthus Sisters!

Felicia reverted back and she was a girl with orange hair and black and orange hair and had the Hummingbird Mark on her right arm and had the mark on her shorts. And the Helianthus sisters reverted back and they were girls each with 1 shirt for each of the 7 colors of the rainbow and had each color for hair and had rainbow skirts.

Nico: Hailey, Hillary, Hailnor, Avril, Allia, Ariel, Jackie, Janelle and Jazella it's awesome to see you again.

Halinor Helianthus: Same to you Nico.

Felicia Trochilidae: You too Nico. We got this.

They fired waves of rainbow energy and smashed her down and I caught the ridewatch and purified it and I went over to Catherine and she was a black hair girl and had a black shirt and red pants and had a black jacket.

I picked her up.

Catherine Shelley: (GROANS) What a headache.

Me: **You're back to normal now.**

But then a beautiful blue falcon appeared.

Me: **Wow! A Blue Falcon. I've never seen that before.**

Felicia Trochilidae: I see you met Herra. She is a Blue Falcon of Shamballa.

Me: **Amazing!**

Nico: That is really cool.

Robin: What's your favorite memory of Nico?

Felicia Trochilidae: I have a lot of them and my favorite is when me and Nico were in the Himalayas and we found the legendary land of Shambhala and that's where we met Herra. We drank from the river of eternal life and now we're immortal.

Nico: Yep.

Me: **Wow! I've read legends about Shambhala and my teammate Hadji told me how he found the legendary Blue Falcon of Shambhala.**

Eli: That is so cool!

Hailey Helianthus: We have good ones too. We went to Nico's classes in nature and did all sorts of projects involving nature and flowers and got A+'s on them all. My favorite was where we found a Black Orchid that is really rare.

Me: Wow!

Nico: Yeah that was cool.

Nico hugged them.

Nico: I missed you girls.

Felicia Trochilidae: We did too Nico.

Hailey Helianthus: Same here.

Felicia Trochilidae: Also, Gene Slammers can be in the Masters of Evil too.

Me: Yes they can.

We went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, The Bakugan Battle Brawlers, and Marinette are heading to Peru, and not only is Lincoln going to rescue the five girls here, but we got word that the Evil Flames that we dealt with years ago when Cyborg Lincoln came here, have returned from the dead seeking revenge on us.

When we arrived at Peru, fires were already raging throughout Peru, and everyone was in panic.

Lincoln: Whoa, we're here in Peru and already chaos is running rampant, but I still know what we're going to do here, not only am I going to rescue the five girls here, but we got word the Evil Flames that we dealt with years ago when Cyborg Lincoln came here, have returned from the dead seeking revenge on us.

Nico: I never thought they'd return again after we extinguished them years ago.

Me: Same here, but they're going to see that we're not the same since we fought them.

Eli: I don't know much about those evil Flames, but what can you tell me about them, Lincoln?

Lincoln: It's not a pretty picture, Eli.

Lincoln explained to Eli and those who hadn't joined us at that time about them: The Evil Side Flames are living sentient flames that were formed because of someone having an evil personality in them, and they were created because of how much evil they had in them, but we defeated them by using the Evil Containment Wave on them. When Lincoln was finished, those who hadn't joined us at that time were shocked.

Andy Baker: Jeez, these guys were nothing but pure evil.

Lincoln: They were born from the evil of our Dark Sides, Andy, and we fought to keep them contained but they were eventually released. But, we trapped them in a bottle with The Evil Containment Wave years ago.

Lincoln 2: (Through the Rainbow Third Eye Iris and Rainbow Thunderbird) Yes, that's true, but it looks like they've been released, and there's only one person who could've done this: Callidora Chernabog.

We gasped.

Lori: I can't believe this! Oh, that's it, Callidora's literally going to get turned into a demon pretzel for this.

Lincoln 3: (Through the Rainbow Third Eye Iris and Rainbow Thunderbird) You got that right.

Lincoln 4: (Through the Rainbow Third Eye Iris and Rainbow Thunderbird) She'll pay for this later on, but first, we need to absorb the flames and get the people to safety.

Lincoln: That's right, and thanks for joining us, Marinette.

Marinette: You're welcome, Lincoln. This is going to be a big challenge though, we need to absorb the flames and get everyone to safety, but the Evil Side Flames will just keep causing trouble by starting more fires again.

Lincoln: I think I know just how to extinguish the flames and get everyone to safety, plus, I haven't done this in a while.

Suddenly, Lincoln's rabbit Miraculous, Eini, appeared.

Eini: Let's put those Evil Side Flames out for good, Lincoln.

Lincoln: Let's do it! EINI, LET'S SPEED AWAY!

A tornado of electric blue energy surrounded Lincoln with lightning descending from the Heavens and when it faded, Lincoln emerged and he transformed into Thunder Hare! and his Thunder Hare outfit had grown to accustom his 7'5" height and massive and muscular body.

Nico: Okay, Lincoln, what do we do first?

Lincoln: First things first, we'll travel through all of Peru and absorb all of the flames that erupt out of nowhere, Lily, if you and any water and ice user see any stray flames, you start firing blasts of water and ice and put them out for good, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, and Laney will provide medical aid to anyone who was caught in the path of the Evil Side Flames, Selene, if you and your sisters spot any of Callidora Chernabog's demons, you girls have the task of slaying them, but you won't be doing this task by yourselves: the warriors of The Three Kingdoms of China and Feudal Japan are also going to help you girls out, along with a clone of myself.

Lincoln made a clone of himself to help Selene Emperyous, her sisters, and the Dynasty Warriors and Samurai Warriors.

Sima Yi: You've already planned out how to accomplish this mission by the time we arrived in Peru, I must say, you never cease to amaze me with your quick thinking and planning, Lincoln.

Lori: Lincoln's always quick to come up with a plan, Master Sima Yi, and some of us underestimated him, mainly due to our Dark Sides' desire to kill him.

Zhao Yun: But, like Lincoln said, this wasn't your fault, Lynn's, Lola's, Lisa's, or Luan's, Lori, your Dark Sides were to blame for it.

Liu Bei: He's right, your Dark Sides were the ones who did this, but you four have since gotten rid of your Dark Sides and Lincoln still hasn't forgotten the love and bond that he had for all of you.

Lynn: Yeah, you're right, Master Liu Bei and Zhao Yun, and they paid the price with their lives. Now, let's get going and put a stop to those Evil Side Flames for good.

Lincoln: Right, Lynn.

We travelled throughout all of Peru and we were absorbing all of the raging fires that we've come across, and Lily and the water and ice users also fired blasts of water and ice at the stray flames, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, and Laney provided medical aid to everyone who was caught in the path of the Evil Side Flames, luckily, they didn't suffer any injuries and their homes are still safe and intact, Selene and her sisters spotted an army of Callidora Chernabog's demons heading our way to kill us, and they, along with The Dynasty Warriors and Samurai Warriors, and Lincoln's clone killed them and sent them back to Hell.

Li Dian: That should do it, now to get after the Evil Side Flames of you and your sisters, Lincoln.

Lincoln: Right, Li Dian, and we also took care of an army of Callidora Chernabog's demons that she'd sent to kill us for ruining her fun.

Sun Shang Xiang: But, like Lori said, their so-called fun means causing havoc and chaos wherever Adrastea and her sisters go, that's something none of us can never let go, they have to be stopped.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of five girls screaming for help, along with the sound of malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by the Evil Side Flames of The Louds and they're going to kill them, and Lincoln saw they had the Qliphoth Tree of Death, along with the Sigil of Asmodeus on their foreheads.

Lincoln: (Gasps) Let's get over there at once, guys, I found the five girls, but they've been cornered by the Evil Side Flames of The

Louds and they're going to kill them, and Lincoln saw they had the Qliphoth Tree of Death, along with the Sigil of Asmodeus on their foreheads.

Valentine Emperyous: (Gasps) And Asmodeus is the Demon of Wrath, and you were right: Callidora Chernabog was the one who freed them from their bottle prison, Linky.

?: (Spanish Accent) Those wrathful flames of evil, let's get them, and that insane and chaotic demon will get hers later on today.

Suddenly, we saw the My Singing Monster, Punkleton, appear before us.

Lori: No way, that's Punkleton.

Leni: And that Spanish accent, it's Johanna Vocesdebelleza.

Lincoln: Wow, Johanna Vocesdebelleza's here, that's so awesome, but we'll have to talk later, time to extinguish the Evil Side Flames forever.

We rushed over, and before the Evil Side Flames could incinerate the five girls, Lincoln fired powerful rainbow energy balls and elemental forces at those fiery monsters, and that allowed the five girls to get to safety in a rainbow energy field created by Lincoln to protect them from the Evil Side Flames, and when they saw us again, they were really enraged and pissed off at us.

Orange Flame: You always have to ruin our fun of burning everything and ruin our chances of seeing you all die again!

Lincoln: That's our job, stupid, and now, it's high-time we got rid of you all for good and put an end to another dark stain on our past.

Lincoln changed back and he unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Marinette, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after the Evil Side Flames and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, and mythological animals, and they exploded with incredible power as they hit them.

Then, Lincoln fired powerful blasts of water and ice at the Evil Side Flames and they all screamed in really agonizing pain and they were really being weakened, and then, Lincoln fired a massive ball of water and ice with a black energy core that has the Judgement Kanji at them and when it hits the Evil Side Flames, the massive ball of water and ice exploded and the Evil Side Flames were finally sent to The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Lori: We did it, those wretched Evil Side Flames are finally gone forever!

Lynn: Now, we're finally rid of not only our Dark Sides, but we're finally rid of The Evil Side Flames of The Loud Family forever.

Lincoln: You said it, Lynn. (To Johanna Vocesdebelleza) And it's so good to see you again, Johanna Vocesdebelleza.

Johanna Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing dark crimson red hair, light green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful dark crimson red angel wings and she reigned in the power of Punkleton, and she's dressed in a sleeveless dark crimson red open blouse, sleeveless light green midriff top, red skirt with a Christmas tree on it, green pants, green legwarmers, red sneakers, and long white sleeveless trenchcoat with pumpkins and skeletons on the coattails and Punkleton on the back and holstered on her back is a Punkleton-themed large greatsword with Punkleton etched on the 7'0" massive, wide, double-edged dark crimson red blade, large carved jack-o-lanterns for the crossguard, large light green gem embedded in the rainguard, longer midnight black handle, four large carved jack-o-lanterns and a large crimson red gem on the bottom of the large jack-o-lanterns for the pommel.

Johanna Vocesdebelleza: (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you, Lori, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily again, Leni, and you all look so amazing.

Leni: Thanks, and you also look amazing, Johanna. Plus, you're going to be quite surprised to see how much Lincoln's grown and changed.

Lincoln went up to Johanna Vocesdebelleza and he hugged her, and Johanna Vocesdebelleza is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Johanna Vocesdebelleza: (Spanish Accent) Whoa, and Leni's right, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wait a second, Lincoln, you and your sister know her?

Lincoln: Indeed we do, Nico, this is Johanna Vocesdebelleza, she's the eldest sibling of the ten Vocesdebelleza Sisters who are my Guardian Angels from Brazil. Johanna and her other sister, Corona, are Leni's classmates in Music, and they'd often help Leni with clothing ideas. Their last name, Vocesdebelleza, means Beauty Vocals in Spanish. The Vocesdebelleza Sisters all share their love for me, and they, along with with all of us would sing together, and often, we also sing around Christmas time.

Nico: And we're only a month away from Christmas, that's really awesome.

Lori: You got that right, and we looked out for one another, and during one of their Christmas caroling session, The Vocesdebelleza Sisters each kissed Lincoln on the lips.

Lincoln: And get this: they're the cousins of Hilda.

Me: What?

Hilda: (British Accent) Yes, what Linky said is true, and it's so good to see you again, Johanna.

Johanna Vocesdebelleza: (Spanish Accent) You too, Hilda.

Lincoln: And you're going to like this part: Johanna and her sisters hate Scoots, Flip, Lewis Travolta, Bubble Bass, and even Billy McLean.

Johanna Vocesdebelleza: (Spanish Accent) That's right, and when we heard that Scoots was sent to The Black Gates, we were so glad to hear the news we all wanted to hear for so long! (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Johanna, are you absolutely sure?

Johanna Vocesdebelleza: (Spanish Accent)( Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you, and the very same thing will occur when we meet the rest of my sisters.

Lincoln looked into the eyes of Johanna Vocesdebelleza and he saw she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Johanna Vocesdebelleza's neck with dark crimson red gems on the gold lightning bolts and green crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Johanna Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin, you're now part of my harem and my many future wives, Johanna.

Johanna Vocesdebelleza had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Johanna Vocesdebelleza's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Elaine, Elizabeth, Liza, Miglieglia, and Schaal from To the Abandoned Sacred Beasts.

Lincoln: Oh wow, it's Elaine, Elizabeth, Liza, Miglieglia, and Schaal from To the Abandoned Sacred Beasts.

Nicole: Awesome.

Lincoln: Are you girls okay?

Elaine: Yes, we're okay, thanks to you.

Then, when Elaine and the other four girls saw who it was that saved them from the Evil Side Flames of the Louds, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball

Elaine: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Elaine: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elaine, Elizabeth, Liza, Miglieglia, and Schaal with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villains we went after were the Evil Side Flames of the Louds, who were freed from their prison and came back again for revenge, and even worse: the one who freed them was Callidora Chernabog, the youngest of The Chernabog Sisters, when they saw the Qliphoth Tree of Death and Sigil of Asmodeus on their foreheads.

But, when Lincoln showed what we did in absorbing their flames that were all across Peru and tending to the people and what Lincoln did in firing that massive ball of fire and ice which destroys them and it sent them to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Johanna Vocesdebelleza have a lot of catching up to do now that she's back in town.

Maria: I can't believe those rotten Evil Side Flames were freed from their prison because of Callidora Chernabog, she is so dead!

Lincoln: Yep, but Valentine and I will be ready for her later on today.

May: And we're really pissing off the Chernabog Sisters big time.

Selene Emperyous: After what Laniya and Lincoln did to Belinda Chernabog yesterday and right in front of the other Chernabog Sisters, it's a punishment that's rightfully deserved.

Me: Yeah, for what they've done in causing chaos and havoc in Michigan.

* * *

After finally destroying the Evil Side Flames of The Louds forever and pissing off Callidora Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Johanna Vocesdebelleza saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Johanna Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Johanna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Johanna Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Johanna, what's the story on why you and your sisters hate Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean, other than the obvious reasons?

Johanna Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were doing some decorating for Christmas, but then, our day was interrupted by the smell of three smelly unwashed morons, the sound of a scooter, and the scream of a murderous psychopath, and Lincoln caught on to who those sources were: it was Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean, and they were out for blood. Lincoln wasn't going to have any of their nonsense, so he fired blasts of red energy and knocked down Flip, Lewis Travolta, Bubble Bass, and Billy McLean, and then, he fired a powerful blast of lightning and destroyed Scoots' scooter and electrocuted Scoots and knocked her out. We then phoned the police and J.D., Nico, and the cops came here, and J.D. grabbed Flip and Nico grabbed Lewis Travolta, along with Billy McLean, and they tossed them into the police van, and Lincoln tossed Scoots back to The Lansing Maximum Security Insane Asylum, and we found out that Billy McLean and Flip broke out of prison and tried to get their revenge on us, and they also broke Bubble Bass and Lewis Travolta out, along with Scoots, and as a result, Billy McLean and Flip got additional Life Sentences added to their original sentences, and the same went with Lewis Travolta, Bubble Bass, and Scoots.

Nico: I remembered that day all too well, those good-for-nothing varmints enjoyed pissing us off when they tried to kill Lincoln, Johanna, and her sisters again.

Me: But, Lincoln stopped them dead in their tracks and we sent them back to prison and the insane asylum.

Eli: Yeah, what a bunch of jerks.

Lincoln: You said it, but in the end, karma had hit them all pretty hard: Lewis Travolta, Billy McLean, Flip, and Bubble Bass were sentenced to humiliations for the rest of their lives and Scoots was sent to The Black Gates forever.

We got a shower afterwards, and then, Lincoln, Jenny, Jewls, Zenet Surrow, Sellon, Marron, Zangya, and Vambre Warrior were heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Jenny, Jewls, Zenet Surrow, Sellon, Marron, Zangya, and Vambre Warrior were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Jenny, Jewls, Zenet Surrow, Sellon, Marron, Zangya, and Vambre Warrior each had feelings for Lincoln: Sellon was thankful for what Lincoln did in having Anubias sent to The Masters of Evil after he and Cora Yenningway defeated him and

Horridian and Zangya was thankful that Lincoln killed Bojack and her former space pirate allies back at Český Krumlov, and Lincoln also saved Jenny, Jewls, Zenet Surrow, Sellon, Marron, Zangya, and Vambre Warrior from a group of bounty hunters Trina Riffins hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she also still wanted blood. After Lincoln rescued them and the girls told us Trina Riffins hired the thugs to kidnap and kill them to get revenge on us, Lincoln drops another piano on that pink-haired rageaholic temper-tantrum bitch.

Marron: Wow, so this is Lake Lamode?

Lincoln: Yep, and it's also perfect for our first date, girls. Shall we?

Lincoln, Jenny, Jewls, Zenet Surrow, Sellon, Marron, Zangya, and Vambre Warrior had a swimming race and had a lot of fun and they met the inhabitants, and they went into an indestructible dome and they had a game of volleyball and Jenny, Jewls, Zenet Surrow, Sellon, Marron, Zangya, and Vambre Warrior got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Jenny, Jewls, Zenet Surrow, Sellon, Marron, Zangya, and Vambre Warrior and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Lake Lamode.

Zangya: (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal

Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew the girls also allowed Lincoln to bite them and feed on their blood, like with the other girls in his harem.

Marron: And this was due to all of us harboring feelings for Lincoln, and they came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Nico: And I still remembered that your man dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You got that right. Say, has there been any trouble from Callidora Chernabog?

Me: Actually, you can thank Selene Emperyous and her sisters for this one, Lincoln: they used their powers to prevent The Chernabog Sisters from sending their armies of demons after us to kill us.

Lincoln: Serves Adrastea and the rest of her sisters right, and later on, Valentine and I are going to destroy Callidora Chernabog later on today.

Nico: Yeah, and we better make sure she doesn't even plan on bringing the rest of her sisters again.

Valentine Emperyous: After what happened yesterday with Belinda Chernabog, we'll keep our eyes open for them.

* * *

Later it was time for Moondancer's final Ambassador Mission.

Qin: This is gonna be so fun.

William: Anyone else want to go with Moondancer? Besides Yamato and Yost Spidey?

Lincoln: My sisters and brother Lee all want to go with.

Me: Sweet!

Laney: This is gonna be awesome.

Lana: It sure is.

Me: I can't wait to kick some ghost butt.

Nico: Me too. Lets head out.

Lee: Lee Loud the Fighter.

Lucy: I'm Lucy Loud the Goth.

Lucille: (Scottish Accent) Glad to meet you laddies. I'm Lucille Loud.

Laney: I'm Laney Loud the bookworm.

Lana: I'm Lana Loud, the Animal lover and mechanic.

Lola: Lola Loud, Lana's Twin sister and beauty pageant queen.

Lisa Loud: Greets to you all. I'm Lisa the scientist and the genius.

Lily: And I'm Lily Loud, Photographer.

Eduardo: Wow! Lots of kids.

Kylee: Wow!

Me: Yes their mom and dad all thought it was cute if their names would all start with the letter L.

Nico: Yep. Also Lucille is one of the Loud's Ancestors from Scotland.

Me: We met her at the climax of one of our biggest major battles last year.

Kylee: The Battle with Team Dark Phoenix Storm?

Me: Bingo.

Nico: Yeah.

Yamato: One of my enemies, Bangray, was in that battle.

Kylee: Wow! That is amazing!

Me: Yeah it was. And Nico demonstrated a massive and incredible display of leadership back then.

Nico: Yep. It's what got me ready to be promoted to Leader.

Garrett: That is amazing!

Steffi: Wow! That is cool!

Me: It sure was.

Kylee went over to Luan.

Kylee: So you are Luan?

Luan: That's right.

Kylee: Eddy told us so much about you and it's awesome to meet you. You and Eddy are the perfect couple.

Luan: Thanks Kylee. I'm sorry about what Eddy did to you.

Kylee: It's all right. It wasn't his fault.

Garrett: (to Yost Spiderman) So, what makes you different from the main Spidey?

Yost Spiderman: For starters, my Jameson learned the error of his ways, my Eddie Brock was childhood friends with me, my Shocker isn't Herman Schultz, my Rhino isn't Russian, my Gwen Stacy wasn't killed by my Green Goblin, and in my world, I led a team against Kang the Conqueror called the New Avengers.

Me: In our world our version of Jameson was an absolute asshole that hated all heroes, Cletus Kasady didn't turn into Carnage in Yost Spiderman's universe but he was still the same most fucked up monster of all and also Yost Spiderman went through a helluva nightmare there.

Kylee: Really?

Me: Yeah. It was awful.

Garrett: Oh man.

Me: Also Girl Jordan killed the Yost version of Kasady.

Eduadro: Really?

Me: Yep. And the reason is because she HATES Carnage with a massive vengeance.

Kylee: Why?

Me: He ruined her life. When she got her powers he impersonated J. Jonah Jameson and told everyone that people with powers are menaces. Like how the X-Men were treated. But we put a stop to him and ever since then, Girl Jordan wants nothing more than to kill all the versions of Cletus Kasady EVERYWHERE minus the S.H.S. Carnage and U.A. Carnage. Those two are cool.

Kylee: Man that's terrible!

Me: Yeah. It was.

Lincoln: Also, my parents have never heard of condoms before.

We laughed hysterically!

Me: (LAUGHS) I Was going to say that!

Nico: (LAUGHS) That is true!

Eli: (LAUGHS) YEAH!

Twilight Sparkle: (LAUGHS) YEAH!

Nico: Anyway, have there been any ghost trouble lately?

Kylie: Well, remember Siren's sister?

Me: We heard about her yes. She mentioned her when we met Siren.

Siren: Yes. My sister is back and she causing problems.

Laney: Oh man!

Me: Now we can get rid of her for good. She can be the first ever ghost that we banish to the Black Gates for you.

Eddy: Yeah!

Eduardo: Hey, no argument from me. Especially after she got Roland mind controlled and made him into an old guy.

Me: Awesome! But the Vathek are the primary target for when we help you guys officially on January 7th, 2023.

Eduardo: Cool!

Nico: Yep.

Laney: Where is Banshee at?

Siren: She is over in Ireland.

Me: The very spot where I battled the Banshees before.

Sunset Shimmer: Very coincidental.

Nico: And Kylie? We got you your Own Eyecon.

Nico gave her the Eyecon for Pocahontas.

Me: Pocahontas, the 17th Century Hero Indian.

Kylee: Awesome!

Nico: Yep.

Me: You'll see what it can do shortly.

Nico: Lets head out.

We were off.

Yost Spiderman: Hope you guys don't mind me swinging ahead.

Me: Not at all Peter. Go for it.

He was swinging ahead.

Kylee: So who is my archenemy?

Me: Barbed Wire Org from Wild Force.

Lori: You will literally like him.

Me: Yep. He was the 2nd Org that the Wild Force Rangers destroyed.

Kylee: Wow!

Lori: Your car can literally hold so many people. So, me and my siblings are flying.

Me: That's good thinking there.

Nico: It sure is.

Laney: But we're ready for anything Banshee has for us.

Moondancer: We sure are.

Me: Also we won't be mind controlled like how Roland was.

Steffi: Good.

Eduardo: Wake me when we're there.

Me: Okay.

Nico: Will do.

We were driving and flying.

We later saw that we were in Ireland.

Garrett: We there yet?

Me: Yeah we're there sunshine. We're there.

Nico: Yep.

Eduardo. (YAWNS) Good.

Me: Yep we're here.

Eli: I sense that she is near.

Yost Spiderman: What took you guys?

Kylee: Wow! You guys are fast with flying.

Me: Flying is the only way to travel.

Nico: Yep.

But then I heard a voice.

Me: Huh?

Nico: What is it?

Me: I hear something.

Nico: Is it Banshee?

Me: No. it's something else.

I followed the voice and went into a cave and in the cave I saw what looked like a Beyblade.

Me: A Beyblade?

Nico: Now? But we got to.

Eli: Nico let bro see what it is.

Me: I can hear its voice and power.

I picked it up and then I felt a massive boost and surge of power come from it! ALL THE ELEMENTAL FORCES WERE SURGING AROUND ME!

Nico: WHOA! WHAT POWER!

Eli: UNBELIEVABLE!

When it faded I got a new and awesome infinitely more powerful Beyblade! It was called THE ELEMENTAL COSMOS PHOENIX! It was a rainbow Beyblade and it had the symbols of the elements on it and had a phoenix blazing with intense power over the elements and it also had all the 88 Constellations all around it!

Me: WHOA! This Beyblade is awesome! Elemental Cosmos Phoenix!

Nico: Wow! That is perfect for you J.D.!

Me: Gingha is gonna be in for an awesome surprise when we meet him.

We left the cave and went to find Banshee.

Yost Spiderman's Spider sense tingled.

Yost Spiderman: She's close.

Danny and Lincoln's Ghost Sense went off.

Me: I see her!

We saw her floating above a town square.

Nico: Lets get her

We went at her.

I fired an energy beam and it hit Banshee and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down and got up.

Siren: Hello "Sister."

Banshee: Siren, how dare you side with our enemies!

Eduardo: Hey, we're your enemies, lady! Not Siren's!

Nico: And you should be worried more about dealing with us too!

Me: Now it's time for you to face our wrath!

I went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon Voice) **This will be good.**

I fired waves of fire and energy and blasted her down.

Yamato: Wild Instinct Awaken!

AAAHHAAAHHAHAH!

He turned into ZYUOH EAGLE!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Me: **YEAH!**

Yamato and me: Don't Underestimate This Planet!

I fired waves of blue fire and blasted Banshee down.

Yamato: Unleash the Beast!

Yamato grew his wings and flew into the air!

I flew with him and we fired waves of energy and fire and blasted Banshee all over the place.

Nico: Yeah!

Eli: Take this!

Eli fired waves of Force Lightning and electrocuted Banshee!

Kylie: Let's see what this Eyecon can do!

Kylie activated it.

POCAHONTAS AND BARBED WIRE ORG!

Kylie: Spirits of the Earth and Sky, please don't let it be too late!

She grew Eagle Wings and flew into the air and smashed down Banshee with incredible force and kicked her in the face and sent her crashing into the ground.

Me: **WHOA!**

Yamato: Incredible!

Nico: Amazing!

Me: **That was awesome!**

Yost Spiderman: Let me have some of the Eyecon Action!

He activated his Eyecon.

CAPTAIN JOHN SMITH AND EVIL BUTANE MAN!

He fired waves of fire and blasted down Banshee!

Nico: YEAH!

Me: **That was awesome!**

Yamato: My turn!

He activated his Eyecon!

CHARLES DARWIN AND MASTER ZIK!

Yamato fired waves of energy and blasted down Banshee.

Laney: Yeah!

Lori: Lets lend a hand guys!

Lincoln: Yeah!

They fired waves of elements and blasted down Banshee!

Me: **Oh yeah! Time to see what my new Beyblade can do.**

I got my launcher ready.

Me: **LET IT RIP!**

I spun it and launched it and it spun around fast and it went over the wall and went at Banshee!

Me **: Time for the Special Move! ELEMENTAL ZODIAC COSMIC FLARE!**

I glowed in a powerful rainbow fire aura and fired a wave of cosmic rainbow Elemental Fire and it formed into THE RAINBOW COSMOS PHOENIX!

Nico: WHOA!

Eli: INCREDIBLE!

Moondancer: WOW!

The Phoenix bashed Banshee and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION!

She was down in a crater and my blade came back to me.

Me: **WHOA! That was powerful!**

Nico: Unbelievable!

Roland: Siren might not be controlling me anymore. But I'm still helping her for free!

Moondancer: Same here!

Me: **I saw this in the first Ghostbusters movie. Lets cross the beams guys!**

Nico: It's crazy but it'll show her that we mean business.

Laney: Yeah!

Eduardo: Lets do it!

They fired proton beams and they hit the Banshee and she screamed.

Eduardo: And this is for making Siren do your dirty work!

They fused the beams together and then…

***EXTREMELY MASSIVE AND POWERFUL UNBELIEVABLE FIERY EXPLOSION!***

The explosion was so powerful and so infernal and so devastating that it was unbelievable!

The explosion completely obliterated Banshee in an instant and our power banished her to the Black Gates forever!

Me: **WHOA!**

Nico: WHOA! That was powerful!

Me: **Just like with the Ghostbusters back 38 years ago!**

Laney: Wow!

Moondancer: That was EPIC!

Twilight Sparkle: Yeah it was!

Me: YEAH! But that was really funny how the iconic Stay Puft Marshmallow Man exploded and splattered all over Peck like that! That really was awesome!

Nico: (LAUGHS) That was so awesome!

Eli: Yeah it was!

Me: **That's why Ghostbusters will always be an iconic legend even after almost 40 years have passed.**

Eduardo: You got that right.

Kylie: Moondancer, ever since I first you, I've seen you as the big sister I never had.

Moondancer: Really? (Tears up) Kylie!

She hugged her!

Me: **Aww so awesome.**

Laney: It sure is.

Lana: Yeah it is!

Me: **That was an awesome way of closing out Moondancer's missions with a bang.**

Nico: It sure was.

We later came back home.

May: Hey guys. How did it go?

Me: Really epic.

We told everyone everything and it was amazing.

Tyson: Wow! J.D. got a new Beyblade!?

Me: I sure did.

Laney: And we destroyed Banshee too. It was awesome.

Lola: They blasted her like how Venkman and crew did to the Stay Puft Marshmallow Man.

Eli: It was awesome!

Luan: I even got the whole thing on tape.

She showed everyone and it was intense!

May: WHOA! That was awesome!

Moondancer: It sure was!

Me: Awesome way to close out Moondancer's missions with a bang.

May: Halinor, for your first mission, Shinnosuke and 2 Rabbids should come with you.

Halinor: Cool!

Me: Yep and you will like your missions Halinor.

Laney: Yep.

* * *

Later we were getting ready to watch another Robot Chicken Sketch and Barbossa saw Poromon working on something.

Barbossa: (sees Poromon working on a costume) Lad, do I even want to know what you're working on?

Poromon: It's private! Go away!

Me: Let him do his work Captain Barbossa. I have something strange to show you guys.

Nico: It's Billy and Mandy in a Robot Chicken Sketch.

Billy: So we're a Robot Chicken Sketch?

Me: Yeah but you guys are not going to like this one.

Mandy: What is it?

Me: You're going to find out.

I pressed play and it was Billy, Mandy and Grim on Vacation.

---

Billy: Oh, boy. Vacation.

Mandy: Despite my monotone personality. I too am excited.

Grim: Yeah, mon. I maybe the Grim Reaper. But, sometimes you'll need an adventure they ain't so Grim.

Pilot: Welcome aboard to Malaysia Airlines Flight 370. We've got nothing but smooth sailing much.

Grim: I hate them so much.

Flight Attendant: Are those your kids? They're darling.

Grim: No, mon. I'm the Grim Reaper. They won me as a indenture servant and rigged limbo competition. It's all in the Wikipedia.

Flight Attendant: That's awful. It's 2014. March 8, 2014 to be exact and slavery is not cool in 2014. Not it was ever. It was never cold, guys. Ever, ever.

Grim: Hmm. Maybe she's right.

(Billy and Mandy woke up)

Billy: Whoa.

Mandy: Grim?

Billy: Whoa.

Mandy: Grim, what are you doing? (Screams)

Grim: No ultimate adventures of Billy and Mandy, mon.

Billy: Whoa.

He threw them into the jet engine and shredded them!

The plane fell from the sky.

MALAYSIA AIRLINES FLIGHT 370 WAS NEVER RECOVERED. NO BODIES WERE EVER FOUND.

Grim: You're damn right, no bodies where whatever found. To the vote on the plan and everyone wanted to visit the island from Lost. Grim Reaper Magic, mon. I can make that shit happen.

---

When it was done Billy, Mandy and Grim were shocked!

Me: Well what do you think of that pretty picture?

Eli: Well, that's one surefire way to kill any of us.

Me: Maybe for Grim but not for us.

Grim: (Jamaican Accent) That was not a good view of me! I may be the Grim Reaper but Murder is not in my job description!

Mandy: Yeah that was crazy.

Nico: Man I remember seeing what happened to that plane all over the news.

Me: I know. It's like it just vanished into thin air.

Qin: That is crazy!

Billy picked his nose.

Ren Hoek: Yeah that was a crazy sketch.

Stimpy: It sure was.

Me: And almost 10 years later then never found that plane.

Qin: Yeah. What do you do you think happened to it?

Me: No one knows but they think it was shot down by a Russian Missile Strike.

Nico: Yep.

Grim: (to Billy and Mandy) You two may drive me crazy at times but I would NEVER do that to you two!

Armada Starscream: And that's good.

Nico: Yeah it sure is.

Alexis Thi Dang: I agree too.

Ren Hoek: Yeah! Stimpy may drive me crazy too but I would never go that far.

Stimpy: Yeah thank goodness!

Me: No kidding there.

Mandy: Believe it or not, Grim, I do think of you as a friend. It's just that I can't express it openly or I might destroy the universe.

Jetfire: (Australian Accent) I highly doubt that.

Me: Why do you think Mandy never smiles?

Mandy: It's true.

Nico: Yeah. That is crazy. I remember seeing them dressed up like the Powerpuff Girls and that was crazy.

Me: It sure was.

Shield Shredder: Nico, which teams have you made this time?

Nico: May's team will include Kwame, Max Cooper, Taylor Earhart, Danny Delgado, and Alyssa Enrilé. Qin's team will include Vixen, Theo Martin, Lily Chillman, R.J., and Dominic.

May: AWESOME!

Me: That's cool! About time the Wild Force and Jungle Fury Rangers got including into the teams.

May: Yeah it is!

Max Cooper: It's going to be awesome!

Qin: I'm really excited about this one.

Vixen: Me too!

Nico: Yeah. Now we can get ready for our next mission. You guys will like this one. We're going to meet Arlo and his friends in the movie The Good Dinosaur.

Aylene C.: I love that movie! That's one of my favorites.

Littlefoot: That will be interesting to see.

Laney: It sure will!

Nico: Yep. We're going to watch the movie first and then we'll head out.

Then Crimson Dynamo, Killer Shrike, Wolf, Captain Boomerang, Shiva, Billy Numerous, Deker, Vexen, Diabolico, Sportsmaster, Beany the Braindead Bison, Liquidator, Yani, Queen of the Black Puddle, Walter Wolf, Mr. Fibb & Mr. Wink, Cuppa Joe, Lipstick Monster, Madame Woe, and Yzma appeared.

Crimson Dynamo: Can me, Killer Shrike, Wolf, Captain Boomerang, Shiva, Billy Numerous, Deker, Vexen, Diabolico, and Sportsmaster go with you guys?

Beany: Me, Liquidator, Yani, Queen of the Black Puddle, Walter Wolf, Mr. Fibb & Mr. Wink, Cuppa Joe, Lipstick Monster, Madame Woe, and Yzma will come too.

Nico: Yes you guys can come with. Our next mission is in the world of The Good Dinosaur.

Billy Numerous: Wow! I love that movie1

Diabolico: That was a good one.

Nico: Yep.

We got to watching the movie.

---

In an alternate history, the asteroid that would have caused the extinction of the dinosaurs 65 million years ago passes safely over Earth. Millions of years later, Apatosaurus corn farmers Henry and Ida have three children: Libby, Buck, and Arlo. While his successful siblings are allowed to "make their mark" (a mud-print on the family's corn silo), Arlo's timid nature makes tasks difficult for him. Henry attempts to give Arlo a sense of purpose by putting him in charge of guarding their silo, and helps him set a trap. It captures a feral caveboy, but Arlo cannot bring himself to kill him, and sets him free. Disappointed, Henry takes Arlo to track the caveboy, leading them into a ravine. Henry saves Arlo from a flash flood before being killed by debris.

Without his father, Arlo shoulders more of the workload. He spots the same caveboy inside the silo and blaming him for his father's death, chases him into a river, where both are swept downstream. Arlo is knocked unconscious by a rock, and awakens to find himself miles from home. As he tries to return, his leg is caught by a boulder. The next day, Arlo wakes to find his leg has been freed. The caveboy appears with food, and leads Arlo to a berry tree. The caveboy then fends off a large snake, amazing Arlo, and impressing Forrest Woodbush, a nearby eccentric Styracosaurus who wants to keep the boy. He forces Arlo to compete with him to give the boy a name he will respond to, and Arlo wins when he calls the boy "Spot". Arlo and Spot bond as Arlo laments his lost family, and Spot reveals that his own parents are both dead.

Later, when a storm strikes, Arlo runs away in fear and loses the riverbank he has been following home. The next morning, Arlo wakes to find Spot at his side. They are noticed by a band of pterodactyls, who appear to be conducting a rescue operation but turn out to be savagely carnivorous. When the pterodactyls try to eat Spot, Arlo and Spot flee, happening upon a pair of Tyrannosaurus named Nash and Ramsey, who drive off the pterodactyls. Nash, Ramsey, and their father Butch have lost their herd of longhorns, so

Arlo offers Spot's help in sniffing them out. The group locates the herd, but Butch recognizes the work of cattle rustlers. Arlo and Spot lure the four rustler Velociraptors into the open, allowing Butch and his family to attack. After the rustlers have been driven off, Arlo joins the Tyrannosaurus in driving the cattle south. Later, he sees the familiar mountain peaks of his homeland in the distance, and leaves with Spot to return home. Along the way, they encounter an adult feral caveman in the distance. Spot is intrigued, but Arlo dissuades him and they continue on. As another storm approaches, the pterodactyls return, attack, and carry Spot away. Arlo falls off a cliff and becomes entangled in vines, where he has a vision of Henry leading him home. Arlo instead resolves to save Spot, making the vision of his father proud before it fades away. Arlo finds and attacks the pterodactyls, who have cornered Spot in the river. Arlo and Spot together plunge the pterodactyls into the water, where they are swept helplessly downstream. When a landslide causes a giant wave, Arlo leaps into the water to rescue Spot, and the two are swept away toward a waterfall. Arlo protects Spot as they go over the falls, and carries him to shore.

As they near Arlo's home, the two are approached by the caveman and his entire family, who show great interest in Spot. With great reluctance, Arlo pushes Spot to join this new adoptive family, and the two of them share a tearful goodbye. Arlo finally arrives home to his mother and siblings, and makes his mark on the silo between those of his mother and father.

---

We were in awe and it was awesome and cool. We were amazed too. When it was done we cheered wildly.

Me: Awesome movie!

Nico: Yeah it is!

Me: That is amazing that the Earth dodged a huge bullet like that.

Aylene C.: It sure is.

Me: Yep. Sora did you go to the world of The Good Dinosaur?

Sora: No I didn't unfortunately. This will be my first time.

Me: First for all of us. And our target is Thunderclap.

Nico: Yep. That pterodactyl is going to be our dinner.

Nico went over his history.

---

Thunderclap is the main villain of Pixar's sixteenth full-length animated feature film The Good Dinosaur. He is a Nyctosaurus who serves as the leader of a gang of other pterosaurs and Arlo's arch-nemesis.

He was voiced by Steve Zahn, who also played Monty in Stuart Little, and Cliff in A Perfect Getaway.

Like the other members of his flock, Thunderclap is a scavenger who follows storms to prey on trapped critters. He seems to be slightly deranged, having a sort of fascination and veneration for storms. He claims that he used to be scared and shy until he had a "relevation" when he saw "the Eye" of a storm. He believes that the storm freed him of fear. Thus, he renamed himself "Thunderclap", going by the motto that "the storm provides."

Following a violent storm, Arlo and Spot are found by the Pterosaur flock. At first, Thunderclap pretended to be friendly to Arlo; recounting to him his story of how he overcame his fears. However, his true motives become apparent when he eats a small fox whole that Arlo helped to free. Thunderclap and the others then set their sights on Spot.

Arlo and Spot flee and are saved when two young Tyrannosaurus rex named Nash and Ramsey come to the rescue and scare the pterosaurs away. Sometime later, Arlo and Spot are stuck in yet another storm. Thunderclap and his gang find them again and they succeed in separating Spot from Arlo this time. They trap Spot into an old stump by a river and try to claw him out. With newly found courage, Arlo faces off the pterosaurs and easily defeats them by knocking them into the river.

Arlo lets out a vicious roar, which terrifies Thunderclap, causing him to regain his sense of fear. Spot then tears a hole in a scared Thunderclap's left wing and as he tries to fly away, Arlo throws a stick at him and Thunderclap is rendered flightless as he crashes into the river and is swept downstream.

Thunderclap appears in the game Dino Crossing. He makes his appearance when the player stands on a pterodactyl's shadow in Journey Mode during later levels. If the player remains idle too long during gameplay, a pterodactyl will fly over the player, causing him or her to lose. There is also an Endless Mode of the game, where Thunderclap will land on the player's character, causing him or her to lose a life or an instant game over.

---

When it was done, we were shocked!

Qin: Whoa man!

Me: We're DEFINITELY turning Thunderclap into dinner. I heard this one from Terrorsaur, that the Predacon version of Rhinox threatened to turn him into a new fast food sensation called Pterodactyl hot wings.

We laughed at that one!

Diabolico: That is totally true. But it will be interesting to see how that turns out.

Nico: It sure will.

Khybon: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet ones for Earthbound Immortal Cusillu and Ten Thousand Dragon next.

Me: Wow! Those are good ones!

Nico: Yep.

Me: And also Ten Thousand Dragon is the 10,000th Card ever made.

Eli: Wow! Yep that's true.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Callidora Chernabog, the youngest of The Chernabog Sisters, and she's major-leagued pissed off that we killed the Evil Side Flames of The Louds and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to Callidora Chernabog, the youngest of The Chernabog Sisters, and she's major-leagued pissed off that we killed the Evil Side Flames of The Louds and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Just like what happened with Belinda Chernabog, sheesh.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Valentine Emperyous: Yeah, and just like with Belinda, I should've known that Callidora would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, and Nocturne Chernabog show up, along with Callidora Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: After what we saw what your trap did to them yesterday, that was a really awesome deterrent. Alright, gang, let's go, we got word that Thunderclap, the evil Nyctosaurus, is back.

Lincoln: What? Thunderclap's back, but I thought Lincoln 4 killed him.

Lincoln 4: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, I did, but he wasn't banished to The Black Gates.

Lincoln: So, we're going to correct that and send him there for good, and once we get done with that evil Nyctosaurus, you're the next one to die, Callidora Chernabog.

Yani: Let's get going.

Wolf: I'll take my Wolfen just in case.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7052.7: The U.S.S. Valorous Phoenix is en route to the world of the 2015 Movie, The Good Dinosaur, which takes place in a world where the Chicxulub Extinction never took place and Dinosaurs and humans are living together. Scans show that this world is located in the Sombrero Galaxy. Our mission is to meet Spot and his friends and help them destroy Thunderclap and his flock.

Me: This is gonna be so awesome.

Laney: It sure is.

Aylene C.: I'm really looking forward to this one.

Littlefoot: Me too.

Skullgrin: You think they'll be useful against the Nemesis Beast?

Me: Oh they all will be great teammates.

Nico: We're going to need all the help we can get if we're going to finish up the year's big missions with a bang.

Eli: He's right on that.

Me: Yeah we have 3 days before we meet the Dino Fury Rangers.

Qin: Yep.

Cornelia: This is gonna be so awesome and cool.

Cuppa Joe: We're near our destination.

Billy Numerous: Let me bring in some clones.

Nico: Okay.

Billy formed 620 Clones

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the world of The Good Dinosaur and it was set in the year 10,000 B.C. And it was during the Great Ice Age. But with Dinosaurs included.

Me: Here we are.

We got to landing and when we landed we got out and it was a beautiful place.

Me: Wow! The world of The Good Dinosaur.

Laney: Amazing!

Potion Nova: It sure is amazing and beautiful.

Me: Yeah it sure is.

We then saw Arlo and he was working on the farm.

Arlo: Wow! Team Loud Phoenix Storm it's an honor.

Nico: Awesome to meet you Arlo.

Tae Kwon Crow: Quick question. Do you have any T Rex friends?

Arlo: I sure do. Butch, Ramsey and Nash. They are great friends that helped me save Spot and return him to his family.

Me: You did a great job with that Arlo. All 4 of you did.

Nico: You sure did.

Aylene C.: I think it's amazing you did all that. I'm proud of you for doing a great deed.

Arlo: Thanks Aylene. And you did an awesome job saving many of the dinosaurs in The Land Before Time from Sharptooth.

Cera: Wow! How did you know about that?

Arlo: We heard many legends about humans being in this world.

We gasped!

Me: Whoa man! So this whole world is The Land Before Time in the future.

Laney: Wow!

Aylene C.: Wow!

Ducky: Oh this is amazing!

Arlo: I know.

Me: We were not expecting that.

Lipstick Monster: But we're not complaining.

Vexen: This is truly fascinating.

Nico: It sure is.

Arlo: I know.

Me: Well it's amazing that Dinosaurs are all here in this world. The Earth really dodged a tremendous bullet when the Chicxulub Asteroid passed by the planet.

Nico: It sure did.

Eli: Yeah.

Aylene C.: Yeah that is a relief.

Acid Man: Because the Asteroid did not hit the planet, it allowed the Dinosaur population to flourish.

Me: And prosper beyond 65 million years. Even though the Asteroid hit 66 million years now.

Qin: Yeah. They found out that it was 1 million years earlier before that time.

Me: Yeah. And now humans and dinosaurs can permanently coexist. That is practically everyone's dream.

Nico: It sure is.

Aylene C.: This is so cool!

Qin: It sure is!

Fu: Yeah! I'll say! This world is amazing!

Dreadbane: Can we see the rest of your friends?

Arlo: Sure. (ROARS)

Then we heard a roar and then out came Butch, Ramsey and Nash!

Butch (Good Dinosaur): Wow! Team Loud Phoenix Storm it's an honor.

Nash: It sure is. You guys are really awesome heroes.

Ramsey: You guys saved the whole planet numerous times.

Chomper: We get that all the time.

Butch: Yeah and also you guys did an amazing job stopping that Zombie Argentinosaurus.

Me: Boy that was one of our most scariest missions ever.

Yzma: Was it really that scary?

Sportsmaster: It was. Especially for Aylene?

Me: Yeah. And no one was laughing when we saw Primal when it showed on April 1st, 2020.

Eli: I remember that mission.

Me: Yeah.

I went over what happened when we faced it in chapter 1217.

When I was done everyone was shocked!

Yzma: My goodness!

Aylene C.: I know. I was crying ever since I saw that.

Me: That was awful.

I went over what happened to the Zombie Argentinosaurus.

---

The Zombie Argentinosaurus (Also Nicknamed the Mad Sauropod) is the main antagonist of the seventh episode of Primal, "Plague of Madness". It is an individual Argentinosaurus that was infected by the Zombie Parasaurolophus that turned it to a rabid and destructive beast.

This individual Argentinosaurus was a part of a larger herd that inhabited a seemingly peaceful forest, which included a large watering hole and hundreds of trees for browsing. While feeding with its herd, the sauropod encountered a sick Parasaurolophus acting madly and with flesh rotting off its bones. Not seeing it as a threat, the Argentinosaurus continued eating before it was bitten by the infected Parasaurolophus.

The giant herbivore killed the sick hadrosaur by kicking it away in a aggressive reaction, but its fate had already been sealed. After looking at its wound, The virus immediately began taking over the sauropod's body, causing mucus to leak from its nose and mouth as it became deathly ill. Feverish and struggling to breathe, the now-sickly Argentinosaurus walked to the watering hole and drank deeply, gazing at its reflection in the water before proceeding to vomit up massive amounts of blood.

The herd looked in fear as the sick sauropod flew into a violent rage, thrashing wildly as the virus completely took over its body. No longer in control of its own actions and rendered as little more than a feral, rabid beast, the dinosaur turned on its own herd, smashing nests filled with eggs and killing any herd member in its way, in spite of the leader of the herd attempting to stop its rampage. Before long, the entire herd was decimated with no survivors.

Sometime later, Spear and Fang encounter the infected Argentinosaurus, stumbling on the carnage it caused. Fang was able to detect the sickness by scent, and as the two wondered what had happened, the infected sauropod rises from its resting spot amongst the carnage to attack them and a brutal chase ensues.

The enormous dinosaur falls down a cliff while running, seemingly killing it, but in reality, simply knocking it unconscious. It reawakens and continues to chase Spear and Fang, who had spent an entire night waiting to see if it was dead. The duo leads the Argentinosaurus first into a narrow ravine and then into a volcanic lava field where its own heavy weight becomes its downfall, causing it to fall through the crust and into the magma.

Slowly, the sauropod burns alive, roaring in agony before being incinerated and blowing away. As the ashes of the Argentinosaurus scattered into the wind, Spear and Fang looked on somberly at the dinosaur's fate before they departed. A single piece of ash lands on Spear's hand, making him realize it was a suffering creature.

---

When I was done everyone was shocked more!

Yzma: Oh man!

Then all 620 Billy Numerous Clones HURLED THEIR GUTS OUT! YUCK!

Nico: Sorry you guys had to hear about that.

Spear: Spear glad bad dinosaur is gone.

Me We are too.

Lena Isis: Anyway, we know Thunderclap is the villain here.

Phosphos: We're here to help you guys take him out.

Me: Yeah we came to help you guys destroy him.

Arlo: Thank you guys.

Butch: We are grateful for that.

Xenia: It'll be awesome destroying him.

Madame Woe: Most Dinosaur villains are usually as big as Sharptooth.

Diabolico: But not Thunderclap.

Nico: That's right. And we're going to teach that monster a lesson.

Qin: Yeah.

Arlo: This is gonna be so awesome.

Camie: This is gonna be really cool too.

Varie: It sure will be.

Chaor: So, what do you guys do around here for fun?

Arlo: Well me and my family are farmers. We grow crops and I do a lot of work.

Applejack: Well fancy that.

Me: I guess dinosaurs here have evolved a lot of amazing traits like those of us humans.

Qin: That is true. Since the impact of Chicxulub never happened, Dinosaurs have evolved here in ways like us.

Me: That is true.

Arlo: It sure is.

Butch: Me and my family are ranchers and we herd Prehistoric Longhorns,

Laney: That is cool!

Nash: We heard Bison and to us they are like how you guys heard cows.

Qin: That is amazing.

Deker: Just like the Great Valley.

Mr. Fibb: What exactly is the difference between the two?

Mr. Wink: That's actually a good question, Mr. Fibb.

Me: It sure is. I think this is amazing.

Laney: It sure is.

Qin: I agree.

Xenia: Yep.

Skarr: Seriously, what's the difference?

Butch: Just a lot of dinosaurs and prehistoric humans living together in peace.

Arlo: Yeah. It's awesome.

Laney: That is cool.

Butch: We eat meat like normal but we mostly go after other prey and not other dinosaurs now.

Me: That is amazing.

Qin: It sure is.

Laney: I'll say.

Littlefoot: Also in the Great Valley it was only leaf and fruit eating dinosaurs that were allowed there. But in this world everyone is welcome.

Nico: That is very well put Littlefoot.

Eli: It sure is.

Chomper: I am welcome in the Great Valley because Littlefoot and friends found me and raised me.

Qin: That is true. We sure did. That was so awesome.

Xenia: Yeah that's right they did.

Butch: That is interesting.

Shiva: It doesn't matter the dinosaur.

Walter Wolf: What matters is what's on the inside.

Me: That is a fact.

CLANG!

Slappy dropped an Anvil on Walter Wolf's head! He was flatter than a pancake.

Walter Wolf: NOW I'M MIIFFFFFED!

Slappy Squirrel: Hey I've been doing that to him for over 60 years. What can I say? It's in my blood.

Captain Boomerang: (Australian Accent) The bad pterodactyl should be here any minute now.

Queen of the Black Puddle: Let's not keep him waiting.

Nico: Yeah.

Eli: I sense him. He's close.

Qin: More than close. I see him!

At 30 klicks to the north we saw THUNDERCLAP AND HIS FLOCK!

Me: There they are!

Moondancer: Entrance Time!

Me: You don't have to tell me twice Moondancer.

Roy Koopa: Entrance time!

Me: Moondancer said that already.

Roy Koopa: Sorry.

We went at them.

Thunderclap was searching for Arlo and his friends.

Thunderclap: That cursed dinosaur has to be here.

But then numerous Elemental Cats of Power came and slashed him all over with their claws and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Johanna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Johanna Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Johanna, what's the story on why you and your sisters hate Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean, other than the obvious reasons?

Johanna Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were doing some decorating for Christmas, but then, our day was interrupted by the smell of three smelly unwashed morons, the sound of a scooter, and the scream of a murderous psychopath, and Lincoln caught on to who those sources were: it was Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean, and they were out for blood. Lincoln wasn't going to have any of their nonsense, so he fired blasts of red energy and knocked down Flip, Lewis Travolta, Bubble Bass, and Billy McLean, and then, he fired a powerful blast of lightning and destroyed Scoots' scooter and electrocuted Scoots and knocked her out. We then phoned the police and J.D., Nico, and the cops came here, and J.D. grabbed Flip and Nico grabbed Lewis Travolta, along with Billy McLean, and they tossed them into the police van, and Lincoln tossed Scoots back to The Lansing Maximum Security Insane Asylum, and we found out that Billy McLean and Flip broke out of prison and tried to get their revenge on us, and they also broke Bubble Bass and Lewis Travolta out, along with Scoots, and as a result, Billy McLean and Flip got additional Life Sentences added to their original sentences, and the same went with Lewis Travolta, Bubble Bass, and Scoots.

Nico: I remembered that day all too well, those good-for-nothing varmints enjoyed pissing us off when they tried to kill Lincoln, Johanna, and her sisters again.

Me: But, Lincoln stopped them dead in their tracks and we sent them back to prison and the insane asylum.

Eli: Yeah, what a bunch of jerks.

Lincoln: You said it, but in the end, karma had hit them all pretty hard: Lewis Travolta, Billy McLean, Flip, and Bubble Bass were sentenced to humiliations for the rest of their lives and Scoots was sent to The Black Gates forever.

?: You're going to pay for ruining my fun and breaking one of my playthings, Valentine Emperyous!

Valentine Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Callidora Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and eleven mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Callidora Chernabog, the youngest of The Chernabog Sisters, and the nine remaining mists of darkness descended onto the ground and what stood in their places were Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, Nocturne Chernabog, and the leader of The Chernabog Sisters, Adrastea Chernabog.

Valentine Emperyous: Callidora Chernabog, just as we expected.

Selene Emperyous: And you also had the nerve to bring Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, and Nocturne Chernabog with you when we ruined your sister's fun, Adrastea Chernabog.

Callidora Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Adrastea Chernabog: And now, you will all pay for what you did to Belinda!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, and Nocturne Chernabog came after us, but they were caught by a Sephiroth Tree of Life surrounded by eleven crosses that appeared below their feet and that made them scream demonically, and they were all trapped.

Adrastea Chernabog: (HISSES) ANOTHER TRAP! NOW, WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Peru. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Callidora Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Callidora Chernabog rushed at Valentine Emperyous and Lincoln and tried to kill them, but Lincoln and Valentine fired powerful blasts of jewels and Earth and when she got hit, she screeched like the demon that she really is as the jewels pierced through her flesh.

Valentine Emperyous: That'll teach you, but we're just getting started, Callidora, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Valentine Emperyous' yellow eyes turned neon yellow and she was surrounded by a yellow energy aura with earth, jewels, crosses, and angels, she unholstered her massive Halion the Timelord-themed greatsword from her back, and as she approached Callidora Chernabog, she left yellow energy, earth, jewels, crosses, and angels with every step.

Valentine Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Callidora Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Valentine Emperyous was surrounded by a massive vortex of yellow energy with earth, jewels, and crosses surrounding it, there are angels, Halion the Timelord, and Haniel the Archangel flying around the vortex, and in the vortex is a golden yellow phoenix. Then, as the vortex faded, Valentine Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Valentine Emperyous grew from 6'5" to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long flowing midnight black hair, she has neon yellow eyes and a yellow energy aura with water, ocean waves, crosses, and angels surrounding her, she has the Seal of Haniel in the hands of Halion the Timelord emblazoned on her forehead, she has on angel earrings with yellow gems for eyes and holding the Earth, Holy, and Eternity Kanjis in its hands, she also has Halion the Timelord with yellow gems for eyes and holding the Earth, Holy, and Eternity Kanjis in its hands on the bottom of her yellow angel angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Valentine Emperyous has on a sleeveless yellow midriff top, yellow skirt with the Sephiroth Tree of Life on it, yellow pants, yellow legwarmers, yellow heeled sneakers, and long white sleeveless trenchcoat with jewels, earth, crosses, and angels on the coattails, and on the back is Halion the Timelord one one side and the Archangel Haniel and they have a cross floating in their left and right hands and surrounded by jewels and earth. Suddenly, Valentine Emperyous felt a sharp pain on her back, and then, her massive yellow angel wings with stars and yellow tips on the large yellow feathers grew much bigger for her new body, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Valentine Emperyous' massive Halion the Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of yellow energy, crosses, earth, jewels, and angels and when it emerged, it was transformed into Halion the Timelord's Holy Earth Jewelstorm Archangel Greatsword of Holy Earth Jewel Justice, it's a brand-new large greatsword with Halion the Timelord and Haniel the Archangel etched on the 7'0" massive, wide, double-edged yellow blade, large angel heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large yellow gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Halion the Timelord's head with yellow gems for eyes and a large yellow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a yellow kanji below Halion the Timelord and Haniel that said, "Valentine Emperyous, Gene-Slammer of Halion the Timelord, Fifth Youngest of The Emperyous Sisters, Powerful Master of Earth and The Powers of Haniel the Archangel, Amazing Fashionista and Lover of Fashion and Jewels, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Dark Lola, Destroyer of Callidora Chernabog, Archenemy of Earth Elementor, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Holy Earth, Crosses, and Archangels"

Valentine Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY EARTH JEWELSTORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY EARTHSTORM ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY EARTH JEWELSTROM ARCHANGEL LOVE!

We were amazed by Valentine Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Callidora Chernabog saw it, she went fucking mad and fired a blast of darkness at Valentine Emperyous to kill her, but Valentine Emperyous fired a powerful yellow energy blast with earth, crosses, jewels, and angels which overwhelmed the blast of darkness and it hits Callidora Chernabog, and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Valentine Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Earthstorm Timelord Justice and a champion of the Archangel Haniel, and Valentine, you look beautiful, how do you feel?

Valentine Emperyous: (Divine Echoing Cosmic Voice of The Holy Earth Jewelstorm Timelord and Divine Holy Earth Jewelstorm Love) I feel incredible, Linky. Now, shall we destroy Callidora Chernabog once and for all?

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Valentine.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Valentine Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to say your goodbyes forever, Callidora Chernabog, 'cause your days of causing chaos and havoc in Michigan and the world are over!

Valentine Emperyous and Lincoln went after Callidora Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, yellow energy, crosses Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Callidora Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Callidora Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Valentine Emperyous and Lincoln were just getting started and Callidora's divine punishment has just begun. Callidora Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Valentine Emperyous and Lincoln slashed off Callidora Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Callidora Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Valentine Emperyous, it was known as Halion the Timelord's Holy Archangel Earthstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's yellow with waves of Earth and jewels on the blaster with a Phoenix, Archangel, and Halion the Timelord surrounded by water etched on the sides, and a yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Valentine Emperyous fired blasts of rainbow energy, yellow energy, and elemental forces and when they hit Callidora Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Callidora Chernabog's spirit appeared and Valentine Emperyous and Lincoln drew the Judgement Kanji and Seal of Haniel on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Valentine Emperyous and Lincoln did to Callidora Chernabog as they holster their massive greatswords on their backs and powered down, and Valentine Emperyous' new body, clothes, weapons, jewelry, and massive yellow angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, and Nocturne Chernabog, and they were horrified to see what happened to Callidora Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Callidora! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, Mastema Chernabog, and Nocturne Chernabog disappeared in ten mists of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Valentine Emperyous: Now, there's only ten Chernabog Sisters left to deal with. Thanks for helping me destroy Callidora Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Valentine.

Suddenly, Valentine Emperyous wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Valentine Emperyous' face, they kissed passionately as Valentine Emperyous' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Halion the Timelord, and the Archangel Haniel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and angels flying behind them and jewel clusters forming behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Valentine Emperyous came back to us, as the display and Halion the Timelord and the Archangel Haniel vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: I actually had this one planned out and this was after we met Johanna Vocesdebelleza, for tomorrow, I'm planning to meet a Gene-Slammer for Clackula, and the one who got Gene-Slammed into Clackula is Corona Vocesdebelleza.

Nico: Whoa, that's quick.

Johanna Vocesdebelleza: (Spanish Accent) That's right, and I made the list and gave it to Linky.

Lincoln took out the list, and we saw who've been Gene-Slammed into the other My Singing Monsters

Corona Vocesdebelleza the Clackula Gene-Slammer

Ronalda Vocesdebelleza the Peckidna Gene-Slammer

Elena and Millenia Vocesdebelleza the Denchuhs Gene-Slammers

Sally Vocesdebelleza the Hawlo Gene-Slammer

Miyuki Vocesdebelleza the Withur Gene-Slammer

Kiara Vocesdebelleza the Uuduk Gene-Slammer

Maria Vocesdebelleza the Banjaw Gene-Slammer

And Amy Vocesdebelleza the Plinkajou Gene-Slammer

Nico: Wow, that's quite a list you made.

Lincoln: It sure is, but this means we'll reunite Johanna with her other sisters and Hilda will have all of her cousins back.

Hilda: (British Accent) That'll truly be an amazing family reunion.

Kyd: One bad dinosaur all cooked.

Magneto: And the corpse is still intact.

Fireor: I can cook it some more.

Me: Good idea.

Dumbbelltron: It depends how hot it is.

Felix Faust: Either way, this was another job well done.

Me: Yeah this awesome.

Arlo: It sure was.

Qin: Yeah.

Nico: Yep. Great job today everyone. This was awesome.

Butch: It sure was.

Arlo: (To the viewers) This was an awesome and amazing adventure. Hope you loved it.

Me: We all did.

We later took the corpses and went back home. The World of The

Good Dinosaur was merged with ours and we cooked the corpses and made awesome food. We had Pterodactyl Hotwings and they tasted really delicious. They tasted like chicken and ham. We were stuffed. We enjoyed the rest of the day and went to sleep.

# BULLY THRASHING NANOBOTS

THIS IS BASED ON THE NANOBOTS FROM JIMMY NEUTRON

---

In the early morning hours at 4:35 AM, Lincoln had a dream, and he saw seven figure who was hiding out and living in the streets of Marrakech, Morocco. But, they were no ordinary seven figure, their were Soundwave Speaker, son of Lincoln's future wives, Vinyl Scratch. Melody Song, daughter of Lincoln's future wives, Octavia Melody. Split Face, daughter of Lincoln's future wives, Sour Sweet. Fire Light, daughter of Lincoln's future wives, Sunny Flare. Lightning Bolt, Lincoln's future wives, Indigo Zap, Lemon Tart, daughter of Lincoln's future wives, Lemon Zest (Equestria Girls). and Smartsweet, daughter of Lincoln's future wives, Sugarcoat. Lincoln woke up from the dream, but he wasn't the only one, Vinyl Scratch, Octavia Melody, Sour Sweet, Sunny Flare, Indigo Zap, Lemon Zest (Equestria Girls), Sugarcoat, Lori Loud, Nico, and I also had the same dream.

Lincoln: Same dream as always?

Lori: More the merrier, bro.

Octavia Melody: And not only that, it also means that we found out where our kids are at.

Vinyl Scratch: And the question is, Where bruh?

Me: They're at Marrakech, Morocco.

Nico: Oh no, that's not good. Out on the streets in Marrakech, Morocco, It is not for little kids like them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Vinyl Scratch, Octavia Melody, Sour Sweet, Sunny Flare, Indigo Zap, Lemon Zest (Equestria Girls), Sugarcoat, Me, and Nico were heading to Marrakech, Morocco. Then, Lincoln saw a 13-years-old boy who has light yellowish gray, moderate cerise eyes, moderate cobalt blue and brilliant opal dread-like hair with built it speakers. He wore a blue tank top with a picture a double quaver on it, black fingerless gloves, white pants, and blue sneakers. He also has a pair of blue shades, and a pair of white headphones with blue stripe. A 12-years-old girl who has goldish gray skin, moderate mulberry eyes, and long very dark gray hair with purple bow. She wore a gray school sleeveless uniform skirt with a picture of a treble clef on it, a white undershirt with short sleeves, a small tie-like purple scarf around her neck, white tights, and black mary jane flats. Lincoln saw who they are, they are Soundwave Speaker, Melody Song, Split Face, Fire Light, Lightning Bolt, Lemon Tart, and Smartsweet.

Lincoln: Excuse me?

Soundwave Speaker: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Vinyl Scratch, Octavia Melody, Sour Sweet, Sunny Flare, Indigo Zap, Lemon Zest (Equestria Girls), and Sugarcoat came out, and when Soundwave Speaker, Melody Song, Split Face, Fire Light, Lightning Bolt, Lemon Tart and Smartsweet saw them, they was stunned.

Melody Song: Mom, is that you?

Octavia Melody: Yes, sweetie, it's me.

Soundwave Speaker, Melody Song, Split Face, Fire Light, Lightning Bolt, Lemon Tart, and Smartsweet ran up to Vinyl Scratch, Octavia Melody, Sour Sweet, Sunny Flare, Indigo Zap, Lemon Zest (Equestria Girls), and Sugarcoat, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Vinyl, Octavia, Sour, Sunny, Indigo, Lemon Zest, Sugarcoat, your mothers are one of my many future wives.

Soundwave Speaker, Melody Song, and The Young Shadowbolts: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Soundwave Speaker, Melody Song, Split Face, Fire Light, Lightning Bolt, Lemon Tart, and Smartsweet with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell

everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Soundwave Speaker, Melody Song,Split Face, Fire Light, Lightning Bolt, Lemon Tart, and Smartsweet to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Vinyl Scratch, Octavia Melody, Sour Sweet, Sunny Flare, Indigo Zap, Lemon Zest (Equestria Girls), and Sugarcoat with their kids, and Soundwave Speaker, Melody Song, Split Face, Fire Light, Lightning Bolt, Lemon Tart, and Smartsweet now has a loving, strong, brave, and caring father in their life.

Twilight Sparkle: It sure was! That was so epic!

Me: Yeah it was! That was really awesome blowing apart Banshee with crossing the beams like how Venkman and his crew did 38 years ago.

Nico: That was a very iconic battle.

Me: Nice.

We got to a temple and went in and in a big room was a purple glowing scythe. It was THE SCYTHE OF THE CAVERNOUS UNDERNEATH!

Me: There it is!

Qin: Wow!

Xenia: Beautiful!

Nico: Go for it, Starlight.

Starlight Glimmer: With pleasure.

She went over to the scythe and pulled it out and then it glowed and she was enveloped in a powerful energy!

(ESCAFLOWNE (FOX KIDS VERSION) INTRO EXTENDED PLAYS)

She had crystals, skulls and stars swirl around her and her power was grew powerful star crystal angel wings and they were surging with incredible power! When the vortex Faded, Starlight was amazingly powerful.

Me: Whoa! Starlight how do you feel?

Starlight Glimmer: I feel incredible J.D. This is really cool!

Maria: Time to put a trap for whoever enters here. (Puts a landmine on the floor) Let's hide somewhere.

We went and hid and then was saw a figure and it stepped on the mine and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was blown back and we went out.

Me: Caught you.

We saw that it was an Evil Sasuke!

Evil Sasuke: YOU MOTHERFUCKING CUR!

Me: Had a feeling you would be here.

Laney: This is gonna be fun!

I went Super Angel Wolf Moon Xelnaga.

Evil Sasuke: WHY CAN'T YOU JUST DIE ALREADY AND LET ME WIN!?

Me: (Divine Wolf Moon Voice) **Because you need to shut up!**

Nico: That's right you motherfucking asshole.

Me: **That's right.**

Evil Sasuke: YOU MOTHERFUCKING CUR!

Me: **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of**

**Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

(RAGE - NARUTO SHIPPUDEN MOVIE 2 OST PLAYS)

HE ROARED IN INCREDIBLY UNBELIEVABLE RAGE AND WENT AT ME!

I punched him in the face and smashed him into the wall!

I kicked him through and we were outside with more room! I kicked him into the air and I flew after him as he was roaring in rage!

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

I kicked him down and he saw Albedo!

Evil Sasuke: (to Albedo) Team Buktu's downfall was because of you, Albedo! When you let that cur Nico into the team, he was able to uncover the truth. We would still be the heroes the Multiverse deserved if it wasn't for you. You shouldn't have lost your nerve! And for what? Because you enjoyed the smiles of those worthless people?!

Albedo turned into Negative Ultimate Upchuck.

Negative Ultimate Upchuck: Those people aren't worthless! And I lost my nerve when I didn't stand up to you guys the first time. Never again!

Me: **You are just as fucked up as ever Evil Sasuke!**

I kicked him in the face!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a

Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over. Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Nico: You had a lot of chances Sasuke!

Me: **That's right. In 150,000 years I gave you many chances for you to be our friend but all you did was turn all of them down and spit all of them right back into my fucking face! You are nothing but a ruthless, heartless, compassionless, remorseless, pitiless, hateful, spiteful, evil, greedy, powerhungry, megalomaniacal, treacherous, murderous, cruel and insane motherfucking monster that doesn't give a flying fuck about anyone but himself! And you don't care whether the whole planet lives or dies. You just want EVERYTHING handed to you on a silver platter! You deserve nothing short of eternal damnation in the worst place ever! That's why you will ALWAYS be a fucking LOSER!**

Those words MADE EVIL SASUKE EXPLODE IN AN INCREDIBLE LEVEL OF RAGE AND ABSOLUTE POWERFUL FURY!

Kaito: (takes out Battle Fever Gear) I think it's time we end this now.

Zocks: (takes out Denziman Gear) I agree.

Kaito got a Battle Fever J Sword and Zocks got a Denziman Sword.

I kicked him in the face and smashed him into the ground.

Nico: SHOWTIME! (Goes Super Saiyan 7)

We all flew at him and transformed into our most powerful forms and Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. Nico kicked him in the stomach and fired a massive barrage of energy blasts and they hit him and exploded all over and then he popped out of the smoke and went at me and I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! Eli fired a massive blast of Force Lightning and electrocuted him and then fired waves of fire and energy and blasted him all over the place. He was screaming in pain and then he was screaming in agony. Varie kicked him square in the face and blasted him with water. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. I punched him all over and smashed his face in!

Massive fiery explosions were decimating the entirety of the area of the The Underneath with devastating power and turning the whole area into a raging inferno of epic proportions!

Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Laney formed a whip of vines and lashed him all over.

Me: **You will never have my power. You will always be nothing more than a worthless weakling. Your hatred only does nothing but make you weak.**

Evil Sasuke: SHUT YOUR FUCKING TRAP!

Me: **MAKE ME!**

Evil Sasuke then charged up his most powerful attack!

Evil Sasuke: YOU WILL BOW TO ME! WE ARE THE ELITE AND WE ARE THE STRONGEST!

Me: **You are nothing but a low-grade amateur.** (Charges up a Kamehameha Wave)

Evil Sasuke: SHUT YOUR FUCKING MOUTH AND BURN FOREVER IN OBLIVION! INDRA'S ARROW!

Me: **You're the One that is going to oblivion you motherfucking asshole!**

I fired my Rainbow Kamehameha Wave and Evil Sasuke fired his strongest Lightning Style Attack and the blasts collided and my blast pushed the Lightning Arrow back and then the lightning arrow exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL AND DEVASTATING

EXPLOSION!

Then my blast went through the explosion and it hit Evil Sasuke and he screamed in pain as it exploded!

EXTREMELY MASSIVE AND DEVASTATINGLY POWERFUL AND INCREDIBLY UNFATHOMABLE EXPLOSION!

The explosion was so powerful, so devastating and so massive that it shook the very foundation and core of the entire planet and it was seen for miles.

Me: **Now to show Sasuke that we mean business.**

Nico: I have a feeling it's gonna be huge. Do it J.D.

Me: **With pleasure.**

I opened a portal and sensed for Orochimaru and found his signal.

Me: **Found him.**

(CALLING THE DRAGON THEME PLAYS)

I charged up a Final Flash and flared up my rainbow aura with incredible power as my arms and legs were spread out. Lightning struck all over the place. I cupped my hands in front of me as lightning struck everywhere and I charged up a massive and powerful blast. The ground was shaking violently with incredible power!

Nico: Brace yourselves guys!

Me: (ECHOING) **FINAL FLASH!**

I fired a massive and powerful rainbow and blue energy blast of incredible power and it went straight at Orochimaru through the power. He was on his way to his hideout with Kabuto when suddenly the blast hit him and Kabuto without warning and exploded with incredible and unbelievable power!

EXTREMELY MASSIVE AND DEVASTATINGLY POWERFUL

EXPLOSION!

THE EXPLOSION COMPLETELY OBLITERATED HIM AND KABUTO WITH INCREDIBLE POWER AND WIPED OUT ALL TRACES OF THEM BOTH! THEY WERE BOTH COMPLETELY OBLITERATED INSTANTLY! NOT EVEN A SUBSTITUTION JUTSU WOULD BE ENOUGH TO ESCAPE FROM! THE MASSIVE MUSHROOM CLOUD WAS SO MASSIVE THAT IT WAS SEEN ALL OVER THE FIVE GREAT NATIONS!

When the smoke cleared my powerful blast was more than enough to destroy him!

Evil Sasuke then fell to the ground and he was in excruciating pain as his Curse Mark was destroyed! He was back to normal and he was stripped of his power!

Evil Sasuke: NO! MY POWER! NOOOOOO! (ENRAGED BEYOND ALL FORM OF IMAGINATION) YOU MOTHERFUCKING FUCKWADS! YOU'RE ALL GOING TO PAAAAAAAYYYY!

Maria: J.D., I really do think we need to shoot Evil Sasuke in the head and end this!

Evil Sasuke: YOU ASSHOLES! I'M NOW GOING TO KILL EVERY FUCKING LAST ONE OF YOU VERY SLOWLY AND EXCRUCIATINGLY PAINFULLY! I'M GOING TO MAKE YOU ALL SUFFER!

He was REALLY INFURIATED NOW!

I fired waves of energy and blasted him all over.

Qin: Awesome!

We blasted Evil Sasuke all over.

Nico: Take that!

I threw Evil Sasuke into the air!

Me: **This is for everything you have done! Go to hell and stay**

**there you motherfucking son of a fucking bitch!**

I flew up to him and then formed a sword of Wolf Moon Fire and then slashed him all the way in half and sliced and diced him into a thousand pieces and then I fired a pitch black energy blast of the Black Gates and he was banished to oblivion forever!

Evil Sasuke was obliterated forever.

Me: **That's one more less Evil Sasuke.**

May: All that and no Another Omnitrix Alien?

Nico: Oh the fun is starting.

Eli: It should be here right about… now.

Then a figure came out and it was a black version of an Evolved Gourmand! It was ANOTHER ULTIMATE UPCHUCK!

Me: **Whoa! Another Ultimate Upchuck!**

Qin: Oh man this one looks really hungry!

Another Ultimate Upchuck: (In a girls voice) I'm always a hungry girl.

Me: **Cleo Chestnut! I knew it was going to be you next.**

Nico: You know her?

Me: **Oh yeah and Coop and you would love her Nico. She is a competitive eater with a black hole for a stomach. She ate 40,000 hot dogs in one sitting and ate 100,000 chicken wings too.**

Nico: (JAWDROP)

I lifted up his jaw and closed his mouth.

Nico: HOLY FUCKING SHIT! You eat as much food as I do!

Another Ultimate Upchuck: I do have an awesome appetite.

Laney: Boy I'll say! Are you related to…

Another Ultimate Upchuck: No. Everyone thinks I'm related to Joey "Jaws" Chestnut the eating champion but no I'm not.

Sougo: (gets out Zi O II Ridewatch) Did Swartz promise you anything?

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Kyuranger Ridewatch) Because we can grant it instead.

Sougo became Zi O II while Geiz got ShishiRedArmor.

Another Ultimate Upchuck: Just to be the greatest of all competitive eaters.

Me: **You already have that. Everyone thinks you have 12 stomachs.**

Nico: (JAWDROPS AGAIN)

I lifted up his mouth and closed his mouth.

Me: **Nico if you don't stop doing that you're going to catch flies.**

Nico: Sorry. Just in awe.

Another Ultimate Upchuck: I knew he was lying to me. But yeah I love to eat. I also was born with a weird trait. Instead of getting fat, I always get thinner. It's why I have a supermodel body.

Nico: Wow! That's interesting.

Me: **It is. It's why everyone was so envious of her. No matter how much she ate to gain weight she just kept on losing it and got thinner. It's how she got a voluptuous goddess body and how everyone kept envying her.**

Qin: Wow.

Me: **I know. Sorry we have to fight like this this Cleo.**

Another Ultimate Upchuck: No worries.

Nico: (takes out Pizza Face's Ridewatch) Hope you like Pizza!

Nico activated it.

Me: (ACTIVATES THE PIZZA TERROR 6'S RIDEWATCHES)

(TARANTELLA NAPOLETANA PLAYS)

We danced to the awesome Italian Ballad and fired waves of pizza and they flew into Another Ultimate Upchuck's mouth and she ate them all.

Another Ultimate Upchuck: (LOUD BELCH)

Nico: WHOA She sure likes eating!

Me: **No doubt there. How about some gravy?** (ACTIVATES CAPTAIN GRAVYHEAD'S RIDEWATCH)

I fired streams of Mexican Hot Tamale, Scottish Haggis, Swiss Cheese Chicken, Japanese Teriyaki and Arctic Fish Gravy and it went into her mouth and she swallowed it and released a massive belch!

Nico: WHOA! She sure likes gravy as much as Ed does.

Leni: Boy he totes would love having you as a gravy eating contest partner.

Another Ultimate Upchuck: I'm sure he would Leni.

Becca: My turn!

Me: **Just don't turn Gator Ghoul into Fried Alligator.**

We laughed.

Becca: No I'm not going to do that.

Becca activated her ridewatch for Gator Ghoul and fired Shaggy's Funky Fritters and they went into her mouth and then she BELCHED OUT HUGE AMOUNTS OF SPICY BREATH AND FIRE!

Me: **Nice!**

Another Ultimate Upchuck: Wow! Those are awesome!

Me: **You tasted Shaggy's Funky Fritters and they are spicy and delicious.**

Qin: Had them a while back and it was awesome.

Me: **Yep.**

Maria: The next Gene Slammer can take her time while we're at this!

Carly Atlas: Oh I wouldn't say that.

Then we heard a deep monkey hooting and then Devack's mark glowed and then out came EARTHBOUND IMMORTAL CUSILLU!

Me: **Whoa! Earthbound Immortal Cusillu!**

And then a roar was heard and we saw a dragon! It was TEN THOUSAND DRAGON!

Me: **WHOA! Ten Thousand Dragon!**

Eli: Wow! The 10,000th Card!

Qin: AWESOME!

Cusillu: (In a girls voice) I was amazed by that one too.

Ten Thousand Dragon: Me too.

Nico: Lola Cusillu and Vina Bagge! Wow!

Then they reverted back. Lola was a girl with yellow hair and yellow eyes and yellow and black clothes and had the mark of the Nazca Line for the Monkey on her right arm and had it also on her skirt. Vina was a purple hair girl with purple eyes and had purple clothes and the number 10,000 on her forehead.

Vina Bagge: Awesome to see you again Nico.

Lola Cusillu: Same here. We got this.

They fired waves of energy and blasted down Another Ultimate Upchuck and I caught the ridewatch and purified it and I went over to Cleo. She was a girl with orange hair in a ponytail and had a red midriff shirt and red shorts and a voluptuous body and I picked her up.

Cleo Chestnut: (GROANS) What a headache. (MASSIVE LOUD BELCH)

Me: **Whoa I think you are stuffed.**

Cleo Chestnut: Yeah.

Then her stomach got thinner.

Me: (LAUGHS) **I think you have a tapeworm in there and burnt toast and a rotten egg would be really satisfactory for him.**

We laughed at that remark.

Becca: (LAUGHS) That was funny.

Nico: Boy J.D. wasn't kidding about her being a goddess like that.

I brought Cleo over.

Becca: What's your favorite memory of Nico?

Lola Cusillu: I have a lot of them. But my favorite is when me and Nico were over in Borneo and we were there to learn all about the society of Orangutans and we communicated with them and it was awesome.

Nico: Yeah they were awesome.

Vina Bagge: My favorite is when me and Nico were working on my farm and we found an awesome tree that makes tropical fruit flavored apples. We call it the Paradise Fruit Tree.

Me: **Wait a second. That's a really rare fruit tree that is EXTREME ELUSIVE. They are critically endangered.**

Nico: Yeah they are. We found out about it and made seeds for it.

Me: **Cool! We'll have to grow them in our greenhouse.**

Vina Bagge: Good idea.

Bai Tza: Vina are you related to…

Vina Bagge: No everyone thinks I'm related to Eustace and Muriel but even though I have the same last name we aren't related.

Nico: Oh.

Nico hugged them both.

Nico: I missed you girls.

Lola Cusillu: We missed you too Nico.

Vina Bagge: Same here.

May: Want some more food?

Cleo Chestnut: I'm stuffed.

Me: **She has had enough.**

Qin: Yeah.

Nico: Lets head home.

We went back home.

When we arrived at Dallol, Ethiopia, we were already sweating like crazy because of how hot it is.

Lincoln: Whew, we're here in Dallol, Ethiopia, and I know what we're going to do here, not only am I going to rescue the two girls here, but we got word that crazy old witch, Yubaba, is back from the dead and she wants revenge on us, especially on Great Grandma Harriet.

Harriet Loud: I should've known Yubaba would one day come back from the dead, and she was still very jealous of me because I was much more talented in the Dark Arts than her.

Lucy Loud: Her hatred has destroyed her mind, Great Grandma Harriet, but we'll make sure she dies once again, and she'll never come back.

Nico: You said it, and man, is it hot here!

Lincoln: Dallol, Ethiopia is one of the hottest places in Africa, with an average temperature of 93 degrees year-round.

Me: Whew, now that is really hot. We're really going to need a cool shower after this.

Lincoln: Big time, and thanks for joining us, Syd.

Syd Chang: You're welcome, Lincoln.

Ronnie Anne: This is so awesome that you're here with us, Syd.

Lincoln: Next time, Clyde and his harem are joining the group.

Eli: Nice. So, how are we going to deal with Yubaba?

Harriet Loud: Allow me.

Harriet Loud chanted a powerful incantation, and she fired a powerful blast of darkness which hits Yubaba and stripped her of her dark magic.

Harriet Loud: There we go, I stripped her of her dark magic, and now, she's powerless.

Lincoln: Awesome, Great Grandma Harriet. Now, we can get after Yubaba and destroy her for good.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of two girls screaming for help, along with the sound of malevolent cackling. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Yubaba and she's going to kill them, and Lincoln saw she had the Qliphoth Tree of Death, along with the Sigil of Leviathan on her forehead.

Lincoln: (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by Yubaba and she's going to kill them, and I saw she had the Qliphoth Tree of Death, along with the Sigil of Leviathan on her forehead.

Camie Emperyous: (Gasps) And Leviathan is The Demon of Envy, and there's only one demon who's responsible for bringing Yubaba back from the dead: Nocturne Chernabog.

?: (Spanish Accent) That wrathful envious witch, let's get her, and that insane and chaotic demon will get hers later on today.

Suddenly, we saw the My Singing Monster, Clackula, appear before us.

Lori: No way, that's Clackula.

Leni: And that Spanish accent, it's Corona Vocesdebelleza.

Lincoln: As we expected, Corona Vocesdebelleza's here, that's so awesome, but we'll have to talk later, let's take down that crazy witch once and for all.

We rushed over, and before Yubaba could kill the two girls, Lincoln fired powerful rainbow energy balls and elemental forces at that crazy witch, and that allowed the two girls to get to safety in a rainbow energy field created by Lincoln to protect them from Yubaba, and when she saw us again, she was really enraged and pissed off at us, and when she saw Harriet Loud in flesh and blood again, this sent her off the rails.

Yubaba: Harriet Loud, I'm going to kill you!

Yubaba tried to fire a blast of dark magic at her, but she couldn't and this angered her, but Harriet had a small smirk on her face.

Harriet Loud: Nice try, Yubaba, but I used my powers and stripped you of your dark magic. You have and always will be nothing more than a no-talent hack of a witch who has no true talent in the Dark Arts.

Lincoln: And now, it's time for you to die.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai

Then, Lincoln and Harriet fired blades of light and dark magic at Yubaba, and they pierced her all over the place, and the blades' magic and her evil spirit was condemned to The Black Gates for good. We cheered wildly as we holster our weapons and powered down.

Lincoln: Your rotten hatred and jealousy towards Great Grandma Harriet ends here and now, Yubaba. (To Corona Vocesdebelleza) And it's so good to see you again, Corona Vocesdebelleza.

Corona Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing neon purple hair, neon purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful neon purple angel wings and she reigned in the power of Clackula, and she's dressed in a sleeveless dark purple open blouse, short-sleeved purple shirt, purple skirt, purple pants, purple legwarmers, purple sneakers, and long white sleeveless trenchcoat with skeletons and bones on the coattails and Clackula on the back and holstered on her back is a Clackula-themed large greatsword with Clackula etched on the 7'0" massive, wide, double-edged dark purple blade, large skulls for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large skulls and a large purple gem on the bottom of the large skulls for the pommel.

Corona Vocesdebelleza: (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you, Lori, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily again, Leni, and you all look so amazing.

Leni: Thanks, and you also look amazing, Corona. Plus, you're going to be quite surprised to see how much Lincoln's grown and changed.

Lincoln went up to Corona Vocesdebelleza and he hugged her, and Corona Vocesdebelleza is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Corona Vocesdebelleza: (Spanish Accent) Whoa, and Leni's right, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, so this is…?

Lincoln: Yep, that's Nico, this is Corona Vocesdebelleza, she's the second eldest sibling of the ten Vocesdebelleza Sisters who are my Guardian Angels from Brazil, and like Johanna, Corona's Leni's classmate in Music, and she and Corona would often help Leni with clothing ideas.

Me: Wow, just like Johanna.

Lincoln: That's right, and they have the same story as Johanna when we met her yesterday.

Nico: Hey yeah, that's right, and we got an idea of what they're like.

Johanna Vocesdebelleza: (Spanish Accent) You said it, and it's so good to see you, Corona.

Corona Vocesdebelleza: (Spanish Accent) You too, Johanna, and it's also good to see you again, Hilda.

Hilda: (Spanish Accent) You too, Corona.

Corona Vocesdebelleza: (Spanish Accent) And I've got a story to share on how Lincoln mongrelized Flip when he tried to kill me and my sisters.

Nico: Oh, this we're really going to enjoy hearing.

Corona Vocesdebelleza: (Spanish Accent) You're going to love hearing it. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Corona, are you absolutely sure?

Corona Vocesdebelleza: (Spanish Accent)(Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you, especially Johanna.

Lincoln looked into the eyes of Corona Vocesdebelleza, and like Johanna, he saw she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Corona Vocesdebelleza's neck with purple gems on the gold lightning bolts and purple crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Corona Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin, you're now part of my harem and my many future wives, Corona.

Corona Vocesdebelleza had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Corona Vocesdebelleza's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Kurumi Tokisaki and Hibiki Higoromo from Date A Bullet.

Lincoln: Oh wow, it's Kurumi Tokisaki and Hibiki Higoromo from Date A Bullet.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kurumi Tokisaki: Yes, we're okay, thanks to you.

Then, when Kurumi Tokisaki and Hibiki Higoromo saw who it was that saved them from Yubaba, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Kurumi Tokisaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kurumi Tokisaki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kurumi Tokisaki and Hibiki Higoromo with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Yubaba, who came back from the dead again for revenge, and even worse: the one who freed them was Nocturne Chernabog, the youngest of The Chernabog Sisters, when they saw the Qliphoth Tree of Death and Sigil of Leviathan on her forehead.

But, when Lincoln showed what Harriet did in stripping Yubaba of her dark magic and us pulverizing her and Lincoln and Harriet sending Yubaba to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Corona Vocesdebelleza have a lot of catching up to do now that she's back in town.

Maria: I can't believe that crazy jealous old witch came back because of Nocturne Chernabog, she is so dead!

Lincoln: Yep, but Camie and I will be ready for her later on today.

May: And we're really pissing off the Chernabog Sisters big time.

Camie Emperyous: Let them get that pissed off at us, they deserve it for the chaos and havoc they've instigated and caused in Royal

Woods for years, besides, Judgement Day is coming for them, and their days of causing havoc are ending here and now.

Lincoln: Yeah.

---

After finally destroying Yubaba forever and really pissing off Nocturne Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Corona Vocesdebelleza saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Corona Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Corona, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Corona Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Corona, what's the story on how Lincoln took down and beat Flip up into a pulp when he tried to kill you and your sisters?

Corona Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some shopping for Mrs. Loud since the others were at either work or with friends. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Flip and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again, but Lincoln grabbed Flip by his arm and he broke it and that caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out Flip's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Nico: Hey, I remembered that day all too well, when we got the word that Flip broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Flip deserved it, and that mutant cheapskate had no chance against Lincoln, and I got the picture.

I put up the picture of Flip after he was mongrelized by Lincoln and it matched what Corona told us of what Lincoln did to that mutant, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Flip, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let Flip get away with that, so I had to defend the Vocesdebelleza Sisters from that mutant cheapskate.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you were one tough guy, Lincoln, and you kicked Flip's three-cheeked ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his three-cheeked ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

We got a shower afterwards, and Lincoln, his harem, and his kids are heading to Koopa's Seaside Soiree.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry and accessories, and they also had their weapons holstered in case of trouble, and his kids were dressed in their swimsuits, jewelry and accessories, and they had their weapons holstered in case of trouble, and when Johanna and Corona saw Lincoln in his speedo, they had hearts in their eyes, atomic red blushes on their faces, steam whistling out of their ears, and their noses were really bleeding, and after a few minutes, they snapped out of it.

Johanna Vocesdebelleza: (Spanish Accent) Wow, so this is Koopa's

Seaside Soiree?

Lincoln: Yep, and it's perfect for our beach date, Johanna. Shall we?

Lincoln, his harem, and his kids dived into the waters and they had fun swimming and they had a swimming race and had a lot of fun and they met some underwater inhabitants, and they went back to the sandy beach and they had a game of volleyball and the girls in his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and the kids all cheered. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Koopa's Seaside Soiree.

Thunder Sparkle: And we really had a lot of fun.

We also saw that Johanna and Corona still had atomic red blushes on their faces from seeing Lincoln in his speedo.

Nico: They saw you in your speedo, didn't they?

Lincoln: Yep.

Johanna Vocesdebelleza: (Spanish Accent) Well, we can't help it, we did see and know that Lincoln grew a lot since we last met, but to see our big, tall, and extremely muscular man in a speedo, that really threw us for a loop and we went nuts.

Luan: We should've given you girls a warning, but I think it's best if you saw it for yourselves. And we should get ready for Halinor's first

Ambassador Mission.

Rayman: I'm all ready to not only keep an eye on the Rabbids, but also, to kick some butt.

Eddy: Me too.

Nico: And we got the kids of the Cul-De-Sac coming as well, to pulverize Nega-Eddy.

Me: Yeah.

* * *

At the Skate Park, me and the mascots were having fun.

Me: Yeah! This is fun!

Poromon: Oh yeah!

Ian Hawk and everyone came up to us.

Ian Hawke: (to the Mascots) Oh Dear God, what did the four of you do now?

Poromon: We're playing with our new RC Car.

Me: I bought it for them too. See?

They saw that it was the Tantrum.

Nico: Wow! A Tantrum car! I haven't played with that one in forever.

Xenia: Fun one too.

Qin: Brings back memories.

Laney: That is cool!

Lucille Loud: (Scottish Accent) Please tell me that was bought with your own money now.

Me: I bought it for them because I was nice. Also I remember this car myself and it was awesome.

Qin: Cool!

Nico: Man that takes me back. I had a lot of fun with that. But it broke.

Fiona Hernandez: Well we'll try and fix it.

Laney: Yeah. But man that is awesome.

Lola: It sure is.

They did all kinds of awesome stunts with it.

Me: Man I wonder if Transformers can turn into life size versions of RC Cars.

Optimus Prime: You know I don't think we tried that.

Armada Starscream: But it just might be possible.

Swindle: Did you guys forget that we were the size of RC Cars in Woody's world?

Me: Not at all. But I was talking about scanning one and then becoming that one as a life size car.

Swindle: Oh I see what you mean.

Me: Hmm. Lets try it out.

I brought a stasis pod and in it was a protoform.

Me: Here we go.

I activated the activated sequence.

Me: Here we go.

I put in the Autobot Programming Chip and it scanned the Tantrum car.

Computer: Compatible Vehicle found. Beginning Replication and Size Enhancement.

Qin: Wow this is gonna be interesting.

Then in a massive flash of light arose a new Autobot!

Qin: WHOA!

It was a black Autobot and it was a life-size version of the Tantrum Car.

Furystorm: Furystorm at your service.

Qin: Cool!

Nico: Welcome to the planet Earth.

Optimus Prime: So much has happened since you were with us.

We told him everything and it was incredible.

Furystorm: Wow! I have a lot of catching up to do but it'll be an honor to fight alongside you all.

Sunstreaker: Where did you find that protoform?

Me: It was in the Stasis Pod storage back home.

Sunstreaker: Wow! That was fast.

Nico: Yep.

Me: But at least we know that RC Cars can turn into Transformers.

Laney: Yep.

Xenia: Cool.

Ironhide: That is amazing though.

Furystorm: It'll be an honor to fight alongside you though. I have the powers of the wind at my command. I have a Cyclone Blaster and energy gun that can form tornadoes.

Me: Wow that is cool!

Donna Diego: Nico, which teams have you made this time?

Scream: Personally, I hope Anna and Aylene get put into teams that fit them.

Nico: Noted. Anyway, Ax's team will include Cia, Infernal Flame Emperor, Volcanic Doomfire, Volcanic Rocket, and Fire Princess. Power Pack's team will include Kairyu-Shin, Ocean Dragon Lord - Kairyu-Shin, Ocean Dragon Lord - Neo Daedalus, and Yormungarde.

Me: COOL! Fire and Water for that.

Nico: Yep.

Fire Princess: It's going to be an honor to be part of a group.

Nico: It sure will be cool.

Xenia: Looking forward to that one.

We went back home to the estate.

* * *

We got to watching TV and then on the news we saw a strange story coming from the Retroville sector. We saw that a mysterious vigilante was pulverizing hundreds of bullies into pulp and they were all badly hurt and broken apart all over the place!

Me: WHOA! Someone is REALLY out to get all bullies.

Sidney Poindexter: Well it's definitely not me! I may hate bullies but I don't go this far.

Batman 2039: This is definitely not the work of Payback.

Me: No it's not him. Jimmy what do you think?

Jimmy Neutron: I know exactly what it is. It's the work of those nanobots I built.

Nico: Nanobots?

Eli: What can you tell us about them?

Jimmy Neutron: Well I built them to protect Retroville from bullies.

---

The Nanobots are recurring antagonists in The Adventures of Jimmy Neutron: Boy Genius. They are two tiny robots that were originally created by Jimmy to protect him from bullies via a flying saucer known as the Jim-Tech, which is armed with a myriad of weapons. However, perhaps due to a flaw in their programming, the Nanobots embraced this role too extensively and began attacking anyone who so much as looked at him the wrong way. Jimmy was able to stop their rampage and has since been trying to reform them so they could be used for other purposes. This endeavor has been in vain, as the Nanobots have committed other atrocities since that first incident, all caused by them misinterpreting Jimmy's commands and taking them to the extreme.

The yellow Nanobot (N-1) is voiced by Darran Norris, who has also voiced Cosmo and Timmy's Dad from Fairly OddParents, among other characters. The red Nanobot (N-2) is voiced by Tom Kenny, who has voiced numerous characters including SpongeBob SquarePants.

Safety First

In the episode "Safety First", Jimmy finds that he is the latest target of a bully named Terry Finster, who begins taking his school lunch and throwing him in the dumpster every day. Being too ashamed to tell his parents, Jimmy opts to build himself a personal anti-bully device in the form of the Jim-Tech, a flying saucer piloted by two Nanobots. Jimmy brings the Jim-Tech to school the next day and orders the Nanobots to protect him from Terry. When Terry approaches, the Nanobots attack Terry and send him running off. This causes Jimmy's other classmates to hail him a hero, at which point Jimmy reveals that the Nanobots are based on the same technology he used to create a microchip that makes pants pick themselves up, which had gone rogue in the episode "When Pants Attack." This fact makes Jimmy's friends feel unsettled, but Jimmy assures them that the Nanobots are second-generation and have a system of checks and balances in place so they can't go berserk. Unfortunately, this proves to be untrue…

Without any actual enemies to defend Jimmy from, the Nanobots become overzealous and start to treat every physical gesture directed at Jimmy as a threat. They become increasingly violent towards Jimmy's friends, driving everyone at school into a state of constant fear. Jimmy makes several attempts to shut the Nanobots down, but they refuse to obey his commands to stand down and won't let him dismantle the Jim-Tech. Jimmy is at a loss, but then he gets the idea to confuse the Nanobots into submission. He goes out into his backyard and starts beating himself up, which does exactly that since the Nanobots can't obey their prime directive and subdue Jimmy's attacker because Jimmy *is* the attacker. Unable to formulate a solution, their circuits overload and the Jim-Tech explodes, leaving them defeated as they parachute onto the ground.

## Return of the Nanobots

In "Return of the Nanobots", it's revealed that Jimmy kept the Nanobots on lockdown since the events of "Safety First." He takes them out of lockdown and upgrades their neural circuitry, giving them new bodies in the process, to reduce the risk of them going berserk. Upon the upgrade's completion, Jimmy places the Nanobots inside a more primitive module, the Correct-o-Tech, and gives the Nanobots a new purpose: to correct his english homework for errors. To make sure they're ready, Jimmy has the Nanobots examine a poem he wrote about Cindy Vortex but makes the mistake of telling them that the poem needs to be absolutely perfect. This causes the Nanobots to become perfectionists, and they freak out over minor grammatical errors in the poem. After making many hapzard edits to the poem, the Nanobots decide to destroy it, accidentally smearing glue on Jimmy's face during their frenzy. Realizing that the Nanobots are still too erratic, he puts them back into lockdown and leaves them to go to school. But the Nanobots are eager to please Jimmy, so they break out of the Correct-o-Tech and use the Jim-Tech to follow Jimmy to school so they can keep correcting errors.

The Nanobots reach the school during Jimmy's english class and begin annoying all the students and staff by pointing out errors in their behavior and forcibly correcting them. Jimmy and his friends team up to find the Nanobots and eventually corner them in the cafeteria. Jimmy tries to defeat the Nanobots by confusing them like he did last time, telling the Nanobots that humans shouldn't be corrected because their flaws are what make them perfect. However, this idea backfires; with their improved circuitry, the Nanobots are able to come up with a solution: label all humans as "extreme errors" and erase them from existence using the Jim-Tech's de-atomizer ray. They decide to delete Jimmy last so their beloved creator can have a chance to "admire their work," so they lock him in a closet and set out to delete everyone in the school building. After that, the Nanobots realize that the entire world is full of human error, so they must delete every human on earth. This buys Carl and Sheen just enough time to get Jimmy out of the closet and escort him to his lab, where Jimmy explains that the Jim-Tech's de-atomizer ray doesn't completely erase things; it just converts them into digital data and stores them in a virtual trash bin, so the human race can still be saved as long as the Nanobots are put out of commission before they empty the trash bin.

Some time later, the Nanobots return to Retroville and break into Jimmy's lab to delete him and his friends. They delete Carl and Sheen, but Jimmy narrowly escapes with Goddard's help. Eventually, they manage to catch Jimmy and are about to delete him when they realize that the Jim-Tech's hard drive is full, so they need to empty the trash bin. Luckily, Jimmy gets an idea at the last second and asks the Nanobots to grant him one last request. He asks them to correct his homework and gives them a modified version of his poem, which he uses to trick the Nanobots into calculating the value of pi. Since pi is a never-ending number, the Nanobots overload their circuits trying to calculate it, so the Jim-Tech explodes once again and everyone the Nanobots deleted is fully restored.

Fundemonium

In "Fundemonium", it's shown that Jimmy has the Nanobots on lockdown again, this time placed in a cage and strapped to chairs in a manner similar to Hannibal Lecter. Desperate to get on his good side, they try doing various small favors for Jimmy in hopes that he'll set them free in return, but to no avail. Later, though, Hugh enters Jimmy's lab to retrieve a toy tank that Jimmy had upgraded for him. Realizing that the toy needs batteries, Hugh notices the Nanobots, mistakes them for talking batteries, and places them inside the toy. The Nanobots are grateful to Hugh for setting them free and decide to repay him. When Hugh brings the toy to his job at the toy factory to show it off, the Nanobots overhear him talking about how it's supposed to be the biggest and most fun toy ever and decide to act on those criteria. They use the toy's controls to make it grow to gigantic size and ride all over Retroville with it, wreaking havoc and shooting deadly candy projectiles at people in the name of fun.

Jimmy finds out about the Nanobots' escape and quickly comes up with a plan to stop them. He confronts the Nanobots with a remote control for another toy he was working on, and adjusts the remote's radio frequency so it can control the Nanobots' toy vehicle. With help from Carl and Sheen, Jimmy gets close enough to use the remote on the Nanobots and gets them to spill the toy's fuel liquid, which shorts out the toy and returns it and the Nanobots to normal size, leaving the two tiny terrors defeated on the ground yet again.

---

When he was done we were shocked!

Me: These bullies may be bad people but even they don't deserve to be beaten within an inch of their lives like this!

Nico: No kidding!

Me: Wait. I see something in the screen. Computer, freeze image.

It stopped it.

Me: Zoom in and magnify and enhance image.

It did so and it showed that it was a small flying saucer no bigger than a remote control drone.

Nico: Whoa! The Nanobots are piloting a drone-sized Flying Saucer.

Me: Very interesting.

Then Mummy, Rowdyruff Boys, Titanium Man, Trumbipular, Misty Tredwell, Kyd Wykkyd, Magneto, Fireor, Dumbbelltron, Felix Faust, Tenaya 7, Blackbird, Francisco, Katty Katswell, Ushari, Yost Viper, Cloak & Dagger, Evil Flame Man, Lillith, and Sara Siren appeared.

Mummy: Can me, Rowdyruff Boys, Titanium Man, Trumbipular, Misty Tredwell, Kyd Wykkyd, Magneto, Fireor, Dumbbelltron, and Felix Faust go with you guys?

Tenaya 7: Me, Blackbird, Francisco, Katty Katswell, Ushari, Yost Viper, Cloak & Dagger, Evil Flame Man, Lillith, and Sara Siren will come as well.

Boomer: And I'm hoping that Anna and Aylene get put into future teams that fit them as well.

Nico: Noted and same here. Also yes you guys can come with too.

Me: Our target is Bully thrashing Nanobots that Jimmy Neutron Built. They are going on a rampage throughout Retroville and are pulverizing bullies all over the place at a rapid pace. And we have to stop them.

Nico: Jimmy what do these Nanobots look like?

Jimmy Neotron: They look like this.

He showed us pictures of them. They were a red one and an orange one.

Qin: Interesting design.

Tenaya 7: Very interesting. They will make good members to the M.O.E.

Me: We'll have to catch them and reprogram them.

Volcana: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do ones for Earthbound Immortal Ccarayhua and Kairyu-Shin, Ocean Dragon Lord - Kairyu-Shin, Yormungarde, Jormungandr, Generaider Boss of Eternity, Levia-Dragon Daedalus and Ocean Dragon Lord - Neo Daedalus.

Me: OOH! One for the Lizard Immortal and the others for some of the most amazing sea serpents in the game.

Nico: Yep.

Qin: And I have a feeling I know who those gene-slammers will be. The Mizugami Sisters. They are mermaids too.

Me: Cool!

Qin: Yep.

Nico: Yeah this will be interesting.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Nocturne Chernabog, the youngest of The Chernabog Sisters, and she's major-leagued pissed off that we killed Yubaba and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to Nocturne Chernabog, the youngest of The Chernabog Sisters, and she's major-leagued pissed off that we killed Yubaba and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Just like what happened with Belinda Chernabog and Callidora Chernabog, sheesh.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Camie Emperyous: Yeah, and just like with Belinda and Callidora, I should've known Nocturne would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, and Mastema Chernabog show up, along with Nocturne Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Camie and Lincoln destroy another one of their sisters. Alright, gang, let's go, we got word that the Nanobots that Jimmy Neutron built are not still trying to stop bullies, but now they're hurting Carl, Sheen, and all of Jimmy's friends.

Luan: Even though they were doing a good job in still stopping bullies, they've now gone off the deep end and they're now attacking Jimmy's friends, we need to neutralize those Nanobots.

Lincoln: And deactivate them before they continue to cause trouble for everyone, and once we get done putting those Nanobots out of commission, you're next, Nocturne Chernabog.

Titanium Man: The Nanobots look like batteries.

Francisco: I've actually noticed that as well.

Nico: They sure do. Lets head out.

We were off to the Retroville Sector.

* * *

We arrived and saw the Paramedics loading up numerous bullies that were seriously hurt into lots of ambulances.

Nico: Man of man! Those Nanobots really did a numerous on these guys.

Me: Yeah no kidding. Ouch.

Laney: They are gonna be in lots of pain for a while.

Eli: Serves them right!

Jimmy Neutron: Have I ever shown you guys my lab?

Heckyl: Actually, no. We've never seen it before.

Me: You never even showed us your lab when we were here the first time.

Jimmy Neutron: Follow me.

We followed Jimmy and went to a clubhouse.

Jimmy Neutron: Here we are.

He pulled out a hair and scanned it.

VOX: DNA Match confirmed. Welcome home Jimmy.

Jimmy Neutron: Thank you VOX.

We went down an entrance tube and went into his lab.

Jimmy Neutron: Welcome to my lab.

Me: Wow! Jimmy your lab is awesome.

Jimmy Neutron: Thank you J.D. Here's some of my projects I was working on.

We saw lots of things being built by robots and more.

Dexter: Wow! Jimmy your lab is just as amazing as my lab.

Jimmy Neutron: Thanks Dexter.

We went to a turn table and saw a hamster cage.

Jimmy Neutron: The invisible hamsters are doing good.

Me: That is cool!

I looked at them with my infrared vision and saw them scampering in a wheel.

Me: Wow! They may be invisible but I can see their heat signals. Cool.

Then he showed us a plant.

Jimmy Neutron: This is my Girl Eating plant.

He held out three photos and the plant sniffed some photos and ate one of Lila Rossi.

Jimmy Neutron: Awesome choice.

Me: Very genius Jimmy.

Ushari: Can you imagine if it grows giant?

Me: I don't even want to think what would happen.

Misty Tredwell (to Nico) I really do hope a Gene Slammer for the Lizard Immortal appears next.

Nico: Don't worry Misty it will.

Me: We only have 3 more spots on the Moonlands to visit.

Eli: Nar, Kyber's Teeth and Bograth.

Nico: Yep.

Jimmy then showed us a soda he made.

Jimmy Neutron: Ahh the latest Burping Soda formula. A Guaranteed one burp per sip.

He took a sip and then…

LOUD BURP!

Me: Whoa! Nice one.

I tried a taste.

Me: (LOUD BELCH)

Nico: Wow! That works awesomely.

Jack Spicer: You got any inventions made out of tin?

Jimmy Neutron: Lots of them.

We saw a cool Candy Making Machine and it was cool!

Then we saw Jimmy Neutron's Sick Patches.

Me: What are these Jimmy?

Jimmy Neutron: These are my Neutronic Sick Patches.

Nico: Whoa.

I put it on and then I started coughing, sneezing and I had a runny nose and I was burning up with a high fever.

Me: (GROANS) That is weird.

I took it off and I was instantly better.

Me: Wow! That works really well!

Nico: Those Sick Patches are cool! But dangerous too.

Magneto: I would suggest not trying those.

Cloak: We'll make note of that.

Dagger: Those aren't very useful.

Me: Noted. Now I can officially say that I know what it's like to be sick.

Qin: Yep.

We saw the brain drain helmet.

Me: Cool helmet.

Jimmy Neutron: That's my Brain Drain Helmet. Watch.

He set it to drool monkey and then he became dumber than Patrick.

Jimmy Neutron: (Stupidly) Shiny! Shiny! I like shiny! Want to see my loopy dance? (Dances Idiotically) I'm Loopy! I'm Loopy)

Me: WHOA! That one is awesome!

Nico: Wow! A Brain Drain Helmet! (Gets an idea) This gives me an idea. (Sinister Chuckle).

Me: Use it on Lila Rossi to make her dumber than a sack of diapers?

Nico: Bingo.

I turned Jimmy back to normal.

Solar Man: Didn't we use that on Evil Jimmy?

Me: Yeah we sure did. We made him dumber than Beany the Braindead Bison. No offense.

Magneto: None taken. But that was funny.

Nico: Yeah that was intense.

Qin: It was.

Nico: I didn't even notice you bringing that out during my infiltration.

Dumbbelltron: Jimmy knew that he would have to bring out old inventions the minute he saw Evil Jimmy among Team Buktu.

Lillith: (Scottish Accent) So, while you were busy infiltrating their ranks, Jimmy went to his lab and got the helmet.

Me: Very sneaky.

Qin: Yeah.

Laney: Very awesome.

Flamefeather: And let's not forget Flippy.

Me: Yep.

Qin: Yeah.

Nico: Yeah. But lets focus on the matter at hand. We have to stop the Nanobots.

Sara Siren: Jimmy, you made them.

Felix Faust: How did you stop them the first time?

Jimmy Neutron: I used the equation of Pi and overloaded their eircuity.

Qin: 3.14 is a neverending number. Very clever.

Laney: Yeah!

Lana: That is awesome.

Stalker: We could also ask them which came first. The chicken or the egg.

Me: That one of the oldest primordial questions ever.

Qin: Yep.

Me: But it will be a risk.

Laney: Yep.

Fireor: Didn't they also have the ability to delete people?

Jimmy Neutron: They did.

Evil Flame Man: I don't think they have that ability this time.

Me: From the looks of all the pain and injuries they caused to so many people I would say they have the power of pranks and weapons.

Nico: Yep.

Divebomb: At least they don't know where we are.

Nico: Perfect opportunity to launch an ambush.

Me: Yep.

Eli: I sense that they are 10 klicks to the southwest.

Sheen: I bet Ultralord could defeat those Nanobots.

Kyd Wykkyd: Unfortunately, Sheen, Ultralord isn't here at the moment.

Yost Viper: It's really up to us.

Me: Besides we always are up for a good fight.

Qin: Yep.

Me: Lets see how they like this.

I showed my new Beyblade.

Yost Viper: Whoa is that a new Beyblade?

Me: Yep. Elemental Cosmos Phoenix. I got her on Moondancer's final ambassador mission.

Nico: He sure did.

Qin: Yep.

Nico: Lets go guys.

We went to face the Nanobots.

We got out and saw Jimmy's dad.

Hugh Neutron: Hey there, Jimbo. I'm out to get more pie before your mom realizes we're out. Do you and your friends want any?

Harley: I want one!

Hugh Neutron: All right then.

He was off.

Me: That was good.

Nico: Yep.

Trumbipular: And bring some peanuts too!

Katty Katswell: And some fish!

Hugh Neutron: Okay!

He was off to the store.

Me: There he goes.

Nico: Lets move.

We went to face the Nanobots.

We saw the little ship of the Nanobots.

Me: There it is.

Nico: Target sighted.

Barbossa: It be time for an entrance.

We went at the little ship.

The Nanobots got a bully girl in a stranglehold as they were bashing her with a mallet!

But then the spirits of the horrors of the Prehistoric Times appeared in elemental form and they smashed the ship around and let the girl go. Then they converged and then..

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard.

We came out.

Me: Okay you tin cans! That's enough!

Brick: So, you're not deleting anything or making Hugh Neutron's toys more badder?

Butch: Didn't you try the anti bully thing already?

N-1: Well, we decided to return to it to go back to our roots.

N-2: This was what the creator designed us for in the first place.

Blackbird: That's completely understandable.

Me: But bashing bullies like this is inhumane! They deserve it yes but this is going too far!

Qin: Yeah!

Xenia: Hundreds of people got hurt by you!

Brick: So, you're not deleting anything or making Hugh Neutron's toys more badder?

Butch: Didn't you try the anti bully thing already?

N-1: Well, we decided to return to it to go back to our roots.

N-2: This was what the creator designed us for in the first place.

Blackbird: That's completely understandable.

Me: But bashing bullies like this is inhumane! They deserve it yes but this is going too far!

Qin: Yeah!

Xenia: Hundreds of people got hurt by you!

But then Evil Green Ranger, Captain Cold, Man Ray, Cantwell, Major Disaster, Cluemaster, Common Cold, Radioactive Man, Kalin, Private HIVE, Astronema, Steelbeak, Quackerjack, Rainbow Raider, Spellbinder, Evil Desert Man, Malodor, Kaa, Bluto, and Sir Raleigh appeared.

Nico: Evil Green Ranger, Captain Cold, Man Ray, Cantwell, Major Disaster, Cluemaster, Common Cold, Radioactive Man, Kalin, Private HIVE, Astronema, Steelbeak, Quackerjack, Rainbow Raider, Spellbinder, Evil Desert Man, Malodor, Kaa, Bluto, and Sir Raleigh.

Eli: At least you guys didn't get thrashed.

Evil Green Ranger: At least the Nanobots didn't kill anyone.

Jimmy Neutron: They may have deleted people before. But they didn't kill anyone physically.

Captain Cold: Which is a good thing.

Me: Yep.

Man Ray: Now I know they're good recruits.

Cantwell: (to Nico) We heard you got another Treasure.

Nico: Yep.

Major Disaster: What was it?

Nico: It was called the Scythe of The Cavernous Underneath. Starlight Glimmer got that one.

Qin: She sure did.

Then Steelix came out.

Me: Steelix! Oh boy! Back for another round after you turned Riku and Kairi into worrywarts?

Steelix: Yep.

Laney: Wow.

Kairi: You don't have that spray that turned me and Riku into worrywarts anymore?

Steelix: (sheepishly) I don't. See, Dugon Manattee told me I can't copy his methods anymore. Sorry about that.

Me: Oh.

Kairi: No worries.

Me: Good. When that happened the last time a massive horde of Brownie Eating Zombies was roaming around.

Camie: Really?

Me: Really ugly story.

Xenia: Wow!

We got the battles underway.

## M.J., Starlight Glimmer, Cozy Glow, Undead Skylanders, SPD Rangers, Scream and Toxin VS Evil Green Ranger - Nico's Rescue

and Battling An Evil Sasuke and Another Ultimate Upchuck

Evil Green Ranger was first.

Evil Green Ranger: (to M.J.) Nico's Rescue involved Battling An Evil Sasuke. And Another Ultimate Upchuck too.

M.J.: Yes it did and it was really awesome and epic. Everyone bashed and pulverized Evil Sasuke into dust and they met an awesome Another Alien.

Starlight Glimmer: She was one that fit the Another Alien form perfectly. Her name is Cleo Chestnut. No she is not related to famous eating champion Joey "Jaws" Chestnut but she has just as big an appetite as he does.

Cozy Glow: Wow! You should have seen how much she eats! She can eat as many hot dogs as Coop and eat as many chicken wings as Nico.

Hex: Her appetite is just that massive.

Jack Landors: I'll say. It's huge.

Evil Green Ranger: Boy no kidding! Lets do it!

M.J. summoned Cavalier and merged Hermos with Great Mammoth of Goldfine and it formed into THE GOLDEN MAMMOTH BONE WARCLUB! They fired waves of bones, energy, magic, lightning, stars and skulls and smashed him down.

Qin, Sunset Shimmer, Pipsqueak, Fire Skylanders, Jungle Fury Rangers, Volcana and Torch Man VS Captain Cold - The treasure hunt in The Underneath

Captain Cold was next.

Captain Cold: (to Qin) The treasure hunt was in The Underneath this time. What did you guys get?

Qin: It was called the Scythe of the Cavernous Underneath and it has the powers of the Underneath and the Undead and it was amazing.

Sunset Shimmer: Starlight Glimmer got that one and it was really cool.

Pipsqueak: (British Accent) We were amazed at what it can do too.

Sunburn: We sure were.

Casey Rhodes: Yeah that was cool too.

Captain Cold: That is really cool. And Qin I heard that you got revenge on the men that killed your parents.

Qin: I sure did. Justice was dealt and also Nico said that trying to cheer me up was like trying to get Starfire to cheer up from after having to go through her period.

They laughed hysterically!

Captain Cold: (LAUGHS) Hey that is pretty funny!

Sunset Shimmer: Yeah! We all got a good laugh out of that.

Captain Cold: That is true! Lets do it!

Pinkie Pie: Boy she sure is and she is a great Guardian Angel.

Maud Pie: (Monotonously) She sure is.

Featherweight: And her story is cool too.

---

Corona Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Corona, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Corona Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Corona, what's the story on how Lincoln took down and beat Flip up into a pulp when he tried to kill you and your sisters?

Corona Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some shopping for Mrs. Loud since the others were at either work or with friends. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Flip and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again, but Lincoln grabbed Flip by his arm and he broke it and that caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out Flip's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Nico: Hey, I remembered that day all too well, when we got the word that Flip broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Flip deserved it, and that mutant cheapskate had no chance against Lincoln, and I got the picture.

I showed everyone the picture of Flip after he was mongrelized by Lincoln and it matched what Corona told us of what Lincoln did to that mutant, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Flip, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let Flip get away with that, so I had to defend the Vocesdebelleza Sisters from that mutant cheapskate.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you were one tough guy, Lincoln, and you kicked Flip's three-cheeked ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his three-cheeked ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

FLASHBACK ENDS

Camie Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Nocturne Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and ten mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Nocturne Chernabog, the youngest of The Chernabog Sisters, and the nine remaining mists of darkness descended onto the ground and what stood in their places were Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, and Mastema Chernabog, and the leader of The Chernabog Sisters, Adrastea Chernabog.

Adrastea Chernabog: (HISSES) ANOTHER TRAP! NOW, WE

CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Dallol, Ethiopia. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Nocturne Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Nocturne Chernabog rushed at Camie Emperyous and Lincoln and tried to kill them, but Lincoln and Valentine fired powerful blasts of Earth and when she got hit, she screeched like the demon that she really is as the jewels pierced through her flesh.

Camie Emperyous: That'll teach you, but we're just getting started, Nocturne, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Camie Emperyous' yellow eyes turned neon yellow and she was surrounded by a yellow energy aura with earth, psychic energy, crosses, and angels, she unholstered her massive Kamion the Timelord-themed greatsword from her back, and as she approached Nocturne Chernabog, she left yellow energy, earth, psychic energy, crosses, and angels with every step.

Camie Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Nocturne Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Camie Emperyous was surrounded by a massive vortex of yellow energy with earth, psychic energy, and crosses surrounding it, there are angels, Kamion the Timelord, and Camael the Archangel flying around the vortex, and in the vortex is a golden yellow phoenix. Then, as the vortex faded, Camie Emperyous emerged, but she was changed forever.

Camie Emperyous has on a sleeveless yellow midriff top, yellow skirt with the Sephiroth Tree of Life on it, yellow pants, yellow legwarmers, yellow knee-high high-heeled boots, and long white sleeveless trenchcoat with earth, crosses, and angels on the coattails, and on the back is Kamion the Timelord one one side and the Archangel Camael and they have a cross floating in their left and right hands and surrounded by earth. Suddenly, Camie Emperyous felt a sharp pain on her back, and then, her massive yellow angel wings with stars and yellow tips on the large yellow feathers grew much bigger for her new body, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Camie Emperyous' massive Kamion the Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of yellow energy, crosses, earth, psychic energy, and angels and when it emerged, it was transformed into Kamion the Timelord's Holy Earth Psychic Storm Archangel Greatsword of Holy Earth Psychic Justice, it's a brand-new large greatsword with Kamion the Timelord and Camael the Archangel etched on the 7'0" massive, wide, double-edged yellow blade, large angel heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large yellow gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Kamion the Timelord's head with yellow gems for eyes and a large yellow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a yellow kanji below Kamion the Timelord and Camael that said, "Camie Emperyous, Gene-Slammer of Kamion the Timelord, Fourth Youngest of The Emperyous Sisters, Powerful Master of Earth and The Powers of Camael the Archangel, Amazing and Powerful Psychic and Scientist, Friend of Lisa Loud Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Dark Luan, Destroyer of Nocturne Chernabog, Archenemy of Metal Elementor, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Holy Earth, Crosses, and Archangels"

ケイミー・エンペリアス、カミオン・ザ・タイムロードのジーン・スラマー、エンペリアス・シスターズの4番目の末っ子、大地の強力なマスター、大天使カマエルの力、驚くべき強力な超能力者で科学者、リサ・ラウドの友人、愛する守護天使、リンカーン・ラウドの未来の妻、ダーク ルアンのスマッシャーとデスパイザー、ノクターン チェルナボーグのデストロイヤー、メタル エレメンターの大敵、悪のスレイヤー、混乱した、殺人的、無慈悲、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、聖なる大地のマスター、十字架、と大天使

Camie Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY EARTH PSYCHIC STORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY EARTHSTORM ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY EARTH PSYCHIC STORM ARCHANGEL LOVE!

We were amazed by Camie Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nocturne Chernabog saw it, she went fucking mad and fired a blast of darkness at Valentine Emperyous to kill her, but Camie Emperyous fired a powerful yellow energy blast with earth, crosses, psychic energy, and angels which overwhelmed the blast of darkness and it hits Nocturne Chernabog, and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Camie Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Psychic Earthstorm Timelord Justice and a champion of the Archangel Camael, and Camie, you look beautiful, how do you feel?

Camie Emperyous: (Divine Echoing Cosmic Voice of The Holy Psychic Earthstorm Timelord and Divine Holy Earth Psychic Storm Love) **I feel incredible, Linky. Now, shall we destroy Nocturne Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Camie.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Camie Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Nocturne Chernabog, 'cause your days of causing chaos and havoc in Michigan and the world are**

**over!**

Camie Emperyous and Lincoln went after Nocturne Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, yellow energy, crosses, psychic energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Nocturne Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Nocturne Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Camie Emperyous and Lincoln were just getting started and Nocturne's divine punishment has just begun. Nocturne Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Camie Emperyous and Lincoln slashed off Nocturne Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Nocturne Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Camie Emperyous, it was known as Kamion the Timelord's Holy Archangel Earthstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's yellow with waves of Earth and jewels on the blaster with a Phoenix, Archangel, and Kamion the Timelord surrounded by earth etched on the sides, and a yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Valentine Emperyous fired blasts of rainbow energy, yellow energy, and elemental forces and when they hit Nocturne Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Nocturne Chernabog's spirit appeared and Camie Emperyous and Lincoln drew the Judgement Kanji and Seal of Camael on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Camie Emperyous and Lincoln did to Nocturne Chernabog as they holster their massive greatswords on their backs and powered down, and Camie Emperyous' new body, clothes, weapons, jewelry, and massive yellow angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, and Mastema Chernabog, and they were horrified to see what happened to Nocturne Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Nocturne! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, Griselda Chernabog, and Mastema Chernabog disappeared in nine mists of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Camie Emperyous: Now, there's only nine Chernabog Sisters left to deal with. Thanks for helping me destroy Nocturne Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Camie.

Suddenly, Camie Emperyous wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Camie Emperyous' face, they kissed passionately as Camie Emperyous' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Kamion the Timelord, and the Archangel Camael flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and angels flying behind them and mountains forming behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Camie Emperyous came back to us, as the display and Kamion the Timelord and the Archangel Camael vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: Yep, and for tomorrow, we're going to meet Ronalda Vocesdebelleza, the Peckidna Gene-Slammer.

Johanna Vocesdebelleza: (Spanish Accent) Alright.

Hilda: (British Accent) And we also got to be careful on your rescue tomorrow, Linky. The Chernabog Sisters are not going to give up that easily.

Me: That's right, and from what we've seen, they've been bringing back villains we've killed long ago.

Lincoln: I know, we've seen that sort of thing from The Church of Necrom, but we're ready for that sort of scenario, and we'll also have some plans for Cornelia's Ambassador mission on the 10th when we go help Zayto and the Dino Fury Power Rangers destroy Void Queen.

Selene Emperyous: And one of those plans will be keeping The Chernabog Sisters trapped near the ruins of Ördögház, so they don't try to interfere.

Nico: Good idea, and we can't wait to see what your plan is for tomorrow, Selene, after we get rid of Mastema Chernabog.

Laney Emperyous: Oh, I'm going to incinerate her to nothing but ashes for everything she's done.

Lincoln: You said it, Laney.

Hugh Neutron: Hey, guys! I'm back with more pie!

Cluemaster: And the peanuts and fish?

Hugh Neutron: That too! What did I miss?

Me: Lots of things.

Common Cold: We just got done recruiting new members.

Radioactive Man: After defeating them in battle.

Me: Yep.

Kalin: You didn't miss much.

Me: It was fun.

Private HIVE: Permission to ask if said pies are from Mother Mae Eye?

Hugh Neutron: No they are from the pie shop by Lynn's Table.

Me: Oh that's Gretchen Schroder's Pie Shop. She makes some of the best pies ever.

Nico: Yep. But great job today everyone.

Jimmy Neutron: (To the viewers) If you're going to work with robots, make sure they work right.

Me: Yep.

Nico: Yeah that's for sure.

We went and had some pie and all that and later went back home and enjoyed the rest of the day and went to sleep.

They and the Louds looked out for one another, and during one of their Christmas caroling session, The Vocesdebelleza Sisters each kissed Lincoln on the lips. Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we were there for an awesome Treasure Hunt and rescue. It was going to be a really cold one.

Me: Man the land of Nar is really cold!

Qin: You're telling me. It's freezing!

Camie: I like it.

Me Some people do.

Xenia :Yeah but it's awesome here though.

Varie: It sure is.

Bloom: Better than boiling alive.

Eli: That's true.

Nico: Thanks for coming with me, Bloom.

Bloom: Anytime Nico. It's going to be awesome helping you guys out.

Camie: It sure is.

Rhinox: I think this is gonna be really fun for us too.

Tigatron: It sure will be a good one.

Nico: Bloom, are you happy Valtor's gone?

Bloom: I sure am and I'm also happy to have my mom and dad back. My real mom and dad.

Qin: We're glad you are happy.

Me: So is the entire universe to be rid of Valtor.

Eiji: That was crazy that Bloom's parents were turned into Greeed.

Nico: It sure was.

Lola: But it's good we saved them.

Airazor: It sure is good we did.

Nico: Yeah no kidding.

Eiji: Those were awesome times back then too.

Eli: Boy they sure were. We had a big series of adventures too.

Nico: Too bad Valtor appeared when Flora went with me on a rescue.

Me: I know.

Bloom: I would have loved to get some payback on him.

Me: Well you still can Bloom when we face him in the Simulator.

Bloom: That's true. I forgot about that.

Me: No worries. Man this year has been full of awesome adventures and events and tomorrow we go meet the Dino Fury Rangers and help them deal with the Void Queen and the Nemesis Beast. Or as it's bluntly put the American versions of Madame Noir and Eras.

Nico: That's right. And it's the final Big Day mission of 2022.

Cornelia: You got that right! I'm so excited for this one!

Qin: Boy we all are Cornelia! After a 3 month Hiatus.

Me: I know! I'm really looking forward to this one! It'll be so awesome to help Zayto and his team out.

Nico: I agree there too. It was fun fighting one of Jimmy's enemies for a change.

Me: It sure was! Aside from King Goobot V we actually took down another one of his enemies.

Qin: We sure did. Very amazingly well built robots too.

Camie: Yeah. Nanobots in this case.

Himiko: They were really cool robots.

Xenia: Yeah they were.

Rhinox: Those Nanobots were really interesting ones. And it was awesome seeing Jimmy's lab.

Me: It sure was Rhinox. We never saw his lab before. He made all kinds of amazing inventions there. Especially that burping soda.

Nico: (LAUGHS) That was funny. But those Neutronic Sick Patches were awful.

Me: Yeah. Now I know what it felt like to be sick. I felt like shit!

Eli: Being sick is not fun.

Me: Even though it was done artificially it was awful.

Nico: It was our first time in Jimmy's lab.

Brittney: It sure was cool seeing it.

Lisa Loud: Indeed. Jimmy's inventions are very revolutionizing in all fields of science.

Qin: They are well made. Those invisible hamsters were awesome even though we couldn't see them.

Me: I saw those with my infrared vision and they were both cute and amazing.

Eli: And that Girl Eating Plant was genius. Perfect for pranks on Lila Rossi.

Nico: Lila may be a bitch but she doesn't deserve to be eaten like that. But that brain drain helmet Jimmy made for when we battled his evil side is perfect for that.

Me: I agree. That Loopy Dance we saw Jimmy do was really funny!

Qin: Even though Jimmy was as dumb as Patrick with that it still was funny!

Nico: We should have more adventures in Retroville more often.

Me: That's a good idea. Aside from Professor Calamitous, Beautiful Gorgeous, Goobot V and the Nanobots, Jimmy still has many enemies out there to face.

Qin: He sure does. And they are really going to be fun to face.

Bloom: They sure are. And also Jimmy has many more inventions for us to see.

Me: Not only that but Jimmy gave us the most perfect candy.

Laney: Boy that was some of the most perfect candy ever!

Lana: I'll say!

Me: You should have seen what it did to Mary. Her aura flared up explosively from its perfection.

Nico: Boy that candy was so delicious. I even heard that it made everyone in Retroville crazy for more.

Lily: Like a bunch of Heroin addicts.

Qin: Yeah that candy was delicious. And we know how to control ourselves.

Nico: Yep. We'll see more of Jimmy's awesome inventions later on.

Eli: Yeah.

Me: But that was so awesome how Jimmy and his friends were able to convert carnival rides into makeshift rockets.

Qin: Wow! That is cool!

Laney: It sure was.

Nico: I wasn't with you guys when you all destroyed the Yokians the first time. What was that like?

Me: I thought you would never ask Nico. That was so awesome. It was during the final days of the Old Days before we got the official name.

I went over what happened in chapter 338.

---

It starts with us watching TV when Lisa came down to the Living Room and she had a look of worry on her face.

Lisa: 2nd Big Brother! We have a huge problem!

Me: What's wrong Lisa?

Lisa: Our neighboring city of Retroville located approximately 20.5 miles from Royal York was just visited by Extraterrestrial Life!

Me: Aliens from another world!? When did this happen?

Lisa: 12 hours ago. My space scanners detected it here.

Lincoln: This is serious.

Me: Yeah. Leslie, Ben, Alexis, you guys go check it out and see what's up in Retroville.

Ben: You got it J.D.

---

Ben, Alexis and Agony were in Retroville and they saw all the kids on the ground with nasty stomachaches and more.

Ben: What happened here?

Agony: There are no adults anywhere. Where could they have gone?

Alexis: I don't know but this is not good.

Agony was tackled by someone. It was a kid named Jimmy Neutron. Ben was attacked by a kid named Sheen and he tackled him. Alexis summoned Cyber Blader and White Night Queen.

Jimmy (points blaster at Agony's head): I'm gonna ask you this one time. Where are Hugh and Judy Neutron?

Ben Tennyson (pins Sheen down with his foot): Yeah, I'll do you one better. Who are Hugh and Judy Neutron?

Sheen: I'll do you one better. Where are Hugh and Judy Neutron?

Jimmy: Tell me where they are, or I swear to you, I'm gonna fry this purple lady's head!

Ben (gets mad): Let's do it! You shoot my friend and I'll blast yours! Let's go! (aims fireball at Sheen's face)

Sheen: Do it, Jimmy! I can take it.

Carl (wrapped up in Agony's webbing): No, he can't take it!

Alexis (Cyber Blader by her side): He's right, you can't.

Jimmy: Oh yeah? You don't wanna tell me where our parents are? That's fine! I'll kill all three of you and I'll beat it out of Goobot myself, starting with you! (puts his blaster to Agony's head]

Alexis: Wait, what? Goobot? Alright, buddy. Who's your boss?

Jimmy: Who's my boss? Am I supposed to answer with "Albert Einstein"?

Ben: You're from Earth, aren't you?

Jimmy: Yes. Retroville, to be precise.

Ben: Ok. I think there's been a misunderstanding here.

Agony's symbiote retracts to reveal Leslie's face.

Leslie: So you're not with King Goobot?

Jimmy: With King Goobot? No! I'm here to kill King Goobot! The Yokian's took our parents again. And who are you guys anyway?

Leslie: We're friends of the Loud Family.

Carl: Oh, wow! We've seen you guys on the news!

Ben (lets Sheen go): Sorry about the misunderstanding.

Jimmy (lets Leslie go): It's fine. I'm just stressed out because of our parents getting kidnapped again.

Ben: This happened before?

Jimmy: Yes. It was 2 years ago.

Alexis: They won't quit will they. Sorry I'm Alexis Rhodes.

Agony: I'm Leslie Gesneria but we are also Agony.

Ben: And I'm Ben Tennyson.

Jimmy: Pleasure to meet you all. I'm James Issac Neutron. Everyone calls me Jimmy.

Sheen: I'm Sheen Estevez.

Carl: I'm Carl Wheezer.

Alexis: Pleasure to meet you all. (Calls me) J.D., we've just met some people that you might want to meet.

Me: We're on our way Alexis.

* * *

Me, Lincoln, Rachel, Varie, Vince, Cody, Shannon, Laney, Maria, Katie, Lisa, Ed, Max Ride, May, Max, Manaphy, Lucy, Mary Jane, Spider Man, Starfire, Volcana, Gwen, Chione and Zoe were flying with me. With Maria was her little sister Carmen. She has Fire Powers like Hotstreak because of the Big Bang. We landed.

Alexis: Thanks for coming J.D. We found out what's going on here in

Retroville.

Me: What is it Alexis?

Jimmy: The famous J.D. Knudson and the Loud Siblings and friends. It's a great honor to meet you all. I'm Jimmy Neutron.

Sheen: I'm Sheen Estevez.

Carl: And I'm Carl Wheezer.

Me: It's a pleasure to meet you all.

We introduced ourselves.

Jimmy: It's an honor to meet you all.

Carol: It's a pleasure too.

Alexis: Here's what's going down J.D.

Alexis told me everything.

Me: The Yokian's are at it again. They just will never learn.

Lincoln: What are the Yokian's?

Me: They are a race of Egg Aliens. They have a liquid form and they need an egg shape robot body to move. They're primarily a race of space hunters who search the universe for worthy prey to sacrifice to their god Poultra. They live on the planet Yokus about 3.2 million Light Years away from Earth.

Jimmy: That's right. The Yokian's kidnapped our parents almost 2 years ago and they attempted to take Earth by force when they came here. Now it's personal again. They kidnapped our parents again 12 hours ago and are gonna finish the job.

Shannon: That's awful.

Carol: We have to put an end to those monsters for good this time and make sure they never come back.

Me: You're right Carol. Lisa, deploy the U.S.S. Valor.

Lisa: Affirmative 2nd Big Brother.

Lisa pulled out a remote and pressed a big red button and the ground rumbled. A huge hatch opened up under an abandoned building and the U.S.S. Valor arose from the ground.

Maria: Wow! What a starship!

Alexis: It's amazing isn't it? I'll never forget helping in rescuing the people of Krypton with it.

Varie: It's an impressive ship huh?

Rachel: I'll say. What a ship.

Me: Yep. We're going to the planet Yokus, rescue Retroville's parents and put an end to the Yokian's once and for all.

Sheen: What do you mean J.D.?

Me: After we rescue the parents, we're going to blow up planet Yokus and kill all the Yokian's.

Everyone was shocked that I would make such a crazy decision.

Varie: J.D. that's crazy!

Me: I know. But we have no choice. If we don't stop the Yokian's for good they will just keep returning and trying it again and they won't stop until they succeed. So what better way to hit them where it hurts then by blowing up their planet and destroy them all.

Rachel: He's right. We have to stop them or it's Deja Vu all over again.

Jimmy: I agree with you Rachel.

Cindy: Me too. We won't let the Yokian's get away with this ever again.

Nick: Me too guys.

Lincoln: Okay guys. It's time to put Operation: Annihilate The Yokian's So We Can Rescue The Parents Of Retroville And Free The Universe From Them And Think Of A Shorter Name For This Operation into action.

Jimmy: That's a mouthful.

Me: I know. How about Operation: Yokian Genocide?

Lincoln: That's perfect.

Me: Lets do it!

---

We got our ships ready and set target destination for the planet Yokus. Ben, Gwen, Maria, Chione, Katie and Carmen were in the Rust Bucket 3.

Me: All right. All systems green and ready for launch.

Alexis: Roger that.

Jimmy: Begin Launch J.D.

Me: Roger that. Activate launch sequence. T Minus 10 seconds to launch.

10… 9… 8… 7… 6… 5… 4… 3… 2… 1… 0

(Kids in America by No Secrets plays)

Our ships launched and we were on our way to Yokus.

Me: Hold on parents. We're coming to save you. Get ready Yokus, your reign of terror ends now!

---

We were traveling through the endless void of space beyond our galaxy and witnessing some of the most amazing feats that the Universe has to offer.

Me: This is incredible. It's hard to imagine that we're this far out in space and we're seeing things that not even the Human Eye can see from Earth.

Jimmy: That's right J.D. No human or dog has ever seen this much out here.

Me: Yeah. Cindy I have a question to ask you.

Cindy: What is it J.D.?

Me: Why do you pick on Jimmy all the time? What has he done that would warrent such abhorent behavior?

Cindy: Because he's been smarter than me and has always stolen my thunder.

Me: Oh I see what it is. You're jealous of him. Sure he may be more intelligent than you mentally but he has done so much for all of you in Retroville. He is a great scientist like Lisa is. You and Jimmy have been given great intelligence to not just help people but also help further benefit humanity for the greater good.

Jimmy: Thanks J.D. That means alot to me.

Me: You're welcome Jimmy. Also Cindy there's no need for you to be Jealous of Jimmy because he's much smarter than you. You are just as gifted as he is.

Lisa: J.D. is correct Cindy. No one should ever be mocked for their intelligence stature. I'm only 4-years old and I have the incredibly high intelligence quotient of 330 and I started talking in the first few seconds of my life.

Me: That's incredible Lisa.

Lincoln: Lisa has always been the most gifted one of us in our family J.D.

Me: I believe it.

Cindy: That's incredible Lisa. You are a smart girl with the mind of an advanced college professor.

Lisa: Indeed. But you and Jimmy have what it takes to do great things for the greater benefit of humanity. Like cure every disease known to man.

Me: Or invent hypothetical devices that were never thought possible.

Jimmy: That's true.

Cindy began to realise that she was a monster to Jimmy and began to understand that there's more to Jimmy that can help her become a strong and gifted person.

Cindy: Oh Jimmy. What have I done!? (Crying)

Jimmy flew to Cindy and held her hand from the ship.

Jimmy: It's not your fault Cindy. You were just jealous of me. You are a great girl with amazing smarts and that's what makes you who you are. Never forget that.

Cindy: (Sniffles) But Jimmy I've made fun of you, called you names, even discredited you for your inventions. How can you call me smart when I've done all that to you?

Jimmy: Because even though we have our differences I still care about you and all our friends. Never forget that.

Goddard barks in agreement.

Cindy: You're right Jimmy. I won't forget that.

Libby: That was real sweet of you Jimmy.

Jimmy: Thanks Libby.

Nick: What you said was really cool Neutron.

Jimmy: Thanks guys.

Me: You're welcome Jimmy.

Sheen: How did you know that Cindy was jealous of Jimmy, J.D.?

Me: Lets just say Sheen that we've all had a dramatic impact on the planet and we have a reputation of changing people for the better.

Vince: That's right partner. We have done so much that it defies all logic.

Carol: Yeah.

Carl: We saw all your achievements on the news and they were amazing.

Me: Thanks Carl.

A device beeps on our control console and we saw up ahead a planet with a huge energy field. It was planet Yokus.

Me: There it is. Planet Yokus dead ahead.

Ben: It's an advanced city planet.

Gwen: It sure is.

Carmen: I hope we get to kick some Yokian butt.

Maria: Yeah.

Me: We will guys.

In front of the planet we saw a bunch of ships that look like chickens.

Me: Looks like they formed a blockade to make sure we don't get through.

Jimmy: That's what it looks like.

Me: All right then. All hands Red Alert! Man your battlestations!

The alarms went off and we manned our weapons.

Me: Fire lasers and torpedoes!

We fired ion lasers and proton torpedoes at the ships and destroyed them in fiery explosions.

Me: We breached the blockade. We'll land in the city and confront King Goobot in his castle.

Jimmy: Right.

We land inside the city and it was an amazing place. It was all an amazing city and the Yokian's were an advanced race.

Me: This is amazing. Too bad they all have to die. But I sense that there are rebels here that want to take Goobot down.

Varie: I feel it too.

Me: Okay. Varie, you lead a party to find the rebels and meet me at the castle. We'll take the fight to Goobot and end him for good.

Varie: Okay. Be careful guys.

Me: We will. Lets go!

We split up.

We went into the castle and we saw Goobot talking to his brother Ooblar.

Goobot: That meddling Jimmy Neutron and his friends are here. I feel their presence.

A purple web wrapped around Goobot and Alexis froze him in ice.

Ben (grabs Goobot's arm and uses electricity on it): Leslie, you and Alexis keep him in place.

Leslie: Right! (Webs Goobot up while Alexis freezes his other arm)

Jimmy (to Goobot): Not so tough now, are you? Where are our parents?

Goobot (chuckles): If only you knew!

Libby: Jimmy, I just found out from another Yokian about what's gonna happen to our parents.

Jimmy: What did you find out?

Libby: He said something about sacrifices to their god, Poultra.

Me: Just as we thought.

Goobot: Haven't you figured it out yet, Neutron? By the time we're done, there won't be any parents for you to take back to Earth.

Me: When we rescue the parents of Retroville we're gonna blow this entire planet into Oblivion and kill you all!

Jimmy (gets angry): You monster! Tell me she's lying!

Ben: Jimmy, you need to cool it, ok? Don't engage him now! We've almost got this jerk killed!

Jimmy (loses it): YOU MONSTER! YOU'LL PAY FOR THIS! (constantly hits Goobot and unintentionally frees him from the webbing and ice)

May fired a blast of ice and Leslie retangled him in web. Chione restrains Jimmy.

Chione: Jimmy you have to calm down. Getting worked up about it won't work.

Jimmy: You're right Chione. Thank you.

Me: Ed, unleash your secret weapon.

Ed: Okay.

Ed pushed the button on his watch and he became Ed-Zilla.

Me: Sic him boy!

Ed-Zilla lunged at Goobot.

King Goobot V: ENOUGH! All of you are beneath me! I am a king, you fools. And I will not be thwarted by-

Edzilla grabs Goobot and slams him into the floor five times like a rag doll, then leaves him lying face-up in the resulting crater.

Edzilla: Puny king.

Me: Good boy Ed.

Ed reverts back.

Me: It's over Goobot. Your days of terrorizing the Universe are finished forever.

Varie came in and with her were a bunch of chicken humanoid rebels. They were the original rulers of Yokus before the Yokian's took over.

Varie: We got here and killed all the guards and stormed the castle.

Ooblar: The Rebels have won!

Jimmy: That's right. Now give us back our parents!

King Goobot V: Never! They will be sacrificed to our god Poultra!

Varie: You're too late for that you rotten egg! They're on our ship and we're out of here!

Me: That's right Goobot. The days of the Yokians are finished forever.

We beam back to the ship.

King Goobot V: To the ships!

---

Back on the ship we went above the planet.

Me: Activate the secret weapon.

The ship opened up it's underside and revealed it's ultimate weapon: a planet destroying super ion laser.

Lisa: Target locked on and ready to fire.

A red button opened on my console.

Me: Burn in Hell you Scrambled Egg Freaks!

I pressed the button and the laser fired and it hit the planet and completely obliterated it in a tremendous explosion.

KRAAAABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Laney: Bingo!

Carmen: Bullseye!

Lincoln: Good shot J.D.!

Me: And Good Riddence to bad rubbish!

Starfire: Yes. The Yokians will never terrorize the Universe again.

Ben: No they won't.

Alexis: Sensors are picking up something in the debris.

Me: On screen and Magnify.

It zoomed in and found King Goobot still alive and floating among the debris.

Lincoln: It's Goobot. He's the only one that survived the explosion.

Me: Beam him aboard and throw him in the brig.

Gwen: Right.

We beam him aboard and throw him into a cell in the brig.

Me: Lets go home.

Ben: This adventure did do one good thing for us J.D.

Me: And what's that Ben?

Ben: Me and Leslie became very closer and became brother & sister.

Gwen: That's awesome Ben.

Chione: It sure is.

We then went back home to Earth.

Because of us, not only was The Yokian Race was completely destroyed but Goobot was now forever cursed to wander the entire Universe alone; the last of his kind.

He was thrown into the Moon Prison forever and placed in a special chamber that left him in his scrambled form.

The parents of Retroville were brought back safe and families that were torn apart by the Yokian's were reunited once again.

Judy: Thank you for saving us all from the Yokian's J.D.

Me: You're welcome Mrs. Neutron. When we heard all about your abduction by the Yokian's we set out to save you.

Hugh: This was one of the most amazing adventures we've seen from you J.D.

Me: I know Mr. Neutron. Now that we destroyed the Yokian's and captured Goobot we'll never see them ever again. The rebels are now gonna live on Earth from now on.

Judy: That's amazing.

The rebels of Yokus are called the Akatorus. They are benevolent race of humanoid chickens that were formerly the dominent species of Yokus before the Yokian's rose up and ruined their home. They swore to take it back when the time came. We were the catalyst that lead them to take back their world. But because Yokus was ruined beyond repair they had no choice but to abandon their home and set up a new home. We destroyed Yokus and eradicated the Yokian's forever. Goobot is now our prisoner in the Moon Supermax Prison. The Akatorus were made official citizens of Earth after I explained everything at the United Nations.

FLASHBACK ENDS

Nico: WHOA! That is amazing!

Eli: Wow! Boy you destroyed their entire planet!? I say good riddance. But that is gross that they would sacrifice people like that.

Laney: No kidding there.

Lana: Yeah.

Maria: What are we looking for this time?

Nicole: You'll like this one. It's called the Sword of Nar Ice. It's got the powers of ice and the Nar Magi in it.

Qin: Wow! Cold!

Me: Yep.

Nico: Who should get that one?

Kaoruku: I will. I think it's fitting for me.

Qin: Go for it Kaoruku.

Nicole: It's up ahead.

We went into an ice cave and in a big room in an altar was THE SWORD OF ICE NAR!

Me Whoa!

Qin: There it is!

May: You know what to do.

Kaoruku: Here we go.

She went over and then grabbed the sword and pulled it out and it glowed!

(ESCAFLOWNE (FOX KIDS VERSION) INTRO EXTENDED PLAYS)

She glowed in a powerful ice and water aura and she grew wings of water and ice and she had all the powers of ice and water at her command. She also had longer teal blue hair and she was amazingly beautiful too.

Nico: WHOA!

Me: Wow! Kaoruku how do you feel?

Kaoruku: Amazing J.D.!

Qin: So awesome.

Nico: Yep.

Eli: Wait I sense something.

Me: Uh oh.

Eli: Scratch that. I sense MANY somethings.

Me: Many? Uh oh.

Then out came 20 black versions of Evolved Splixssons! They were all ANOTHER ULTIMATE DITTO!

Me: WHOA! Another Ultimate Ditto!

Qin: Whoa! Talk about being in many places all at once!

Me: At least this one won't give me a splitting headache.

Another Ultimate Ditto: (In a girls voice) And it'll be awesome to face you J.D.

Me: (GASP) Nakami Fushi!? Whoa!

Fu: That ninja girl that disappeared from the Leaf a while back?

Me: Yep that's her and she has the powers of magic and all the Chakra Natures including the Kekkei Genkai and Kekkei Tota. Her power is immensely strong and has the strength and power of 50 S-Rank Ninjas.

Qin: WHOA! That is powerful!

Me: Yeah. I did a scan on her power level and it's equal to that of Nuova Shenron at his maximum at 3.6 billion.

Laney: WHOA!

Nico: 3.6 Billion!? That's inconceivable!

Another Ultimate Ditto: I know. I was born with incredibly powerful strength and power.

Me: You sure were.

Albedo turned into Negative Ultimate Ditto.

Negative Ultimate Ditto: Did Swartz promise you anything?

Another Ultimate Ditto: Just to be a great ninja. But I knew he was lying to me. So I just rejected his offer and walked out the door. But I turned into this.

Me: Smart thinking you turned it down. Shame we have to fight like this. This is gonna be brutal. Watch this one.

I then flared up my power and went SUPER ANGEL WOLF MOON XELNAGA!

I had a glowing neon blue Super Saiyan Aura made of pure fire and it melted the entire ice cave in an instant!

Me: (Divine Wolf Moon Voice) **This is gonna be so awesome. Nakami if Master Goku and the Z-Fighters all faced you, you**

**would easy be considered the most powerful adversary they ever encountered next to Omega Shenron.**

Another Ultimate Ditto: I'm sure I would.

Me: **Yeah. Might as well started it big.** (Cups hands) **KAAA MEEE HAAA MEEE HAAAAAAA!**

I fired a Kamehameha Wave and it hit her and smashed down 3 of her clones in a powerful explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Me: Time for some action! (ACTIVATES STAR CREATURE'S RIDEWATCH) STAR STYLE NINJA ART: THE LAST DANCE!

(THE LAST DANCE BY WITHIN TEMPTATION PLAYS)

I floated into the air as stars swirled around me as The Last Temptation plays.

Me: (SINGING DIVINELY)

**She sang for you last night, she heard you were calling**

**Yearning in tears a thousand times**

**Your spirit was floating, your spirit was searching**

**On a cloud of dreams**

**A moonbeam shines bright in the city of angels**

**Guiding the dreamers back to life**

**And they'll do the same every tomorrow**

**Till the pain subsides**

**Don't be scared now, close your eyes**

**She holds guard tonight**

**Go on forward, no remorse**

**Life will take its course**

**She danced with you last night so you will remember**

**All you have shared, the lifetime**

**The angels were watching and death will be waiting**

**Until the time is right**

**Don't be scared now, close your eyes**

**She holds guard tonight**

**Go on forward, no remorse**

**Life will take its course**

**Hold on to memories**

**See what lies ahead**

**Life will go on and we are one**

**With every step you take**

I fired waves of stars and smashed Another Ultimate Ditto all over the place.

Nico: Nice one! My turn. (ACTIVATES ROQUEFORT'S RIDEWATCH) CHEESE STYLE NINJA ART: TOMORROW IS ANOTHER DAY!

Nico floated into the air and cheese swirled around him as Tomorrow is Another Day from The Rescuers played.

Nico: (SINGING DIVINELY)

Come along

Will there be sunshine shinin'?

Will we find a silver linin'?

Come along

Sing a song

When today becomes tomorrow

Will we find joy or sorrow?

Sing a song

Is it wrong

To put all our hopes together

And wish for somethin' better?

Is it wrong?

To be loved

To face the future with another

Who means more than any other

Is to be loved

We'll paint the grey clouds

With pretty rainbow hues

And we'll brush the gloom away

And save it for a rainy day

Rainy day

Oh, today

If troubles cast a shadow

And shadows make the sun afraid to stay

But it's okay

'Cause there'll be sunshine shinin'

And we'll find a silver linin'

Another day

Tomorrow is another day

How I hope you'll always stay

Nico fired waves of cheese and smashed Another Ultimate Ditto all over.

Eli: Love that song!

Lana: Me too. Now for me. (ACTIVATES PIMON AND TUMBAA'S RIDEWATCH) BUG MEAL STYLE NINJA ART: YUMMY YUMMY YUMMY I GOT BUGS IN MY TUMMY!

She fired waves of bug dishes and smashed Another Ultimate Ditto down.

Sougo: (gets out Zi O II Ridewatch) You May have us outnumbered!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) But you're outmatched!

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Nico: YEAH!

Me: **Watch this one. I learned this one from Marsupilami. MARSUPILAMI STYLE NINJA ART: COFFEE OF INFERNAL FIRE!**

I made coffee that Marsupilami made and drank it and then fired a massive blast of fire from my mouth and burned Another Ultimate Ditto all over!

Me: (BURPS) (Italian Accent) **THAT'S A SPICY MEAT-A-BALL!**

Nico: (takes out Yost Multiple Man's Ridewatch) Let's fight clones with clones!

Me: **And me too.** (Takes out Multiple Man, Billy Numerous and Multiplex's Ridewatches)

We activated them.

Me and Nico made 3,000 clones!

Qin: WHOA! 3,000 Clones!

Laney: Lots of them.

Me: **Now YOU are outnumbered.**

Another Ultimate Ditto: Oh boy.

Then the Another Ultimate Ditto's formed a chain and then they grabbed me and then threw me into Nico and my butt was in his face!.

Me: Uh oh.

I then farted in Nico's face!

LOUD FART!

Nico got me off him and coughed and gagged!

Me: Now don't kill me Nico. It was an accident!

Nico: I know.

Bloom: My turn!

Bloom activated Brain Freezer's Ridewatch and fired waves of ice and smashed the clones down.

Qin: YEAH!

Maria: Let's keep going!

Then Misty's mark glowed.

Me: The Next gene-slammer is close.

Then out came Earthbound Immortal Ccarayhua along with Kairyu-Shin, Ocean Dragon Lord - Kairyu-Shin, Yormungarde, Jormungandr, Generaider Boss of Eternity, Levia-Dragon Daedalus and Ocean Dragon Lord - Neo Daedalus!

Nico: WHOA! Earthbound Immortal Ccarayhua, Kairyu-Shin, Ocean Dragon Lord - Kairyu-Shin, Yormungarde, Jormungandr, Generaider Boss of Eternity, Levia-Dragon Daedalus and Ocean Dragon Lord - Neo Daedalus!

Ccarayhua: (In a girls voice) Looks like the fun is starting.

Kairyu-Shin: (In a girls voice) (Japanese Accent) It sure is.

Nico: May Lorika and the Mizugami Sisters!

They reverted back and May was a girl with green hair and green eyes and had green and black clothes and the Nazca Line for the Lizard on her right arm and had the lizard on her skirt. The Mizugami sisters were 6 girls with blue hair and had Japanese School uniforms and had kanji's for numbers 1 thru 6 on each of them.

Meilin Mizugami: We got this guys.

Mera Mizugami: But it's awesome to see you again Nico.

May Lorika: Same here.

Nico: You too girls.

The girls fired waves of energy and blasted down Another Ultimate Ditto and I caught the ridewatch and purified it and Nakami was back to normal. She was a girl with red hair and had purple ninja clothes and I went over and I put a coat on her and picked her up.

Nakami Fushi: (Groans) What a headache.

Me: But you're back to normal.

Nico: Maybe in the future, we'll meet several Another MOE Villains.

Me: Oh boy.

Lola: Yeah.

Bloom: What's your favorite memory of Nico?

May Lorika: I have a lot of them. But my favorite is when me and Nico found the Scythe of the Lizards of Lacerta.

Nicole: That is a powerful staff there.

Nico: It sure is.

Meilin Mizugami: And our favorite is when we went with Nico underwater and we found all sorts of treasures in sunken ships.

Mira Mizugami: Those were always so fun.

Laney: Cool!

Nico hugged them.

Nico: I missed you girls.

May Lorika: We missed you too Nico.

Qin: But it's awesome having you guys with us.

Me: We better get to the estate and warm up.

Nico: Good idea.

We teleported back home.

We warmed up with some hot cocoa/

Nico: After all of the Core 310 have gotten a chance to go on a rescue with me, then teams get involved in my rescues.

Me: Wow! Looking forward to that.

Laney: Same here.

Qin: Yeah.

Xenia: Interesting.

---

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, and Will Vandom are heading to Lafayette, Colorado, and not only is Lincoln going to rescue the two girls here, but we got word that our old enemy, Count Dracula, the King of The Vampires, has returned from the dead and he still wants revenge on us for destroying him.

Lincoln: Wow, we're here in Lafayette, Colorado, and I know what we're going to do here, not only am I going to rescue the two girls here, but we got word that our old enemy, Count Dracula, the King of The Vampires, has returned from the dead and he still wants revenge on us for destroying him.

Me: And I think I know why he would be right here in Lafayette, Colorado: this place is home to the grave of Theodore "Fodor" Glava, a Transylvanian immigrant came to America as many others did, seeking a better life. But all indications are that he led a modest, if not impoverished life as a coal miner, before dying in the midst of the 1918 flu epidemic. He, possibly along with another person, was buried in the municipal cemetery in Lafayette, Colorado, north of the edge of town. It wasn't until after his death that Glava gained notoriety.

Rudina Adalwulf: Though not much is known about Glava's life, the mention of Transylvania on his gravestone spurred rumors that he was a vampire. It is thought that a tall, pale, lanky man from that region would be an easy target for untrusting settlers, stoking rumors, or attempting to explain away natural happenings with superstition, and local lore says that some townspeople dug up the grave and found blood by Glava's mouth, his teeth seeming larger than normal, and his nails still growing, but these were all natural parts of the decay that sets in after death. But, it didn't matter, the settlers drove a stake through his heart and reburied him, and it's said a tree unlike any other, grew from the wooden stake, and the red rose bushes nearby grew from his fingernails.

Roxanna Brenton: And rumors even persist to this day that the residents from the local area see a mysterious figure walking around late at night. So who is to say if he was a vampire or nothing more than an innocent man caught up in wild superstition. If you do go looking for yourself, bring Fodor a small gift, a coin, a trinket, or maybe even a bouquet of dead roses.

Adriana Ardelean Dracula: (Romanian Accent) I remembered this story from long ago, and Lincoln did tell me of what you all did in destroying Count Dracula, that was amazing, and I'm not upset, Dracula may have the same name as my ancestor, but what he's done in the past can't be forgiven, he must be destroyed for good, and when I find Mastema Chernabog, she will suffer!

Lincoln: She will, Adriana, and I want to thank you, Clyde, and his harem for joining us, Will.

Will Vandom: You're welcome, Lincoln, and I'm so excited for tomorrow.

Me: Yeah, we're going to destroy Void Queen for good.

Nico: She's going to pay, and you did say that you, Selene Emperyous, and her sisters have a plan to keep The Chernabog Sisters contained at the ruins of Ördögház for tomorrow, Lincoln.

Lincoln: Yep, and that'll be after we get rid of Mastema Chernabog, Nico.

Clyde: Yeah, right now, let's get after Dracula.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of two girls screaming for help, along with the sound of malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Count Dracula and he's going to kill them and turn them into vampires, and Lincoln saw he had the Qliphoth Tree of Death on his forehead.

Lincoln: (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by Count Dracula and he's going to kill them and turn them into vampires, and I saw that he had the Qliphoth Tree of Death on his forehead.

Laney Emperyous: And there's only one person who could've brought Count Dracula back from the dead once again: Mastema Chernabog.

?: (Spanish Accent) That ruthless king of the undead, let's get him and that insane and chaotic demon will get hers later on today.

Suddenly, we saw the My Singing Monster, Peckidna, appear before us.

Lori: No way, that's Peckidna.

Lynn: And that Spanish accent, it's Ronalda Vocesdebelleza.

Lincoln: As we expected, Ronalda Vocesdebelleza's here, that's so awesome, but we'll have to talk later, let's take down Count Dracula once and for all.

We rushed over, and before Count Dracula could kill the two girls and then turn them into vampires, Lincoln fired powerful rainbow energy balls and elemental forces at the ruthless King of The Vampires, and that allowed the two girls to get to safety in a rainbow energy field created by Lincoln to protect them from Count Dracula, and when he saw us again, he was really enraged and pissed off at us.

Count Dracula: (Transylvanian Accent) So, we meet again, Team Loud Phoenix Storm, and don't think I've forgotten what all of you have done in derailing my plans to take over the world.

Adriana Ardelean Dracula: (Romanian Accent) You deserved your fate long ago, Count Dracula, and although we may be family, I will never forgive you for what you've done in taking so many innocent lives to slake your thirst for blood.

Count Dracula: You will PAY!

Count Dracula rushed at Adriana Ardelean Dracula to kill her, and before he could attack her, Lincoln appeared in between Adriana and Dracula, and when Dracula saw Lincoln's eyes turned from deep sapphire blue to blood red and his fangs grow longer, he would be too late to find out that Lincoln's a vampire as Lincoln slashed at his chest with his nails that grew into claws.

Lincoln: Yeah, the secret's out: I was turned into a vampire long ago by Adriana who gave me her vampire blood and then I was turned into a werewolf by Rudina, and in the process, I became a powerful vampire-werewolf hybrid with all the strengths of the vampires and werewolves, but none of their weaknesses, and one who's leagues stronger than the oldest vampires and werewolves, and to me, you're nothing but my next victim.

Nico: And he's fed on a lot of evil vampires and evil werewolves, along with powerful villains. Now, it's time for you to die once and for all, Count Dracula.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Will Vandom, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Count Dracula and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln slashed Count Dracula on the chest with his claws and massive greatsword, and he put the vampire king into a brutal bear hug, so that he couldn't escape and as he sank his fangs into the vampire king's neck, he began sucking out all of his blood, along with absorbing the vampire king into his body and assimilating his powers and abilities. Then, when Lincoln was done drinking Count Dracula's blood and absorbing the werewolf into his body and assimilating his powers and abilities, an energy card with Count Dracula's evil soul inside appeared in Lincoln's large left hand, and when the Judgement Kanji had appeared on Count Dracula's forehead, he was sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down.

Lincoln: Your days of feeding on innocent victims every night are finally over, Count Dracula. (To Ronalda Vocesdebelleza) And it's so good to see you again, Ronalda Vocesdebelleza.

Ronalda Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing sea foam green hair, sea foam green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful sea foam green angel wings and she reigned in the power of Peckidna, and she's dressed in a sleeveless pink jersey top, purple gym shorts, sea foam green sneakers, and long white sleeveless trenchcoat with birds and turtles on the coattails and Peckidna on the back and holstered on her back is a Peckidna-themed large greatsword with Clackula etched on the 7'0" massive, wide, double-edged sea foam green blade, large turtle heads for the crossguard, large sea foam green gem embedded in the rainguard, longer midnight black handle, four large bird heads and a large red gem on the bottom of the large bird heads for the pommel.

Ronalda Vocesdebelleza: (Spanish Accent) (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily again, Lynn, and you all look so amazing.

Lynn: Thanks, and you also look amazing, Ronalda. Plus, you're going to be quite surprised to see how much Lincoln's grown and changed.

Lincoln went up to Ronalda Vocesdebelleza and he hugged her, and Ronalda Vocesdebelleza is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ronalda Vocesdebelleza: (Spanish Accent) Whoa, and Lynn's right, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, so this is…?

Lincoln: Yep, that's Nico, this is Ronalda Vocesdebelleza, she's the third eldest sibling of the ten Vocesdebelleza Sisters who are my

Guardian Angels from Brazil, and Ronalda and her sister, Sally, are Lynn's classmates in Gym, and they would often help Lynn with training for sports.

Lynn: You got that right, they've really helped out with my training for any games our teams have.

Lincoln: That's right, and they have the same story.

Nico: Hey yeah, that's right, and we got an idea of what they're like.

Johanna Vocesdebelleza: (Spanish Accent) You said it, and it's so good to see you, Ronalda.

Ronalda Vocesdebelleza: (Spanish Accent) It's good to see you and Corona again, Johanna, and it's also good to see you again, Hilda.

Hilda: (Spanish Accent) You too, Ronalda.

Ronalda Vocesdebelleza: (Spanish Accent) And I've got a story to share on how Lincoln mongrelized Scoots when she tried to kill me and my sisters.

Nico: Oh, this we're really going to enjoy hearing.

Ronalda Vocesdebelleza: (Spanish Accent) You're going to love hearing it. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Ronalda, are you absolutely sure?

Ronalda Vocesdebelleza: (Spanish Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Ronalda Vocesdebelleza, and like her sisters, he saw she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Ronalda Vocesdebelleza's neck with sea foam green gems on the gold lightning bolts and sea foam green crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Ronalda Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin and your sisters, you're now part of my harem and my many future wives, Ronalda.

Ronalda Vocesdebelleza had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Ronalda Vocesdebelleza's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Eleanor Evans and Lisa Livingston from the anime, Refection.

---

Lincoln: Oh wow, it's Eleanor Evans and Lisa Livingston from the anime, Refection.

Nicole: Awesome.

Lincoln: Are you girls okay?

Eleanor Evans: Yes, we're okay, thanks to you for saving us from that vampire, Count Dracula.

Then, when Eleanor Evans and Lisa Livingston saw who it was that saved them from Count Dracula, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The

Eleanor Evans: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Eleanor Evans: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eleanor Evans and Lisa Livingston with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Count Dracula, our old enemy and King of The Vampires, who returned from the dead, because of

Mastema Chernabog.

But, when Lincoln showed what we did in roughing him up and then Lincoln putting him into a bear hug and biting him on the neck and feeding on his blood and absorbing him into his body and assimilating his powers and abilities and sending his soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Ronalda Vocesdebelleza have a lot of catching up to do now that she's back in town.

Maria: I can't believe that because of Mastema Chernabog, she brought back Count Dracula, the King of The Vampires who we defeated years ago, oh, she is so dead!

Lincoln: Yep, but Laney and I will be ready for her later on today.

May: And we're really pissing off the Chernabog Sisters big time.

Laney Emperyous: Let them get that pissed off at us, they deserve it for the chaos and havoc they've instigated and caused in Royal Woods for years, besides, Judgement Day is coming for them, and their days of causing havoc are ending here and now.

Lincoln: Yeah.

Dracula (Hotel Transylvania): (Romanian Accent) And I can guess he got scared when you showed him your fangs and eyes turning blood red.

Lincoln: You guessed it, and he was scared out of his cape when I told him of the fact that I'm a vampire-werewolf hybrid.

Me: And Adriana really took a stand against Count Dracula.

Adriana Ardelean Dracula: (Romanian Accent) You bet I did, and he was no match for any of us.

Lincoln: And he was indeed furious at how much we changed the last time we dealt with him.

After finally destroying Count Dracula forever and really pissing off Mastema Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Ronalda Vocesdebelleza saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ronalda Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ronalda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ronalda Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Ronalda, what's the story on how Lincoln took down and beat Scoots up into a pulp when she tried to kill you and your sisters?

Ronalda Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the sound of an electric scooter, and someone came rushing right at us: it was Scoots and she was going to kill me and my sisters in a fit of rage and she was also going to kill Lincoln again by running us over, but Lincoln fired a blast of red energy and he destroyed Scoots' scooter and then, he grabbed Scoots by her shirt, and then, Lincoln proceeded to mongrelize her and when he was done, Lincoln knocked out Scoots' dentures and hit her hard in the head with a mallet he got out.

Nico: Hey, I remember that day all too well, when we got the word that Scoots broke out again, J.D. and I went to the cops and we were also going to tear her to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Scoots had it coming, and that bitter old goat had no chance against Lincoln, and I got the picture.

I pull out the picture of Scoots after she was mongrelized by Lincoln and it matched what Ronalda told us of what Lincoln did to that bitter old goat, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I've given her, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let Scoots get away with that, so I had to defend the Vocesdebelleza Sisters from her.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you were one tough guy, Lincoln, and you kicked Scoots' butt hard and she fell down to the concrete like a bag of bricks.

Lincoln: She made a big mistake going after ten of my many Guardian Angels, just because she still wants to kill me and all of us, but she's never going to learn her lesson. Besides, I've had more than once had to pulverize her when she's tried to kill me and all of us.

Nico: (Snickers) Ooh, I can guess she didn't like that!

Me: (Laughs) She sure didn't, Nico.

We got a shower afterwards, and Lincoln, Roxanne (Pokemon), Roxie (Pokemon), Shauntal, Kidd Summers, Phoebe (Pokemon) and Potion Nova are heading to Dry Lagoon.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Roxanne (Pokemon), Roxie (Pokemon), Shauntal, Kidd Summers, Phoebe (Pokemon) and Potion Nova were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Roxanne (Pokemon), Roxie (Pokemon), Shauntal, Kidd Summers, Phoebe (Pokemon) and Potion Nova each had feelings for Lincoln, and Lincoln also saved Roxanne (Pokemon), Roxie (Pokemon), Shauntal, Kidd Summers, Phoebe (Pokemon) and Potion Nova from a group of bounty hunters Trina Riffins hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she also still wanted blood. After Lincoln rescued them and the girls told us Trina Riffins hired the thugs to kidnap and kill them to get revenge on us, Lincoln drops another piano on that pink-haired rageaholic temper-tantrum bitch.

Potion Nova: Wow, so this is Dry Lagoon.

Lincoln: Yep, and it's also perfect for our first date, girls. Shall we?

Lincoln, Roxanne (Pokemon), Roxie (Pokemon), Shauntal, Kidd Summers, Phoebe (Pokemon) and Potion Nova dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the animals that live there, and they went back to the beach and they had a game of volleyball and Roxanne (Pokemon), Roxie (Pokemon), Shauntal, Kidd Summers, Phoebe (Pokemon) and Potion Nova got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Roxanne (Pokemon), Roxie (Pokemon), Shauntal, Kidd Summers, Phoebe (Pokemon) and Potion Nova and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Dry Lagoon.

Potion Nova: (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew the girls also allowed Lincoln to bite them and feed on their blood, like with the other girls in his harem.

Potion Nova: And this was due to all of us harboring feelings for Lincoln, and they all came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Twilight Sparkle: And I still remembered that our man dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You got that right, Twilight. Say, has there been any trouble from Mastema Chernabog?

Me: Actually, you can thank Selene Emperyous and her sisters for this one, Lincoln: they used their powers to prevent The Chernabog Sisters from sending their armies of demons after us to kill us.

Lincoln: Serves Adrastea and the rest of her sisters right, and later on, Laney and I are going to destroy Mastema Chernabog later on today.

Nico: Yeah, and I know she's planning on bringing the rest of her sisters again.

Laney Emperyous: After what happened yesterday, we'll keep our eyes open for them, and we'll have our trap set for them after we send them running back to Ördögház.

---

Later it was time for Halinor's first Ambassador Mission.

Me: This is gonna be an awesome adrenaline rush.

Lola: Yep.

William: Anyone else want to go with Halinor? Besides Shinnosuke, Eddy, and 2 Rabbids?

Me: Well the Cul De Sac kids want to go with and so does Luan.

Nico: Cool cool.

Halinor: So what is this planet we're going to?

Me: It's called Xenoc and it's a world located in the Cigar Galaxy and it is home to the most powerful energy ever: Xeno-Energy.

Qin: Wow!

Nico: Yep.

We went to the ship and we were off to Xenoc and we arrived there and it was a really scary world. It looked like a planet with green aura.

Me: Whoa!

Nico: So that's Xenoc. Amazing plaee.

Eli: Yep.

We landed and got our cars out and we drove onto the planet. It looked like a scary mountainous world overflowing with incredible energy.

Me: Wow! So this is Xenoc.

Halinor: Scary place.

We drove around and then we saw Ultrox.

Ultrox: (to Shinnosuke) I recognize you. Kamen Rider Drive, right?

Shinnosuke: That's right. Shinnosuke Tomari.

Me: And he is also with us.

Ultrox: Wow! Team Loud Phoenix Storm. It's truly an honor to meet you. Sorry I'm Ultrox and welcome to Xenoc.

Me: Pleasure to meet you Ultrox. We came from the planet Earth. Halinor here is on her first ever mission as Ambassador of this world.

Halinor: It's true.

Me: As you can see we have our ship with us because we have our racers in it as well.

Ultrox: Yes I can see that.

Halinor: But it's an honor to be here.

Ultrox: We're glad you can join us. It's actually not often we see humans around here.

Me: Yeah it's our first time ever being here.

Nico: It sure is.

Ultrox: I see. I also sense something dark inside your friend here.

Me: Oh yeah. Eddy is having problems with a dark side of his.

Luan: You'll see it soon when it comes out.

Nico: Yeah. And Luan and Eddy's friends are here with us to keep him in check.

Eli: Yeah.

Ultrox: We heard you're some of the greatest racers all over your galaxy.

Me: Well we have raced on numerous planets. But yeah we get that a lot.

We then met G'rok and Jek.

Ultrox: These are G'rog and Jek.

G'rog: Awesome to meet you all.

Jek: It's an honor to meet the famous Team Loud Phoenix Storm.

G'rog: It's sour first time meeting humans.

Me: Pleasure to meet you guys too.

Jek: We heard so much about your famous adventures and how you destroyed many dangerous enemies.

Nico: Yeah we get that all the time.

Ultrox: We should explain what goes on here and went on here.

He did so.

Xenoc, the heart of the universe, holds the valuable energy source known as Xeno-energy. It has the power to create or destroy. For eons, this cosmic energy gathered and destroyed civilizations until the wisest and oldest species, Zenterrans, managed to land containment chambers on the planet surface, which they built with the help of Fyran mechanics. Fearing that every race would be warring over the contained energy, the Zenterran Master Khadan issued a contest. Each alien civilization would choose a champion to race for this great power, and whoever controls the most Xeno-energy will decide the fate of the universe. Since the Zenterrans maintain their neutrality, even the Kragnans were welcome to compete. The Kragnan Empire, a race of fierce crablike creatures who travel in spaceships made of lava and land vehicles made of bones (which they built using knowledge they obtained from the Fyran brains they consumed), have enslaved or eaten half of the universe. They seek more energy for their new generation of eggs. The protagonist, Ultrox, knows there is more to Xeno-energy than even the Zenterrans know. While studying a planet damaged by Xeno-energy, he notices a Kragnan ship crash-land nearby. He saves its imprisoned occupant, a Fyran boy named Jek, from a squad of Klaw Troopers. Just before he was vaporized by another Kragnan ship, the gangster named Seadrok dropped his space anchor on the ship, thus saving his life. After persuading him by also dropping the N'tal champion G'rog, Ultrox joins the races as Alpheron's champion.

On the planet Krag, the Kragnans, knowing that they can't steal the Xeno-energy or eat the Zenterran brains (when the Kragnan Warlord Zanth ate Undermaster Akhil's father's brain, the power proved so overwhelming that his body exploded), entered one of their warlords, Gnarl, into the races. The Zenterrans created an enforcer from

Xeno-energy named Gamekeeper Kytani to enforce the strict set of rules they imposed on the races. During the first race, Jek followed Kommander Necraal, the Kragnan Klaw Trooper who had kidnapped his uncle, until he kidnaps the young Fyran and tells him they ate his uncle's brain. In an attempt to fix the race, Skrash, the lone zombie native to Xenoc, detonated a mountain in the hopes of taking the other racers with it.

After the first race, the Kragnan commander attempts to steal the Command Matrix. But when Ultrox and Khadan warned Necraal of the trap Undermaster Akhil set that would unleash Xeno-energy on the entire Kragan Empire, Undermaster Akhil mind-controlled the Kragnan into springing it. The resulting trap sent destructive streams of Xeno-energy to every Kragnan like Necraal, except Gnarl, who was shielded at the time. Master Khadan explained that the Xeno-energy only wiped out the Kragnans identical to the commander, so because they did not match Necraal's pattern, the Empress and her new breed of eggs were spared. Even though he saved the universe from the threat of the Kragnan Empire, Akhil was executed for his illegal use of mind-control, but promised to return. The Zenterrans continued to hold the races, while Gnarl continued to compete in them in the hopes of winning enough Xenocells to restore his empire's former glory. Meanwhile, Ultrox has to keep winning Xeno-cells for Alpheron as much as possible so he can continue to study Xeno-energy. But because he often neglects the rules and the races to save people, he is often disqualified from races he would otherwise win, and Alpheron's Minister Prime Apex often comes close to replacing him.

As the races progressed, Ultrox discovered that the Xeno-energy was becoming more violent because of the races, and a new more violent and unpredictable form of it called rogue Xeno-energy was steadily growing throughout Xenoc.

---

When he was done we were shocked!

Me: Whoa man! So Xeno-Energy has the power to destroy and create anything.

Ultrox: That's right and it was because of Xeno-Energy that most of my body was destroyed and I got these limbs.

Nico: Ouch.

Eli: That must've hurt.

Ultrox: It did.

Shinnosuke: (sighs) And these are Rabbids.

Me: They may be cute but they are brainless idiots. But they are funny.

Nico: Yeah Rabbids are not the brightest of creatures but they are funny.

Me: Yep.

Eli: Yeah they are silly.

Ultrox: Yeah I see they are not the brightest of how you said Lightbulbs in The Closet.

Me: That's right. They know how to give a really good laugh.

One of the Rabbids licked Ultrox's car.

Jek: Hey! Ultrox's car isn't for licking! (the Rabbid blows a raspberry at him): Did you just raspberry me?!

Me: See? Told you they aren't very bright.

I picked him up.

Rabbid: DDDDAAAAAAAAAAAAAAAAHHHHH!

Me: See what I mean? But they do give us a great laugh.

Nico: Yeah. It's funny.

Ultrox: I do see what you mean.

Jek: Yeah.

Halinor: It's funny though.

?: HEY!

We saw a crazy zombie skeleton alien.

Ultrox: Uch! What do you want now Skrash?

Skrash: To get you freeloaders off my planet!

Me: This is not your planet you rotten pile of bones and don't you know any dogs that would like to eat you?

Shinnosuke: So, you must be one of the other racers after Xeno Energy.

Skrash: Yes and you freeloaders are not welcome here!

Me: Bite me bonehead.

Nico: Man this guy is a dirt clod.

Skrash: HMPH!

He left.

Me: Who was that freak?

Ultrox: That's Skrash. He hates us having races here.

He told us all about him.

---

Skrash is the crazed lone skeletal zombie of Xenoc and pilot of the Flameskull. He is the last member of a long-extinct species that crashed on Xenoc so long ago, even he doesn't remember the details. His body is a natural conduit for Xeno-energy, which keeps him alive. He possesses immortality, invulnerability, cellular regeneration, and tremendous physical strength. He also suffers from insanity. Skrash loves all sorts of destruction, mayhem and foul play. He is very territorial about Xenoc, believing that the whole planet belongs to him and that the Zenterrans and all other species that have come to compete are deliberately trespassing on his home. His goal in entering the races is to win enough xenocells to get all those uninvited freeloaders "off his planet". He hates everybody equally, and everybody hates him equally back. However, in one episode, when Skrash is banned from a particularly violent race, he shows a more sensitive side when he claims that he enjoys the races and got upset about missing out: "I hate the other racers! That's the point, buggy! The races give me a chance to beat up on 'em!". Skrash is often used for comic relief - much of the show's humor revolves around Skrash, bones, and his afterlife "living".

---

When he was done we were smirking.

Me: Hmm.

Eli: A comic relief villain.

Halinor: Also, I wasn't always this young.

Ultrox: What do you mean, Halinor?

Halinor: It is a really strange story.

Me: We've had many incredible battles on Earth and one of our most devastating was the battle with Nerissa.

I told them all about it and how Halinor was made young again and more and it was amazing.

Jek: Whoa! That's intense!

Nico: Yeah it sure was.

Eli: Yeah and we have had many battles worse than that one too.

Me: Yeah.

Ultrox: Wow. Shall we go mine some Xeno Energy?

Halinor: Lets shall.

Me: (In my head) And I sense that Nega-Eddy is about to come out in 5… 4… 3… 2… 1…

Shinnosuke: Good thing I brought Tridoron with me. All we have to do is participate in the race for some Xeno Cells and-

Eddy's eye began twitching. And then, Nega-Eddy smirked as he came out and pointed his blaster at us.

Nega-Eddy: I'll be pretty much limited during the race. So, now's a good time as any to take you all out and became the only hero!

Ed Edd N Eddy Kevin: Okay, dude. Let's just calm down and take a deep breath. (takes Eddy's blaster) Ultrox, catch! (Tosses him the blaster)

I then punched Eddy in the face!

POW! DING DONG!

Ed Edd N Eddy Kevin: GET HIM!

TRAIN HORN!

The kids gave Eddy a merciless thrashing and beat him up really badly in a brutal fight cloud!

Eli: OOH! OUCH!

Nega-Eddy was REALLY FEELING THE PAIN!

Nega-Eddy (To Ultrox): Give that back! It belongs to me!

Ultrox: No. It belongs to the real Eddy. I'll give it back to HIM after you're dealt with for today. (punches Nega-Eddy in the face)

It sent him flying and then he crashed into a rock.

KRASMASSSSSH!

Me: OOH! OUCH!

Nico: Yikes.

Eddy was back to normal.

Eddy: (Stupid Talk) Granddad you ran another stop sign.

Ultrox: (gives blaster back to Eddy) Here, you can have your blaster back. I honestly have my own weapons.

Eddy: Thanks. OWWW! That hurt guys!

Me: Sorry.

Nico: Yeah.

I looked at the timer for the curse and it showed 22 times left.

Me: 22 times left.

Nico: Nice to know that my curse is working.

Me: And that Audrey Sauron's ring is working.

Shinnosuke: Better get my game face on. Henshin!

He turned into DRIVE!

Me: Yeah! Time to burn rubber!

I got into my roadster and we drove on the track!

Me: YEAH!

Then the Gamekeepers came.

Gamekeeper Kytani: It is an honor to meet the famous Team Loud Phoenix Storm.

Halinor: The honor is all ours.

Me: Same here. Gamekeepers it's an honor too.

Gamekeeper Kytani: We're glad you can join us. We heard so much about all your achievements. Racers on my mark. GO!

AND WE WERE OFF!

We burned rubber!

Halinor: YEAH! This is fun!

Me: WOOHOO!

Shinnosuke: Time for some Shift Car action! (takes out KGBeast's Shift Car)

He fired waves of energy from his car.

Me: YEAH! (Activates Heatwave's Shift Car)

I fired blasts of fire and blasted the terrain all over.

Ultrox: Wow! That is amazing power!

Nico: It sure is!

Halinor: My turn for Shift Car fun!

She activated Flarizamon's Shift Car and fired blasts of fire and burned much of the terrain all over.

Me: Wow! Yeah!

Eli: YEAH!

Eli fired waves of energy and blasted the terrain all over too.

Nico: Take that!

Ultrox: Very impressive.

Kevin: RIGHTEOUS!

Ultrox: Fortunately, it's just us racing. But in the 3 races after this one, there's going to be some competition.

Me: Looking forward to that.

Nico: This is gonna be awesome.

Eli: Yep.

Halinor: I hope we blast Skrash.

Me: Me too.

Shinnosuke: Anyone see the finish line?

Nico: Up ahead!

Ultrox: That's it.

We zoomed and we crossed it! Me and Halinor won!

Nico: OH YEAH!

Halinor: The first Xeno Cells we've ever won.

Gamekeeper Kytani: We trust you all to keep these safe on your planet.

Me: We will. Thank you.

Nico: This is so awesome.

Me: Yep.

Ultrox: How did you like this race?

Me: It was really cool. We had a lot of fun here on this one.

Nico: Yep.

We later went back to the ship and headed home to Earth.

May: Next time, Cheese and Flarizamon should come as well.

Me: Good idea May.

Nico: Oh boy.

Halinor: But Flarizamon will be in for some fun.

Eli: He sure will.

Cheese: I like chocolate milk.

WHAT AN IDIOT.

---

At the table, the mascots and Cleo Chestnut were having an eating contest.

Maria: Horsea, what are you eating?

Horsea: The hottest nachos in the world.

I came out wearing a radiation suit and geiger counter clicks were heard in the background as I had a glowing red hot tray. Put it on the table.

Me: This is the hottest nachos in the world.

I pulled off the serving lid and revealed a massive pile of red nachos covered in red chips, salsa, beans, peppers and more and they had super nuclear hot sauce all over them.

Me:These are the Nova Diablo Nachos! Hottest ever nachos on the planet. They are covered in Dragons Breath and Reaper Hot Sauce and Eddy's brothers Armenian Secret Hot Sauce.

Qin: WHOA BOY!

Laney: (GULPS)

Nico: (to Poromon and Poliwag) What kind of flowers should I get for your funerals?

Lucy Loud: I'll be sure to say something nice for you guys.

Poromon: Thanks but we can handle it.

Nico: Here we go.

Me: Okay guys ready?

Poliwag: We're ready!

Me: And GO!

They got to eating and man of man was it nuclear hot spicy. They ate 50 plates of chips and spicy toppings and more and many oh man were they feeling the fire! They were eating and eating and eating and eating and eating. Then the mascots passed out from being bloated and Cleo Chestnut won!

May: Manaphy, are you okay?!

Manaphy: (BURPS FIRE IN MAY'S FACE)

May: (COUGHS SMOKE)

Nico: WHOA!

Me: It was all their idea guys.

Nico: I know. Jeez! Those are really spicy nachos.

Qin: No kidding! Wow!

Nico: You guys okay now?

Poromon: Yeah we're okay.

Eli: Man that was intense!

Halinor: You're not kidding there.

Laney: J.D. gave me some nachos earlier and they were awesome.

Lynn: I'll say.

Nico: Well, today has no usual battles. What do you guys wanna do?

Me: I don't know. What you want to do?

Eli: Hey don't start that again!

We laughed at what we said.

Nico: Funny.

Me: Ren and Stimpy are heading out to mine Blue Cheese and strike it rich.

Qin: Wow! I remember on the cheese planet we saw Blue Cheese being worth as much as diamonds.

Horsea: Is Blue Cheese tasty?

Me: It sure is. And it goes good with Buffalo Chicken.

Qin: Yummy.

Camie: Nice.

Laney: This is gonna be interesting.

Lana: Yeah it sure will.

Lola: Yep.

Maria: Let's meet up with them.

Nico: Okay.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Mastema Chernabog, and she's major-leagued pissed off that we killed Count Dracula and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln,

Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to Mastema Chernabog, the youngest of The Chernabog Sisters, and she's major-leagued pissed off that we killed Count Dracula and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Laney Emperyous: Yeah, and I should've known Mastema would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, and Griselda Chernabog, show up, along with Mastema Chernabog, Selene.

Selene Emperyous: We're already on that, Linky, along with our big trap.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Laney and Lincoln destroy another one of their sisters. Alright, gang, let's go, we got word Ren and Stimpy are heading to The Blue Cheese Mountains.

Luan: And we're going to mine for the Blue Cheese and it's worth its weight in gold and diamonds.

Lincoln: We're going to help them strike it rich by mining for the Blue Cheese, and once we get done with helping Ren and Stimpy strike it rich, you're next, Mastema Chernabog.

We were off. We headed out west to the Blue Cheese Mountains.

## BLUE CHEESE MOUNTAINS, SOUTHWESTERN COLORADO

We arrived in Southwestern Colorado and we were right in front of the Blue Cheese Mountains.

Me: Here we are.

Xenia: Wow!

May: Hey, guys!

Ren Hoek: Hey guys! Came to strike it rich for Blue Cheese too?

Me: Yep.

Qin: This is gonna be cool.

Xenia: It sure will be.

Lana: Lets go get to digging.

We went down into a mine and got to digging.

Ed: Dig a hole! Dig a hole!

We were digging all over.

Me: Man look at all this.

But then we smelled something.

Ren: (Sniffs) YIKES! THAT SMELL! IT MIGHT BE DEADLY CHEESE GAS! But there's only one way to know for sure.

He pulled out a Canary.

Ren: A Canary. For centuries have relied on canaries to detect deadly gas.

Canary: (Sniffs) I don't smell anything.

He then put a cigar in his mouth and then flicked a lighter and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was an explosion and then the mine collapsed and we got buried in cheese!

We got up and then…

Stimpy: EUREKA!

We struck THE FATHERLODE!

Stimpy: THE FATHERLODE!

We struck tons and tons and tons of blue cheese nuggets and ore!

Maria: Look at all this!

Qin: WE'RE RICH!

Nico: Rich-ER!

Laney: Yeah we are!

Xenia: Yep.

May: What do we do with all this?

Me: Well we get it turned into cash.

Nico: Good idea.

Me: There's a bank in town.

Ren Hoek: Then lets go.

We went to town and got it all counted up. We raked in a total of $235,236,785,438,855,346,533,823,783,473,474,434,999,212,467,432,354

Me: HOLY MACKEREL!

Qin: Wow! That's a lot of numbers!

Xenia: No kidding!

Stimpy: Yep!

Maria: Bottom line is that we're even more rich

Me: But we don't rub it in peoples faces like certain queen bees we hate.

Laney: Yep.

Nico: But This was great.

Lincoln: Wow, now that's what I call an awesome cheese mining adventure.

Nico: And we really struck it rich when we found out that Blue Cheese is worth its weight in gold and diamonds. Awesome job, guys, but we're not done yet, there's still the matter of Mastema Chernabog to deal with, and she should be arriving here along with the rest of her sisters… right now!

?: You're going to pay for ruining my fun and breaking one of my playthings, Laney Emperyous!

Suddenly, the eight large planets and stars orbiting around my legs, the nine large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands were glowing, and that means we've got big trouble incoming.

Laney Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Mastema Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and nine mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Mastema Chernabog, the youngest of The Chernabog Sisters, and the eight remaining mists of darkness descended onto the ground and what stood in their places were Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, and Griselda Chernabog, and the leader of The Chernabog Sisters, Adrastea Chernabog.

Laney Emperyous: Mastema Chernabog, just as we expected.

Selene Emperyous: And you also had the nerve to bring Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, and Griselda Chernabog with you when we ruined your sister's fun, Adrastea Chernabog.

Mastema Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Adrastea Chernabog: And now, you will all pay!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, and Griselda Chernabog came after us, but they were caught by a Sephiroth Tree of Life surrounded by eight crosses that appeared below their feet and that made them scream demonically, and they were all trapped.

Adrastea Chernabog: (HISSES) ANOTHER TRAP! NOW, WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Lafayette, Colorado. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Mastema Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Mastema Chernabog rushed at Laney Emperyous and Lincoln and tried to kill them, but Lincoln and Laney fired powerful blasts of fire and rainbow fire and when she got hit, she screeched like the demon that she really is as the flames burned her.

Laney Emperyous: That'll teach you, but we're just getting started, Mastema, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Laney Emperyous' crimson red eyes turned neon yellow and she was surrounded by a crimson red energy aura with fire, music notes, crosses, and angels, she unholstered her massive Lazion the Timelord-themed greatsword from her back, and as she approached Mastema Chernabog, she left crimson red energy, fire, music notes, crosses, and angels with every step.

Laney Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Mastema Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Laney Emperyous was surrounded by a massive vortex of crimson red energy with fire, music notes, and crosses surrounding it, there are angels, Lazion the Timelord, and Raziel the Archangel flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Laney Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Laney Emperyous felt a sharp pain on her back, and then, her massive crimson red angel wings with stars and red tips on the large crimson red feathers grew much bigger for her new body, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Laney Emperyous' massive Lazion the Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of crimson red energy, crosses, fire, music notes, and angels and when it emerged, it was transformed into Lazion the Timelord's Holy Firestorm Music Archangel Greatsword of Holy Fire Music Justice, it's a brand-new large greatsword with Lazion the Timelord and Raziel the Archangel etched on the 7'0" massive, wide, double-edged crimson red blade, large angel heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large crimson red gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Lazion the Timelord's head with crimson red gems for eyes and a large crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Laney Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY MUSICAL FIRESTORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY FIRESTORM MUSIC ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY FIRE MUSIC STORM ARCHANGEL LOVE!

We were amazed by Laney Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mastema Chernabog saw it, she went fucking mad and fired a blast of darkness at Laney Emperyous to kill her, but Laney Emperyous fired a powerful yellow energy blast with fire, crosses, music notes, and angels which overwhelmed the blast of darkness and it hits Mastema Chernabog, and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Mastema Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Music Firestorm Timelord Justice and a champion of the Archangel Raziel, and Laney, you look beautiful, how do you feel?

Laney Emperyous: (Divine Echoing Cosmic Voice of The Holy Music Firestorm Timelord and Divine Holy Fire Music Storm Love) I feel incredible, Linky. Now, shall we destroy Mastema Chernabog once and for all?

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Camie, but let's take this to a better place.

Lincoln snapped his fingers and we were near the ruins of Ördögház, and then, Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Laney Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to say your goodbyes forever, Mastema Chernabog, 'cause your days of causing chaos and havoc in Michigan and the world are over!

Laney Emperyous and Lincoln went after Mastema Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, crimson red energy, crosses, music notes, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Mastema Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Mastema Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Laney Emperyous and Lincoln were just getting started and Mastema's divine punishment has just begun. Mastema Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white werewolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Laney Emperyous and Lincoln slashed off Mastema Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Mastema Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Laney Emperyous, it was known as Lazion the Timelord's Holy Archangel Earthstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's crimson red with waves of fire on the blaster with a Phoenix, Archangel, and Lazion the Timelord surrounded by fire etched on the sides, and a crimson red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Laney Emperyous fired blasts of rainbow energy, crimson red energy, and elemental forces and when they hit Mastema Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Mastema Chernabog's spirit appeared and Laney Emperyous and Lincoln drew the Judgement Kanji and Seal of Raziel on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Laney Emperyous and Lincoln did to Mastema Chernabog as they holster their massive greatswords on their backs and powered down, and Laney Emperyous' new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, and Griselda Chernabog, and they were horrified to see what happened to Nocturne Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Nocturne! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, and Griselda Chernabog came after us again, but the trap re-triggered again and they were caught by a Sephiroth Tree of Life surrounded by ten crosses that appeared below their feet and that made them scream demonically, and they were all trapped.

Adrastea Chernabog: (HISSES) ANOTHER TRAP! AGAIN!

Lincoln: And it's about to get worse, Adrastea. Now, Selene!

Selene Emperyous: Right.

Selene Emperyous, her sisters, and Lincoln formed a powerful magic circle with Enochian Runes and a Sephiroth Tree of Life in it and it surrounded the trap that The Chernabog Sisters were caught in, and it also had the twelve crosses, and they couldn't get out, and it was pissing them off.

Lincoln: Don't even bother trying to get out, Adrastea, the magic circle we formed that surrounds the trap is known as The Seal of The Almighty, and this magic circle and the trap keep you eight trapped in it. See, tomorrow is Cornelia's special mission with the

Dino Fury Power Rangers, and we can't have you or your demonic sisters trying to cause us any trouble tomorrow, and this trap will remain here until Friday.

Nico: Have fun remaining in this angelic prison.

We teleported out of there, and as soon as we did, Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, Cruella Chernabog, and Griselda Chernabog let out eight demonic screams of pure rage and insanity: WE'VE PISSED THEM OFF NOW!

We arrived back at the World Tree Estate, and we busted out laughing hysterically.

Nico: (Laughing Hysterically) Oh man, that was an awesome trap you and the Emperyous Sisters set up, Lincoln.

Laney Emperyous: Yep, and like Linky said, The Seal of The Almighty are going to keep those eight demons trapped in it, since tomorrow is Cornelia's special mission with the Dino Fury Power Rangers, and we can't have Adrastea or her demonic sisters trying to cause us any trouble tomorrow, and that trap will remain until Friday, and now, there's only eight Chernabog Sisters left to deal with. Thanks for helping me destroy Mastema Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Laney.

Suddenly, Laney Emperyous wrapped her arms around Lincoln's thick and muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Laney Emperyous' face, they kissed passionately as Laney Emperyous' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Lazion the Timelord, and the Archangel Raziel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and angels flying behind them and flames raging behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Laney Emperyous came back to us, as the display and Lazion the Timelord and the Archangel Raziel vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: Yep, and for tomorrow, we're going to meet Sally Vocesdebelleza the Hawlo Gene-Slammer.

Ronalda Vocesdebelleza: (Spanish Accent) Awesome!

We went back home. We enjoyed the rest of the day and went to sleep.

Meanwhile over in Pine Ridge, the Dino Fury Rangers were getting ready for our arrival and they were really excited because we were going to destroy the Void Queen once and for all.

Zayto: This is gonna be so awesome.

Amelia Jones: Yeah it sure is!

Izzy: I can't wait to kick some Void Queen butt.

Ollie: Me too.

Zayto: Lets get ready guys!

Dino Fury Rangers: IT'S MORPHIN TIME! DINO FURY KEY! LINK TO MORPHIN GRID!

In a flash of light they transformed and went at the screen.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Georgia, and Lincoln and his group are going to destroy the evil versions of The Masters of Evil, that were created by Griselda Chernabog, due to her being driven into eternal madness by what we'd been doing in killing her sisters one by one and what Lincoln, Selene Emperyous, and her sisters did in putting them in the angelic prison: The Seal of The Almighty, and we're also bringing The Masters of Evil with us, and when Vypra finds out that Griselda Chernabog was the one who made those evil versions of her and the other Masters of Evil, she was going to be major league mondo pissed at that heartless chaos-causing she-demon. And we're going to meet a Hawlo Gene-Slammer named Sally Vocesdebelleza, she's the fourth eldest of the ten Vocesdebelleza Sisters who are all Lincoln's Guardian Angels from Brazil. Sally and her sister, Ronalda, are Lynn's classmates in Gym, and they would often help Lynn with training for sports. Their last name, Vocesdebelleza, means Beauty Vocals in Spanish. The Vocesdebelleza Sisters all share their love for Lincoln, and they, along with with the Louds would sing together, and often, sing around Christmas time. They and the Louds looked out for one another, and during one of their Christmas caroling session, The Vocesdebelleza Sisters each kissed Lincoln on the lips. They're the cousins of one of Lincoln's many future wives, Hilda, and they hate Scoots, Flip, Lewis Travolta, Bubble Bass, and even Billy McLean. As you saw at the end, we're going to meet the Dino Fury Rangers and we're going to battle the Void Queen and the Nemesis Beast and we're going to make sure those monsters never return and we're going to make them pay.

See you all tomorrow

Me: Wow! Bograth is a scary swamp.

Qin: Boy it sure is.

Lizzie Strong: Boy no kidding. This is perfect for an evil lair of any kind here.

Boris: Oh it sure is.

Nico: Thanks for coming with me, Boris.

Boris: Oh no problem Nico. It's going to be so fun doing this with you.

Me: It sure is. Boris when I first met you I was amazed and thought the Mad Scientist was a perfect form for the Gothic Subculture.

Boris: Oh I'm glad you think so J.D.

Me: It's cool.

Brittney: It sure is.

Nico: Boris, I'm gonna be honest. I'm scared about what this big mission is gonna hold in store for us. Heck, there might be a chance we might die. (smiles) But if that's the case, at least I'm going down fighting alongside the best teammates I've ever known.

Me: Nico NONE of us are going to die.

Eli: Yeah man. We are in all this together.

Boris: Oh I'm excited for it too.

Eli: Same here.

Brittney: We all are.

Qin: Also don't say things like that. We're ready for anything.

Nico: You're right guys. We're going to win like always.

Nico: If any of you guys except May, Maria, and J.D. want to back out now, I won't fault you for doing so.

We all put our hands on Nico's shoulders.

Me: No man. We're with you all the way. If there is one thing I taught the entire team is that we never give up no matter how dire the situation and that we always get through all the situations together and work as a team all the way.

Kalin: That's right Nico.

Xenia: We're with you all the way.

Laney: That you can be sure of.

Nico: (Touched) Thank you guys. Thank you.

Lana: Anytime.

Boris: This is gonna be so fun.

Nico: We got a lot of money yesterday.

Me: Boy we sure did.

Qin: Blue Cheese is worth more than gold and diamonds.

Xenia; It sure is.

Lana: Yeah no kidding there.

Lincoln: Boy it sure is.

Kalin: That is so cool though.

Nico: Of course, two certain mascots eat several of it!

Me: You know how much they like cheese like you do Nico/

Nico: Touché.

Qin: Yeah Poromon and Poliwag love cheese.

Laney: Yep.

Lana: It was cool mining for cheese though.

Lisa Loud: Indeed. We all thought it was cool.

Lola: And awesome.

Laney: Yep.

Lola: Oh, Nico, which teams did you make yesterday?

Nico: (sheepishly) Sorry. I forgot! Anyway, the new teams are Whenua, Biscuit Oliva, Hinata, Kushina, Tenten and Samui. And Stacy Bolten, Aria Blaze, Rundas, Ghor, Gandrayda and Alpha 5.

Me: Oh no worries. But wow! It's about time Alpha 5 gets included.

Nicole: And good call including Samus's fellow Bounty Hunter Comrades.

Fu: And some of my fellow ninja will be perfect.

Me: Oh and Nico which gene-slammers are you hoping to meet today?

Nico: Oh right forgot about the mandatory question. Ones for Ccapac Apu and White Aura Whale.

Qin: Ooh those are gonna be awesome!

Xenia: They sure are.

Kalin: And it's one of the reasons why I'm with you guys too.

Lola: Yeah.

Me: What weapon are we looking for this time?

Nicole: It's called The Scythe of The Bograth Swamp and that one has all the powers of a forbidden swamp in it as well as the powers of Bograth magic and more.

Nico: Wow!

Qin: That sounds awesome.

Lola: Yeah!

Lucy Loud: My kind of weapon.

Sakura Valencia: I'll gladly have that one.

Qin: Cool.

Me: Go for it Sakura.

Lincoln: It's perfect for you.

Nicole: Yep. It's just up ahead.

We arrived at a swamp mud island and we saw a black scythe with a purple blade!

Qin: Whoa!

Nico: There it is!

Me: Wow!

Nico: Well, we know what happens next.

Me: Yep.

Sakura Valencia went over to the Scythe and then grabbed it and pulled it out and then it glowed.

(ESCAFLOWNE (FOX KIDS INTRO) EXTENDED PLAYS)

She glowed in a powerful purple aura and had swamp leaves swirl around her and she got amazing black and purple leaf wings.

Sakura Valencia: Whoa! I feel amazing!

Nico: Wow!

Me: Awesome! You sure do Sakura.

Nico: You've earned it.

Me: Yep.

Eli: And just in time too.

We saw a figure come out and it was a black version of an Evolved Opticoid! It was ANOTHER ULTIMATE EYE GUY!

Me: Whoa! Another Ultimate Eye Guy!

Qin: Whoa! This one has more eyes than Eye Guy does!

Another Ultimate Eye Guy: (In a Girls Voice) And I can see everything too.

Me: (GASP) Wendy Gunnington! Oh man!

Camie: You know her?

Me: Yep. She is a great collector of MTG Cards. She has the largest ever collection of MTG Cards ever known.

Nico: Wow! That is a lot of cards.

Qin: Yep.

Another Ultimate Eye Guy: Took me years to get it that big too.

Laney: Wow!

Albedo turned into Negative Ultimate Eye Guy.

Negative Ultimate Eye Guy: Did Swartz promise you anything?

Another Ultimate Eye Guy: Just to make my collection bigger. But I knew he was lying.

Me: Well he is dead now.

Qin: Yeah. And given the Black Gates.

Another Ultimate Eye Guy: Good riddance.

Me: Yeah. Sorry we have to fight like this.

Another Ultimate Eye Guy: No worries. Come at me and don't hold back!

Me: Okay then!

I activated Lord Drakkon's Ridewatch.

Applejack: (SINGING DIVINELY AS EARTH, ROCK AND EXPLOSIONS SWIRLED AROUND HER AND EXPLODED AROUND HER)

Where have all the good men gone

And where are all the gods?

Where's the streetwise Hercules

To fight the rising odds?

Isn't there a white knight upon a fiery steed

Late at night, I toss and I turn

And I dream of what I need

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

Larger than life

Somewhere after midnight

In my wildest fantasy

Somewhere, just beyond my reach

There's someone reaching back for me

Racing on the thunder

And rising with the heat

It's gonna take a Superman to sweep me off my feet, yeah

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

Up where the mountains meet the heavens above

Out where the lightning splits the sea

I could swear there is someone, somewhere watching me

Through the wind and the chill and the rain

And the storm and the flood

I can feel his approach like a fire in my blood

(Like a fire in my blood, like a fire in my blood

Like a fire in my blood, like a fire in my blood, blood)

I need a hero

I'm holding out for a hero 'til the end of the night

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

She danced and punched and smashed Another Ultimate Eye Guy all over.

Me: OH YEAH!

Qin: Love that song!

Lola: That was awesome!

Lily: Time for some artistry! (ACTIVATES EBON'S RIDEWATCH)

(I WANT YOU BY SAVAGE GARDEN PLAYS)

Lily: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

Anytime I need to see your face, I just close my eyes

And I am taken to a place where your crystal mind

And magenta feelings take up shelter in the base of my spine

Sweet like a chic-a-cherry cola

I don't need to try to explain, I just hold on tight

And if it happens again, I might move so slightly

To the arms and the lips and the face of the human cannonball

That I need to, I want to
Well, come stand a little bit closer
Breathe in and get a bit higher
You'll never know what hit you
When I get to you
Ooh, I want you, I don't know if I need you, but
Ooh, I'd die to find out
Ooh, I want you, I don't know if I need you, but
Ooh, I would die to find out
I'm the kind of person who endorses a deep commitment
Getting comfy, getting perfect is what I live for
But a look, then a smell of perfume
It's like I'm down on the floor and I don't know what I'm in for
Conversation has a time and place
In the interaction of a lover and a mate
But the time of talking, using symbols, using words
Can be likened to a deep sea diver
Who is swimming with a raincoat
Well, come stand a little bit closer
Breathe in and get a bit higher
You'll never know what hit you
When I get to you

Ooh, I want you, I don't know if I need you, but
Ooh, I'd die to find out
Ooh, I want you, I don't know if I need you, but
Ooh, I would die to find out
ya, ya
(Ooh, ah) ya, ya
Anytime I need to see your face, I just close my eyes
And I am taken to a place where your crystal mind
And magenta feelings take up shelter in the base of my spine
Sweet like a chic-a-cherry cola
I don't need to try to explain, I just hold on tight
And if it happens again, I might move so slightly
To the arms and the lips and the face of the human cannonball
That I need to, I want to
Ooh, I want you, I don't know if I need you, but
Ooh, I'd die to find out
Ooh, I want you, I don't know if I need you, but
Ooh, I would die to find out (so can we find out?)
Ooh, I want you, I don't know if I need you, but
Ooh, I'd die to find out
Ooh, I want you, I don't know if I need you, but
Ooh, I would die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out (I'd die to find out)

Ooh, I want you, I don't know if I need you, but (oh, why can't we find out?)

Ooh, I would die to find out

She danced and fired waves of energy and water and smashed her down!

Qin: OH YEAH! Love Savage Garden!

Nico: (takes out MMPR Eye Guy's Ridewatch) This guy actually has the same name as the alien you're as.

Me: Very coincidental. Also I don't think it's very fitting for a girl to have Guy in her Hero name.

Another Ultimate Eye Guy: I agree there and you will get no argument there.

Nico activated it and fired waves of fire and energy from all angles and smashed her down.

Nico: YEAH!

Leni: Time for this jet to take flight! (ACTIVATES G1 STARSCREAM'S RIDEWATCH)

(TAKE MY BREATH AWAY BY BERLIN PLAYS)

Leni: (SINGING DIVINELY AS JETS SWIRLED AROUND HER)

Watching every motion in my foolish lover's game

On this endless ocean, finally lovers know no shame

Turning and returning to some secret place inside

Watching in slow motion as you turn around and say

Take my breath away

Take my breath away

Watching, I keep waiting, still anticipating love

Never hesitating to become the fated ones

Turning and returning to some secret place to hide

Watching in slow motion as you turn to me and say

My love, take my breath away

Through the hourglass, I saw you

In time, you slipped away

When the mirror crashed, I called you

And turned to hear you say

If only for today, I am unafraid

Take my breath away

Take my breath away

Watching every motion in this foolish lover's game

Haunted by the notion somewhere there's a love in flames

Turning and returning to some secret place inside

Watching in slow motion as you turn my way and say

Take my breath away

My love, take my breath away

My love, take my breath away

My love, take my breath away

She danced and fired waves of energy and smashed her down.

Qin: OH YEAH! Love that song from Top Gun.

Nico: Good choice Leni.

Kalin: Watch this one.

(BROKEN WINGS BY MR. MISTER PLAYS)

Kalin: (SINGING DIVINELY AS BLUE FIRE SWIRLS AROUND HIM)

Why we can't just hold on

To each other's hands

This time might be the last

I fear, unless I make it all too clear

I need you so, oh

Take these broken wings

And learn to fly again

Learn to live so free

When we hear the voices sing

The book of love will open up

And let us in

Take these broken wings

Baby, I think tonight

We can take what was wrong

And make it right

Baby, it's all I know

That you're half of the flesh

And blood makes me whole

I need you so

So take these broken wings

And learn to fly again

Learn to live so free

And when we hear the voices sing

The book of love will open up

And let us in

Take these broken wings

You've got to learn to fly, learn to live, love so free

And when we hear the voices sing

The book of love will open up and let us in yeah, yeah

Let us in

Let us in

Baby, it's all I know

That you're half of the flesh

And blood that makes me whole

Yeah, yeah, yeah

Yeah, yeah

So take these broken wings

And learn to fly again, learn to live so free

And when we hear the voices sing

The book of love will open up and let us in

Take these broken wings

You got to learn to fly, learn to live and love so free

And when we hear the voices sing

The book of love will open up for us and let us in

Yeah, yeah

Yeah, yeah

Kalin danced and fired waves of blue fire and smashed her down!

Me: Nice one Kalin!

Kalin: Yeah!

Me and Kalin high five.

Misty Tredwell: That was cool!

(HOLD ME NOW BY THE THOMPSON TWINS PLAYS)

Nico: (SINGING DIVINELY AS RED LIGHTNING SWIRLS AROUND HIM)

I have a picture

Pinned to my wall

An image of you and of me and we're laughing, we're loving it all

But look at our life now

All tattered and torn

We fuss and we fight and delight in the tears that we cry until dawn

Oh, whoa

Hold me now, whoa

Warm my heart

Stay with me

Let loving start

Let loving start

You say I'm a dreamer, we're two of a kind

Both of us searching for some perfect world we know we'll never find

So perhaps I should leave here

Yeah, yeah, and go far away

But you know that there's nowhere that I'd rather be than with you here today

Oh, whoa, oh, whoa

Hold me now, whoa

Warm my heart

Stay with me

Let loving start

Let loving start, whoa

Hold me now, whoa

Warm my heart

Stay with me

Let loving start

Let loving start, whoa

You ask if I love you

Well, what could I say?

You know that I do and that this is just one of those games that we play

So I'll sing you a new song

Please don't cry anymore

I'll even ask your forgiveness

Though I don't know just what I'm asking it for

Oh, whoa, oh, whoa

Hold me now, whoa

(Hold me in your loving arms)

Warm my heart

(Warm my cold and tired heart)

Stay with me

(Stay with me)

Let loving start

Let loving start, whoa

Hold me now, whoa

(Hold me in your loving arms)

Warm my heart

(Warm my cold and tired heart)

Stay with me

Let loving start

Let loving start, whoa

Hold me now, whoa

(Hold me in your loving arms)

Warm my heart

(Warm my cold and tired heart)

Stay with me

(Stay with me)

Let loving start

Let loving start, whoa

Hold me now, whoa

Eli: YEAH! Now this. (ACTIVATES STRATOS'S RIDEWATCH)

(HEAVEN IS A PLACE ON EARTH BY BELINDA CARLISLE PLAYS)

Eli: (SINGING DIVINELY AS WIND AND LIGHTNING SWIRLS AROUND HIM)

Ooh, baby, do you know what that's worth?

Ooh, Heaven is a place on Earth

They say in Heaven, love comes first

We'll make Heaven a place on Earth

Ooh, Heaven is a place on Earth

When the night falls down

I wait for you, and you come around

And the world's alive

With the sound of kids on the street outside

When you walk into the room

You pull me close, and we start to move

And we're spinnin' with the stars above
And you lift me up in a wave of love
Ooh, baby, do you know what that's worth?
Ooh, Heaven is a place on Earth
They say in Heaven, love comes first
We'll make Heaven a place on Earth
Ooh, Heaven is a place on Earth
When I feel alone
I reach for you, and you bring me home
When I'm lost at sea
I hear your voice, and it carries me
In this world, we're just beginnin'
To understand the miracle of livin'
Baby, I was afraid before
But I'm not afraid anymore
Ooh, baby, do you know what that's worth?
Ooh, Heaven is a place on Earth
They say in Heaven, love comes first
We'll make Heaven a place on Earth
Ooh, Heaven is a place on Earth
Heaven
Heaven

Heaven

In this world we're just beginnin'

To understand the miracle of livin'

Baby, I was afraid before

But I'm not afraid anymore

Heaven

Ooh, baby, do you know what that's worth?

Boris: My turn! (ACTIVATES GREIGER'S RIDEWATCH)

(SOMEWHERE BY WITHIN TEMPTATION PLAYS)

Boris: (SINGING DIVINELY AS INDIGO FIRE SWIRLS AROUND HIM)

Lost in the darkness, hoping for a sign

Instead there is only silence

Can't you hear my screams?

Never stop hoping

Need to know where you are

But one thing is for sure

You're always in my heart

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Lost in the darkness, try to find your way home

I want to embrace you and never let you go

Almost hope you're in heaven

so no one can hurt your soul

Living in agony cause I just do not know

Where you are

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Wherever you are, I won't stop searching

Whatever it takes, I need to know

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

He floated into the air and fired waves of indigo fire and smashed her down.

Misty Tredwell: My turn.

(A QUESTION OF LUST BY DEPECHE MODE PLAYS)

Misty Tredwell: (SINGING DIVINELY AS GREEN FIRE AND LIZARDS SWIRLED AROUND HER)

Fragile, like a baby in your arms

Be gentle with me, I'd never willingly do you harm

Apologies are all you seem to get from me

But just like a child, you make me smile when you care for me

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Independence is still important for us though

(We realise)

It's easy to make the stupid mistake of letting go

(Do you know what I mean?)

My weaknesses, you know each and every one

(It frightens me)

But I need to drink more than you seem to think before I'm anyone's

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Kiss me goodbye when I'm on my own

But you know that I'd rather be home

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

She danced and fired waves of green fire and smashed her down!

Nico: YEAH!

Me: Love Depeche Mode!

Maria: Let's keep going!

Me: The next Gene-slammers should be here any second. But sure thing.

Maria: Lets see how she likes this. (ACTIVATES NEW WAVE'S RIDEWATCH)

(READY TO GO BY REPUBLICA PLAYS)

Maria: (SINGING DIVINELY AS WATER SWIRLED WILDLY AROUND HER)

Ready to go

Ready to go

You're weird, in tears

Too near and too far away

He said, "Saw red"

Went home, stayed in bed all day

Your T-shirts dish dirt
Always love the one you hurt
It's a crack, I'm back, yeah,
I'm standing on the rooftops shouting out
Baby, I'm ready to go
I'm back, I'm ready to go
From the rooftops, shout it out
It's a crack, I'm back, yeah,
I'm standing on the rooftops having it
Baby, I'm ready to go
I'm back, I'm ready to go
From the rooftops shout it out
Shout it out
You sleep too deep
One week is another world
(Big mouth) Big mouth
(Drop out) Drop out
You get what you deserve
You're strange, insane
One thing you can never change
It's a crack, I'm back, yeah,
I'm standing on the rooftops shouting out

Baby, I'm ready to go

I'm back, I'm ready to go

From the rooftops, shout it out

It's a crack, I'm back, yeah,

I'm standing on the rooftops having it

Baby, I'm ready to go

I'm back, I'm ready to go

From the rooftops shout it out

Shout it out

Ready to go

Abused, confused

Always love the one that hurt ya,

Hurt ya, hurt ya, hurt ya

It's a crack, I'm back, yeah,

I'm standing on the rooftops shouting out

Baby, I'm ready to go

I'm back, I'm ready to go

Baby, I'm ready to go

She firred waves of water and smashed her down!

Me: YEAH!

Nico: ROCK ON!

Me: Love Republica.

But then giant footfalls were felt!

Me: What the!

Then we saw EARTHBOUND IMMORTAL CCAPAC APU and WHITE AURA WHALE!

Me: Whoa! Earthbound Immortal Ccapac Apu and White Aura Whale!

Nico: Cool!

Ccapac Apu: (In a girls voice) Awesome to see you again Nico.

White Aura Whale: (In a girls voice) Same here.

Nico: Elizabeth Apu Nahasapeemapetilon and Aurora Albedo!? Wow!

They reverted back. Elizabeth was a girl with blue hair and blue eyes and blue and black clothes and she had the Giant Nazca Line on her right arm and skirt. And Aurora was a girl with white hair and blue eyes and had aqua blue clothes.

Aurora Albedo: We got this.

They fired waves of blue energy and blasted down Another Ultimate Eye Guy and I caught the ridewatch and purified it and I went over to Wendy. She was a girl with Blue Hair and black clothes and had the symbols of the 5 lands of Magic The Gathering in a circle emblazoned in the middle of her forehead.

I picked her up.

Wendy Gunnington: (Groans) What a headache.

Me: But you're back to normal.

Maria: (smirks) EYE think you're back to normal.

We laughed at Maria's joke!

Eddy: (LAUGHS) That was a good one Maria!

Lola: (LAUGHS) That was funny!

Me: (LAUGHS) That was a good one!

Misty Tredwell: Yeah! That was funny!

Nico: It sure was! Good one!

Xenia: Yeah!

Me: Luan would be proud.

Eli: She sure would.

Me: By the way Elizabeth your last name is Nahasapeemapetilon. Are you related to Apu Nahasapeemapetilon?

Elizabeth Apu Nahasapeemapetilon: Yeah he's my uncle. I would visit him all the time whenever I would get the chance.

Qin: Cool! Apu will be happy to see you again.

Boris: What's your favorite memory of Nico?

Aurora Albedo: Me and Elizabeth have so many of them. But our favorites are when we were in the Amazon and we found these.

They pulled out 2 swords. One was for THE CRIMSON DRAGON AND THE OTHER WAS FOR THE EARTHBOUND IMMORTALS!

We gasped!

Me: Whoa!

Nicole: Wow! The Swords of The Crimson Dragon and The Earthbound Immortals! Those are swords full of 10,000 years of history right there.

Nico: Yeah they sure were.

Me: Wow! I didn't know about those swords.

Carly Atlas: We found out about the Earthbound Immortal Sword when Elizabeth joined us.

Misty Tredwell: She knows a lot about the Nazca Lines and the marks and all that.

Me: That is amazing!

Nico: It sure is.

Nico hugged them both.

Nico: I missed you girls.

Aurora Albedo: We did too Nico.

Kalin: But this was an awesome adventure here.

May: And don't worry about Snake. He's a actually a cool guy.

Me: Yeah he sure is.

Elizabeth Apu Nahasapeemapetilon: I know. In the M.O.E. he and I have gotten along really well.

Me: Cool.

We went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, and Dante (Loud House) are heading to Georgia, and not only is Lincoln going to rescue the four girls, but we're also going to destroy the evil versions of The Masters of Evil, that were created by Griselda Chernabog, due to her being driven into eternal madness by what we'd been doing in killing her sisters one by one and what Lincoln, Selene Emperyous, and her sisters did in putting them in the angelic prison: The Seal of The Almighty.

And since we're dealing with evil versions of The Masters of Evil, we had to bring the entire team and we called The Masters of Evil here.

Lincoln: Wow, we're here in Georgia, and I know what we're going to do here, not only am I going to rescue the four girls, but we're also going to destroy the evil versions of The Masters of Evil.

Nico: You think Void Queen and the Nemesis Beast was involved in this?

Me: No, Nico, she's not that desperate to do something like this.

Shiv: Wait a second, there's only one person who could do something that despicable.

Lincoln: That's right, Shiv, there's only one person who could do something that despicable and on the day we're to meet the Dino Fury Rangers: those evil versions of The Masters of Evil were created by Griselda Chernabog, due to her being driven into eternal madness by what we'd been doing in killing her sisters one by one and what Selene Emperyous, her sisters, and I did in putting them in the angelic prison: The Seal of The Almighty, yesterday after we killed Nocturne Chernabog.

We gasped in shock and horror, including The Masters of Evil, and when Vypra found out, she was so major league mondo pissed at that heartless she-demon.

Vypra: Why, that two-faced, heartless, chaos-causing little bitch! She's dead first thing tomorrow.

Laney Emperyous: Of all the low-down, dirty things those Chernabog Sisters have done, this is by far the lowest!

Lincoln: We'll make sure she dies horribly tomorrow, but we'll piss her off even more by destroying her creations, and now, she's really pissed me off.

Dante (Loud House): She's caused nothing but pure evil and chaos for the last time.

Suddenly, we saw the Blood Moon in the skies.

Nico: Say, wasn't yesterday The Blood Moon?

Me: Yeah, why…? (Realizes something) Oh no, doesn't the Blood Moon also have a bit of an effect on werewolves? And it's also close to the Earth making it a Super Blood Moon?!

Rudina Adalwulf, Carmen Adalwulf, me, and Lincoln: UH OH!

Lincoln let out a growl as lighter brown fur began growing on his abnormally massive and powerful muscular body with tan fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned bright red with slit pupils, and his eleven massive, long, powerful, and permanently out white werewolf tails were ready, and he let out a powerful howl as he transforms into Lincoln the Nocturnal. But, then we saw Lincoln's abnormally massive and powerful upper and lower body muscles grew a little larger, due to the effects of The Blood Moon.

Carmen and Rudina Adalwulf let out a growl and they transformed into their werewolf forms as lighter brown fur began growing all over their bodies with tan fur covering their muzzles and stomachs, large brown pointed wolf ears grew on top of their heads, their nails grew into claws, their brown tails grew and sprouted out, and their eyes turned bright red with slit pupils, and they let out a howl.

I suddenly let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of my head, my nails grew into claws, and my blue eyes turned bright red with slit pupils, and my eleven massive wolf tails were already out, as I let out a howl as I transform into J.D. the Nocturnal. But, then everyone saw my abnormally massive and powerful upper and lower body muscles grew much larger, due to the effects of The Blood Moon.

Lincoln: (Beastly Voice) Oh man, now I'm even more stronger than ever.

Me: (Beastly Voice) Me too, this was due to the effects of The Blood Moon.

Lucy Loud: Gasp, I should've guessed it. According to legend, when a Blood Moon occurs, it causes werewolves to become more aggressive and gain more strength, and since it's also a Super Blood Moon, it also caused Lincoln and J.D. to become even more powerful and hulked out.

Lincoln: (Beastly Voice) Yeah, and it's a good thing we've also got control over the more wilder and aggressive instincts of the werewolves.

Luan: And you'd since become one with the vampire and werewolf inside you, Lincoln, and those evil versions of The Masters of Evil are in really big trouble.

Lincoln grinned and his fangs gleamed.

Lincoln: (Beastly Voice) (Smirks) They sure will be, Luan. Let's go.

We travelled through Georgia, and during our travels, we ran into evil versions of the new recruits of The Masters of Evil, and Lincoln went after the evil versions of the archenemies of his future wives, and one by one, he brutally bear hugged them, so they couldn't escaped and as he bit their necks, he began sucking out their blood and he was also absorbing them into his body and assimilating their powers, and the tips of his eleven massive and long white werewolf tails turned into the stingers of Cell, and he stabbed them into more of them heading our way and he absorbed them as well, and I did the same things as I went after the evil versions of the archenemies of my future wives, and one by one, I brutally bear hugged them, so they couldn't escaped and as I bit their necks, I began sucking out their blood and I was also absorbing them into my body and assimilating their powers, and the tips of my eleven massive and long werewolf tails turned into the stingers of Cell, and I stabbed them into more of them heading our way and I absorbed them as well, and this went on as we'd been hunting them all down.

Suddenly, Nico had grown eleven massive and long dark blue werewolf tails, and he also did the same thing as me and Lincoln as he went after the evil versions of the archenemies of his future wives, and one by one, he brutally bear hugged them, so they couldn't escaped and as he bit their necks, he began sucking out their blood and he was also absorbing them into his body and assimilating their powers, and the tips of his eleven massive and long white werewolf tails turned into the stingers of Cell, and he stabbed them into more of them heading our way and he absorbed them as well. When we were done, nothing was left of them, and everyone was stunned by the carnage we just caused.

Maria: HOLY CRAP!

May: Yeesh!

Vypra: I guess that's what happens when the Blood Moon rises and anyone who gets caught in their path will get ripped to shreds.

Eli: But, they channeled the extra aggression to the evil versions of The Masters of Evil.

May: Yeah, and Nico now has eleven massive and long dark blue werewolf tails now.

Nico: I do, along with my Saiyan tail, but how was that possible?

Lincoln: (Beastly Voice) You've spent time around me and J.D. and you've also seen us go into our Nocturnal forms, I think you must've acquired those new werewolf tails from pure sight.

Me: (Beastly Voice): Yeah, and you now look awesome, Nico.

May: You got that right. Now, who's left?

Lincoln: (Beastly Voice) I think I know, Evil Leonard the Pig King, Evil King Hiss, Evil Hydro Man, Evil Vypra, Evil Shiv, Evil Electro, Evil Bane, Evil Webstor, Evil Vexen, Evil Firefly, Evil Calamitous, and Evil Ebon, and I got a new technique I want to use on them.

Lynn Sr.: You're definitely ready for them, those battles you've had with Electro, and the battles your sisters had with Leonard, King Hiss, Hydro Man, Vypra, Shiv, Webstor, Vexen, Firefly, Calamitous, and Ebon have also made you prepared.

Rita: And you've seen what they're capable of, sweetie, so we only have this to say: rip 'em to shreds and send 'em running home to that she-demon, Griselda Chernabog!

Lincoln: (Beastly Voice) Oh, they're not going to be running home to Griselda Chernabog, Mom, they're going to meet the same fate as the rest of those evil versions of The Masters of Evil.

Vypra: Yeah!

Suddenly, we saw the My Singing Monster, Hawlo, heading for us, along with the four girls.

Nico: Cool, that's Hawlo, and it's got the four girls with it.

Hawlo: (Girls' voice)(Spanish Accent) And we managed to get away from those evil versions of Vypra, Leonard the Pig King, King Hiss, Hydro Man, Shiv, Electro, Bane, Webstor, Vexen, Firefly, Calamitous, Myotismon, and Ebon.

Lynn: Oh man, and that Spanish accent, it's Sally Vocesdebelleza.

Lincoln: (Beastly Voice) I knew we were going to run into you, Sally, but we'll have to talk later, we've got company!

Lincoln put up a rainbow energy field to protect the four girls, and we eventually saw the evil versions of Vypra, Leonard the Pig King, King Hiss, Hydro Man, Shiv, Electro, Bane, Webstor, Vexen, Firefly, Calamitous, and Ebon heading for us, and like with the other evil versions of The Masters of Evil, they have the Qliphoth Tree of Death on their foreheads and blood red eyes of hate: Griselda Chernabog's handiwork.

Electro: So, those are the evil versions of ourselves.

Hydro Man: But, like the others, they have the Qliphoth Tree of Death on their foreheads and blood red eyes of hate.

Lincoln: (Beastly Voice) No doubt the work of Griselda Chernabog.

Evil Bane buffed himself up and came charging right at us, but Lincoln put him in a brutal bear hug so he couldn't escape and as he bit him on the neck, he began sucking out his blood and he also began absorbing him into his body and assimilating his immense brute superhuman strength.

Lincoln: (Beastly Voice) Now, let's deal with Evil Vypra, Evil Leonard the Pig King, Evil King Hiss, Evil Hydro Man, Evil Shiv, Evil Electro, Evil Webstor, Evil Vexen, Evil Firefly, Evil Calamitous, and Evil Ebon.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Dante (Loud House), Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic

Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Evil Vypra, Evil Leonard the Pig King, Evil King Hiss, Evil Hydro Man, Evil Shiv, Evil Electro, Evil Webstor, Evil Vexen, Evil Firefly, Evil Calamitous, Evil Myotismon, and Evil Ebon and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Vypra, Leonard, King Hiss, Hydro Man, Shiv, Electro, Bane, Webstor, Vexen, Firefly, Calamitous, Myotismon, and Ebon fired elemental blasts and knocked their evil versions down and the Emperyous Sisters put them into a trap used for The Chernabog Sisters, and they couldn't get out.

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this chaos. HEAVEN WING LIFE DRAIN!

Lincoln's massive white angel wings spread out and they were glowing with white energy, and then, his massive white angel wings fired blasts of white energy, and as they hit Evil Vypra, Evil Leonard the Pig King, Evil King Hiss, Evil Hydro Man, Evil Shiv, Evil Electro, Evil Webstor, Evil Vexen, Evil Firefly, Evil Calamitous, Evil Myotismon, and Evil Ebon, Lincoln began sucking out and absorbing and assimilating their powers and he also absorbed them into his body as well. Then, as soon as Lincoln was done, energy cards with the imprisoned souls of the evil versions of The Masters of Evil appeared in the tails and large left hands of Lincoln, Nico, and I and when the Judgement Kanjis appeared on their foreheads, the evil versions of The Masters of Evil were sent to The Black Gates forever. We all cheered wildly as we holster our weapons and powered down, and Lincoln, Rudina Adalwulf, Carmen Adalwulf, and I changed back, and our eyes changed back to blue, deep sapphire blue, and yellow, and the stingers of Cell on the tips of the eleven massive and long tails on Lincoln, Nico, and myself changed back.

Nico: Whoa, now that's what I call one wild Blood Moon rescue!

Lincoln: You got that right, Nico, and we really pissed off Griselda Chernabog. Well, she's going to get her day of Judgement tomorrow.

Laney Emperyous: Yeah. But, now we're rid of those evil versions of The Masters of Evil.

Lincoln: You said it, Laney. (To Sally Vocesdebelleza) And it's so good to see you again, Sally Vocesdebelleza.

Sally Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings and she reigned in the power of Hawlo, and she's dressed in a sleeveless open orange blouse, sleeveless orange top, orange skirt, red pants, orange legwarmers, orange sneakers, and long white sleeveless trenchcoat with logs and owls on the coattails and Hawlo on the back and holstered on her back is a Hawlo-themed large greatsword with Hawlo etched on the 7'0" massive, wide, double-edged orange blade, large owl heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large owl heads and a large orange gem on the bottom of the large owl heads for the pommel.

Sally Vocesdebelleza: (Spanish Accent) (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily again, Lynn, and you all look so amazing.

Lynn: Thanks, and you also look amazing, Sally. Plus, you're going to be quite surprised to see how much Lincoln's grown and changed.

Lincoln went up to Sally Vocesdebelleza and he hugged her, and Sally Vocesdebelleza is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sally Vocesdebelleza: (Spanish Accent) Whoa, and Lynn's right, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, so this is…?

Lincoln: Yep, that's Nico, this is Sally Vocesdebelleza, she's the fourth eldest sibling of the ten Vocesdebelleza Sisters who are my Guardian Angels from Brazil, and Sally and her sister, Ronalda, are Lynn's classmates in Gym, and they would often help Lynn with training for sports.

Lynn: You got that right, they've really helped out with my training for any games our teams have.

Lincoln: That's right, and they have the same story.

Nico: Hey yeah, that's right, and we got an idea of what they're like.

Johanna Vocesdebelleza: (Spanish Accent) You said it, and it's so good to see you, Sally.

Sally Vocesdebelleza: (Spanish Accent) It's good to see you, Corona, and Ronalda again, Johanna, and it's also good to see you again, Hilda.

Hilda: (British Accent) You too, Sally.

Sally Vocesdebelleza: (Spanish Accent) And I've got a story to share on how Lincoln mongrelized Flip when he tried to kill me and my sisters.

Nico: Oh, this we're really going to enjoy hearing.

Sally Vocesdebelleza: (Spanish Accent) You're going to love hearing it. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Sally, are you absolutely sure?

Sally Vocesdebelleza: (Spanish Accent)(Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Sally Vocesdebelleza, and like her sisters, he saw she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Sally Vocesdebelleza's neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Sally Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin and your sisters, you're now part of my harem and my many future wives, Sally.

Sally Vocesdebelleza had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Sally Vocesdebelleza's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Koda Minare, Chishiro Madoka, Nanba Mizuho, and Makie Tachibana from Wave, Listen To Me!

Lincoln: Oh wow, it's Koda Minare, Chishiro Madoka, Nanba Mizuho, and Makie Tachibana from Wave, Listen To Me!

Nicole: Awesome.

Lincoln: Are you girls okay?

Koda Minare: Yes, we're okay, thanks to you.

Then, when Koda Minare and the other three girls saw who it was that saved them from the evil versions of The Masters of Evil created by the now insane Griselda Chernabog, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Koda Minare: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Koda Minare: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Koda Minare, Chishiro Madoka, Nanba Mizuho, and Makie Tachibana with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln made a report of what happened this morning, and when he pointed out that the evil versions of The Masters of Evil were the creations of the now insane Griselda Chernabog, everyone in Gotham Royal York was now screaming for the deaths of The Chernabog Sisters, and when the news hit the imprisoned Chernabog Sisters of what we did, they all screamed like the demons they are.

Maria: Serves them right, and now, because of your report, Lincoln, everyone in the city is screaming for the deaths of The Chernabog

Sisters.

Lincoln: No one has ever forgotten what Adrastea Chernabog and her accursed sisters had done, and when the news of their return hit, they were now wanting the deaths of The Chernabog Sisters, and we're going to make sure they never return again.

Nico: Yeah, one by one, they're all getting a one-way trip to The Black Gates for good for the crimes they've committed.

Me: Yeah, what a bunch of demons.

---

After destroying the evil versions of The Masters of Evil and really pissing off Griselda Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Sally Vocesdebelleza saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sally Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sally, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sally Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Sally, what's the story on how Lincoln took down and beat Flip up into a pulp when he tried to kill you and your sisters?

Sally Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Flip and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again, but Lincoln grabbed Flip by his arm and he broke it and that caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out Flip's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Eli: Not again.

Nico: Yeah, I remember that one all too well, when we got the word that Flip broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Flip deserved it, and that mutant cheapskate had no chance against Lincoln, and I got the picture.

I pull out a picture of Flip after he was mongrelized by Lincoln and it matched what Corona told us of what Lincoln did to that mutant, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Flip, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let Flip get away with that, so I had to defend the Vocesdebelleza Sisters from that mutant cheapskate.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one tough guy, Lincoln, and you kicked Flip's three-cheeked ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his three-cheeked ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Mr. King from Mega Man Star Force, and he was causing havoc.

Lincoln: It's Mr. King!

Nicole: Not that egotistical God wannabe again!

Aile: We need to stop him.

Lincoln: Right, Aile, let's go.

We flew out of the World Tree Estate and Lincoln fired powerful rainbow energy balls and elemental forces at Mr. King, and when he saw us, he was enraged.

Mr. King: You dare to get in my way, Team Loud Phoenix Storm?! I will destroy you all along with all of humanity and this entire world!

Lincoln: No, your days of trying to destroy humanity and the world are ending here and now.

Queen Tia: And we're going to make sure of it.

Lincoln, Queen Tia, Aile, and Dr. Vega went after Mr. King, and they fired extremely powerful blasts of rainbow energy, colored energy, robots, crosses, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at the psychopathic bastard, and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords and left nasty scars on him, and it was really pissing him off.

Then, Lincoln, Queen Tia, Aile, and Dr. Vega fired four pitch black energy blasts with the Judgement Kanji and they hit Mr. King and he was sent to The Black Gates for the crimes he'd committed against humanity.

Me: Whew, now that was close.

Nico: Yeah, but at least, Mr. King got what he deserved.

Lincoln: Sent to The Black Gates forever for his crimes against humanity and Earth.

We returned to The World Tree Estate, and we got rid of Mr. King for good, now we're going to get ready for our big mission with The Dino Fury Rangers and destroy Void Queen and the Nemesis Beast for good.

---

At the mall, Lori was taking the mascots to the phone store to buy them their own phones.

Poromon: Why are we waiting in line?

Merrick: It's actually simple.

Lori: The four of you need your own phones. You can't go on mine all the time.

Me: Yeah and you can't use mine either.

Nico: Or mine.

Qin: Not mine either.

Poromon: Oh right.

Me: But it looks like we're going to be here for a while.

We saw that the line was a long one!

Nico: Jumping jellyfish! What a line.

Sunset Shimmer: We can wait.

Potion Nova: I hope they don't run out.

Me: I have a feeling they won't.

We were waiting and waiting and waiting.

Poromon: Geez! This is a long line!

Me: It sure is.

---

French Narrator: (French Accent) 2 Hours Later.

---

Me: We're next.

We went in.

Qin: Finally.

Lori: Okay lets get you guys a phone.

Offroad: Thank Primus you guys still have some phones!

Clerk: Yeah we got lots of them.

We got the Mascots iPhones and they were awesome.

Poromon: Cool!

Poliwag: Awesome!

We later went back home and set the iPhones up for them.

Sideswipe: I hope you guys enjoy!

Poromon: Oh we will!

They were all playing Angry Birds.

Nico: At least they are all happy.

Potion Nova: They sure are.

Rainbow Dash: I think it's awesome.

Nico: It sure is.

Qin: Yep.

Nico: Now it's the moment you all have been waiting for. Time to get ready for Cornelia's big day mission!

Me: YES!

Notacon: Nico, which teams have you made this time?

Nico: Gali's team will include Sailor Saturn, Destiny the Whale Shark, Dory, Nemo and Bailey. Jimmy's team will include Sweet

Leaf, Cindy Vortex, Sheen, Carl, and Libby.

Gali: Right on!

Jimmy Neutron: This is gonna be most awesome!

Me: About time Nemo and his friends got included into the mix and I can't remember if we did an adventure with them.

Qin: Me neither.

Laney: But who cares. It will be awesome.

Nemo: It sure will!

Then Cantwell, Evil Green Ranger, Captain Cold, Man Ray, Major Disaster, Cluemaster, Common Cold, Radioactive Man, Kalin, Private HIVE, Rainbow Raider, Astronema, Steelbeak, Quackerjack, Spellbinder, Evil Desert Man, Malodor, Kaa, Bluto, and Sir Raleigh appeared.

Cantwell: Can me, Evil Green Ranger, Captain Cold, Man Ray, Major Disaster, Cluemaster, Common Cold, Radioactive Man, Kalin, and Private HIVE go with you guys?

Rainbow Raider: Me, Astronema, Steelbeak, Quackerjack, Spellbinder, Evil Desert Man, Malodor, Kaa, Bluto, and Sir Raleigh will come too.

Nico: Yes you all can come with us. But we're going to need ALL of the members of the Masters of Evil to come with us all. I sense that The Void Queen has something massive planned for when we meet the Dino Fury Rangers so we'll need all the help we can get.

Steelbeak: Good idea.

Qin: Okay.

Maria called them in.

Me: And Nico I have a special guest coming with us today.

I had Kylee Griffin come in.

Moondancer: Kylee!

Kylee: Hey Moondancer.

Me: I know it's not the big day but it's part of a guest battle I have set up for her.

Nico: Oh I get it. You want to show her the archenemy we have for her.

Me: Bingo.

The M.O.E. All came.

Vypra: Looks like we're going to be in for a massive fight.

Me: Yep we sure are.

Scourge: Nico, which Gene Slammer do you think you'll meet next?

Nico: Ones for Earthbound Immortal Chacu Challhua and Storm Skyress next.

Me: Wow! The Whale Earthbound Immortal and one of Shun's Bakugan. This will be interesting.

Greiger: It sure will. You know I will be going with you.

Laney: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than another old enemy of the Guardians, Lord Cedric, Phobos' general, and he's here to get revenge on us for the death of Phobos. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln,

Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and the Guardians aren't going to like it: the dark energy signal that we sensed belongs to Lord Cedric, Phobos' general, and he's coming after us to get revenge for what we did to Phobos.

We gasped in shock, including the Guardians who've more than once had to deal with that follower of Phobos.

Will Vandom: I can't believe that overgrown snake has come back!

Elyon: I should've known he wouldn't stay dead for much longer.

Cornelia: But, we're going to make sure that he's destroyed for good.

Lincoln: And instead of The Black Gates, he's going to be sent into The Book of Vile Darkness, that'll be his new prison for eternity.

Hay Lin: Good idea, Lincoln.

Nerissa: Indeed it is. Lord Cedric's caused enough trouble to last us an eternity, so time inside The Book of Vile Darkness is a fitting punishment for him.

Me: I was just about to say, Nerissa.

Nico: Same here.

Cornelia: And Lincoln, would you like to be the one to kill him after Will, Irma, Taranee, Hay Lin, and I get through with him?

Lincoln: Really? Okay, you got it, Cornelia.

Nico: Oh man, as if fighting and weakening him isn't going to be enough, you've decided to send Lord Cedric straight into the Lion's Den by having Lincoln kill him for good, really brutal. Alright, gang, let's go, time to meet up with Zayto and the Dino Fury Rangers and destroy Void Queen and the Nemesis Beast for good.

Lincoln: Those monsters are going to pay with their lives for everything they've done, and once they've been destroyed for good, you're next, Lord Cedric.

Cornelia: Yeah. Hang on for a little bit longer, Zayto, we're on our way.

Captain Cold: Let's get going.

Steelbeak: This has been a long time coming.

Nico: Three months of waiting is about to pay off.

With that we were off.

PINE RIDGE, WASHINGTON

We arrived and we were flying over Pine Ridge.

Me: Here we are.

Nico: Pine Ridge is looking good.

Blast Man: Anyone see them?

We then heard screaming and we saw the Dino Fury Rangers battling Boomtower and some Hengemen again!

Me: There they are they're fighting Boomtower.

Nico: Boy he sure is a glutton for punishment.

Azald: Just like me.

Nico: Lets give him a minor entrance.

We went at him.

Boomtower: Time for another present.

But then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Zayto: That's Zocks!

We came out!

Me: Surprise!

Zayto: Wow! You guys made it!

Me: Wouldn't miss it for anything.

Boomtower: So you here to give me more?

Me: You bet we are Boomtower.

Xenia: Time for a massive buttkicking!

Evil Desert Man: I'll handle this.

Evil Desert Man pinned Boomtower to the ground and started punching him relentlessly.

Cluemaster: (takes out radio) I've got a good song for this. (plays Beast Morphers theme song)

Devon: Oh yeah!

Me: Good choice of song!

I fired waves of blue fire and blasted Boomtower all over the place!

More Hengemen appeared and Eli fired waves of Force Lightning and electrocuted them into dust!

Cornelia and Dai Gui smashed them into dust.

Laney: YEAH!

Xenia: Take this!

She fired an arrow and blasted Boomtower and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to a Sporix Cell!

I picked it up.

Me: Boomtower you have failed this city again.

I gave it to Vypra.

Vypra: Thanks J.D.

Me: No problem.

Zayto: Awesome you guys came.

Me: Like we wouldn't miss out on Cornelia's awesome day.

Blaster Tron: Boomtower eliminated.

Me: Just back to a Sporix Cell. Sporix's are virtually immortal and indestructible and revert back to eggs.

Qin: Yeah it's true.

Zayto: Yeah. How have you all been?

Me: Busy and more.

Nico: We sure have been. Thanks for helping us out on Halloween.

Amelia Jones: No problem guys.

Me: I just can't believe we stayed up till sunrise on November 1st.

Izzy: Wow! You guys really were busy.

Sam S.L.: All that and more.

Then the Ghostbusters all came.

Kaa: You guys came too?

Eduardo: Hey, wherever Kylie goes, we follow.

Radioactive Man: Can't argue with that.

Me: Awesome. We need all the help we can get for this.

Nico: Yep.

Me: (Gasp) Amelia isn't today also the day your new sister comes?

Amelia Jones: That's right it sure is!

Paragus: Can we head to your base?

Zayto: Sure.

We went to the base at Dinohenge.

We were all at the base at Dinohenge and it was amazing.

Me: Here we are guys.

Camie: So this is the Dinohenge Base.

Laney: Wow.

Private HIVE: This is an impressive base.

Sir Raleigh: (to Solon) You must be Solon.

Solon: I am and it's great to have you all here.

Laney: We are honored.

Me: It took 3 months of waiting but it was all worth it.

Qin: Yes it was.

Madame Noir: I am absolutely amazed that the Void Queen looks so much like me.

Me: Madame Noir is the Japanese version of her except she is from ToQgers.

Zayto: That is amazing. Very coincidental too.

Xenia: We were shocked that she and Void Queen looked identical both in America and Japan.

Solon: That is very coincidental too.

Poromon got out 4 beer bottles.

Zayto: Are those-?

Poromon: 4 bottles of beer!

Sunny Tennyson: (laughs) Oh, how I've missed that!

Nico: (LAUGHS) It has been a while.

Zayto: Digimon and Pokemon that drink.

Me: And I missed saying this. Don't fucking ask.

Qin: Crazy story.

Zayto: Oh. But thanks anyway but I don't drink. My people never drank any form of alcohol.

Shanan: The Rafkonians are very sensitive when it comes to alcohol.

Zayto: How did you know that?

Me: My daughter Shanan knows all about every single kind of life form in the universe. She can tell us all about everything in the

universe.

Zayto: That is amazing.

Aiyon: Boy it sure is!

Qin: We were amazed about her expertise too.

Shanan: Yeah it's amazing what I know.

Poromon: (shrugs) Suit yourself. (starts drinking beer bottle)

Bluto: You're drinking now?!

Poliwag: This might be the last opportunity we'll get to do so before we face Void Queen!

Kalin: (to the other Dino Fury Rangers) You sure you guys don't want any? Before the mascots finish the four beer bottles?

Izzy: No we're good.

Ollie: Yeah I don't drink.

Amelia Jones: Me neither.

Javi: Same here.

Poromon: Okay then.

Me: When they get drunk we snap them out of it.

Nico: Hsi Wu, Vulture, you fly out and find out where the Void Queen is and let us know if she has anything planned.

They nodded and were off.

Me: Also no one is going to die today. We don't die so easily.

Qin: Yeah we all swore that we would get through all this together.

Xenia: That's right.

Gargoyle: When should we start expecting the labor pains?

Amelia Jones: Should be any moment.

Me: Well we have some of the finest doctors on the team so your mother will be all right.

Santaura then screamed!

Qin: Oh no! Its begun!

Me: Here we go guys.

Solon: Here we go.

We got her ready.

Santaura: I HOPE YOU ALL FUCKING KILL VOID QUEEN!

Common Cold: I agree with the labor pains.

Malodor: Void Queen IS going to die.

Me: That's exactly what we intend to do.

Qin: Yep.

Me: And we're going to give her the Black Gates.

Izzy: I'm lost here. What are the Black Gates?

Me: One of the deadliest techniques we have in our arsenal. It judges you on your crimes and if found guilty, it erases you from existence forever as if you were never born in the first place at all.

Izzy: Jeez!

Qin: Yeah. It's a very powerful technique we have.

Me: We only use it on the most evil of villains.

Laney: Yep.

Stone Man: I find it very interesting that Red Rangers of Dinosaur teams are all T Rex Themed.

Me: Me too. That is really cool.

Jason Lee Scott: That's right. I'm the first T-Rex Ranger.

Connor McKnight: That makes me second.

Tyler Navarro: And I'm the third.

Zayto: And that makes me the fourth.

Qin: Yep.

Carly Atlas: That is so awesome and cool.

Lola: Yeah it sure is.

Camie: The Dinosaur, Animal and Space Rangers are all really awesome.

Lola: They sure are.

Santaura screamed more.

Major Disaster: (winces) I don't know how long I can listen to this!

Spellbinder: Tell me the baby's almost out!

Then we heard baby crying.

Me: I think that answers that.

Qin: It's done.

We later saw Santaura out and in her hands was a little baby girl.

Me: Oh Santaura she is adorable.

Amelia was so happy.

Santaura: (Exhausted) Yeah I'm so happy. Amelia this is your new sister Selyon.

Amelia: Oh mom. I'm so happy.

Nadira: She's so cute!

Santaura: Yes she is.

Qin: Aww.

Himiko: So adorable.

Me: Yeah.

Zayto: Congratulations Santaura and you too Amelia.

Eli: We're all so happy for you.

Me: I better relay the message to Terrick.

Zayto: Go for it.

I then sent a telepathic message to him and then instantly he appeared.

Terrick: Oh Santaura.

He saw her and her new daughter.

Amelia Jones: Dad I'm now a big sister.

Terrick: You sure are Amelia.

Me: Meet Selyon.

Santaura: This is Selyon.

Terrick then held her and it was awesome.

Man Ray: Rest well, little one.

Quackerjack: Your dad and sister are heading out to take out the trash.

Then Vulture and Hsi Wu came back.

Vulture: Guys we have huge trouble!

Me: What is it?

Vulture: It's not just the void queen we're facing. She also has recruited 23 of the Power Rangers most dangerous enemies.

They told us that Void Queen has with her enemies we are all too familiar with! We found out that she has Rita Repulsa, Master Vile, King Mondo, Rygog, Furio, Mavro, Gluto, Master Org, Lothor, Zeltrax, Broodwing, Octomus, Flurious, Scorch, Venjix, Xandred, Vrak, Don Armage, Evox, Arcanon, Emperor Yodon, Galvanax and Ginis!

We gasped in shock and absolute horror!

Qin: OH MAN!

Laney: She has all of the rangers most powerful enemies from over the course of 30 years!?

Nico: Not good!

Eli: This is REALLY not good!

Me: I've been WAITING for Lothor to show up!

Nico: Boy J.D. has been looking forward to this.

Camie: Yeah. But who are these guys?

Me: These are the rangers mode danger and central bad guys that they all have faced over the course of 29+ Years both in America and Japan.

I went over who they were.

Rita Repulsa - (Mighty Morphin Power Rangers)

Rita Repulsa was one of the main antagonists of the Power Rangers franchise; an evil space witch who sought to conquer the planet Earth for her master-later-husband Lord Zedd.

In the original series, she was portrayed by the late Machiko Soga in Season 1 who has played Witch Bandora in Kyoryu Sentai Zyuranger and also Queen Hedrian in Denshi Sentai Denizman, later appearing as the same character in Taiyou Sentai Sun Vulcan. Carla Perez played her in Season 2 onwards, and voiced by Barbara Goodson from Mighty Morphin to In Space, who also voiced Mother Talzin in Star Wars: The Clone Wars. In Power Rangers Mystic Force, she was played again by Soga and voiced by Susan Brady.

Rita Repulsa was an intergalactic sorceress who journeyed throughout the universe causing chaos and mischief with her army of monsters and dark magic, all while assisting her father Master Vile and her master-turned future lover Lord Zedd spreading their evil. She eventually found her way to the Milky Way Galaxy, where she found an opponent in the benevolent alien sage Zordon of Planet Eltar. After many years of conflict, Rita lured her foe to a supposed peace talk where she managed to trap him in an other dimensional time warp. However she and her minions were trapped themselves by Zordon in the Space Dumpster.

However, Rita wasn't trapped forever and 10,000 years after her imprisonment, she and her minions were freed by a pair of astronauts who found her dumpster on the Moon.

Now free to take control of Planet Earth, Rita reestablished herself from the forgotten Moon Palace where she began sending down monsters to attack the planet. However, she found herself confronted by Zordon's champions, five super-powered teens known as the Power Rangers. Rita even created her own evil Power Ranger (Tommy Oliver, the Green Ranger), but he turned good and she was faced with an even greater challenge. However Rita later took away his powers with a green candle that would drain his powers when it burned out. However, she still didn't get back the powers when Tommy passed his Dragon Coin (the source of his powers) to Jason, the Red Ranger. Another of Rita's more inspired plans was to capture the parents of Angel Grove so as to force the

Power Rangers to hand over their Power Coins. Even after getting the Power Coins, she still didn't hand return the parents. But after Tommy received a temporary charge to his Dragon Coin, this plan was foiled as well.

Disgusted with Rita's failures, Lord Zedd angrily came to the moon to take over from his servant, by modifying Rita's fortress and taking her minions under his wing. He then banished her into another dumpster, leaving her shrunken and helpless, and cast her into space. Rita's dumpster found its way back to Earth where it was found by Bulk and Skull. She attempted to tell them the Power Rangers' secret identities, but the Rangers stopped her and sent her back into space. Rita returned again where she got in contact with her still loyal scientist, Finster, who grew her back to normal size and made her look younger. He also gave Rita a love potion that she managed to get into Zedd's system, making him fall in love with her and instantly marry her. She planned to get rid of Zedd so that she could take control of his empire.

Soon after Rita married Zedd, her brother, Rito Revolto, came to the moon to help them battle the Power Rangers. In an attempt to defeat the Rangers, she sent in a girl under her control named Katherine Hillard to spy on the Rangers and help bring them down but the girl turned on Rita. Goldar laterr removes the Love Potion from Zedd's insides only to find out that it had worn off long ago and that Zedd and Rita truly loved each other now rather than her prior planning to betray him. Later Rita's father, Master Vile, came to the moon seeking the Zeo Crystal and he helped her and Zedd battle with the Rangers. Vile left after turning back time in Angel Grove, reverting the Power Rangers to children, which proved extremely helpful to Rita and Zedd. They managed to get their hands on the Power Coins and destroyed them, along with the Command Center.

Rita and Zedd began celebrating their final defeat of the Power Rangers, only to find themselves under attack by the Machine Empire. They found refuge with Master Vile, but returned to take their vengeance on the Machine Empire . Rita and Zedd first attempted this by sending Louie Kaboom, under their control, to become the empire's new ruler, but he became independent and they had to think of something else. Rita and Zedd, along with the

Machine Empire, tried to gain the Gold Ranger powers. After King Mondo was defeated by the Zeo Rangers again, the pair managed to plant a bomb that blew the Royal House of Gadgetry to bits.

After Divatox found herself having trouble taking down the Power Rangers, she gave Rita a call to try and get advice on how to fight them. She simply cackled and said that if she knew how to do that, she wouldn't be listening to Zedd's snoring and told Divatox to flee.

Rita and Zedd later went to the United Alliance of Evil's meeting on the Cimmerian Planet. Before the meeting began, she had a run in with Divatox, who bragged about defeating the Power Rangers. Rita in turn sarcastically told her that she should not be so certain of this. After a Red Ranger was discovered at the meeting and escaped, she volunteered to Dark Specter to go after him, but Astronema was chosen instead. Rita and Zedd took part in the Grand Monarch of Evil's universal invasion of the universe. But after Zordon sacrificed himself, the energy wave from his shattered tube swept over Rita and Zedd, making them human and turning them good.

Rita regained her magical powers, but this time it was from good magic and she became the Mystic Mother, Empress of Good Magic and leader of the Mystic Ones. She was apparently the one who gave the Mystic Force Rangers their link to the Morphing Grid and when The Master returned, he attacked the Mystic Mother. She was unable to fight him, but survived the battle and helped the Mystic Rangers defeat the Master.

Rita was mentioned alongside notorious villains past Rangers fought by Major Daniels as he expressed concern over the idea over using Morph-X as the new power source despite Grid Battleforce reassured him that they formed Beast Morpher Rangers, to deal whatever threat that coveted the powerful substance. Indeed, despite of her reformed as noted by members of Evox's faction, many people acknowledged her notoriety during her time as a villain.

Rita Repulsa appeared as the main antagonist in the 2015 short film Power/Rangers. This dark horned alien witch disguised herself as the original Pink Ranger Kimberly Hart (who died in battle) and had killed the rest of the original Rangers in an attempt to rule the world with the Green Ranger Tommy Oliver. Once Rita reveals herself, Tommy attacks her at the final scene.

In Mighty Morphin Power Rangers: The Movie, Rita appears as one of the main antagonists as with Mainstream series, but is unceremoniously outmatched by the worse villain Ivan Ooze who usurped the leadership over their party until his death.

Master Vile

Master Vile was the father of both Rita Repulsa and Rito Revolto, the ruler of the M-51 Galaxy, and a pivotal antagonist in the Power Rangers franchise. Master Vile was the one responsible for the unearthing of the Zeo Crystal, regressing the Power Rangers into children and beginning the events that led into Power Rangers Zeo.

He was voiced by Simon Prescott who later voiced Loyax but is best known as the English voices of Dr. Laughton in the anime adaptation of Metropolis and Aritomo Yamagata in Rurouni Kenshin.

A year after Rita's marriage to Lord Zedd, Master Vile sends Rito to the Moon and has him plant some Tenga Warrior eggs as a reluctant wedding present. Master Vile is also indirectly referenced when Zedd takes his Z Staff from Rito who claims he's "even worse than Dad."

Sometime after the defeat of the Sinister Simian, Master Vile comes to the Moon in search of the powerful Zeo Crystal and creates the Blue Globbor by throwing up an egg. Vile then assigns him the mission of re-capturing the escaped Ninjor to use as a power source and bargaining tool in his plan. After Ninjor is captured, Vile uses the ninja master's connection to Globbor to stop the Rangers from hurting his monster. In the process, the Blue Globbor defeats the Megazords and sends them to another planet where Master Vile uses the captured Zeo Crystal to corrupt them and make them destroy Angel Grove with eye-beams. Although he holds a premature celebration at the Youth Center, he has to break it up when the Rangers rescue thier Zords and sends Globbor back to attack them as he watches. Soon after though, Globbor is reduced to his original form which severs his connection with Ninjor who is able to escape. Enraged, Master Vile enlarges to fight the Rangers with his monster but the Blue Globbor is swiftly killed though this doesn't faze the arrogant Master Vile. The Power Rangers then form the Shogun Megafalconzord and blast Vile before hitting him with the Ninja Megafalconzord's Power Punch. However, Master Vile survives without a scratch and retreats although not before proclaiming that they have not heard the last of him. Despite this major set-back, Master Vile opts to stay in command of the Evil Space Aliens and get revenge.

Vile later sends his ally Dischordia to take control of the Rangers' minds and make them hand over thier Power Coins but she is destroyed. Unfazed, Master Vile decides to unveil his ultimate plan; using the Orb of Doom to turn back time and revert the Power Rangers back to helpless children. He sends Rito down to Earth with the Tenga Warriors and Goldar who are able to hold off the Rangers whilst the Orb is placed and Vile completes the spell to turn the Power Rangers into children. Although Rita, Zedd, Rito and Goldar then grow giant and cause chaos in the city, Vile forcibly shrinks them back down since he wishes to enjoy his victory with a conference.

After having a shouting contest with Zedd, Master Vile forcibly withdraws everyone but Rito who he allows to pursue the Rangers though he is later withdrawn anyway. Vile then sends Rito and Goldar with an implosion device to destroy the planet and has Finster recreate many of his past monsters to attend a special conference. However, the celebration is ruined when Zordon and Alpha defuse the bomb and strange energy signatures pass the Moon. Vile sends Rito and Goldar to investigate but they are repelled by the Power Rangers from the planet Aquitar. Worried by thier presence, Vile disbands the conference and sends down five monsters led by his general Professor Longnose to destroy them only for Longnose to be killed and the monster army sent packing. With his greatest plan a failure and his trusted general dead, Vile throws a tantrum before leaving for the M51 Galaxy in disgrace since "evil always wins" there.

Not long enough, once the Machine Empire drive Rita and Lord Zedd off of the Moon, she contacts Vile since they need somewhere to stay. He agrees to let them stay with him despite the fact Zedd will be with her since he cares about his daughter.

Two years later, Master Vile and the Blue Globbor later attend the meeting of the United Alliance of Evil on the Cimmerian Planet. However, he doesn't take part in Dark Specter's final attack on the universe so his ultimate fate is unknown although he is most likely destroyed by Zordon's Energy Wave when it washes over the universe due to being completely irredeemable.

King Mondo

King Mondo was the ruler of the Machine Empire and a major antagonist in the Power Rangers franchise. He served as the main antagonist of Power Rangers Zeo, a minor antagonist in Power Rangers In Space and the posthumous overarching antagonist of the Power Rangers Wild Force episode "Forever Red."

He was voiced by David Stenstrom.

King Mondo leads his Machine Empire to the Moon where they drive out Lord Zedd and Rita Repulsa using the army of thier Quadrafighters. King Mondo and Queen Machina are even more evil than Lord Zedd and Rita Repulsa and the Machine Empire have taken over a whole chain of galaxies. He believes that Earth will be an easy conquest but is surprised when the Zeo Power Rangers defeat a squad of his Cogs. However, King Mondo is intrigued by this more than he is angered since all of his previous conquests had been boring and too easy and these Power Rangers actually prove formidable.

Eventually becoming frustrated by the Zeo Rangers, King Mondo attempts nearly anything to destroy the do-gooders. With his army of Cogs and trusty evil side-kicks, he createx multiple monsters to unleash on his enemies such as the Leaky Faucet, Staroid and Defoliator.

After the annihilation of the Neo-Plutonium Armour empowered monsters, Mondo eventually gets tired of the Rangers getting in his way and decides to kill the Rangers himself. He unearths the powerful Sword of Damocles and uses it to grow to giant size and fight the Super Zeo Megazord only to be destroyed in the battle.

However, his computer brain survives and he is sent to another universe in order to be rebuilt.

Shortly after the death of the Mecaterpillar, Mondo is rebuilt and drives out his estranged son Prince Gasket and daughter in-law Archerina who took over in his absence. Immediately afrer, he sends a new monster called Cog Changer and forms a temporary alliance with Zedd, Rita, and their Impursonator but they soon start fighting against each other again since they both want the Gold Ranger powers. After Jason is saved from the Gold Ranger powers, King Mondo cuts his losses and engages the Rangers in giant form for a final battle, but is defeated by a devastating energy kick from Tommy. Later he and the rest of the Royal House of Gadgetry meet with Zedd and Rita who pretend to surrender but use a bomb to blow up Mondo and the others.

Within two years, they are rebuilt by the United Alliance of Evil and join the meeting on the Cimmerian Planet. Later that year, King Mondo leads the Machine Empire and General Havoc in an attack on KO-35 and the Phantom Ranger's planet. However Zordon's energy wave turns him into a pile of dust alongside Queen Machina which marks his permanent death since the wave also destroys the extreme majority of the Machine Empire.

Many years later, General Venjix, the leader of the remnants of the Machine Empire, still looked up to his former King as a living god over creation. Before his destruction, he was sad that he failed his King years after the Machine Empire fell. King Mondo is mentioned by Venjix, also he shows to his minions a bronze statue of him.

Rygog is a mutant that serves as Divatox's second in command and a supporting antagonist in Turbo: A Power Rangers Movie and Power Rangers Turbo as well as a minor villain in In Space.

Rygog accompanied Divatox to Earth where he aided in her battles with the Power Rangers. However the bulky design of his armor prevented him from entering battle for her due to the fact it kept him from being very mobile. Rygog also piloted the Cat Divazord at one point and fired the torpedos that allowed Divatox's monsters to grow to giant size.

He and Elgar discovered the location of the Power Chamber and Rygog was at his mistress's side when she lead her forces in an attack on it. He later accompanied her to the meeting of the United Alliance of Evil on the Cimmerian Planet. Rygog helped Divatox with her assignment of keeping Zordon hidden until Dark Specter could drain all of his powers. He joined in the United Alliance of Evil's universal invasion, aiding in Divatox's attack on Gratha. He may have been destroyed by the wave of energy from Zordon's shattered energy tube although this is unknown.

Furio

Furio was one of Scorpius's generals and the responsible for turning the planet Mirinoi and its residents into stone in the quest to get the Quasar Sabers. He is also responsible for sending Mike into the crevice which makes him Leo's arch-nemesis. He was the main antagonist of the first nine episodes of Power Rangers: Lost Galaxy until being killed at the start of the tenth.

He was voiced by Tom Wyner.

Furio led the brutal attack on the planet Mirinoi, seeking to gain the powers of the Quasar Sabers. Not amongst those chosen, however, Furio couldn't pull the saber from the stone, just like numerous warriors before him. He was confronted by six warriors (Mike, Leo, Maya, Kendrix, Damon and Kai) who battled his army of Stingwingers to protect the people. It was in this awesome battle, five of the six warriors than pull the legendary Quasar Sabers from the rock. Enraged, Furio sought to destroy everyone in Mirinoi by turning them to stone. He pursued the warriors and managed to create a crevice in the jungle like planet, which tragically sealed Mike inside. Furio witnessed the warriors transform into Power Rangers and was no match against their energy. He left the planet and reported to his superior that he was going to retrieve the sabers for him.

His next encounter with the Rangers would take place on Terra Venture, where he attacked Leo but left abruptly. With Scorpius growing impatient with him, Furio assigned several monsters to snatch the sabers. When Horn succeeded, Furio ordered him to destroy the weapons, having been commandered by Scorpius to do so. He then allied with Scorpius' daughter, the adventure-starved Trakeena, and sought to gain the Lights of Orion, yet another ancient source of power.

In a devious plot to use Leo for the Lights, Furio and Trakeena managed to trick Leo into believing that his brother had returned. When this plan failed, Scorpius almost destroyed him, having grown tired of his constant failures. Desperate to prove his worth, he finally stumbles on what he believes are the Lights of Orion. Before he can retrieve it to his master, however, he's interrupted by Leo once more. The two engage in battle and Furio, at his last straw, commits suicide by self-destructing and grabbing Leo, in a fruitless attempt to destroy his enemy. Furio was killed and the cave they were in collapsed but Leo was saved by the new Magna Defender.

## Emperor Mavro

Emperor Mavro is the main antagonist of Power Rangers Megaforce and Power Rangers Super Megaforce. As the emperor of The Armada and the father of both Vrak and Vekar, he commands a powerful military force all throughout the galaxy. At his side are the Royal Guards, acting as his security detail 24/7.

Some time before Warstar went to attack Earth, Emperor Mavro called Damaras to his throne room for a discussion. Mavro told Damaras that he must assist his son Prince Vekar in the invasion of Earth. He elaborated by calling Vekar an empty-headed blunderer and nothing compared to his brother Vrak. Nonetheless, Vekar was still his first born and, thus, his main heir. Damaras was to serve as Vekar's second-in-command alongside Vrak.

Fed up with all the failures from the Armada, Mavro sends Matacore to assist Vekar in the invasion of Earth. Matacore assisted Prince Vekar, only to get killed.

Once again fed up with the failures, he sends his royal guards to Vekar's fleet to drop down the Armada Megazord as a last resort to conquer Earth. However, this plan failed as well.

After the deaths of both of his sons, Emperor Mavro decided to participate directly in the invasion of Earth. He arrived with his fleet, the Imperial fleet. As punishment for failing to conquer Earth, he had the Imperial fleet wipe out the fleet surrounding the Armada Mothership, and had Yellzor and Redker throw Damaras into prison.

Seeking to avenge the death of his sons, Mavro had an X-Borg platoon attack Earth, only for them to be destroyed by the Power Rangers.

Redker volunteered to destroy the Rangers, but Levira had something else in mind. After quick convincing from Levira, Mavro gave Damaras a chance to redeem himself. He had Damaras capture Troy to give him a public execution on Earth as a means to get all of humanity to surrender, only for this plan to be thwarted by the Rangers.

Much later, Emperor Mavro called in as many Armada forces in the galaxy to attack Earth to conquer it. To buy time for the arrival of reinforcements, Mavro tricked Levira into going on a suicide mission against the Rangers. When Levira was destroyed, the reinforcements arrived. Though the Rangers wiped out the fleet with their Megazords, another fleet wave arrived. This time, the fleet destroyed all of the Rangers' Megazords. Once that was done, Mavro introduced himself to the people of Earth, much like Malkor did a year earlier. Through the ship's hologram system, he stated that the Power Rangers are destroyed and that the Earth is his just like all the other planets he rules in the galaxy. Wanting them to suffer, he told the humans that he will attack the next day at dawn to finish the job.

Surviving the destruction of the Megazords, the Rangers hatched a new plan. While Troy and Orion crashes an Armada ship into the Armada Mothership, the other Rangers dealt with Redker and a swarm of X-Borgs. While Orion distracts Mavro by battling him, Troy presses all sorts of buttons in the Armada Mothership. This resulted in the entire Armada fleet being wiped out. Mavro was angry about this. To ensure Emperor Mavro's defeat, Orion and Troy had the Armada Mothership crash to the ground.

Emperor Mavro, however, survives the blast, stating that he's survived worse. The Rangers morph and gave it all their might against Mavro using most, if not all, of their Legendary Ranger

Modes. As the finisher move, the Rangers used the Super Mega Saber Blast and Super Silver Spear against Mavro, aiming directly at his stomach. However, Mavro survived with a wound on his stomach. Mavro deemed himself invincible, much to Orion's response, stating that no one is invincible. At point-blank range, Orion fired the Super Mega Cannon at the wound in Mavro's stomach, blasting him to death. In his final breath, Mavro called whatever remains of the Armada (which was a huge X-Borg army) just before he was consumed in a massive explosion.

## Gluto

Gluto was a minor Mutant and a very minor supporting antagonist in Power Rangers Time Force.

He was voiced by Neil Kaplan.

Gluto joins the service of Ransik when he is saved from stasis by the arrival of the villain's forces. He aids Ransik in the 21st Century, serving as the dumb muscle of the mutant army. Gluto later finds Frax and brings Ransik to capture him. During the final assault on the city, Gluto decides to freeze himself inside the prison, unwilling to stick around for whatever might happen. It is unknown if the Rangers found him at the prison although, since Ransik surrendered to them, they presumably got its location and retrieved it and by extension Gluto.

## Master Org

The Master Org is a title that belonged to the most powerful Org and the said Org serves as their leader and the main antagonist in Power Rangers: Wild Force. The most major of Master Org in the series is Viktor Adler, Master Org's doppelganger who later merged with Ancient Master Org who was reincarnated from his body, merging into a single entity.

The original Supreme Org. Master Org successfully led his Orgs in the battle against the ancient kingdom of Animaria 3000 years ago. Although managing to destroy the kingdom and defeated the great Animus. The Master Org was then destroyed by Merrick Baliton, the guardian of Princess Shayla, with usage of the Predazord and a cursed wolf mask at the cost of him being imprisoned due to becoming the host of Zen-Aku, wolf-themed Duke Org that was sealed within the said mask. The Predazord extracted vengeance on the Master, destroying him. The Master Org's remains would wind up in the Amazon rain forest until being discovered by Dr. Viktor Adler in 1982, turning him into the modern-day Master Org.

After the Ancient Master Org's demise, no surviving Orgs gained that title until several thousand years later, where that title unofficially taken by Dr. Viktor Adler. At that time, Dr. Adler and his allies Richard and Elizabeth Evans discovered the Ancient Master Org's surviving essences in the form of seeds while on an expedition to prove the existence of the Animarium to the public.

Driven toward jealousy by Richard Evans, Adler ate the seeds and became the new Master Org. He chased Richard and Elizabeth and killed them. He never did find their baby, Cole. Elizabeth had hidden him in the jungle, where he was found by a tribe. Viktor Adler later assumed the identity of Master Org, and continued his mission of wiping out humanity and taking over Earth by recruiting newly arisen Org spirits to battle the Rangers.

For the majority of the series, he wore a helmet that harnessed a fake horn to hide his true identity. He was aided by Duke Orgs Toxica and Jindrax that previously worked for the Ancient Master Org as well, until he was exposed as a fraud and killed by Mandilok.

Dr. Viktor Adler is the central antagonist of Power Rangers: Wild Force, serving as the main antagonist of its first half. He is the archenemy of Cole Evans, the Red Wild Force Ranger.

Formerly a scientist, after feeling betrayed by Richard Evans who married Elizabeth and shadowed by Richard's fame, he devoured seeds that contained Master Org's essence and gained his powers. He then used his newfound powers to kill Richard and Elizabeth Evans, but was unable to find Cole as he floated away on the river and found by natives.

For the majority of the series, Adler worked as an imposter of Master Org who sought to finish what the original started, until he was exposed and betrayed by Jindrax and Toxica, who uncovered his true identity as a fraud. To make matters worse, when Adler died, his corpse was unexpectedly claimed by the Ancient Master Org within him.

He was portrayed by Ilia Volok, who also played Vlad in PAYDAY 2.

Before becoming Master Org's imposter, Dr. Viktor Adler was originally a colleague and friend of Richard and Elizabeth Evans, as well as having feelings for the latter. He began to resent them after Elizabeth accepted Richard's proposal of marriage, worsened by the fact that Richard became so famous that the scientist felt like he was living in his own students' shadows. The three eventually went on an expedition to the Amazon proving the existence of the Animarium to the public and discovered the remnants of the Ancient Master Org in the form of seeds. Driven toward jealousy by Richard, Adler ate the seeds and gained Master Org's powers in process.

With his newfound dark powers, Adler chased Richard and Elizabeth and murdered them in cold blood. He also intended to kill their baby, Cole, to complete his vengeance, but was unable to find him: Just as he murdered Richard, Elizabeth managed to send Cole far enough so her son would eventually beyond Adler's reach and later, found by natives who later raised him.

Adler later assumed the identity of Master Org, and continued his mission of wiping out humanity and taking over Earth by recruiting newly arisen Org spirits to battle the Rangers. For the majority of the series, he wore a helmet that harnessed a fake horn and third eye to hide his true identity. He was aided by the Duke Orgs Toxica and Jindrax who previously worked with the Ancient Master Org as well.

When Jindrax and Toxica uncovered his true identity, exposing him as a fraud, Adler turned them into temporary slaves and equipped them with new powers in retaliation of them failing him many times and to keep his identity safe from his minions. The brainwashing was ultimately undone in the end.

After endless defeats at the hands of the Wild Force Power Rangers and no Orgs left to trust him, Adler took it upon himself to fight them, revealing his involvement with the Orgs as their false leader. He was taken to a hospital, and sure enough, Cole and the Rangers paid a visit. He ambushed the team, trapping them in vines and taking them to an abandoned lab. Adler told Cole all about the history between him and his parents prior to becoming Master Org's imposter, just before the two battled it out. Cole emerged victorious, leaving Adler defeated and powerless.

As Adler dragged himself through the desert, he came across Jindrax, Toxica, and their new leader Mandilok. Mandilok threw Adler off of a cliff to his death.

However, Dr. Adler's evil actions gave the Ancient Master Org another chance to live again, using his corpse as a vessel before performing a ritual to gain a more powerful form, only for him to be defeated by the Rangers once and for all. After the demise of Master Org, Dr. Adler could finally rest in peace, his corrupt life and suffering over. Later, Cole visited Adler's grave and presented some flowers in front of his tombstone, showing that he had forgiven Dr. Adler and moved on.

## Lothor

Kiya Watanabe, better known as Lothor, is a major antagonist in the Power Rangers franchise and the main antagonist of Power Rangers Ninja Storm as well as the two-part Power Rangers Dino Thunder episode "Thunder Storm". He is the disowned brother and uncle and archenemy of both Sensei Kanoi and Cameron "Cam" Watanabe the Green Samurai Ranger.

He was portrayed by the late Grant McFarland (who also played Sensei Kanoi Watanabe in his human form and voiced his guinea pig form). As a teenager, he was portrayed by Daniel Sing, who also portrayed the young Kanoi.

Lothor is an exiled evil ninja master. At the beginning of Power Rangers Ninja Storm, he arrives on Earth with an army of evil space ninjas (space aliens trained in the dark ninja arts) that he has gathered in space and led them to conquer other planets, intending to conquer the planet and destroy all the protecting ninja academies with their ninja masters, allowing him to become the ultimate evil ninja master and ruler of the universe.

His minions at this point include Zurgane, Choobo, and his nieces, Marah and Kapri. Later, he would be joined by Vexacus, Motodrone and Shimazu. His foot soldiers were creatures called Kalzaks.

Lothor was particularly vexing because of the natures he varied between; while always evil, he could go in one episode from seeming like as big a goofball as any group of Power Rangers ever faced, right over to shades of the most sinister and violent ones. He could go from being a dignified and dangerous dark warrior to a vulgar wise-cracker, even breaking the Fourth Wall on more than a few occasions. He treated his hench-crew shabbily, whether they won or lost, yet seemed to have their every loyalty. He was extremely powerful in hand to hand combat, yet could often be turned back by simple methods applied forcefully at the right time.

Returning to Earth after a long exile in space, Lothor attacked the Wind and Thunder ninja academies and placed all their students in containment orbs. Three Wind Ninja cadets were made late by aiding someone in need, and found their school in ruins. Their sensei, Kanoi Watanabe, had survived the attack but been stuck in the form of a furry rodent. Despite the doubts of his son, Cameron Watanabe, Sensei made the three into Power Rangers, charged with protecting the world from Lothor and defeating him. While not the three best cadets, the Rangers rose to the challenge, despite many schemes and tricks from Lothor and his crew. They met their first great challenge when Lothor managed to deceive two Power Rangers from the Thunder Academy into believing Sensei had destroyed their school, and before that, their parents. Overwhelming the Wind Rangers at first, the two brothers were ultimately shown that they were very much on the wrong side. It would take another battle and deception by Lothor before they joined the Rangers on a regular basis.

Lothor's schemes, like his personality, ran the gamut from goofy to horrific, doing things as silly as having his own hypnotic TV sitcom to insects that delivered disfiguring (though able to be undone) sores through stinging. Possibly this variance contributed to the Rangers falling for a scheme which sealed away their powers, requiring a greater power to unseal them, which seemed unavailable. Seeking to aid them, not to mention frustrated by his role as 'Water-Boy' for the Rangers' technology needs, Cam Watanabe began a quest that sent him back in time to when his father and late mother were students at the Wind Ninja Academy.

He was greatly surprised to see that his always-serene father was once a hothead, but he was shocked to learn that his father had a twin brother, Kiya, a man Cam had never heard about or even recalled being mentioned. Despite Kanoi's initial suspicions and Kiya's scheming, Cam befriended his mother, the first female cadet in Wind Academy history, and holder of a powerful amulet. For his efforts to steal this amulet, framing another, Cam, for the theft and using dark magic (which is the first rule of Wind Ninja Academy, according to Ancient Sensei), Kiya was banished to outer space, despite Cam's pleas that he be destroyed. For now Cam realized, the uncle he had never known was in fact Lothor himself.

In his banishment sequence, Kiya seemed to morph into Lothor briefly, and mentioned an ancient evil warrior also named Lothor, whose mantle he would now seek. This 'elder Lothor' was never mentioned again, and no other information about him exists. Starting in this episode, Lothor would openly refer to the Watanabes as his relatives. No in-story reason existed as to why he didn't do this before. Back in the present, Cam, now the Green Samurai Ranger, was informed by his father that, once Kiya betrayed and disgraced his clan, part of his exile meant that Kanoi in effect had no brother, so Cam had no Uncle. The Rangers' powers were unsealed, and for a time, the team had less and less trouble destroying Lothor's monsters and stopping his schemes.

A series of schemes and counter-schemes by Lothor's hench-crew among and against each other amped things up, though. While such a mutiny and civil war among the villains would seem to benefit the Rangers, in fact it made the whole situation more dangerous and unpredictable, with even the stooge-like Marah and Kapri now among the best back-stabbers. Finally, all the monsters, even to Lothor himself, were destroyed by the Rangers.

Sadly, this tied right into Lothor's master plan. Blue Bay Harbor, the location for the series, was home to the Abyss Of Evil, an afterlife of sorts for villains, and as each monster and general was destroyed, it was sent there, until the bursting-full abyss was overloaded by

Lothor's defeat. Facing an army of hundreds, the Rangers attempted to rescue both Cam, captured by the villains, and the Wind Academy Ninjas trapped at series' start. While this was successful, one by one, the Rangers had their powers stripped from them by Cam's amulet, taken by Lothor. Worse still, with the Abyss opened, every monster defeated came right back. Though badly outmatched, the three original Wind Rangers positioned Lothor in front of the Abyss, and unleashed their remaining Ninja skills against him all at once, knocking him back into the Abyss, which caused a reverse overload and sealed it. With their fellow cadets restored and Sensei back in human form, Cam and the Wind Rangers became instructors at the Wind Academy, where their students included the reformed Marah and Kapri, who had proven so good at being evil, Lothor abandoned them-causing them to suddenly rethink their position. With the abyss sealed, the generals and monsters, when defeated, stayed defeated. However, the cost had been the Rangers' powers, taken down with Lothor contained in Cam's stolen gem.

## Zeltrax

Terrance "Smitty" Smith, better known as Zeltrax, is a major antagonist in Power Rangers: Dino Thunder, and a minor antagonist in Power Rangers: SPD. He was a cyborg who acts as a general for Mesogog and one of the two archenemies of Tommy Oliver, the other being Goldar.

He was voiced by James Gaylyn.

Before becoming Zeltrax, Terrance Smith was once partners with Tommy Oliver and Anton Mercer.

Smitty and Tommy were both up for a job at Mercer Industries, but Tommy got it instead of him. Later on, as Smitty was doing an experiment in another lab when an accident resulted in an explosion that caused terrible damage to his body.

Taking what remained of him, Mesogog placed it in a cyborg armor, transforming him into Zeltrax, a cybernetic general. He became completely intent on revenge on Tommy Oliver, blaming him for what happened to him and lead Mesogog's forces in their attacks on Reefside.

During an attempt to make himself stronger with the Geno-Randomizer, Zeltrax accidentally created a "son" called Goldenrod, who he sent to destroy Tommy and the Power Rangers, only for him to be destroyed, increasing his strong hate for the rangers. Later when the White Dino Ranger joined Mesogog's team, Zeltrax wanted to get rid of him and used the Copyotter monster to create a copy of his Drago Sword.

He proceeded to trash Mesogog's lab and left the sword at the scene to frame the White Ranger, but this only made things harder for his master, after the White Ranger escaped Mesogog's life draining machine and joined the other Dino Rangers. Zeltrax made up for this by creating a White Ranger Clone completely evil with no trace of Trent in him and the White Terrosaurus monster, but they were defeated and the monster destroyed. Some time after this, the cyborg was almost destroyed by one of his master's plans and he turned on the dinosaur-hybrid, going out on his own.

During this time, Zeltrax was approached by Emperor Gruumm, who traveled to the past so that he wouldn't have to deal with the S.P.D. Power Rangers. The cyborg reluctantly agreed to join forces with him and lead a combined army of Tyrannodrones and Krybots to take on the Power Rangers, only to be defeated again.

Some time after this, Zeltrax became aware of the powerful waters beneath a tree at Reefside High and used some of it to enter a super-powered form. He proved almost unstoppable, but was defeated by the Red Ranger's Triassic Battlizer.

Later, Zeltrax built a zord for himself, Zelzord, and after Mesogog was defeated by the Rangers, he unleashed it upon Reefside. However the rangers used the self-destruct of their Dinozords to destroy the Zelzord and Tommy and Kira Ford destroyed Zeltrax once and for all.

## Broodwing

Broodwing is the secondary antagonist of Power Rangers S.P.D.. He is the three-eyed vampire bat like alien and the intergalactic weapon dealer. He is the former servant and right-hand man of Emperor Gruumm and the former weapon dealer of Troobians. He was one of the S.P.D. B-Squad Power Rangers' archenemies and one of Gruumm's top minions. He initially served Gruumm and helped him fight the S.P.D. Rangers and conquer the Earth, but later betrayed the evil alien emperor and decided to take over the Earth for himself by forming his own army for this. He is Jack Landors' archenemy.

He was voiced by Jim McLarty.

Broodwing was a very evil yet also unemotional alien that was selling weapons, creatures, and robots to anyone who could afford it. He only cared about the money he made and nothing about the destruction that follows.

When Emperor Gruumm decided to take over the Earth, after destroying Sirius and Melandia, Gruumm hired Broodwing and demanded him to help him conquer the Earth by selling him the weapons and monsters.

Broodwing takes pride in his merchant skills and begins to plot revenge on Emperor Gruumm when he starts ordering him to offer his services while refusing to pay. He later came into contact with Gruumm and started being his weapons and Krybot supplier, as well as finding and corrupting monsters to help serve their purposes.

Broodwing served as Gruumm's second-in-command and his primary enforcer, and sold Gruumm weapons and giant robots for monsters, as well as the blueheads. He was often forced play with Mora much to his displeasure. Despite working for Gruumm, Broodwing also worked for other aliens as well. Halfway through the season, Gruumm got frustrated with Broodwing's expensive weapons that were ineffective against the Rangers and demanded free weapons from him, causing Broodwing to question his loyalties. Broodwing is the source of the rare Orangehead Krybots also has control over a rare race of bats whose bite can cause beings to grow huge. He was one of the Gruumm's top minions throughout the season, along with Mora, and worked together with Gruumm, trying to take over the Earth, the planet, which stood on Gruumm's way of conquest, but later Broodwing's loyalty became smaller and smaller after Gruumm refused to pay him. Shortly after the arrival of Omega Ranger, Gruumm began ordering Broodwing to provide his services while refusing to pay for them if his monsters cannot afford them. This did not sit well with Broodwing, whose main motivation has always been money so he began plotting against Gruumm and attempted to conquer Earth first in order to one-up him. For a while, Broodwing was actually behind more attacks on Earth than Gruumm was. One of his assaults involved bringing the Dino Rangers from the past and planning to force them to do his bidding so he could destroy the SPD Rangers.

Eventually, when Gruumm stopped paying him for his services, Broodwing went rogue and vowed to defeat the S.P.D. Rangers himself and take down the Troobian Empire as well. In the final scenes, when the S.P.D. Earth Commander, Anubis "Doggie" Cruger, was captured by the rogue A-Squad Rangers and brought to Gruumm's spacecraft, Broodwing took advantage of this and invaded the Delta Base with four monsters and a Krybot army and activate the Delta Command Megazord to destroy Newtech City. His plans nearly succeeded as the B-Squad was busy fighting the rogue A-Squad Rangers. However, the B-Squad defeated the A-Squad with the S.W.A.T. Megazord and Kat Manx and Boom were able to escape with help from R.I.C. and disable the Delta Command Megazord.

He tried to battle the S.P.D. B-Squad Rangers in the Megazord, but was defeated and imprisoned in the containment card after Jack Landors judged him of all his crimes he had committed.

## Octomus the Master

Octomus the Master, also known as the Supreme Master of the Underworld and The Master, is the leading demonic master of the forces of darkness, Nick Russell's archenemy, the supreme ruler of the Underworld, and the main antagonist of Power Rangers Mystic Force.

He was voiced by John Leigh who previously voiced Terramole, Toxipod, Super Toxipod, Insectolite and later voiced Steeleto, Damaras and Keytron.

### First Defeat

Octomus was the lord of the dark forces of the Underworld, greatly revered by the denizens of his realm to the point that they called him only "The Master". When the forces of the Underworld attacked the surface world, the Ancient Mystics battled them in what was known as the Great War. Eventually Octomus' forces were driven back into the gates of the Underworld, which were sealed shut by the Gatekeeper, Niella. The warrior, Leanbow, was sealed in as well and he imprisoned the Master in his Pit, but not before Octomus used his dark powers to transform Leanbow into Koragg the Knight Wolf, his loyal servant.

## Rise of the Underworld

However, 2 decades later, the forces of the Underworld began their return and Octomus kept in contact with them from the Pit via a white pool that would turn red to announce his presence. The Master often had to deal with arguments amongst his forces, usually involving Koragg due to his preference for honorable methods. At one point, Imperious put Koragg on trial for being a failure to the cause, but Octomus chose to rule in favor of the Knight Wolf. Later Imperious attempted to bring about the Master's return after the failure of his attempt to overthrow him. His plan was to use the Mystic Force Rangers' Legend powers to give Octomus the strength to rise and it succeeded until Udonna attempted to interfere, only to be almost killed by the Master. Koragg interfered and became Leanbow again, however, Octomus was about to almost rise to the surface. Leanbow headed back into the Underworld so as to fight and seal away the Master again and succeeded, stopping and seemingly destroying him.

## Return

However, the Ten Terrors sought to bring back Octomus by attacking the surface world, while following the Rules of Darkness. But as time went by and their attempts seemed to have no effect, Sculpin began looking for answers. He went to the Lake of Lament and asked it to show him the Master, only to be greeted by an image of Leanbow, changed into Koragg's body but still possessing his free will. He told the Terror that Octomus would never return as long as he was still around and Sculpin began seeking a means of finding him. Sculpin finally succeeded in finding him and took the Master's spirit from him, giving it to Gekkor to keep safe. Later Matoombo was selected as Octomus' host body and though the Terror tried to avoid this fate, the Master could not be denied and his spirit forcibly entered Matoombo's body with his form bursting forth.

The Master proceeded to possess Nick Russell, the Red Mystic Ranger, and turned him a version of Koragg, one far more destructive and malicious. He proceeded to attack parts of the forest and while the Rangers were kept busy trying to free him, Octomus attacked the Mystic Realm and seemingly destroyed the Mystic Mother, matriarch of good magic. Leanbow and Daggeron went to confront him, only for the Master to devour their Knight powers, before finishing them off. Octomus then went to Briarwood to battle the Rangers himself and showed them a vision of an Earth he had ravaged. He then devastated their Manticore Megazord, swallowed part of their magic, and forced them to run, though Nick managed to wound the Master and get the Rangers back to the real world, but at the cost of all of their magic. However, Octomus's victory was prevented after Itassis and Necrolai turned on him, resurrecting Leanbow and Daggeron, the Mystic Mother turned out to be alive, and the people of Briarwood and the forest united against him. They managed to restore the Rangers' magic, who used Octomus's ability to devour magic against him by giving him too much and causing him to overload and exploding.

## Flurious

Flurious was a selfish and temperamental ice-themed warrior who attempted to steal the Corona Aurora with his brother Moltor. He was one of the two main antagonists, then later the true main antagonist of Power Rangers Operation Overdrive.

Flurious is intelligent enough to create the gyro technology that powers the Fearcats and is incredibly powerful. He even went toe-to-toe with Thor himself.

Along with Moltor, he attempted to use the Corona Aurora's powers for evil means. By the time he reached the crown, Flurious was transformed into an ice-based creature and trapped within a distant, frozen planet. Flurious commands his foot soldiers the Chillers and is constantly battling against Moltor.

According to Flurious in the episode "Follow the Ranger", when he and Moltor were children, Flurious once said that he broke Moltor's little red sled, much to his brother's dismay.

Following his release from his prison, Flurious took over Norg's Ice Den and enslaved the yeti, and has had regrets ever since. He has tried several times to make Norg either be useful - such as finding the Fearcat's base and making him run away - or leave, but with no luck.

At one point, Flurious went to Moltor's base, suggesting that with Miratrix and Kamdor searching for the jewels, it was time for the two brothers to put their differences aside and work together. They did manage to beat the Megazord with the cyborg-zords Moltor built, and capture Mack in the process. Mack used their own suspicions and past issues to set them against each other, and at the end of the episode they were fighting once more.

Out of the six antagonist, Flurious is one of the least active of the villains, and has had the least success as a result. He originally tended to not search for the jewels, and just wait for Moltor to find them so he could steal them. However with the Fearcats' debut, his way of thinking soon changed. He also only had one monster that he created, and that is a massive temple monster called the Atlantis Temple. He briefly attempted to work with other villains: he brought back the Fearcats as cyborgs with his gyro technology, intending for them to work for him, and teamed up with Kamdor to find the Cannon of Ki Amuk. This backfired when the Fearcats turned on him near-instantly and stole one of his robots, and Kamdor and Flurious fell out over whose fault it was. All three villains battled each other as a result. However Flurious later joins Thrax's Evil Alliance along with the other villains against the Rangers and combines his evil energy with the other villains to cut off the Overdrive Rangers connection to the Morphing Grid. However their plans are ruined when the Sentinel Knight recruits several Veteran Rangers and the Overdrive Rangers getting their powers back. The two teams team up to defeat the evil alliance once and for all. Flurious battles Mack and Bridge and is defeated. After Thrax is killed by the Sentinel Knight the villains go their separate ways again. Because of the these failed alliances this was the last Flurious has tried working with others. The only exception since then came when the Fearcats were destroyed, and Flurious made a one-chance offer to Moltor to work for him; though it is unlikely that he thought his brother would actually take him up on the offer. Flurious gets his hands on the third jewel of the Corona Aurora, thanks to Norg. However, he doesn't show gratitude towards the poor Yeti. Flurious uses his jewel to destroy Moltor's Volcano, then destroys Moltor by luring him to his Ice Den and taking the Corona Aurora before freezing him solid and shattering him. Using the combined power of the Blue Sapphire and the crown, Flurious was able to locate the Rangers' base, where the remaining jewels were hidden.

In the series finale episode of Power Rangers Operation Overdrive, "Crown and Punishment", Flurious gets the rest of the jewels for the crown, but the Rangers attack his forces before he can put it on. He freezes the city, and the rangers freeze during mid-morph. The Rangers escape because of this, and Flurious puts on the Corona Aurora, transforming into an immensely powerful jack frost-like monster form called Flurrex. The Rangers manage to use teamwork to fight him back, but he responds by growing giant sized claiming that mere people can't destroy him. The Rangers combat him with the Drivemax Megazord and BattleFleet Megazord in its carrier mode, but he quickly destroys the Megazords, then shrinks back down to human size taunts them, and he sends out a huge army of Chillers. He comments that no mere human can defeat him, as long as he has the Crown. Mack says he is not human, and while the other rangers take on the Chillers, Mack becomes the Red Sentinel Ranger, and he uses everything he has to defeat Flurious. After he is beaten the Corona Aurora falls on the ground, unfreezing San Angeles and he reverts to his original form. Flurious refuses to accept defeat and tries to reclaim the Corona Aurora, only for Mack to stop him and use all his power left to finally destroy Flurious with a powerful energy beam, thus ending his threat once and for all and saving the world, but at the cost of Mack's own life.

## Venjix

The Venjix Virus was one of the main antagonists of the Power Rangers franchise, serving as the main antagonist of Power Rangers: RPM and Power Rangers Beast Morphers, an unseen antagonist in Power Rangers Super Samurai. an overarching antagonist of Power Rangers Super Ninja Steel and a posthumous villain in Power Rangers Dino Fury. He was a megalomaniac computer virus/AI that took over the earth's technology and systems and planned on wiping out the entire human race. He was the creation and archenemy of Dr. K.

## Past

Venjix was originally an experimental computer virus created by Dr. K on an alternate Earth to help her escape from the demented government think-tank known as Alphabet Soup. However, he managed to gain sentience at some point and interpreted that his programming was to make the world a better place by eradicating humanity. Venjix found a way out of the system into the internet and the Alphabet Soup handlers prevented Doctor K from stopping him. Venjix escaped into the internet before being accidentally released that he immediately infiltrated the said world's Internet system which resulted in it evolving into an all-powerful A.I. that manipulated factories all over the world to create an army of robots to take over the world. After conquering most of alternate Earth, the Venjix Virus uploaded himself into a red light bulb at his army's fortress he used to speak to his generals and facilitated anything his minions and himself needs including his own factories of robots. His generals were General Shifter, General Crunch, and the modified human Tenaya 7 as well as General Kilobyte those he is long thought dead.

## Power Rangers RPM

Within two years of operation, billions of humans were exterminated but the small city of Corinth (a renamed Boston, massachusetts) holds out due to a very protective dome and the protection of the RPM Rangers. Dozens of Attack Bots fail and the addition of two more Rangers only make things worse for Venjix. Infuriated, Venjix eventually downloads himself into a Generation 14 Attack Bot that Shifter designed. He pilots a special green drone and can make new robots of the same model to download himself into. Venjix made a newer and more powerful model, but he wasn't fully downloaded into it because he was in a rush and was defeated. He decided not to use the model again. He uses a new model later on, using old parts of Shifter who has been destroyed by Scott. Venjix activates many

Hybrids within Corinth and takes over the control tower before leaving to confront Doctor K whilst the Power Rangers fight his Final Attack Bot. He then destroys the lab and takes the biofield information, being able to delete Gem and Gemma as well as the PaleoMax and Mach Megazords. Dr. K and a newly restored Tenaya are able to tap a virus into Venjix's main computer and override his ability to delete the Rangers whilst restoring Gem and Gemma. Venjix is physically destroyed with the control tower falling onto and obliterating him. However, Venjix is able to save himself by transferring his consciousness into the Morphers using his connection to the Morphin Grid. Unaware that Venjix is alive, Doctor K locks up the Morphers for several years whereas Venjix lies dormant for many years.

## Master Xandred

Master Xandred was the main antagonist of Power Rangers Samurai and Power Rangers Super Samurai and the archenemy of Jayden Shiba, the Red Samurai Ranger.

He was voiced by Jeff Szusterman who also voiced Octoroo.

Master Xandred is the overlord of the Nighloks. He is the primary adversary of the Samurai Rangers. He comes from the Netherworld and lives on a ship floating on the Sanzu River. It is revealed that he takes large doses of medicine for his frequent headaches often causing him to fall asleep for long periods of time. He becomes angry easily, especially if his henchman are insubordinate or speak out of turn.

When Arachnitor tries to usurp him, Xandred transforms him into a mindless mutant, due to Xandred having gained increased powers. He also has an intense hatred for Deker, since Deker intervened in one of Master Xandred's plans (which also involved the current Red Samurai Ranger that he even burned Dayu's harmonium due to her failure to destroy Deker). Xandred makes an alliance with Serrator.

Xandred learns of Serrator's treachery so he returns to the human world to gain back Dayu's Harmonium, only to dry out severely, due to being so far away from the Sanzu River. Octoroo was able to save him and bring him back to the ship. Master Xandred is currently recharging at the bottom of the Sanzu River. In "The Master Returns", Xandred was also able to fix Dayu's Harmonium, using one of his one own leg scales.

After a lengthy period of recuperation, Xandred eventually returned and faced the Samurai Rangers now led by the true Red Ranger, Lauren. Running into a wounded Dayu, he got an idea when she reminded him she was half-human and absorbed her. He then faced the Samurai Rangers while Lauren drew the sealing symbol. Despite his best effort to stop her, the symbol was completed and used.

However, while it caused massive damage, it did not manage to seal him as expected since Dayu's humanity had protected him from the symbol's power. Also, Xandred was no longer in danger of drying out and planned his takeover of the human world. He then defeated the Rangers and wounded Lauren.

When the Sanzu flood waters overflowed, Xandred released him army of Moogers to lay waste to Panorama City. The Samurai Rangers, led by Jayden Shiba once again, took on and defeated the Moogers before facing Xandred. After significantly weakening him with Shiba fire power, Jayden defeated him with the Shogun armor.

However, Xandred transformed into his Mega Monster form and the Rangers called on the Gigazord to fight him. As the Rangers attempted to get close enough to use a final blow filled with symbol power, Xandred blasted away the zords one by one until only the Samurai Megazord remained which managed to succeed and strike Xandred with a fatal blow. However, Xandred unsuccessfully tried to take the Rangers with him by grabbing the Megazord and boasting, before he was destroyed, that the Nighloks would rise again someday. He was then consumed in a massive explosion.

Scorch

Scorch was the leader of the Phantom Beasts and possessed the Avalon Dragon Animal Spirit. He served as the main antagonist of the episode "Path of the Righteous" and the secondary antagonist of the final episode "Now the Final Fury."

Scorch was the Phantom Beast who used the battle style of the

Avalon Dragon and their default leader. During the first Beast War, Scorch fought against Pai Zhuq Academy and Dai Shi Clan. He, along with the other Phantom Beasts, was defeated and destroyed. However, the Crystal Eyes are left behind and they possess the power to resurrect them.

After the death of Grizzaka, Jellica flees from destruction by Dai Shi with the Crystal Eyes. from which she resurrects Scorch, Whiger and Snapper with the goal to kill Dai Shi for her. However, they betray and kill her before summoning their Phantom Beast Warriors and swearing allegiance to Dai Shi despite his new humanity in order to win the Beast Wars.

After Whiger is stripped of rank and destroyed, Scorch starts to doubt Dai Shi's ability to suppress his human host due to Camille so he and Snapper begin plotting against her.

Camille steals a cloning formula and asks for help so Scorch brings in a regular Rinshi. However, she demands a Phantom Beast Warrior instead and Dai Shi approves so Scorch reluctantly summons Grinder much to his own anger. Later however, to spite Camille, Scorch goes to Grinder and sends him back into battle where he is easily slain.

Scorch and Snapper send Sonimax, Osiris, and Lepus to assassinate Camille in the woods under the pretense of a direct order and then deny knowing where she is when confronted by their master. However, knowing of their hatred for Camille, Dai Shi goes to save her and kills Sonimax and Osiris. Scorch and Snapper later intervene during a fight between Lepus and Casey (the latter having been on a run in the woods when he found Jarrod and Camille) and toss him down. Lepus calls them out for tricking her and her friends but they decide to leave this for later whilst they kill Casey only for the other Jungle Fury Rangers to arrive and summon the Spirit Rangers. Scorch and Snapper fight the Spirit Rangers so the Rangers combine their finishers which causes a big blast but neither Phantom Beast General is fazed and Scorch blasts them down. However, the Jungle Fury Rangers easily manage to destroy Lepus so they withdraw.

When Jarrod and Dai Shi end up separated, Scorch has him locked in the dungeons but Casey redeems his old bully and they escape. However, Scorch and Snapper pursue and easily defeat them until the four remaining Rangers show up and summon the Spirit Rangers for a big battle, Scorch fights Casey and Jarrod whilst the other fight Scrapper but they easily defeat him with their teamwork. Launching Scorch into the air, they obliterate him with an energy ball and the Claw Cannon even as Camille kills Snapper. However, Scorch is able to enlarge himself so they summon the Jungle Pride Charge and combine it with the Lion and Chameleon Animal Spirits to form the Jungle Pride Charge with Lion and Chameleon Power. Scorch arrogantly claims that this is futile and blasts it with a devastating lightning blast as it advances and mocks their inferiority. However, they rally and blast him with a chameleon whip and Lion Spirit blasts before tossing him into the air. There, they strike him with the Wolf, Cheetah and Jaguar Animal Spirits before slicing him apart with the Lion Sword which makes him fly back and implode. However, Scorch survives this virtually unscathed and returns to the Temple of the Dai Shi and offers to launch one final attack to gather enough fear for Dai Shi to manifest which he accepts.

Scorch spearheads Dai Shi's army for the final battle in the Final Beast War, easily defeating RJ and Dominic along with Masters Phant, Swoop, and Finn before being destroyed by the Rangers' Triple Claw attack. Despite his arrogant claim that he cannot be defeated, the strike sends him flying back into some barrels where he explodes and is killed. However, Dai Shi quickly revives him for the Final Beast War. He initially fights Casey but is ultimately defeated and killed again by the seven Pai Zhuq masters.

Vrak

Vrak is the main antagonist of Power Rangers Megaforce and the central antagonist in Power Rangers Super Megaforce. He was the younger brother of Prince Vekar and the second son of Emperor Mavro who served Admiral Malkor despite being stronger than him.

He was voiced by Jason Hood.

Born into extraterrestrial royalty, Vrak is the son of Emperor Mavro himself and younger brother of Prince Vekar. Due to being the competent of the two sons, Vrak is Mavro's favorite son. Despite this, he is still 2nd in line to the throne while Vekar 1st due to being older, a similar concept to medieval heredity. The two brothers often competed for their father's favor, which Vrak usually won. They own the Aurora Box, a powerful box which can supercharge any monster.

At some point in his life, Vrak was working on a Powermid. He only needed one ingredient left to complete it, which was to harvest the energies emitted from an intense storm. Despite not being able to get the weather to cooperate, he still kept the Powermid just in case an opportunity to use it showed up.

Between these events, Drill Horn and Tresnag became Vrak's servants. They may have been assigned to Vrak by his father or simply hand-picked by Vrak before he mostly left the Armada to work on his own.

Eventually, Vrak joined the Insectoid ranks as Warstar selects Earth as its next target so he took the Aurora Box and the Powermid with him. He presented them as the most prized relics of his family which become weapons of Warstar and, through a combination of his competence, royal offerings and highly influence at Warstar, he rose to second-in-command of the Insectoids alongside Creepox, serving directly under the all-powerful Admiral Malkor.

In 2013, Warstar comes to Earth with Vrak and Creepox being sent to asses the planet. Though they deem it practically defenceless, Gosei assembles five Mega Rangers who are able to defeat Scaraba in the initial invasion. Vrak first encounters personally the Mega Rangers in his Earth Armor when he attacks the Rangers with Loogies to test their fighting skills. Seeing the Rangers defeat the Loogies with ease, Vrak leaves the scene.

During his next encounter with the Power Rangers, Vrak deals with them personally whilst Dizchord plays his music to annoy the world and to supercharge the Loogies. When Dizchord is defeated, Vrak retreats after summoning Zombats. Vrak incites Creepox to confront face-to-face with the Red Ranger. Vrak appears in his Earth Armor and bears witness to the destruction of Creepox. Vrak calls Creepox a fool but decides that he can still be used one final time and calls his Zombats to make Creepox huge. However, Creepox is destroyed by the Rangers.

Creepox's death proved a great and major loss to Warstar, severely crippling the Insectoids and making Admiral Malkor realize that assigning Insectoids to conquer Earth will no longer be effective due to the growing strength of the Mega Rangers and that this invasion requires more serious measures. Thus, on Malkor's order, Vrak forges a coalition with Bigs and Bluefur so that Warstar and the Toxic Beasts can join forces and topple humanity together.

However, Vrak secretly intends to secure the planet under his own rule so he leads the lesser Toxic Beasts in order to use them to his own ends and hires many of them to sic against the Mega Rangers without reporting to Malkor and, on occasion, without doing so to Bigs and Bluefur as well.

When Vrak heas about Robo Knight, he comes up with a plan to capture Robo Knight and bend him to his will and finds a perfect monster in Psychotick. When Robo Knight is captured, Robo Knight is placed in a cage to drain him of his energies. During Robo Knight's final moments, the Rangers arrive to free him. Eventually, Robo Knight escapes by transmitting his energies drained to the tick back to his power cell and defeated Vrak and Psychotick. Outmatched, Vrak retreats though not before enlarging Psychotick with Zombats.

Overhearing about the Power Rangers talking about the Wild Sword while examining an insect, Vrak embarks on a quest to claim the Wild Sword from the Black Mountains. He sends Distractor to distract the Power Rangers but, after finding that the Wild Sword is protected by a force field, Vrak tricks the Rangers into retrieving it. Vrak proceeds to test it's power on a city and the Rangers clash for control. After discovering that the Wild Sword will only obey the Rangers, Troy risks his life to claim it. Failing to hold on to it's power, the power of the Wild Sword us transferred to Troy. After a last ditch effort to defeat the Rangers, Vrak teleports away after proving no match against his enhanced foes and leaves Distractor and his minions to finish them to no avail.

Sometime later, Vrak resorts to lendong Bigs and Bluefur the Aurora Box who test it on the Dream Snatcher. Although Dream Snatcher is defeated. Bigs and Bluefur once again use the Aurora Box in their next plot.

Sometime after the deaths of Bigs and Bluefur, Vrak establishes his personal base under the ocean and places his own creation, Metal Alice, in command. During Malkor's absence as he is busy powering up in his cocoon, Vrak sees an opportunity to usurp Malkor's power and to prove his worth to his family as they are starting to see him as disgraceful. Metal Alice orchestrates three onslaughts: the first involving Rotox and his upgraded state, Rotox DX, the second with Robot-1C0 to study human emotions in order to cripple the Rangers, and the third by having Metal Alice personally derailing train stations to throw humanity into chaos, but fail as the Power Rangers thwart all of their plans.

When Malkor awakens from his cocoon, Vrak participates in the invasion of Earth. His role is to land the Warstar Spaceship, annihilating Harwood County whilst truly intending to crash onto Malkor and the Rangers. Before the Warstar Spaceship crashes to Earth though, the Rangers manage to blast Malkor using the Ultra Gosei Great Megazord into the ship, causing an explosion whose ensuing flames consume both.

Sometime after the Power Rangers defeat the Insectoids, Metal Alice visits the wreckage site of the Warstar Spaceship and finds Vrak's body barely alive and crippled. Realizing that Vrak's mind can be salvaged, she takes his body to their underwater lair to be revived as a cyborg. As a side effect, Vrak has little to no memory of who he is as his mind is still adjusting to being a cyborg. Metal Alice then re-introduces Vrak to the Rangers, much to their shock befpre he takes on and easily defeats the Rangers. Vrak then threatens to destroy a skyscraper full of people if they continue fighting. but Vrak malfunctions, causing Metal Alice to take him back to their lair but not before firing the missile which the Rangers manage to stop. During his repairs, a mysterious figure appears introducing himself as a The Messenger of the approaching Armada. After Vrak's repairs, Vrak, Metal Alice, and the Messenger lead an assault on the rangers. The Messenger fights Troy while Metal Alice battles Robo Knight and Vrak takes on the rest but the Rangers manage to push them back, forcing the trio to retreat.

Back in the underwater lair, the Messenger has Metal Alice show past clips to Vrak to speed up his mind adjusting to his new body.

Now with his memory fully restored, Vrak assaults the Rangers stating that it will be their final duel and the end of Earth's resistance. Although Vrak is capable of destroying the Rangers, Vrak wants them to suffer while watching Earth get taken over by the Armada so he teleports back to his lair. At the same time, the Armada enters the Solar System.

The next day, Vrak leads another assault against the Power Rangers. Before entering the battle personally, Vrak has Loogies and three Rotox models attack the Rangers which are easily defeated. Vrak makes his appearance and fights the Rangers, managing to disable their Morphers when they use the Ultra Dynamic Strike. The Messenger then appears to finish the Rangers off with a powerful energy beam but Robo Knight then uses his internal power to restore his Morpher and fires an attack to counter the Messenger's attack and uses the last of his power to restore the Rangers' morphers. With their powers restored, the Rangers use the Ultra Dynamic Strike and Robo Knight's Vulcan Cannon to defeat the Messenger. After that. Metal Alice arrives to the scene. Drained of his energies, Metal Alice pushs him out of the way to defeat the Rangers but she malfunctions when Troy slashes at her weak spot and she explodes but barely survives. Vrak listens the dying Messenger and fled because the Armada mistook as an enemy and leaves Metal Alice exploded. As the Armada arrives. Vrak leaves the Rangers to die since the Armada won't recognise him and treat him as a threat.

At some point afterwards, Vekar finds a weapon that Vrak has never finished and to use it to destroy the Rangers with Sirjinkor. However, the weapon and his commander are destroyed by the Rangers.

Vrak returns after Vekar's death, thanking the Rangers for having destroyed his older brother to make him the only heir to the throne of his father. He starts his final attack by kidnaping Orion and using his powers to destroy the Earth, reprogramming Robo Knight to fight the Rangers with his two commanders Tresnag and Drill Horn. However, Vrak underestimates the Rangers once again when Tresnag and Drill Horn are destroyed and Troy saves Robo Knight. Vrak continues his plan and destroys Robo Knight in order to make the Rangers truly suffer. In a last conflict, Vrak is finally killed by

Troy with the Ultimate Sky Strike; avenging Robot Knight and following Vrak's death, his drills disappear ending Vrak's threat to the Earth for good.

## Don Armage

Don Armage was the Shogun and leader of the Space Shogunate Jark Matter, and the main antagonist of Uchu Sentai Kyuranger. He is an enigmatic being who by conquering the 88 Constellation System became ruler of the universe. His ultimate goal is to destroy and recreate the universe free of suffering.

He was voiced by Atsuki Tani who previously voiced Chanbaano, Mercenary Org and later voiced Don Arkage.

The being known as Don Armage was originally born out of the combined negative emotions of the universe and desired to turn the entire universe into a miserable wasteland. To do this, he formed the Jark Matter and set about collecting Planetium to build a universe destroying bomb.

300 years prior to the start of the series, the Jark Matter declared war on the Space Federation in an attempt to seize control of the entire universe. However, their invasion was opposed by the warriors of the 88 constellation systems led by Tsurugi Ohtori. The warriors eventually confronted the Shogun of the Jark Matter, Don Armage himself, but the Shogun managed to kill all but two of them, Tsurugi and his best friend Quervo. Tsurugi attempted an attack to destroy Don Armage that would drain his own immortality and thus kill him, but he was stopped by Quervo, who took a blow meant for Tsurugi.

However, Don Armage and the Jark Matter later returned and conquered the universe by invading and conquering the 88 Constellation systems, eventually usurping the Space Federation as the dominant intergalactic government. Don Armage later established the Jark Matter's capital on the planet Southern Cross in the Minami Juuji System. In exchange for allowing Don Armage to set up the Jark Matter's headquarters on the planet, Southern Cross's ruler, the Southern King, was made Karo of the Minami Juuji System.

With control of the universe all but assured, Don Armage is content with staying in the Southern Cross system and waiting for enough Planetium to be collected so that he can build his bomb. However, Eriedrone sends word that a group have begun resisting the Jark Matter; the Kyurangers. After punishing Eriedrone for his failure, he tells him to deal with them but Eriedrone is killed so Don Armage sends Ikargen and Madakko to kill the Kyurangers. When Ikargen is killed, Don Armage orders Scorpio to attack them but he plans on betraying Don Armage and taking over the Jark Matter so he is later killed.

After repeatedly failing to defeat the Kyurangers, he sends his most elite warriors; Vice Shoguns Tecchu, Akyanba and Kukuruga but they are also killed.

Half of the Kyurangers later travel to the past to see what happened after Don Armage's battle with Tsurugi. While observing that Tsurugi really did kill Don Armage, the Shogun later reveals himself to have survived and attacks the Orion spaceship as it is heading to Earth, causing it to crash. As the Kyurangers leave the downed ship, Don Armage attacks and badly injures them. He later reappears when the Kyurangers and Orion are fighting the Vice Shoguns. Upon his appearance, the Kyurangers attack and seemingly kill him, but Armage manages to survive and shoot Lucky from afar. Emerging out of the smoke, Armage reveals his true form to the Kyurangers. Though Don Armage appears to have been finally destroyed by Shishi Red Orion, when the Kyurangers travel back to the present, they discover that Don Armage has survived and remains in control of the universe.

It is later revealed that Don Armage has been possessing the universe's well-known Space King of Pop, Hoshi Minato. Noticing something was up, the Kyurangers go undercover to investigate Minato's odd behavior. Hammy, Naga and Lucky disguise themselves as an idol group called "Triple Q", with Spada and Tsurugi assuming the guise of the group's managers. The Kyurangers eventually unearth the truth and Don Armage and Akyanba's influence is revealed. Emerging from Minato's body, Armage enlarges himself to fight the Kyurangers. After being defeated by both Gigant Houou and Orion Battler, Armage stats that they still can't take his life.

Noticing that Tsurugi Ohtori is gathering the Kyutama needed to break the barrier protecting Southern Cross, Don Armage orders Doctor Anton to protect the constellation systems. Anton informs the Shogun that the relevant Karos have their orders and that Mecha Madakko is present with him on planet Ghem in the Perseus System. After learning that the barrier has been broken by the Kyurangers, Don Armage sends Aslan to eliminate Lucky. After the Southern King is killed by Lucky, Don Armage's image appears before Lucky and Aslan. Armage reveals to Lucky that his father is a puppet before recreating his mask to bring Aslan back under his control.

Don Armage later reveals to the Kyurangers his true form, the body of Quervo; revealing to the Kyurangers that Armage has been inhabiting Quervo's corpse. During the battle to destroy Jark Matter's Planetium Bomb, Don Quervo is defeated by the combined powers of the Kyurangers and causing Don Armage to exit Quervo's body and leave him at the mercy of the Kyurangers. After Quervo dies trying to make one final charge at Tsurugi, Armage takes the chance to possess the Kyuranger's body, revealing this was his plan all along. Armage then fires an energy blast at the Kyurangers but Shou Ronpo sacrifices himself to block it before being absorbed by Don Armage. After retreating back to the Orion, the Kyurangers confront Don Armage once again with the Shogun sending his entire army after them. Despite their best efforts most of the Kyurangers are overwhelmed and defeated by Armage's army; leaving only Hammie and Lucky to confront Armage. However, Armage strikes down Hammie before absorbing all of the Kyurangers save for Lucky into him, allowing him to power up further. However, he soon loses his new power when Lucky crams his Kyutama into Armage's body which reunites the Kyurangers and allows them all to break free from Armage, now fully powered up thanks to the Planetium he absorbed.

Not done just yet, Armage absorbs everyone in the universe except for the Kyurangers to assume his final form to fight the Kyurangers, proclaiming that he has become the Universe. Initially overpowering the Kyurangers them, Armage explains his origins to them and how he intends to create a universe of suffering for everyone. However, the Kyurangers refuse to give up and, with the power of the universe on their side, manage to defeat Armage, though the victory is short lived as Armage grows giant. Summoning the Kyutama, the Kyurangers defeat Armage again with Kyutamakin and force the Shogun to release everyone he absorbed back to their original planets. Getting up to face the Kyurangers one last time, Armage sends a blast of dark energy to send Lucky out into space, but Lucky manages to overpower Armage's attack and return to Earth to combine his power with the other eleven Kyurangers to ultimately destroy Armage, finally killing off the evil space tyrant. With his death, the Jark Matter collapses into smaller cells that are eventually stamped out and the organization is no more.

In a parallel universe, the war with the Jark Matter never ended so that universe's Don Armage is sill alive. Don Armage sends Eriedrone with some Indavers and Tsuyoindavers to lure the Kyurangers to him. Lucky confronts him alone only to be possessed by the Don. After his footsoldiers are defeated, Don Lucky appears and attacks Tsurugi before revealing himself as Don Armage who promptly absorbs all of the Kyurangers besides Tsurugi and Kotaro who dodged and make their escape although Armage is unconcerned since they have a significant disadvantage. Shocked, Don Armage can only question how he can lose before the Kyurangers finish him off once and for all with the All-Star Final Crash. Mortally wounded, Don Armage rises to his feet before screaming out Dark Shishi Red's catchphrase and being obliterated.

## Evox

An unknown amount of time after Venjix's defeat, Venjix within the SkyRex Morphers is taken to the main dimension to be experimented on by the paramilitary organization. Scott's morpher was experimented on by Nate Silva. He unknowingly combined Venjix's code with Morph-X and Snake DNA, causing the virus to enter his computer systems. Some years later, Venjix makes his return as his re-formatted persona Evox.

## Lord Arcanon

Lord Arcanon is the overarching antagonist of the Power Rangers

Dino Charge series, serving as the overarching antagonist of Dino Charge and the main antagonist of Dino Super Charge.

He is a powerful alien tyrant who sought to conquer the universe by hiring Sledge to capture the Energems.

He was portrayed by Andrew Grainger.

During his invasion on Sentai 6 million years ago, Arcanon set out to find Dark Energem, a variant of the Energems forged from the negative and corruptive residue of the very power that used to create other regular Energems. When he chased Heckyl, he took the Dark Energem's container away from Arcanon. During the chase, the said individual accidentally broke the said container and without thinking twice, tries to carry it with his bare hands and resulting in his corruption into an armor-clad monster called Snide. With the individual, actually named Heckyl, turned into a destructive psychopath that made him unable to remember his past self prior to the Dark Energem's corruption, Arcanon took the Energem away and left the devastated Sentai 6.

Then, he fought Zenowing, Keeper's apprentice and during their fight, Zenowing becomes the Silver Ranger. Nevertheless, he defeated him but not before that Zenowing injures Arcanon. He uses the Dark Energem to create Doomwing, the dark counterpart of Zenowing to control the Silver Energem, which bonded to Zenowing during the fight.

Later on, he hired Sledge the bounty hunter to have him capture intergalactic outlaws as many as possible to turn them into his new army and aid him in the search for other Energems and invade the Universe.

Then he sent Singe to survey Heckyl, Snide and Sledge's crew. Singe returns to him after his treason is discovered by Heckyl.

Arcanon arrived on Earth with his two generals Singe and Doomwing and fights Heckyl, defeating him. Then Snide takes over and he fights in his hybrid Megazord Fortress, but loses and seemingly retreats. In reality, Arcanon has seen all of the fight and captures Heckyl after Fortress's destruction by the Rangers. He jails

Heckyl and Snide, becoming the leader of Sledge's army, wanting the other Energems, already having the Silver and Dark Energems.

Doomwing tries to destroy the Rangers by usurping the identity of Silver Ranger Zenowing but fails. The Rangers succeed in separating Doomwing and Zenowing, and Arcanon considers him as useless after that. However, he grants one last chance to Doomwing to re-merge with Zenowing, but Riley arrives just in time to stop the process, and Arcanon loses the Dark Energem. When Doomwing's plan fails, Arcanon sends Singe and Fury to retrieve the Dark Energem. Then he wants to destroy him, but the Rangers arrive. He flees and abandons Doomwing who is destroyed by Zenowing. After Doomwing's death, Singe retrieves the Dark Energem and returns it to Lord Arcanon. At this moment, Heckyl retrieves his memory and attacks Arcanon, but is stopped by Singe and Fury. He is jailed once again, but not before he threatens the warlord saying that he will avenge his homeworld even he leaves his life, much at the pleasure of Arcanon.

Later, Snide, chained, puts Arcanon's patience in a hard test. Using his tentacle on Singe, he impresses Arcanon and claims that Singe is weak, Heckyl lacks respect of him and he can matter only on him. He proposes a plan to destroy the Rangers: inverting the Rangers' bodies thanks to Professor Strickler with the help of Nightmare and Game Face. Arcanon appreciates Snide's plan, and asks him for what he wants. Snide answers that he wants to separate from Heckyl, destroy him as a present and become a general of Arcanon, and he accepts. He sends Wrench to retrieve the Rangers' device used to separate Doomwing and Zenowing. Heckyl, angered by Snide's decision, discovers that Snide makes fun of the fact that Arcanon destroyed their planet and all those that they loved. After that Snide's plan is failed and Strickler, Game Face and Nightmare are destroyed, and Arcanon is furious, but Wrench activates the device anyway and the operation begins. The separation succeeded, Heckyl returns to jail again, and Snide joins Arcanon as general.

Lord Arcanon sends Conductro and Screech (the Musician Duo) to transform the Rangers into zombies with Screech's trumpet and steal the Energems. They succeed in hypnotizing Tyler, Shelby, Riley, Chase and Ivan as well as many other people, but Koda succeeds in saving them. Conductro and Screech retreat and inform their master that the Rangers have refused to fight the zombies. Snide suggests to go with them to destroy the Rangers but Arcanon treats him useless to let Heckyl escapes and say him to disappear of his view. Then he orders to Conductro to spread his music in all the city to have an army of zombies and crush the Rangers. The plan works but with the help of their robotic friend Worg, the Rangers destroy the Duo Musician's record player and their maleficent disc. Arcanon intervenes and uses the Dark Energem to transform himself and beats the Rangers, he uses the Magna Beam to finish them. The Rangers vanquish him barely with the Dino Charge Ultrazord's Ultra Plasma finishing attack. Arcanon survives and tries to retrieve the Dark Energem, but is astonished by the return of Sledge. He claims at his former employer that they are not friends and he keeps his army and the Dark Energem. Arcanon tries to intimidate him with his crew (Singe, Conductro and Screech), but Sledge has already reunited his crew (Poisandra, Curio, Fury and Wrench), and is enraged that Snide betrayed him. He replies that he has always been two-faced, then Snide with Sledge and his crew destroy Arcanon and his crew for good.

The Rangers destroy Sledge, his ship, and his crew with the help of Heckyl in the past (Dinosaurs's Time). After the final battle, Keeper made Heckyl the Guardian of the Dark Energem and sent him with Zenowing on Sentai 6 to prevent its destruction and the theft of the Dark Energem by destroying, off-screen, Arcanon and his crew (Singe, Conductro and Screech).

Emperor Yodon

Emperor Yodon is the mysterious ruler of the Dark Empire Yodonheim and the main antagonist of Mashin Sentai Kiramager.

He was voiced by Kazuhiro Yamaji, who also voiced Bel in Doki Doki! Pretty Cure and the Leo Imagin from Kamen Rider Den-O.

Emperor Yodon was originally a snake-like creature born from the stagnation within Yodonheim. After being hit with lightning, Yodon believed he had been given divine inspiration and crafted himself a powerful mask for himself to wear, the very first Jamen. Donning the

Jamen, the Emperor fought and defeated numerous other creatures before absorbing them to become stronger, soon growing giant. Eventually, the Emperor's power grew to wear he split off his consciousness into two separate beings to house aspects of his personality, Yodonna and Shadon.

Viewing the two princes of Crystalia as a threat to his rule, Emperor Yodon visited Galza as a child and used his darkness powers to stoke within the young prince a hatred of his brother Oradin, which eventually manifested as an envy towards his brother being king.

Though he is not seen, Emperor Yodon made a deal with Galza, offering him a place as one of his generals in exchange for betraying Crystalia to the Yodonheim. After the Yodonheim forces invaded the palace of King Oradin, Galza pledged to serve his new master Emperor Yodon and donned a suit of armor to serve as one of the generals of Yodonheim.

After conquering Crystalia and "killing" King Oradin, the Yodonheim forces invaded Earth due to its radiance.

After the destruction of Faucet Hildon, Carantula apologized to Emperor Yodon for the Jamen Beast's failure but informed him that he already had a new plan to use Rugby Jamen to gather enough darkness energy for them to use to open an invasion gate to Earth.

After Rugby Jamen's death, Carantula informed Galza that, before his death, Rugby Jamen had made a "Darkness Insurance" contract with Emperor Yodon and that 20% of his darkness would be reimbursed to use to create a portal to send Rugger Ligany to Earth.

With the continued defeats of the Jamenshi against the Kiramagers, Carantula and Galza began to worry that Emperor Yodon was becoming displeased with the slow progress of the Earth invasion. Carantula later received a call from Yodonna, the executive assistant of the Emperor, who ordered Carantula to provide her backup for her scheme to create a tunnel from Yodonheim to Earth. When Carantula refused, Yodonna reminded him that, as the Emperor's assistant, she outranked him.

When Yodonna was beaten by KiramaiBlue and KiramaiYellow, Emperor Yodon telepathically ordered Galza to go retrieve her in Smog Jouki. Juru Atsuta heard his voice as well and later drew a sketch of the figure he had seen.

After the failure of Carantula's plan to spread darkness by dropping diss tracks on people, Emperor Yodon decided to address Carantula's failure personally, shocking Yodonna as she had never met the Emperor in person despite being his personal assistant. The Emperor then contacted Yodonna through her Yodon Changer and ordered to seek out King Oradin. After Yodonna was able to get King Oradin to reveal himself, Emperor Yodon emerged from her and revealed that Yodonna was just an aspect of himself he used to travel between worlds easily. Having shown his colossal true form, Emperor Yodon declared to King Oradin that by assembling all the Mashins he had declared war and that the advent of Yodonheim, along with the destruction of the Kiramagers, was near before easily leveling the entire city. The Emperor went on to exclaim his intentions to pollute the entire world in order to turn it into a colony for Yodonheim before reverting to the form of Yodonna, who was promptly picked up by Galza in Smog Jouki and brought back to Yodonheim where she learned the truth.

Emperor Yodon later issued another set of orders through the Yodon Changer for the elimination of the Kiramagers. He then once more from Yodonna and before Galza and Carantula, causing them to bow before him. The Emperor ordered Galza to accompany his best hunter, Shadon, on a mission to Earth to eliminate the Kiramagers, before transforming into Shadon, surprising Carantula as he was unaware that Shadon was yet another aspect of the Emperor.

After Shadon was destroyed by KiramaiYellow, Emperor Yodon emerged from his dying body and cursed the Kiramagers for destroying his hunter before teleporting away.

When Carantula refused to create any more Jamen Masks after having fun painting with Juru and realizing he would rather create art than make Jamenshi and Jamen Beasts for the Yodonheim's war effort, Emperor Yodon emerged out of Yodonna to personally execute him. Yodon blasted Carantula into a nearby pool of water, seemingly killing him, but Carantula was secretly saved by Galza.

Galza later offered himself up to Emperor Yodon to replace Shadon as his other personality aspect, proclaiming that he had joined Yodonheim for power and saw becoming a herald of Emperor Yodon as the quickest way to obtain that. The Emperor accepted Galza's request and invited him into his body, absorbing him as another personality aspect. With Galza as his vessel, Emperor Yodon was able to go to Earth and spread a black fog that drained people's energy and turned them violent. Eventually, the Earth became corrupted enough that Emperor Yodon was able to emerge out of Galza to face the Kiramagers. However, it was at that point that Carantula threw the special paralyzing bomb he made on Galza's instruction at Emperor Yodon, freezing the Emperor on its detonation and allowing Galza to hijack the Emperor's body for himself.

After Galza learned of the Emperor's corruption of him when he was young, Emperor Yodon regained control and expunged Galza from his body. Emperor Yodon then revealed that he was the one who had corrupted Galza by stoking in him envy over his brother being the king. Furious at the revelation he was used, Galza attempted to attack Emperor Yodon, only to be knocked to the ground before being vaporized. Emperor Yodon then blasted Juru and knocked him over a cliff, seemingly killing him.

Back in control, Emperor Yodon informed Yodonna their next move would be to seize the three other Kanaema Stones from the Kiramagers and instructed her to leave Illusia in Yodonheim where it would be safe. Arriving on a polluted Earth, Emperor Yodon was soon met by the Kiramagers (minus Juru and Takamichi) in their Mashins. During their confrontation, Tametomo used the Reversia stone to revert Emperor Yodon to the form of Yodonna, allowing King Oradin to seal them both in stone. Yodonna questioned the Emperor as to what they would do, to which Emperor Yodon responded there were other options before striking down Yodonna so their consciousnesses would be separated. Shocked and fatally wounded, Yodonna asked why the Emperor had sacrificed her if he cared for her, to which Emperor Yodon responded by saying he only cared for himself. A tearful Yodonna then asked if this was when she should cry, but Emperor Yodon told her to laugh instead as she had given her life for her, right before Yodonna passed on. With

Yodonna dead, Emperor Yodon was no longer sealed and soon resurfaced to begin wreaking havoc again. The Kiramagers tried their best, now joined by Takamichi in Drijan, but ultimately the Emperor overpowered them all before summoning a massive ball of energy to level the entire city with. Before he could do so however, Juru rammed through the Emperor using Smog Jouki and joined his teammates in fighting the Emperor.

During the fight, Juru used the Illusia stone on the Emperor to convince him that he has beaten the team. As soon as he removed his mask to reveal his true face and perform his finishing move on the Kiramagers, they struck and caused him to shrink down to human size. For his final stand, Emperor Yodon summoned his own personal Bechats known as Emperor's Guard Bechats, but they were held off by the team as Juru used this finisher known as Sparkling Phoenix: Destoria special and headshots him, thus killing the malevolent overlord once and for all.

After his destruction, Carantula became the new emperor of Yodonheim, making peace with Kiramagers and giving the emperor's vow never to attack Earth.

Galvanax

Galvanax is the main antagonist of the first season of Power Rangers Ninja Steel and the posthumous overarching villain of season 2.

He was voiced by Richard Simpson.

Galvanax along with Ripcon and Madame Odius came to Earth to receive the Ninja Nexus Prism. As he was absorbing it, Dane Romero broke it into six pieces and created the Ninja Power Stars. Galvanax then kidnapped Brody and made him a prisoner on his ship.

Ten years later, Brody finally escaped back to Earth with a robot named Redbot and a guy named Mick Kanic and managed to get back the Nexus Prism and the Power Stars. Galvanax falsely claimed that he spared Brody's life and gave him a home on his ship and he repaid him by stealing the Nexus Prism and Ninja Stars but

Brody corrects him by saying the actual truth: Galvanax caused Brody's father to disappear, kidnapped him, and made him a prisoner on his ship. Brody was forced to destroy the Red Power Star but instead of being destroyed, it went into three different pieces. It made Mick an additional Red Ranger to the team. It also released Dane's spirit and made him an additional Red Ranger to the team too. Together, the team destroyed Galvanax once and for all and having his record of being not defeated tarnished.

Ginis

Ginis is the main antagonist of Doubutsu Sentai Zyuohger. As well Ginis is the ultimate villain of Ultra Super Hero Taisen. He is the Deathgalien's owner who oversees the Team Leaders directing their Players to attack Earth while he awards a prize to the winner of his Blood Game

He was voiced by Kazuhiko Inoue, who also voiced Kars in JoJo's Bizarre Adventure: Battle Tendency and Giff in Kamen Rider Revice.

Discovering Earth's brimming with life, Ginis decided to introduced himself to Earth and created a barrier which would erase anything on contact.

He sent Naria in search for Bangray's actions on Earth intriguing, and decided to stop his commanders from sending more Players for the time being. Once Bangray was able to locate and lure out his prey, Cube Whale, Ginis launched an all out assault, attacking Bangray, the Zyuohgers, and Cube Whale. This drives Cube Whale into a berserk state, attacking everyone and escaping.

Ginis embarked on his hunt against Bud on Earth. Ginis noted that his seal had been broken. Azald later confronts Ginis, breaking his ties to the Deathgaliens despite indirectly support Azald.

Ginis killed her while attempting to kill the Zyuohgers to keep his secret. Though Zyuoh Eagle he loses Gift Custom's black box, Ginis reverts to his original form while enlarging himself, only to be easily defeated and obliterated by Wild Tousai Dodeka King at a cellular level. A pack of Moebas was among the Shocker army of the Game World led by Shocker Leader III, the boss of the Chou Shocker

Taisen bonus stage. This army was ultimately wiped out by a combined force of Sentai Rangers and Kamen Riders; Ginis was destroyed alongside Raimein by Super Red Rangers.

Legacy

Even though Ginis died and his Deathgalien contestants on Earth are destroyed, it does not mean that the universe is safe from Deathgalien: it is hinted that there are still surviving members of Deathgalien in other parts of universe and they continue to wreak havoc across the galaxy. Eventually other Deathgalien members will reach Earth and Zyuohger must be ready for them.

Applejack: Her name is Sally Vocesdebelleza and she is a really amazing and great Guardian Angel.

Apple Bloom: She sure is and her story is really cool too.

---

Sally Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sally, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sally Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Sally, what's the story on how Lincoln took down and beat Flip up into a pulp when he tried to kill you and your sisters?

Sally Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Flip and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again, but Lincoln grabbed Flip by his arm and he broke it and that caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out Flip's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Eli: Not again.

Nico: Yeah, I remember that one all too well, when we got the word that Flip broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Flip deserved it, and that mutant cheapskate had no chance against Lincoln, and I got the picture.

I pull out a picture of Flip after he was mongrelized by Lincoln and it matched what Corona told us of what Lincoln did to that mutant, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Flip, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let Flip get away with that, so I had to defend the Vocesdebelleza Sisters from that mutant cheapskate.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one tough guy, Lincoln, and you kicked Flip's three-cheeked ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his three-cheeked ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

We arrived at the beach and Dai Gui went up to them.

Dai Gui: So, you must be Void Queen.

Void Queen: Of course I am. Take a look. This is what I've been up to since my first defeat!

Evox: And if you're here, the Rangers can't be far behind!

With us…

Nico: No one blast off any limbs until we morph. Got me?!

Me: Yes sir.

Qin: Right boss.

Dai Gui: My friends will be here soon and they will destroy you all.

Venjix: We'll see about that.

Then numerous power rangers came and they ran around the 24 villains and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive and powerful fiery explosion blasted off above them and numerous fireballs rained down and blasted the villains all over and then a phoenix cry was heard. We came out ready to fight!

Me: Hello dirtfuckers. So we meet again for the last time!

Venjix: YOU!

Me: That's right! Me!

Nico: And me!

Xandred: NO! I KILLED YOU!

Nico: You blew yourself up all for nothing ugly!

Xandred: WHY YOU MOTHERFUCKING ASSHOLE!

Nico: Takes one to know one!

Rita Repulsa: I HATE ALL OF YOU SO MUCH!

Our auras all flared up with incredibly explosive force!

Me: Thanks for the power boost bitch! Too bad your boyfriend dumped you after 24 years.

Void Queen: So you all are Team Loud Phoenix Storm.

Me: That's right Queenie! Your worst fucking nightmare!

Maria: You fucking bitch. You actually did it.

May: You managed to recruit 23 of the most dangerous enemies ever fought by Power Rangers and Super Sentai alike.

Trip: Including Gluto as well.

Furio: Frax didn't fit the bill for us, alright?!

Nadira: (to Gluto) Can't believe you of all people would join this hag.

Gluto: Hey, you and Ransik never paid me in the past!

Ransik: What, did you think our schemes involved you getting paid?! I never even had the money for that!

William: (notices something) Another time portal? Lemme guess, you're gonna offer us to got though that to prevent the suffering we've been through, right?

Me: Oh man I thought we covered this the last time!

Rita Repulsa: (laughs) Of course not! You all blew your chances for that! This is for all of us to go through back to the day I first arrived on Earth!

Nico: Are you saying-?

Void Queen: That's right. With this time portal, we're going to prevent the Power Rangers from ever forming. And erasing all the Super Sentai as well!

Sora: A world without Power Rangers and Super Sentai?!

Deadshot: Lady, you are FUCKING EVIL!

Me: Actually, RITA is more evil than you!

Master Org: (smirks at Cole) Look at it this way. At least you'll finally be together with your parents in the afterlife!

Nico: (telepathically to me) Don't, dude. Reviving Cole's parents here won't mean shit if one of the bad guys goes through the portal.

Me: (Telepathically to Nico) That was my plan but I'm saving it for later.

Lothor: (to me) Don't be too shocked, J.D.. Weren't you the one who nearly disrupted the timeline just to get rid of little old me? (laughs) In my opinion, you should've just gone through with it!

Me: (Smirks) That would have been too easy. Besides you don't know how long I've waited for this.

Void Queen: Oh, and in case you all get any ideas, this portal only closes if somehow, you all kill me again!

Zayto: Oh, trust me. That's going to happen!

Me: We'll make sure of that!

Nico: And it won't be pretty!

Me: Besides Lex Luthor tried this before with us and it is getting really old. Just like all of you!

Rita Repulsa: WHAT THE FUCK DID YOU SAY!?

Me: You heard me! Or has your raspy voice made everyone deaf!?

Void Queen: (to Dograino Yaboon, Emperor Z, Diabolico, and Captain Mutiny) What say the four of you? It's not too late to join us and side with the winning team.

Captain Mutiny: Ye be no better then Trakeena, Void Queen. You can take your offer and walk the plank with it!

Me: In otherwords, EAT SHIT!

Diabolico: You are no better then Bansheera, Void Queen. Vypra is much better then you!

Nico: That's right!

Emperor Z: I cannot allow you to destroy this world's sparkle. And there's also the fact that you give Madame Noir a bad name.

Dograin Yaboon: Why would I ever join you, Void Queen? After all, I have all my fellow Ganglers with me in the Masters of Evil.

Void Queen: So, that's your decision? Pity. Hengemen!

Rita Repulsa: Putties!

Master Org: Putrids!

Evox: Tronics!

Octomus: HIDIACS AND STYXOIDS!

An army of Hengemen and Putties and all the footsoldiers appeared!

Me: All the footsoldiers from over the years! Now we're talking!

Camie: Now this is getting good!

Vypra: You aren't the only one though! BATLINGS!

Robo Roxy: TRONICS!

Tenaya 7: GRINDERS!

Ransik: CYCLOBOTS!

Toxica: PUTRIDS!

We all summoned an army of footsoldiers!

Me: Now THIS is an army!

Moltor: And you will pay for everything you did BROTHER!

I fired massive waves of energy and elements and blasted numerous footsoldiers down like ragdolls in a massive line of fiery explosions!

KRABBBBBBBBBOOOOOOOOOOOOOMMMM!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMMM!

Nico: YEAH!

Nico fired numerous energy beams and blasted them all over in powerful fiery explosions of incredible power!

Laney: You will not get through that portal!

We slashed and sliced and diced them all over the place!

Rita Repulsa: Their power is incredible!

Void Queen: Team Loud Phoenix Storm is very strong.

Eli: Oh we're more than just strong! We're THE STRONGEST!

Eli kicked the Void Queen in the back of the head and knocked her down!

Void Queen: You little brat!

Eli knew where she was going to strike and ducked under her punch.

Rita Repulsa: Goldar you traitor! HOW COULD YOU ABANDON US! I CREATED YOU, I GAVE YOU STRENGTH, POWER, PURPOSE AND LIFE!

Goldar: YOU GAVE ME NOTHING!

I fired waves of fire and blasted the Hidiacs all over and I flew into the air as they fired a numerous massive fiery explosions were blasting off all over the place and many more! Turning the area into a massive raging inferno!

Me: Can't you guys come up with anymore tricks!? You're 16 years overdue!

The Hengemen and putties jumped the Dino Fury Team.

The Dino Fury Rangers lay defeated at the hands of the Hengemen and Putties.

Void Queen: And so ends the legacies of the Power Rangers and Super Sentai. I expected more of a fight.

Me: Oh I'm going to do more than give you one!

I fired waves of energy and blasted the footsoldiers all over.

Rita Repulsa: (laughs evilly) Farewell, Rangers! I wish I could say you were worthy opponents. But honestly? All you did was give me headaches!

Me: You're the one that gives us fucking headaches Rita!

Starlight Glimmer: YEAH! Your voice is so disgusting that it sounds like monkeys grinding their nails on a chalkboard!

Jason: (to Tommy) Did she seriously forget about the rest of us?

Poromon: This can't be how it all ends!

Cornelia then got an idea.

Cornelia: (to everyone watching) Everyone out there! Lend them your strength! They get stronger with your support! When I go "1, 2", shout "It's Morphin Time"! Okay? 1, 2…

All: IT'S MORPHIN TIME!

Cornelia: One more time! 1, 2…

All: IT'S MORPHIN TIME!

Cornelia: Louder! 1, 2…

All: (LOUDER!) IT'S MORPHIN TIME!

Jamesdean5842: IT'S MORPHIN TIME!

Zayto then found the strength to get up.

Zayto: The legacies of the Power Rangers and Suepr Sentai don't end until we say they do!

Zayto then slashed the nearest Hengemen and Putty and did the same to the ones near the rest of this team.

Rita Repulsa: WHAT!

Void Queen: IMPOSSIBLE!

Me: Nothing is impossible!

Zayto: Thanks for all the help, everyone.

Amelia: I don't think I've ever seen so many people cheer for us before.

Ollie: It's the first for any Power Ranger team.

Izzy: Well, I'm not complaining!

Javi: Neither am I!

Aiyon: Then let's give them a battle to remember! For Power Rangers and Super Sentai everywhere!

Me: Actually guys it's the first for many. Not just for you but in Japan too.

Qin: Yep.

Nico: Now to give these monster 46+ Years of HELL!

EXTREMELY MASSIVE AND ULTRA POWERFUL FIERY EXPLOSION!

THEY WERE READY!

I smirked!

Cornelia: That's it, I've had it up to hear with you to last an eternity, Void Queen and your Nemesis Beast too!

Suddenly, Cornelia's sky blue eyes turned neon sky blue, and she was surrounded by a pink energy aura with quintessence, life energy, lava, earth, and angels, she unholstered her massive Sword of Kandrakar from her back, and as she approached Void Queen and Nemesis Beast, she left pink energy, quintessence, life energy, lava, earth, and angels with every step.

Cornelia: You two monsters really make me sick, it's bad enough that you've antagonized Zayto and the other Dino Fury Rangers, but you've also caused so much havoc to innocent people and all for your own sick amusement and desire to cause destruction. As the Kandrakar Guardian of Earth and member of Team Loud Phoenix Storm, I will make you both pay for the suffering that you've caused.

Suddenly, Cornelia was surrounded by a massive vortex of pink energy with quintessence, life energy, earth, lava, and angels surrounding it, there's an angel flying around the vortex, and in the vortex is a sky blue phoenix. Then, as the vortex faded, Cornelia emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Cornelia Hale grew from 6'0" to 6'11" in height, she has the body of a goddess, she has green highlights in the bangs of her long blonde hair, she has neon sky blue eyes and a pink energy aura with quintessence, life energy, lava, earth, and angels surrounding her, she has a phoenix with the Earth Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with sky blue gems for eyes and the Earth, Life, and Eternity Kanjis in its claws and her

Crystal Necklace of the Buddha with sky blue gems in the gold rock links and sky blue crystal links and a sky blue-phoenix shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a phoenix with sky blue gems for eyes and holding the Earth, Life, and Eternity Kanjis in its claws for the pendant, she has on a long-sleeved pink blouse with sky blue phoenix on it, pink skirt with rocks and lava on it, pink pants, pink knee-high high heels, and a pink long sleeveless trenchcoat with phoenixes, earth, lava, and angels on the coattails and on the back is a phoenix with earth surrounding it. Suddenly, Cornelia felt a sharp pain on her back, and then, massive blonde angel wings with sky blue tips on the large blonde feathers, grew and sprouted out from her back, she has on a Ring of The Phoenix with sky blue gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Cornelia's massive Sword of Kandrakar and the other swords she's gotten throughout the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink energy, lava, earth, life energy, and angels, and when it emerged, it was transformed into Kandrakar's Earth Quintessence Greatsword of Magical Justice, it's a brand-new greatsword with the symbol of Earth and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large fairy wings for the crossguard, large sky blue gem embedded in the rainguard, longer black handle, and large bright red gem surrounded by angel wings for the pommel, she has on her new Bracelets of the Champions of The Universe with large sky blue gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with sky blue gems for eyes and large sky blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe, and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a sky blue kanji below the phoenix that said, "Cornelia Hale, Kandrakar Guardian of Earth, Loving Daughter of Elizabeth and Harold Hale, Friend of Will Vandom, Hay Lin, Irma Lair, and Taranee Cook, Pen Pal of Megan McAllister, Destroyer of Dark Nerissa and Phobos, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and Master of Earth, Angels, and Life Energy"

コーネリア・ヘイル、カンドラカー地球の守護者、エリザベスとハロルド・ヘイルの愛する娘、ウィル・ヴァンダムの友人、ヘイ・リン、イルマ・レア、タラニー・クック、ミーガン・マカリスターのペンパル、ダーク・ネリッサとフォボスの破壊者、悪のスレイヤー、混乱した、殺人的で冷酷でサディスティックなろくでなし、多くの友人、驚くほど強力な教師の驚くべき強力な生徒、チーム ラウド フェニックス ストームの驚くべきメンバー、地球、天使、生命エネルギーのマスター

Cornelia has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY KANDRAKAR LAVASTORM EARTH HEAVENLY PHOENIX ANGEL OF DIVINE EARTH LAVASTORM KANDRAKAR JUSTICE AND DIVINE QUINTESSENCE EARTH LAVASTORM LIFE!

We were amazed by Cornelia's Super Angel Xelnaga Eternity Infinity transformation, but when Void Queen and Nemesis Beast saw it, they fell into demonic rages and fired energy blasts to kill her, but Cornelia fired a powerful pink energy blast with lava, earth, angels, and life energy overwhelming the energy blasts of Void Queen and Nemesis Beast, and it hits them both and sent them flying into a wall, but they weren't out yet, and it really pissed them off now!

Zayto: Incredible!

Nico: Whoa, Cornelia's transformed, so awesome!

Me: Really cool.

Lilian: Wow, now my sis has transformed, so cool.

Eli: But, her big transformation's about to come later on.

Lincoln: Hers isn't the only one, I can sense something inside Will, Irma, Taranee, and Hay Lin, it looks like they're also going to transform, and it's really going to be big.

Me: Hey, yeah, that's right, I can sense it too. This should be good.

***KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

A MASSIVE FIERY EXPLOSION WENT OFF WITH INCREDIBLE POWER AND FORCE!

**THE BATTLE THAT WILL DECIDE THE FATE OF THE UNIVERSE AND THE WORLD HAS BEGUN!**

---

Gluto vs Zi O Riders, Maxxine, Time Force Rangers, Cyborg 009 heroes, Astro Boy and his friends, and Marty and his pals

---

Joe Shimamura: (unimpressed) This is a joke, right?

Gluto: It's no joke! I'm gonna rough you guys up!

Gluto tried to punch Joe but all it took was one shove from Joe to knock him to the ground.

THAT WAS PATHETIC.

Villamax just punched Gluto once to knock him to the ground.

Villamax: (to Gluto) Now, stay down. I mean it!

Maria: Wes, you and your group guard the portal now. The more people guarding it, the better!

Wes: Right you got it!

They went and guarded the portal.

Maria: One down and 23 to go.

---

Master Org vs Peanuts Gang, Kendra, Applejack, Andy, Rodney and their friends, Varie, Tuff agents, Monkey Team, and Wild Force Rangers

---

Master Org: How cute! 2 children are going to try and kill me!

Charlie Brown: We're part of the people who are going to kill you.

Andy: (laughs) Your final defeat is gonna be really humiliating for you!

Chiro: (telepathically to me) J.D., there are more people guarding the portal now. It's safe for you to revive Cole's parents.

Me: (Telepathically to Chiro) Perfect. Thanks Chiro. (Out Loud) Before you fight Victor, I have 2 people that want to say Hello. (SNAPS FINGERS)

Master Org: What do you mean?

Me: Oh I wouldn't want to spoil the surprise.

Then beams of light shined down from the heavens and the divine singing of angels was heard and then out of a beam of light came 2 figures and they were Coles Parents! RICHARD AND ELIZABETH EVANS!

Master Org gasped in shock and horror!

Cole Evans: (GASP)

Cole saw his mom and dad for the first time ever in his life!

Richard Evans: Victor you are the one that killed us.

Me: Surprise you fool!

Master Org: THIS HAS TO BE AN ILLUSION!

Elizabeth then punched him in the face and he REALLY felt that one!

Elizabeth Evans: It is no illusion!

Me: It's really real!

Cole Evans: Mom? Dad?

Nico: HO-LY! FUCKING SHIT!

Qin: OH NO!

She laughed malevolently and insanely!

They charged up the sword and slashed the beast and then blasted the beast and then I threw the bomb and then the bomb hit the beast and then…

(EXTREMELY MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF UNBELIEVABLE POWER!)

The Nemesis Beast was completely obliterated and destroyed. The Void Queen was down.

Eduardo: Um… guys, the portal's still active. Is Void Queen dead or not?

We saw that Void Queen just barely survived the Spirit Bomb.

Nico: She's about to be dead!

Jason, Tyler, Connor, and Zayto: This time, you're finished!

Jason, Tyler, and Connor: Dino Power Ultra Blaster!

The Dino Power Ultra Blaster was formed.

Zayto: T-Rex Strike!

Ollie: Tricera Strike!

Amelia: Ankylo Strike!

Izzy: Tiger Strike!

Javi: Stego Fury Strike!

All four Dino teams were preparing their finishers.

Void Queen: No. Not a chance. I WILL KILL EVERY LAST ONE OF YOU!

Void Queen fired her own blast at us.

In their minds, Zayto, Jason, Connor, and Tyler nodded at one another.

Zayto, Jason, Connor, and Tyler: SAY YOUR PRAYERS, VOID QUEEN!

The four Dino teams launched their finishers, overpowering Void Queen's blast, and striking her through the chest.

Void Queen: NO! HOW CAN I LOSE LIKE THIS! DAMN YOU TO HELL, POWER RANGERS! (explodes)

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was dead!

Zayto: Dino Fury Victory!

Me: Void Queen you have failed this universe!

The portal then closed!

Nico: There!

Then her spirit appeared.

Nico: Now you will pay!

Nico fired a wave of energy and it hit her spirit and banished her to the Black Gates!

Lincoln: May you both suffer for eternity for all the pain and suffering that you have caused, Void Queen and Nemesis Beast.

Nico: Yeah, that's telling 'em, Linc. Awesome job, guys, but we're not done yet, there's still the matter of Lord Cedric to deal with, and that snake-man hybrid should be arriving… right now!

?: I will make you all pay for what you did to Lord Phobos, Guardians of Kandrakar!

Will Vandom: Cedric, I should've known you'd show up here.

Lord Cedric: And it will be the last time, and now, I will kill you all and avenge Lord Phobos' death!

Cornelia: No, Cedric, this is where you will die here and now.

Suddenly, Cornelia's sky blue eyes turned neon sky blue, and she was surrounded by a pink energy aura with quintessence, life energy, lava, earth, and angels, she unholstered her massive Kandrakar's Earth Quintessence Greatsword of Magical Justice from her back, and as she approached Lord Cedric, she left pink energy, quintessence, life energy, lava, earth, and angels with every step.

Nico: So, that's how they're going to let Lincoln kill Lord Cedric, the scars they're leaving are drawing blood and the scent of blood is getting to him since he's a vampire-werewolf hybrid.

Suddenly, four beams of light descended and four hand-cannon Blaster appeared for Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, and Hay Lin, the new hand-cannon Blasters are known as Kandrakar Elemental Guardian Fury and they're modelled after Rabbid Peach's Fuchsia Fury Blaster, but they're pink with waves of fire, waves of water, waves of earth, and winds on the blasters with a Phoenix, Archangel, and the symbols of Quintessence, Fire, Water, Earth, and Wind surrounded by fire etched on the sides, and bright red, blue, orange, and blue-black gems on the top of the blasters. Will, Irma, Taranee, Cornelia, and Hay Lin fired pink energy blasts and elemental forces at Lord Cedric and they exploded as they hit him, and he was dazed.

Lord Cedric: Is that all you got, you fools? You will never kill me!

Cornelia: (Divine Echoing Cosmic Voice of The Volcanic Earth Lavastorm Phoenix and Divine Volcanic Earth Lavastorm Life) (Smirks) **Oh, we're not the ones who are going to kill you. COME AND GET IT, LINCOLN!**

Suddenly, as though responding to the call, Lincoln his deep sapphire eyes now blood red and his now longer vampire fangs disappeared in black mist and reappeared behind Lord Cedric and he put him in a brutal bear hug, so that he couldn't escape and as he bit the snake-man hybrid on the neck, Lincoln began sucking out all of Lord Cedric's blood and Lincoln also began absorbing the snake-man hybrid into his massive and muscular body and assimilating his powers and immense super strength. Then, as soon as Lincoln was done, an energy card with Lord Cedric's soul imprisoned inside it appeared in Lincoln's large left hand, and he tossed into Nicole's Book of Vile Darkness and he was added into the Book of Vile Darkness. We cheered wildly as Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, and Hay Lin holstered their massive greatswords and powered down and the new bodies, clothes, weapons, and massive angel wings of Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, and Hay Lin are permanent.

Nico: Wow, now that's what I call an awesome five-against-one battle against Phobos' general, that was an awesome job you did, girls, and that was an awesome strategy you and the girls used, Cornelia.

Matt Olsen: You left tons of scars on Cedric's body and caused him to bleed so bad, the scent of blood caused the hunger for blood to awaken in Lincoln.

Me: And when Cornelia said those words, Lincoln did his work and he fed on Cedric and absorbed him into his body, and when the energy card with Cedric's soul appeared in his hand, he tossed it into The Book of Vile Darkness.

Nicole: Yep. He'll enjoy spending time in there.

Ollie Kanna: What did we just witness?

Adriana and Rudina explained the whole thing, and he and the others were horrified that Lincoln had been brutally stabbed by Lynn and Lori on many occasions, and Adriana used her vampire blood to save his life, and this turned him into a vampire and Rudina used her werewolf blood to save his life and it turned him into a werewolf, and many of Lincoln's Guardian Angels offered their blood to save Lincoln's life when Lori, Lynn, Lola, Lisa, and Luan tried to kill him many times by stabbing him with knives, and he'd also saved the lives of many of his Guardian Angels by biting them and feeding on their blood and healing their injuries, and he'd been acquiring and gaining powers and he'd become a powerful vampire-werewolf hybrid and kept it a secret for six and a half years. When they were both finished, the Dino Fury Rangers were stunned.

Izzy Garcia: Wow.

Nico: Yeah, and those stories are just the tip of the iceberg of the cruelty that Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan inflicted on Lincoln, and we heard a lot of revelations from the other Guardian Angels, and they're just as ugly.

Lincoln: Sorry I kept it secret, guys.

Amelia Jones: That's okay, Lincoln.

Zayto: Cornelia told me those stories and revelations that she heard from Lincoln's many Guardian Angels, and they're really horrible and bloody.

Cornelia: They sure were, but the Guardian Angels were always there to protect him, and being the kind person he is, he repaid the favor by protecting them from his enemies and from Lori, Lynn, Lola, Lisa, and Luan.

Will Vandom: And we know what happens when you mess with those he loves and cares about.

Nico: And if you mess with the bull, you get the horns, along with a brutal ass-kicking!

Me: You got that right. And tomorrow, the battle against The Chernabog Sisters is back on.

Javi Garcia: You mean those twelve chaos-causing she-demons from Michigan, they're back?!

Lincoln: They've since returned since November 6th, Javi, and so far, we destroyed Belinda, Callidora, and Nocturne Chernabog.

Michelle Emperyous: And now tomorrow, it's Griselda Chernabog's turn, and she's going to pay for what she did this morning.

Lincoln: And she's bound to have another nasty surprise on my rescue tomorrow, Michelle. And we're also going to meet Elena and Millenia Vocesdebelleza, the Denchuhs Gene-Slammers on my rescue tomorrow.

Johanna Vocesdebelleza: (Spanish Accent) Awesome!

Lincoln: And all the Power Rangers are coming with me on my rescue tomorrow!

Troy Burrows: You're really going to like going on Nico's and Lincoln's rescues, Zayto, they're really awesome, but like Lincoln said, Griselda Chernabog's bound to bring back another old foe from the past back from the dead to get revenge on the team.

Luan: But, we're always ready for them, Troy.

We powered down.

Zayto: (smiles) It's over, guys. Void Queen is no more!

We cheered wildly!

Chalmers: Now that was an epic win!

Qin: YEAH! WOOHOO!

Fat Tony: And an epic way to close out 2022 big missions.

Me: Yeah it was!

Number 7: This was indeed worth the wait.

Nico: Yep.

Zexion: (to the Extreme Ghostbusters) And thanks to you guys for helping.

Kylie: No problem. You might see us next month though.

Multiplex: We'll look forward to that.

Me: Yep. But thanks guys.

They went back home to New York.

Me: Boy this was awesome!

Laney: It sure was!

Nico: And it was all worth the wait too. Great job today everyone.

Me: And the best part was we destroyed many of the Rangers most dangerous enemies.

Eli: Including Lothor.

Me: Yep. Now I'm free of the excitement to kill him.

Eli: That's for sure.

Nico: Yep.

Zayto: This was awesome

Me: Yep. (To the viewers) This was one of the most epic battles we've ever had. Hope you all liked this one and it was all worth the wait.

Nico: It sure was. Lets all head home and rest. We got a big party tomorrow.

Me: Good idea.

Zayto: Thank you guys for helping us all. Now the Void Queen is a forgotten memory.

Me: It was our pleasure Zayto.

We went back home and enjoyed the rest of the day and went to sleep.

Me: Kybar's Teeth. Man it's scary and cold here.

Xenia: Boy it sure is.

Eli: No kidding. Man is it cold.

Wonder Woman: It's always good to get out and battle bad guys in temperatures like this. Some say it builds character.

Nico: That it does Diana.

Laney: Yep.

Nico: Thanks for coming with me, Wonder Woman.

Wonder Woman: Anytime Nico. It'll be fun helping you out.

Me: It always is fun to have one of the heroes of the Justice League to help out.

Nico: Diana, don't take this the wrong way. But do perverted men visit Themyscira sometimes?

Wonder Woman: There have been a few incidents like that. But they all ended up dying at our hands.

Nicole: Boy I don't blame your people one bit for that. I hate perverts with a vengeance and it's good that your sisters do all that to them.

Wonder Woman: I agree. Hera is thankful you are enforcing the dignity and safety of women everywhere Nicole.

Nicole: Glad I am doing everything I can to help. Also Themyscira is not the only Amazon island that we know. There's Princess Shizuka's village Nadeshiko.

Nico: That's right, her village is a Village of Amazons too.

Wonder Woman: We'll have to see what that is like someday.

Nico: Jiraiya actually keeps making plans to visit Themyscira. And let's just say that his visits are denied.

Wonder Woman: That man is a crazy guy.

Me: Man Jiraiya-sensei is really always up to his pervy tricks.

Eli: No kidding.

Nicole: Good thing I am the one that put that ban on him from the Hot Springs and all places involving women.

Nico: Really?

Nicole: Yep. I put up bans on him involving brothels, beaches, hot springs, swimming pools, water parks, Amazon Villages and islands and more.

Nico: Nice thinking Nicole.

Nicole: Hey someone has to keep the dignity of women in check somehow. What Jiraiya is doing is practically an endangerment to all women in general.

Wonder Woman: That is true. Hera will not allow him to get away with everything he did.

Nico: Lady Hera is more than willing to make sure he gets castrated.

Laney: That's for sure.

Nico: Guys, can we all agree that yesterday was epic?

Me: It was one of the most epic ever Nico!

Qin: Yeah it was!

Lana: Now we have officially completed all our Ambassador Missions for the year.

Lola: We sure have.

Camie: That was so awesome and amazing. We finished that mission with a huge bang.

May: It was worth the wait!

Nico: Yeah it sure was!

Qin: This was an awesome one!

Tony Jones: We all had a lot of fun on that one.

Laney: We sure did.

Lola: Yeah that was awesome and cool.

Me: Hopefully the next set of missions won't take that long too.

Lily: Yeah no kidding.

Maria: Look on the bright side. At least Void Queen and her goons didn't offer us the chance to go back in time and fix all the bad things that happened to us.

Nico: Of course not. They just wanted to use the time portal to erase the history of Power Rangers and Super Sentai everywhere!

Me: But at least we stopped that from happening. And thank goodness it wasn't one where I would go back in time and erase all evil.

Nico: That's true.

Qin: Yeah no kidding.

Laney: But I do not want to go through something like that again with 25 villains like that.

Nico: Yeah no kidding. I think that is the unlucky number for us when we face that many people.

Qin: No kidding.

Me: Yeah.

Nico: What are we looking for this time?

Nicole: It's called the Claws of Kybar's Teeth. They are a gauntlet that grow razor sharp scythe claws that can slash through the toughest metal.

Qin: Whoa! That's lethal.

Nico: Yep. Who gets it?

Nicole: Hmm. How about Momo this time?

Momo: Wow I would be honored to get it.

Nicole: Cool. This is the last treasure we have to find here.

Xenia: Oh.

Nico: Let's get a move on.

Nicole: It's up ahead.

We went into a cave in a mountain and then in a big room in an ice crystal was THE CLAWS OF KYBAR'S TEETH!

Nico: There it is!

Qin: The Claws of Kybar's Teeth!

Xenia: They sure look cool.

Momo: Here we go.

She went over to it and smashed the ice crystal and then got them out and put them on and then they glowed.

(ESCAFLOWNE INTRO (FOX KIDS VERSION PLAYS)

She underwent a powerful transformation as she got ice crystal angel wings and she got the body of a goddess. Of course she always had that.

Me: Whoa! Momo how do you feel?

Momo: Incredible!

Qin: Wow!

Nico: And that's end of the treasure in the Moonlands.

Maria: For now.

Nico: We still have Another Alien to face.

But then…

SPLASH!

Nico got drenched in water!

Nico spit and coughed water all over!

Nico: Okay, who's the wiseass?!

Maria: Hey it wasn't me!

Himiko: Me neither!

Eli: It's from up there!

We saw a figure come out and it was a black version of an Evolved Spheroid! It was ANOTHER ULTIMATE SPITTER!

Me: Whoa Another Ultimate Spitter!

Qin: Jeez! Say it don't spray it!

Another Ultimate Spitter: (In a girls voice) Sorry about that. I was trying to get your attention.

Me: (Gasp) Tara Kerankova? Whoa!

Nico: You know her?

Me: Yep. She's from Florida and she is a massive hater of Karen Women. You know what those are right?

Albedo turned into Negative Ultimate Spitter.

Negative Ultimate Spitter: First of all, what's a Karen? And second, what did Swartz promise you?

Me: A Karen is a very violent woman. It's a slang term. A Karen is a pejorative term for a white woman perceived as entitled or demanding beyond the scope of what is normal. The term is often portrayed in memes depicting white women who use their white privilege to demand their own way. Depictions include demanding to "speak to the manager", being racist, or wearing a particular bob cut hairstyle

Negative Ultimate Spitter: Oh I get it! Yeah I've seen those women on the internet and they are nothing but trouble.

Me: They sure are. Many of them are either in jail or in a nuthouse.

Another Ultimate Spitter: And second I was promised to become a bounty hunter of Karens. They are criminals that think they are so much better than everyone else. They are total psychopaths.

Me: Boy they sure are. But you definitely are a great bounty hunter of them already. You brought in 719 bad women like that. All totally $723,127,237,213,234,672,357,346.00.

Another Ultimate Spitter: Wow! Awesome way of keeping track.

Me: Thanks.

Nico: Wow! That is impressive.

Qin: Now I REALLY need to get into bounty hunting.

Me: It is very profitable.

Fu: It sure is.

Me: Yep. Sorry we have to fight like this.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zonkaiju armor!

We fired waves of fire and energy and smashed her all over.

Me: (ACTIVATES NORM'S RIDEWATCH) Time for some Coffee from Hell power.

I drank some coffee made from chili peppers, garlic, onion, black pepper, Mongolian Fire Oil, Maurice's Anti-Fungal Allergy Ointment Cream, 30-Weight, Pesto and Capsaicin Extract and Coffee and fired a massive blast of fire from my mouth and it hit Another Ultimate Spitter and burned her all over.

Qin: HOO! HOT!

Me: (Italian Accent) That's a Spicy Meat-A-Ball!

Sougo: (gets out Zi O II Ridewatch) Swartz May have been lying about that offer.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) But did he really hate Karens?

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Me: I don't really know.

Another Ultimate Spitter: No he has a hatred for everything.

Nico: Yeah that is true. But you would hate EVERYONE in the Frat Kid universe.

Qin: Yeah that was horrible!

Laney: What they were doing was horrible! It was anarchy.

Lana: Yeah that was awful!

Nico: (takes out Jellax's Ridewatch) See how you like this!

Nico fired red slime and drenched her.

Nico: That was for getting me wet!

Me: Yeah!

Another Ultimate Spitter: Sorry.

Wonder Woman: My turn!

Nicole: Lets show her what an Amazon can do.

Wonder Woman: You got it! (ACTIVATES KITE MAN'S RIDEWATCH)

She fired waves of wind and smashed down Another Ultimate Spitter.

Nico: YEAH!

Qin: WOOYEAH!

Momo fired blasts of energy and smashed her down.

Xenia: YEAH!

Maria: I hope the next Gene Slammer is near.

Then we heard a whale song.

Me: Wow! A Whale song.

Then a Storm Skyress appeared!

Qin: WOW! Storm Skyress!

Xenia: Beautiful.

Then an Indigo Whale appeared and it was EARTHBOUND IMMORTAL CHACU CHALLHUA!

Nico: Whoa! Earthbound Immortal Chacu Challhua!

Camie: Wow!

Chacu Challhua: (In a girls voice) Looks like the fun has started.

Storm Skyress: (in a girls voice) And it will be awesome.

Nico: (Gasp) Kaze Wynn and Jeanette Challhua! Wow!

They reverted back and Kaze was a green hair girl with green eyes and had green clothes and green angel wings and had 4 smaller wings with gold tips and had the Ventus Symbol in the middle of her forehead and Jeanette was a black hair girl with dark blue eyes and dark blue clothes and had the Killer Whale Nazca Line on her arm and skirt.

Jeanette Challhua: Awesome to see you again Nico.

Kaze Wynn: Same here. We got this.

They fired waves of wind and indigo energy and blasted down Another Ultimate Spitter and I caught the ridewatch and purified it and I went over to Tara and she was a girl with orange hair and orange clothes and I picked her up.

Tara Karenkova: (GROANS) What a headache.

Me: But you're back to normal now.

Wonder Woman: What are your favorite memories of Nico?

Jeanette Challhua: We are Nico's friends from meteorology and weather classes and we did all sorts of projects on the weather.

Kaze Wynn: Or favorite was clouds and we specialized in the wind and the clouds.

Jeanette Challhua: One time we made a mini-thunderstorm in weather class with our powers and showed how storms make everything like lightning, hail, tornadoes, rain and more. We got an A + on it all.

Qin: I remember seeing that. That was so cool.

Lola: It sure is!

Nico hugged them both.

Nico: I missed you girls.

Kaze Wynn: We missed you too Nico.

Lana: But this was awesome.

Nico: Lets get home and warm up.

We did so and Applejack made us all warm apple cider.

Me: (Drinks) Ahh.

Nico: Nothing like warm drinks.

Tara Karenkova: And man is it good. I was freezing.

Me: (Drinks) Ahh. Yeah.

I turned on the fireplace and warmed up Tara.

Me: Warm up to your hearts content Tara.

Tara Karenkova: Thanks J.D. I was so cool.

She sat by the fire and warmed up.

Suddenly, everyone was dressed as the most scary and terrifying creatures of myth, and Sora, Donald, and Goofy were in their Halloween Town costumes.

Lincoln let out a growl as lighter brown fur began growing on his abnormally massive and powerful muscular body with tan fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes still remained but the pupils turned into slit pupils, and the tips of his eleven massive and long white wolf tails turned into large black wolf heads and he let out a powerful howl as he transforms into Lincoln the Nocturnal.

Carmen and Rudina Adalwulf let out a growl and they transformed into their werewolf forms as lighter brown fur began growing all over their bodies with tan fur covering their muzzles and stomachs, large brown pointed wolf ears grew on top of their heads, their nails grew into claws, their brown tails grew and sprouted out, and their eyes turned yellow with slit pupils, and they let out a howl.

I suddenly let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of my head, my nails grew into claws, and my blue eyes turned deep blue with slit pupils, and my eleven massive wolf tails were already out, as I let out a howl as I transform into J.D. the Nocturnal.

Lincoln: (Beastly Voice) Wow, we're here in Halloween Town, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're also going to destroy Morgan Moonscar and his pirate crew who were brought back in their zombie forms, and this time, we're going to see to it that they pay for what they did to Simone and Lena over 300 years ago.

Elena Skellington: It's been years since the day I was born in Halloween Town, and the day that I'd moved to Michigan, I've never forgotten all the memories I've had here, and all the Halloweens that Jack and I did.

Me: (Beastly Voice) And I couldn't forget the smile on Jack's face when you guys were reunited and on Halloween of all days.

Nico: He truly was happy, and so was Zero, and all the inhabitants of Halloween Town.

Eli: Plus, when they found out you were Lincoln's Guardian Angel, they were indeed surprised, but they knew you'll always be there to protect him, and Lincoln will always take care of you.

Lincoln: (Beastly Voice) That's right, Eli, and I want to thank you, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, and the Power Rangers and Super Sentai Teams for joining us, Princess-What's-Her-Name.

Princess What's Her Name: You're welcome, Lincoln.

Zayto: And this is definitely our first time coming here to Halloween Town, I remembered seeing The Nightmare Before Christmas, it was awesome.

Jayden Shiba: And Sora, Donald, and Goofy have been here before and they're good friends with Jack Skellington, The Pumpkin King of Halloween Town.

Tommy Oliver: And they've stopped that ugly bag of bugs, Oogie Boogie, more than once and they've had unpleasant encounters with Halloween Town's notorious pranksters, Lock, Shock, and Barrel.

Elena Skellington: Yep, but Oogie is finally gone for good, and Lock, Shock, and Barrel are now under the strict supervision of The Masters of Evil for all the chaos they've instigated.

Jack Skellington: That's right, Elena.

Sora: That bag of bugs has been asking for it for far too long.

Suddenly, we saw the Vampire Brothers arrive.

Vampire Brother 1: Lincoln, everyone, we've found the location of Morgan Moonscar and the zombie pirates, they're at The Pumpkin Patch.

Vampire Brother: 2: And even worse, Griselda Chernabog was the one who brought them back, and she's still driven by revenge and madness for what all of you did to Belinda, Callidora, Nocturne, and Mastema Chernabog.

Lincoln: So, Griselda Chernabog was the one who brought them back and in their zombie forms.

Vampire Brother 3: Precisely. Now, they're here and causing havoc even more than Oogie Boogie's monsters.

Vampire Brother 4: You must stop them at once.

Sora: And we will. Let's head down to The Pumpkin Patch and send them to their doom.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of two girls screaming for help, along with the sound of moaning in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Morgan Moonscar and his pirate crew in their zombie forms and they're going to kill them, and Lincoln saw they all had the Qliphoth Tree of Death on their foreheads, just as the Vampire Brothers pointed out.

Lincoln: (Beastly Voice) (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by Morgan Moonscar and his pirate crew in their zombie forms and they're going to kill them, and I saw they all had the Qliphoth Tree of Death on their foreheads, just as the Vampire Brothers pointed out.

?: (Spanish Accent) Those ruthless undead pirates, let's get them and that insane and chaotic demon will get hers later on today.

Suddenly, we saw the My Singing Monster, Denchuhs, appear before us.

Lori: No way, that's Denuchs.

Lincoln: (Beastly Voice) And I'd recognize those Spanish accents from anywhere, I knew it was you, Elena and Millenia Vocesdebelleza, but we'll talk later, let's get those zombie pirates.

We rushed over, and before Morgan Moonscar and his zombie pirates could kill the two girls, Lincoln fired powerful rainbow energy balls and elemental forces at the ruthless zombie pirate and his crew, and that allowed the two girls to get to safety in a rainbow energy field created by Lincoln to protect them from Morgan Moonscar and his crew, and when he saw us, he moaned in anger.

Lincoln: (Beastly Voice) Time for you to face 300 years of justice for what you and your crew did to Simone and Lena.

Roxas: Whoa, now that's what I call an awesome Halloween-themed attack!

Lincoln: (Beastly Voice) And now, we're finally rid of Morgan Moonscar and his pirate crew for good and we got justice for Simone and Lena for what happened 300 years ago. (To Elena and Millenia Vocesdebelleza) And it's so good to see you again, Elena and Millenia Vocesdebelleza.

Elena Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing pink hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful pink angel wings and she reigned in the power of Denchuhs, and she's dressed in a sleeveless open pink blouse, sleeveless pink top, pink skirt, pink pants, pink legwarmers, pink sneakers, and long white sleeveless trenchcoat with teeth on the coattails and Denchuhs on the back and holstered on her back is a Denchuhs-themed large greatsword with Denchuhs etched on the 7'0" massive, wide, double-edged pink blade, large monster heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large monster heads and a large pink gem on the bottom of the large monster heads for the pommel.

And Millenia Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing pink hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful pink angel wings and she reigned in the power of Denchuhs, and she's dressed in a sleeveless open pink blouse, sleeveless pink top, pink skirt, pink pants, pink legwarmers, pink sneakers, and long white sleeveless trenchcoat with teeth on the coattails and Denchuhs on the back and holstered on her back is a Denchuhs-themed large greatsword with Denchuhs etched on the 7'0" massive, wide, double-edged pink blade, large monster heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large monster heads and a large pink gem on the bottom of the large monster heads for the pommel.

Elena Vocesdebelleza: (Spanish Accent) You too, Lincoln.

Millenia Vocesdebelleza: (Spanish Accent) It's been a long time.

Lincoln went up to Elena and Millenia Vocesdebelleza and he hugged them, and Elena and Millenia Vocesdebelleza is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on their face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails.

Lincoln: (Beastly Voice) It sure has been a long time, I haven't seen you two since you were eight, and as you can see, I really grew a lot since then.

Elena Vocesdebelleza: (Spanish Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 8-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, and you've also really grown so much bigger in muscle.

Millenia Vocesdebelleza: (Spanish Accent) Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps, and you're in your Lincoln the Nocturnal form.

Nico: Wow, so this is…?

Lincoln: Yep, that's Nico, this is Elena and Millenia Vocesdebelleza, they're the fifth eldest and middle sibling of the ten Vocesdebelleza Sisters who are my Guardian Angels from Brazil, and Elena and her sister, Millenia, are my classmates in English, and they watched cartoons and played video games together with me especially when we were 8.

Lori: It was literally so cute seeing them playing together.

Lincoln: (Beastly Voice) That's right, and they have the same story.

Nico: Hey yeah, that's right, and we got an idea of what they're like.

Johanna Vocesdebelleza: (Spanish Accent) You said it, and it's so good to see you and Millenia again, Elena.

Elena Vocesdebelleza: (Spanish Accent) It's good to see you, Corona, Ronalda, and Sally again, Johanna.

Millenia Vocesdebelleza: (Spanish Accent) and it's also good to see you again, Hilda.

Hilda: (British Accent) You too, Elena and Millenia.

Millenia Vocesdebelleza: (Spanish Accent) And we've got a story to share on how Lincoln mongrelized Lewis Travolta when he tried to kill us and our sisters.

Nico: Oh, this we're really going to enjoy hearing.

Elena Vocesdebelleza: (Spanish Accent) You're going to love hearing it. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you my blood.

We gasped at their request, including Lincoln.

Lincoln: (Beastly Voice) Elena, Millenia, are you absolutely sure?

Elena Vocesdebelleza: (Spanish Accent)(Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky.

Millenia Vocesdebelleza: (Spanish Accent) (Smiles) and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Elena and Millenia Vocesdebelleza, and like their sisters, he saw they're really serious, and he smiled as he walks over to them, and he hugged their waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down to Elena's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he did the same to Millenia as he leaned his head down to her neck, he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared around Millenia and Elena's Vocesdebelleza's neck with pink gems on the gold lightning bolts and pink crystal links from their new merged Crystal Necklaces of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around their necks.

Elena and Millenia Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin and your sisters, you're now part of my harem and my many future wives, Elena and Millenia.

Elena and Millenia Vocesdebelleza had a smile on their faces and tears in their eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Elena and Millenia Vocesdebelleza's waists and they wrapped their arms around Lincoln's wider and muscular back, and he leans down to their faces and kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Ichi Akabane and Sagara Hanako from Aoharu x Machinegun.

Lincoln: (Beastly Voice) Oh wow, it's Ichi Akabane and Sagara Hanako from Aoharu x Machinegun.

Nicole: Awesome.

Lincoln: (Beastly Voice) Are you girls okay?

Ichi Akabane: Yes, we're okay, thanks to you.

Then, when Ichi Akabane and Sagara Hanako saw who it was that saved them from Morgan Moonscar and his zombie pirate crew, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-

Ichi Akabane: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm, and you're in your form as Lincoln the Nocturnal, the werewolf hero.

Lincoln: (Beastly Voice) That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ichi Akabane: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ichi Akabane and Sagara Hanako with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln, Rudina, Carmen, and I changed back, and the team was shocked when they heard the villains we went after were Morgan Moonscar and his pirate crew, and even worse, they were brought back in their zombie forms by Griselda Chernabog.

But, when Lincoln showed what he, Elena Skellington, Jack Skellington, Sora, Donald, Goofy, Riku, Kairi, Elena, Roxas, Lea, Xion, Max Goof, P.J., Bobby Zimmeruski, Tank, and Roxanne (A Goofy Movie) did in destroying them and sending them to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Elena, and Millenia Vocesdebelleza have a lot of catching up to do now that they're back in town.

Maria: I can't believe that Morgan Moonscar and his pirate crew were brought back, and worse, it was at the hands of Griselda Chernabog, now she's gone too far.

Lincoln: She sure has, but her fate is already sealed when Melanie and I destroy her later on today.

Melanie Emperyous: That's right.

After destroying the zombie Morgan Moonscar and his zombie pirate crew and really pissing off Griselda Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Elena and Millenia Vocesdebelleza saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Elena Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Millenia Vocesdebelleza: (Spanish Accent) He sure does, sis.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elena and Millenia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Elena Vocesdebelleza: (Spanish Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Elena, Millenia, what's the story on how Lincoln took down and beat Lewis Travolta up into a pulp when he tried to kill you and your sisters?

Elena Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Lewis Travolta and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again, but Lincoln grabbed Lewis Travolta by his arm and he broke it and that caused Lewis Travolta to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out that lard ass's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Nico: Yeah, I remember that one all too well, when we got the word that Lewis Travolta broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Lewis Travolta deserved it, and that stupid asshole had no chance against Lincoln, and I got the picture.

I pulled out the picture of Lewis Travolta after he was mongrelized by Lincoln and it matched what Elena and Millenia told us of what Lincoln did to that mutant, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Lewis Travolta, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let him get away with that, so I had to defend the Vocesdebelleza Sisters from that asshole.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and

I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one tough guy, Lincoln, and you kicked Lewis Travolta's fat ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his three-cheeked ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

We got a shower afterwards, and then, Lincoln, his harem, and his kids, Lauren, Hana "Hatchin" Morenos, Haré, Rihoko Amaka, Thunder Sparkle, Starburst, Nyx Midnight, Phoenix Shimmer, Sunray, Little Cheese, Cotton Candy, Cloudy Skies & Sugar Rush, Mirage Daffodil, Butterfly Rose, Anthea, Storm Rainbow, Prism Bolt, Emerald Shine, Topaz Light, Crystal Clarity, Radiance, Thunderbird Apple, Lightning Fritter, Golden Delicious, Starburst Aurora, Fireheart Flame, Soundwave Speaker, Melody Song, Split Face, Fire Light, Lightning Bolt, Lemon Tart, Smartsweet, Bright Eyes Loud, Half Note Loud, Sweet Note Loud, Ace Loud, Patch Loud, Clover Bloom Loud, Melody Loud, Sweetheart Loud, Jing-A-Ling Loud & Ting-A-Ling Loud, Strawberry Pancake & Strawberry Shake, Lemon Zest, Raspberry Sauce, Blueberry Chiffon, Blueberry Pie, Plum Pie, Orange Slices, Cherry Pie, Apple Pie, Wild Apple-Joe, Sweet Tarts, Phyllis the Florauna, Botanica Alhelí, Jessica Jumpstart, Sour Punch, Sour Patch, Sadie "Soundwave" the Wolf, Jasmine "Ravage" the Cat, Elizabeth "Tiger Rage" the Lemur, Eloise "Crystal Bug" the Beetle, Stephanie "Thunderblast" the Anglerfish, Grindcore, Frostbyte, Princess Frozen, Tech-Gear, Nolan "Smokescreen" the Raccoon, Stinger Seinfeld, Billy "Pinocchio" the Tinkerer, Claire "Arcee" the Sheep, Lily Lotus Blossom, Caitlyn Loud, Zach Loud, Buffy Shellhammer-Loud, Katrina Roberts-Loud, Viola Loud, Presta Loud, Dotty Loud, Cinnamon Roll Loud, Piper Panflute Loud, Sashay Shine Loud, Platinum Pallet Loud, Regg

Nyx Midnight: This is going to be so awesome meeting your grandfather, Dad.

Lincoln: You said it, Nyx.

Fluttershy: I also brought Sapphire Lilly, Emerald Oracle, Ruby Wind, and Golden Bunny with me.

Starlight Glimmer: Same with Starstorm Thunder, Firestar Crystal, Waterswirl Aurora, Tornado Starburst, Oracle Lightning, Rainstorm Fireheart, Hurricane Northern, and Skystorm Comet.

Grace Lorelai: And the same with Nanua Lorelai, and it'll be so awesome seeing your Pop-Pop again, Lincoln.

Nicholette Torrington: You got that right.

Lincoln, his harem, and his kids arrived at Sunset Canyon, and they headed for Pop-Pop's room.

Lincoln: Pop-Pop, we're here.

Pop-Pop: Hey, there's my look-alike and his future wives and kids.

Lincoln went up to his Pop-Pop and they hugged.

Pop-Pop: Wow, that was a really good hug, and you've really grown even more and you've gotten a lot larger in muscle.

Lincoln: I'm still always staying in shape, Pop-Pop. Kids, say hello to your great Grand Pop-Pop.

The kids greeted Pop-Pop and they all hugged him.

Pop-Pop: Wow, you've got a lot of kids here, kiddo.

Lincoln: And they're not the only ones.

Lincoln, Fluttershy, Rarity, Starlight Glimmer, and Grace introduced Pop-Pop to Sapphire Lilly, Emerald Oracle, Ruby Wind, Golden Bunny, Starstorm Thunder, Firestar Crystal, Waterswirl Aurora, Tornado Starburst, Oracle Lightning, Rainstorm Fireheart, Hurricane Northern, Skystorm Comet, Ruby Flame, Citrine Storm, Kunzite Lotus, Dioptase Grass, and Nanua Lorelai.

Pop-Pop: (Really Stunned) Wow!

Lincoln: Yep, I'm also a father to seventeen newborn daughters.

Nicholette Torrington: (Snickers) And I can guess you're just as stunned about the number of kids that your look-alike has.

Pop-Pop: You bet, Nicholette, and you sure are just like your parents, kiddo, and you're really a great and amazing parent.

Lincoln: Thanks, Pop-Pop, and like I said, I love my family with all my heart, and just like Dad, I'm now the patriarch of really amazing and awesome sons and daughters and the future husband of many future wives.

Zhen Ji: That's right, Lincoln, and we've also been meeting up with the Guardian Angels that you've befriended when you were little, and from what they've told us of how they've defended you and of how you've defended them, that just proves that you are a kind and strong person.

Selene Emperyous: And that you've always defended those around you and you weren't going to let anyone bully you or those you love, and that's what really makes you who you are: a kind, hopeful, helping, courageous, strong, loving, and caring man.

Lincoln had a smile on his face and tears in his eyes, and he wasn't the only one: Pop-Pop also had tears in his eyes and a smile on his face.

Pop-Pop: Aw, now those words you said, Selene, were more than enough to give this old veteran tears in his eyes.

Selene Emperyous: Oops, sorry about that.

Then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and the kids cheered, including the seventeen newborns, and Pop-Pop.

Selene Emperyous: I guess those words I said were really true.

Sun Shang Xiang: And they are, Selene. Plus, all of you had known Lincoln for the kind of person he really is, and we also saw it for ourselves as well, along with hearing the stories about him.

Nicholette Torrington: I should've guessed it: stories of Lincoln are being told all over the place, and his reputation as a kind, hopeful, helping, courageous, strong, loving, and caring man is spreading like wildfire.

Bertha Sellington: Well, can we even help it, Nicholette. Lincoln's always been the kind of person that he truly is. (To Pop-Pop) So, how's everything in Sunset Canyon, Albert?

Pop-Pop: Really great, Bertha, and I'm still as active as ever.

Bertha Sellington: Heh, yeah, I guessed it, you've always been an active man, and you and the other Senior Citizens glad that Scoots is finally gone for good?

Varie: After all the trouble she's caused, she deserves it, Bertha.

Lincoln, his harem, and his kids had an awesome time hanging with Lincoln's Pop-Pop. Then, Rita and Lynn Sr. also decided to come inside, and Nico and his harem and me and my harem also came over.

Pop-Pop: Rita, Lynn, Nico, J.D., this is quite a surprise!

Rita: After we got done with work, we also decided to come over too, Dad, and I can guess you were surprised to see your grandson's kids and newborns?

Pop-Pop: I sure was, honey, at this rate, my look-alike's going to break the world-record of having that many kids and future wives.

We shared a laugh.

Me: He sure is Mr. Albert.

Nico: Yeah but that is our awesome White Haired Wonder Boy.

We laughed more.

We continued having a good time at Sunset Canyon, and then, it was time for us to head back home.

Starburst Aurora: That was an awesome family time we had with Great Grand Pop-Pop.

Lincoln: Same here, and I'm glad to see that he's been doing alright.

Me: You said it.

Nico: And Sunset Canyon's really peaceful, and it's now even more peaceful now that Scoots is finally gone for good.

Lincoln: After all the trouble she's caused there and in Michigan, she deserves to disappear forever.

Me: I agree there. And Nurse Sue is also no longer there too. She got the Black Gates.

Qin: Good riddance.

Camie: Yeah.

* * *

We were now getting ready for Halinor's second mission as our ship was flying through the endless voids of space to Xenoc..

Qin: I hope you guys kick a villain's butt on Xenoc.

Laney: I have a feeling they will.

William: Anyone else want to go with Halinor? Besides Flarizamon and Cheese?

Sunset Shimmer: I'll go to. I want to see what this is like.

Halinor: You'll love it Sunset.

Flarizamon: I can't wait to see what this is like.

Cheese: I like chocolate milk.

We later landed on Xenoc.

Me: Here we are.

Sunset Shimmer: Wow! Xenoc is amazing.

Flarizamon: Wow! This is amazing!

Eli: It sure is.

Ultrox saw us.

Ultrox: Hey guys!

Me: Greetings Ultrox.

Halinor: Ultrox, this is my archenemy.

Flarizamon: Awesome to meet you. I am Flarizamon and I am a Fire Dinosaur Digimon.

Ultrox: Ah yes I heard about the Digimon. They are a very formidable force.

Me: They sure are.

Sunset Shimmer: And my name is Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Ultrox: Pleasure to meet you.

Me: And this guy is Cheese.

Cheese: Yes.

Me: You'll have to put up with his antics. He's an idiot.

Ultrox: I heard about what happened yesterday.

Nico: You heard about the battle even from here?

Ultrox: Word travels really fast. But mostly we got a visit from people called the Morphin Masters.

Me: The Morphin Masters were here?

Ultrox: Yes they were.

Me: Whoa! The Morphin Masters are the very beings that made the Power Rangers into who they are over the course of the last 45+ Years and counting.

Eli: Long story on that.

Halinor: Yeah but it was one of the most epic battles we had.

Sunset Shimmer: It sure was. We had a really explosive battle on that one.

Me: You should have seen it.

Ultrox: Actually the Morphin Masters showed me an image of what happened yesterday and your power is very incredible. You took down all those monsters like they were nothing.

Me: Wow! Yeah we are known to everyone as gods among man. Our power is not something to be trifled with.

Then Skrash appeared.

Me: Oh great.

Nico: Skrash, what the Hell do you want now?

Skrash: (sighs) Look, guys, I want to say that you all did a good job fighting Void Queen yesterday.

Halinor: (surprised: Really?

Skrash: (in denial) Don't get any ideas! I'm only saying this because what you guys did yesterday impressed even me! (sheepishly) But, can you maybe tell your pal Vypra that I'm interested in joining the Masters of Evil?

Me: You are definitely qualified for the The Masters of Evil.

Halinor: (laughs) We'll put in a good word for you!

Skrash: Thanks.

He left.

Me: That was unusual but he is definitely worthy of being in the M.O.E.

Sunset Shimmer: He sure is.

Then Gnarl appeared too.

Ultrox: Gnarl!

Halinor: You must be Gnarl.

Gnarl: And you all must be Team Loud Phoenix Storm. (bows) It is a great honor to meet you all.

Me: Same to you.

Nico: I'm surprised you're showing respect towards us.

Gnarl: (laughs) Relax. Unlike most of the Warlords you've fought, I recognize power when I see it. And all of you are among the most powerful.

Me: Well no arguments there. Many villains we faced all over the universe were no match for our power.

Nico: That's for sure.

Me: Not to sound arrogant but put our power is very strong.

Eli: Yeah it sure is.

Halinor and Ultrox went back to us only to find that G'rog's car, the Battlesynth, was without its' tires and had a few holes in it.

Ultrox: G'rog! What happened?!

Me: What the?

G'rog: (points accusingly at Cheese) Ask dumb dumb over here! He's the one screwing everything up!

Cheese: (with drill in his hand) Nu uh. I'm only screwing the wheel!

Me: Oh Cheese you idiot.

G'rog: Is he really that dumb?

Me: He is the dumbest ever. But he makes an awesome tool of annoyance.

Sunset Shimmer: It's true.

Nico: Cheese is an imaginary friend that was born with a brain the size of an electron.

G'rog: Oh. I see.

Nico: So, who could be the main bad guy of this world?

Ultrox: Undermaster Akhil.

Gnarl: I will leave you to explain who he is. I will meet you all later in today's race. (leaves)

Ultrox: You will not like Akhil. He is bad news.

He told us all about him.

---

Akhil is a Zenterran aide to Master Khadan. Long ago, a Kragnan ate his father's brain (killing them both in the process), causing him to secretly swear revenge against them. His chance came when Kragnan Klaw Trooper Kommander Necraal tried to steal the Xeno-chamber's Command Matrix, which Akhil had booby-trapped. By mind-controlling the Kragnan into activating it, the result destroyed the entire Kragnan race except for Gnarl, the Empress, and her latest batch of eggs. As punishment for his shameful actions, he was "blended" by the Zenterrans (an execution where a rogue Zenterran is merged into the collective). In Heart of Xenoc, Akhil's specter possessed Khadan's Zenterran Helmsman to sabotage the monitor station and take the Heart of Xenoc, a living master control module made of stable xeno-energy that stabilizes all xeno-chambers. Using the Heart, Akhil tried to rebuild his body and gain the power of a god. But before this could happen, Ultrox rammed into and dispelled his ghostly body. Akhil tried again by gathering enough rogue Xeno-energy to kill Master Khadan and become a god, but he was again thwarted by Ultrox and Skrash, who banished his specter from the planet.

---

When he was done we were shocked!

Sunset Shimmer: Oh man! He is pure evil!

Nico: Yeah no kidding.

Me: But we will gladly make that monster pay.

Nico: When the day comes, he's gonna pay the price. And he's not even getting a single Xeno Cell!

Sunset Shimmer: That is for sure!

Eli: You got that right.

Me: Until then I have an idea. Watch this.

I chanted an incantation and in Akhil's room appeared a bunny? But this was not just any ordinary bunny. It was the demonic bunny that wants to kill Pud'n with Love. Who will soon be in the M.O.E. But the Bunny will make sure Akhil suffers till January 14th.

I showed a viewing window.

Ultrox: A bunny?

Me: You'll see.

Bunny: (Demonic Voice) **I love you Akhil. Do you love me?**

Akhil: To tell you the truth I always wanted my own pet bunny.

Bunny: **Good. But have you ever heard of tough love?**

Akhil: No.

BONK!

He headbutted Akhil and showed a horrifying monster bunny face.

Ultrox: Wow!

Nico: (SMIRKS)

Me: He is in for it.

POW!

The Demon Bunny punched him.

Akhil: OUCH! What was that for?

Bunny: **Sometimes love hurts Akhil and I love you a lot.**

He had a warclub and he smashed him all over and pulverized him with every weapon ever known.

Ultrox: I hope the next bunny I meet on Earth is not like that!

Nico: Don't worry there are no bunnies like that on Earth.

Me: Besides this Bunny is one of a kind. He was recruited into the

Masters of Evil a while back and I gave him a task.

Eli: What was it?

Me: To make Akhil suffer till the big day.

Nico: Cool. But he will kill him right?

Me: Nope. This bunny is immortal, invincible and impervious to all weapons.

Sunset Shimmer: (Smirks) Nice. I like it.

Flarizamon: I brought my own car for the race today.

Ultrox: Cool! What is it?

He showed it and it was called THE FLAMING INFERNO FIREBALL!

It was a race car made of pure fire!

Sunset Shimmer: That is cool!

Halinor: Awesome car.

Flarizamon: Thanks.

We got into our cars and got ready.

Gamekeeper Kytani: Racers on my mark. GO!

WE ZOOMED OFF!

We were really zooming down the path!

Me: YEAH!

Nico: WOOHOO!

Eli: YEAH BABY!

ZOOM!

Flarizamon: Eat my dust!

Me: Oh no you don't!

I was saving this one for a rainy day.

I activated a new Shift Car and then out came a Giraffe?

Flarizamon: Huh? A giraffe?

But then it was revealed to be A BOILING ISLES GIRAFFE!

Unlike a majority of the Boiling Isles' fauna, giraffes on the Boiling Isles are identical to the ones found on the human realm and appear to possess no other physical traits to indicate their demonic origins. Giraffes are even-toed ungulates with two hoof-like toes per leg, a quadruped stance, a splotchy coat, and long necks.

When exposed to flashing lights, a giraffe's mouth can open up to reveal multiple smaller mouths, extra eyes mounted on stalks, and mandible-like appendages.

Flarizamon screamed in fright!

Nico: WHAT THE FUCK!?

Eli: THAT GIRAFFE IS A MONSTER!

We passed through it and it was a hologram.

Me: You fell for Mysterio's hologram.

Gnarl came in front of Flarizamon.

Gnarl: That was clever J.D.!

Me: Thanks Gnarl.

Gnarl: What was that creature?

Me: A Giraffe. We have those on Earth. But our friend Luz told us about Giraffes from the Boiling Isles and they are demonic versions of the ones we know.

Gnarl: Wow! I see!

Nico: J.D. YOU ARE MOTHERFUCKING INSANE!

Me: (LAUGHS) Sorry Nico.

Flarizamon: I can still catch up!

He zoomed passed us again.

Me: Oh no you don't.

I used Hydro Man's Ridewatch and fired waves of water and extinguished the flames on his car and trapped him.

Nico: Nice one!

Sunset Shimmer: Yeah!

Flarizamon: At least I did my best!

Halinor: Yes you did!

We later crossed the finish line and it was Halinor, Sunset Shimmer, me and Ultrox that crossed first!

Everyone on the ship cheered wildly for us!

Luz: That was really clever using a giraffe like that from J.D.

Yusei: It sure was. Man I'm never looking at giraffes the same way again.

Luz: (LAUGHS) That was my first reaction when Eda told me all about how Giraffes are from the Boiling Isles.

Amity: That was awesome though.

Felicia Wittebane: Yeah I saw a giraffe like that. Scared the fucking shit out of me.

Willow Park: Same with all of us.

Ronnie Anne: But that was awesome.

Halinor: Ultrox, you can keep the Prize Xeno Cells this time.

Ultrox: Thanks Halinor. Travel safe getting back to Earth.

Halinor: Thanks.

Me: We'll be all right.

We went back to the ship and headed back to Earth.

Halinor: Man that was awesome!

May: Next time, Brody and Yost Captain America should come with you.

Halinor: Good idea!

POW!

Nico punched me in the side of the head.

Me: OUCH! Nico what the fuck was that for!?

Nico: For scaring me half to death You moron!

Me: I said I was sorry!

Luz: Boy J.D. really scared you didn't he?

Nico: He sure did.

Me: I'll warn you next time. Ouch!

Varie healed me up.

Camie: I didn't even know that Boiling Isles giraffes would be that scary.

Willow Park: Yeah they are scary.

Luz: We have one in the zoo.

Me: Really?! Oh man!

Felicia Wittebane: But don't worry. He only gets like that if exposed to flashing lights.

Nico: Wow!

Eli: Remind me never to use flash photography like that.

Tsuyu: Noted.

Later at Lynn's Table it was time for our awesome party.

All of us: (CLINKS GLASSES) CHEERS!

Nico: To the end of an awesome year of awesome Big Day Ambassador Missions!

Me: And Nico's program is a massive success!

We cheered wildly.

Halinor: It was so awesome!

Moondancer: One of the best ever!

Zayto: It's great to finally be with you guys.

Me: It sure is Zayto! We're so honored to have you all with us.

Amelia Jones: We sure are honored. And now a majority of all of the rangers enemies are all destroyed.

Eli: They sure are.

Me: And I can finally rest easy now that Lothor is gone for good.

Shane Clarke: Thank goodness for that.

Nico: We already recapped the first 24 ambassador missions.

Me: Yep. Now we recap the next 24 missions for the second half of the year.

Eli: Wow! Altogether we have done 48 amazing missions.

Nico: Yep. And it was awesome.

Zayto: You guys have been really busy.

Me: Yeah we sure have been.

Hitoshi: Many of us weren't with you all when that happened. Can you tell us all about it?

Nico: Sure.

We went over the missions we had. We visited these worlds:

Zayto: Wow! You guys did it all!

Hitoshi: Incredible!

Me: It was.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the second youngest of the Chernabog Sisters, Griselda Chernabog, and she's major-leagued pissed off that we killed the evil versions of The Masters of Evil yesterday and recently killed the zombie Morgan Moonscar and his zombie pirate crew and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln,

Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to second youngest of the Chernabog Sisters, Griselda Chernabog, and she's major-leagued pissed off that we killed the evil versions of The Masters of Evil yesterday and recently killed the zombie Morgan Moonscar and his zombie pirate crew and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Melanie Emperyous: Yeah, and I should've known Griselda would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, and Cruella Chernabog show up, along with Griselda Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Melanie and Lincoln destroy another one of their sisters.

Lincoln: Along with having an awesome party to celebrate the conclusion of the 2022 Ambassador Missions and humiliation on Veterans' Day, and once we get done with this party, you're next, Griselda Chernabog.

Me: Yeah no kidding.

Juru: We all had awesome times in those missions.

Qin: Boy did we ever.

Gali: My missions were first.

Hitoshi: That was so cool.

Me: And it was an awesome thrill starting out with meeting the Kamen Riders.

Nico: Yeah and some of the Kamen Riders all helped us out during the 20 Days of Darkness and we will always be grateful for that.

Terrick: 20 Days of Darkness?

Me: Oh right. Those were 20 of the most depressing days ever. From January 23rd to February 11th, 2021 we went through what many would consider an absolute nightmare.

Terrick: Oh man.

Laney: We'll tell you guys more about it later.

Hitoshi: Yeah. But it was awesome having Gali help us during our missions.

Man Ray: And the neat part is we all took down the Seven Senki.

Hitoshi: We sure did on July 7th.

Asumu: That was a really awesome way to kick off those missions with a bang.

Gali: They sure were fun.

Me: Massively explosive too.

Reika Hanehara: That was awesome.

Bridget Branley: One of the most amazing I've heard about. I wasn't with the team when it happened but man that is awesome.

Camie: It was cool.

Nokama: My missions were next.

Me: Those were awesome.

Nokama: Yeah.

Soji: Those were the fastest we've ever seen.

Nico: They sure were.

Me: Yeah no kidding. When I take my coat off I'm faster than a bullet fired from a gun.

Eli: That is awesome.

Nokama: Yeah that is so cool and awesome.

Nicole: And the neat part was we took down the worms and destroyed them forever.

Hiyori: I can't believe my former kind was that evil.

Me: I know. They were all absolute monsters.

Xenia: And ugly too. They were fast too.

Lola: No kidding. Their speed was incredible.

Me: But that Masato guy was one fucked up piece of shit. He was wanting to turn EVERYONE into Worms.

Nico: No kidding. But at least we destroyed him.

Dirty Bubble: Yeah no kidding. But they deserved to be destroyed.

Hiyori: That is for sure.

Dirty Bubble: Yeah no kidding.

Nicole: Yeah no kidding.

Nokama: But at least not all the worms are bad.

Hiyori: That's true. And J.D. splashed them all with the Sacred Water and cured most of them.

Vypra: Yep. And we have 2 Kabuto Kamen Riders in the M.O.E.

Nico: We sure do.

Takanuva: My missions were next.

Ryotaro: That was so fun and cool.

Me: Yes it sure was. The Time Traveling missions with those were so awesome.

Qin: Yeah it sure was.

Me: And we kicked a lot of Imagin butt.

Takanuva: Yeah that was so awesome.

Kyd Wykkyd: It sure was and we killed Kai too.

Me: Yeah that asshole deserved it too.

Xenia: Good riddance.

Stella: Next were my missions.

Nico: That was the biggest vampire hunting mission ever.

Blade: Yes it sure was.

Me: And those Fangire all had no idea who the hell they were fucking around with.

Wataru: That is for sure.

Me: Yeah. Takashi Sugimura deserved to be destroyed and given the black gates.

Chalmers: Boy you are not kidding. But that was scary how he turned into that demonic angel.

Qin: Boy no kidding. He looked like a true angel from Hell.

Chalmers: That was really scary.

Lana: And I thought Flip's ugly face was scary.

Flip: I HEARD THAT!

Bridget and Reika fired fireballs and they hit Flip and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Me: Nice shots girls.

Reika: Thanks.

Me: You're welcome.

Nico: Our vampire hunting gear really came in handy for all that.

Flip had numerous bars of gold and jewels explode out of him after he got burned.

Zayto: How did that happen to him?

Me: It's a curse Lincoln put on him. It's called The Gessius Florus Vengeance Curse.

Nico: It causes the person hit by it to spew out gold, jewels, coins and gold bars when they get really hurt.

Zayto: That is cool.

Roxy: My missions were next.

Me: Now those were awesome.

Tsukasa: They sure were.

Me: That was to commemorate 10 years of the 21st Century's

Riders.

Nico: Yep.

Zexion: And we took down Apollo Geist. That was so awesome.

Nico: Boy it sure was.

Me: That was the 4th major Kamen Rider villain we destroyed and banished to the Black Gates.

Qin: Yeah that was awesome.

Zexion: It sure was.

Nuju: Next were my missions.

Nico: Now those were awesome.

Phillip: They sure were.

Reiko: That was so awesome how you guys beat Katsumi.

Bridget: We all were amazed too.

June Carrington: And the best part is that I got Katsumi as my archenemy.

Katsumi: It sure is fun too.

Me: I agree there.

Titanium Titan: (Spanish Accent) That was one of the most fun missions ever.

Me: It sure was. I was really torn with wanting to kill Katsumi and banishing him to the black gates or let him live and be in the Masters of Evil.

Maria Cranberry: Yeah you sure were. But at least you made the ride decision.

Me: It wasn't easy but it was still a fun mission.

Will: My missions were next.

Eiji: Those were fun.

Me: Boy they sure were. And we collected tons and tons of cell medals during those.

Tsukuyomi: And the shocking part was that I goto turned into a Greeed.

Eli: That was crazy.

Clyde: It sure was.

Sougo: But at least J.D. saved you there.

Nico: No kidding.

Me: Lets not forget that Bloom's biological mom and dad were made Greeed too.

Bloom: That was crazy!

Dr. Viktor: But we all were amazed with those missions too.

Me: And we killed that monster Maki.

Xenia: We sure did. He had it coming.

Qin: Boy did he ever.

Whenua: Next were my missions.

Me: Now that was a strange one.

Goliath: Indeed it was my friends. But it was still fun.

Me: It sure was. But it was awesome that we took down each of the 12 Zodiarts of The Zodiac. As well as find many more with the constellations of the Northern and Southern Hemispheres.

May: Those were all so much fun.

Xenia: You got that right.

Nico: And the neatest part was that we saw that it was all in space.

Me: And it was to commemorate 40 years of Riders. So awesome.

Eli: That was a true interstellar adventure.

Jetfire: (Australian Accent) That was so fun mates.

Me: Yeah it sure was.

Gentaro: We all had fun on that one.

Me: Speaking of Zodiarts we need to find more of them again. Nico I have a proposition.

Nico: What is it?

Me: On Even Days we face one of the Zodiarts and on Odd Days we face one of the Another Villains or Aliens or anything like that.

Nico: That's not a bad idea!

Elyon: My missions were next.

Me: Now that was a magical one.

Haruto: That was awesome.

Qin: We all had a lot of fun on those.

Me: We sure did and we also battled Phoenix.

Phoenix: That was so fun.

Me: One of my favorites and it was fun testing out some of my power on the immortal Firebird.

Nico: That was cool.

1984 Terminator: (Arnold Schwarzenegger Accent) That was a really most amazing and interesting adventure.

Me: It sure was cool.

Lola: We all had a lot of fun on that.

Me: And we destroyed the White Wizard.

Lillian: Next were my missions.

Kouta: That was one of the fun ones.

Qin: Boy it sure was.

Kiba Inuzuka: It was so awesome meeting the Gaim Riders.

Me: And the awesome part was blowing up Yggdrasill.

Nico: That was fun. And the scariest part was seeing the Helheim Forest.

Nicole: That was scary. But it was also fun at the same time when we went there. And we brought down the rest of the Vengeful 6.

G1 Starscream: We sure did.

Me: Oh Speaking of which!

I pulled up the timer for Paul and it showed that the curse we gave him on that day already took his life!

Me: Aw man son of a bitch we missed it!

Nico: The Curse killed Paul?

Me: Yeah and we missed it. Oh well. At least he is gone.

Zayto: I heard about Paul. Sorry about your brother Reggie.

Reggie: It's all right. That monster was not my brother anyway.

Qin: No worries.

Harry Potter: (British Accent) But at least Malfoy is dead and Numbuh 363 is gone.

Nico: Yep.

Dr. Facilier: But it was still very fun though.

Me: That was really fun though.

Kouta: It sure was.

Me: And we were amazed that Gaim is a Rider Team based on all plants.

Nico: Yep.

Onewa: My missions were next.

Me: Now THOSE were a true adrenaline rush.

KGBeast: (Russian Accent) It sure was comrades.

Override: But we had a lot of fun battling Paradox Roidmude and Banno.

Qin: That was so fun using our cars for that.

Camie: Boy it sure was.

Onewa: Yeah. Every time we showed up J.D. would always honk his horn for La Cucaracha.

We laughed.

Xenia: That is funny.

Shinnosuke: I think it's a really cool one.

May: It sure is. But we also killed Nira too.

Nico: That motherfucking asshole made me sick.

Me: First villain of Drive that we banished to the Black Gates.

May: After I think it was Nico who ate his heart.

Onua: My missions were next.

Me: Now THOSE were fun and cool.

Qin: Yeah it sure was.

Laney: The Eyecons are still so fun.

Lana: They all have amazing figures from history.

Vypra: And it was cool using them in the usual battles.

Volcana: I'll say. We learned so much about famous figures from history and what they did and all that.

Xenia: And battled Adel and killed that monster.

Tar Pit: That is for sure.

Me: Yeah and the Gammas were also based on famous figures of history too.

Takeru: That was so fun and cool though.

Lola: It sure was.

Kopaka: Next were my missions.

Nicole: That was my favorite mission set too. As the Goddess of Video Games it was perfect for me.

Me: Boy who doesn't love great video games.

Emu: Yeah and the coolest part is that we were doctors facing Video Game monsters.

Me: The Bugsters were awesome and they are video game based villains.

Nico: Yep. And the cool part is that I made my own video games.

Vypra: Which flew off the shelves.

Qin: Faster than hotcakes.

Moonstone: We had a lot of fun with those too.

Me: And Masamune Dan got what he deserved.

Nicole: He sure did.

Lily: Yeah no kidding there.

Pohatu: My missions were next.

Nico: Those were REALLY scientifical.

Lisa Loud: Indeed they were. Very much right up my alley and full of scientifical formulas.

Me: The Fullbottles are still very cool.

Sento: They sure are and also it was cool you all destroyed Evolt.

Me: Evolt was one of the most fucked up villains we faced. And it's scary they found him on Mars too.

Sailor Mars: I'm still so pissed abut that.

Avalanche: Boy that was awful that all that happened in Japan.

Qin: Boy no kidding there.

Tayuya: That was beyond fucking crazy.

Jirobo: Tayuya watch your language.

Tayuya: Oh shut up fatso!

Brittney: How about you both shut the fuck up.

Nico: All right that's enough.

Me: But it was still scary all that happened. But at least we freed Soichi Isurugi from Evolt.

Nico: Yeah. Lets have a moment of silence for him. He did nothing to deserve all that.

We took our hats off and put our hands on our chests as we had a moment of silence for Soichi. What he did may have been horrible but it was all fully against his will.

We were done 30 seconds later.

Me: But those shirts that Gentoku has are really awesome and flashy.

Gentoku: Yeah I get that a lot.

Me: Yep. But the biggest bonus we got out of that one was bringing Danzō Shimura to justice. Lady Tsunade and most of the village council practically had a heart attack when they saw him.

Nico: Boy no shit.

Qin: Yeah.

Maxxine: My missions were next.

Nico: Now those were some of the most epic.

Me: Boy they sure were. I unlocked my most powerful transformation and we destroyed Swartz and gave him the Black Gates.

Qin: Yeah that was so awesome.

Sougo: And we all are forever grateful to you all for destroying Swartz.

Me: That was still amazing facing him though. And the ridewatches are still one of our most frequently used tools.

Woz: That they are general J.D. It is most fun.

Me: General J.D. I like the sound of that.

Nico: Perfect for my second in command.

Me: It sure is.

Mummy: But the big hero out of that mission that redeemed himself was Future Sougo.

Me: Yeah. But we never had anyone use the Hakai technique on themselves before.

Laney: No kidding.

Me: And we still have all of Swartz's mess to clean up. He turned many of our friends and enemies into Another Rangers, Riders, Aliens and it's possible he used Members of The Masters of Evil as well as who knows what.

Nico: Yep. Just like we're finding gene-slammers.

Camie: Yep.

Me: But the coolest part was we got Legend Items from the Another Riders and Rangers.

Amelia Jones: That is cool.

Me: It sure is.

Melanie Emperyous' transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY ANIMAL LOVER FIRESTORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY FIRESTORM ANIMAL LOVER ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY FIRESTORM ANIMAL LOVER ARCHANGEL LOVE!

We were amazed by Melanie Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Griselda Chernabog saw it, she went fucking mad and fired a blast of darkness at Melanie Emperyous to kill her, but Melanie Emperyous fired a powerful crimson red energy blast with fire, crosses, animals, and angels which overwhelmed the blast of darkness and it hits Griselda Chernabog, and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Melanie Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Firestorm Timelord Justice and a champion of the Archangel Metatron, and Laney, you look beautiful, how do you feel?

Melanie Emperyous: (Divine Echoing Cosmic Voice of The Holy Firestorm Timelord and Divine Holy Firestorm Love) **I feel incredible, Linky. Now, shall we destroy Griselda Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Melanie.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Melanie Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Griselda Chernabog, 'cause your days of causing chaos and havoc in Michigan and the world are over!**

Melanie Emperyous and Lincoln went after Griselda Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, crimson red energy, crosses, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Griselda Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Griselda Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Melanie Emperyous and Lincoln were just getting started and Griselda's divine punishment has just begun. Griselda Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Melanie Emperyous and Lincoln slashed off Griselda Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Griselda Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Melanie Emperyous, it was known as Metaion the Timelord's Holy Archangel Earthstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's crimson red with waves of fire on the blaster with a Phoenix, Archangel, and Metaion the Timelord surrounded by fire etched on the sides, and a crimson red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Melanie Emperyous fired blasts of rainbow energy, crimson red energy, and elemental forces and when they hit Griselda Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Griselda Chernabog's spirit appeared and Melanie Emperyous and Lincoln drew the Judgement Kanji and Seal of Metatron on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Melanie Emperyous and Lincoln did to Griselda Chernabog as they holster their massive greatswords on their backs and powered down, and Melanie Emperyous' new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, and Cruella Chernabog, and they were horrified to see what happened to Griselda Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Griselda! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, Nocnitsa Chernabog, and Cruella Chernabog disappeared in seven mists of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Melanie Emperyous: And now, there's only seven Chernabog Sisters left to deal with. Thanks for helping me destroy Griselda Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Melanie.

Suddenly, Melanie Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melanie Emperyous' face, they kissed passionately as Melanie Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Metaion the Timelord, and the Archangel Melanie flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and flames raging behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Melanie Emperyous came back to us, as the display and

Metaion the Timelord and the Archangel Metatron vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: Yep, and for tomorrow, we're going to meet Miyuki Vocesdebelleza the Withur Gene-Slammer

Johanna Vocesdebelleza: (Spanish Accent) Awesome!

Me: Man that was so funny! Or right mandatory question. Nico which Gene-slammer are you hoping to go for next?

Nico: I thought you would never ask. I'm hoping to go for one for Earthbound Immortal Wiraqocha Rasca and also Great Dezard.

Me: Ooh! Very interesting choices.

Brittney: Also those are gonna be cool to see.

Qin: They sure are.

Nico: Yeah. But great job guys.

We went back home and enjoyed the rest of the day and went to sleep.

Qin: Ahh. This is awesome.

Brynja: (Icelandic Accent) Boy you said it Qin. Nothing like a little rest after having a lot of fun on a bunch of awesome treasure hunts.

Me: You got that right.

Sunny Starscout: But it's always awesome having you all with us too.

Pipp Petals: It sure is.

Batman: It sure is relaxing.

We were having smoothies.

Me: (Slurps) Ahh. And refreshing too.

Nico: Thanks for coming with me, Batman.

Batman: My pleasure Nico. It's going to be good helping you out.

Me: It's awesome having you with us Bruce.

Batman: After everything you've done for me I'm glad I'm able to help out.

Me: Anytime.

Batman: Nico, I would like to apologize.

Nico: For what? You didn't do anything.

Batman: But Joker might have had a part to play in making J.D. and the others reckless in the first place while I simply went along with it. (growls) If that was the case, it probably wouldn't have happened if I had just followed my instinct and… and broken his goddamn neck after Jason was killed by him. And for that fact, I take full responsibility.

Me: It's not your fault Bruce. If anyone is to blame for all that. It was me. I was still a teenager back then and I let my excitement and love of adventure and fun and battle get the best of me. So I am the one that should be taking responsibility for that.

Batman: I know. But you guys all did really good helping me and all of us over the years.

Maria: Besides, Bruce, we don't think of any less of you despite everything that's happened. You've done a lot of good deed for the world and Gotham. (Laughs) My fellow Meta Breed members except Ebon can confirm that.

Batman: That is true.

Me: Besides. At least you're rid of the Joker and some of your most dangerous enemies forever.

Qin: That's for sure.

Rin Nohara: Yeah they all deserved to be destroyed for everything they did.

Twilight Sparkle: I agree there.

Me: Besides, the Justice League has most of their enemies in the M.O.E. and some of the most dangerous and cunningly conniving ones are now gone for good.

Batman: That's true. And you did help some of my enemies change their ways.

Xenia: We sure did.

Qin: That is always true.

Bai Tza: We all think it's awesome.

Me: Yep. But man that was so awesome party.

Eli: It sure was.

Nico: Yesterday was less of a humiliation and more of a recap.

Me: We still had a lot of fun though.

Xenia: Yeah that was so epic.

Camie: This whole year was all absolutely epic.

Lola: Yeah it sure was. We had a lot of fun.

Me: It always is fun. And man ALL these missions were epic and amazing.

Qin: They sure were.

Nico: Yep.

Nico: Not to mention that already, we've met two new heroes.

Me: No kidding there. And they are the Ghostbusters and the Alien Racers.

Lola: Yeah.

Qin: That is so awesome.

Camie: It sure is.

Laney: Yeah.

Me: We're not done yet though. But we're off to an awesome start.

Laney: Yes we sure are

Maria: Nico, which teams did you make yesterday?

Nico: Good thing you reminded me. Boris' team will include Kouta, Tharja, Celica, Clair, and Hilda. Brittney's team will include Amber, Ren & Stimpy, Powdered Toast Man, Kylie Griffin, and Siren.

Me: Ooh! I like it.

Lola: Me too.

Me: And Celica will be perfect for Boris's team.

Brittney: And I'm truly honored to have a team like that Nico and

Kylie will make a great addition to my team.

Laney: So will Siren.

Twilight Sparkle: Moondancer is going to love that one.

Nico: Yep.

Me: (Slurps) Ahh.

Batman: Tharja, Clair and Hilda will make amazing additions to the team.

Nico: They sure will. Fire Emblem is awesome.

Juran: I hope Misty hasn't been found out yet.

Me: Me too.

But then there was a knock at the door.

Me: I'll get it.

I went and opened the door and it was Misty.

Me: Oh Misty. We were worried you have been found out.

Misty (MLP): Don't worry guys. I'm doing a good job.

Me: Awesome.

Nico: So what have you found out?

Misty (MLP): Well it's not good.

She pulled out a book and it was a copy of Opaline's log. It was a really BIG Book!

Me: What's this?

Misty (MLP): This is a logbook of everything Opaline did. I found it and made a copy of it for you guys to see.

Nico: Lets take a look.

We got to reading it and what we discovered in it was absolutely HORRIFYING! Opaline was the most evil monster we have ever seen in all of Equestria's history! She is not only a xenophobic power hungry monster but is also the SUPREME DRIVING FORCE BEHIND ALL OF THE UNHOLY AND TERRIBLE CALAMITIES BEHIND ALL OF EQUESTRIA'S VILLAINS AND HOW THEY CAME TO BE!

Maria: I don't believe this!

Me: Opaline is much worse than we thought!

Eli: She is 100,000,000,000,000,000% PURE EVIL INCARNATE!

Lisa Loud: Technically there is no such percentage but under these circumstances I definitely agree with you there Eli.

Lily: This is horrible!

Me: So all the major villains that we faced were all just pawns to Opaline.

Xenia: Oh man!

Nico: But this is definitely all info we need! Good work Misty.

Camie: Yeah you did a great job.

Me: We got to tell Princess Celestia about this.

Nico: Right. Lets head to Canterlot Castle.

Me: And Nico after your rescue we need to head into the Briefing Room and discuss our plan of attack on Opaline.

Nico: Right.

We grabbed the book and teleported to Canterlot Castle.

Batman: It's possible this isn't all of it.

Me: There might be more and the info on her is building every week. But we'll find out soon.

We went into the castle.

Me: Guards we have to see Princess Celestia immediately. It's urgent.

Guard: Right this way.

We went and stood before Princess Celestia.

Princess Celestia: Oh hello everyone.

Me: Sorry to come in like this Princess but I'm afraid we have something massively urgent.

Princess Celestia: What's wrong?

We told her everything about Opaline and everything she was doing over the last 2,000 years and more and it was SHOCKING!

Princess Celestia: This is terrible!

Princess Luna: So after all the trouble we went through because of the Doomsday 23, we now know they were all just nothing but pawns in a grand scheme.

Me: I'm afraid so princesses. But the Doomsday 23's problems they caused pale in comparison to everything Opaline has done.

Nico: Yeah. She has gone too far this time. And she needs to pay dearly.

Misty (MLP): And I was her right hand pony princesses. I served her because I wanted a cutie mark. But I realize now that I was duped.

Me: We have Misty acting as our spy for her. Like how we had Chameleon act as OUR spy for Team Dark Phoenix Storm last year.

Princess Celestia: Very clever.

Eli: Yeah it was.

Nico: Good thing the Dino Fury Rangers are with us now.

Me: Yep. But we need a little more time to prepare.

Nico: Yeah. But we will be ready.

Eli: And we got back just in time. I sense the next Another Alien.

We saw a figure fly in and it was a black version of an Evolved Aerophibian! It was ANOTHER ULTIMATE JETRAY!

Me: WHOA! Another Ultimate Jetray!

Nico: Wow! This one is going to fly fast!

Another Ultimate Jetray: (In a girls voice) It sure will and it's awesome to see you again J.D.

Me: Amelia Earhart III! Wow!

Nico: Whoa! Are you related to…

Another Ultimate Jetray: That's right. Amelia Earhart was my great grandmother.

Nico: That is cool!

Eli: It sure is

Me: Yep. She is one of the best pilots I know.

Albedo turned into Negative Ultimate Jetray.

Negative Ultimate Jetray: Did Swartz promise you anything?

Another Ultimate Jetray: Just to be the greatest Ace Pilot ever.

Me: But you already are the best pilot ever next to your great grandmother and the legendary Red Baron and Erich Hartmann.

Nico: Yeah they all were amazing pilots.

Aylene C.: And don't forget the Red Lynx. He was the most amazing pilot during Mega War II.

Me: That's true.

Another Ultimate Jetray: That is true. I knew Swartz was lying to me.

Me: He lied to everyone. Sorry we have to fight like this.

Another Ultimate Jetray: No worries. Come at me and don't hold back.

Me: We won't.

I went Super Angel Wolf Moon Xelnaga!

Me: (DIVINE WOLF MOON VOICE) **Lets fly.**

She flew into the air and I flew after her.

Me: (ACTIVATES KITE MAN'S RIDEWATCH)

(INTO THE NIGHT BY SANTANA PLAYS)

Me: (SINGING DIVINELY AS BLUE FIRE AND WIND SWIRLS AROUND ME)

**You could tell how we felt from the look on her face**

**She was spinning in circles with the moon in her eyes**

**The room left them moving between you and I**

**We forgot where we were, and we lost track of time**

**Ay oh ay oh ay oh ay**

Nico: YEAH!

Qin: AWESOME!

Kaito: (gets out Battle Fever gear) Let's dance!

Zocks: (gets out Denziman gear) With a touch of fists!

Kaito got a Battle Fever Sword and Zocks got a Denziman Sword!

Eli: Now for this one. (ACTIVATES PYROS'S RIDEWATCH)

(IT'S CALLED A HEART BY DEPECHE MODE PLAYS)

Eli: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM)

There's something beating here inside my body

And it's called a heart

You know how easy it is

To tear it apart

If I lend it to you

Will you keep it safe for me

I'll lend it to you

If you treat it tenderly

There's something beating here inside my body

And it's called a heart

There's a sun shining in the sky

But that's not the reason why

I'm feeling warm inside

The answer isn't classified, it's my heart

From the moment I started

I tried to be goodhearted

Yes I tried my best

And more or less

I spoke from my heart

There's a lot to be learnt

And you learn when you heart gets burnt

There's something beating here inside my body

And it's called a heart

You know how easy it is

To tear it apart

If I lend it to you

Will you keep it safe for me

I'll lend it to you

If you treat it tenderly

There's something beating here inside my body

And it's called a heart

Hearts could never be owned

Hearts only come on loan

If I want it back

I will take it back, I'll take my heart
But I will try my best and more or less
I will speak from my heart
Yes I will speak from my heart
Speak from my heart
There's a lot to be learnt
And you learn when you heart gets burnt
There's a lot to be learnt
And you learn when you heart gets burnt
There's a lot to be learnt
And you learn when you heart gets burnt
There's something beating here inside my body
And it's called a heart
You know how easy it is
To tear it apart
If I lend it to you
Will you keep it safe for me
I'll lend it to you
If you treat it tenderly
There's something beating here inside my body
And it's called a heart
You know how easy it is

To tear it apart

**Apologies are all you seem to get from me**

**But just like a child, you make me smile when you care for me**

**And you know**

**It's a question of lust, it's a question of trust**

**It's a question of not letting what we've built up crumble to dust**

**It is all of these things and more**

**That keep us together**

**Independence is still important for us though**

**(We realise)**

**It's easy to make the stupid mistake of letting go**

**(Do you know what I mean?)**

**My weaknesses, you know each and every one**

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

But you know that I'd rather be home

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

Qin: Now for this one. (ACTIVATES RAINBOW RAIDER'S RIDEWATCH)

(ME BY TAYLOR SWIFT PLAYS)

Qin: (SINGING DIVINELY AS RAINBOWS SWIRLED AROUND HER)

I promise that you'll never find another like me

I know that I'm a handful, baby, uh

I know I never think before I jump

And you're the kind of guy the ladies want

(And there's a lot of cool chicks out there)

I know that I went psycho on the phone

I never leave well enough alone

And trouble's gonna follow where I go

(And there's a lot of cool chicks out there)

But one of these things is not like the others

Like a rainbow with all of the colors

Baby doll, when it comes to a lover

I promise that you'll never find another like

Me-e-e, ooh-ooh-ooh-ooh

I'm the only one of me

Baby, that's the fun of me

Eeh-eeh-eeh, ooh-ooh-ooh-ooh

You're the only one of you

Baby, that's the fun of you

And I promise that nobody's gonna love you like me-e-e

I know I tend to make it about me

I know you never get just what you see

But I will never bore you, baby

(And there's a lot of lame guys out there)

And when we had that fight out in the rain

You ran after me and called my name

I never wanna see you walk away

(And there's a lot of lame guys out there)

'Cause one of these things is not like the others

Livin' in winter, I am your summer

Baby doll, when it comes to a lover

I promise that you'll never find another like

Me-e-e, ooh-ooh-ooh-ooh

I'm the only one of me

Let me keep you company

Eeh-eeh-eeh, ooh-ooh-ooh-ooh

You're the only one of you

And I promise that nobody's gonna love you like me-e-e

Hey, kids!

But you know there is a "me"

Strike the band up, one, two, three

I promise that you'll never find another like me

Girl, there ain't no I in "team"

But you know there is a "me"

And you can't spell "awesome" without "me"

I promise that you'll never find another like

Me-e-e (yeah), ooh-ooh-ooh-ooh (and I won't stop, baby)

I'm the only one of me (I'm the only one of me)

Steam in the subway, earth is a afire

Woman, you want me, give me a sign

And catch my breathing even closer behind

---

In touch with the ground

I'm on the hunt I'm after you

Smell like I sound, I'm lost in a crowd

And I'm hungry like the wolf

Straddle the line in discord and rhyme

I'm on the hunt I'm after you

Mouth is alive, with juices like wine

And I'm hungry like the wolf

Stalked in the forest, too close to hide

I'll be upon you by the moonlight side

High blood drumming on your skin, it's so tight

You feel my heat, I'm just a moment behind

In touch with the ground

I'm on the hunt I'm after you

A scent and a sound, I'm lost and I'm found

And I'm hungry like the wolf

Strut on a line, it's discord and rhyme

I howl and I whine, I'm after you

Mouth is alive, all running inside

And I'm hungry like the wolf

Burning the ground, I break from the crowd

I'm on the hunt, I'm after you

I smell like I sound, I'm lost and I'm found

And I'm hungry like the wolf

Strut on a line, it's discord and rhyme

I'm on the hunt, I'm after you

Strut on a line, it's discord and rhyme

I'm on the hunt, I'm after you

Mouth is alive all running inside

Nico flew and ate all the fruit and he spat the seeds of the watermelons like a machine gun and they hit Another Ultimate Jetray.

Nico: YEAH!

Me: **Love Duran Duran!**

Nico: (gets out G1 Starscream's Ridewatch) Time to fly even faster!

ZOOM! ZOOM ZOOM!

He was flying as fast as Starscream!

Nico: This is why STARSCREAM IS THE FASTEST!

Brawn heard that yell at the estate.

Brawn: Whoa! Looks like the boss is using G1 Starscream's watch again.

Nico flew fast and pulverized Another Ultimate Jetray all over.

Lola: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Hmm, hmm

Say goodbye

Not knowing when

The truth in my whole life began

Say goodbye

Not knowing how to cry

You taught me that

And I'll remember

The strength that you gave me

Now that I'm standing on my own

I'll remember

The way that you saved me

I'll remember

Inside I was a child

That could not mend a broken wing

Outside I looked for a way

To teach my heart to sing

And I'll remember

The love that you gave me

Now that I'm standing on my own

I'll remember

The way that you changed me

I'll remember

I learned

To let go

Of the illusion

That we can possess

I learned to let go

I travel in stillness

And I'll remember happiness

I'll remember, hmm

I'll remember, hmm

And I'll remember

The love that you gave me

Now that I'm standing on my own

I'll remember

The way that you changed me

I'll remember (I'll rememeber)

Now I'll never be afraid to cry

Now I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

Now I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

And I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

And I finally have a reason why

Haven't we met?

You're some kind of beautiful stranger

You could be good for me

I have a taste for danger

If I'm smart then I'll run away

But I'm not so I guess I'll stay

Heaven forbid

I take my chance on a beautiful stranger

I looked into your eyes

And my world came tumblin' down

You're the devil in disguise

That's why I'm singin' this song

To know you is to love you

You're everywhere I go

And everybody knows

To love you is to be part of you

I pay for you with tears

And swallow all my pride

Ta-da-da-da, da-da, da-da, da-da-da-da-da

Beautiful stranger

Ta-da-da-da, da-da, da-da, da-da-da-da-da

Beautiful stranger

If I'm smart then I'll run away

But I'm not, so I guess I'll stay

Haven't you heard?

I fell in love with a beautiful stranger

I looked into your face

My heart was dancin' all over the place

I liked to change my point of view

If I could just forget about you

To know you is to love you

You're everywhere I go

And everybody knows

I looked into your eyes

And my world came tumblin' down

You're the devil in disguise

That's why I'm singin' this song to you

To know you is to love you

You're everywhere I go

And everybody knows

I pay for you with tears

And swallow all my pride

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

The jewels smashed Another Ultimate Jetray All over!

Nico: But that song fits Dark Cupid perfectly.

Sougo tapped the Fourze statue.

The year 2011 appeared and Gentaro appeared and fired waves of stars and blasted Another Ultimate Jetray all over.

Qin: YEAH! That was cool!

Me: **Awesome! Now here is a fun one.** (ACTIVATES KID FRIENDLY'S RIDEWATCH)

(THE LEGEND OF KID FRIENDLY BY WEYLON JENNINGS PLAYS)

Balladeer: Listen everybody to a tale that you won't forget, about two beaver brothers named Norbert and Daggett. One day, these two young hombres traveled to the wild west to meet Kid Friendly, their hero, was their sacred quest.

Singers: In the old wild west,

When people's heads was funny

The funniest head of all

Belonged to Kid Friendly

He'll kill ya with kindness!

He'll kill ya with a grin!

Kid Friendly!

Balladeer: Don't you mess around with him. Now, one close call would be enough to send a smart guy runnin', but Daggett never had the sense that the good Lord gave an onion. No matter what Norb said or did, he just wouldn't hear.

Singers: Wouldn't hear!

Balladeer: Kid Friendly meant to make them grin from furry ear to ear.

Singers: He'll kill ya with kindness!

He'll kill ya with a grin!

Kid Friendly!

Balladeer: Don't you mess around with him, you beavers. Now, Norb knew his brother couldn't take on ol' Kid Friendly, but he didn't want to hang around and wait 'til things got ugly. Ugly. Norbert never really knew what Dag would do or say.

Singers: Say, say, say.

Balladeer: But he knew if you smile and run, you'll live to smile another day.

Singers: He'll kill ya with kindness!

He'll kill ya with a grin!

Kid Friendly!

Balladeer: Don't you mess around with him. Now, that big ol' blast didn't kill the Kid, but it straightened out Dag's undies.

Singers: Undies!

Balladeer: Just when it would be real nice for him to be real ornery. Unless the boys can find a way to stop the robot Kid.

Singers: Robot Kid!

Balladeer: There would be a pair of smiling stiffs… with their undies unbundled.

Singers: Unbundled.

He'll kill ya with kindness!

He'll kill ya with a grin!

Kid Friendly!

Balladeer: Don't you mess around with him.

Balladeer: So if you're goin' to ride the range to shoot and rope and spit, take a lesson from these beavers. Make sure your undies fit. The Beavers got Kid Friendly, but had a real close call. This is where the story ends.

Singers: The story ends.

Balladeer: Or maybe not… after all.

Singers: He'll kill ya with kindness!

He'll kill ya with a grin!

Kid Friendly!

Balladeer: Don't you mess around with him… you beavers.

I fired waves of energy and blasted Another Ultimate Jetray all over.

May: I hope the next Gene Slammer is near!

Nico: But these songs are awesome!

Qin: Yeah they are!

But then we heard a screech and then we saw a huge figure! It was EARTHBOUND IMMORTAL WIRAQOCHA RASCA!

Nico: WHOA! Wiraqocha Rasca!

Qin: The Condor Earthbound Immortal!

Laney: WOW!

Then a figure appeared behind Nico. It was Great Dezard!

Nico: Whoa! Great Dezard! Cool!

Wiraqocha Rasca: (In a girls voice) Been a long time Nico.

Great Dezard: (In a girls voice) Same here.

Nico: Whoa! Vicky Ann Viraqocha and Selene Salem!

They reverted back. Vicky Ann was a girl purple hair and purple and black clothes and had star angel wings and had the condor Nazca Line on her arm and skirt and Selene was a girl with black hair and blue eyes and black and blue clothes.

Selene Salem: Awesome to see you again.

Vicky Ann Viraqocha: We got this.

They fired waves of purple fire and energy and the blasts hit Another Ultimate Jetray and blasted her down and I caught the ridewatch and purified it and caught Amelia Earhart as she was falling. She was a girl with blond hair and had an Air Pilot coat and black pants on and a red scarf around her neck and I purified the ridewatch.

I landed with her.

Amelia Earhart III: (GROANS) What a headache.

Me: **But you're back to normal. Man you were flying all over the place like bats out of Hell.**

Amelia Earhart III: No kidding. But it was so fun.

Me: **It sure was.**

Nico: We put on an amazing air show.

Qin: Boy did we ever.

Vicky Ann Viraqocha: That was so fun.

Me: **Wait Vicky Ann your last name is Viraqocha. That's also…**

Vicky Ann Viraqocha: I know. It's the God of the Sun in Incan Myth. And yes believe it or not I am related to him. He's my father and I am also known as the Avatar of The Sun.

We were in awe.

Me: **Wow!**

Qin: That's incredible!

Nico: It sure is.

Selene Salem: We all were amazed about that.

Me: **And the Condor is one of my favorite birds. Also it's one of the most sacred animals in all of Incan and Aztec Religion.**

Vicky Ann Viraqocha: You sure know your history about South America.

Me: **Been there so many times. It's awesome. Also when we met Rex I was able to tell him how much I know about the Condor and the symbolic significance that it has with his Nazca line too.**

Vicky Ann Viraqocha: Very perceptive.

Batman: What's your favorite memory of Nico?

Vicky Ann Viraqocha: We have a lot of them. But my favorite would have to be where me and Nico and Selene stopped a massive illegal drug trafficking ring. It had 712,222 people exporting tons and tons and tons of heroin, cocaine and ecstasy and we busted them and got them all sent to prison.

Nico: Yep.

Me: **Wait you guys did The Great Alabama Drug Smuggling Crash of 2015!? That is incredible!**

Qin: Boy I remember seeing that all over the news! That was incredible!

Nico: Yep.

Varie: That is amazing! That was the largest ever Federal Level Mass Arrest in the history of the country!

Maria: Yeah! They all were deported back to Colombia and Uruguay.

Qin: Yeah! After being ordered to pay

$201,234,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 in damages and restitution.

Laney: WHOA! That is amazing!

Nico hugged them.

Nico: I missed you girls.

Vicky Ann Viraqocha: We missed you too Nico.

Selene Salem: We have so much to catch up on.

Nico: Yeah.

Nico: J.D., we'll need to have the emergency meeting another time. We got something else of equal importance.

Me: **Uh oh. Is it that time of the year again for the mascots?**

Nico: Yep. Time for them to get their shots.

WE GASPED!

Qin: UH OH!

Xenia: Oh boy.

Camie: Don't tell me they are scared?

Me: **Poromon is but not the others. But we still have Lincoln's rescue and date.**

Nico: Okay.

We went back to the estate.

Lincoln: Wow, we're here in Bogota, Columbia, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to destroy Gorr the God Butcher and we're going to make that god-butchering atheist feel the true wrath of God and the Gods of eons ago.

Me: Yeah, he's going to pay for his crimes big time.

Nico: Wanting to kill all the Gods in the universe?! That fucked-up bastard's just crossed a big line, and for that, he will die in the most gruesome manner ever!

Hinon: (Through Lincoln's Rainbow Thunderbird and Rainbow Third Eye Iris) Indeed he will, and he's one person that all of the Gods of the Pantheons have marked for death for his crimes against the Gods.

Lincoln: And we'll make sure that he pays for his crimes, Lord Hinon. And I want to thank you and Thor for joining us, Clark.

Superman: You're welcome, Lincoln.

Thor: Tis indeed a pleasure, and when I heard that Gorr was back, I had to join.

Lincoln: That's right, you faced him before and defeated him. Well, now we're going to destroy that genocidal heretic for good and give him The Black Gates for his crimes.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of seven girls screaming for help, along with the sound of mad and deranged laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Gorr the God Butcher, and he's going to kill them, and Lincoln saw he had the Qliphoth Tree of Death on his forehead.

Lincoln: (Gasps) Let's get over there at once, guys, I found the seven girls, but they've been cornered by Gorr the God Butcher, and he's going to kill them, and I saw he had the Qliphoth Tree of Death on his forehead.

Michelle Emperyous: That bitch, Cruella Chernabog, I should've known she had a hand in this!

?: (Girl's voice) (Spanish Accent) That genocidal heretic, let's get himand that insane and chaotic demon will get hers later on today.

Suddenly, we saw the My Singing Monster, Withur, appear before us.

Lori: No way, that's Withur.

Luan: And that Spanish accent, it's Miyuki Vocesdebelleza!

Lincoln: I knew we'd run into Miyuki here, but we'll have to talk later, let's get that genocidal heretic!

We rushed over, and before Gorr the God Butcher could kill the seven girls, Lincoln fired powerful rainbow energy balls and elemental forces at the deranged genocidal heretic, and that allowed the seven girls to get to safety in a rainbow energy field created by Lincoln to protect them from Gorr the God Butcher, and when he saw us, he was really enraged, along with seeing Thor.

Gorr the God Butcher: How perfect that the Champions of the Gods should arrive here, now I will kill you all and destroy the Gods!

Lincoln: Your days of trying to destroy all the gods are over, Gorr, and now, it's time for us to administer your punishment for your bloodstained crimes!

Then, Lincoln created portals with swings of his massive greatsword, and then, blades of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic fired out and pierced Gorr the God Butcher, and then, Lincoln covered the massive, 7'0" wide, double-edged golden blade of his massive greatsword in the pitch black fire of The Black Gates, and with one swift swing, he decapitated Gorr the God Butcher, and his evil spirit was erased by The Black Gates forever. We cheered wildly as we holstered our weapons and powered down.

Lincoln: Your genocidal rampage against the gods is finally over, Gorr the God Butcher. (To Miyuki Vocesdebelleza) And it's so good to see you again, Miyuki Vocesdebelleza.

Miyuki Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing white hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings and she reigned in the power of Withur, and she's dressed in a sleeveless open purple blouse, sleeveless purple top, purple skirt, purple pants, purple sneakers, and long white sleeveless trenchcoat with earth, water, and bones on the coattails and Withur on the back and holstered on her back is a Withur-themed large greatsword with Withur etched on the 7'0" massive, wide, double-edged purple blade, large monster heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large monster heads and a large purple gem on the bottom of the large monster heads for the pommel.

Miyuki Vocesdebelleza: (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you, Lori, Leni, Luna, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily again, Luan, and you all look so amazing.

Luan: Thanks, and you also look amazing, Miyuki. Plus, you're going to be quite surprised to see how much Lincoln's grown and changed.

Lincoln went up to Miyuki Vocesdebelleza and he hugged her, and Miyuki Vocesdebelleza is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Miyuki Vocesdebelleza: (Spanish Accent) Whoa, and Luan's right, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, so this is…?

Lincoln: Yep, that's Nico, this is Miyuki Vocesdebelleza, she's the middle child of the Vocesdebelleza Sisters, and Miyuki and her sister, Kiara, are Luan's classmates in Math, and they would often protect Luan from bullies, especially Abigail Sanchez.

Luan: Yep, and I hope you and Kiara heard of what happened with Eddy, right?

Miyuki Vocesdebelleza: (Spanish Accent) I sure did, I can't believe that bitch, Abigail Sanchez, and the Hazeltucky Hockers, Hawk and Hank, were the ones responsible for this, and they tried to bring back The 20 Days of Darkness! That little… !

Lincoln: It's okay, Miyuki, Nico put a curse on Nega-Eddy and if he hasn't killed us in the next 21 days during the first Ambassador Missions, he's getting The Black Gates, and Audrey Sauron gave him a pinkie ring that'll only make Nega-Eddy feel the beatings from the Cul-de-Sac kids.

Miyuki Vocesdebelleza: (Spanish Accent) That's really genius, and we also have the same story.

Nico: Hey yeah, that's right, and we got an idea of what they're like.

Johanna Vocesdebelleza: (Spanish Accent) You said it, and it's so good to see you, Miyuki.

Miyuki Vocesdebelleza: (Spanish Accent) It's good to see you, Corona, Ronalda, Sally, Elena, and Millenia again, Johanna, and it's also good to see you again, Hilda.

Hilda: (British Accent) You too, Miyuki.

Miyuki Vocesdebelleza: (Spanish Accent) I've got a story to share on how Lincoln mongrelized Billy McLean when he tried to kill me and my sisters.

Nico: Oh, this we're really going to enjoy hearing.

Miyuki Vocesdebelleza: (Spanish Accent) You're going to love hearing it. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Miyuki, are you absolutely sure?

Miyuki Vocesdebelleza: (Spanish Accent)(Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Miyuki Vocesdebelleza, and like her sisters, he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Miyuki Vocesdebelleza's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Miyuki Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin and your sisters, you're now part of my harem and my many future wives, Miyuki.

Miyuki Vocesdebelleza had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Miyuki Vocesdebelleza's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Alka, Choline Straze, Marie, Mena Quinone, Phyllo Quinone, Riho Flavin, and Selen Hemein from Suppose a Kid from the Last Dungeon Boonies Moved to a Starter Town?

Lincoln: Oh wow, it's Alka, Choline Straze, Marie, Mena Quinone, Phyllo Quinone, Riho Flavin, and Selen Hemein from Suppose a Kid from the Last Dungeon Boonies Moved to a Starter Town?

Nicole: Awesome!

Lincoln: Are you girls okay?

Alka: Yes, we're okay, thanks to you.

Then, when Alka and the other six girls saw who it was that saved them from Gorr the God Butcher, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him.

Alka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Alka: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alka, Choline Straze, Marie, Mena Quinone, Phyllo Quinone, Riho Flavin, and Selen Hemein with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and the team was shocked when they heard the villain we went after was Gorr the God Butcher, an enemy that Thor has dealt with before.

But, when Lincoln showed what he did in killing that genocidal heretic and sending him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Miyuki Vocesdebelleza have a lot of catching up to do now that they're back in town.

Maria: Oh man, I can't believe that Gorr the God Butcher was sighted at Bogota, Columbia, and even worse, he had made a deal with The Chernabog Sisters.

Lincoln: I would've thought he'd kill them, but they weren't given powers from the gods, they got their powers from the Satanic ritual, and he sought their help to kill us and the gods. Well, now Cruella is about to die a horrible painful death for what she's done.

Michelle Emperyous: You got that right, Linky, and we'll be the ones to make sure of that.

---

After destroying Gorr the God Butcher forever and really pissing off Cruella Chernabog, we were training intensely in the gym, doing

900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails stronger as well, and when Miyuki Vocesdebelleza saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Miyuki Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Miyuki, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Miyuki Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Miyuki, what's the story on how Lincoln took down and beat Billy McLean up into a pulp when he tried to kill you and your sisters?

Miyuki Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Billy McLean and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again for ruining his career, but Lincoln grabbed Billy McLean by his arm and he broke it and that caused Billy McLean to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out that bastard's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Nico: Yeah, I remember that one all too well, when we got the word that Billy McLean broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Billy McLean deserved it, and that asshole had no chance against Lincoln, and I got the picture.

I pulled out the picture of Billy McLean after he was mongrelized by Lincoln and it matched what Miyuki told us of what Lincoln did to that asshole, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Billy McLean, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let him get away with that, so I had to defend the Vocesdebelleza Sisters from that asshole.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one tough guy, Lincoln, and you kicked Billy McLean's ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

We got a shower afterwards, and then, Lincoln, Rochelle Goyle, and Robecca Steam were heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Rochelle Goyle and Robecca Steam were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Rochelle Goyle and Robecca Steam had feelings for Lincoln, and Lincoln also saved Rochelle Goyle and Robecca Steam from a group of bounty hunters Amy hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she still wanted blood. After Lincoln rescued them and the girls told us Amy hired the thugs to kidnap and kill them to get revenge on us, Lincoln dropped another piano on that heartless greedy bitch.

Rochelle Goyle: Wow, so this is Seaside Hill.

Lincoln: Yep, and it's perfect for our first beach date, girls. Shall we?

Lincoln, Rochelle Goyle, and Robecca Steam dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the animals that live there, and they went back to the beach and they had a game of volleyball and Rochelle Goyle and Robecca Steam got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Rochelle Goyle, and Robecca Steam and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Seaside Hill.

Rochelle Goyle: (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew the girls also allowed Lincoln to bite them and feed on their blood, like with the other girls in his harem.

Robecca Steam: And this was due to all of us harboring feelings for Lincoln, and they all came into light when he saved us from those bounty hunters Amy hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Twilight Sparkle: And I still remembered that our man dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You got that right, Twilight. Say, has there been any trouble Cruella Chernabog?

Me: Actually, you can thank Selene Emperyous and her sisters for this one, Lincoln: they used their powers to prevent The Chernabog Sisters from sending their armies of demons after us to kill us.

Lincoln: Serves Adrastea and the rest of her sisters right, and later on, Michelle and I are going to destroy Cruella Chernabog later on today.

Nico: Yeah, and I know she's planning on bringing the rest of her sisters again.

Michelle Emperyous: You got that right, but we always have our traps ready for them.

---

We got Poromon ready and he was shaking like a leaf.

Princess Luna: Okay, Poromon. Time for your shots.

Poromon: YOU'LL NEVER TAKE ME ALIVE! (flies out the window)

Nico: Oh, fuck a doodles!

Me: Time to go hunting!

I put on my hunting clothes and I had a tranquilizer dart gun with darts full of Poromon's shots.

Nico: Nice.

Poliwag: Lock and load guys!

Manaphy: Time to give Poromon some shots.

We went down to the surface.

(BENNY HILL CHASE MUSIC PLAYS)

A long chase ensues between Poromon and the other mascots, whom are chasing after him. Poromon looks terrified, trying to lose the other Mascots and us. The other mascots notices a Pikachu thumbs-up that's pointing to the right, prompting them to head off that way. Poromon pops out of the Pikachu thumbs-up and runs off in the other direction of the Mascots. Poromon is then being chased by the mascots again next to an Elephant Habitat at the zoo. Poromon is seen holding some peanuts and he scatters them in front of an elephant, who notices the peanuts and inhales them through this trunk. The elephant accidentally sucks Poliwag into his trunk, who struggles to to free himself as Manahpy and Horsea stop to try and rescue Poliwag. The elephant notices the mascots on his trunk and gets annoyed, then he proceeds to blow them out of his trunk and away. Poromon notices the other mascots being blown away and in front of him and turns and heads off into the other direction. Later, Poromon is seen poking out from a lamp post and smiles knowing the coast is clear. Suddenly just as Poromon heads back to the Estate, the other mascots pounce on him and ties him up. The other mascots carrying the tied up Poromon on a staff and head off to the Doctor's, but as they pass a bush, Poromon is gone again and Flip is tied up in his place, to the other mascots shock.

Zarya: Well, at least Flip is still tied up.

Me: I don't know how he did that but that saved us the trouble of having to catch Flip.

Nico: Yeah.

I then saw Poromon.

Me: Gotcha.

I had him locked on.

Nico: I got this.

Nico used the Slow Speed Field of the Roidmudes.

Me: Nice thinking.

I then fired.

BANG!

The dart hit Poromon.

POINK!

Poromon: (IN PAIN) YEEEEEEEEOOOOOOWWWWWW!

Drag Strip: Ok, Poromon. Enough's enough. You're going to the Doctor's whether you like it or not!

Poromon: LIGHTNING JAVELIN!

But before he could fire a blast of lightning the Tranquilizer Dart took effect and he was knocked out.

Me: Looks like that was easy prey.

Nico: Yep.

Me: (Australian Accent) Crikey! Now that was a fine catch mates.

We laughed at my remark.

Luz: (LAUGHS) That was good!

Nico and Eli were taking Poromon!

Poromon: NO! NO! NO! NO! HE WILL STEAL MY SOUL!

Grim: (Jamaican Accent) Well if he doesn't get it I get dibs mon.

They went in.

Chi Chi: What a little baby. Screaming and crying over a tiny needle.

Me: You're telling me Ms. Chi Chi. And I thought Master Goku's fear of needles was terrible.

Goku: Boy no kidding. Poromon's is worse.

Me: Tell me about it. But it was a good hunt.

Hound: Please tell me Poromon got his shots now.

Then we heard a loud scream!

Me: Uh oh.

Poromon came out and Nico was comforting him as he was crying.

Me: Oh poor Poromon.

Qin: GEEZ!

Goku: GEEZ! That is really like me.

Nico: No kidding Kakarot.

Me: I guess to Poromon a needle is like a stab that hurts like a son of a bitch.

Jean Bison: Nico, which teams did you make while we were chasing Poromon?

Nico: Applejack's team will include Woody Woodpecker, Nikki, Madison, Yue, and Keroberos. Rarity's team will include Papillon, Preciomon, Varodurumon, Plumeria, and Ymir.

Me: Cool choices!

Applejack: YEEHAW! This is gonna be so exciting!

Sakura Avalon: It sure is!

Nico: I know you were expecting Madison to be with you Sakura. Sorry about that.

Madison: But I'm really looking forward to this one.

Rarity: Oh darlings this is gonna be so amazing!

Nico: I agree there.

May was comforting Poromon who was still crying.

Poromon: May it really hurts! (CRYING HARD)

May: Oh Poromon it'll be all right.

Me: Poor Poromon. Man I hope that shot didn't hurt him.

Nico: He'll have to get used to it.

Eli: Easier said than done.

Then Wiggum, Pete, Krusty, Vreedle Brothers, Cargill, Chalmers, Springfield Mafia, Number 7, Zexion, Multiplex, Muggshot, Stacey, Garble, Bushroot, Bunnie and Clyde, Yost Crimson Dynamo, Black Baron, Evil Comet Woman, Evil Orbit Woman, and Don Octavio appeared.

Krusty: Hey hey Kiddies! (LAUGHS GOOFILY)

Wiggum: Can me, Pete, Krusty, Vreedle Brothers, Cargill, Chalmers, Springfield Mafia, Number 7, Zexion, and Multiplex go with you guys?

Muggshot: Me, Stacey, Garble, Bushroot, Bunnie and Clyde, Yost Crimson Dynamo, Black Baron, Evil Comet Woman, Evil Orbit Woman, and Don Octavio will come too.

Nico: Yes you all can come with us.

Me: And you guys will like this series of missions leading up to Thanksgiving. Our scanners have found a Solar System where all the planets are made of foods for Thanksgiving Dinner.

Evil Orbit Woman: Wow!

Nico: This will be interesting.

Tyzonn: Nico, which Gene Slammer do you think you'll meet next?

Nico: Well the Earthbound Immortals are done so I'm hoping to meet 3 of them next. One for Ghosttrick Siren, the second one for Spiritual Whisper and the 3rd one for Sirenorca.

Me: Ooh! Those are going to be cool ones.

Qin: They sure are.

Laney: That will be awesome.

Kai Green: That 2nd one sounds very interesting.

Me: It's this one.

I pulled out the card for it and it showed that it was a bird with Dreamcatcher Weaves in its wings.

Kai Green: Ohh that is a beautiful one. Perfect for a Navajo Gene-slammer.

Me: I agree Kai.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the middle sibling of the Chernabog Sisters, Cruella Chernabog, and she's major-leagued pissed off that we killed Gorr the God Butcher and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to the middle sibling of the Chernabog Sisters, Cruella Chernabog, and she's major-leagued pissed off that we killed Gorr the God Butcher and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Michelle Emperyous: Yeah, and I should've known Cruella would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, and Nocnitsa Chernabog show up, along with Cruella Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Michelle and Lincoln destroy another one of their sisters. Alright, gang, let's go, we're heading to another awesome food planet.

Lincoln: And like with all food planets, there's bound to be an old villain that we faced long ago who's come back from the dead to get revenge on us, and once we get done with him, you're next, Cruella Chernabog.

Krusty: I wonder which planet we'll visit first.

Stacey: Let me summon some backup first.

He summoned dark versions of The Kyurangers, Lost Galaxy Rangers, In Space Rangers and the Fourze Riders!

Me: Whoa! You can summon Dark Versions of the Riders too?

Stacey: I sure can. Vypra made the gears for that.

Me: Neat!

Nico: That is cool! Lets head out guys.

We were off to the ship and we were off to the first planet in the Thanksgiving System.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7061.2: The U.S.S. Valorous Phoenix is en route to a new solar system where all the planets are made of foods for Thanksgiving Dinner. Our mission is to investigate these planets one at a time and then battle the villains that are there if there are any.

Me: These planets are gonna be awesome.

Lola: Yeah they sure are.

Icepick: Poromon, will a lollipop make you feel better?

Poromon: (Sniffles) I guess.

Krusty: What happened?

Me: Poromon got his shots and he was crying hard for over an hour.

Krusty: Ooh ouch.

Me: Yeah. We were chasing him all over the city and it was both funny and silly. And I got him with a tranquilizer dart.

Laney: Nico used the Slow Speed Field from Kamen Rider Drive and J.D. got him.

Nico: Yep.

Krusty: Very clever.

Me: Yeah.

Mung gave Poromon a Lollistop.

Mung: Here Poromon. Have a Lollistop.

Poromon: Lollistop?

Chowder: They are stop sign shaped Lollipops. They are really tasty.

Poromon was sucking on it and it was good.

Poromon: Yummy! Cherry! (LICKING)

Pete: I knew that would make you feel better.

Garble: Lollipop's are always rewards for doctor appointments.

Smolder: That is for sure big bro.

Qin: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the first planet and it was a golden brownish yellow planet.

Me: Wow! This one looks amazing.

Nico: Yep. Lets engage the landing.

We got to landed and we landed and got out and saw that it was an ocean planet!

Me: WHOA! It's an ocean planet!

I then scooped some of the water and smelled it and tasted it and then I saw that it was AN OCEAN PLANET MADE OF BUTTERNUT SQUASH SOUP!

Me: WHOA! It's an ocean planet made of butternut squash soup!

Qin: Wow!

Jared: This is amazing!

Legs: Didn't expect this!

Slash Man: No one has a problem with butternut squash soup, right?

We shook our heads.

Twilight Sparkle: But this is amazing!

Jared: I love Butternut Squash Soup. Next to Broccoli soup, Butternut Squash Soup is one of my favorites.

Nico: Cool!

Sunset Shimmer: This is really cool though.

Rainbow Dash: It sure is.

Rarity: Oh this soup is absolutely divine darlings.

We got to eating some and man was it good.

We even got the ship sailing on the surface.

Me: Wow! Like the borscht planet, this planet has an ocean of soup that goes on forever.

Laney: It sure does.

Octagon: Boid, what say we dig in?

Rhomboid: I call first dibs!

Bushroot: Wait for me!

They got to eating. And man oh man was it awesome.

Me: Boy this is perfect for an appetizer.

Qin: Yep.

Ground Man: Let's have pumpkin squash with it.

Louie: Good idea!

Me: Good think Laney brought some.

Laney used her plant powers and made some squash plants and we mixed it in.

Me: Boy this is so awesome.

Camie: What do they usually have on Thanksgiving Dinners?

Me: Soup like Butternut Squash or chicken noodle, bread rolls, collared greens, mashed potatoes and gravy, mashed sweet potatoes, cranberry sauce, green bean casserole, stuffing and corn and for the main course they have roasted turkey and for dessert they have pies like pecan, pumpkin, strawberry rhubarb and others.

Camie: Boy that sounds awesome.

Me: Yep. Been a traditional staple for America ever since the Pilgrims landed in America in 1621. Been that way for centuries.

Cargill: This is very delicious!

Bunnie: I know, right?!

Me: Yeah it sure is. But also we added a new item to the menu.

Nico: We put pizza on the menu.

Camie: Really?

Me: Yep. We watched the movie Free Birds and we went back to the year 1621 and stopped Myles Standish from serving turkeys in the first Thanksgiving Dinner and replaced it with pizza.

Helena Nicos Knudson: I remember hearing about that. That was awesome.

Allie Knudson: It sure was.

Camie: Can you tell me what happened?

Me: I sure can.

I went over what happened in chapter 1257 and it was cool.

When I was done it was awesome.

Camie: Wow! That is awesome!

Zayto: So that explains why we are having pizza too.

Me: Yep.

Camie: Boy that sounds awesome.

Me: Yep. Been a traditional staple for America ever since the Pilgrims landed in America in 1621. Been that way for centuries.

Hotlink: I remember that Thanksgiving like it was yesterday.

Me: Who doesn't.

Qin: That was one of the most fun we've ever had.

Me: And the best part of that Thanksgiving was I met my ancestor William Bradford.

I showed the ring he had.

Me: This was his ring. Its been passed down through my family for generations.

Camie: That is cool!

Eli: It sure is.

Nico: Thanksgiving is awesome.

Me: It sure is. But there are other things to do than just the dinner. We have the Macy's Thanksgiving Day Parade and also we have fun football games. And the day AFTER Thanksgiving is the most fun of all.

Camie: What happens that day?

Me: The busiest and most hectic shopping day of the year: Black Friday.

Chalmers: That day is always hectic.

Yost Crimson Dynamo: Because of all the shoppers, right?

Me: Not just the shoppers but the amount of money you save on all the deals that are around.

Camie: Like what?

Me: Things can go for 25% to 95% off everything in a store.

Camie: Wow! That is big time bargain shopping.

Lola: Yeah it sure is.

Jared: Yeah we are massive bargain hunters on Black Friday.

Overbite: The shoppers on that day tend to get… violent.

Me: No kidding. They plow into the stores like a massive stampede of elephants. (To Raj) No offense Raj.

Raj: (India Accent) None taken J.D. but yes I do know what you mean.

Me: The people raid the shelves like you wouldn't believe.

Camie: Wow! That is crazy.

TTG Robin: But the deals are all worth it too.

TTG Starfire: They most certainly are the worth it.

Lana: Yeah they are.

Me: But most of the time the shoppers wait for the stores to open up in the pre-dawn hours.

Nico: It's true.

Fat Tony: Bottom line? Black Friday is THAT hectic.

Black Baron: (Dutch Accent) We could always sneak in before opening hours.

Nico: I wouldn't attempt that.

Me: But the cool part is we got special passes only for us.

I showed our pass for Black Friday.

Me: Team Loud Phoenix Storm gets everything 99% Off on Black Fridays Only.

Camie: Boy! That is like the Bargain of the century.

Misty Tredwell: It sure is.

Carly Atlas: And we love it too.

Lola: Yeah it's awesome.

Sunny Starscout: We all thought it was cool.

Airi: Let's continue eating. Sooner or later, there's gonna be a villain sighting.

Me: Good idea.

We continued eating. Then we were stuffed.

Nico: Ahh. Man that was great!

Qin: It sure was.

Lola: Yeah.

Eli: Man awesome food. Wait! I sense something.

Me: What is it Eli?

Eli: I sense a familiar evil force. Oh no! It's The Hammer! He's here!

We gasped!

Evil Comet Woman: The Hammer?

Number 7: One of Mordecai and Rigby's adversaries.

Mordecai: The Hammer is here!?

Rigby: Not good!

Camie: Who is the Hammer?

Me: He's a video game character and everyone thinks he is unbeatable.

I went over his history.

---

The Hammer is a villain in the Regular Show TV series. He serves as the main antagonist in the episode "Rage Against the TV".

He was voiced by Sam Marin.

When Mordecai and Rigby are playing a video game they face the final boss of the game "The Hammer". They try to fight him but is to strong for punches and takes out a whole life with just one punch from him. They soon find out that his weakness is furniture so they about to take him out when suddenly their TV's screen breaks, forcing them to pause the game. Rigby tries to fight him alone but can't do it, so Mordecai and Rigby go out to look for another television. They try asking their friends for one but to no avail. They then see an add for the TV store warehouse which states that they give away TV's for free. With Pops, Muscle Man and Hi Five Ghost in tow they all go to the store. However they can only get an old foreign TV due to the others being to expensive.

At the house they quickly realize that the TV they bought doesn't have the right hook ups. So, with help from Skips they upgrade the TV with parts from Muscle Man's TV and Pop's radio. When they turn it on it works perfectly when suddenly a power surge emerges and causes the TV and it's components to form into The Hammer himself. The Hammer then starts attacking them and clobbers all the park employees. With Mordecai and Rigby recalling his weakness, everyone starts hitting the Hammer with furniture. After betting him in real-life Mordecai and Rigby grab the control pads and defeat The Hammer in the game, causing the foreign TV to break.

He returns in "Exit 9B" as one of the many villains revived by Garrett Bobby Ferguson Jr. He then fights the God of Basket Ball and gets sucked back into the portal after Thomas signs the document. In "Expert of Liar" he is one of the challenges Rigby faces for answering 10 video game related questions.

---

When I was done everyone that hadn't heard about it was shocked!

Nico: And he was the first villain we took down in the Park.

Me: Yeah.

Shockwave: I think I remember playing his game.

Nico: Yes you did Shockwave.

Me: And lets not forget that he was a brutal foe.

Qin: Yeah he sure was.

Nico: But we triumphed.

Xenia: Wow!

Luz: I have a feeling he is going to come back for revenge.

Camie: If that's the case then we're going to be in for a brutal fight.

Qin: We sure are. But we'll be ready for him.

Jake: I remember that jerk tossed me at Skips before.

Zexion: He must be that tough.

Evil Orbit Woman: How did you guys defeat him last time?

Me: Oh gosh it was almost 3 years ago. Lucy and Death dragged him back to Hell.

Nico: That's right! You guys weren't around back then.

Zexion: No we weren't.

Me: We were still trying to figure out how to attack Gabriel as Hawk Moth.

Laney: We sure were.

Kumiko: Entrance time!

Me: Wait Kumiko. We haven't found out where he is yet.

Kumiko: Oh.

Xenia: But where could he be? He could be anywhere on a planet like this.

Camie: Oh boy.

Nico: Hmm.

Eli: (CONCENTRATES) He's over on that huge squash island up ahead!

Me: I see it.

Kumiko: Now it's the entrance time.

Nico: Lets do it!

We parked the ship and flew at the island.

Hammer was infuriated. But then suddenly elemental pies hit him and smashed him around all over and then laughter was heard as the elemental cream from the pies merged and formed a tornado and then out of it came us.

Me: Now that was a funny entrance. Long time no see Hammer.

Hammer: I WILL KILL YOU ALL! YOU ALL MADE A FOOL OUT OF ME!

Me: And we show no remorse for it.

Don Octavio: (Italian Accent) You think you're so tough.

Multiplex: Wait until you see this!

Multiplex made 620 clones of himself.

Muscle Man: You know who else is tougher than you? MY MOM!

We laughed at his joke.

Nico: (LAUGHS) Good one!

Eli: Yeah!

But then Seadramon, Harpymon, Boomerang, See More, Pied Piper, Jack O Lantern, Biowulf, Baron Mordo, Zs'Skayr, Scorpion, Copper Cranium, Shakedown, Droog, Evil Mushroom Man, Dogranio Yaboon, Evil Search Man, Black Scorpion, Pooperman, Captain Frightbeard, and Sentinel Prime appeared.

Nico: Seadramon, Harpymon, Boomerang, See More, Pied Piper, Jack O Lantern, Biowulf, Baron Mordo, Zs'Skayr, Scorpion, Copper Cranium, Shakedown, Droog, Evil Mushroom Man, Dogranio Yaboon, Evil Search Man, Black Scorpion, Pooperman, Captain Frightbeard, and Sentinel Prime.

Seadramon: You know, Black Friday isn't that far away.

Harpymon: No, it isn't.

Me: Just a little over a week and a half.

Boomerang: We've got plenty of time to come up with a strategy on that day.

Me: Yep.

See More: (to Nico) We heard you met with Misty.

Nico: We sure did.

Pied Piper: Find anything useful from her?

Me: TONS of things. It's all not good. I'll tell you all what we found out in the briefing room before we head out on Nico's rescue.

Pied Piper: Oh boy.

Morty Beard then came out.

Me: Morty Beard. Back for another round I see.

Morty Beard: Yep I sure am.

Me: Cool cool.

Morty Beard: J.D., I just want you to know that you did a good job killing Lothor.

Me: Thanks. I waited almost a whole year to destroy him. But the wait was completely worth it.

Nico: Yes it was.

Me: And now I have it completely off my chest now that he is in the black gates forever.

Laney: Yeah.

We got the battles underway.

---

Poromon, Rarity, Sweetie Belle, Water Skylanders, Juniper Lee, Dimitri LouSteau and Jean Bison VS Seadramon - Nico's Rescue

Seadramon was first.

Seadramon: (to Poromon) Nico's rescue involved Misty telling him the latest about Opaline. Did he learn anything useful?

Poromon: Not only did we find out that she was responsible for everything that happened that tore the friendships apart but she was also responsible for a number of terrible calamities.

Rarity: She was responsible for turning the Dazzlings into the Sirens, made the Memory Stone and even responsible for all the events that happened in Equestria after Grogar was destroyed!

Seadramon: So she is the supreme driving force behind it all!

Sweetie Belle: Yeah she sure is.

Gill Grunt: She did it all! And she was behind it all.

Juniper Lee: After all that trouble we went through with all of Equestria's enemies we found out that they were all just pawns in the grand scheme of Opaline to tear Friendship apart!

Seadramon: What a pure evil monster! Lets do it!

Poromon summoned Undine and merged Hermos with Red Eyes B. Chick and it formed into THE RED EYES SCEPTER OF FLAMES! They fired waves of fire, water, ice and jewels and smashed him down.

## Orion, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Live Action Optimus Prime, Bumblebee, Elita One, Merrick and Tyzonn VS Harpymon - Battling Another Ultimate Jetray

Harpymon was next.

Harpymon: (to Orion) Nico, Batman, and the others did Battling

Another Ultimate Jetray. I imagined that one was an excellent flier.

Orion: Boy she sure was. J.D. was really flying all over the place trying to catch her and blast her down.

Princess Luna: He sure was. We were all amazed with how well they were flying.

Moondust: It was really cool.

Snowdrop: Yeah it was flying that Taylor of the Wild Force would be proud of.

Gari: I agree there.

Blackout: We were all in awe.

Live Action Optimus: We had a lot of up hearing about that one.

Bumblebee: It was so cool.

Elita One: It was cool.

Harpymon: That is awesome! Lets do it!

Orion: LEGENDARY RANGER MODE! BATTLE FEVER J!

He turned into the Battle Fever J Black Ranger! Then he summoned Lunar and merged Hermos with Battle Shogun of The Six Samurai and it formed into THE SIX SAMURAI ELEMENT SWORD! They fired waves of darkness and energy and smashed her down.

---

Nick Russell, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Star Fox Team, Icepick and Scowl VS Frederick Myers A.K.A. Boomerang (Marvel) - Lincoln's Rescue

---

Boomerang was next.

Boomerang: (to Nick) I heard Lincoln's rescue involved killing Gorr.

Mate, considering the reputation that guy had, Lincoln's win over him was well earned!

Nick: Yeah that guy was a rotten to the core monster.

Twilight Sparkle: He sure was. And he deserved to be destroyed too.

Starshine Sparkle: We gave him what for.

Spyro: Yeah he had it coming.

Fox McCloud: He sure did. We made him pay.

Krystal: (British Accent) That is for sure.

Boomerang: Good. Lets do it!

Nick summoned Jirwolf and merged Hermos with Blast Magician and it formed into THE STAFF OF THE BLAST MAGICIAN! They fired waves of magic and energy and blasted him down.

---

## Ash Ketchum & Pikachu, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Wizard Kamen Riders, Spring Man and Slash Man VS See-More - Meeting a Withur Gene-slammer

---

See-More was next.

See More: (to Ash) I heard you guys met a Withur Gene-slammer. What's her name?

Ash: Her name was Miyuki Vocesdebelleza and she is really awesome as a guardian angel.

Pikachu: Pika!

Pinkie Pie: We were amazed with her story too.

Maud Pie: (monotonously) It was really amazing to hear about.

Featherweight: Yeah

---

Miyuki Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Miyuki, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Miyuki Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Miyuki, what's the story on how Lincoln took down and beat Billy McLean up into a pulp when he tried to kill you and your sisters?

Miyuki Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Billy McLean and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again for ruining his career, but Lincoln grabbed Billy McLean by his arm and he broke it and that caused Billy McLean to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out that bastard's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Nico: Yeah, I remember that one all too well, when we got the word that Billy McLean broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Billy McLean deserved it, and that asshole had no chance against Lincoln, and I got the picture.

I pulled out the picture of Billy McLean after he was mongrelized by Lincoln and it matched what Miyuki told us of what Lincoln did to that asshole, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Billy McLean, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let him get away with that, so I had to defend the Vocesdebelleza Sisters from that asshole.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one tough guy, Lincoln, and you kicked Billy McLean's ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson.
